U.S. No. 1 Indiana potatoes, $2.00 per cwt. Walters Trading Post, St. Joe, Indiana.

Spencerville High School News

SENIOR NEWS

The Seniors spent their last day together at Hamilton Lake--swimming, boating, fishing and getting beautiful sunburns. They enjoyed dinner at the Hamilton House and barely got home in time for their Commencement exercises.

SPORTS

The boys and the girls softball teams have started their practice. The boys probably really need the practice, but the girls are all ready to take on anyone who thinks they might be interested in the BIG LEAGUES. (Of course, you realize that they have only practiced two times.)

LOVE 'N STUFF (mostly stuff)

Maxine H. was seen Saturday, May 19, with a young fellow from Ashley who is a student at Purdue. Name? Bob Schwietzer.

Carolyn, who was the guy who took you home from the Junior-Senior Banquet? Jerry Baker from St. Joe?? (Not to be confused with Jerry Baker from Spencerville.)

New invention (?) - Car that stalls on way home. How about that Peg R. and Sonny Mathes?

Ed Hook seems to be interested in a certain blond Sophie girl. She's the object of his affection now. How about it, Cleo?

What a birthday present Bonnie Furnish got! It wasn't just a birthday present either, since she wears it on her left hand. You know what finger.

We can't keep track of one girl at Spencerville. She seems to divide her time between Butler, Garrett and St. Joe. Sometimes Ashley. Please, Shirley, one at a time!

How come Maddie sits in class figuring out how many hours it has been since March 20th? Do you know, Don? (Which Don??)

A couple in the Senior Class have gotten together again. They are Mabel S. and Harvey Lahr. Nice going, kids.

Dale B. has been so quiet lately. He just sits and gazes dreamily into space thinking of Imy. With Imy it's just vice versa.

A couple of blond Sophie kids have been showing an interest in one another again. They are Ruth F. and Pete T.

After the Sophie class party May 18, these couples went to the movies. Norman and Alice, Frank and Ruth, Pete and Cleo, and Dort and Wade. Have fun?

Three Senior boys--Bud, Alf and Jack--left at 2 a.m. May 21 for a week's trip to the Smoky Mountains. —The Smokies will will never be the same!!!

STUDY HALL

Let's look in on a typical "study" hall at S.H.S. (We use the word "study" loosely!)

As we enter the assembly door, we are hit with a dozen home-made flying saucers. Recovering from this attack, we decide to venture on into the assembly---real cautious like.

Immediately our attention is drawn to a group of boys on the far side of the room. Jerry Leonard has just discovered that his squirt gun will squirt ink, and he has successfully "decorated" Betty Beckman's blouse.

On down the aisle we detect Sonny Mathes and Peggy Romine holding hands under their desk. Sonny is trying to look very innocent while Peggy pretends to be deeply interested in a book.

What's all that commotion by the window? We go over to investigate and find that Jerry Baker has just thrown Adair Reed's Health book out the window.

By this time Mr. Long is frantically beating on the assembly desk with his fist to try to restore order but no one hears him. They've all rushed to the window just in time to see Shirley Ritenour go flying over the pole vaulting pole. By the looks of things, she has a long ways to go before she can complete with the boys.

What is it? Superman? A comet? An air raid? No, it's Nan Vendrely, and she's just sat on a tack that some one accidentally "dropped" on her seat. She's come back down to earth now, but says that she'd just as leave remain standing the rest of the period.

We walk on down the aisle and ---ah ha! What's this? We thought Jim Knop seemed especially interested in his history lesson, but it turns out to be a Donald Duck comic book inside his history book.

In back of him, Joe Long is busy writing the answers to his English exam on his sleeve.

Suddenly the last bell rings and with a zoom and a flash the students roar past us. All that we can say is "Woe to the poor assembly teacher!"

NOTICE OF SALE OF REAL ESTATE BY TRUSTEE OF NEWVILLE TWP., DEKALB COUNTY, INDIANA

The undersigned Trustee of Newville Township, DeKalb County, Indiana, hereby gives notice that on the 18th day of June, 1951, at the hour of 10:00 A.M. and from day to day thereafter until sold he will offer for sale for not less than two-thirds of the appraised value and for cash to the highest and best bidder of all of the interest of said township in and to the following described real estate in DeKalb County, State of Indiana, to-wit:

The Ladds are in Love—
WITH A RANGE!

"Automatic cooking on our modern Electric Range makes every meal a treat," says Mrs. Alan Ladd. "A treat to eat and to prepare. Alan and I often wonder how we ever managed without it."

It's the "Range of the Stars," and—of course, it's Electric. It has been favored by millions of homemakers—so sparkling clean, and easy to *keep* clean—so wonderfully accurate that perfect results are easy for any woman.

You can enjoy modern Electric Range cooking, too. It really saves you money, time and trouble. Stop in and find out how!

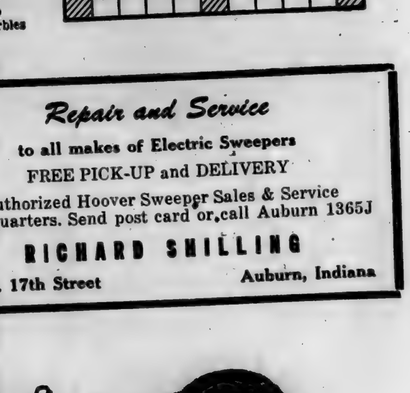
Alan Ladd starring in "BRANDED," Paramount picture Color by Technicolor

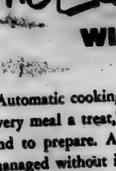
Alan's Specialty

HAMBURGER RODEO

1½ pounds hamburger
1 teaspoon salt
3 tablespoons flour
¼ cup fat
½ cup chopped onion
1 garlic clove
2 teaspoons chili powder
1 No. 2 can (2½ cups) tomatoes
1 No. 2 can kidney beans
6 frankfurters
2 tablespoons butter or margarine

Sprinkle hamburger with salt and flour; cook with onion and garlic in hot fat until brown, stirring occasionally. Add chili powder, tomatoes and water. Cover, simmer 15 minutes. Remove garlic. Add beans, cook 30 minutes, or until slightly thickened. Split frankfurters, brown in butter or margarine. Split rolls, toast. On serving plates place 2 halves of toasted roll, topped with 2 halves of frankfurter. Cover generously with sauce. Yield: 6 servings.





Get your FREE copy of "HOW TO HOLD A STAR"

Specially prepared recipe booklet—beautifully illustrated. Pictures of famous movie stars with their wives, also their favorite recipes.

Don't miss this opportunity! Get your FREE copy! See us or your Electric Range dealer.

Come in and see
The "Range of the Stars"
...OF COURSE, IT'S ELECTRIC!

8 GOOD REASONS WHY YOU NEED AN ELECTRIC RANGE

Better cooking results
It's clean • It's easy to use
It's thrifty • It's cool
It's automatic • It's fast
It's modern

The only way to enjoy all these benefits is to have an Electric Range. No matter what make you choose, be sure it's ELECTRIC, and you're sure of having a really *modern* automatic range!

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI | ST. JOE (DeKalb Co.), INDIANA | Thursday, June 7, 1951 | NUMBER 22

Around the Town

With the Editor

Folks around St. Joe may remember that fire-engine-red convertible seen around here two summers ago. It belonged to my brother-in-law, Ed Hauke. Well, he's in the army now, as the saying goes, and is in Korea getting combat training "running up and down hills all day."

As a result of his being overseas, the standard greeting in the Hauke family at their frequent meetings is, "Did you get a letter from Ed lately?" It made me realize how important letters from home really are to the boys in service after seeing the reactions of his mother and sisters, including the little woman. They look forward to the daily mail and "a letter from Ed" just as eagerly as he must look for news from them.

He's having a little trouble keeping peace in the family, though. The dates on his letters indicate whom he wrote to first and it's amusing to hear the conversation which sometimes goes—"Let's see, he wrote your letter on the 24th—well, he wrote MINE on the 23rd."

—meow.

The Little League team sponsored by Sechlers played a game Monday evening at Woodburn. The score was 7 to 0, but the Woodburn boys got only two hits to St. Joe's one. That means there were several unearned runs.

One of the enthusiastic rooters for St. Joe—he's only a rooter because the age limits for Little Leaguers are 9 to 12 years old and this young prospect is only 6—was Denny Duker. Even though he's too young for the team, he got into this particular game evidently to help stop the flow of unearned enemy runs. There were runners on second and third for Woodburn when one of Donald Donat's pitches got away from catcher Marvin Dowden. Marvin ran back to retrieve the ball and then threw wildly to the plate trying to catch the runner coming in from third.

That's where "Dead-Eye" Duker came in. As the ball rolled down the base line, Denny jumped from the bench, ran out and picked up the ball and threw a perfect strike to home plate in time to nip the second runner.

While we're laughing, let's remember . . . . . he knew what was supposed to be done.

—Big leaguers from little leaguers grow.

Local News

The Junior High and High School softball teams suffered defeats in their first league encounters Tuesday evening. They were defeated by Harlan at Harlan, 17-6 and 16-1, respectively. The Harlan high schoolers scored ten times in the first on three hits and seven St. Joe errors.

The St. Joe Valley Conservation Club will have a practice shoot next Sunday, June 10, at 1:30 p.m. If you have never shot at a clay target or only shoot occassionally, you are especially invited to attend this shoot.

Bring a friend along. Everyone welcome.

Mrs. Inez Hadsell spent the past two and a half weeks with her daughter and family, Mr. and Mrs. William Hough, at Bear Lake, Mich. She reports that the fishing was excellent.

Mr. and Mrs. Glen Kimes of Angola, Mr. and Mrs. F. R. Bowman of Butler, Mr. Walt Strausburger, Marjorie Kinsey, Judy Kinsey and Juanita Wagner of Montpelier, O., were Sunday callers in the Elnora Blue home.

Mr. and Mrs. Homer Buckingham of Toledo were Monday dinner guests in the home of their grandmother, Mrs. Lillian Buckingham.

BUSINESS MEN MEET FRIDAY

An important meeting will be held by the business men of St. Joe on Friday, June 8.

The meeting will be held at 8 p.m. at the town hall.

All business men are urged to be present.

News Drops Pair To Par-Tee, Woodburn

Par-Tee of Spencerville took a close 9-8 decision from the St. Joe News Friday night at Harlan.

After the lead changed hands in the first few innings, the News took what appeared to be a commanding 7-4 lead in the top of the eighth. But Par-Tee bounced back for 5 runs in their half of the inning to lead, 9-7.

The first of the ninth found the News with one run in and the tying run on third. But Haberkorn watched a lazy third strike float by and that was the ball game.

Pete Akey got his homer for sure, smashing one past the left fielder in the fourth.

Gene Diederich, though tiring somewhat in the last two innings, pitched good ball and received some outstanding fielding support from his mates.

The News then went to Woodburn Tuesday evening to take a 10-1 whipping at the hands of the Woodburn team.

Running up against another "stuff" pitcher, Woodburn's Jim Kees, the locals whiffed 20 times and collected 2 hits. Woodburn nicked Diederich for 15 safeties and were aided by five St. Joe miscues.

NOTICE OF SALE OF REAL ESTATE BY TRUSTEE OF NEWVILLE TWP.,

The undersigned Trustee of Newville Township, DeKalb County, Indiana, hereby gives notice that on the 18th day of June, 1951, at the hour of 10:00 A.M. and from day to day thereafter until sold he will offer for sale for not less than two-thirds of the appraised value and for cash to the highest and best bidder of all of the interest of said township in and to the following described real estate in DeKalb County, State of Indiana, to-wit:

Part of Section 30 Township 33 North Range 15 East described as bounded by a line commencing at the Southeast corner of said Section 30 and running thence West 7 rods; thence North 12 rods; thence East 7 rods; thence South 12 rods to the place of beginning. with the school house situated thereon. Said real estate being a school site which has neither been used nor occupied for school purposes for more than two years. Said sale at office of undersigned Trustee in Section 18 in said Newville Township.

Dated this 21st day of May, 1951.

Elza Moore
Trustee of Newville Twp.
DeKalb County, Indiana

Fair Plans Continued

Directors of the DeKalb County free fall fair association are completing plans for the 1951 event in Auburn, President Lewis E. Freeman of east of Auburn reported Tuesday.

The board said it is going ahead with plans despite the recent ban on gambling which already has forced cancelation of many county fairs and carnivals.

Ernest J. Lesiuk, county agent, said the board is confident that an interesting and educational fair can be presented despite the loss of concessions.

The fair is scheduled to open Tuesday, August 27, and continúe through Saturday, September 1.

The fair board said "rides" and sideshows along with games of skill will be on the midway for the fair. No gambing, such as bingo and other games of chance, will be permitted.

Top-caliber free acts for afternoon and evening entertainment already have been secured.

The list of committee chairmen and division superintendents is nearly complete, the board announced.

All superintendents of the divisions have been selected except for the saddle horse department, the agriculture department and the fruit department who will be named later along with a band chairman. The school exhibits department has been discontinued.

The superintendents named include:

Draft horse department—Furl Schmidt.

Cattle department—Frank Weller, assisted by Melvin Smith.

Sheep department—Ralph Carnahan, assisted by Lawrence Wagner.

Swine department — DeLoy Thornburg.

Poultry department—Elza Jordan, assisted by Clyde Swander and Karl Scattergood.

Horticulture department—Joe Gerig, assisted by Arlo Wynkoop.

Agriculture department—Forrest Nicholas, assisted by Russell Sink.

Ladies culinary department—Mrs. Roy Provines.

Domestic arts—Mrs. Doris Yeiser.

Flower department—Mrs. Hardy Myers.

Home economics department—Mrs. Mildred Grogg.

Varied industries — Harold Gengnagel with Richard Dice directing the machinery department

Members of the membership committee include Earl Husselman, Russell Housel and Fred Stemen.

The county agent with the home demonstration agent, Mary Lenore Moore, and Joe Harter will serve on the publicity committee.

The building and grounds committee includes Harry Kreamelmeyer, Warren Middaugh, J. R. Linton, C. C. Muhn and Roy Provines.

The county 4-H club department will be directed by Lawrence Votrie, the county extension office personnel and the adult 4-H leaders.

John McIntyre is parade chairman and Derwood Ridgway is chairman of the Old Settlers' Day program. Charman of the electricity committee is C. H. Romeiser.

Harry Provines, Edward Bry, Elmer Paulen, Garman Lower and Virgil Smith are members of the tents and housing committee.

Serving on the safety committee are Sheriff Frank Carpenter, Auburn Police Chief C. H. West, Deputy Sheriff George A. Milks, Auburn Fire Chief Gilbert Potter and Auburn Police Officers R. D. White, J. W. Rittenhouse, M. A. Whittig and Dean Sigler.

ST. JOE GIRLS 4-H NEWS

The meeting began with the pledge to the flag and the 4-H pledge, followed by the 4- H song and the reading of the 23rd Psalm by Judy Hauk. Volunteers were asked for the picnic committee. They are Jane Draggoo, Mary Lou Trenary and Ruth Fetters.

Fleta Griggs read a letter from her aunt who had T.B. and is at a sanatorium in Fort Wayne.

Refreshments for the next meeting will be furnished by Jane Draggoo, Charlotte Coburn, Ruth Trenary, Esther Fetters, Mary Lou Trenary, Ruth Fetters and Phyllis Baker.

Lois Griggs gave a demonstration on making sandwiches.

Refreshments and games were then enjoyed before the meeting was adjourned.

Spencerville News

Mr. and Mrs. George Beams and Miss Nancy Vendrely and Miss Marjorie Ann Hollabaugh spent Decoration Day at Terre Haute visiting with Mr. and Mrs. Robert Jaffre. They also were guests of Mr. and Mrs. Louis Jaffre at Bloomfield. The girls remained with the Jaffres until Sunday.

Mrs. Mary Stemen and Mr. Fred Stemen spent Sunday at the home of Mr. and Mrs. John Stemen, Jr. and family of Butler.

Mrs. Florence Silberg returned home Saturday after spending six months with Mr. and Mrs. Ray Walker at Milan, Ohio.

Mrs. Edith Akey was operated on Friday morning at the Methdist Hospital and is reported to be in fair condition.

Mr. Roy Chaney was brought home from the hospital in Fort Wayne last week and is getting along fine.

Mr. and Mrs. James Reed and daughter, Adair, left Sunday for a six weeks vacation.

The May Meeting of the Loyal Women's Class of the Lutheran Church met at the home of Mrs. Flossie Rhoads Thursday, May 31 Fifteen members were present and spent a very enjoyable evening together. Devotionals were in charge of Mary Hollabaugh. Scripture reading from the 24th Psalm followed with readings of short prayers by each member. A poem by Frank Carlton Nelson was read by Mrs. Hollabaugh. For entertainment contests were conducted by Mrs. Rhoads and Mrs. Hollabaugh. Mrs. Francena Lake was winner of the prize. Mrs. Degraff received the door prize. A pot-luck supper was served. All thanked the hostess for an enjoyable time. The June meeting will be held at the home of Miss Pearl Goldsmith.

Taxpayers Can Voice Complaints

The DeKalb County board of review, in annual session in the court house in Auburn, announced Tuesday the schedule of hearings for complaints by taxpayers on personal property assessments.

Members of the board are Joseph W. Gerig of near Auburn and Harry E. Wert of Garrett, court-appointed members and ex-officio members, Guy Myers, auditor, Hildred Ensley, treasurer, and county assessor Elmer O. Likens. The board convened Monday in the office of the county assessor.

The 1951 session will extend for 30 days. Hearings will start next Monday. This week the board will examine and approve mortgage exemptions and soldiers' exemptions.

The county assesor reports all township trustees and elected assessors are expected to be present on the days of hearings of complaints from their respective townships.

Following is the schedule of hearings in the assessor's office:

Monday, June 11, Jackson Twp. and Butler Twp.

Tuesday, June 12, Richland and Fairfield Twps. and Corunna.

Wednesday, June 13, Garrett, Altona and Keyser Twps.

Thursday, June 14, Auburn and Union Twp.

Friday, June 15, Butler town and Wilmington and Stafford Twps.

Monday, June 18, Smithfield Twp. and Ashley.

Tuesday, June 19, Franklin and Troy Twps.

Wednesday, June 20, Concord and Newville Twps. and St. Joe town.

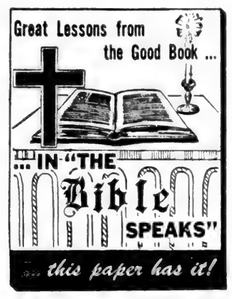
Thursday, June 21, Spencerville and Spencer Twp.

Friday, June 22, Waterloo and Grant Twp.

BEBLE SCHOOL PROGRAM AT CHURCH OF CHRIST SUNDAY

Beginning May 28 and for the following two weeks, Daily Vacation Bible School is being conducted at the Church of Christ in St. Joe. The average attendance for the first week was 53.

On Sunday evening, June 10, the children will present a demonstration of their handwork and activities at Bible School. A cordial invitation has been extended to the public to be present for the program which starts at 7:30 p.m.



SUNDAY SCHOOL RECORD

The following is a record of attendance and offering for the Sunday schools in this community, reporting for last Sunday.

THE AMERICAN WAY

Only An Armistice

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

BLOW AT FREE ENTERPRISE—Price Stabilizer Michael V. DiSalle has struck another blow at free enterprise and revealed the government's hand in seeking dictatorial control over our economy.

DiSalle declared that the Administration wants to license all businesses so they can be put out of business if they violate controls. The full impact of that statement has not soaked in yet. When it does, I predict an overwhelming reaction from the grass roots. Any American advocating such radical and dictatorial powers should be removed from office.

LAWS AND COURTS—Those of us who have been concerned over the government's creeping socialism now see the complete picture unfolded. What the government really wants is life and death control over business. However, this is still a government of law. The courts still function. The rights of a citizen to enter or withdraw from business are still a matter of personal freedom and choice.

WANT OUT OF SERVICE—In the past, military authorities have required detailed affidavits and information from reservists and draftees who have been anxious to get out of service because of personal or family reasons. Lt. Evans, of the Navy, has struck upon an easier plan. He merely wrote a letter from Korea praising his country and attacking the Truman-Acheson foreign policy. For this, he was discharged.

TURTLE SPEED—With the Democratic-controlled 82nd Congress entering its sixth month, legislation has been moving at less than snail's pace. Very little major legislation has been enacted. Long-time Congressional observers are unable to put their finger on why the Administration is delaying action. Many government activities will have to be carried on by means of special measures, merely extending existing laws. Two major measures--the Draft-UMT and Reciprocal trade-- have passed both the House and Senate, but are now before conference committees. The House also has acted on five major appropriation bills.

MAJOR PENDING LEGISLATION—Taxes: House Ways and Means committee is drafting a tax bill after tentatively approving increases of approximately $7.1 billions.

Postal rates—House Post Office and Civil Service Committee will vote on June 6 on legislation increasing postal rates by $124 millions.

Trade agreements—House has approved a three-year extension and the Senate two years. A conference committee is working on this legislation.

RFC—The Senate Banking and Currency Committee is completing hearings on legislation to reorganize, or abolish, this agency.

Defense Production Act—House and Senate Banking and Currency Committees holding hearings on a two-year extension of this act, with amendments.

EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

HAVING traveled many thousands of miles by plane, train, bus and automobile to talk and listen to folks in town and on the farm, I thought it was time to find out if my listeners shared the gloomy outlook on life revealed by my travels.

I hit upon the plan of offering a Jacobson Power Mower to the city listener who wrote me the best letter on why he loved to garden. To the farmer who wrote me the best letter on why he should produce quality dairy products, I offered a Surge Milking Machine. Not long ago I sent those two articles to the winners. That, I know, made them very happy. But I believe I made myself the happiest, for never before have I read such messages of hope, love, and happiness as those contained in the letters from my listeners. Not one letter displayed any fear of the future. All were on the optimistic side.

It was good to learn how firmly the work I have been doing for quality products in the last five years has taken hold, for all of the letters revealed how truly "quality-conscious" farm folks are these days. It was wonderful, too, to learn how much the city man has heeded and is carrying out the advice given him in the carryover since the last war of garden news in the press and radio.

Perhaps we need to give gardeners in town and on the farm a chance to air their views in the press and on the air, and give our farmers a greater part in world affairs. A shot in the arm of their philosophy would do us all a lot of good!

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Luke 4; 15; 19:1-10; Mark 10:45; John 3:16; 12:44-50.
DEVOTIONAL READING: John 10:7-18.

Not to Be Served

Lesson for June 10, 1951

THERE are at least three ideas of what religion is, and two of them are wrong if Jesus was right.

To put this more correctly: All three ideas have some truth in them, but if either the first or the second is taken as the main and only truth, then religion goes wrong; while Christ's truth carries in itself all the truth the others have.

Dr. Foreman

• • •

Religion Is Not Retreat

FIRST of these wrong ideas about religion is that it is a retreat from the world, a private conference between God and the soul—and nothing more.

People holding this idea have literally fled from the world, they have lived as hermits, they have taken vows of silence and not spoken to a living soul for years on end, they have lived in little shut-in communities devoted to contemplation and prayer.

Now the relation between God and the soul is extremely important. Prayer and contemplation are the very atmosphere of religion, and the Christian ought always to be truly separate from the world. But retreating to a cell won't answer. Nobody is any better for taking a vow of silence.

Jesus was not that kind of person. His apartness from the world was not marked by a brick wall, but by his being a different kind of person, in the world.

• • •

Religion Is Not a Guarantee

ANOTHER wrong idea about religion is that it is a means of gain. Being religious is supposed to be a sure way of getting what you want, it means getting God on your side, it means having all your prayers answered, it means prosperity and success.

Surely no one could study the story of Jesus and come away with that notion in his head! Jesus got neither health, wealth, popularity nor success out of being what he was and doing what he did.

The most respectable citizens regarded him as a wicked man; his property was only the clothes he wore; he is known to us as a "man of sorrows and acquainted with grief"; as for success, it is written that "he came to his own, and his own received him not."

Well, some one will ask, do you mean to say there is nothing in being a Christian? Don't you get anything at all out of it? That is a fair question.

Yes, there is everything to be gained; but not in that money-making, happiness-guaranteeing fashion. The person who "goes in for religion" hoping to advance his own interests, is still only a selfish man; and selfishness and Christianity are just crosswise.

• • •

Not To Be Served

THE third idea is in Jesus' words: "The son of man came not to be served but to serve, and to give his life a ransom for many." And as one of his great followers said: "As he is, so are we in this world." (I John 4:17.)

This is the ideal of service, in its deepest, widest sense; and it takes in both those other ideals of religion. One of the best ways of serving others is to pray for them, as Jesus did. One of the best things we can do for others is to live as close to God as we can. But as Jesus himself said: "For their sakes I dedicate myself."

It is true, also, that something is to be gained from religion; but nothing that a selfish, greedy, money-loving person can understand. As one of the great creeds expresses it, the "benefits of redemption" are assurance of God's love, peace of conscience, increase of grace, and perseverance therein to the end.

These are priceless, but no one can understand such things or even wish for them so long as he is a self-loving person. Jesus served men's bodies and minds, he taught and healed; but deeper than this, he came to save men—save them from their worst selves, bringing them out from slavery of sin, into the freedom of God.

So the Christian who wants to know the full meaning of his religion will, like his Master, so far as he can find opportunity, serve others' needs in every way he can. And the best service one person can do for another, after all, is to introduce him to Christ.

Pot Luck with the Pat O'Briens
...and their ELECTRIC RANGE!

"If you'll take pot luck with us," says Mrs. Pat O'Brien, "you'll enjoy my husband's favorite dish. Yes—it's Beef Stew—and he likes it best when it's done in the deep-well cooker of our automatic Electric Range. Slow, steady heat under perfect control brings out all the flavor, makes the meat tender and, m . . . m . . . m, tasty!"

The deep-well cooker may also be used for making soups, baking beans, cup custards or apples, as well as a variety of similar dishes.

The modern Electric Range provides many exclusive features that you'll want. It offers controlled, flameless heat—automatically—for broiling, oven, or top of-the-range cooking.

To free yourself from cooking drudgery—just see the modern, automatic Electric Range at your dealer's!

Pat loves it SAVORY BEEF STEW

¼ cup butter or margarine
½ cup flour
¼ cup ketchup
1 teaspoon salt
⅛ teaspoon pepper
4 cups boiling water
1 lemon, juice
2 lbs. round or chuck beef
6 small potatoes
6 small onions
½ teaspoon oregano

Melt butter or margarine in deep-well cooker, using low heat; add flour; blend. Add ketchup, salt and pepper. Add water and strained lemon juice; cook until thickened, stirring constantly. Cut meat in 1½ inch cubes; pare and halve potatoes; peel onions; add to first mixture. Cover. Turn switch to high heat until steaming, then turn to low; cook 2¼ hours. Add oregano; cook 15 minutes longer. Yield: 6 servings.

Pat O'Brien starring in "THE FIREBALL"

8 GOOD REASONS WHY YOU NEED AN ELECTRIC RANGE

Better cooking results
It's clean ● It's easy to use
It's thrifty ● It's cool
It's automatic ● It's fast
It's modern

The only way to enjoy all these benefits is to have an Electric Range. No matter what make you choose, be sure it's ELECTRIC, and you're sure of having a really modern automatic range!

HEALTHY CHILDREN SEEN CHIEF SOURCE OF POLIO SPREAD

by THOMAS B. TURNER, M.D. Professor of Bacteriology, The Johns Hopkins University School of Hygiene and Public Health.

(Editor's Note: This is the second of a series of articles written for laymen by outstanding scientists covering present-day knowledge about polio, based upon the last thirteen years of research supported by the National Foundation for Infantile Paralysis.)

To understand how poliomyelitis spreads, it is necessary to understand, first, that those who pass it on to others are not necessarily sick themselves and that the infection may pass from person to person many times before a susceptible individual develops paralysis.

Study of many epidemics has shown that of all persons infected with the poliomyelitis virus, only a small portion - perhaps one in 100 or more - ever shows paralysis or other recognizable symptoms of the disease. Therefore, if 100 children or adults acquire the virus at about the same time, only one of these, on the average will develop the disease in detectable form. Yet each of the others, although able to go about his usual activities, will harbor the virus for several days.

Virus In Excreta

Certain steps in the transmission of the poliomyelitis virus remain elusive, but it has been shown that most infected persons, for a brief period, usually three to ten days, eliminate the virus in their bowel discharges, and for shorter periods also eliminate the virus in nose and throat secretions. Knowing this, it is obvious that even with careful personal hygiene, the very minute virus could cling readily to the hands and other parts of the body, could contaminate clothing and other objects. With careless personal hygiene or poor sanitation, the degree of contamination is likely to be much greater.

It is presumed that the virus usually enters the body by way of the mouth or nose, probably carried on microscopic particles of dirt or secretions. The amount of virus required to infect an individual is not known.

True, the virus probably does not survive for more than a day or two outside the human body. But since those who are unconsciously responsible for the discharge of virus cannot be detected by any known test, contaminated hands, clothing, etc., could be handled by many other persons within a household in that short space of time.

Personal Contact Plays Role

The small proportion of infected persons who happen to become sick, and consequently are confined to their homes or are in the hospital, are of far less danger to the community than the many who are free to mingle in various groups. Every community contains not only people who are susceptible but a far larger number of others who are immune because of previous and usually unknown infection.

The proportion of immune persons varies according to age and other factors, but generally speaking, fully one-fourth the children around ten years of age and three-fourths of the adults will be immune and in no danger of further infection. Unfortunately, susceptible individuals cannot be distinguished as yet from those who are immune, except by elaborate and costly methods employed today only on a research basis.

During the course of an epidemic the sources of infection, then, are principally in the healthy child population, plus a small number of adults. While our knowledge of the factors favoring transmission still is limited, it is believed that the virus is usually transferred from one person to another by more or less direct physical contact. Opportunities for such contact vary tremendously. Children mingle closely with other children, while close contact between adults and children is largely limited to the home. The occurrence of so many "silent cases" renders it virtually impossible actually to trace the infection from one person to another.

Food, milk and water undoubtedly may become contaminated with poliomyelitis virus, but the usual protective processes, such as the cooking of food, the pasteurization of milk and proper chlorination of water are adequate to destroy the virus. Thus it is believed that few infections occur in this manner.

Ordinary house flies, feeding on infected human excreta, may carry poliomyelitis virus to food. This food has been shown to be infectious for chimpanzees, who with monkeys are the only animals suscepitble to all types of this disease, a fact that makes investigation a vast and expensive undertaking. Nevertheless, other evidence-such as the fact that the disease has been found in fly-free cold climates and elimination of flies has not interrupted the pattern of poliomyelitis incidence-indicates that flies play a minor role, if any, in the spread of the disease. And there is no evidence that other insects or animals are carriers of the virus.

It must be admitted that there are wide gaps in our knowledge. For example, the fact that year after year the disease is much more prevalent in the summer and fall than in the winter and spring is not understood. Were the determining factors known, it might be quite possible to devise means of counteracting them. An important segment of research supported by the National Foundation for Infantile Paralysis is directed to problems of this sort.

TICKETS FOR OUTDOOR THEATRE NOW AVAILEBLE

Mail order reservations for tickets for the four musical comedies and light operas to be presented during July and August in the News-Sentinel Outdoor Theatre in Franke Park, Fort Wayne, are now being accepted.

Orders should be directed to Lou Culp, business manager, 921 Gettle Building, Fort Wayne 2. The four productions and the dates are as follows:

"Vagabond King," July 6, 7 and 8; "The New Moon," July 20, 21 and 22; "Music in the Air," August 3, 4 and 5; and "Song of Norway," August 17, 18 and 19. Ticket prices are: general admission, $1.00; upper and lower terrace, $1.65; and box seats, $2.40, all tax included. Although season tickets will not be sold as such, a patron may purchase the same seat ticket for all four of the productions, thus insuring himself a permanent reservation for the season.

Mr. Culp pointed out that those ordering by mail will have the added advantage of getting the best seats first. Reservations will be filled in the order of dates received.

A downtown ticket office will be opened on June 15 at Meyers & McCarthy Men's Wear Store, 128 West Wayne. Patrons may pick up seat tickets by selecting directly from the scale drawing of the Outdoor Theatre. The ticket office telephone will be Anthony 1832.

300 At 4-H Charm School

Approximately 300 4-H club members and parents attended the 4-H Charm School held at the Auburn Courthouse assembly room on Saturday, May 26. The Junior Leader in charge of the program was Joyce Getts of the Garrett Go-Getters 4-H Club and leading the singing during the entire day was Connie Brand of the Fairfield Livewires 4-H Club. Mary Lenore Moore, home demonstration agent, introduced the 4-H leaders, junior leaders and guests.

Mrs. Ruth Butler, vocational home economics teacher at St. Joe, was in charge of a posture skit entitled "Does Your Posture Show?" This skit showed poor posture, good posture, and a demonstration which emphasized how exercise might be taken to improve posture.

Ruth Smith, assistant home demonstration agent of Allen County, spoke on "Sitting On Top of the World." Miss Smith told how personality and good manners were a part of the training in 4-H clubs to encourage members to be charming. She said 4-H club members should take every opportunity they have to improve themselves so that when they become older, they will be outstanding leaders within their local community.

A movie was shown by the Assistant County Agent, George F. Aker, entitled "Miss Dunning Goes To Town."

Peg Buchan from the Leisure Electric Home in Fort Wayne gave a demonstration on "Light Your Way To Charm,' showing the importance of good lighting in connection with reading habits and putting on make-up properly where the light comes from both sides.

The Richland Happy Hustlers 4-H Club in charge of Mrs. Jo-Anne Scattergood presented a style show, "Daisy Mae Buys Her Wedding Gown." Daisy Mae and Little Abner picked the wedding gown from numerous models of this 4-H club.

Mrs. Lenora Johnson, Wayne County home agent, talked on "4-H and Our Community" telling how 4-H influences boys and girls to become better citizens and assume confidence in leadership in carrying on activities in their community.

"Shooting For A Star" by Miss Moore emphasized having a goal in life and working toward that goal.

Enough Money For Roads, Says ITA

In an effort to answer continued complaints that money for the maintenance of rural roads is lacking, the Indiana Taxpayers Association has issued a statement showing that the amount available has more than doubled in the last several years.

"In 1939," said the Association, "Indiana had 68,882 miles of county roads, not including any of the mileage in the state system or any in cities and towns. During that year the total distributed from gasoline funds for the maintenance of these roads was $9,316-456. In 1950 this type of mileage had increased to 74,031 miles and the amount distributed to maintain it had jumped to $19,623,458, an increase of more than 100 percent.

"We are willing to admit that maintenance costs have advanced and that the dollar does not buy as much as it did in 1939, but the extraordinary advance in road funds available to the county highway departments more than makes up for what inflation has accomplished. It is our feeling that where the taxpayers have poor rural highways, those responsible for their condition must find some excuse other than the lack of money."

The statement shows that the biggest advance in rural road funds was made in Marion County. It got $200,492 for that purpose in 1939, but last year it received $1,029,975. Officials of the Taxpapers Association point out that the sharp increase in gasoline fee receipts indicated for the current year will continue a high level of distribution for the county highways.

Comparative figures for DeKalb County's share of gasoline tax distribution shows that in 1939 the county received $101,045.05. Receipts in 1950 were $189,464.4 .

'Complete Pasture Program' Helps Cows Keep Milk Pails Full, Spring, Summer and Fall

Well-Fed Cows Pay Off in Extra Milk Dividends.

IF you want contented, cud-chewing cows that fill your milk pails, you have to supply them all the feed they need during the hours they graze. Cows don't keep on eating until they are full, points out the Middle West Soil Improvement Committee. They graze only a certain period each day. If there isn't sufficient forage available to fill them in that period, then they won't be well-fed.

Surest way to provide a steady, abundant, high-quality pasture ration spring, summer and fall, is to develop a "complete pasture program," including the proper legume-grass mixtures, the use of commercial fertilizer and well-managed grazing, says Earl Jones, Ohio State University extension agronomist.

Jones recommends alfalfa, ladino clover and grass for summer grazing. Where alfalfa does not thrive, ladino clover and grass will do a good job. Timothy, brome grass or orchard grass may also be used, but Jones points out that orchard grass requires special management.

He cautions farmers to avoid killing out pasture growth by overgrazing and to provide palatable and nutritious pasture by avoiding undergrazing. Jones suggests dividing pasture areas into lots. Cattle are allowed to graze down growth in one lot and then are moved to another.

Along with good legume-grass mixtures and managed grazing, Jones emphasizes the benefits from adding lime and fertilizer according to soil tests to provide a "complete pasture program."

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make *your* dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflow Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim—you'll find *more* room—*more* comfort—*more* luxury—a *smoother* ride—*more* conveniences—*more* thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Equipment, accessories, trim and models are subject to change without notice.

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, June 14, 1951 — NUMBER 23

Around the Town

With the Editor

The next time anyone says anything about noisy boys and quiet girls, I'll invite them to transport five girls to a picnic and home again.

I did just that Sunday afternoon when the young people's classes of the Lutheran Sunday School had a picnic at Pokagon State Park. There were twenty-four present and five of that total were girls who rode in my car.

What a revelation!

I always wondered of boys were correctly classified as the "wolves" of the human race while the girls generally get put in the opposite bracket. —I found out. There are girl wolves, too.

The bunch in my car had eyes for a couple of sailors crossing the street at Waterloo on the way up to Lake James. Then on the way back when we passed about eight G I's who apparently were having car trouble. Sally Wade, Claudia and Kate Shuff, Sandra McCann and Pat Hughes just about jumped out the windows.

What a revelation!

While we were picnicking, we discovered too late that no one had included catsup or mustard in their contribution to the food preparation. Since hot dogs and buns aren't too appetizing all by themselves, catsup was worth a dollar a bottle. But we were "rescued" when Bob and Barbara Ridgway and another couple appeared on the scene, and we borrowed said spices for our enjoyment.

He probably would rather not talk about it, but Jerry Baker had a close call during the afternoon. We were shagging flies off the bat of Franklyn Sechler and Jerry had retrieved one of them. He let lose with a mighty heave that went a little wild, about fifty feet wild, and landed squarely in a baby buggy with a baby in it. Fortunately the ball missed the tot and "Momma" quickly moved him out of danger.

—I didn't ask but I'll bet Jerry couldn't swallow for five minutes.

Local News

Mr. and Mrs. Albert Wade and Mr. and Mrs. Harvey Hull visited the peony fields of Van Wert Sunday.

Mrs. Joseph Robinson attended the Gamma Nu Sorority State Convention which was held in Marion last week end. She gave the response at the formal banquet on Saturday evening. Mrs. Robinson is a member of Alpha Zeta Chapter in Garrett.

Almond Reinhart of south of Butler suffered a stroke Sunday morning at his home. He must remain in bed for at least two weeks. Mrs. Reinhart is also confined at home with sciatic rheumatism.

Thirty members of the DeKalb County Home Economics flower garden group met Friday, June 8, at the home of Mrs. Velma Husselman, north of Auburn. Each of the members brought a guest to the all-day meeting. C. S. Hoxie, Purdue floriculturist, presented an address on "Flower Arrangements" at the morning session. Following a pot-luck dinner, the group made and judged flower arrangements. The meeting was concluded with a tour of Mrs. Husselman's iris gardens. Each of the persons attending the meeting was presented with an iris root by Mrs. Husselman, who is the county garden leader.

James Monroe and family of Schenectady, N.Y. visited in the home of his parents, Mr. and Mrs. V. R. Monroe from Friday until Monday, then went to Colorado to spend some time with Mrs. Monroe's parents.

Mr. and Mrs. Glen Cole were at Detroit from Friday to Monday, guests of Francis Cole and family.

Mr. and Mrs. William Staman, Mr. and Mrs. Ralph Sechler and Franklyn, Carlos Church and family, John Dilley and family, Grace Dilley, Mr. and Mrs. Don Smith of Auburn, Mr. and Mrs. Bill Monroe of West Lafayette and James Monroe and family were Sunday dinner guests of Mr. and Mrs. V. R. Monroe.

Lester Baker was in Columbus a few days last week on business.

Mrs. Floyd Weikel, a former resident of St. Joe who has been ill for several months, will celebrate her birthday June 18. She would appreciate greetings from her friends who may reach her at 1308 Northlawn Drive, Fort Wayne.

Mr. and Mrs. Mac Keller wish to announce the marriage of their daughter, Joyce, to Keith Wagner, son of Mr. and Mrs. Lawrence Wagner of Rt. 2, Auburn.

Judging Team Prepares For Contest

The St. Joe High School Livestock Judging Team traveled to South Whitley Sunday where they had practice in evaluating the points of good livestock. They judged a class of Chester White Sows at Howard Kreeders, a class of Duroc Sows at Joe Metzgers and two rings of Angus Heifers at Carl Enzs. They also saw an outstanding crop of smooth Duroc spring pigs at Metzgers and a group of females in the Enz herd. The boys, Joe Wagner, Neil Wisler, Junior Westrick and Sam Morr, are being readied for the semi-final State Judging Contest Tuesday, June 19, at Purdue University. This group of boys won the county judging contest and qualified in the district for a chance to judge at Purdue. Mr. Lawson will accompany the team to Lafayette Monday morning.

Besides matching their skill with 42 other teams for the right to represent DeKalb County and the Fort Wayne District at the Indiana State Fair this fall, they will also have an opportunity to see a great stage show in Purdue's fine music hall, see Indiana's top 3000 4-H club members, attend the famous fish fry in the field house and visit the experimental fields, to mention a few.

Inasmuch as the boys have not had any organized judging experience previously, they will be hard pressed to qualify for the State Fair judging contest.

ARTHUR PLATTER PASSES AWAY TUESDAY

Arthur Platter passed away at his home east of Newville Tuesday evening at 10:00 p.m. He had been in poor health for some time.

Funeral services will be conducted Friday, June 15, at 2:30 p.m. from the Newville E. U. B. Church.

Legion Elects Officers For Coming Year

At a meeting of the Walter Whitehurst American Legion Post 283 Tuesday evening, the following men were elected as officers of the post for the year 1952.

Commander—Clayton A. Baker.

1st Vice-Commander—Harold Kagey.

2nd Vice-Commander—Russell Walter.

Adjutant—Leo Schendel.

Finance Officer—Walter Ervin.

Sergeant-At Arms—Dale Collins.

Chaplain—Leon Kees.

Service Officer—Lewis Walter.

Trustees—Henry Bartell and A. J. Miller.

Installation of the above officers will be held on June 26.

POLIO PREVALENCE AFFECTED BY CLIMATE AND SEASON ALL AROUND THE WORLD

by John R. Paul, M. D.
Professor of Preventive Medicine Yale University School of Medicine.

(Editor's Note: This is the third of a series of articles written for laymen by outstanding scientists covering present-day knowledge about polio, based on the last thirteen years of research supported by the National Foundation for Infantile Paralysis.)

Infantile paralysis, or poliomyelitis, has the capacity to appear in all the inhabited areas of the globe. Even though one often hears statements to the contrary, poliomyelitis occurs in both the tropics and the frigid zone. This is borne out by a "World Map of Poliomyelitis," recently prepared by Dr. Jacques May of the American Geographical Society, which charts the presence of the disease in all four corners of the earth. The study making possible the map was supported in part by a grant of funds from the National Foundation for Infantile Paralysis.

Varies In Different Zones

Before studying the map too closely one should realize, however, that poliomyelitis is influenced by climate and season, thus it acts differently in different zones. In the temperate zones its prevalence greatly increases during the summer. Consequently, where the summer is short, the poliomyelitis season is apt to be short. Cases are crowded into a brief period of the year and this increases the chances of a spectacular epidemic.

In the tropics, on the other hand, where warm weather is fairly even throughout the year, the cases may be spread from January to December. It is the sporadic or endemic disease that is wont to occur in the tropics, which usually receives much less attention than does the epidemic disease. Consequently, although it is true that poliomyelitis does occur in tropical zones, it also is true that epidemics have not occurred there with the same frequency as in the temperate parts of the world.

As a corollary to this revised view, it became abundantly clear during World War II that the virus of poliomyelitis was common enough in certain tropical or semi-tropical areas that were said to have little or no poliomyelitis. In China, Burma, India, the Philippine Islands and North Africa, American troops acquired the disease at a far higher rate than did our soldiers stationed within the United States.

As for Arctic regions, first-hand information from such areas has been scanty until recently, but what has been learned in the last several years has changed our conception of poliomyelitis in frigid zones, too. Arctic natives, isolated as they are, as a rule are relatively free from some of our common infectious diseases such as influenza, measles and even the common cold. They may go for long periods of time, even many years, without suffering from these ailments. Arctic explorers have testified to this fact. However, increasing air travel has brought these remote areas more and more in contact with "civilization," which has been bringing them our viruses.

Little Immunity Developed

When these viruses are introduced into Arctic populations that have not had the opportunity to develop much in the way of immunity, rather devastating results ensue. Thus influenza, a mild disease in most parts of the world, may be highly fatal to the Eskimo. The same is true with poliomyelitis, when it appears in Arctic regions.

Consequently, we must revise our old ideas about the possible absence of disease in these two areas. Poliomyelitis is common in the tropics, but exists there as a sporadic and infantile disease and most of the cases do not seem to be officially reported. However, epidemics can occur within tropical areas; perhaps a dozen or more have been recorded within the last ten years. Poliomyelitis occasionally has penetrated into the frozen north, too, and has been responsible for at least one devastating epidemic there.

Realization of the fact that the disease encircles the globe may help us to understand the disease and the factors that make some persons susceptible to its paralytic form, while others apparently are resistant even when infected. This understanding is the object of the research program of the National Foundation, which is dedicated to the quest for a method of eliminating the paralytic disease completely.

Spencerville News

Betty Hursh of Fort Wayne is spending a few days with her cousins, Carolyn and Lois Kimes.

We regret to report that Mrs. Edith Akey is not much improved.

Mary Stemen spent Wednesday at Butler with her son, Mr. and Mrs. John Stemen and family.

On Monday, June 4, 11 tractors and 13 men showered the Chaneys with their farming. The women brought in a delicious potluck dinner. Those assisting were Ora and Bill Smith, Robert Ward, Floyd Dean, Clair Kreager, Martin Walter, Clifford Wirick, Rollie Richardson, Henry Patowisike, Clifton Shultz, Arlie Dwyer and Leland Miller.

There will be a public auction on Saturday, June 30, at Spencerville. Proceeds will be used for the care of White City Cemetery. Watch this paper for more information.

A very special Father's Day service will be held in the Spencerville Lutheran Sunday School this coming Sunday. Mrs. Hilda Weaver Grishke of Auburn will be the guest speaker and teacher. A basket dinner and picnic at the church will follow. A very cordial invitation is extended to everyone.

On Tuesday evening, June 19, at 7:30 the Ladies Aid of the Spencerville Lutheran Church will entertain the ladies from the St. Joe congregation in the church at Spencerville. All ladies from each congregation will be very welcome. Come and enjoy a social evening with them. Hostesses are Zelpha Steward, Maude Beams, Evelyn Brendel, Janice Hollabaugh and Frances Doll.

Recent letters from Davey Doll say he is now located on the Texas-Louisiana border doing shore duty with the U. S navy. His address is as follows and letters will be very welcome: Davey L. Doll S.N. 3273642, Texas Group, Atlantic Reserve Fleet, Sub. Group II, Orange, Texas. A rather queer incident is reported by Davey as follows: There is another David Doll in his company. He hails from So. Carolina and they have some mail mix-ups. Since "Dolls" are scarce it is quite a coincidence to find one with the same name.

TO CELEBRATE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Frank Beams of Spencerville will mark their golden wedding anniversary Sunday, June 24, with a family dinner and open house from 2 to 4 p.m.

They have four children, Henry of Montpelier, O.; Mrs. Florence Peck of Anderson; Mrs. Doris Ruder of Los Angeles, Cal.; and Dr. Ralph Beams of Fort Wayne, and 12 grandchildren.

Mr. Beams is the retired manager of the Spencerville Telephone Company.

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is herby given to the creditors, heirs and legatees of Bertha Furnish, Deceased, to appear in the DeKalb Circuit Court, held at Auburn, Indiana, on the 6th day of July, 1951, and show cause, if any, why the FINAL SETTLEMENT ACCOUNTS with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

A Deeper Meaning

Through all of the present turmoil of world conflict and confusion, it appears to us that there is a much deeper meaning to the crisis which we face than has been expressed by our leaders and those who support or oppose their policies. We haven't as yet seen any comment along the line about which we speak and it may be way out of line. But we pass it on to you for what it is worth.

The fact is that communism is out to "get" us. "Us" not only means the United States as a capitalistic nation but also as a Christian nation. Though the American people are not attending church as they should, though the percentage of Americans who belong to a church is small compared to what it should be for a Christian nation, we are still regarded and regard ourselves as such. Not only do we enjoy economic and political freedom, most important of all we enjoy religious freedom. Communism is atheistic. When our religion fails, our nation will crumble. And therein lies the base of our present problem.

We cannot fight communism half-way. It will take all or nothing at all. There is no appeasing communism. That means, to us, that there must be a veritable "Crusade" as was seen in medieval times when Christian forces took up arms to win back the Holy Land from the Mohammedans. It took all-out efforts then and it seems to us that the only solution is an all-out effort now to break the back of forces seeking our destruction.

But as peace-loving people who shudder at the thought of taking up arms again after having been through a second world conflict within a half-century, we hesitate facing the facts and try to look at the situation from every other angle except the one which is, to us, the right one.

The so-called "delaying action" in Korea, costing thousands of American lives and limbs, the valiant efforts of United Nations councils will not solve the problem. It will take more than that. It will take a universal realization that we are in danger of destruction and must fight for our very existence—yes, even to every man, woman and child taking rifle in hand to destroy the enemy. And the enemy will be the real enemy, Joseph Stalin and his communist cohorts, not the Chinese "agrarian reformers" and the like.

The answer lies in the minds of the American people.

Each must answer—"Am I willing to fight for my freedom."

R. H. C.

The R. H. C. celebrated the 38-th anniversary Tuesday, June 5, having a 6 o'clock chicken dinner at the Colonial Restaurant in Hicksville, O. Fifteen members were present, the vice-president, Gladys Hart, having charge of the meeting. The president, Marie Ward, was sick and unable to attend the meeting. The club sang the Doxology before the dinner. After dinner Winifred Hart took charge. For roll call, each member responded with some incident that happened at our club meeting. Three poems were read that had been written by Winifred in honor of the club. All had a nice time and enjoyed talking over some of the happenings at some of the club meetings.

The next meeting will be with Inez Hadsell Tuesday afternoon, July 3.

WILLING WORKERS 4-H CLUB

The fourth meeting of the Willing Workers 4-H club was held at the home of Lois Mack on June 1. The program books were handed out. A demonstration and special was given by Janice Mickelson and Lois Mack. Ann Marie Miller gave a health talk.

Seventeen members and the leader, Mrs. Baker, answered the roll call. Refreshments were served by Janice Mickelson and Lois Mack.

PRISCILLA PRIM 4-H CLUB

The Priscilla Prim 4-H Club of Spencer Twp. held a regular meeting at the home of Mrs. Fisher on May 25. The meeting was opened with songs led by Pascal Speaks, and pledges also led by Pascal. The roll call was answered by nine members. The secretary and treasurer report was read and approved by Lois Kimes.

A business session was followed by a Health and Safety report by Jerry Woodring. Pascal and Ralph gave a demonstration on splicing a wire.

Recreation was led by Ralph Nussbaum. Refreshments were served by Mary Beckman and Kathleen Anthony.

The club made their programs.

The meeting was then adjourned.

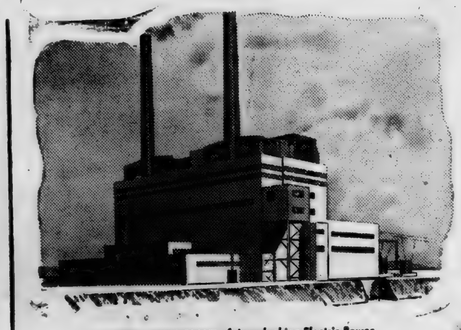
PHILIP SPORN PLANT of The Ohio Power Company and Appalachian Electric Power Company (Graham Station, W. Va.). Two 150,000-kilowatt units now in operation. Two more will be in service by the end of 1951.



KANAWHA RIVER PLANT of Appalachian Electric Power Company (Glasgow, W. Va.). First 200,000-kilowatt unit now under construction. Another 200,000-kilowatt unit scheduled for completion in February 1953.

4 answers to America's need for power

There's twice as much electricity available to our customers as there was nine years ago. But America's need for power—to produce for peace and defense—is still increasing.

Here are *four big answers* to that vital need—the kind of answers that really count. They're the four newest power plants on the American Gas and Electric Company System, of which this, your power company, is a part. Two of these plants are already in operation.

These four plants now being built or expanded will boost the total capacity of the AG&E System by 1,400,000 kilowatts between 1951 and 1953. Of this, 450,000 kilowatts is coming into service this year, another 350,000 kilowatts in 1952, and 600,000 the year following, to bring the total system capacity to 3,739,000.

You can measure the benefits of this power in several ways: in terms of preparedness, job opportunities, or better living. Use what yardstick you will, the AG&E System is integrated, interconnected. So the benefits of this new power will be available and felt throughout the whole seven-state area this company and its AG&E affiliates now serve.

INDIANA & MICHIGAN ELECTRIC COMPANY

AN AGE AMERICAN GAS AND ELECTRIC SYSTEM COMPANY

MUSKINGUM RIVER PLANT of The Ohio Power Company (Beverly, Ohio). First 200,000-kilowatt unit now under construction. Another 200,000-kilowatt unit scheduled for completion in June 1953.

TANNERS CREEK PLANT of Indiana & Michigan Electric Company (Lawrenceburg, Ind.). First 150,000-kilowatt unit now in service. Another of same capacity scheduled for operation in June 1952.

News Drops 4th

The local News softball team took another drubbing at the Hoagland diamond last Thursday evening. This time the score was 17 to 2.

They were handicapped somewhat due to the fact that only eight players showed up for the game, and those eight, DuWayne Richmond, Jack Hughes, Don McElroy, Don Yeiser, Gene Diederich, David Heyman, Walter Heyman and Ted Haberkorn, had to play the game through a drizzling rain which lasted for over an hour.

A game scheduled for Wednesday at Convoy, O., was cancelled because of rain.

DEVOTIONAL READING: II Corinthians 9:14-31.

Tell the Story!

Lesson for June 17, 1951

"TELL me the old, old story" is a favorite hymn in many places. But the first Christians would have been considerably puzzled by that hymn if you had tried it on them. It was no old, old story for them, it was hot news.

Dr. Foreman

Whatever objections people may have had to Christianity in those days, they never said it was "old stuff." More than that, Christians did not go around telling one another the story of Jesus. When Jesus said, "Be my witnesses," his first hearers did not think he meant "—only to those for whom it is an old story."

The early church was by no means an organization devoted to repeating something they knew by heart, like the ritual of a lodge. It was devoted to telling the good news about God to people who did not know that God had any good news.

• • •

The Gospel Is a Story

THE saying has been quoted in this column before: Christianity first came to the world not on the editorial but on the news pages. Christianity is not God's new advice to the world. It is first of all the something God has done for the world.

"Gospel" in Greek means simply good news. It is the story of Jesus, the kind of person he was, the kind of truths he taught, the kind of work he did, the death he died. But the story of Jesus is more than the story of a man, uniquely great though he was.

It is, after all, the story of God, God who became man so that in the life of Christ Jesus we can read the unreadable God, see the Invisible, know the Great Unknown. The early Christians were not theologians, and they did not use the language or the formulas that centuries of thought were to hammer out. They never used the word "Incarnation" and seldom used the word "Atonement." But that was what they were driving at.

• • •

The Story Is a Challenge

LOOK through the book of Acts for the story of Jesus as the early Christians told it, and you will see that the Incarnation and the Atonement are there. The Incarnation—that God has lived among us as a man among men, that the glory of God is in the face of Christ. The Atonement—that for Christ's sake God offers forgiveness to all men, that the door to God's love is a wide-open portal.

The early church taught and told this; but not just as a story to entertain or inform, not as a puzzle to be solved, not as something to be believed or not, as we please; but as THE story, not only the "greatest story ever told" but beyond any comparison the most important.

If you cannot see God in Christ, where can you see him? If you will not take God's forgiveness for Christ's sake, then what right have you to look for forgiveness at all?

• • •

Christianity Is a Life

THE readers of the book of Acts will discover that the early Christians were not simply preachers. They lived a new sort of life. The essential thing was that they lived as a family—the family of God. They so lived that few have fully imitated them since.

The way in which Christians treated one another was so different from what the world was used to, that an almost new word had to be used for it.

When Paul went about preaching, a good deal of what he said was about himself. Was this because he had taken the place of Jesus? No, it was the other way around—Jesus had taken his place. That is, what Paul had to tell was not simply the story of Jesus "from Bethlehem to Calvary," it was not even the story of the Resurrection.

What always aroused Paul's finest eloquence was his story of what Christ had done to him, for him, through him, in him. The Gospel is the power of God, he said to the Romans. And if this were not true, do you suppose the Christian religion could have lasted as long as it has?

But the telling of this story, and the living of it, is not something the church can leave to the women, or to the preachers, or to "missionary societies." Letting the world know the news, the good news, is the business of the whole family of God.

ST. JOE 4-H CLUB

The St. Joe 4-H Club met at the high school Thursday, June 7. Seventeen members were present.

The following officers were elected for the coming year: president, Neil Wisler; vice-president, Sammy Morr; secretary-treasurer, Joe Wagner; and athletic director, Alvin Hitzeman.

County agricultural agent Ernest J. Lesiuk and his assistant, George Akers, gave some short talks and showed some films.

Vocational agriculture director A. H. Lawson discussed aims for the coming year and set Tuesday, June 12, for a meeting of the executive committee to work out plans for future meetings.

CONCORD JR. HOME EC CLUB

The June 4th meeeting of the Concord Twp. Junior Home Ec club was held in the basement of the St. Mark's Lutheran Church in St. Joe, with the Corunna home ec club as guests. Other guests included Mildred Grogg, county president, Ruth Teutsch, county vice president, Mildred Bard, county secretary treasurer, Grace Laub, past county president, Thelma Baker, Carolyn Miller, Miss Bard and friend of Gladys Akey. Marcia Sible and Marcelle Storer served as hostesses.

The meeting opened by reading the club collect. Marcelle Storer then read the history of the song of the month, "My Old Kentucky Home," which was sung by the club. Fern Draggoo then gave devotions. The president, Billie Mason, welcomed the guests. The Corunna club president, Mrs. Pease, then spoke a few words. Mrs. Grogg told of coming meetings. The flower garden tour is June 25 and the county home economics picnic will be June 28. Mrs. Teutsch told of the trip this fall to Denver and other vlaces of interest.

Plans for a bake sale were discussed. It will be held June 30 at Burgoyne Bros. Store.

The secretary's report was read and approved. Roll call response, my most embarrassing moment, was answered by a 100 percent attendance of the local club and guests.

The meeting was then turned over to the program committee which presented an amateur radio program.

The meeting closed by singing the club prayer. The refreshment committee then served chicken salad on lettuce leaf, carrot strips, radish rose and saltines, strawberry fluff, angel food cake and coffee.

The next meeting will be family night and held at the home of Marcia Sible on July 2.

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, June 21, 1951 — NUMBER 24

Local News

Tom Sawyer's coming!

Lightning struck at the Wisler homestead this week and almost caused some injury. Margaret had just gathered some packing boxes from under a tree when rain started falling. She had no more than entered the house after finishing the task when boom! —the tree by the porch got it! No one was hurt but there was some damage to the porch.

The News softball team will play an exhibition game at Butler against the Produce Monday evening at 8:15 p.m.

Calvin Hull and family visited Mr. and Mrs. Hobart Jones of Lafayette from Thursday until Saturday. They were accompanied by Mr. and Mrs. Harvey Hull who visited Mr. and Mrs. Beecher Lemmon and family, thereby each Mrs. Hull visited her sister and family. Thursday evening they attended the graduation of Arthur G. Lemmon of West Lafayette High School at Fowler Hall.

Harvey Hull attended the wedding of Norman Fosnough and Miss Virginia Scheimann at St. Paul's Lutheran Church in Fort Wayne Sunday. Miss Scheimann is a nurse at the V. A. Hospital.

Mr. and Mrs. Simon Nicholls, Mr. and Mrs. Richard Wasson, Mr. and Mrs. Ivan Brown and family, Mr. and Mrs. Calvin Hull and family and Mrs. Parlia Hull enjoyed a picnic at the park near Defiance Dam Sunday.

The annual Widney Reunion was held at Alton Park Sunday, Carl Carpenter being the president.

Father's Day was observed in St. Mark's Lutheran Church Sunday with the ladies giving the men "a rest" and conducting the Sunday School hour. Mrs. W. H. Baker was the lesson leader. Mrs. Roy Reidenbach was "superintendent" and introduced Mrs. Bernice Sechler who sang a solo and Mrs. Glen Cole and Mrs. Wm. Staman, who sang a duet. Pianist for the morning was Mrs. Lester Baker.

DeKalb County members of the K. of P. Lodge will attend the Lutheran Church in a body next Sunday, June 24.

Mr. and Mrs. J. E. Foltz and Mrs. Lillian Buckingham were Sunday dinner guests of Mr. and Mrs. Chester Scofield and sons, James and John, of Jewel, O.

Mrs. Pearl Staman King and son, Dale, and family of Sturgis, Mich., Ashton Staman and Mrs. Borst were Sunday guests of Mr. and Mrs. William Staman.

Cora Curie spent the week-end in Newago, Mich., the guest of Mr. and Mrs. Harry Henderson.

Mrs. Ralph Sechler entertained the following guests at a dinner Saturday evening: Mr. and Mrs. William Staman, Mr. and Mrs. V. R. Monroe, Mr. and Mrs. Glen Cole, Mr. and Mrs. Carlos Church and Lynda Ann, Merritt Sechler and Ed Wade of Fort Wayne. The group celebrated the birthdays of Ralph and Vernie.

Mr. and Mrs. Glen Cole spent Sunday evening with Jessie Sommer of Spencerville.

Lester Baker made a business trip to Indianapolis Thursday.

Carl Carpenter and son, Philip, took a load of hogs to Chicago Monday.

Mrs. Effie Wineland celebrated her 80th birthday Wednesday of this week.

Mr. and Mrs. Olen Waltz had as dinner guests Sunday Mr. and Mrs. R. W. Zimmerman and Mr. and Mrs. Irvin Swartz, Jr. and daughter, Kay Lynn, all of Bluffton. Evening callers were Mr. and Mrs. H. O. Waltz of Garrett and Mr. and Mrs. H. D. Waltz of Chicago.

Georgia MacIntosh, 63, died Tuesday afternoon at the Sanders Hospital in Auburn after an illness of several weeks. Surviving are the husband, Alfred, of Ashley, two sisters, Daisy Carnahan of Auburn and Lida Culbertson of Auburn, and a brother, Wilbur Walter, of St. Joe. Funeral services were held Thursday afternoon.

Mr. and Mrs. Paul Hadsell and two children spent Saturday night and Sunday morning with their mother, Mrs. Inez Hadsell.

Judging Team Advances To State Finals

The St. Joe High School livestock judging team advanced to the Indiana State Finals Tuesday as they defated twenty seven other semi-finalists at Purdue University during the 4-H Round-Up. They defated four of the five teams that placed above them at the Fort Wayne district in April. The fifth team was the top team in the competition Tuesday. St. Joe will be one of the 21 teams competing at Indianapolis in September out of an original starting group of about 500 high school vocational agriculture teams.

The junior judges were required to rank according to merit 2 classes of breeding gilts, a class of fat barrows, a class each of mutton breeding ewes and fat wethers, 2 classes of beef breeding heifers and a class of fat steers. They were required to write reasons why they placed the Hereford heifers, Hampshire ewes, Hampshire gilts and Berkshire fat barrows as they did.

The local team and their scores were as follows: Joe Wagner 524, Sam Morr 506, Herman Westrick, Jr. 474 and Neil Wisler 458. Wagner ranked 11th as an individual scorer in a field of 168 contestants.

The team will compete at the Indiana State Fair about September 1, where the 2 top ranking teams will be given trophies and $200 each for expenses to the American Royal at Kansas City and the International Livestock Exposition at Chicago late in the fall.

PICNIC DINNER TO HONOR PASCHEN FAMILY NEXT SUNDAY

A picnic dinner has been planned for Sunday, June 24, by residents of Spencerville to honor Mr. and Mrs. Everett Paschen and son.

The dinner will be held at 12:30 Sunday noon on the lawns of the Lutheran and Methodist churches in Spencerville.

The dinner is a community affair and everyone is welcome to attend.

2nd REGISTERED SHOOT THIS SUNDAY

The St. Joe Valley Conservation Club will hold its second registered shoot next Sunday, June 24.

Those who don't want to shoot are invited to come out and watch the others. A good lunch is available at the grounds and everyone is welcome.

QUARANTINE MEASURES FUTILE FOR CONTROL OF POLIO

by Dr. Thomas M. Rivers, Director The Hospital of the Rockefeller Institute for Medical Research

(Editor's Note: This is the fourth of a series of articles written for laymen by outstanding scientists covering present-lay knowledge about polio, based on the last thirteen years of research supported by the National Foundation for Infantile Paralysis.)

Great faith at one time was placed upon the effectiveness of quarantine measures in stopping the spread of contagious diseases. However critical analyses of these measures by outstanding authorities have shown them to be ineffective. As a matter of fact authorities feel it is doubtful whether quarantine measures ever have prevented the spread of a disease from one country to another or its spread within a country.

Origin Of Word

The term quarantine has its origin in the word quarante, which means forty. Many years ago, ships carrying people having or suspected of having contagious diseases were held in port without intercourse with the shore for a period of forty days. At the present time, the term has a broader use, and indicates any forced stoppage of travel or intercourse on account of contagious or infectious diseases.

Not so long ago quarantine measures were the principal means used in attempts to stop the spread of yellow fever, measles, diphtheria, scarlet fever and poliomyelitis. Indeed, in New York City in 1916, patients with poliomlelitis were forcibly removed from their homes by police and carried to hospitals where they were denied all communication or intercourse with the rest of the population. Public health officers now realize the futility of such measures, and most communities no longer are harassed by useless quarantine measrues.

Present measures directed toward the control of poliomyelitis in this country are realistic and humane. They vary from community to comunity and consist, for the most part, in isolating persons known to be affected either at home or in a hospital for periods of time ranging from seven to twenty-one days. The period has been reduced within the last few years so that 27 states today allow isolation periods of seven days or until the end of the febrile period, whichever is longer. This was recommended by the National Conference on Recommended Practices for the Control of Poliomyelitis, sponsored by the National Foundation for Infantile Paralysis in June, 1949.

Epidemiological Aspect

Many investigators familiar with poliomyelitis firmly believe that present measures, too, will be discarded as soon as the public is properly educated to the facts about poliomyelitis and its spread. For they are not adequate.

The family is the epidemiological unit in poliomyelitis. When one member of a family comes down with the disease, stools from most of the members of the group contain poliomyelitis virus, even though these other members show no evidence of paralysis. Yet persons carrying the virus in their stools presumably are capable of spreading the disease. What is done at the present is to isolate the sick individual and permit others of the family, even though most of them are carrying the virus, to pursue their daily duties.

It has been suggested that the spread of poliomyelitis might be stopped by holding all members of a family in which a case occurs in strict quarantine at home. If this were done, however, it would very quickly disrupt the whole community and would work a great hardship on many people. In addition, there are good reasons to believe that an epidemic of poliomyelitis would not be stopped anyway. Indeed, in the end, approximately the same number of people probably would be affected, although under such conditions it might take longer for the epidemic to end.

The reason why strict quarantine of whole families would not bring about the desired control is that some individuals in the community not included in families with known cases of the disease, also would be excreting poliomyelitis virus and, since they would be free to move around, they would keep the epidemic going. Also it must be remembered that any measure that stops or significantly decreases the spread of an infectious agent, without building up immunity in the general population, may do nothing more than postpone the appearance of an epidemic and set the stage for a devestating outbreak which would find so many more people without resistance when the infectious agent finally was introduced again into the community.

The spread of yellow fever and smallpox never was controlled by quarantine measures. Other means, such as vaccination, have been devised whereby perfect control can be achieved. It is not unreasonable to believe that some measure will eventualy be discovered that will be useful and safe in preventing the ravages of poliomyelitis. In the meantime, communities should act in a sensible manner and not institute harsh and futile quarantine measures when poliomyelitis appears in their midst.

Spencerville News

Mrs. Lola Moore is spending a few weeks with relatives and friends at Crestline, O.

Mr. and Mrs. Richard Miller and baby of Ft. Wayne were Sunday dinner guests of Mr. and Mrs. Maurice Miller and family.

Mrs. Edith Akey is very much improved and is to be taken to the home of her daughter the middle of the week.

Father's Day was observed at the Lutheran Church with a basket dinner which was well-attended.

Glen Akey is home from the army and is working at the Shell station.

Mrs. Florence Silberg was on the sick list over the week-end but is better now.

Mr. and Mrs. George Beams and Mr. and Mrs. J. S. Hollabaugh and Ross Bair attended the Daisy ball game in Ft. Wayne Sunday evening.

Mrs. Rosie Widdifield is spending a few weeks with her sister, Mr. and Mrs. Harvey Kimes.

Miss Ruth Kelly and Mrs. Ruth Kelly Bercat and children of Ft. Wayne were Thursday afternoon and evening guests of Mr. and Mrs. Virgil Kimes and family.

All home ec members are urged to attend the county picnic to be held June 28 at Eckart Park at Auburn.

Extension Group Plans Trip To Colorado

For some years the extension groups in Allen County with the cooperation of groups from neighboring counties have sponsored a sight-seeing trip in the fall. This year the trip will be to Denver and Colorado Springs. It is really a Rocky Mountain National Park tour. Men, women and children are cordially invited to attend.

The tour will leave Fort Wayne on special train September 2 and return September 7. The all-expense price from Fort Wayne and intermediate county seats is $148.-50. This includes every item of expense for the tour, all meals, hotel two to a room, lodging on park tour two to a room, all sightseeing busses and all meal tips and baggage. In other words the only other expense is for souvenirs, etc.

Anyone wishing further information or those who wish to make reservations should contact the county home economics vice-president, Mrs. Ruth Teutsch, Butler, Indiana, RR 2.

Class Of '25 Has Reunion Sunday

Members of the class of 1925 of the local high school held their second reunion Sunday at the home of Mr. and Mrs. Weldon Shafer north of St. Joe. Last year the first reunion was held at the home of Mr. and Mrs. Harcourt Miser at Skinner Lake.

Those present were Mr. Roy E. Maxwell, who acted as the class sponsor; Mr. and Mrs. Cletus Weichart of Fort Wayne; Mr. and Mrs. Harold Ziegler and daughter, Linda, of Elkhart; Miss Verba Haner and Mr. Jess Radabaugh of Waterloo; Mr. and Mrs. Paul Hadsell and children, Joyce and Richard, of Tecumseh, Mich.; and the host and hostess and family.

Mr. and Mrs. Harcourt Miser of Albion and Mr. and Mrs. Lloyd Curie of Toledo were unable to be present.

Next year the group will meet with Mr. and Mrs. Hadsell in Tecumseh on Father's Day.

T. E. Haberkorn, Jr., Editor & Publisher

THE AMERICAN WAY

Perfectly Mated

The Post-Office Pen

When you start cleaning up, and looking around
For things that need fixing, or are simply run down,
You're sure to find things that need some repair,
That have long been neglected of usual care.
The hinges need oiling, a door needs a knob;
The windows need putty, to make a good job;
One thing and another, -when we've once begun,-
'Twill simply amaze us, -the things to be done!

And so in our Town, -right here in Saint Joe,-
There's things need adjusting, wherever we go;
The Town-pump needs painting; the streets all need oiling,
To settle the dust; folks tempers are "boiling!"
The Flag needs a cable, the side-walks are wrecks;
The windows are dirty and full of fly-specks;
And we find, when we look at our lists once again,
That an important item is the Post-office Pen!

Oh, the Post-office Pen, -it is sadly abused,
As we should expect, when we think how it's used;
Some folks use it proper, while some seem to think
It should always write good, if it's laden with ink!
They load it so full that their writing's a fizzzle;
And they bear down upon it as one would a chisel!
They don't seem to think they may want it again,-
They have no regard for the Post-office pen!

Oh, the Post-office Pen! It is rusty and worn;
You try to write with it and your paper is torn;
It's always a "stub," and the point is so blunt
That to write a good script is a slight-o'-hand stunt!
Sometimes there's a new pen, and then you may think:
"At last I can write," -then you find there's no ink!
No cause to get flustered, or angry again,-
It isn't the fault of the Post-office Pen!

Now, if we could have a good Estabrook pen
And a wee bit of ink, we could scribble again;
We could do better writing, and do it in style;
We would all be more cheerful, and ready to smile!
So, when we start "fixing," -at home or up Town,-
Let's make up our Program, -write each item down,-
And, before we get started, read our lists once again,
And start the good work with the Post-office Pen!

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: II Timothy 2:1-9; I Peter 4:12—5:11; Revelation 1; 7:9-17.
DEVOTIONAL READING: II Timothy 2:3-13.

Church Under Fire

Lesson for June 24, 1951

ABOUT two thousand Christian missionaries have been forced to leave China during 1950 and 1951. In more than one country "freedom of religion" has meant, in practice, freedom to ridicule and hinder religion. In Spain, Protestants are forbidden to use the name "church," to meet in any building on a main thoroughfare, or to worship in buildings that in any way resemble a church. In Colombia, churches have been burned by mobs without the slightest interference from the police. All this is bad; but it is nothing new.

Dr. Foreman

• • •

When Christian Meant Criminal

AT the time the Christian religion began, it came under fire from the authorities of Jerusalem. It was to be expected that the same men who had condemned, cast out and crucified Jesus would try to stamp out his followers as well.

But one of the leading men of Jerusalem said, in effect: "If this new cause is God's cause there is no use in our fighting it." It was God's cause, and so the opposition at Jerusalem not only did not stop or destroy the church but actually only succeeded in spreading it.

As the new Christian religion then moved out into all parts of the Roman Empire, at first the imperial and local authorities paid it no attention; and in fact for some years it enjoyed the protection of the government. So long as it was supposed that Christianity was simply a sect of Judaism, the Roman government let it go.

But when it came out that Christianity was a new religion, and especially when it became clear that the Christians acknowledged only one Lord, and would not worship the Emperor, the Roman government began a long series of persecutions, which lasted for close to three hundred years.

• • •

Inspiration Behind Bars

FIVE letters of Paul, including II Timothy, were written from Roman jails, and reliable tradition tells us that Paul was finally beheaded just because he was a Christian.

If you will look on a map of the Roman Empire for the places mentioned at the beginning of I Peter, you can see how widespread was the "fiery trial" which the readers of that letter were then suffering. As for the book of Revelation, its writer was, he says, "on the isle of Patmos for the word of God and the testimony of Jesus Christ."

Patmos Island was no resthaven for tired missionaries; it was not a missionary field either. It was a barren island, a convict camp, where many Christian missionaries, on being arrested, were sent after their trial and sentence, to work at forced labor in the mines there.

If the scenes of that book often flow with blood and blaze with fire, it is not because the writer had a too vivid imagination. He might have seen with his own eyes Christians, men, women and even children, with their heads chopped off by the public executioner, or dying amid the flames at the stake. Those were terrible times, and it took courage to be a Christian at all.

• • •

The Victory

THE message of the New Testament is never optimism, but always hope. That is to say, no one in the New Testament, from Jesus in Galilee to John on Patmos, holds out any promise or picture of smooth and easy going for the Christian church.

It will have trouble, and the more faithful it is to Christ the more trouble it is likely to meet. But in the long run, Christ's true church (which means simply all those who are true to Christ) will conquer all her enemies, for the reason that it is Christ's church and not ours alone.

It has recently been reported that the Russian government has thought up a smart idea. They find that the more religion is persecuted, the more stubbornly vigorous it grows. So the government has given up persecuting religion, and proposes to let it "die on the vine."

That may work; if Christians have too easy a time, the church will attract only the lazy and the comfort-loving—which will kill off the church. But the vine will not die, if only every branch is close-joined to Christ, the ever-living Vine of God.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

GOVERNMENT CONTROLS—With the Congress considering action on the mattter of extension of the Defense Production Act, including price controls, by the June 30 deadline, I thought you would be interested in the report from the House Agriculture Committee which appeared in the June 8 issue of the Congressional Record, the publication which daily records the activities of the Congress when it is in session.

The report follows under the heading, "MEAT PRICE ROLL-BACK." "Committee on Agricul- Announced that in the interest of both consumers and producers the beef and cattle roll-back orders should be rescinded immediately. This announcement followed an executive meeting today wherein consideration was given to all evidence submitted thorughout the extensive hearings conducted in connection with the orders of the OPS on beef and cattle prices. During the course of these hearings testimony was received from Price Stabilizer DiSalle, Economic Stabilization Administrator Johnston, Secretary of Agriculture Brannan and other Government officials. The committee also heard beef cattle breeders and producers, feeders, slaughterers, processors, packers, butchers and retailers, while invitations were extended to consumers and official representatives of consumer groups to appear and testify.

"It was pointed out that only Government officials appeared in favor of the roll back, while numerous witnesses representing all segments of the beef industry appeared in opposition to the orders.

"The summary of the committee's findings indicated that the issuance of the OPS orders affecting the beef cattle industry was unwarranted and unjustified. Such action was taken without adequate consideration of the factors involved. Such orders will not result in any benefit to producers, packers, handlers or consumers, and are unfair to farmers who have purchased beef cattle since January 25, 1951, in reliance upon the assurances of Government officals that there would be no roll-back in price beyond that date. They will discourage the production of beef, result in shortages, and create black markets and result in the necessity for rationing an artificially stimulated demand for other meats, increasing the prices to consumers of pork, lamb, poultry, eggs and other food commodities."

While the future of legislation concerning governmental controls is uncertain at this time, the above quotation indicates the opinion of an important Committee of the House of Representatives which has been studying the problem.

Auction Nets $265

The public auction held last Friday evening at St. Joe netted the St. Joe Valley Recreation Club $265.

Many worthwhile articles were donated for the sale including a boat, a deep-well pump, a bicycle, two washing machines, a refrigerator, sacks of grain, etc. in the latest activity of the club in its endeavor to raise money for the softball diamond.

The sale was under the direction of Derwood Ridgway and the auctioneer was John Haverstock.

OHIO SCOUTS PASS THROUGH ST. JOE

Eight explorer scouts from Bryan and Montpelier, Ohio, were Sunday visitors at St. Joe on their way down the St. Joe and Maumee rivers. On Monday night they arrived at Fort Wayne and completed their 200-mile trip in the next two days.

The scouts were Bennie Beck, Burton Blue, Dick Carr and Larry Vonalt of Montpelier and Bill Bond, Terry Hagerman and Paul Leugh of Bryan. Ray Barron was their leader for the trip.

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is herby given to the creditors, heirs and legatees of Bertha Furnish, Deceased, to appear in the DeKalb Circuit Court, held at Auburn, Indiana, on the 6th day of July, 1951, and show cause, if any, why the FINAL SETTLEMENT ACCOUNTS with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

LEO AUXILIARY NEWS

The June meeting of the Leo American Legion Auxiliary Unit 409 was held at the Post Home. Mrs. Robert Tharp, president, presided at the meeting.

Outstanding committee reports were as follows:

Mrs. Fred Marolf, Jr., Poppy chairman, reported $62.00 taken in on Poppy Days. This will be used for rehabilitation of veterans and child welfare.

Mrs. Wilbur Shears, Civil Defense chairman, attended the Civil Defense meeting at the joint Auxiliary and Legion conference in Indianapolis. She gave a brief report of proceedings for a combined program for Auxiliary and Legion to educate communities on Civil Defense.

Several unit members volunteered to serve one night a week at the refreshmnt stand at Lion's Field during the summer schedule of community activities.

Plans were completed for a rummage sale June 27. All members are urged to bring rummage to the Post Home before that date.

Committees chosen to complete plans for the Fourth District Meeting to be held July 12 at the Leo Post Home.

Election of officers climaxed the business meeting.

Those elected are as follows:

President, Mrs. Vernon Halter; 1st vice-president, Mrs. Fred Marolf, Jr.; 2nd vice-president, Mrs. Edison Martin; 3rd vice- president, Mrs. James Savage; chaplain, Mrs. William Bender; recording secretary, Mrs. Robert Sauder; corresponding secretary, Mrs. Elmor Griswold; treasurer, Mrs. Walter Dean; historian, Mrs. Harbld Kryder; sergeant-at-arms, Mrs. Park Sebert; color guard, Mrs. William Hudson and Mrs. Frank Soule; executive committee, Mrs. Elmer Sordelet, Mrs. Alvan Tharp and Mrs. Robert Tharp.

Mrs. Harry Schwartz, junior activities chairman, and her committee, were in charge of the social hour along with the Misses Dorothy Schwartz, Mona Gail Droege and Beverly Griswold, junior auxiliary members. Mrs. Harold Kryder, Pan American chairman, presented a quiz on the Pan American countries, their inhabitants and occupations.

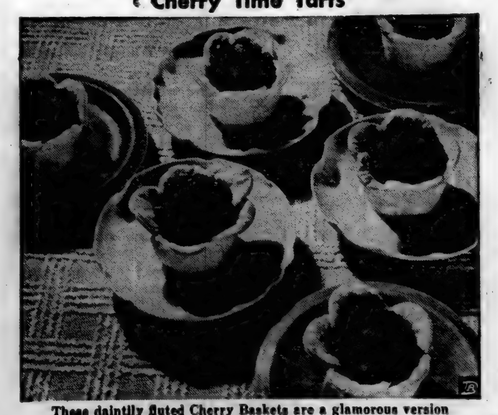
Cherry Time Tarts



These daintily fluted Cherry Baskets are a glamorous version of the ever popular cherry pie, and are made with the same basic pastry.

Buy cherry pies from your baker's, or make them at home—but enjoy the perfection of this delicious fruit pie the year around. The combination of fresh or canned cherries with a thrifty pastry base makes this a dessert that holds to the family budget.

Occasionally, fashion enriched flour pastry into dainty baskets by cutting 3-inch circles from the rolled-out dough. Fit the circles into muffin pans, overlapping them to achieve the fluted effect. When you serve Cherry Baskets, you have time to enjoy your party, for dessert is prepared in a moment. The pastry baskets are made ahead of time and need only to be filled with the cooled cherry filling and garnished with a froth of whipped cream.

Enriched pastry and cherries make a delicious taste blend, as well as a good nutritional one. Count on enriched breads and desserts of all kinds to supply protein, B-vitamins, and food iron economically. Pastry baskets also make handsome containers for fresh sweetened strawberries, peaches and other summer fruits. Top with whipped cream or a spoonful of vanilla ice cream.

CHERRY BASKETS

Pastry

2 cups sifted enriched flour
1 teaspoon salt
⅔ cup shortening
5 to 7 tablespoons cold water

Sift together flour and salt. Cut or rub in shortening. Add water. Mix into a dry, crumbly dough. Toss on floured pastry cloth. Roll and fold until smooth. Roll about ⅛ inch thick. Cut with 3-inch biscuit cutter. Place one pastry round on bottom of each 3-inch muffin cup. Line sides of muffin cup by overlapping 5 pastry rounds around each muffin cup, setting the rounds on edge. Press edges of pastry on sides firmly to edges of pastry on bottom. Prick with fork. Bake in hot oven (450°F.) 8 to 10 minutes. Cool. Fill with Cherry Filling. Makes 6 Cherry Baskets.

Cherry Filling

½ cup sugar
2 tablespoons cornstarch
⅛ teaspoon salt
2½ cups cherry juice or water
1 tablespoon lemon juice
3 cups pitted cherries, fresh or canned

Mix together sugar, cornstarch, and salt. Heat cherry juice or water and add sugar mixture to cherry juice, stirring constantly. Cook until cherry juice is clear and medium thick. Add cherries and blend well. When Cherry Filling cools, fill pastry baskets. Makes enough filling for 6 baskets.

CONCORD TWP. HOME EC

The annual June 15 breakfast of the Concord Twp. Home Ec Club was held at the home of Mrs. Iva Yeiser.

The committee assisting Mrs. Yeiser was Mrs. Laura Washler, Mrs. Nevada Wyatt, Mrs. Cora Curie and Mrs. Arlene Koch.

The hot dishes of chicken, mashed potatoes and gravy, escolloped corn, rolls and coffee were served by Mrs. Yeiser and her committee while the salads and sweets were pot-luck. Following the meal, stunts and guessing games were conducted by Mrs. Curie.

The meeting was then called to order by the president, Mrs. Laura McClellan. All joined in repeating the club creed.

Devotions were given by Mrs. Hulda Reasoner. All then sang the song of the month, "My Old Kentucky Home."

27 members answered roll call by stating, "Why I am a member of the home ec club."

The trip to Michigan City to visit the Friendship Gardens was discussed. Special reports were given by Mrs. Hadsell on garden, Mrs. Curie on outlook and Mrs. Doris Yeiser on hospitality. The penny collection was $1.10.

Guests included two county officers, Mrs. Mildred Grogg, county president, and Mrs. Teutsch, county vice-president, and two children.

The July 20th meeing will be held at the school gym when the Butler Twp. club will be entertained. Committee for arrangements is Edith Sayor, Edna Amstutz and Myrtle Pugsley. Committee on food is Mrs. Gertrude Borthwick, Mrs. Elizabeth Shull and Mrs. Cora Fetters who will serve hot sandwiches and a beverage. Each member will bring a potluck for herself and a guest.

The meeting closed with the singing of the club prayer.

FORAGE CROPS ARE HOSTS TO HOPPERS

Is the alfalfa turning yellow? Is the ladino clover taking on a reddish color? If a quick check of the undersides of the leaves reveals tiny green insects, which hop or crawl out of sight rapidly, it means "hopper" trouble. These are the pests which cause alfalfa and ladino to change color.

Leafhoppers can be controlled by spraying but to obtain the best results spraying must be applied before the plants begin to show discoloration. Therefore, farmers will want to check both the stubble and uncut fields. The feeding of these tiny yellowish-green insects results in a characteristic wedge-shaped area on the leaves. This area is yellow in alfalfa and red in ladino clover. The insects should not be confused with green plant lice which remain in one place and seldom move.

C. M. Wilson, Purdue University entomologist, says that farmers should keep in mind that in some cases the yellowing of alfalfa can be caused by deficiencies of certain mineral elements in the soil or by leaf spot diseases, caused by fungi, but such damage is not characterized by the yellow wedge-shaped areas.

Details regarding control by spraying are given in a circular of the entomology department "Leafhopper Control of Forage Alfalfa" No. E-36. Copies are available free from the department at Purdue or county agent offices. The entomologists recommend a methoxychlor emulsion concentrate containing 25 percent methoxychlor at the rate of one gallon per acre. It may be used in weed-type sprayers and will not clog nozzles.

DDT and toxaphene will also kill hoppers but to avoid objectionable residues on pastures or hay for dairy cattle, the spray would have to be applied immediately after the first cutting. This is too early for the best control. Other control methods are discussed in the bulletin.

CARD OF THANKS

Mr. Roy C. Chaney, Sr. expresses his deep appreciation for the hundreds of beautiful greeting cards sent by those dear neighbors and friends; also for all the many inquiries and visits during his illness. A special "thank you" goes to our very helpful and thoughtful neighbors who came in and assisted in putting out the crops.

Thanks again.

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, June 28, 1951 — NUMBER 25

Local News

Tom Sawyer's coming!

The renuion of the George Scott Family was held at the home of Mr. and Mrs. Weldon Shafer Sunday. 84 members of the family were present, besides Mr. and Mrs. Donald Foust and Mr. and Mrs. Virgil Smith, of Hicksville, as guests. Mrs. Georgia Gessner is the new president and the next meeting will be at the Hicksville fair grounds next June.

Funeral services were conducted Monday, June 18, for Logan H. Fuller, 82, of St. Joe. The Butler Masonic Lodge had charge of the graveside services at Riverside Cemetery. Survivors include the widow, Myrtle, and a sister, Mrs. Francine Nelson, of Antwerp, O. The deceased was born near Newville on August 9, 1868, and was a retired factory worker. He was a member of the Christian Church at St. Joe.

Guests of Father's Day in the Russell Walter home were Mr. and Mrs. W. C. Vantrease and Mr. Mitchell Slatton of Ft. Wayne.

Mr. and Mrs. William Staman, Mrs. Grace Dilley and Mr. and Mrs. Edgar Lysher and son, Ronnie, were Sunday afternoon callers in the George Kees home at Garrett.

Eddie Tentcher of Garrett, who is in the navy, visited Sunday afternoon in the Russell Walter home. Eddie has been stationed in California and has been restationed at Florida. He is home on a leave.

Rosella Wilks is spending a couple of weeks with relatives in Michigan. She visited last week with her uncle and aunt, Mr. and Mrs. Wayne Donley, of Coldwater and will be the guest this week of another uncle and aunt, Mr. and Mrs. Frank Porter of near Coldwater. Her parents, Mr. and Mrs. Edgar Lysher, will go to Michigan next Sunday to bring her home.

Mr. and Mrs. Russell Walter and children were Sunday evening callers of Mr. and Mrs. Vantrease and Mr. Slatton in Ft. Wayne.

Final rites were conducted Friday, June 15, for Mrs. Louisa White, 59, of near St. Joe with burial in Riverside Cemetery. Survivors include the husband, Ervin, two daughters, Mrs. Ellen Fetters of St. Joe and Miss Naomi White of Auburn, two sons, Dewey White of St. Joe and Gene White of Auburn, two brothers, Herschel Utterbach of Kansas City, Mo., and Clyde Utterbach of Payne, O., three sisters, Mrs. Edith Bachellor and Mrs. Lucy Miller of Fort Wayne and Mrs. Erma Shaw of Van Wert, O., and seven grandchildren.

Mr. and Mrs. Milo J. Provines of near Butler and Mr. and Mrs. Foster Gee attended the funeral of their aunt, Mrs. Francine Nelson, at Antwerp Sunday afternoon. The Provines were Sunday supper guests of the Gees'.

The Friendly Circle Class of the Lutheran Sunday School met at the home of Mr. and Mrs. Clifford Billow last Thursday evening.

Inez Hadsell and Lela Northrup visited Mrs. Lora Leighty Thursday at Auburn and all attended the musical entertainment that evening sponsored by the Lions Club.

Joseph Drerup, son of Mr. and Mrs. Paul Drerup, underwent a tonsillectomy last Friday at the Sacred Heart Hospital in Garrett.

Hold Open House For Golden Anniversary

Mr. and Mrs. Frank L. Beams of Spencerville celebrated their 50th wedding anniversary last Sunday with open house during the afternoon for relatives and friends.

Mr. and Mrs. Beams have four children, Harvey of Montpelier, O., Mrs. Florence Peck of Anderson, Mrs. Doris Ruder of Los Angeles, Cal., and Dr. Ralph Beams of Fort Wayne.

A family dinner was served at eleven o'clock at the Colonial Inn at Hicksville with all members of the family present except Rev. Ruder, who is serving as chaplain aboard the USS Calvert, operating between Japan and Korea.

One side of the long dining table was graced by nine lovely granddaughters and three grandsons. Many relatives and friends called during the afternoon to offer congratulations and it was a day long to be remembered by the Beams'.

Mrs. Beams was Maude Curie before her marriage and this was the fifth golden wedding to be observed in the Curie family.

For many years Mr. Beams was in the general store business in Spencerville and later was owner of the Spencerville Telephone Co. retiring in 1946.

NOTICE

No trespassing on land where water works pump station is located. No one is permitted on this land except the owners or those authorized to be there.

This also means no meddling with fire hydrants. Anyone found trespassing or meddling with hydrants will be prosecuted.

St. Joe Water Works Dept.

News Drops Two More

The News dropped a close 4-3 decision to Butler Produce Monday evening at Butler.

The locals held the Produce scoreless after the second inning when they scored four runs. Akey and Diederich shared the pitching chores.

All of St. Joe's runs were accounted for by Francis Dulle who homered with Harold Yeiser on base in the second. Then in the seventh he walked, stole second and continued around the bases on a bad throw by the catcher.

The one-run deciding margin was gained on a fluke home-run that bounced off the wires in right field and sailed over the fielder's head.

In a make-up game Tuesday, the News suffered their fifth straight loss in the Indiana-Ohio Vim League, losing to Convoy, 10-6.

Off to a shaky start, the locals spotted Convoy 5 runs in the first and three in the second inning, then tried to come from behind. But those bad innings proved too much of a handicap and they couldn't quite make up for lost runs.

St. Joe showed more hitting strength, something which has been sadly lacking in their previous efforts. They collected a total of 13 safeties to 11 for Convoy, but missed two scoring opportunities in the last two innings.

IDENTIFYING ALL POLIO VIRUSES VITAL STEP TOWARD A VACCINE

by L. P. GEBHART, M. D. Ph. D., Professor of Bacteriology University of UTAH, College of Med.

(Editor's Note: This is the fifth of a series of articles written for laymen by outstanding scientists covering present-lay knowledge about polio, based on the last thirteen years of research supported by the National Foundation for Infantile Paralysis.)

It was generally thought until recently that there was only one kind of virus capable of producing the disease, poliomyelitis. Now it is known that there are at least three different types of viruses that cause the identical disease in man.

The problem of the number of different kinds or types of viruses that could cause this disease in man was not considered until a few years ago. It was only about 1948 that knowledge of poliomyelitis had advanced to the stage of specific inquiry into such matters. Today, projects sponsored by the National Foundation for Infantile Paralysis are obtaining this knowledge and will have the results by the end of 1951.

Immunity Types

We know today that the three known types of poliomyelitis virus produce three different types of immunity or resistance to the disease when the patient recovers. Thus if an individual develops poliomyelitis and recovers from, let us say, Type One Virus, he is not immune to Type Two or Type Three or any other type that might exist. Many adults undoubtedly are immune to two or more types of the virus, having had sub-clinical or symptomless poliomyelitis sometime during their lives, usually without knowing it.

If we thought of the poliomyelitis virus types as breeds of cows, for example, one type might be a Holstein, one a Guernsey, one a Hereford. All would be closely related but different. It stands to reason that there probably are many cases of the same as well as different types of viruses in a given community, just as there are many cattle of the same kind, as well as of a different kind, in a county or even in a given pasture. Work now under way is to determine how many different types exist and to identify all those belonging to the Guernsey, the Holstein type, etc.

Expensive Task

The problem is not as simple as identification of cattle, of course. It is an arduous and expensive task to find virus types. This is because of the absolute necessity of determining the exact number extant among the large number of viruses that have been collected world-wide by scientists. And the number must be precisely known, so that when a vaccine eventually is produced it will be effective against all known types. Thus, if some day an individual is immunized against poliomyelitis by vaccination, he will be immune not only to the virus found in his own community but to all poliomyelitis viruses existing anywhere in the world.

We no longer are exposed only to those infections existing in one small corner of our own community, county, state or nation. It is important to realize that a virus might be introduced into our community by people traveling from one area to another or even from one country to another. The ease of modern travel can and probably does disseminate the different types of viruses widely. It must be remembered that some humans undoubtedly are carriers of the virus of poliomyelitis even though we cannot as yet identify them.

A completely vaccinated child would be protected against all types of poliomyelitis virus that may be introduced into his environment. Unless this were so, the great effort and skill and expense of work that has been and is being done in the field of virus typing would not justify the generosity of the American people, whose contributions have made it possible.

When you stop and think that three years and $1,370,180 will have been consumed in this one big preliminary step toward the possible production of a vaccine against poliomyelitis, the size and complexity of the task are evident.

Spencerville News

Rev. and Mrs. Howard Baker and daughter, Mrs. Norman Ritenour, spent a few days last week with their daughter and sister, Mr. and Mrs. R. K. Wilson and baby of Piqua, O.

Mr. and Mrs. Ralph Bartells and Margaret, all of Auburn, and Miss Gayon Markle of Spencerville left on a week vacation.

Mrs. Katherine Markle is in the hospital at Hicksville recovering from a schock she got while at work at the Universal Tool Co. Her condition is fair.

Mrs. Edith Akey was brought to her home Monday after having been in the Methodist Hospital for four weeks.

Mr. and Mrs. Robert Jaffre of Terre Haute are spending a few days at Hamilton Lake the guests of Mr. and Mrs. Milton McGrath.

Mr. Billy Baker of Butler spent Saturday night with Mr. and Mrs. Maurice Miller and spent Sunday with Mr. and Mrs. Max Markle.

Mr. and Mrs. William Peck of Anderson entertained on Sunday, June 10, in honor of the fiftieth wedding anniversary of her parents, Mr. and Mrs. Frank Beams. Guests included Mr. and Mrs. J. S. Hollabaugh, Mr. and Mrs. Frank Rhoades, Mr. and Mrs. George Beams and Mr. and Mrs. Robert Beams of Fort Wayne.

Mrs. F. A. Ruder and children of Los Angeles, Cal., arrived Tuesday, June 19, to spend the summer with her parents, Mr. and Mrs. Frank Beams.

Among the graduates of Indiana University on June 18 was Miss Jeanne Peck, Anderson, and of the graduating nurses at Toledo City Hospital on May 20 was Miss Mary Beams, Montpelier, O. Both are granddaughters of Mr. and Mrs. Frank L. Beams. Miss Peck plans to take her masters degree this winter at the University of California and Miss Beams plans to continue her training in surgical nursing in New York City.

2nd Registered Shoot Scores

The St. Joe Valley Conservation Club held its second registered shot last Sunday. The weather man wasn't in a good mood, the clouds clearing away but the wind remaining all afternoon. Several other shoots within easy driving distance kept the attendance down, but a fair sized crowd was on hand.

Twenty shooters took part in the registered events and several local shooters shot practice before and after the regular events.

Curt Swann was high the the 16-yd. event with 48x50 and W. T. Schlemmer was high in handicap with 49x50. Schlemmer also was high over all with 94x100.

An extra good lunch was served, hamburgers, hot dogs and what have you.

Registered scores follow:

	16-yd.	hcp.
Billy Logan	43	42
Howard Brown	47	46
David DeMuth	32	
Paul Taylor	44	47
Paul Krise	41	32
Robert Conrad	45	47
Wayne Notestine	42	47

Robert Davis		41

JR. CONSERVATION CLUB

There will be a meeting of the Junior Conservation club on Friday evening, June 29.

The meeting will be held at the club grounds west of St. Joe.

All members are urged to be present and bring their ball gloves for the evenings recreation.

250 Attend Farewell Dinner

A crowd of about 250 local residents and former pupils of Mr. and Mrs. Everett Paschen met Sunday for a dinner honoring the former Spencerville school principal and his wife. The dinner was given in recognition of 17 years of service to the community. They were presented with a silver tea and coffee set. Mrs. Paschen also received a corsage of red roses and Mr. Paschen was presented with a leather billfold with a sum of money enclosed.

The family received the good wishes of the community as they move to Avilla to make their home.

Mr. Milton McGrath acted as toastmaster.

SUNDAY SCHOOL RECORD

The following is a record of attendance and offering for the Sunday schools in this community, reporting for last Sunday.

WINNERS 4-H CLUB

The Spencer Twp. Winners 4-H Club met June 18 at the home of Alvin, Mary, Dale, Frieda and Eddie Jones.

The meeting was called to order by the vice-president, Bill Johnson. Group singing was led by Donna Lou Cook and Bob Wilder.

Devotions were given by Mrs. Wilder. Pledges were led by Freida Jones.

The secretary and treasurer reports were read and approved. Roll call was answered by 23 members.

Demonstration Day will be on August 1. All demonstrations are to be 10 minutes long.

Mrs. Cook told more about the handicraft project. Bill and Donna Johnson, Jim Knop and Alvin Jones, assistant junior leaders, reported on project checking. Tahoma Jean Laughman gave a safety report.

Recreation was led by Junior Witt and Earl William Goldsmith.

Refreshments were served by the Joneses.

GOOD HEALTH

Answer to Question No. 1:

1. Authorities say there is more allergy today than in the past probably because as man's environment has become more artificial he has been brought in more frequent contact with foreign or newly created materials. Modern medical knowledge enables your doctor to treat many allergies successfully.

Answer to Question No. 2:

2. The reduction of infant mortality is attributed to the increasing percentage of births in hospitals (although the improvement in the medical care provided in home births has been pronounced), improvement of prenatal care, health education, administration of new medicines, blood transfusions and improvement in training in obstetrics.

Answer to Question No. 3:

3. The Schick test is a method of injecting a very small amount of diphtheria toxin into the skin. Those who have antitoxin in their blood to fight the diphtheria toxin will have a negative test. On the other hand, those who do not have antitoxin or who have not developed it will have a positive Schick test. In the case of a positive Schick test, your doctor will recommend immunization in order to prevent diphtheria.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Genesis 1:26-27; Matthew 5:1-4; 12:9-13; 18:1-6, 12-14; 1 Peter 1:17-19.
DEVOTIONAL READING: Psalm 8.

You Are Important

Lesson for July 1, 1951

YOU are important! Whoever you are, wherever you live, whatever you do, you are important to others, to yourself and to God. You are the one and only "you" you will ever be; you have but one life to live, one destiny to fulfill, one soul to save.

Dr. Foreman

The Sunday schools of America are going to put in the rest of this summer studying Christian teachings about human relationships; and we begin, this week, by looking at a basic principle which underlies all of the Christian view of life and its relationships. No other teaching of the Bible will do you much good if you can't believe this simple truth; the incomparable importance of each individual person in the whole world.

• • •

In The Image of God

HOW does the Bible teach the importance of the individual?

First of all, by declaring that man was made in the image of God. In spite of man's sinfulness, even in the shabbiest and meanest of men there is still some trace of the image of God.

John Calvin, as is well known, was far from optimistic about the nature of man; but even Calvin wrote that the only good reason why we should love our enemies and do good to the undeserving, is that even in the worst of men there is still the image of God, so that what we do for any man we are really doing for the God whose image is in him.

Every man is in some sense a fresh creation. Widely used child's catechism asks the question: Who made you? And the answer is, God made me and all things. Every one has the right to give that answer to that question.

• • •

Bought With Blood

ANOTHER reason why we believe that every individual is important is summed up in what St. Peter said (I Peter 1): We have been redeemed—that is, ransomed, bought back—with what is more precious than jewels or gold, the "precious blood of Christ."

Does this mean only those who are now Christians? Surely not. You have a right to say to any man, anywhere: Christ died for you. If you cannot say that, then you are reduced to saying, Christ died for a limited number of people, and for anything I know to the contrary, you may be one of them.

That is a puny sort of gospel. If there is one thing which every evangelical church teaches with universal enthusiasm, it is that the gospel is offered freely to all. If there is one verse in the New Testament that sums up the gospel it is John 3:16: God so loved the world . . . that whosoever believeth . . .

That is no limited gospel. And no one who takes it seriously can look with scorn on any living soul. Jesus has warned us against scorning even a child. Isaac Watts once let a non-Christian idea get into one of his hymns—"for such a worm as I"! That is not a Scriptural idea. Christ did not die for worms, he died for men.

• • •

If So, Then What?

MOST Christians do not need even as much argument as this to make them believe in the worth of the individual; they are sufficiently convinced by the attitude of Jesus himself. Nobody could think seriously about Jesus' treatment of children, or his parables about the lost sheep and the lost son, without coming to the same conclusion.

The key-question always is: What is this action, this attitude, this plan, this arrangement, this institution, this system,—what is this doing to persons?

Persons are more important than anything else in the world. This by no means goes without saying. For the world of our time is riddled and raddled with other and contrary ideas: as for instance that man is only an animal, or that he is simply the highest of the animals, or that a man's value comes from his family, or his race, or his bank account.

Against all these mistaken views the Christian must stand, firmly knowing that he, no more than others but no less, is made in God's image and an object of God's love; and so in himself, small though his place may be, not only has a value that can never be described in dollars, but is worth more than the human race can ever own.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

AID TO SMALL BUSINESS—Recognizing that small business and free enterprise are the backbone of our American economy and way of life, I have become one of the co-sponsors of an amendment to the Defense Production Bill (H. R. 3871) to create a small Defense Plants Corporation.

It is highly imperative that small business share in the production of defense materials. if we are to preserve our economy during this emergency and build for future peacetime prosperity.

AMPUTEES TO GET CARS—The House Veterans' Affairs Committee, of which I am a member, has approved a bill to give free automobiles to war veterans who have lost a leg, an arm or their eyesight, and to include certain veterans of World War II who were ineligible before because the act only concerned leg amputees.

Following the Committee's action, I issued the following statement: "Our committee today approved a bill to expand the autos-for-disabled veterans program.

"The present law gives World War II veterans with one or both legs removed at, or above the ankle, $1600 toward the purchase of specially equipped autos.

"We amended that law to cover veterans of World War I and Korea. We also liberalized the law to include arm amputations and blindness.

"And to meet the much higher living costs, we approved a bill to boost pension and compensation rates now paid to veterans and their dependents."

APPROPOS GOVERNMENT SPENDING—The following apt quotation was tossed out during recent debate on the government's present spending policies by one of the economy minded members of the House: "They have jerked the bung out of the pork barrel and thrown it away."

ASK FOR TAX CUT—While the tax bill will be acted upon before this item is published, nevertheless it shows the attitude of those of us who are opposed to the high taxes and continued government extravagances.

In a minority report, the Republican members of the House Ways and Means Committee which drafted the new $7.2 billion tax bill said it is "unbalanced and lopsided," and is "economically unwise in its major revenue raising provisions." They called for an "immediate 10 percent cut" in non-military spending and elimination of all non essential expenditures by the armed forces.

The minority members added: "The Truman administration is under the false illusion that pay-as-we-go means only a one-way street of ever increasing expenditures paved with higher taxes."

I thought it important to reveal this view which I share, because the bill was reported to the House under a rule which prevented amendments from the floor.

Keep cool 56 hours Electrically...

for the cost of an ice cream cone!

You get a lot of refreshing coolness for your money when you buy an ice cream cone. You get a big bargain when you cool off electrically, too: 56 hours of an electric fan's invigorating breeze cost you about seven pennies! • Despite rising costs of making it, electricity is still the biggest bargain in the family budget. Technical advances and progressive business management help keep it that way.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

DISEASES FROM ANIMALS

THERE ARE over 170 diseases transmitted from animals and fowls to men. The so-called wild animals, as a group, are responsible for the transmission of more diseases than any particular specie.

Dogs and cattle are capable of transmitting 25 diseases each, the rat 18, sheep 16, cats 14, swine and poultry 12 each, goats 11, the horse 10, and rabbits 4.

Tuberculosis is transmitted to man by at least 7 different species of animals, brucellosis by 8, rabies by 6, including wild animals, and anthrax 6.

Most of these diseases are caused by bacteria or viruses, although some are parasitic in nature, with the animal acting as the intermediate host. Tuberculosis and brucellosis are the two most important infections so transmitted, with rabies ranking third.

Some of the less important diseases transmitted from animals to man include anthrax, glanders, cowpox, erysipelas, milk sickness, tularemia, septic throat, trichinosis, Rocky Mountain spotted fever, and food infections.

Medical men and public health authorities have long known that milk from tuberculous cattle has caused much human infection and loss of life, especially in infants. Thirty years ago it was estimated that 11 per cent of all infant tuberculosis was of bovine origin.

A campaign to eradicate tuberculosis in cattle is underway, with cattle being tested on farms. Infected animals are required by law to be slaughtered in federally inspected slaughter houses.

...on the farm

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

JUNE is the magic month in town and on the farm. Yes, I don't believe there are many among us who, at one time or another, haven't heard the phrase "What is so rare as a day in June?"

June has come to have another meaning on the farms of America. June, is dairy month—a month when farmers and industry join hands in telling the world about the merits of the quality dairy products produced in such fine quantity by America's farmers.

During the past few weeks I have spoken with the top executives of business and agriculture in the interest of June Dairy Month. It has been a real inspiration to one who is interested in the future of rural America and the country as a whole.

Even though these are unusual times there is no sense in sitting around holding one's head and moaning over the things to come, that might never happen. Rather, there is a determined effort by all interested groups to do the job of education needed to acquaint our consumers with the high merit and nutritional value of butter, milk, cream, cheese and ice cream, and to impress the farmer with his responsibility of producing quality dairy products.

Who says we're divided? 'Tain't so. At least we can all agree on one thing: Good, nutritious dairy products are good for everyone!

PRISCILLA PRIM 4-H CLUB

On June 11 another meeting of the Priscilla Prim 4-H Club was held. Songs and pledges were led by Mary Wisel. The roll call was answered by 11 members and visitors. The secretary and treasurer report was given by Lois Kimes.

A business session was followed by a health and safety report by Jerry Woodring. Recreation was led by Betty Beckman and Ralph Nussbaum. Refreshments were served by Judy Coddington and Mary Wisel. The meeting was then adjourned.

Lunch Before Canasta

A nice (and easy) way to entertain your women friends, is to invite them to lunch before a game of canasta. The whole thing can be done on a bridge table on the front porch — or indoors, whichever seems coolest and most pleasant to you.

In planning the menu for such a party, it's well to remember that most women today, young or old, are wisely inclined to watch their figures. So you shouldn't give them a lot of rich, hearty pound-making food. On the other hand, if they ever indulge themselves, as everyone should a little, it's when they go out to a party. So why not compromise by serving a deliciously thinning first course and a slightly gooey, sweet dessert? They'll have room for it, for once, because of having eaten lightly first. Here's a suggested menu:

Menu
Honeydew Melon and Ham
Melba Toast
Hot, Stuffed Devil's Food Cup Cakes
Coke

Honeydew Melon and Ham

This is one of the most delicious flavor combinations ever discovered, particularly if paper-thinly sliced Italian Prociutto is available, but good with any ham. Serve a slim wedge of melon to each person (with "seconds" in reserve, just in case) and a couple of slices of ham. Be sure there is a pepper-grinder on the table, as fresh-ground pepper on honeydew is a new taste thrill. The melon is cut into bite size pieces and eaten with a bit of ham. Knife and fork are required to manage this.

We suggest that since you're serving a rich dessert you offer no butter with the Melba toast. It's a form of temptation your friends will be glad to skip.

Hot, Stuffed Devil's Food Cup Cakes

3 squares unsweetened chocolate
¼ cup butter
1 cup sugar
2 eggs, separated
½ teaspoon vanilla
1½ cups cake flour
½ teaspoon soda
1 teaspoon baking powder
¼ teaspoon salt
1 cup sour milk
½ pint cream, sweetened and whipped

Melt chocolate in top of double boiler. Cool. Cream butter and sugar. Beat egg yolks thoroughly and add. Add vanilla. Mix and sift flour, soda, baking powder and salt. Add alternately with sour milk to the first mixture, beating constantly. Mix in chocolate thoroughly. Beat egg whites stiff and fold into mixture. Pour into greased cup cake tins and bake at 375 degrees 20-25 minutes. Cool slightly.

Cut tops off cakes and hollow out bottoms. Fill with whipped cream. Replace tops and put more whipped cream over.

To Quaff With The Luncheon

Ice cold bottles of Coke will provide just the cooling and refreshing drink to accompany this luncheon. Have extras on hand to serve during the game which follows.

Farm

By EVERETT MITCHELL
Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

MANY folks in town and on the farm have had fears and misgivings as to the future of this grand country of ours. All your fears would go out the window and your faith in America and your fellow man would be restored if you could have been with me at the National 4-H Club Camp in Washington, D. C. just recently. This was a most unusual occasion for me.

I had the pleasure of meeting the young men and women who are going to represent us all over the world this year as grass roots ambassadors, living on farms in foreign lands. I met, too, the youngsters who are here in America as exchange students from all over the world.

I listened as they talked, sang and played together, thrilled to their ideas and ideals, saw smiles and heard laughter instead of frowns and griping. Truly, I wish you might have watched the faces of our youngsters as they heard the story of what was expected of them when they go overseas.

As one oldster said to me during the ceremonies, "If people of all nations could hear and see what is going on today they would realize that old Joe Stalin and his cohorts haven't a chance, for one thousand of these youngsters will do more damage to communism than a bomber ever can!"

The kids will really sell America and the American way of life!

COUNTY "CROP" DRIVE TO START IN JULY

Mr. Glen Heffley of Auburn RR1 was chosen chairman of the DeKalb County appeal of the Christian Rural Overseas Program (CROP) at a meeting June 13 at the town hall in Auburn of local farm, church and civic leaders interested in the nation-wide coordinated church program to send bulk farm gifts in kind to the needy overseas.

Sponsors of the program are Catholic Rural Life, Church World Service and Lutheran World Relief. These parent agencies of CROP are represented in the DeKalb County CROP organization by Father Lawrence Fottig and Rev. W. H. Baker.

Mr. Heffley will be responsible for organizing the harvest season campaign for farm to farm canvassing of wheat. Emphasis in the CROP appeal, he said, is on the giving of bulk commodities, although cash is accepted and used to buy exportable staple foodstuffs.

DeKalb County's goal, announced at the meeting, will be the collection of one carload of wheat to be dispatched as our county's contribution to feed the hungry, homeless, aged and infirm overseas through the church agency of the donor's choice.

The actual CROP canvass will take place from July 9 to July 14 when volunteer solicitors will go from farm to farm asking for contributions to this worthwhile cause. The collection of wheat will take place August 6.

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, July 5, 1951 — NUMBER 28

Around the Town

With the Editor

A good sized bunch of helpers was on hand Monday evening to help put steel posts in plac for the backstop at the ball diamond. Three holes had been dug eight feet apart and about three and a half feet deep. Due to the rains over the week-end one of the holes was full of water.

When it came time to lift the backstop framework in the air and position it in the holes, Everett Collins grabbed one of the three ends and was jostling about getting in position with his end—of the backstop—watching the holes to get lined up properly. I should say "watching two holes" because he forgot about the third.

There was a splash—and Everett looked as if he fell into a hole, which he did. Naturally, it was the one full of water. Oh, well, it was a little warm that evening so he got cooled off a little.

Mabelle Thornton of New York sent the following note with a check enclosed to Franklyn Sechler, secretary of the recreation club.

"Will you transmit the enclosel check to the treasurer of the organization in charge of the lighted ball diamond, please?

"I'm sure if we were living in St. Joe as we once did, that we would support such a project. So, I'm remembering how Fred loved a baseball game, and I am giving the donation for that reason."

A headline in the Auburn Star looked good enough for a laugn this week. It concerned four people who were injured in an automobile accident. The sub-head read in part, "—Woman Driver Tried a Left Turn."

That's what they get for letting a woman driver try one of them things.

It reminded me of an old one about the unpredictabiliy of women drivers. It was about a traffic jam caused by a woman driver because she signalled for a left turn and MADE one.

Local News

Tom Sawyer's coming!

The Rev. Carl Sorenson, Rome City, United Lutheran Minister, has been appointed a district supervisor for the for the 1951 Christian Rural Overseas Program in Indiana, announces Richard J. Fraser, Lafayette, state CROP director. Rev. Sorenson will supervise the organization and conduct of the CROP campaign in District 3, which includes LaGrange, Steuben, Noble and DeKalb counties. He is one of 19 supervisors being named this year to assist in the drive to collect 114 carloads of farm commodities from Hoosier farmers for overseas relief shipment through CROP.

Mr. and Mrs. Don Keller, Edith Sailer and Chris Sailer spent Sunday with Paul Keller and Lodd Kara at Dayton, O. In the afternoon they all motored to Cincinnati.

Mr. and Mrs. Lester Pugsley visited their brother and wife, Mr. and Mrs. Don Jennings, at Luceyk O., over the week-end. The two families enjoyed fishing at Sandusky Bay Saturday.

Mr. and Mrs. Harvey Hull visited with their son, Calvin, and family at Sherwood, O., over Sunday.

Harvey Hull called on Mr. and Mrs. A. H. Reinhart of north of Newville Friday. Mr. Reinhart suffered a slight stroke recently and Mrs. Reinhart has been suffering with sciatic rheumatism. Both are improving.

NOTICE

No trespassing on land where water works pump station is located. No one is permitted on this land except the owners or those authorized to be there.

This also means no meddling with fire hydrants. Anyone found trespassing or meddling with hydrants will be prosecuted.

MYSTIFIED—Korean puppy can't figure this huge aerial camera, one of the "eyes" of the Far East Air Forces. Camera is an Air Force K-19B used by night flying RB-26 aircraft to photograph enemy terrain and troop movements.

Auxiliary Officers Named

Gretchen Noragon was elected president of the Auxiliary of the Walter Whitehurst American Legion Post of St. Joe at the annual election of officers of the organization Tuesday, June 26, 1951.

Other officers elected included:

First vice-president—Ruth Collins.

Second vice-president—Mary McElroy.

Third vice president — Hazel Ludwig.

Secretary—Harriett Baker.

Treasurer—Doris Yeiser.

Chaplain—Josephine Kees.

Historian—Ruth Collins.

Sergeant at-arms—Agnes Monroe and Bernice Miller.

Executive Committee—Anne Sechler, Laura Schendel and Alice Reidenbach.

The new officers will be installed in September.

SUNDAY SCHOOL AWARDS GIVEN FOR ATTENDANCE

Twenty attendance awards were earned in the Primary Department of the St. Mark's Lutheran Sunday School for the quarter just ended, Mrs. Frank Shull, superintendent, announced this week.

Those receiving the awards include Dennis Baker, Douglas Duker, Gary Sible, Jimmy Kline, Johnnie Baker, Jerry Kline, Dennis Duker, Durinda Duker, Jane Kline, Gale Collins, Gene Sible, Glenda Sible, Kathy McElroy, Mike McElroy, Donna Wagner (teacher), Phil Carpenter, Mike Haberkorn, David Haberkorn, Bradley Collins and Lynn Mary Lawson.

KENNETH COBURN APPOINTED DEPUTY GRAND CHANCELLOR OF K. OF P.

Grand Chancellor Louis E. Starken of Plainfield appointed Kenneth Coburn of St. Joe as Deputy Grand Chancellor for District 3 of the Knights of Pythias during the annual installation ceremonies held in Indianapolis July 2.

Cities in District 3 are Fort Wayne, LaGrange. Auburn, Butler, Waterloo, Albion, Hamilton, Corunna, Fremont, New Haven, Wolf Lake, St. Joe and Cromwell.

CARD OF THANKS

We wish in this way to express our appreciation to the more than 250 friends and well-wishers who participated in the farewell party in our honor Sunday, June 24. The spirit of the occasion and the beautiful gifts will long be cherished.

Mr. and Mrs. Everett Paschen and Alfred

CAN WE VACCINATE AGAINST POLIO?

by Dr. Howard A. Howe, Senior Member of the Poliomyelitis Research Center, Johns Hopkins University School of Hygiene and Public Health

(Editor's Note: Here is an excerpt from an article appearing in the April issue of Harper's Magazine. Through the courtesy of that publication we are running the excerpt as the sixth of a series of articles written for laymen by outstanding scientists, covering present day knowledge about polio.)

"It is at the moment possible to immunize rats, mice , monkeys and chimpanzees against doses of polio virus probably far larger than those any child would ever meet. But at present we do not know the minimal amounts of vaccine needed for laboratory animals, let alone for children. And this last information can be obtained only from children themselves. (Poliomyelitis is primarily a human disease. While certain laboratory animals may become hosts to the virus, they do so unnaturally and any experiments dealing with immunity or resistance must of necessity have their final confirmation in the natural host, man.)

". . . . Since the ultimate value of a vaccine will depend upon its ability to protect children and a few adults from paralytic disease, we might as well consider how we are finally going to arrive at this objective.

"Suppose that we have an inactive vaccine which can be injected into the brains of susceptible monkeys without producing paralytic disease. Do I hear the question, 'How many monkeys has it been tried on?' Well, right now, ten, to be exact. That's not very many. How many more shall we use before we finally feel sure—a hundre? A thousand? (Remember, monkeys cost $35 each.) And will the vaccine then be safe for children?

Cost of Vaccine

"There are other problems. I have said that we do not yet know what is the smallest amount of vaccine that will produce consistent immunity in animals. This is important, because the stuff costs $3.50 a cubic centimeter, not counting the hundreds of thousands of dollars of subsidy which the National Foundation for Infantile Paralysis has poured into it. At the moment, however, it does not appear that the cost of vaccination would be excessive if it could continue to be financed in this manner. . . . .

". . . If preliminary human tests with polio virus are considered reasonably 'encouraging,' the launching of a poliomyelitis vaccination project will still have to be a vast cooperative enterprise. It will require thousands of human volunteers (children and many doctors and nurses to follow these children for some years. (I can't go into it now, but all the miraculous cures for poliomyelitis have been based on biased samples or small groups of cases without adequate controls.) The experiment will be too costly to do more than once. It must therefore be water-tight. The results will be slow in accumulating and people may lose patience. Should the vaccine be effective, however, it will be well worth the price in peace of mind for parents and children. It will also be invaluable for persons living in scattered, remote populations where there is little opportunity for natural immunization.

"One last word about active immunity; unlike the prevention of exposure, it never leaves its recipient more vulnerable than before. Even if it were possible greatly to lessen the risk of exposure to polio, it is doubtful whether this would be a boon.

"There is considerable reason to believe that paralytic poliomyelitis is a more serious disease in the adult than in the child. If poliomyelitis continues its slow creeping into the older age groups, the time may come when it will be worth incurring considerable risk to vaccinate. In any event, it is clear that whether or not one rushes out to anticipate fate, it is probably impossible to avoid it."

Spencerville News

Mr. and Mrs. George Beams and Mr. and Mrs. Frank Roades were Sunday dinner guests of Lela Northrup of St. Joe.

Mrs. Lola Moore returned home last week from a two-week vacation at Crestline, Ohio, where she was visiting with friends and relatives.

Mrs. Hubert Edwards and son of Fort Wayne spent a few days last week with her mother, Mrs. Mary Stemen.

Mr. and Mrs. George Beams attended the Daisy ball game in Ft. Wayne Sunday evening.

Mrs. Mary Stemen and Mrs. Lola Moore were guests of Mr. Fred Stemen for a Sunday dinner at the Hamilton House.

Mrs. Edith Akey is very much improved and is able to be out again. She attended church services Sunday.

Mr. and Mrs. James Reed and daughter returned Friday night after a four weeks vacation in the western states.

Hanna-Davis

Miss Nancy J. Davis, daughter of Mrs. Georgia Roberts of Hicksville, recently became the bride of Wayne L. Hanna, son of Mr. and Mrs. Faye Hanna, Rt. 1. Hicksville, at the bride's home in the presence of the immediate family and a few close friends.

Mr. Joseph Shenault, pastor of the Newville Church of Christ, read the double ring ceremony in a candlelight service with a background of palms and white peonies.

Given in marriage by her brother, Robert E. Davis, the bride wore a light blue embroidered organdy ballerina length gown with white accessories. Her corsage was a yellow-throated white orchid, and her only jewelry a rhinestone necklace and ear rings, a gift of the groom.

Miss Georgia Davis attended her sister as maid of honor and Kenneth Koeppe served as best man.

Preceding the ceremony Mrs. Robert Davis played "Clair de Lune." Miss Patricia Davis sang "Always," followed by Mendelssohn's "Wedding March."

The bride's mother wore a navy silk shantung dress with white accessories. The bridegroom's mother wore a black and white silk print dress with white accessories. Both wore white camellia corsages.

A reception was held immediately following the ceremony. Miss Dorothy Tomilson, Mrs. Harley Keller, Mrs. Wayne Dean and Mrs. Daisy Roberts served the guests.

The new Mrs. Hanna is a student nurse at the Methodist Hospital at Fort Wayne. and will continue her studies there.

Mr. Hanna is employed at the National Idea Company in Hicksville.

For a wedding trip the couple went to northern Michigan.

PRISCILLA PRIM 4-H CLUB

On June 22 due to a slight delay, recreation came first on the program for another Priscila Prim 4 H Club meeting. Several songs were led by Pascal Speaks and pledges were led by Mary Beckman. Roll call was answered by 22 people. The secretary and treasurer report was given by Lois Kimes. A business session followed with a speech by Carolyn Kimes on her trip to Purdue Round-Up. A health and safety report was given by Jerry Woodring. A clothing demonstration was given by Kathy Anthony and Lynda Fisher.

An interesting demonstration was given by Lois Kimes and Betty Beckman. Refreshments were served by Lois and Lynda Fisher. A vocal solo by Mary Wisel was enjoyed by all.

The meeting was then adjourned.

Sail on, Sail on, O Ship of State!
Sail on, O Union, strong and great!
Humanity with all its fears,
With all its hopes of future years
Is hanging breathless on thy fate.
We know what Master laid thy keel,
What workman wrought thy ribs of steel,
Who made each sail, and mast and rope,
What anvils rang, what hammers beat
In what a forge, at what a heat
Were shaped the anchors of the hope.
Fear not each sudden sound and shock
'Tis but the wave, and not the rock,
'Tis but the flapping of the sail
And not a rent made by the gale.
In spite of rock and tempest roar
In spite of false lights on the shore,
Sail on, nor fear to breast the sea,
Our hearts, our hopes, our fears, our tears,
Our faith triumphant, o, er our fears,
Are all with thee, are all with thee.

—Gordon

GOOD HEALTH

Answer to Question No. 1:

1. With advancing years common colds become less frequent, but chronic bronchitis, asthma and pneumonia are more common and more serious. It is always a good idea to consult a physician about a heavy cold, because in their early stages many diseases resemble colds.

Answer to Question No. 2:

2. Some persons are born with flat feet. Others acquire them because of toeing out, improper shoes or lack of exercise for the feet muscles. Special exercises and shoes are often prescribed by physicians to help this condition.

Answer to Question No. 3:

3. The bite of the wood tick may cause an infectious disease that has been named "Rocky Mountain Spotted Fever" in the western part of the United States. Recently a similar fever has been found in the eastern portion of the United States and is transmitted by the bite of the dog tick. A vaccine for both types of fever has been developed and the use of antibiotics is effecting cures.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Luke 2-51-52; 10:38-42; Ephesians 5:22, 25; 6:1-4; II Timothy 1:1-6; 3:14-15.
DEVOTIONAL READING: Proverbs 1:7-19.

Learning to Say 'We'

Lesson for July 8, 1951

The "We-Feeling"

GOD INVENTED the family; that is what is meant by calling it a "divine institution." It is part of God's plan for each of his children that he shall learn how to live, not in a lonely cell by himself, not as a lonely wolf fighting against all comers, but as a member of a family.

Dr. Foreman

The family is enormously important in many ways. There is room to speak of only one of them. Students of personality have found a new but simple name for something that every one ought to have, but not every one does have: it is called the "we-feeling."

The lone-wolf type of person never really thinks "we." His mind divides the world into two armed camps: on the one side is "I" and on the other side is every one else.

He goes through life assuming that nobody is for him, nobody is with him, and he in turn is for nobody and with nobody. His "hand is against every man," as the Bible says. Even if he teams up with others for a while, he will double-cross them if he thinks he will make something out of it. He is your typical criminal, "anti-social" as teachers and sociologists call him.

• • •

What It Means to Grow Up

CHILDREN usually begin life without much we-feeling, if any. They don't naturally share their toys or their dinners or anything else. They grab all they can and they don't like to be grabbed from. The process of growing up—really growing up, not merely getting older and bigger—is a process of developing a healthy we-feeling. Nearly every one develops this to some extent, of course; but when some people say "we" they don't mean very many.

We have all heard of the man who prayed: "Lord, bless me and my wife, my son John and his wife. Us four, no more. Amen!" He doesn't make a very good citizen.

But as the "we"-circle grows wider and wider we get a more and more public-spirited and service-minded citizen, till at the high point of the we-feeling we see a man like St. Paul who calls himself a debtor to all men, or like John Wesley who said, "The world is my parish," or a modern international citizen and statesman such as John R. Mott.

• • •

How the Family Helps

THE very best place to learn the "we-feeling" is in a good family. This does not necessarily mean an aristocratic family or a wealthy one. Many good families, perhaps most good ones, are quite poor and obscure, as the family of Jesus was.

But whether it is in the city or the country, or however large or small it may be, the good family is one that helps every member of it to grow up into a healthy adult we-feeling. Living in a family teaches the meaning of "all for one."

In a good family, all are proud of what any one accomplishes; the big brothers and sisters are just as pleased with little brother's first steps as little brother is himself. When father wins a prize at the state fair, or when mother is elected an officer in her church society, or when Molly makes the honor roll in school or Jim makes the basketball team, everybody in the family is just as pleased as if they themselves had received the honor.

When any one of the family gets into trouble, they all stand by to help.

• • •

The Best Families Are Christian

THE best families are those where religion is real; and if we believe that the Christian religion is the best, then we shall agree that Christians ought to have the best families.

Remember that in a Christian home Christ is the real head of the house. If ever any one had the "we-feeling" in its purest form, it was Jesus. No one can ever live long in his company and stay selfish.

So in the home where he is not only the best-loved guest but the true head of the house, every one from oldest to youngest learns to say "we" and loves to say it, and means it and lives it. From such homes come the best citizens and neighbors.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

MORALITY IN GOVERNMENT--During the recent investigations conducted by various Committees of the Congress, the people have been greatly shocked to learn of the immorality in government. Freezers, mink coats, five-per-centers have been exposed. In fact, I recently referred to it as "influence-enza" a disease which could prove disastrous to the health and well-being of our nation.

The situation which has been revealed calls for strong medicine. I have recommended a strong dose of morality as a sure cure- one which will have to be taken by those in important government positions if our republic is to survive. Moreover, the public is demanding that corrective measures be taken. Faith and integrity in government must be restored. Our forefathers established it when they pledged their "sacred honor" in launching our

NEED IS FORESEEN—The need is recognized by the legislative branch of government. It is taking the initiative. Hearings are being held. Before a Senate Committee considering ethics in government. Comptroller General Lindsay C. Warren said, an "official moral code" is needed now for all Federal business to prevent a return to the World War II "spree of waste" in defense work.

"We cannot afford, with the present size of our national debt, another spree of waste, profligacy and utter disregard for the public interest," Mr. Warren added.

"A government which plans to employ 2 3-4 million people and spend billions of dollars a year is a far cry from anything even imagined until a few years ago," and, he charged, that in World War II some government officials accepted all kinds of favors, including "outrageously expensive gifts," while some Army and Navy officers "used the uniform to feather their own nests."

ABOVE BOARD CONTRACTS—In Indiana we have a way of handling government expenditures. It could be wisely adopted by the federal government. All expenditures of public funds must be advertised and public competitive bidding required on all contracts over $500. Another method which would be of assistance in keeping down the "influence-peddlers" would be to enact a law to prevent a government employee from accepting his employment or receiving a fee from a firm which has done business with his agency.

MORE STATE DEPT MUDDLING—The State Department last February said it needed additional space and obtained the assignment of the building formerly occupied by the Washington Post, which had built an entirely new building for its operations. After several months, the State Department finally advised the General Services Administration of its plans for remodeling the building. So far the building is still unoccupied. But it has cost the taxpayers $4166.66 per month rent since February for the big empty building.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

HEMORRHOIDS

HEMORRHOIDS, commonly known as piles, are annoying, distressing, and in some instances dangerous.

Hippocrates, the father of Medicine, 400 B.C., described hemorrhoids as a "vascular tumor of the rectal mucous membrane." They are, in reality, vericose veins in the rectum. There are two locations for these growths, external and internal.

Today, there are two treatments for hemorrhoids — one is hemorrhoidectomy, the cutting off of the growth, and the other is an injection procedure, called sclerosing, that hardens the growth. While sclerosing has a place in the treatment, it is used mainly in those selected cases in which the patient is an invalid or refuses operation, or with small, internal, uncomplicated hemorrhoids. The best method offering a cure is excision or cutting the hemorrhoids.

Constipation is one of the causes for hemorrhoids due to the pressure of an overloaded colon on the neighboring structures. A large mass in the colon may press on the veins, causing hemorrhoids. Straining at elimination is also a common cause.

The surgical treatment for the removal of hemorrhoids is endorsed by most physicians since the operation is practically always successful, is not dangerous, and does not incapacitate for a long period. Often such operation cures stubborn constipation as well as the piles.

Some of the causes for hemorrhoids listed in medical records include overuse of cathartics, overeating, pregnancy, diarrhea, sedentary habits, and excessive smoking and drinking.

Town + Farm

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

IF YOU ever become dissatisfied with your lot in town or on the farm, slide into the front seat of any make of good American car and drive slowly out into the byways of America. Cruise slowly through our hundreds of little towns — the backbone of America. Cross a few state lines, eat at one of the highway restaurants, stop at one of our fine motels or hotels, buy what you want when you please.

Then come back home and say it couldn't happen anywhere else in the world except in America!

In preparation for my visit to 17 different countries in Europe I have spent considerable time in Washington working out my itinerary with various government agencies which are trying to facilitate my travels. Each time we get one problem solved another pops up, for the rules and regulations set up by the countries I plan to visit change hourly.

One doesn't realize how free he is to come and go until he plans to leave these shores. In one country you can take pictures; in another, no picture-taking allowed. If you visit one country first, the other one doesn't want you.

We have all read many lines of criticism of the people in our various government departments. But my experience has been that they are all interested in being as helpful as they can so one will avoid as many pitfalls as possible.

As I journey through Europe I will write you from time to time as to my impressions of the European way of life. Let's not just sing "God Bless America," but thank God because he has blessed America, and that it's yours and mine!

Which twin is the Farmer?

Once you could tell a farmer at a glance. He'd look years older than his city twin and he didn't dress as well. You could tell he worked long and hard but he'd have fewer of life's better things to show for it.

But that's all changed a lot and it's changing still. And the more ELECTRICITY enters into farming, the *more* it changes . . . for the better.

Electric grain and hay dryers save crops that would be sure-thing losses without them. Electric conveyors, milkers, and water systems do hours of work in minutes, for pennies instead of dollars. Electric ranges, dishwashers, clothes dryers move into the farm home and the farmer's wife has more time for family, community, and cultural pursuits. . . .

We serve 54,456 rural families and we've been watching this gratifying process very closely. We've seen the whole farm community become happier, better educated, more prosperous year after year as we've extended our rural lines.

Today the line-building phase of our rural program is practically completed. Low-cost electricity is reliably and abundantly available to almost every farmer in our territory who wants it. But our service doesn't stop with building lines. Our rural staff helps farmers get the most in better, more profitable living from the electricity they use. We cooperate with farm demonstration groups. We sponsor and participate in recreational activities for rural youths. We continue to improve our rural service in every way, so that city and rural families may increasingly enjoy together the good things that electricity brings.

250 At Home Ec Picnic

An estimated 250 DeKalb County Home Economics members attended the annual picnic held last Thursday at Eckhart Park in Auburn.

The county home demonstration agent, Mary Lenore Moore, said the Spencer and Smithfield township clubs were hostesses for the day. Despite the large turnout, Thursday's gathering was less than the record 1950 crowd.

The Spencer Township club members, directed by the president, Mrs. Dorothy Kimes, arranged the tables and superivsed the picnic dinner. Each home economics member present brought a basket dinner.

The program was presented by the Smithfield Township club with Mrs. Cora Funk as president. Immediately following the dinner, the program was opened with the Home Economics chorus, under the direction of Mrs. Alice Yarian of Auburn, singing "God Bless Our Home," "Skip To My Lou," and "Keep the Home Fires Burning." Mrs. Helen Housel of Butler Township was accompanist at the piano.

The secretary's report of the 1950 picnic was read by Mrs. Mildred Bard of Fairfield Township, county home economics secretary-treasurer. Mrs. Bard also announced that hostesses for the 1952 picnic would be the Stafford and Troy township clubs. Announcements of coming events which will be of interest to all home economics members were made by Miss Moore and a short talk was given by the county home economics president, Mrs. Mildred Grogg of Grant Township.

Mrs. Iris Thomas and Mrs. Edna Stahl of Smithfield Township sang and presented pantomines on "Harbor Lights" and "My Heart Cries For You." "On Top of Old Smoky" and "On the Banks of Honolulu Bay" were sung by Onalee Knox of Stafford Township. Mrs. Marcella Fuller of Wilmington Township, accompanied at the piano by Mrs. Lila Springer of Allen County, played a saxaphone solo. A reading entitled "Saturday Night on the Square" was given by Mrs. Mary Brand of Smithfield Township. Mrs. Vera Ross of Keyser Township gave "The Patchwork Quilt." Jeanette Lockwood and Jeanine Davis of Richland Township sang "Mocking Bird Hill" and "It Is No Secret." From Union Township Delores Goings and Mary Baughman played an accordion duet.

Some of the remarks given by Mrs. Grogg concerned the purchasing of a coffee urn for the county home economics association to be used at such events as the picnic, achievement day, etc. She also announced the Red Cross home nursing class which will start in the fall.

The picnic closed with the entire group singing the "Home Economics Prayer."

HINTS ON HEALTH

By the INDIANA STATE MEDICAL ASSOCIATION

IVY POISONING

THERE is an answer to the question, "How to prevent ivy poisoning?" Keep away from the plant.

Many persons are susceptible to poison ivy, poison oak, or swamp sumac. Some are so sensitive to the leaves or juice of these plants that even indirect contact through animals or insects may cause painful skin reaction.

Ivy poisoning, the most common form of this disorder, causes an eruption on the skin which often is disabling and painful.

Treatment after exposure to poison ivy consists in first washing thoroughly with strong soap and water, without scrubbing, and then with gasoline or ether. Soothing lotions relieve the itching somewhat.

Scratching the skin erupted by poison ivy frequently causes a secondary infection worse than the ivy poisoning.

Some persons boast that they are immune to poison ivy, but this is not always true, for many who have been free of ivy poisoning for years become sensitive at a later time.

Ivy extract inoculations, taken before the ivy season begins, sometimes aids.

Recognising the three-leafed clinging vine and giving it a wide berth is safest. Long sleeves and gloves will protect sensitive persons to some extent.

Cutting and plowing under, or the use of chemicals, will remove the plant from the vicinity of the house. "Three leaves—leave them be!"

Chipped Beef on a Bun

Use toasted enriched hamburger buns to make excellent open-face sandwiches as well as to shelter 'burgers. Here these good buns are topped with creamed chipped beef and kernel corn.

When you buy hamburger buns at your baker's for summer picnics, get an extra supply of these thrifty breads to make tempting sandwiches for the family lunch.

Big brown sandwich buns are delicious toasted and topped with creamed fillings of various types. Spoon creamed chipped beef combined with kernel corn liberally over the buns for a flavorful and quick-to-fix main dish. Another good topping is creamed tuna with green peas, or a golden cheese sauce garnished with bacon. This type of menu is easy to complete with a cooked fresh vegetable or salad, milk, and cookies for dessert.

Hamburger buns are popular with children and add interesting variety to the day's servings of enriched breads. These are important, you know, for their contribution of protein, essential B-vitamins, food iron, and food energy.

When you bake yeast rolls, plan to shape part of the dough into hamburger buns for sandwich meals.

CHIPPED BEEF TOASTWICHES

2 tablespoons shortening
2 tablespoons enriched flour
1 cup milk
¾ cup cooked kernel corn
¾ cup chipped beef
Sandwich buns, split and toasted

Melt shortening in top of double boiler. Add flour and gradually pour in milk. Add kernel corn. Stir constantly until thickened. Rinse chipped beef with boiling water and add to cream sauce. Cook over double boiler 10 minutes. Serve hot over split, toasted sandwich buns.
Makes 4 servings.

Record Collection For Polio Fund

The 1951 March of Dimes last January yielded $33,263,000, an all-time record in contributions from the American people in the fight against polio, it has been announced by Wray Fleming, Indianapolis, state chairman of the March of Dimes.

In Indiana, 1951 March of Dimes contributions totalled $754,131.41 as compared with $745,206.96 in 1950. This too represented an all-time record.

Nationally the increase was 8 percent. The Indiana increase amounted to $8,924.45 or 1 plus percent. Nationwide, the per capita contribution to the March of Dimes is approximately 22 cents while the Indiana per capita is slightly over 19 cents.

In expressing the gratitude of the March of Dimes organization and its 92 Indiana chapters, Mr. Fleming said, "This magnificent generosity on the part of Indiana citizens reveals an understanding of the growing danger that polio presents to our homes, our businesses and sometimes our lives.

"However, $5,000,000 of this amount was owed for patient care given in 1950 for which National Foundation funds were not sufficient," he said. "Thus the National Foundation started 1951 with less money for its services than the successful results would indicate."

During the past three years, he added, the nation has suffered its three worst polio outbreaks which struck more than 103,000 persons, of whom four out of five needed and received help from National Foundation chapters.

"In supporting the March of Dimes," Mr. Fleming declared, "over 70,000,000 Americans have asserted their faith in the course the National Foundation is following in the direct attack upon a specific disease."

Removing Straw from Harvested Wheat Fields Boosts Hay Production from Legume Seedings

TAKE off all the straw from your wheat fields after the crop is combined if you want to help new legume seedings live through the winter and boost hay yields next year, advise Ohio State University agronomists.

These specialists also recommend pasturing or mowing legume growth for hay, as a means of preventing excess dead material in next year's hay cutting.

When you combine wheat or other small grains, half or more of the straw is left in the field. Unless it is promptly clipped and hauled off, it will prevent alfalfa, red clover, Ladino and pasture grasses from getting sufficient sunshine and air. Even more serious, the dampness under the straw will encourage the development of fungus and molds that will destroy the legume growth.

In some years, legume stands have been completely killed over the winter by failure to take off the straw and stubble, according to Ohio tests. In other fields, red clover yields were almost doubled by removing straw.

The agronomists recommend that new legume seedings should not be cut or pastured after September 10. The legumes need the fall months to store up the plant food in their roots needed for life during the winter and rapid growth the following spring.

LOYAL WOMEN'S CLASS

The regular meeting of the Loyal Women's Class of the Lutheran Sunday School was held at the home of Pearl Goldsmith on Wednesday evening, June 27. Devotions were given by Mrs. Addie Miller and the class prayer was given in unison. Several songs were followed by a short business session. A miscellaneous program of readings and contests was then enjoyed. The next meeting will be held on the last evening in August at the home of Mrs. Alda Pervines in Auburn. There were 23 members present.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

ARTIFICIAL RESPIRATION

DELAY in cases of suffocation or drowning may be fatal. The loss of a minute may mean the difference between life and death. There is little hope of reviving a victim who has ceased to breathe for more than five to seven minutes. Effective artificial respiration may be applied by accepted manual methods or by mechanical means, using a respirator or resuscitator.

The Schafer prone pressure method is taught by the Red Cross, the Boy Scouts and Y.M.C.A., and may be administered by one person. The Howard-Silvester method is more cumbersome to administer and requires the services of a team of trained persons.

The see-saw or rocking method uses the force of gravity to shift the abdominal organs, thus moving the diaphragm in and out like a bellows. The victim of drowning is laid face downward on a stretcher or board and his wrists and ankles tied securely. The stretcher or board is laid across a trestle and gentle rocking or see-sawing is begun.

An inhalator is a valuable aid in manual methods but inhalators usually are not on the scene of an accident.

Every man, woman and child should learn at least the rudiments of manual artificial respiration.

CONTAMINATED FOOD CAN SPOIL PICNIC

The fun of a picnic is soon forgotten by those who become ill from eating contaminated foods. Miss Opal D. Stech, extension nutrition specialist at Purdue University points out that it is important to keep picnic foods cold and in a sanitary condition to prevent spoilage.

When foods are left in a warm car while the family has a good time at a family reunion or on an outing, bacteria has a chance to develop and the possibility of food poisoning increases. Bacteria thrive in foods which are warm and moist.

Surveys show that food poisoning has been caused frequently by cream fillings of pies, meats, meat mixtures in sandwiches, potato salad and poultry. There is less chance for bacterial spoilage when foods are chilled prior to packing and kept cold until they are ready for use. They should be carefully protected from insects, flies and rodents.

More appetizing and safer sandwiches may be prepared by each person at the picnic from chilled sandwich fillings kept cold in a thermos container and lettuce brought to the picnic in waxed paper or moist plastic bags. Vegetables may be washed at home and placed in a plastic bag or wrapped in a damp cloth and then in waxed paper. Fresh fruits and vegetables should be thoroughly washed in safe water before being eaten.

The picnic beverage could be fruit juice or cold milk. Thermos jugs help to keep these beverages both safe and acceptable. These jugs can be improvised by using a tin container slightly larger than a glass jar. Moist newspaper may be packed tightly between glass jar and tin container. The neck of the jar should extend above the newspaper to prevent the iced beverage from contacting newsprint when being poured.

Vacationers should patronize markets which handle good quality food and maintain sanitary storage places. Likewise, they should patronize eating establishments which handle quality foods and prepare them in clean kitchens.

Around the Town

With the Editor

Aw, c'mon now. The oil on the streets ain't THAT bad. Have pity on the poor old town board. They tried to do use a favor by settling the dust on the streets and now they walk around glancing over one shoulder, then the other as if expecting a rotten tomato or something to come their way.

It was a pretty heavy coating that was put down, but it's almost soaked in now. That's better than having those clouds of dust billowing through the air on a windy day—or when a foot-heavy motorist goes down the main street speedway.

This one might be called "Putting Patriotism Into Practice."

John Nettleton, who taught music here last year, at one time had a group of young singers who were rehearsing several numbers. After a bit, he announced that the next song would be "The Star Spangled Banner," whereupon the youngsters rose to their feet.

His classic remark was, "Oh, that's all right—you don't have to stand up. We're just practicing."

One of the habits Mike and Dave have acquired in visiting either one of their grandmothers is that of expecting a dessert for lunch and supper. They and Danny Kessler came in the shop this week and Mike said, "Dad, we didn't have any dessert for lunch, so can I get a package of gum?"

I have some gum in one of the showcases so I told him to take just one package and split it between the three. He said "okay."

I was in the rear of the shop at the time, and a couple of minutes later Dave and Danny, with very pleased expressions on their faces, trotted into the back end munching on candy bars, a box of which also reposes in the same showcase.

I called Mike, who said "what" rather weakly.

"What do YOU have?"

He held up a candy bar. I told them to put the candy bars on the counter and asked Mike if he knew why I made them do it. He's the kind of boy who can be hurt just as much by words and passive actions as by a whack on the you-know-what.

So it was a tearful tot who replied, "But I changed up my mind."

Potato Growers Vote This Week

This is the week for DeKalb County potato growers to mail their ballots in the referendum being taken by the U. S. Department of Agriculture on whether to continue or to stop Marketing Order 60, which regulates the marketing of potatoes produced in Michigan, Wisconsin, Minnesota, North Dakota, northern Iowa and northern Indiana. This reminder comes from Mr. Ora Crooks, chairman of the DeKalb County committee of the Production and Marketing Administration.

Ballots have been mailed to every potato grower who produced potatoes for market in 1950. With the ballot are simple instructions, and a self addressed stamped envelope which will carry the signed ballot to R. E. Keller, official of the U. S. Department of Agriculture, in Chicago, who acts as agent of the Secretary of Agriculture in conducting the referendum. Any grower who failed to receive a ballot may obtain one from the county PMA committee office.

Mr. Crooks points out that in a referendum on the marketing order conducted last fall, favored by the growers three to one, the marketing order was tied in with federal price support for potatoes. In the present referendum, however, only the marketing order is being voted on, because price support has been discontinued by order of Congress.

Local News

The Pythian Sisters of St. Joe are holding a picnic next Sunday evening at 6 p.m. at the shelter house in Eckhart Park in Auburn. Every sister and her family are welcome. Bring your own table service and a picnic basket. Games and contests will be held for the whole family.

Stanley Robinson, son of Mr. and Mrs. Joe Robinson, is spending this week in Garrett with his grandparents, Mr. and Mrs. B. A. Robinson.

Mr. and Mrs. James Monroe and son, Kenneth, of New York, Mr. and Mrs. V. R. Monroe, Mrs. Grace Dilley and Mr. and Mrs. Glen Cole were guests of Wjlliam Staman and wife Thursday at a picnic dinner and spent the afternoon. James Monroe and family returned to their home Saturday morning.

Mr. and Mrs. Charles Bishop of Auburn and Mrs. Nettie Baker of Fort Wayne spent the past week in the home of Mr. and Mrs. Glen Cole.

A daughter was born to Mr. and Mrs. Charles Cook recently and was named Ila Rose.

Mrs. Don Burley went to Beardstown, Ill., Wednesday to take her grandchildren, Marcia and Bobbie Burley who visited here two weeks, to their home.

Mr. and Mrs. Malcolm Woodcox and family of New York were guests of his parents, Mr. and Mrs. Clarence Woodcox over the week-end. Saturday Mr. and Mrs. Frank Philley and daughter and family of Huntington, Mr. and Mrs. Don Burley and two grandchildren, enjoyed a picnic supper at the C. C. Woodcox home.

Merritt Sechler accompanied Mr. and Mrs. Lester Ealy and Mrs. Maude Woodcox of Columbus, Ohio, to Lisco, Nebraska, for a week's visit with Elgin Woodcox and wife.

Patricia Carpenter Mott of New York is visiting her parents, Mr. and Mrs. Carl Carpenter, for a few weeks.

Mr. and Mrs. Glen Cole spent Sunday afternoon and evening with Roy Bowser's family at their cottage on Hamilton Lake.

Mr. and Mrs. Wayne Wagner were guests of Mr. and Mrs. Don Keller at Hamilton Lake Sunday.

Karma Jean Mentzer and sons spent Monday with Mrs. Pearl Williams.

Anna Hursey, accompanied by Letha Hart, returned Thursday from a week's vacation with her nephew, Woodrew Boggess, and family at Estherville, Iowa. They also motored to Jackson, Minn., and to West Bend, Iowa, to see the Grotto of Redention and other interesting points in Iowa.

Mr. and Mrs. Fred High, Mr. and Mrs. Paul Carpenter and Calvin Hull and family were Sunday callers of Mr. and Mrs. Harvey Hull.

Mr. and Mrs. Ray Moore and family vacationed from Wednesday until Saturday in Michigan and Canada.

Mrs. Frances McMillen visited with her husband, Denny, who is in the service at Washington, D. C. over the week-end.

Play Tickets Being Sold In Contest

Tickets went on sale this week for the rollicking adventures of Tom Sawyer and Huck Finn to be presented at the St. Joe gym on Friday and Saturday nights, July 20 and 21.

The youngsters of this area have been given the opportunity to help make this presentation a success. Every student or child selling five or more tickets will receive a free ticket. In addition, the boy and girl selling the most tickets will be awarded prizes. To the boy will go a baseball and glove while the young lady will receive a dresser set. These prizes are now on display in the window of Amstutz Hardware and Furniture Co. in St. Joe.

Tickets may be obtained at Dunten's Market in St. Joe or from Janice Hollabaugh, who has charge of ticket sales in Spencerville.

The play promises to be one of the best entertainments to be presented here and intensive rehearsals have been held for the past few weeks to prepare for the two fun-filled July evenings.

Mrs. Freida Guilford is directing the play and has chosen the cast from students in the local school.

Special entertainment will be presented on both evenings before the curtain raises and between acts.

The cast includes:

Tom Sawyer, our boyish hero—Maynard Robinson.

Huckleberry Finn, his faithful chum—Calvin Coburn.

Aunt Polly, who has a sharp tongue and a warm heart—Connie Stewart.

Sid Sawyer, Tom's half-brother—Edward Collins.

Joe Harper, one of the "fellers"—Bill Shuff.

Mrs. Sereny Harper, his mother—Donna Mae Wagner.

Becky Thatcher, a new girl in town—Andrea Carr.

Mrs. Thatcher, her mother—Leatrice Coburn.

Mary Rogers, pretty and refined—Jane Draggoo.

Walter Potter, in love with Mary—Lee Davis.

Amy Lawrence, who lipth a little—Patty Hughes.

The Widow Douglas, who lives alone—Rebecca Harts.

Injun Joe, a half-breed—Albert McMaken.

New Soil Testing Service In Operation

The new soil testing laboratory at Purdue University will be testing soils from DeKalb County, the county agent has announced.

Normally farmers would send the samples of soil to be tested to the county extension office, free of charge.

Since April 1, 1951, the state soil testing laboratory has been set up and there will be a small fee of fifty cents per sample with a minimum charge of $1.00 This charge covers only part of the expense of the service. It will make possible expansion of the testing service with need and will provide for more efficient and accurate testing.

Farmers will bring their soil samples to the county extension office, where forms will be filled out and containers given so as to prepare the samples for mailing to the testing laboratory.

These tests will be run by soil specialists and farmers will receive data from the soil laboratory within two to three weeks.

State Fair Notes

A record total of almost $50,000 in cash premiums for cattle will be paid during the 1951 Indiana State Fair opening August 30.

The exact figure is $49,896.95 according to an announcement by Walter Wimmer of Rockville, director of the department. This is an increase of $1,687.60 over last year and it includes $6,397.55 for 4-H exhibitors.

More than 3,000 entries are expected and it probably will be necessary for a "weeding" committee to eliminate several hundred of the Calf Club entries on the day before the fair opens. Although Indiana's cattle building is the largest in the world, covering four-and-a-half acres under one roof, the 2,646 "ties" will not be sufficient to accomodate all entries.

One or more breeds will be shown in the Coliseum every day except Sunday, during the ninsday exposition ending September 7, with some of the nation's outstanding cattle experts, representing 11 different states, acting as judges.

Six more shuttle buses, making a total of 10, will give every Indiana State Fair visitor this year an opportunity to ride these popular five-cent-fare vehicles when travelling from one area of the 214-acre fairgrounds to another.

The four shuttle buses placed into operation on the first time last year carried more than 70,000 passengers during the nine days of the fair and were crowded almost constantly.

The new vehicles, now under construction, will be delivered later this month. All 10 of the shuttle buses will be pulled by tractors provided by the Indiana Farm Bureau.

Entry blanks for the 1951 Indiana State Fair may be obtained now from any county agricultural agent or by writing to the entry department at the Indiana State Fair administration building. Entries for all except the 4-H department will close August 6. Members of 4-H clubs will have until August 15 to enter.

Hot Weather Needed For Crops

Unfavorable crop growing weather already has cut slightly into expected yields in DeKalb County, Ernest J. Lesiuk, county agricultural agent, reported Friday.

The county agent said there has been very little "good growing weather" so far this season. "Some good hot nights," he said, "are needed to help things along."

The heaviest loss is from hay spoilage. There is also some loss to corn and oats, according to Mr. Lesiuk.

Farmers in the county were optimistic because of recent rains which boosted their prospects of good yields, but excessive rains spoiled the value of hay which absorbed several wettings. Farmers who made grass silage from the first cutting of legume hay had the best luck as silage can be stored green and still contain excellent feeding value for dairy cattle and beef cattle.

Recent rain caused the corn to be spotty in areas, showing the lack of deep green color of healthy plants. Excess moisture also has a tendency to tie up the available nitrogen to the plant, the county agent stated. During cool nights corn fails to maintain its growth.

Oats in the area are heading but also look spotty. Soybeans look the best of all crops. Pastures are carrying their capacity of cattle. Wheat will begin to be harvested in approximately two weeks in certain areas of the county and Mr. Lesiuk says it appears that yields will be higher than the harvest a year ago.

Spencerville News

Mrs. Marvin Mathena and children of Hammond are spending a few days with her brother and family, Mr. and Mrs. W. E. Weninger and sons.

Mrs. M. H. Hollabaugh and sons, Tom, Jim and Parks, returned home Sunday from Battle Creek after spending a week with Mr. and Mrs. T. B. Jones.

Mr. and Mrs. John Stemen, Jr. and sons, Jackie and Tommy, of Butler spent Sunday with Mrs. Mary Stemen.

Mrs. Claudia Hafner and Mrs. Daisy Markle attended the Florida reunion Sunday at Alton Park.

Miss Helen Reid of Indianapolis is spending a couple of weeks with her uncle and aunt, Mr. and Mrs. Walter Reid, and family.

Mr. and Mrs. Glen Moore and family spent a week's vacation at Hamilton Lake, returning home Sunday.

Dr. and Mrs. Robert Hafner and daughter of Huntington visited Sunday evening with their mother, Mrs. Claudia Hafner.

Pvt. Jack Shultz is home on furlough for a couple of weeks from Fort Riley, Kansas, where he is stationed.

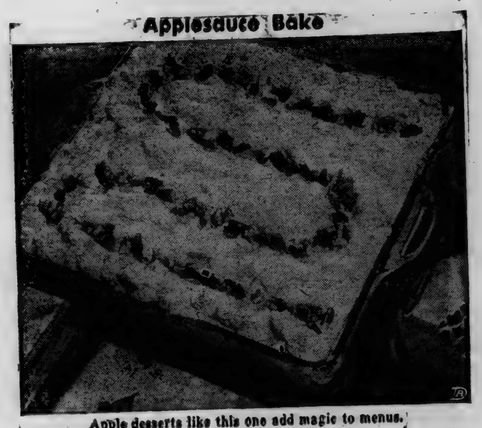
"The Fool Hath Said In His Heart, There Is No God" Psalms 53:1

Applesauce Bake



Apple desserts like this one add magic to menus.

Not enough praise is sung for Johnny Appleseed who, according to legend, planted apple trees wherever he roamed. If the story is true then homemakers owe that beneficent pioneer a vote of thanks for dotting the countryside with orchards.

Applesauce Bake is a new dessert that points up the wisdom of Mr. Appleseed who looked forward to the future. It is a variation of an old Danish apple cake. A not-too-sweet applesauce is baked layer on layer with crushed cocoanut cookies in between for a new apple combination.

Serve Applesauce Bake either fragrantly warm or thoroughly chilled. Top with whipped cream and garnish with nuts. If you like, garnish the top with bits of blush-red crab apple jelly. This garnish is traditionally Danish.

APPLESAUCE BAKE

8 cups sliced apples
½ cup sugar
½ teaspoon vanilla extract
½ pound cocoanut bars
6 tablespoons fortified margarine

Place sliced apples in a saucepan. Add enough water to barely cover the apples. Cover and place over medium heat. Cook apples until tender. Put apples through a sieve. Add sugar and vanilla. Crush cocoanut bars with a rolling pin and roll out to form crumbs. Coat an 8-inch square baking dish with margarine. Place a layer of cookie crumbs in the bottom of the dish. Top with a layer of applesauce. Dot with bits of margarine. Alternate layers of applesauce and cookie crumbs and bits of margarine. Top with cookie crumbs. Place in a 325 degree oven and bake for 30 minutes. Serve either warm or well chilled with whipped cream. Garnish with chopped nuts, if desired. Yield: 8 servings.

You can S-T-R-E-T-C-H your food budget with Ice Cream . . . . it does double duty. Ice Cream is a highly nutritious dairy food and, at the same time, a delicious treat at meal time or at any time. Everybody says Ice Cream is GOOD . . and ICE CREAM is good for you, too.

EXTRA SPECIAL - ½ gal. VANILLA 79¢

DEVOTIONAL READING: Proverbs 22:1-6.

Shockproof Homes

Lesson for July 15, 1951

EVERYBODY who begins a home wants it to last. Nobody really wants a temporary, makeshift home. There have been people who thought they wanted "trial marriage" but such persons did not want a home at all. What is it that holds homes together and makes them last? Life brings many an earthquake shock. How do you get shockproof homes?

Dr. Foreman

• • •

Homes Without Marriage

LET it be said at once that while most homes begin with marriage, and the normal home consists of father, mother and children, there are homes without married couples. The story of Mary, Martha and Lazarus in the New Testament is the story of such a home.

Here were three grown persons, two sisters and a brother, and they had a good home; it must have been a good one, or Jesus would not have enjoyed going there as often as he did.

There have been other homes which have blessed all under the roof, such as a cottage group in an orphans' home, or a group of old people living together in one household; even a boarding house may, through the consecrated genius of some one person, become a kind of home, beloved and long happily remembered.

But when all is said and done, all these kinds of marriage-less homes, good as they often are, take as their model the "normal" home of parents-and-children. And this normal home begins with marriage. If the marriage is permanent, the home will be; if the marriage drifts and wrecks, so will the home.

• • •

"Till Death Do Us Part"

AS the present writer has said in "From This Day Forward" (a small book on the meaning of the Christian marriage service): "Only the Christian religion sponsors the highest form of marriage in the world. For Christian marriage is permanent. The state does not demand so much, social pressure in most places will not demand it, other religions have lower ways.

But the Christian ideal of marriage is nothing less than the union of one man and one woman, for their lifetime.

• • •

No Endurance Test

"CHRISTIAN marriage is not a mere endurance test. If that is all, it may be genuine, but not successful. Now a genuine cake is not a pie and not a roast; but not all genuine cakes are successful.

Marriage and a home at their best can be a kind of heaven; but who would want a heaven that might evict its tenants any morning?

On a windy day in a certain street of houses hastily built for G.I.'s, any one might see the flimsy shingles flapping in the wind like so many sheets of paper. The young couples who were flim-flammed into buying these houses have already regretted it. No one want to live in a house that the wind will blow to pieces. And no one wants a home that will be shaken apart by the winds of adversity or the earthquake shocks of disappointment.

• • •

The Heart of the Home

"THE only real basis of a lasting home is love. Everybody knows this much; not every one knows what love is. Love is not mere sentiment, and much more than emotion.

What Paul said long ago has been put by J. B. Phillips into modern words:

"This love of which I speak is slow to lose patience— it looks for a way of being constructive. It is not possessive; it is neither anxious to impress nor does it cherish inflated ideas of its own importance. Love has good manners and does not pursue selfish advantage. It is not touchy. It does not compile statistics of evil or gloat over the wickedness of other people . . . Love knows no limit to its endurance, no end to its trust, no fading of its hope: it can outlast anything. It is, in fact, the one thing that still stands when all else has fallen."*

A home where love of that sort is at its heart, will stand every shock of time.

* "Letters to Young Churches", by J. B. Phillips. Macmillan Co. 1947.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

INDEPENDENCE DAY—On the Fourth of July this year, this nation observed its 175th birthday anniversary. Conceived in liberty and dedicated to the proposition that all men are created free and equal, this government has achieved incomparable greatness. No other nation has ever survived for so long under such an idealistic form of government. But dark clouds are threatening our Constitutional, representative republic. Immorality and unethical practices are being exposed in high government places.

Because of the seriousness of this threat, the 39 "freshmen" members of the House of Representatives of the 82nd Congress adopted a resolution protesting it and calling for the restoration of the time-honored concepts of honesty and integrity in our national life.

Since the nation faces one of the gravest periods in its national history, it is necessary that the people have the utmost confidence and faith in their leadership. Otherwise, confusion and mistrust will undermine our national character. Respect for the spirit as well as the letter of the law must be carried out by our public officials. As Lincoln said this is a "government of, by and for the people," not for political favoritism.

MILITARY MANPOWER PLANS—Under terms of the recently passed military manpower bill, here are the chief provisions agreed to: All males must register at the age of 18; the average inductee will complete two years of active duty and six years in the reserve; deferment will not be granted because of the dependency of the wife alone and other dependency deferments are left to the discretion of the President; physical standards will be set no higher than the January 1945 level which means that approximately 150,000 men now classified 4 F may be inducted and the passing score for men with mental deficiencies will be reduced from 70 to 65; the present 2 percent limitation on female strength of the services will be suspended until July 1, 1954; final decisions on student deferments continue in the hands of local draft boards and high school students are not subject to induction until graduation, or age of 20, whichever comes first; the President's authority to extend enlistments for one year will be extended until July 1, 1953, and 24-month enlistments are authorized only for the Army.

UNIVERSAL MILITARY TRAINING—A five-man National Security Training Commission will be required to submit to Congress the broad outline of a UMT program. The House and Senate Armed Services Committees will be required to act on these recommendations within 45 days after their receipt.

TELEPHONE CALL—One of the interesting methods of answering the telephone has been adopted by the Department of Labor. In dialing that agency for information recently, the party answering said: "This is Labor."

DEKALB COUNTY FARMERS WARNED OF CHINCH BUGS

County agent Ernest J. Lesiuk has issued a warning to DeKalb County farmers on the east side of the county to be on the lookout for the annual invasion of chinch bugs.

For the past two years, chinch bugs were found on farms near the Ohio state line but no reports of the insects were made in other parts of the county.

The county agent said this year's infestation may be light due to the severe winter.

Mr. Lesiuk says that chinch bugs will attack plants that contain a considerable amount of succulents. As the plants become mature, the succulents disappear and the chinch bugs must move to different areas in order to obtain food.

Farmers should inspect their wheat, oats and corn fields and report immediately to the county agricultural agent any infestation they may find. The dinitro dust will then be made available to farmers for border rows. The recommendation for the use of this dinitro cresol dust is three-fourths a pound to every rod between various fields.

HOMECOMING AT NEWVILLE SUNDAY, AUGUST 5

The homecoming of the Newville Church of Christ will be held on Sunday, August 5.

Speaker of the day will be Mr. Russell L. Martin of Miami, Oklahoma. Song leader will be Darris Hamilton of Coburns Corners Church of Christ.

An invitation is extended to the public to bring a basket dinner and enjoy the day with the members of the church.

Town + Farm

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

Time sure does fly! Here we are once again thinking about exhibits for the County Fair. I think the club programs for rural youth such as 4-H, Future Farmers and Future Homemakers are doing a grand job of teaching youth to accept responsibility. All three programs require their members to make an exhibit of the work they have done and that requires work, patience and planning which, in itself, is excellent training.

In speaking with County Extension Agents I find that for all kinds of reasons, quite a percentage of club members do not make exhibits of the projects. One reason, as I understand it, is the failure of club members to keep their project records up-to-date. Perhaps from the time school is out until fair time is a busy period, but I think the solution lies in spending a few minutes each day on the records. With such a plan the work never becomes burdensome.

The reason that keeps many club members with animal and crop projects away from the county show is the lack of a fair agreement between member and parent regarding expenses and receipts of the project. Nothing will keep a member's interest at top pitch quite as well as a project for which he has the full responsibility. A member who has a project to care for and keep records on, but doesn't share in the winnings or receipts, is bound to lose interest and not do a top job. Think that over parents and make your member's project a business adventure along with one of labor.

When I go to a county fair I see the wonderful job our youth, the farmers of tomorrow are doing; and the advancement agriculture has made in the last fifty years. It certainly makes one proud to be an American, for no other country in the world has a program like it. These modern youngsters are making great contributions toward keeping American agriculture the world leader.

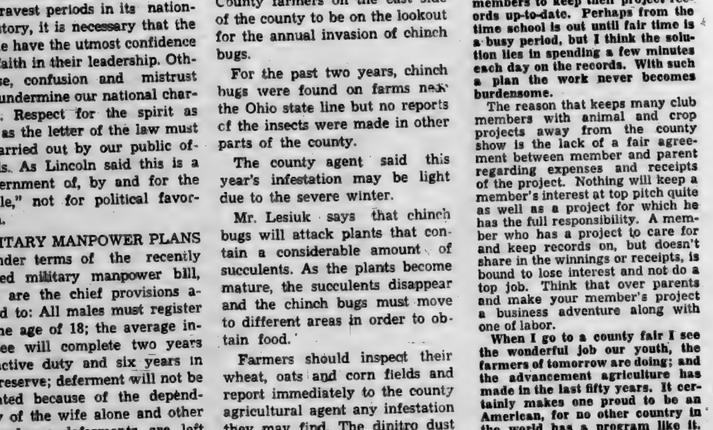
Everyone's going **V-8**

It's the type of engine powering America's highest priced cars... and you get it in a Ford!"



Yes, the swing is to V-8's! Most of America's highest priced cars are now powered by V-8 engines . . . the type of engine Ford's been building for nineteen years! Ford has built more V-8's than all other makers combined.

F.D.A.F.

Equipment, accessories and trim subject to change without notice.

that's why so many are going **FORD**

The swing is to Ford, too. For Ford's V-8 gives it get-up-and-go to match the finest cars . . . real savings, too, with Ford's Automatic Mileage Maker squeezing the last ounce of power out of every drop of gas. Only Ford in the low-price field offers this V-8 power! Yet it costs you less than most sixes.

Only Ford in the low-price field offers V-8 power
Ford has built more V-8's than all other makers combined . . . nearly 13 million
Ford has had 19 years' experience building V-8's

And remember, Ford's V-8 costs hundreds less than most Sixes!

Summer Seeded Legumes Need Full Feed of Plant Nutrients to Build Strong Growth

SUMMER-SEEDED legumes and grasses often make better stands than earlier seedings with nurse or companion crops, reports the Middle West Soil Improvement Committee.

Many Midwestern farmers say that competition from the nurse crop weakens the seedlings, making them vulnerable to midsummer drouth, says a statement by the committee.

Alfalfa, clovers and all types of legume-grass mixtures are well suited to summer seeding.

One of the big advantages is that weed competition is eliminated during the hot summer months when the soil is comparatively dry. Weed seed requires more moisture for germination than does legume and grass seed.

Agronomists recommend late July through mid-August as a good time to seed the legumes. A firm seed bed helps guard against planting the seed too deep.

Getting the seed in the ground isn't the whole story, though. You have to feed the soil so it can feed the crop. At planting time, summer-seeded legume grass mixtures need a complete fertilizer carrying nitrogen, phosphate and potash, plus calcium and magnesium. Then the plants will develop a strong crop-feeding root system and you will get thicker, leafier topgrowth. The legumes need lots of phosphate and potash. You can provide this after they are established by top-dressing with commercial fertilizer.

Pastures Need Soil Care

A SURVEY of soils scientists at Midwestern agricultural colleges reveals that they believe pasture improvements is more dependent on the use of fertilizer than on any other factor.

Dr. D. R. Dodd, Ohio State extension agronomist, says that these soils men believe that "much more general, frequent, and liberal fertilizer applications should be used on sod lands east of the range area of the Corn Belt."

GOOD HEALTH

Answer to Question No. 1:

1. The greatest cause of chronic disability in the United States is arthritis and other rheumatic diseases. The total number of victims is as great as the combined population of Los Angeles and Chicago, 7,500,000. There are 147,000 persons completely disabled from these causes, 800,000 partially disabled and more than 6,000,000 who suffer from continuous or recurrent pain. New drugs and treatments are helping many and offer the hope that medical science will add yet another to its list of conquered diseases.

Answer to Question No. 2:

2. Trained health personnel is of supreme importance in defense against the results of atomic bombardment. Hospitals may be bombed out but it would be difficult to wipe out the trained personnel of an entire metropolitan area. So long as there are doctors, nurses and first aid workers in sufficient numbers, the injured can be cared for. Some member of every family should have first aid training.

Answer to Question No. 3:

3. Before the days of antiseptic surgery, surgeons wore their oldest coats for operating and sometimes used the same coat for as long as 20 years. After Dr. Joseph Lister's discovery of the principle of antisepsis a radical change in dress occurred. Eventually the sterile hospital gown and mask as we know them today were adopted. Modern surgical cleanliness has saved countless lives.

HIGH SCHOOL, LITTLE LEAGERS WIN; NEWS LOSES

St. Joe softball and Little League stock went up last week as the high school won and Sechlers Little Leaguers nosed Harlan at the local diamond. But it dropped again Tuesday when the News got walloped by the Payne, O., nine, 19-5.

For the second time this season, the News had only eight players on hand for the game.

SOFTBALL AND LITTLE LEAGUE SCHEDULE

NEWS

Tuesday, July 17—at Antwerp, 8:30 p.m.

SECHLERS

Thursday, July 19—Hamilton at St. Joe, 6 p.m.

Wherever and whenever possible, two Little League games will be played during an evening to allow more boys to play. However, due to the delay in getting the lights up at St. Joe, only one game can be played before dark. One game an evening is also being worked in with high school games on other diamonds.

How to make Wise Tracks to a Beauty

How do you buy a new car?

Are you one of those people who buy on love at first sight?

Or do you check cars feature for feature, price for price—then pick the one that gives you the most for your money?

Whichever you are, we'd like to suggest that you come in and see our 1951 Buicks.

It's a sure bet you'll go for the swift, smart look of a SPECIAL, SUPER or ROADMASTER—fall seriously in love with the pace and power of its bonnet-filling engine.

And it's a cinch you'll go for the room and richness of those Buick interiors—the serene smoothness of Dynaflow Drive* and all-coil springing.

But don't let your emotion be the only judge—get the practical picture too.

Note that the power that gives you such a big kick here comes from Buick's famed valve-in-head Fireball Engine—which means you get a lot of miles from each gallon of gas you buy.

Note that the silken ease you enjoy with Dynaflow* goes hand in hand with real money savings in maintenance costs.

Above all, note what a Buick's price tag includes—how much more sheer automobile you get in a Buick than the same money would buy elsewhere.

How about making tracks to our showroom right soon—checking thoroughly into the matter—and see if *you* don't fall in love with a smart-buy Buick?

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS:
DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, July 19, 1951 — NUMBER 27

Around the Town

With the Editor

Jesse Loftus asked me to pass the word along to the parents of some of the kids in St. Joe that he has tried to keep them from playing around his horse but they won't take no for an answer all the time. He says it isn't the real little ones, but the not-so-little ones who won't heed his words of warning.

Maybe the parents will help out.

You'd better not miss "The Adventures of Tom Sawyer." From all indications Friday and Saturday nights this week will be well worth your while—and admission—at the local gym.

One of the good little helpers participating in the evenings' proceedings (though she doesn't have a part in the play) is Delores Davis. Besides taking care of the stage props, she has read all of the parts in the play and knows what's going on—or should be going on.

—A good little helper.

That ought to be good.

There'll be a good chance for a few of the boys to let off some of that excess energy when they do a little boxing between acts of "Tom Sawyer." I don't know who it will be, but there will be one from St. Joe and one from Spencerville each night.

St. Joe and Spencerville sometimes don't get along so well together so—that ought to be good.

CONSERVATION CLUB

At the last meeting of the St. Joe Valley Conservation Club, upon the recommendation of the board of directors, it was voted to invite the members' entire family to attend the meetings.

This step was taken to permit more people to enjoy the club's educational and entertainment programs, starting with the August 7 meetings. Members are urged to bring the entire family.

Local News

Mrs. Maud Price and Mrs. Kathryn Heischman of Columbus, O., spent the week-end in the J. E. Foltz home. Mrs. Heischman is an aunt of Mrs. Foltz.

Mr. and Mrs. Gerald Gee and children, Jerry, Larry and Phyllis, of Dayton, spent the week-end in the Foster Gee home. They all spent Sunday afternoon with the Walter Gee family at Jewell, Ohio.

Mr. and Mrs. Olen Waltz had as Thursday evening callers Mr. and Mrs. H. O. Waltz of Garrett.

Jerry Gee of Dayton is spending a couple of weeks with his grandparents, Mr. and Mrs. Foster Gee.

Mr. and Mrs. Olen Waltz spent Monday evening in Fort Wayne and called on Mr. and Mrs. Wayne Otis and Mr. and Mrs. W. T. Gore and family.

The Lutheran Ladies Aid met with Mrs. Parlia Hull last Thursday afternoon. Seventeen were present.

Mrs. Lela Northrup, Mrs. Alice Reidenbach, Mrs. Ethel Wineland and Mrs. Parlia Hull enjoyed a pot-luck luncheon at the home of Mrs. Lora Leighty at Auburn Saturday.

Mr. and Mrs. Ivan Brown and family, Mr. and Mrs. Richard Wasson, Mr. and Mrs. Harvey Hull and Mr. and Mrs. Simon Nicholls picniced on the Nicholls lawn Sunday.

Mr. and Mrs. Calvin Hull, Cynthia and Ronnie of Sherwood, O., were Saturday guests in the Harvey Hull home.

Mr. and Mrs. James R. Kees of Auburn accompanied by Leon Kees, wife and daughter, Nina Jane, visited Mr. and Mrs. Adolph Lorichon of Lansing, Mich. They also visited Marilyn Lorichon at Lake Lansing and other interesting places in the capital city.

Mr. and Mrs. Walter Stewart Sr. are spending their vacation in northern Michigan.

Mr. and Mrs. William Harter and daughter visited the Leon Kees family Sunday and motored to Hamilton Lake in the evening.

Mrs. Olive Frye of Walton and George Ridgway and son. David, spent from Thursday until Sunday in the Derwood Ridgway home.

Jo Bowser underwent a complicated tonsilectomy at the J. A. Sanders Hospital last Wednesday morning. After a transfusion and several days of intravenous feedings, she is slowly improving and hopes to return home the latter part of this week. Her mother, Mrs. Roy Bowser, was with her at the hospital until Monday.

Mr. and Mrs. Arle Young from Fort Wayne and Mr. and Mrs. Ronald Borthwick from West Lafayette were Saturday evening callers in the home of Mr. and Mrs. H. C. Borthwick.

Mrs. Grace Dilley and Mrs. Gertrude Borthwick were Monday evening dinner guests of Mrs. Shella Goldsmith at her home in Auburn.

Master Sgt. George A. Ridgway of Valparaiso recently was awarded the bronze star medal "for meritorious achievement as engineering chief attached to Marine fighter squadron 214 embarked on the USS Sicily during operations against the enemy in the Korean theater from August 3, 1950, to January 7, 1951." Sgt. Ridgway is a nephew of Derwood Ridgway of St. Joe.

Mrs. O. D. Baker of Hicksville and Mrs. Lilian Buckingham of St. Joe were Sunday dinner guests of Dr. and Mrs. Clyde Baumgardner at Spencerville.

Mr. and Mrs. Walter Stum and Dr. Davis of Toledo spent Friday with Mrs. Lillian Buckingham.

Little Leaguers Drop One, 12-7

Sechler's Little Leaguers blew a 5-1 7th inning lead Tuesday evening and lost a contest to Leo, 12-5.

After holding Leo down to 1 run until the 7th, Donat got wild, walking and hitting batsmen and finally being taken out. Collins replaced him but was also ineffective. Eleven runs crossed the plate in the 7th.

Leo made their 12 runs on but 2 hits while Sechlers netted 5 runs on 9 hits. Each team had one error.

Sechlers go to Butler Monday night in a non-league game starting promptly at 6 p.m.

Wednesday night the boys go to Harlan for 2 league games.

The game with Hamilton, scheduled for this week, was cancelled because of final rehearsals for "Tom Sawyer."

VENETIAN blind principle is applied to sunglasses introduced at tennis tournament in England. All the better to frighten you!

"Tom Sawyer" Here Friday And Saturday

Final rehearsals and preparations were conducted today in readiness for the production "The Adventures of Tom Sawyer," to be presented this Friday and Saturday, July 20 and 21, at the school gym in St. Joe. The 3-act play is being presented by special arrangement with Samuel French.

The cast has rehearsed diligently for the past few weeks, holding rehearsals daily for 2 to 3 hours. Mrs. Freida Guilford, who is directing the play, has promised a full evening's entertainment for those who attend.

The cast includes:

Tom Sawyer, our boyish hero—Maynard Robinson.

Huckleberry Finn, his faithful chum—Calvin Coburn.

Aunt Polly, who has a sharp tongue and a warm heart—Connie Stewart.

Sid Sawyer, Tom's half- brother—Edward Collins.

Joe Harper, one of the "fellers"—Bill Shuff.

Mrs. Sereny Harper, his mother—Donna Mae Wagner.

Becky Thatcher, a new girl in town—Andrea Carr.

Mrs. Thatcher, her mother—Leatrice Coburn.

Mary Rogers, pretty and refined—Jane Draggoo.

Walter Potter, in love with Mary—Lee Davis.

Amy Lawrence, who lipth a little—Patty Hughes.

The Widow Douglas, who lives alone—Rebecca Harts.

Injun Joe, a half-breed—Albert McMaken.

In addition to the play, there will be special entertainment on both evenings, including a "family" quartet on Friday evening. The group is taken from the Haberkorn Family, with Ted Sr., Ted Jr., and sister Margie (Appleman) and husband Phil. Also to appear for special numbers will be Donnie Baker of St. Joe and his accordion.

Proceeds from the two evenings will go to the softball diamond.

News Wins 1st Victory, 11-6

The St. Joe News softball team won its first victory of the season in the Indiana Ohio league Tuesday night with an 11-6 victory.

Aided by 10 bases on balls in the first 6 innings, the locals were never headed though the score was tied at 3-up at the end of two innings of play.

In the 3rd with the bases loaded and two out, Harold Yeiser uncorked a triple, clearing the bases. Three more came in in the 4th on 3 walks and a hit by Don McElroy, who led the batting attack with 4 for 5.

The last two runs came in on Pete Akey's line-drive homer in the top of the 8th and 9th inning hits by Don Yeiser, David Heyman and Jim Kinsey.

Gene Diederich, though hit solidly several times, was in little trouble after the first inning, when he gave up his only walk and three hits. He struck out 8.

July 26 Set For Sentence Of Dale Wicoff

Federal Judge Casper Platt delayed sentencing of Dale C. Wicoff, who was found guilty for the second time Friday night of participating in the $350,000 Spencerville bank fraud, until July 26 at 9 a.m.

The jury of six men and six women returned their verdict of guilty at 8:45 Friday night after they received the case Friday noon. Jury Foreman Robert L. Wilt read the verdict which found the Spencerville school teacher guilty on all three counts of the indictment charging him with "aiding and abetting" Clyde G. Rectenwall, former cashier of the bank, in defrauding the Farmers and Merchants State Bank. The jurors reportedly took "at least 10 ballots" before reaching its decision.

Mr. Wicoff received the guilty verdict calmly but his wife, who sat at his side, wept as the courtroom was being cleared of jurors, attorneys and court attendants. No spectators were present when the verdict was read.

Wicoff now faces a maximum possible sentence of seven years in the federal prison and a fine of $7,000.

new evidence in the re-trial was the fact that Wicoff had repaid more than $6,000 to the Federal Deposit Insurance Corporation to cover worthless checks that he had written.

U. S. District Attorney Gilmore S. Haynie, however, told the jurists that "Wicoff had the intent and knowledge that he was writing checks without sufficient funds to cover them."

Attorney Winslow VanHorne had urged the jury to consider the bank records on Wicoff's account "erroneous and incomplete" because the "books were juggled so much and so cleverly that for 10 years they fooled the bank examiners."

The other defense counsel, Otto E. Grant of Fort Wayne, said the "defendant had no criminal intent." He stated that his client "was careless, yes, but he already has paid the price for that carelessness."

During the trial, Clyde G. Rectenwall, former cashier of the Spencerville bank, was returned to Fort Wayne from the penitentiary at Terre Haute to testify. He described under oath how he had misapplied the funds of other depositors to cover checks written by Wicoff.

Fair Poultry Prizes Total $7,550

The poultry producers of Indiana, the nation's seventh-ranking state in the production of commercial broilers, will compete for $7,550 in cash premiums at the 1951 Indiana State Fair opening August 30.

The nation's per capita consumption of chicken meat has increased more than 50 percent in the last 15 years, climbing to 26.9 pounds per person in 1950, and this year Indiana producers are expected to exceed last year's figure of 28,000,000 broilers. This is in addition to the tremendous number of baby chicks---more than any other state in the nation---shipped to other areas.

Increased interest in the poultry department at the fair is anticipated because the producers of commercial broilers now supply more than half of the chicken meat marketed in Indiana exceeding the amount produced by farmers as a part of their egg-producing program.

Cash prizes are being offered for 96 different classifications of poultry, including 36 ornamental breeds, as well as for 15 classifications of ducks and six of geese. The premium book available now also lists 51 classifications of pigeons and 30 of domestic rabbits.

Spencerville News

Kay Stevenson of Muncie visited a few days last week with her friends, Sharon, Shirley and Larry Smith and the Butler boys.

Mr. Richard Nussbaum and Deloris Keller were married Saturday evening at 6:30 at the home of Mr. and Mrs. Howard Nussbaum.

Forrest Resor and Lavone Kline were home to spend the week-end with relatives and friends. They returned to Camp Atterbury Sunday evening.

Mrs. Cleo Reed left Sunday for a week's vacation with her sister and family, Mrs. Ada Whitacre, at Highland, Indiana.

Mr. and Mrs. John Stemen Jr and sons of Butler were Sunday guests of his mother, Mrs. Mary Stemen.

CARD OF THANKS

The White City Cemetery committee wishes to thank all who contributed to their recent benefit auction in any way, including those who attended the auction and the individuals and merchants who donated goods to be auctioned.

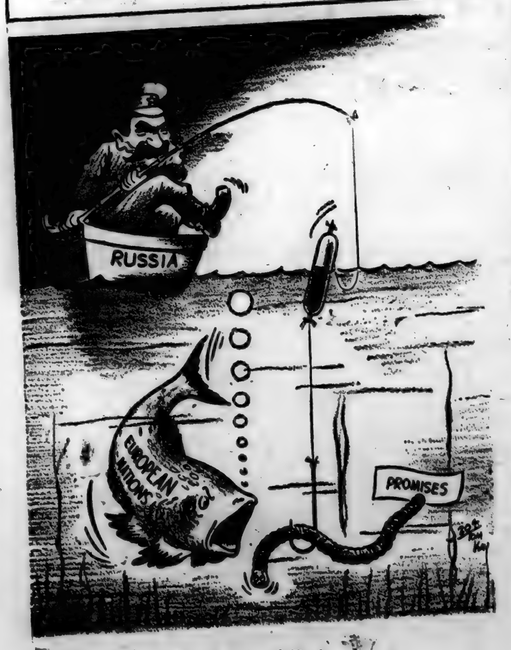
THE AMERICAN WAY



Sucker Bait

Democracy At Work???

We can feel sorry for ourselves.

While we spend billions for propaganda and war materials, while we lose the cream of our youth fighting for what we glibbly call "freedom and democracy"—

At home a rioting crowd breaks windows of an apartment house, destroys and breaks furniture from the apartment, shoves and abuses National Guardsmen who try to control the crowd incensed because—

A respectable Negro bus-driver and his family want to live in the apartment.

When Will It End-

The Collector of Internal Revenue for the District of Indiana has released the following figures showing the total collections paid to the Treasury Department.

It may hurt a little, but it will also refresh your memory.

1941	$175,093,119.29
1942	324,470,281.04
1943	489,605,246.96
1944	807,016,292.76
1945	928,090,899.62
1946	900,080,798.03
1947	905,264,889.84
1948	1,004,020,459.17
1949	944,222,429,90
1950	966,639,373.49
1951	1,195,460,954.96

Magazine Salesmen Get $22

DeKalb County Deputy Sheriff George Milks reported Friday afternoon that four smooth-talking magazine salesmen bilked a St. Joe housewife out of $22 despite the efforts of the elderly woman's daughter to get the men to give the money back.

Deputy Milks said he was called to the St. Joe residence and after hearing the woman's story he set off in pursuit of the fleeing foursome. He reported that he tracked the group to Spencerville and from there he believed the salesmen left for Ohio. A search of the surrounding area failed to find any traces of the men.

The daughter told the deputy sheriff that she learned of the visit of the solicitors from her mother and that she tracked down the men and demanded that they return the $22. She said the men refused and got into their car and fled. The daughter then called the deputy sheriff in Auburn.

It is not known if the four salesmen were the same who were run out of Auburn last week by Auburn city police after reports were made to Auburn police from housewives who stated that the solicitors would not take "no" for an answer and were forcing themselves into homes.

R. H. C.

The Rural Housewife Club met at the home of Inez Hadsell last Tuesday, July 10. The meeting was called to order by the president, Marie Ward. After the reading of the minutes and collection, the following officers were elected:

President—Grace Laub.

Vice-president—Leona Mason.

Secretary—Eleanor Crothers.

Vice-secretary—Pluma Hamilton.

Treasurer—Edna Jenkins.

Sick committee—Belle Woodcox, Edna Jenkins, Gladys Hart.

Special number committee—Elizabeth Hart.

Opening number committee—Winifred Hart.

After the business meeting, Berniece Wilder and Belle Woodcox had special numbers.

The hostess served delicious refreshments of home made cookies, brick ice cream and lemonade.

The next meeting will be with Berniece Wilder the first Tuesday in August.

Community Living

Lesson for July 22, 1951

THERE is one way to get along in any neighborhood without any trouble at all: just have nothing to do with any one. But that is not only not a Christian way of living, it is not practicable.

Dr. Foreman

You need the community and the community needs you. If you want to tell the world goodbye, go rent yourself a room on the 17th floor of some apartment house in New York. You won't be bothered with callers! But if you live in the typical American town or country community, you not only cannot help knowing everybody more or less, but you want to know them, you need to know them.

• • •

The Community Includes Everybody

SOME communities cease to be communities and become exclusive clubs; no strangers can break in. A lady in a very old county in a long-settled state, said of her next-door neighbor: "That family came here sixty years ago; they don't really belong here."

Now a true community ought to include every one in it, and it isn't a real community until it does. Jesus' parable of the sheep and the goats suggests this.

The trouble with the "goats" was that they just never saw the down-and-out members of the community at all. Your own neighborhood has in it, perhaps, some lonely people, unfortunate people, some human left-overs. What is the community doing for them?

• • •

The Church and Its Own

ONE practical thing that Christians can do for their communities is to see to it that no Christian suffers want. However much we may disagree with the Mormons, there is one feature of the Mormon church which the rest of us might take to heart: in all the depression of 20 years ago, there never was a Mormon on relief.

Probably in most small communities the separate congregations are not large enough to do this kind of thing effectively; but surely in a community where there are as many as three or four different denominations, they might all plan together so that whenever any Christian got into a strait, the rest of the Christians would stand by to help him.

There will always be a need for general organizations such as the Red Cross or the Grange and the Community Chest; but if Christians always stood by Christians, the rest of the community would at least have less to worry about.

• • •

It Takes All Kinds

THE ideal community is one in which everybody is a Christian and indeed all belong to the same church. But such communities are few and far between. Most of us live pretty close—and sometimes uncomfortably close—to people who are not Christians, except perhaps in name, and who may be hard to get along with.

How can we live with such people in a Christian way? Paul, in Romans 12, makes some practical suggestions. He knew very well that no city or town in the Roman Empire was Christian or anywhere near it; yet he shows how to have the Christian spirit never-the-less.

Christians should be the most valuable members of any community. But are they? Is this true in your community? If so, what is it that the Christians contribute? And if not, is it maybe the Christians' fault?

• • •

The Law Above Laws

A group of people who act toward each other in no better way than the laws of the land require, may be a neighborhood but it is no community.

The laws (and useful they are, to be sure) can regulate our behavior, but they cannot touch our hearts. They can forbid us to harm our neighbor, but they cannot force us to feel kindly towards him. For complete community, something more than law is necessary; and again Paul puts us on the track of it.

Love is above all law; it does not break laws but it goes far beyond them. It is not the law-abiding citizens who are the best ones; the true ornaments and treasures, the First Citizens of a community, are the love-abiding.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

FOREIGN LOBBYING PAYS OFF—With Presidential Adviser Averill Harriman having urged the House Foreign Affairs Committee to approve the Administration's request for $8.5 billions in foreign aid, it is advisable to take a close look at this proposal. Government spending both at home and abroad has reached such proportions that it is almost beyond the power of comprehension. The Administration seems determined to pursue a course of profligate spending and unsound government financing that can only lead to domestic economic chaos and the loss of our foreign friends abroad because of the inconsistent and ill-advised policy of financing decadent political dynasties abroad.

The proposed foreign aid program would provide $6.3 billions for military aid and $2.2 billions for economic and technical assistance. This total is more money than it took to run the entire government 20 years ago.

ACTIVE FOREIGN AGENTS—I have obtained information that there are 70 foreign lobbies in Washington and 227 active foreign agents registered with the U. S. Department of Justice. It is an interesting and revealing experience to discover just who some of these lobbyists are. For instance, the law firm of which Secretary of State Dean Acheson was a member before he was given his present position, has received more than $400,000 in less than four years. The money came from the Royal Swedish Air Board and the governments of Greece, Denmark, Iran, Colombia, Finland and Pakistan. Denmark alone paid this firm $110,000 plus $1,118 for expenses.

BIGGEST FOREIGN LOBBY—With a diplomatic staff of 66, Great Britain has the biggest foreign lobby. Spending more than $800,000 annually, one of the 13 registered British agents, the British Information Service, has 200 employees working in branch offices in nine American cities. No wonder these foreign countries are able to pour out propaganda and influence foreign aid. What we need in Washington is a lobby for the American taxpayer and the American way of life. Official Washington seems to be overlooking the fact that John Q. Public is alive and kicking about the continued waste abroad of American dollars.

GOVERNMENT TRIES FISHING—The big one always gets away. But here is one fish story that every Fourth District angler will question. The government has decided to find out this summer how much effort goes into catching a fish. Agents from the Department of Interior are at Yellowstone Park Lake, where, according to the Department's announcement, "Federal biologists are checking daily to estimate the yield of fish per unit of effort." What in the world will the bureaucrats dream up next?

LEO AUXILIARY NEWS

The regular monthly meeting of the Leo American Legion Auxiliary to Unit 409 was held at the Post Home on the Leo Road.

It was announced that Mrs. Harold Kryder received the honor of being selected by the Department to be a Government Councilor at Girl's State which was held at Indiana University. She also visited Knightstown at which time she presented the Unit's sponsor, James W. Young, with a monetary gift.

Miss Arlene Gehrig gave a very interesting report on her week's stay at Girl's State.

Mrs. Harold Kryder, Pan American chairman, also gave a report on imports and exports of Uruguay and announced that the Unit's History, Pan American Scrapbook and Diary have been entered in the Fourth District Contest.

Two Gold Star members, Mrs. Herbert Huth and Mrs. Cleo Griswold, were welcomed into the Unit by initiation team, Mrs. Woodrow Hursh, Mrs. Robert Tharp, Mrs. Fred Marolf Jr., Mrs. Hubert Hudson, Mrs. Edison Martin and Mrs. Vernon Halter.

Three members volunteered to donate blood for the Community Blood Bank.

Final plans were made for the Fourth District meeting to be held at the Leo Post Home. The Harlan Unit is co-hostess for the meeting and pot-luck lunch.

Mrs. Robert Tharp and Mrs. Wayne Rosselot were in charge of the social hour and refreshments following the business meeting.

The Lazy J Ranch's 1950 Ford F-3 Express with POWER PILOT was one of more than 5,000 Fords in the nationwide, 50-million-mile Ford Truck Economy Run.

George Stephens of the Lazy J Ranch* says: "The low cost my Ford Truck showed in the Economy Run speaks for itself. I got regular service checkups from my Ford Dealer."
*Address furnished on request

"My ranch 'workhorse' runs for only 2⅖¢ a mile!"

Ranch owner George Stephens proved for himself, in the big Economy Run, just how little it costs to run his Ford Truck!

"The Lazy J's Ford Express did itself proud in the Ford Truck Economy Run," says Stephens. "Daily records kept during the entire six months show that our Ford Truck ran up a total of 5,109 miles. My out-of-pocket expense for gas, oil, maintenance and repairs was exactly $123.51 . . . about a $20 bill each month . . . only 2⅖ cents a mile!"

The Ford Truck POWER PILOT carburetion-ignition system is one reason why Ford Trucks cost so little to run, in ranch work or any work. The POWER PILOT gives you the *most power* from the *least gas*. In the low-price field, only Ford has it!

FORD TRUCKING COSTS LESS
because FORD TRUCKS LAST LONGER!
F.C.A.

Indiana Farmers Get Four-to-One Return on Crops by Increasing Use of Fertilizer

FERTILIZER use on Indiana farms totaled 921,680 tons in 1950, according to a statement by the Middle West Soil Improvement Committee based on statistics compiled by the National Fertilizer Association. This was a gain of 180,308 tons compared with 1949.

Corn Belt farmers have increased their fertilizer use by 4,170,920 tons in the past decade, the figures show. Ten Midwestern states used 5,215,392 tons of plant food last year, compared with 1,044,472 tons in 1939. Indiana's 1950 fertilizer consumption was nearly 4½ times greater than in 1939, when 201,644 tons were used, the figures show.

For the entire United States, 1950 fertilizer consumption was 18,346,132 tons, an increase of 1.9 million tons over 1949. The 1950 total was 10,539,054 tons greater than in 1939 and 16,146,132 tons above the 1900 level.

One-fourth of all crop production is now attributable to the use of fertilizer, according to the U. S. Department of Agriculture. Since the value of all crops produced in 1950 was $12.3 billion, U. S. farmers received $3 billion additional income from the $744 million they invested in fertilizer last year. Each dollar spent for plant food in 1950 returned $4.13 in additional income from crops.

Statistics show that the tremendous increases in crop yields in the past 50 years have corresponded to the steadily growing use of fertilizer. Half a century ago, one farm worker, using little fertilizer produced food enough for himself and 5 other persons. Last year, his grandson, using 7 times as much fertilizer, supplied the crops needed for his own use and 14 additional persons.

NEWVILLE TWP. HOME EC CLUB

The Home Economics Club held their annual picnic July 11 at the club house. Elva Hook. Violet Baker and Leta Shaffer were hostesses. The Willing Workers girls 4-H club were guests.

Following the noon hour, the meeting opened with all singing the song of the month, "The Star Spangled Banner." The creed was repeated in unison. Devotions were given by Mable Thimlar followed by a hymn. Roll call was answered by 28 members. There were 17 4 H members and 10 children present.

The business meeting was conducted by the president, who read various communications of interest. The secretary related points of interest to be visited on the Cincinnati tour July 31, and bus reservations were made for the same.

Camp reservations are available and the club will send the project leaders. Plans haven't been completed for the county fair booth but the committee will report later.

An invitation was received from Union Township to visit their club meeting Thursday, July 12, and several members attended.

The 4-H girls conducted a model meeting. The president, Jeanette Osman, introduced the officers and leaders. The pledge to the flag was followed by the 4-H pledge and roll call. The religious thought was read by Patricia Brown. Reports were given on Fort Wayne tours through the Coca-Cola plant and the Borden Ice Cream plant by Mary Miller and Bonnie Guiff. Vocal solos were sung by Edgar Ludwig and Dianne Benninghoff.

A demonstration was presented by Jeanette Osman and Lois Mack on mixing pineapple drop cookies. Delicious samples, previously baked, were served to all present. Girls eligible to enter their baking exhibits at the state fair are Lela Beree, Janice Mickelson and Frances Bercaw. The 4 H meeting closed with comments by the adult leader, Violet Baker.

Entertainment was conducted by Mary Platter and Dorothy Meek.

Welfare, flower and birthday collections were taken.

The next meeting will be at the club house August 8 at 1:30 p.m. with Lucille Nelson as hostess.

There will be a project lesson entitled "Floors and Floor Finisnes."

NOTICE

No trespassing on land where water works pump station is located. No one is permitted on this land except the owners or those authorized to be there.

This also means no meddling with fire hydrants. Anyone found trespassing or meddling with hydrants will be prosecuted.

LOCAL BREEDERS TO USE 4-STAR JERSEY BULL

Archie Hewitt of Corunna, the DeKalb County Artificial Breeding Association's representative on the Indiana Artificial Breeding Association's Jersey Bull Committee, announced today that local farmers using the artificial breeding service of his organization now will have available for their use the service of Design Signal Forward, R. J. 475,448, registered in the American Jersey Cattle Club as a 4-Star bull with 21 credits.

DeKalb County Artificial Breeding Association's committeeman went on to say although "Forward" would be kept at the Indiana Artificial Breeding Association's stud in Indiana, his service would also be furnished to the customers of the Southeastern Artificial Breeding Association at Ashville, N. C. Both of these studs are American Breeders Service organizations, furnishing high-index proved sire service in 12 of the 23 states served by that organization.

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, July 26, 1951 — NUMBER 28

Local News

Sechler's Little Leaguers took a 13-3 victory from Butler Tuesday evening at Butler. Eddie Collins hurled for the first time and allowed only 4 hits.

Miss Irene Inlow spent a week recently with her sister, Mrs. William Hubbard, and family in their new home at Cambridge City, Ind.

Mrs. Leslie Inlow and children, who spent a week here with relatives, returned to their home in Cincinnati Sunday, July 12.

Larry Furnish visited last week with his cousin, Charles Inlow, in Cincinnati.

Bill R. Keesler recently was promoted to the grade of sergeant while serving in Korea. Sgt. Keesler is a member of the 25th reconnaissance company, a part of the 25th Infantry Division.

Mrs. Mary Krise and Mrs. Gertrude Borthwick spent Sunday evening with Mr. and Mrs. Charley Koch south of Garrett. Mr. Koch is recovering from an auto accident. Both sent their best regards to their many Saint Joe friends.

Calvin Hull and family, Mr. and Mrs. Harvey Hull and Mr. and Mrs. Frank Shull were Sunday guests of Mr. and Mrs. A. J. Smith at North Manchester.

Pvt. Harold Curie was home last week-end from Camp Breckinridge, Ky. Sunday dinner guests in the Leonard Jarrett home were Mrs. Lany Gee and Miss Bonnie Witt. Mrs. Gee celebrated her 82-nd birthday Monday.

Mr. and Mrs. Walter Gee and two children, Carol and DuWayne, of Jewell, O., were Sunday guests of Mrs. Foster Gee. DuWayne is spending this week with his Grandma Gee.

Foster Gee is spending his vacation at Comneaut, O., with Floyd Gee and family.

Mrs. Ann Hursey entertained for Sunday dinner Mr. and Mrs. Marion Monosmith of Edgerton, O., and Mr. and Mrs. Jay Hart of Hicksville.

Mr. and Mrs. Charles Shirk of Portland, Ind., were Monday dinner guests of the Leon Kees family, calling on friends in Newville and St. Joe.

Mr. and Mrs. Terry Medcalf of Ft. Wayne were Sunday guests of Leon Kees and family.

Rev. and Mrs. Fabian of Dayton, O., called on a few old friends Friday. Several years ago he was the Lutheran pastor at Spencerville and St. Joe.

Merritt Sechler has returned from his visit with Elgin Woodcox and wife in Lisco, Neb. He reports the Woodcox's are fine.

Mr. and Mrs. Francis Cole and daughter, Valerie, of Detroit were week-end guests of Mr. and Mrs. Glen Cole.

Sam Mumaw has returned to the Marvin Cole home in Hicksville after visiting Earl Wolf and family at Pleasant Lake a few weeks.

Mr. and Mrs. William Staman have parked their house trailer at Russell's Point at Hamilton Lake.

Mr. anl Mrs. John Beidelman of Ft. Wayne, Raymond Cole and family, Mrs. Marvin Cole and Sum Mumaw of Hicksville were Sunday supper guests of Mr. and Mrs. Glen Cole. Mr. and Mrs. Bob Ealy of Columbus and Merritt Sechler spent the evening in the same home.

Mr. and Mrs. Bob Ealy of Columbus, O., were week-end guests of Merritt Sechler.

George Fredrick and family of Ft. Wayne spent the past week in the home of Mrs. Fredrick's mother, Cora Curie.

Mrs. Betty Mavis Bevington of Auburn was a week-end guest of her aunt, Cora Cuire.

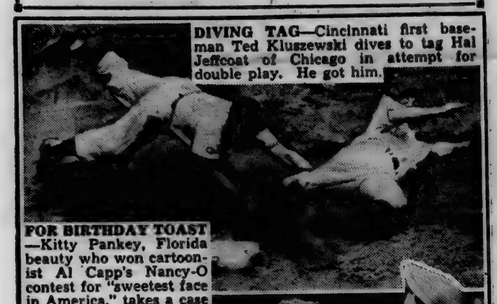
CONSERVATION CLUB

The St. Joe Valley Conservation Club will hold its last registered shoot for this season next Sunday afternoon, July 29.

The program will include 50-16 yard targets and 100 handicap.

A handsome trophy goes to the winner of the handicap.

People, Spots In The News

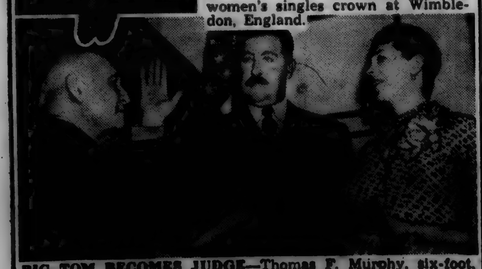


DIVING TAG—Cincinnati first baseman Ted Kluszewski dives to tag Hal Jeffcoat of Chicago in attempt for double play. He got him.

FOR BIRTHDAY TOAST—Kitty Pankey, Florida beauty who won cartoonist Al Capp's Nancy-O contest for "sweetest face in America," takes a case of Cook's Imperial American champagne to Paris as a present to French capital on its 2,000th birthday.

(Acme)

NETS TROPHY—Doris Hart (left) of Coral Gables, Fla., receives trophy from Duchess of Kent after winning women's singles crown at Wimbledon, England.



BIG TOM BECOMES JUDGE—Thomas F. Murphy, six-foot, four-inch prosecutor of Alger Hiss fame, ends a nine-month tenure as New York Police Commissioner as he is sworn in as U. S. District Judge in New York; Federal Judge Henry Goddard (left) administers oath as Mrs. Murphy watches.

Work Progresses On Diamond

Work is progressing on the softball diamond and the diamond should be ready for use by next week.

The lighting poles were erected on Monday and Tuesday of this week. The wire will be laid on Friday morning and lighting fixtures are to be mounted on Saturday morning.

Last week a 9x12 building was moved to the field. It will be used as a refreshment stand and possibly also as the announcer's booth.

Although the diamond has been used only for Little League games, the interest of people in the community shown by their spontaneous attendance at the games indicates that the new field will be a popular spot for the remainder of the summer and for the summers to come.

NOTICE TO BIDDERS

Notice is hereby given that the undersigned Trustee and Advisory Board of Concord Township, DeKalb County, Indiana, will at 7 p. m.,CST, on the 13th day of August, 1951, at the office of the Trustee of Concord Township in St. Joe, DeKalb County, Indiana, receive bids for the purchase of the following property:

Two 48 passenger school bus bodies constructed and equipped to comply with all of the laws of the State of Indiana relating to school buses.

The undersigned Trustee and Advisory Board reserve the right to reject any and all bids.

Witness our hands and seals this the 24th day of July, 1951.

Don Keller, Trustee of Concord Township, DeKalb County, Ind.

Richard Crow
Fred Elson
Russell Arnett
Advisory Board of Concord Twp.
DeKalb County, Indiana

NOTICE

Notice is hereby given that on July 16, 1951, Indiana Associated Telephone Corporation filed a petition with the Public Service Commission of Indiana at Indianapolis, Indiana, for an increase in the telephone rates now established for all exchanges and patrons being served by it.

Public notice of the date and place of the hearing upon said application will be given by Public Service Commission of Indiana.

Dated July 26, 1951

and a lighted ball diamond

3 Local Boys On All-Star Team

Donald Donat, Burgess Walters and Paul Smith have been selected to represent Sechler's Little League baseball entry in the Maumee Valley All-Stars Tournament to be held at Zollner Stadium Wednesday, August 1, in Ft. Wayne at 8 p.m.

No admission will be charged for the game next Wednesday night.

The tournament involves all-star teams picked from the four leagues in Fort Wayne and the Maumee Valley League composed of teams from St. Joe, Leo, Harlan and Woodburn, the only officially recognized teams in this area.

The winner of the district tourney at Fort Wayne will take part in the state tourney, also to be played at Zollner Stadium, where the nine-state regional competition will be staged. The winner of the regional will then travel to Williamsport, Pa., for the Little World Series involving eight finalists from all over the nation.

Local Little League teams are made up of 5 twelve year-olds, 4 eleven-year-olds and 3 ten-year-olds. Little League baseball, using a hardball, is played on a regulation softball diamond. The only difference in dimensions is in the distance from home plate to the pitcher's box, 44 feet whereas softball hurlers are 46 feet from the batter.

In picking an all-star team of 14 from the four teams in a league, all 12-year-olds may be selected.

Next Tuesday, Little Leaguers are to get in free at Wrigley Field in Chicago for the Cub-Giant game.

About fifteen boys from St. Joe are going along with fifteen from each of the other league teams. 12-year-olds will have 1st chance with 11-year-olds and 10-year-olds getting second and third chances.

COBURN CORNERS CHURCH NEWS

Quite a number of the children of the congregation have attended camp at Lake James Christian Assembly this summer. Included in the group are Robert Jarrett, Jimmy Burkhead, Ernest Barrett, Patty Current, Nancy Strable, Shirley Sweet, Bette Baker, Betty Mann, Janet Jarrett, Rhoda Ulm, Carolyn Morris, Linda Morris, Darlene Hamilton, Donna Lou Cook, Jack Sweet, Kent Burkhead, Tom Hart, Jack Hart, Eugene Barrett, Mary Wilder, Betty Sweet and Sharon Burkhead. Several of the youg people attended the Tri-State Youth Rally at Lake James July 16.

The softball team was defeated by the Spencerville Lutheran team Thursday night by a score of 11-3.

The Busy Beavers Christian Endeavor was superivsed by Bonnie Witt in the absence of Mrs. Jarrett Sunday evening. The lesson was led by Darlene Hamilton. Rugged Cross." Plans kere made Shirley Sweet sang "The Old for a party at the home of Rhoda Ulm. There were sixteen present.

Seventeen attended the Young Peoples Christian Endeavor Sunday evening. Shirley Chorthers led the lesson pertaining to famous Bible questions. The group voted to give the offering on the first Sunday night of each month to the Church Building Fund.. New officers have been elected to take office in October. They are president-Joan Curie, vice-president-Max Ward, secretary-Joan Cook, ass't-secretary-Joyce Baker, treasurer-Bill Wilder, ass't treasurer-Mary Wilder, news reporter-Ellen Mae Knop.

Ninety-nine attended the evening church service Sunday evening. Mrs. Darris Hamilton and Rhoda Ulm each sang a solo. The evening message was "Wearing the Badge."

Spencerville News

Mr. and Mrs. Frank Rhoades entertained with a picnic supper Sunday evening Mrs. Doris Ruder and children, Nadine and Ralph, of Los Angeles, Mr. and Mrs. Rollie Genth of Ft. Wayne and Mr. and Mrs. Frank Beams.

Mrs. Minnie Kimes and son, Bob, and family of Fort Wayne were Sunlay afternoon guests in the home of Mr. and Mrs. Harvey Kimes.

Mr. Cal Laux was brought to his home from the Lutheran Hospital Monday where had been a surgical patient for two weeks.

Mr. and Mrs. Walter Kimes and sons, Lynn and Lary. were Saturday evening guests in the home of the former's parents, Mr. and Mrs. Harvey Kimes.

Mrs. Ora Billman and Mrs. Nettie Perkins of Harlan and Mrs. Claudia Hafner spent the week-end at Hamilton Lake.

Mrs. Lione O'Niel and Mrs. Ruth Bercat and family of Fort Wayne were Thursday evening dinner guests of Mr. and Mrs. Virgil Kimes and family.

Mrs. Iva Spitler and Mrs. Florence Silberg were Sunday afternoon visitors with Mr. Harry Miller of Columbia City.

Mr. and Mrs. Walter Kimes and sons of Leo were Sunday afternoon visitors with Mr. and Mrs. Harvey Kimes.

Mrs. Cleo Reed returned home Sunday from Highland, Ind., where she visited at the home of Mrs. Ada Whitacre and children. Mr. James Reed and Adair brought her home.

Mr. and Mrs. Everett Kelly and family were Sunday evening guests of Mr. and Mrs. Virgil Kimes and family.

Mr. and Mrs. Maurice Miller and sons, Jimmie and Teddy, and Mr. Vinton Miller spent Saturday and Sunday at Snyder, Ind., with Mrs. Miller's sister and family. Miss Judy Miller was a visitor at her aunt's for two weeks, returning home with her parents.

Mrs. Jones Session of San Antonio, Texas, is visiting with Mr. and Mrs. Virgil Kimes and family.

Mrs. Rosa Widdifield is visiting in the home of her son, Clarence, and family at Indianapolis for a few weeks.

PRISCILLA PRIM 4-H CLUB

The tenth regular meeting of the Priscilla Prim 4 H Club was held July 6 at the home of Betty and Mary Beckman. Several songs were led by Pascal Speaks and the pledges were led by Jerry Woodring. The roll call, "What I am expected to exhibit on Achievement Day," was answered by thirteen members.

The secretary and treasurer's report was given by Lois Kimes, followed by a business session. Jerry Woodring gave a health and safety report. Recreation was led by Betty Beckman and Ralph Nussbaum. There were three demonstrations. one by Mary Wisel on room improvement. another by Judy Coddington on baking. the last by Wayne Akey on how to mount a bug.

Refreshments were served by Wayne Akey and Jerry Woodring.

The Priscilla Prim 4-H Club Achievement Day was held on July 11 at the school house.

A pot-luck dinner started at 12 noon. The exhibit started at 1:30. After the exhibit, the club members decided on a new date for their picnic.

The meeting was then adjourned.

HOMECOMING AT NEWVILLE SUNDAY, AUGUST 5

The homecoming of the Newville Church of Christ will be held on Sunday, August 5.

Speaker of the day will be Mr. Russell L. Martin of Miami, Oklahoma. Song leader will be Darris Hamilton of Coburn Corners Church of Christ.

An invitation is extended to the public to bring a basket dinner and enjoy the day with the members of the church.

11 From County Attend I. U.

Eleven students from DeKalb County are included in Indiana University's summer session enrollment of 8,603.

The total which includes all students taking courses for credit is the largest summer session enrollment in the University's history. In addition to the class enrollment, the University campus at Bloomington is a summer center for educational conferences, institutes and conventions.

DeKalb County students included in the enrollment are:

Ashley—Paul H. Everitt.

Auburn—Leland R. Fee, Howard S. Grimm, Jr., Eric Schaab, Hubert L. Stackhouse, Keith D. Stouder.

Corunna—Doris V. Aitken.

Garrett—Earl E. Creager, Glen F. Mulligan.

Spencerville—Lavon F. Furnish

St. Joe—Virginia Ulm.

Waterloo—Russell D. Shideler

THE AMERICAN WAY

Wrong Spouts Plugged

Your Life And Mine

by W. H. Baker

The greatest and most urgent problem for each person is—myself. Do I count? Jesus wants us to feel, and the whole New Testament emphasises this, that our individual lives and what we do with them matters for us more than anything else. When we see a man or a youth, we sometimes have to think: What might he or she become? What life might have been theirs? As Wesley said, when he saw a ragged, dirty drunken man: "There go I but by the grace of God." So it is with our fellowmen, when they don't measure pu to what we think they might have been. What power the Grace of God might have had in their lives!

Then what is the grace of God? It is the power of God that comes into our lives, when we do not resist God. "I will come and sup with you." Jesus wants to come into our lives, and wants us to walk with our hand in His hand. What trust the Psalmist had when he said, "The Lord is my Shepherd, I shall not want.—yea, tho I walk thru the valley of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff, they comfort me. And I will dwell in the House of the Lord forever." This was the purpose of Christ, coming, redeeming, and teaching us—that we might live as the Psalmist pictures life.

Some people think too highly of themselves, and others feel their insignificance. What is man that Thou art mindful of him? In the hum and crowds of city life, and factories that employ thousands, what is the individual worth? So, under dictators who want power or want to put some new idea into practice. the individual is forgotten. He is expendable. He is to be used for the State, or for production, or as a customer. We deal with crowds and forget that they are people. We are more fortunate in smaller towns, where we meet with our fellowmen and they are individuals to us, instead of just people. "God so loved the world (all people), that whosoever. . ." That means the individual. We are individually responsible, and God cares for each one of us. Let us have fulness of life "under God."

Everyone would like to be great, yet our aspirations are not always on a right basis. Man is greatest when he is as God made him to be. He degenerates when he assumes independance from God. And the farther he goes from God, the more dwarfed he becomes.

An artist searched for two characters, to portray the contrasts of life. He found a little babe which seemed to be the ideal of the sublime. Years later he found a man who seemed to fulfill the contrast. Then it was discovered that the two were the same person—a sublime child, innocent and happy; but now a sin-wrecked man. Such have strayed from the Creator's fold.

There is a purpose for each life, and there is salvation for every soul. Whosoever will may come. It does matter tremendously what you and I do with life—and each day and year of it. Is my life my own? Is it no one's business what I do? Is it none of my business what others do? It would surely be as important to save that happy child from sin and a wrecked life as to save a child from the railroad track or the onrushing auto—for which we pin medals on people. Sunday school teachers are doing this wonderful work, unheralded. Won't you tell them how you appreciate what they are doing, and cooperate? Won't you bring your children to Church and Sunday school, and learn that the Lord is your Shepherd, too?

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

WELL, the great day has arrived at last. What was a dream six months ago has now become a reality! We are taking off on the first leg of a 21,000 mile trip by air to cover the European farm front. As we board our T.W.A. Constellation we are deeply conscious that our journey is not a sight-seeing jaunt but a serious mission—a mission that can mean much to folks in town and on the farm if we live up to the purpose of the trip and gather the information we are after.

The excitement is over, goodbyes are said and they have closed the cabin door. Our first stop is Gander, Newfoundland. There goes the number one motor—now number two, there's three and now number four, all working perfectly. I think I have a lump in my throat as we taxi down the runway. Now we're in the air and off on the first leg of our journey.

I can't help but think how beautiful this land of ours is as we pick up speed and climb above the clouds. Now we've reached 19,000 feet and are cruising at close to 300 miles an hour with a tailwind which is in our favor. Seasoned travelers are settling back in their seats, some already sleeping, as the powerful motors drive on in perfect rhythm. Just had a long agricultural chat with my three buddies and I think I see some food coming.

Next you will hear from me from Frankfurt, Germany, our first European stop. Keep me in mind, friends in town and on the farm. I'll need your kind thoughts.

DR. J. H. WILKINSON
OPTOMETRIST
104 East Seventh Street

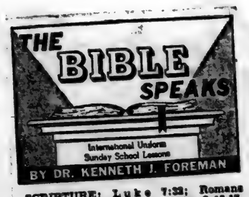
Phone 68 Auburn, Ind.



SCRIPTURE: Luke 7:23; Romans 12:1, 2; I Corinthians 8; I John 2:15-17, DEVOTIONAL READING: Psalm 1.

Think of Brother

Lesson for July 29, 1951

THE Christians in the city of Corinth were bothered about a number of things. One of them never bothers anybody any more, and yet, strange as it seems, it throws a light on some of the hottest problems a Christian meets.

Dr. Foreman

The Corinthian problem was beefsteak. We have a problem with that too,—that is, how are we going to pay for it? That wasn't the Corinthian problem.

This was away back in Roman times. Every city had its temple where sacrifices were made to the gods. Sacrifices were of all kinds, from flowers to cattle. It was considered rather wasteful, after killing a big bull, to throw the carcass away; so after the ceremonies at the temple, the rose-garlands would be taken off the beast's neck, and the animal would be hauled away to some butcher's shop, where it would be cut up into roasts, steaks and what not, and sold over the counter just like any other meat.

Now some of the Christians began to worry over their meat supply. Suppose I buy a steak in the market (one would ask) and suppose that steak came from a bull or a cow that has been killed as a sacrifice to one of these heathen gods? Won't that make me guilty of idolatry?

• • •

Your Conscience May be Clear, but—

SO they wrote to the best man they knew, their old evangelist and pastor, the man who had converted them to Christ and organized their church, the Apostle Paul. They asked him about this and other things; and what we call "I Corinthians" is his answer.

You might think this beefsteak problem trivial, but Paul never handled a trivial problem in a trivial way. He approached the problem in this way: Meat is only meat, he said; it certainly wasn't the bull's fault that he was part of a heathen ceremony. As for the butcher, he paid good money for the animal, in a perfectly respectable business transaction. Then where was the sin in eating such meat?

But wait a minute. Suppose you are dining out, and you happen to know where the meat came from, and everybody at the table knows, and somebody at the table isn't very clear-headed, and when he sees you eating the meat, thinks you must be approving of heathen sacrifices; then what?

Or perhaps, some one else is less enlightened than you; eating such meat seems quite wrong to him, but when he sees you eating it, he may (just to be polite) follow suit, and yet his conscience, not being an educated conscience like yours, will hurt him all the same. So what you do quite freely and rightly, causes another man to go against his conscience.

• • •

Think of Your Brother!

NOW, then, Paul says: "If what I eat makes my brother fall, I will never eat meat again, rather than make my brother fall." (American translation.) There you have the Christian principle.

The important question is not, "Is it any harm?" but, "What effect is this going to have on other people?"

We have seen that the basic Christian principle in all human relationships is the importance of personality. If an act, even a harmless and blameless act, hurts persons—makes them sin, makes them go against their own conscience, then the Christian's rule is at once: Don't.

The rightness or wrongness of a thing is not all in the thing itself: it comes from its effects on persons. Now apply this to some of our own problems of social living. Is drinking alcoholic liquor a sin? Is the use of tobacco sinful? Is dancing wrong? (—to name a few.)

Let us suppose, for the sake of the argument, that you are not harmed by such things yourself. It is a fact, however, that some people are harmed by them. Now suppose your act, which is quite harmless to you and done with a clear conscience, influences another and perhaps weaker person to indulge in something harmful to him? Then a Christian will say, as Paul said: If this thing makes my brother fall, I will never do it again. Which, after all, is more important to me, my own freedom or my brother's character?

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

WHAT PRICE PEACE IN KOREA—Lack of a positive policy on the part of our government and the United Nations seems to be delaying the much desired peace in Korea. It is a further indication of the vacillation and appeasement which have marked our government's policy in the Far East ever since Yalta.

Part of the blame rests at the door of the State Department which seems determined to treat the Chinese Communists as other than the idealogical followers of the Kremlin. How long is it going to take for the State Department to recognize that Mao's forces in China are part of the Communist plan for world domination and not merely agrarian reformers? Will it take as long as it did for the State Department to reverse its policy from anti-Spain to pro-Spain---a policy switch which recently took place?

DEALING WITH COMMUNISTS—This nation has suffered 150,000 casualties in Korea already. Our military and foreign policy leaders seem to be stymied in their efforts to negotiate a cessation of hostilities and have offered no definite peace terms that the public can understand. Meanwhile, reports increase that the enemy is massing new strength for an attack if the present conference fails. The people are far ahead of our leaders in drafting plans for halting the Korean war.

SETS FIVE POINT PROGRAM—A Fort Wayne businessman has submitted to me his plan for an honorable peace without further communist appeasement. Another letter I received expresses the public's fear and lack of confidence in our leadership.

The five-point proposal for ending the needless loss of life and cost to us of the Korean war follows:

1. Do not permit our delegates at the Korean conference to agree to stop at the 38th parallel, but where we are now.

2. Do not agree to give Formosa to the Reds.

3. Do not give the Chinese Reds a seat in the U. N.

4. If there cannot be a peace settlement favorable to us, ask Russia and her satellites to withdraw from the U.N. If they won't do this, there should be a new organization started.

5. The Reds should pay us war reparations for the damage and expense we incurred in Korea, inasmuch as they were the aggressors.

In his letter, another constituent declared: "Since this armistice talk with Red China (which looks very phoney to me) is going on, I hope Congress will be extremely careful not to let those bunglers lead us into another Yalta agreement. . . ."

DISCRIMINATE AGAINST RESERVISTS—For the "indiscriminate" recall of reservists after the Korean war began, a House Armed Services subcommittee has issued a statement severely criticizing the Defense Department. The subcommittee's statement calls for the "early release" of every reservist who has been ordered to active duty involuntarily, but added they should be "phased" out to avoid destroying the effectiveness of their units.

NOTICE TO THE TAXPAYERS OF CONCORD TOWNSHIP, DEKALB COUNTY, INDIANA

Notice is hereby given to the taxpayers of Concord Township, DeKalb County, Indiana, that a petition, signed by more than fifty owners of taxable real estate in Concord Township, has been filed with the Advisory Board of said Township, praying for the issuance of obligations of said Township in the sum of Five Thousand Dollars ($5,000.00) to provide the sum of Four Thousand Three Hundred Dollars ($4,300.00) for the purchase of two new school buses and to provide the sum of Seven Hundred Dollars ($700.00) for the repair and rehabilitation of the heating plant in the school house and that upon the filing of said petition, the said Advisory Board of Concord Township, DeKalb County, Indiana, determined to issue the obligations of Concord Township, DeKalb County, Indiana, as prayed for in said petition and to make a levy in 1951, payable in 1952, to provide funds for the payment of said obligations.

Notice is further given that within thirty (30) days after the publishing of this notice a remonstrance may be filed by the owners of taxable real estate in Concord Township, DeKalb County, Indiana, with the Advisory Board of said Township and if the number of remonstrators is in excess of the number of signers of said petition, then no such obligations will be issued but if no remonstrance be filed or if the number of remonstrators is less than the number of petitioners then this Advisory Board will proceed to issue said obligations of Concord Township, DeKalb County, Indiana.

Witness our hands and seals this the 24th day of July, 1951.

Don J. Keller, Trustee of Concord Township, DeKalb County, Ind.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

FLIES SPREAD DISEASE

THE fecundity of flies is fabulous. One pair of flies, starting from scratch, will have 5,373,741,043 descendants within three months.

Killing one fly in the early spring does not seem like a great accomplishment, but it prevents the addition of millions of flies later on. The female fly lays innumerable eggs which hatch out in a few hours, and mature into adulthood in a matter of a few hours. As soon as the female fly becomes an adult, she starts laying eggs.

There is no redeeming feature about a fly. Not only are they a nuisance, but they are a positive menace to health. Flies are born in decaying matter or manure and most of their entire life is spent in that environment.

Flies dote on dirt, frolic in filth, and gloat on garbage. They wallow around in germ-laden filth, then fly right to your dinner table and wipe their feet on the bread you are going to eat. Or, they drag their disease-spreading germs around the cream pitcher. If they can get on baby's fingers or lips, they are happy.

It is impossible to kill all the flies. It is possible to minimize the number of flies in the house by the use of sprays and screens on windows and doors. Food should be kept covered and garbage cans should be tightly covered, too.

Don't give the fly a break.

SPORTSCOPE By Joe MAHONEY

CONCORD TWP. HOME EC

The ladies of the Concord Twp. Home Economics Club entertained the ladies of the Butler Twp. Club at the Saint Joe gym Friday, July 20.

The gym was decorated with baskets of cut flowers, and on each table where the guests were seated with members of the hostess club was placed a small vase of flowers and appointment for four.

A long table held the many dishes of "pot-luck" prepared by the local club members for their guests. Hot sandwiches and coffee were served by the committee, Mrs. Gertrude Borthwick and Mrs. Cora Fetters, assisted by Mrs. Irene Duker and Mrs. Violette Kline.

The meeting was called to order at 1:30 by the vice-president, Mrs. Laura Washler, whogave a few words of welcome to the guests. The chorister, Mrs. Harriett Johnson, led in singing "Auld Lang Syne" and "Bohunkus" after which devotions were given by Mrs. Lulu Armstrong. The history of the the song of the month, "The Star Spangled Banner," was read by Mrs. Johnson after which the song was sung by all. Roll call and routine business was dispensed with and Mrs. Washler introduced Mrs. Lois Fisher of Spencerville who gave a review of the book "Harem Scarum" by Rose Marie Taylor. The book is written in the first person and Mrs. Fisher choose to give it in that way which made for a different and delightful presentation of a book review, and one which was thoroughly enjoyed by all. Mrs. Fisher has the thanks of both clubs for a very fine and interesting book review. Mrs. Kline presented Mrs. Fisher with a small gift from the local club as a token of appreciation.

Mrs. Cora Curie read a story with the group divided into three sections participating with pantomime and sound effects. Mrs. Curie also passed some clippings of pointed and spicy paragrapns which were read.

Butler Twp. president expressed the thanks of her club for an enjoyable day. After singing the club song, the meeting was adjourned.

NOTICE OF FINAL SETTLEMENT OF ESTATE

5610

Notice is hereby given to the creditors, heirs and legatees of William Laux, Deceased, to appear in the DeKalb Circuit Court, held at Auburn, Indiana, on the 4th day of September, 1951, and show cause if any, why the FINAL SETTLEMENT ACCOUNTS with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Hm-m-m, Nice Game That Golf

One of the featured sports attractions in the Fort Wayne area will be the appearance of the Bauer sitsers, the youngest and prettiest professionals in the golf world, at the Orchard Ridge Country Club, located southeast of Ft. Wayne on the lower Huntington Road, Sunday, July 29.

The Bauer sisters, Alice and Marlene, will play an exhibition match against two male opponents in an 18-hole best-ball match at 1 p.m.

Preceding the exhibition match, the girls will put on a golf clinic demonstrating the various clubs which will enable the fans to get a preview of their unique style of golfing.

Under the tutelage of their golf professional father, Dave Bauer, the girls started to swing specially constructed clubs before they had reached the age of four.

Alice, the big sister of the duet, started playing golf seriously after her 11th birthday. She took advantage of Dad Bauer's driving range, where she would hit bucket after bucket of balls, constantly striving to perfection with every club in the bag.

Alice has a tremendous backswing that compensates for her lack of size. Despite her diminutive frame, she consistently drives between 210 and 225 yards. She is a very proficient putter, and is extremely accurate on approach shots.

Seveteen-year-old Marlene was picked by the Associated Press as the Woman Athlete of 1949. She has the distinction of being the youngest professional golfer in the annals of women's golf history.

In 1945, when she was 11, Marlene embarrassed the officials of a local junior tournament by winning a trophy on which stood the sturdy figure of a male golfer. At 13, she won the Los Angeles Woman's Golf Championship on a course where "children under 14 years of age are not allowed."

Marlene was the youngest contestant ever to reach the semi-finals of the National Women's Amateur Championship. This she accomplished at the age of 15.

This is the first appearance of the Bauer girls in Ft. Wayne.

Cherry Tea Squares

Ruby red cherries are happily employed as the colorful accent to luscious quick coffee cake squares. They're served at breakfast with bacon and eggs.

Those who take time for a good breakfast often say that they enjoy it more than any meal of the day. It's sound planning from a nutritional point of view, too. Like any engine the body needs refueling before work is demanded of it. Food experts say breakfast should supply from a fourth to a third of daily food needs.

Enriched breads are always included as a "starter" for the day because they provide food energy, protein for body-building, food iron and essential B-vitamins. With the great variety of plain breads, rolls and coffee cakes offered at bakeries today, breakfast can be interesting, colorful and well-balanced the year around.

For example, quick coffee cakes can be changed to suit the season. Fluffy coffee cake squares are delicious flavored with fresh peach slices or raspberries for summer glamor. Often, you'll use spoonfuls of your favorite jam for an easy, colorful topping. In the fall you'll like to use drained canned cherries or pineapple chunks. The result in any case is a breakfast treat, and a happy "prescription" for vitamins and minerals.

Complete the breakfast menu with glasses of chilled fruit juice and the sunny-side eggs your man likes, and he'll give you a reputation as a wonderful cook.

CHERRY OR RASPBERRY TEA SQUARES

2 cups sifted enriched flour
4 teaspoons baking powder
1 teaspoon salt
¼ cup sugar
1 egg, beaten
¾ cup milk
2 tablespoons melted shortening
1 cup drained cherries or raspberries or 1 cup fruit jam
Confectioners' Sugar Icing

Sift together flour, baking powder, salt and sugar. To beaten egg add milk and melted shortening. Mix well. Add egg mixture to flour mixture, mixing only enough to moisten flour. Spread in greased 7 x 11 inch pan. With knife handle or teaspoon make hollows in dough 1½ inches apart. Fill hollows with cherries, raspberries, or fruit jam. Bake in moderate oven (375°F.) 25 minutes. When cool, drizzle with Confectioners' Sugar Icing.

Makes 1 tea cake, 7 x 11 inches.

½ Million 4-H'ers Helping Reduce Farm Accidents

A recent survey of 2,000 farm accidents shows that 248 involve machinery. In other types, more farm people are injured by falls—476—than in any other kind of accident.

FARM FOLKS, as a general rule, give little thought to safety until a member of their family or a neighbor's is hurt or killed, or fire destroys their home or barn. Then they start doing something about safety.

This year it is particularly important that every farm family should do something about practicing safety, because even though there is a shortage of labor on farms, and new equipment is hard to get, food production must be boosted. That means the present manpower and machinery on farms must be guarded against accidents.

An average of 47 farm people are accidentally killed every day.

Helping to reduce rural casualties are a half million boys and girls taking part in the National 4-H Farm and Home Safety Program. More than $10,000 in awards for the best records of accident prevention and education are being provided by General Motors for the seventh consecutive year.

The program is directed by the Cooperative Extension Service.

CURIE REUNION

The twenty-first annual reunion of the Christian-Catherine Curie was held at the home of Mr. and Mrs. William Peck at Anderson, Indiana, on July 15.

A delicious pot-luck dinner was enjoyed at the noon hour. The afternoon was spent in watching television and visiting. Mrs. Doris Ruder entertained the group by singing several solos.

The officers for next year are: Stanley Koch-president and Carolyn Peck secretary - treasurer. Next year the reunion will be held at the home of the president, Stanley Koch.

Those present were Mr. and Mrs. Frank Beams, Mrs. Frank Curie, Mrs. Charles Koch, Mr. and Mrs. Stanley Koch, Mr. and Mrs. Percy Jump, Mr. and Mrs. George Frederick, and Charles, Margaret, Mary Jane and Billy, Mr. and Mrs. Garold Cook, and Nancy. Marjorie, Kay and Jane, Mr. and Mrs. William Moore, and Dale and Carol, Mrs. F. A. Ruder and Nereid, Mrs. Leonard Jarrett, Harold, Joan and Carlton Curie, Mr. and Mrs. William Peck and Jean, Carolyn and Don.

TRI TOWNSHIP FARM BUREAU

The program for the August 7 meeting of the Tri-Twp. Farm Bureau will be as follows:

Group singing
Devotions—Mr. Shenault
Business
Songs—Joyce Fisher
Talk, "Farmers Are Business Men, Too"—Mrs. Guy Platter
Piano solos—Kathleen Anthony
Reading, "The Cost of High Living"—Mrs. Fred Hart
Games, contests, refreshments
Chairman—Lester Anthony
S & E—Mildred Jarrett

The meeting will be held at Alton Park and will start at 8 p.m.

Homes for Sale

In Butler, Indiana

West Main, seven rooms and full bath, new kitchen with disposal in twelve feet of built-in cabinets, new hot water heating system, two rooms cemented dry basement, new large double garage, excellent location. Possession in 30 days.

Letters to the Editor

An Epitaph to a Little Dog.

Ever since we can remember living in St. Joe all the dogs have run loose and no enforcement has been made to keep them home. Altho' our children always wanted a dog we said "No" because we had always been bothered by dogs running thro' our garden and flowers and tearing across our lawn and we didn't want to bother other people the same way.

But when we were asked to keep a puppy by one of the family, we accepted him and loved him for he was a smart little dog and everybody's friend. He was never known to harm any one. We didn't tie him up because no one else did theirs.

Then the other day he didn't come home. We saved his food and kept watching for him all day. In the evening one very good friend came and one called by phone to tell us he'd never come back because he had been shot to death in town that morning when he was perfectly innocent. He was only obeying a God-given instinct over which a dog has no control, and by one who teaches God's law and who has a dog that runs loose. We still just can't understand.

The Reidenbachs

ICE CREAM SOCIAL ON AUGUST 3rd

A big old fashioned ice cream social will be held at the Mt. Pleasant Church, 5 miles north of St. Joe, on Friday night, August 3, 1951.

An assortment of flavors will be offered for lovers of good home made ice cream, including vanilla, pineapple and black walnut. Also on the menu will be hamburgers, chicken and hot dog sandwiches, potato salad. baked beans, pie cake, etc.

4th DISTRICT AUXILIARY MEETING HELD AT LEO

The American Legion Auxiliary Fourth District meeting was held at the Post Home of Leo Unit 409 Thursday, July 12. Leo and Harlan units were co-hostesses.

There were 109 delegates from the various units in the district. Mrs. Blanche Roscoe, district president, presided at the morning and afternoon business sessions at which time regular unit and district reports were given. Leo publicity scrapbook, submitted by Mrs. Barbara Tharp, publicity chairman, won 1st prize in the district contest in group 3. Leo history, submitted by Mrs. Della Kryder, historian, won 2nd prize in the district contest. Mrs. Pauline Graham, past department president, and Mrs. Kay Moser, department junior activities chairman, were present.

The next district meeting will be held at Churubusco in September.

SPENCER TWP. HOME EC

The July meeting of the Spencer Township Home Ec Club was a family night picnic at Alton Park with the county chorus as guests. A bounteous pot-luck supper was enjoyed by everyone.

Several selections by the chorus, songs by Denny Allen, Bob Wilder and Nancy Brown, a piano solo by Mary Wilder, a reading, "Maggie and Jiggs at the Golden Gate," by Mrs. Quinn and several contests led by Margaret Cook and Mildred Keller provided a very gay evening.

The president, Mrs. Harner, and director, Mrs. Yarian, encouraged members of Spencer Township to join the chorus. Several announcements regarding the club camp, the National Farm and Home Week, etc., were made by the president, Dorothy Kimes.

The next meeting will be held August 8 at the home of Mrs. Winifred Hart. All members are urged to be present and all guests are welcome.

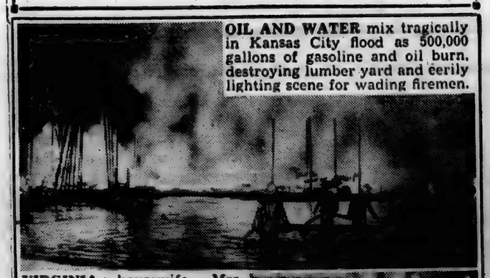
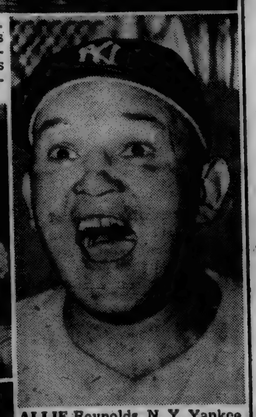
People, Spots In The News



OIL AND WATER mix tragically in Kansas City flood as 500,000 gallons of gasoline and oil burn, destroying lumber yard and eerily lighting scene for wading firemen.



VIRGINIA housewife, Mrs. Mary Stalcup Markward, is highly lauded by Congress committee for seven-year role as FBI undercover agent, reporting Communist schemes.

ALLIE Reynolds, N. Y. Yankee pitcher, lets out war-whoop celebrating his no-hit 1-0 classic win over Cleveland's Bob Feller, himself author of three no-hitters!

MORE THAN 8,000 approving letters were received from set owners who watched RCA's "compatible" all-electronic color television tests on their own sets in black-and-white. O. B. Hanson, NBC chief engineer, is shown studying the replies. The same broadcasts were seen in color in the RCA Exhibition Hall in Radio City.

$15,000 Lodge Building Under Construction

Construction of the new $15,000 building of the Concord Lodge No. 556, Free and Accepted Masons, in Spencerville is progressing satisfactorily and the structure should be completed by late fall or early winter, Al Ringenberg, chairman of the building committee, announced this week.

Begun in May of this year, the 34x66 ft. building will be of one-story construction of cement block on a basement foundation. The lower level will house the recreation room and recreation facilities while the main floor will be used for lodge meetings and social functions.

Over a year ago the members of the lodge, numbering over seventy, decided to build suitable quarters for their organization. They chose a building committee and put Mr. Ringenberg in charge. The other members of the building committee are Maurice Hollabaugh, Forrest Brattain, Glen Brendel, Claude Laub, W. B. Erick, Clifford Billow, Auber Butler and Charles Butler.

The site for the building is located at the north edge of Spencerville on state road 1. Laying of the foundation was supervised by Auber Butler and the cement block construction will be handled by Charles Butler.

Members of the lodge have been assisting in the work and this has helped to relieve a good part of the financial burden of erecting the building. Funds were raised through donations by members of the lodge.

CULTURE CLUB

The mid-summer meeting of the Ladies Culture Club was held July 25 at the home of Mrs. Leslie Meek with Pluma Hamilton acting as co-hostess.

The meeting was opened by the club members reading the club collect. There were fifteen members present.

The program for the following year was read by the president. Changes and adjustments were made by the club members to make it a better program for the following year.

Entertainment for the evening was given by the committee, Mrs. Paul Drerup and Mrs. Lester Anthony.

Ice cream, cookies and coffee were served by the hostess and co-hostess.

Regular club meetings will start in October.

County Fair Coming

With the scheduled opening of the 1951 edition of the DeKalb County Free Fall Fair only a month away, officers and directors of the fair association are hard at work completing initial preparations.

The fair opens Tuesday, August 28, and will continue thru Saturday, September 1.

At the last meeting of the fair board, held Friday, July 27, in the assembly room of the court house at Auburn, preliminary reports were presented by the superintendents of the divisions.

No gambling will be allowed at the fair the board announced in view of the enforcement of the Indiana anti-gambling law.

W. E. Walter of near St Joe, concessionaire, reported that top-caliber free acts have been secured for presentation to fair goers.

A short report also was given by John McIntyre who is parade chairman. Three parades are scheduled for the 1951 fair.

It was announced at Friday's meeting by Frank Weller & Melvin Smith, both of Butler Township and co-superintendents of the open class cattle department, that health requirements for cattle shown at the fair have been changed.

Following are the rules which all cattlemen who plan to show at the fair are urged to study carefully: Individual animals from Bangs accredited herds are eligible to be shown; also animals from herds which have passed two clean test for Bangs disease which were made at least three months and not more than one year apart and with the last test within 30 days of the fair.

All animals 12 months of age or older must have been tested. Vaccinated animals under 18 months may be shown if a negative test preceding vaccination is on record.

The superintendents state that all health charts must be certified by a state licensed veterinarian. Health certificates must be presented before unloading the animals.

The superintendents also notified cattlemen that the regular TB certificates must be presented along with the health certificates.

Eight Injured At Intersection

Eight persons were hospitalized with painful injuries Sunday morning in a two-car collision that occurred two miles (north) and a mile east of St. Joe at the intersection of state roads 8, 1 and 101.

The drivers were identified as Paul D. Funk, 50, of Rt. 1, Waterloo, and Mose E. Miller, 37, of Rt. 1, Cecil, O.

Mr. Funk sustained chest injuries, severe shock and cuts on his face. His wife suffered facial cuts, bruises and severe shock while the daughter sustained a broken jaw, loss of teeth, cuts on her legs, arms and face and shock.

The other five injured included: Mr. Miller, cuts and bruises, his wife, Lucille, 36, a slight brain concussion, cuts and shock; the couple's daughter, Sue Ann, 5, broken left arm and cuts on her face and hands; Robert Smith, 16, cuts and bruises; and Carol Gee, 16, cuts and bruises on her back, face, head and both arms and legs.

Mr. Funk was booked on charges of failure to yield the right-of-way. He is scheduled to appear in the Waterloo justice of the peace court at a later date for arraignment before Justice of the Peace Russell Robinson.

Mr. Funk, driving a 1947 Pontiac south on state road 1, failed to stop at the stop sign and drove into the path of the 1949 Chevrolet driven by Mr. Miller. The Miller car was traveling west on state road 8.

Miller's car plowed nearly broadside into Funk's automobile. The impact knocked the Funk car off the highway into a roadside ditch. The vehicle did not upset. The Miller car rolled over after skidding off the highway. Mrs. Miller was thrown from the automobile to the pavement.

Both cars were demolished in the collision which occurred at 11:10 a.m. Sunday.

Spencerville News

Harry Laux and family and Ronald Emenhiser are enjoying a trip to Niagara Falls and into Canada.

Miss Marguerite Smith and Phyllis Snyder of Harlan left Sunday for a sight-seeing trip through Washington and Miami, Florida. They expect to be gone two weeks.

Mr. and Mrs. Duane Neuport and son, Jimmy, spent Sunday afternoon with the Ora Smith family.

Mr. and Mrs. Rollie Genth of Ft. Wayne spent Sunday with Mrs. Genth's parents, observing Mrs. Rhoads natal day.

Mr. and Mrs. Ed Billman of Harlan and Claudia Hafner and Florence Silberg spent the week-end at the Hafner cottage at Hamilton Lake.

Mrs. George Werner and children of Pontiac, Mich., are spending a few days with Mr. and Mrs. Lee Hollopeter.

Mary Stemen, Lola Moore, Marguerite Hoffman and Lilia Springer spent the week-end at Hamilton Lake at the William Miser cottage.

Mr. and Mrs. Walter Kimes and sons of Leo were Sunday afternoon guests of Mr. and Mrs. Harvey Kimes.

Starts Serving Sentence Aug. 1

Dale C. Wicoff, sentenced to a year and a day in federal prison last week, began serving the sentence on Wednesday, August 1.

The sentences, one of a year and a day, the other two of one year each, are to be served concurrently. They were imposed last Thursday morning at Fort Wayne by Judge Casper Platt.

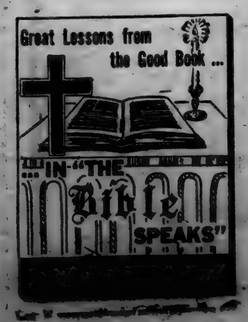
Under the concurrent sentences, with the maximum of a year and a day, Wicoff will be eligible for parole after four months and a day.

Defense attorneys Winslow Van Horne of Auburn and Otto Grant Jr. of Fort Wayne urged a light sentence for the school teacher. The attorneys also recommended that he be sent to the prison at Milan, Mich. They told the court that Wicoff had already paid the price for his "carelessness." They pointed out, also, that he had repaid the overdrafts and had lost his occupation of school teacher because of his complicity in the fraud.

Judge Platt recommended that Wicoff's term be served on the federal prison at Milan, near Ann Arbor.

Wicoff, when asked if he had any comment before sentence was imposed, told the judge that he would appreciate the opportunity to start repaying those who lent him money to make restitution of approximately $5,900 in overdrafts at the Farmers & Merchants State Bank and other funds lent him during the course of his two trials.

George L. McCullough of Fort Wayne, who was convicted in federal court at Fort Wayne of buying property from the War Assets Administration for a Spencerville firm and selling it for a huge profit in violation of a contract prohibiting sale without consent of the WAA, was placed on probation.



HOMECOMING AT NEWVILLE SUNDAY, AUGUST 5

The homecoming of the Newville Church of Christ will be held on Sunday, August 5.

Speaker of the day will be Mr. Russell L. Martin of Miami, Oklahoma. Song leader will be Darris Hamilton of Coburn Corners Church of Christ.

An invitation is extended to the public to bring a basket dinner and enjoy the day with the members of the church.

ICE CREAM SOCIAL ON AUGUST 3rd

A big old fashioned ice cream social will be held at the Mt. Pleasant Church, 5 miles north of St. Joe, on Friday night, August 3, 1951.

An assortment of flavors will be offered for lovers of good home made ice cream, including vanilla, pineapple and black walnut. Also on the menu will be hamburgers, chicken and hot dog sandwiches, potato salad, baked beans, pie cake, etc.

THE AMERICAN WAY

Let's Put All The Cards On The Table

Poultry Tour Aug. 3

The county extension office in Auburn has announced a county 4-H poultry tour for all 4-H poultry club members, their parents and 4-H leaders on Friday, August 3.

The tour is sponsored by the DeKalb County Poultry Improvement Association and the extension service.

At 1:30 p.m. the group will meet at Jay Sutherland's home in Fairfield Township where they will see nearly 300 geese. Mr. and Mrs. Sutherland have these geese for the purpose of weeding their berry patches which include approximately six acres.

From there the tour will go to Elza Jordan's home in Richland Township to see a 2,500 bird-capacity remodeled barn. Mr. and Mrs. Jordan raise their chickens in complete confinement.

Next the group will visit Ray Reasoner's chicken farm at the east edge of St. Joe. Mr. and Mrs. Reasoner have 500 pullets in range shelters. They have an egg cellar where they sort and cool their eggs for marketing. This was judged by Joe Slicer, Purdue University poultry specialist, as one of the most efficient home cooling and storing systems in the state. There are 90 percent of these eggs which go to market as highest quality.

At the Reasoner home the group will be served refreshments consisting of homemade cupcakes, iced punch and ice cream. Games and contests will complete the day.

All those attending the tour who have transportation will meet at the Sutherland farm which is on the second road north of Cedar Lake Church on the Auburn-Ashley road and west to the end of the road. Those not having transportation will meet at the county extension office at 1 p.m.

No Free Lunch

Lesson for August 5, 1951

YOU cannot find the words "economic relations" in the Bible, but you cannot find the word "humanity" in the Bible either. Yet you would not say that the Bible has no message for humanity, and if you say that it has nothing to say about the economic life, it shows you have not thought what the words mean.

Dr. Foreman

"Economic relations" is an expression for everything that goes into life from a business or money standpoint, everything we buy and use, make or raise or manufacture or sell. Money's not everything, but money's into everything.

The Bible speaks about life, including the economic aspect of life. Nobody can live for a day without having some kind of economic relations, or sin (as a hobo does) by not having them.

• • •

No Free Lunch

ONE vital part of our economic life is earning a living. A learned professor of economics said that the whole subject can be put into one short sentence: "There is no free lunch." He meant, of course, that everything has to be paid for, by somebody, some time.

You may get your board "free," but everything on the table costs somebody something, and if you are not paying for it, some one else must.

Now the Bible teaches that every one who is able to do so, should earn his living. Saint Paul made a rule for his churches: "He that will not work, neither let him eat."

That sounds hard-boiled, but makes sense. The Bible has no use for the hobo, the loafer, the "moocher," the "grifter," the person who thinks the world owes him a living. The world owes no one a living.

• • •

The Right to Work

IF it is the duty of all of us to earn our board and keep, on the other hand the world ought to give us the opportunity to do so. Along with the duty of earning a living goes the right to earn a living.

We saw, some weeks ago, that a basic Christian principle for right living is the value of individual persons. This holds good for economics as well as for all other areas of life.

What happens to the man who cannot earn a living? If he becomes an "object of charity," in a short while he loses ambition and self-respect. And if he gets no charity, he starves.

So any system or arrangement of society, or any action or condition permanent or temporary, making it impossible for a man to earn his own living, is harmful to human persons and therefore sinful. No one, in short, has a right to a living, but every one has the right to earn a living.

• • •

The Risks of Riches

SO far, you might say that Christianity only says what everybody with common sense can see for himself. But Christianity goes further and says something that most people forget: that getting rich is more dangerous than desirable.

The Bible urges us all to earn our own way; but it does not urge us to get rich. Christ warns us that life does not consist in the "abundance of things" a man possesses. There is no virtue in being as poor as possible.

Still, on the other hand, the more a man's property piles up, the more he is tempted to certain sins: the sin of greed, wanting more than our share, more than we can wisely use; the sin of pride, wanting to have more than any one else in sight; the sin of selfishness, wanting to use what we have for our own benefit exclusively; the sin of hoarding, wanting to fill barns or bank accounts for no particular reason except just to see the pile grow; the sin of materialism, measuring success in terms of dollars.

The main question is: Why do we want it? To have something good, or to do good with it? The big Christian question about every relationship and transaction, economic and otherwise, is a question about people. What is this going to do to people? To me? To those who depend on me? To the community?

Pope Pius XII used two words about the economic life which Protestants will agree are of top importance: Make it more human, he said, and more Christian.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

FOREIGN AID PROPOSAL—It is time for the American people to take a serious look at our foreign aid policy. Since 1940, the taxpayers of this nation have spent $81, 905,000,000 in foreign aid to all parts of the world. A little less than $50 billions of this amount was spent during the war, and $32,682,000,000 in the post-war period.

Now Secretary of State Acheson is asking for a three-year $25 billion foreign aid program, $8.5 billion to be spent this year. Acheson says this is the price tag to counter Communist aggression and bring about an "era of genuine relaxation of tension." But there is no relaxation at present from the tension of higher and higher taxes demanded by the government to pay for this foreign aid. Russia, incidentally, benefitted to the extent of nearly $12 billions from the government's foreign aid policy.

SENIOR CITIZENS NEED AID—If our foreign policy is based on humanitarian needs, then let us start using it at home first. In recent weeks I have received many letters from persons on fixed incomes and pensions who are facing desperate circumstances. They are appealing for cost-of-living increases to meet inflationary pressures of government expenditures. Those in greatest distress, of course, are our senior citizens who live on small pensions or old age assistance. To deny them aid, when the State Department is asking greater funds for foreign spending, is unjust. The request also would be better, if our Atlantic Pact allies were demonstrating an equal responsibility in building up their defenses. Only last week, leaders in the socialistic government of Great Britain were urging that their rearmament spending be reduced. Great Britain has already received $35,857,000,000 from us in foreign aid.

Is Britain relying on us to build her defenses, or is the State Department's request for more money merely to continue to waste American dollars on globally schemes of its "world do-gooders?"

DOMESTIC DEFENSE NEEDS—Building up our defensive strength should be the first step in our foreign policy. Carrying a "big stick" discourages bullies. The $276 billion debt hangs over our national solvency. Continued squandering of our resources on non-defense projects abroad and shoring up shaky appeasement policies without adequate strength at home, could prove disastrous to our country. Action should be taken at once to cut government waste and spending on non-defense agencies and payrolls. It can be done without impairing government efficiency.

The people of our district are complaining about high taxes, the high cost of living and the continued demand for more foreign spending when many of our American families are having a hard time making both ends meet.

AMERICAN LEGION AUXILIARY

At the July meeting of the American Legion Auxiliary, Miss Carol Billow gave an excellent report of her week at Girls State.

She reported that 651 girls from various parts of Indiana attended Girls State this year and that all of the Anxiliary Units in the 4th District were represented by a girl.

Carol said she has a much better understanding of our government and more interest in being a good citizen than she would otherwise have had.

Carol has kept a scrapbook of her activities while there and will be glad to show it to anyone interested.

Girls State is held each year at Indiana University at Bloomington for the purpose of teaching girls, through actual participation, the fundamentals and functions of our Indiana government.

The Past President's Parley of the Auxiliary will meet at the home of Mrs. Ralph Sechler on Tuesday evening, August 7.

LOYAL WOMEN'S CLASS

The July meeting of the Loyal Womens Class of the Lutheran Sunday School at Spencerville was held Wednesday night, July 25, at the home of Mr. and Mrs. Frank Pervines of Auburn. There were fifteen members and two guests, Mrs. Coleman of Auburn and Mrs. Ruth Gratz Cooley of Garrett, present to enjoy the occasion.

Venus Foltz and Velma Shaffer had charge of the devotionals. There were a number of readings and contests given by the class members. Prizes were won by Fern Walter, Edna Goldsmith and Flossie Rhoads. Pot-luck supper was served and many thanks were extended to Mrs. Pervines for a pleasant evening spent in her home.

"Happy Birthday" was sung for Alda Pervines, Blanche Culbertson and Flossie Rhoads.

Mrs. Ruth Gratz Cooley of 122 S. Johnson St., Garrett, will be hostess for the next meeting August 22.

IMPROPER CANNING CAUSES DISCOLORATION

Discoloration in home canned fruits and vegetables may or may not be an indication of spoilage. Miss Opal D. Stech, extension nutrition specialist at Purdue University, cautions that all home canned vegetables always should be boiled before they are to be tasted. Following recommended canning methods now would prevent spoilage later.

Too short or too long processing time may cause fruits and vegetables to darken in the can. Fruits or vegetables at the top of the jar may become dark due to the presence of air. Too slow cooling after canning or chemical changes in canned peaches, pears and apples may cause them to become pinkish or bluish colored.

Iron or copper in cooking utensils or in the water may cause brown, black or grey colors in canned foods. Processing corn too long or at too high a temperature may turn it brown because the sugar has carmelized. If this happens after a reliable time table has been followed, Miss Stech recommends that the pressure gage of the cooker be checked for accuracy.

Signs of spoilage are leakage, swelling of jar tops or tins, a rush of air when the can is opened, and mold at the top of the jars. Mold on acid foods, such fruits, tomatoes and rhubard is generally not harmful, although it does affect the flavor of the food. However, mold may cut the acidity, permitting dangerous spoilage organisms to grow. For this reason, Miss Stech stresses the necessity of boiling all vegetables and any questionable fruits before tasting if any mold is present.

Letters to the Editor

"John Doe, For Public Intoxication; Fined $11 and Costs"

Every day we see such items in the "Court News" in our daily papers. People glance at it, read it, and—forget it.

But, when some one, who is well-known, has the same misfortune, to be taken up for "public intoxication," he is given a prominent place in the paper, with big headlines, and the case is turned into a hilarious joke.

Take Frank (Casey) Williams, for instance,- Casey is known to everybody in his community. Everyone knows his weakness, and his failing. Yet, certain of his so-called friends will loan him money to buy liquor, and even take him to Auburn or Fort Wayne, or other places, to buy it. Recently a certain St. Joe party gave Casey a bottle of wine, knowing full well what Casey's weakness is,- and knowing that one drink of it would light the fuse for more,- over which Casey Williams has no control. Another party, even seeing his condition, drove him to Auburn, and left him, to the tender mercies (?) of his temptations. What was the result? It was inevitable. He was picked up for "public intoxiaction" and sentenced to a term at the State Farm!

Whose fault was it? Was it the fault of Casey Williams, for being too weak to throw off the urge? Or of his so-called friends, who, instead of offering a helping hand, to help him resist this disease, did everything to shove him further into the mire? If his so-called friends wished to really help him, and would really do so, I am sure Frank Williams would also be willing to help himself. He doesn't WANT to be like that.

When Casey Williams comes home in a few weeks, why can't we give him a hand, and pull him over to solid ground, instead of pushing him in deeper?

This isn't a joke to Frank Williams-it is a vital tragedy, and nothing to cause amusement.

Pearl Williams

CARD OF THANKS

I wish in this way to thank all my neighbors and friends who so kindly remembereu me with cards, flowers, visits and many other ways during my illness and stay in the hospital. They helped so much.

Cal Laux

ICE CREAM SOCIAL

The Blue Ribbon 4-H Club of Jackson Twp. is having an ice cream social on Friday night, August 10 at the Jackson Center Hall.

Everyone is welcome.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

ACCIDENT FIRST AID

MORE automobiles on the road—more accidents. There is one important thing to remember when handling a person injured in an accident. Splint him where he lies.

This is basic practice in all fractures of the arms and legs. In fractures of the spine, this rule is even more imperative.

It is difficult for the average person to know that an injured individual has a broken back or a serious spine injury.

Accident victims are often unconscious. In a suspected case of spinal injury, it is best to place the victim flat on his back and leave him in that position until proper transportation to the hospital is arranged.

A stretcher or flat object such as a wooden door or plank may be used to carry a victim of spine injury. Four persons should assist in lifting the injured person onto the carrying object.

Twisting or bending the back of a person with spine injury is inviting death. A fractured back may involve the spinal cord, and abusing this vital organ will likely cause either paralysis or death.

Many such victims have died from well-intentioned but careless handling in transporting them. In cases of serious injury from accidents, it is always the best policy to summon a physician rather than attempt to move the injured, especially if one is not positive of the extent of the injury.

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:45-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

FRANKFURT, Germany.—As we landed in Frankfurt and stepped off of our big TWA Constellation I viewed the beautiful scenery of the Rhineland and thought to myself, 'it's easy to say "It's a beautiful day in Frankfurt!" But if you look behind the smiles and into the hearts and minds of the German people you might wonder how deep that beauty goes.

I am sure we looked rather peculiar as we stepped off the ship with all of our cameras and recording equipment with which we intend to make a permanent recording of our visit to Europe. Even though we couldn't understand all of the conversations by our friends in Germany we could tell by the light in their eyes that they seemed happy we had come.

We shall be journeying out into the country soon to visit with the International Farm Youth Exchange boys and girls and I am sure they will be glad to see someone from home.

Oh, yes, I almost forgot to mention we tried some real German cooking and the food was fine!

After we become acquainted here we are looking forward with much pleasure to our visit in Finland, for we admire greatly those people who have so much courage to carry on to keep square with the world by paying their debts even though they are under the very heel of the oppressor.

Until next time, then, would it be fitting for me to say "auf wiedersehn"?

Summer Timesavers

"Summertime and the livin' is easy" or at least we try to make it so—as far as food is concerned. Quickies that are cool and refreshing make meals more enjoyable—and make lazy summer days more pleasant.

Iced chocolate drinks are "tops" during this season; and for making these nourishing beverages in no time, use new instant sweet cocoa mix. The Chocolate Milk Shake pictured here is new and different, and if bananas are Junior's favorite fruit, he will really go for this combination. It consists of sweet cocoa mix, milk, and mashed bananas blended together for a mouth-watering drink!

Chocolate Banana Milk Shake

1 cup sweet cocoa mix
⅔ cup hot milk
¼ teaspoon vanilla
Dash of salt
⅔ cup strained banana pulp

Combine cocoa mix and hot milk in bowl. Stir until cocoa mix is dissolved and mixture is smooth. Add vanilla, salt, and banana. Mix until blended. Chill. Add 3 tablespoons sauce to tall glass of milk and stir until blended. Makes 1⅔ cups sauce. Will keep for at least 4 days if stored, covered, in the refrigerator.

Spicy Chocolate Milk

3 heaping teaspoons sweet cocoa mix
1 cup milk
Dash of ground cloves
Dash of cinnamon

Put cocoa mix in shaker or glass jar with tight-fitting lid. Add milk and spices, cover, and shake about ½ minute, or until well mixed. Pour into glass. Makes 1 serving.

Or add cocoa mix to a little of the milk in tall glass and blend well. Add remaining milk and spices and stir vigorously.

Area Fair Schedule

The following is the list of fairs near St. Joe which run before the DeKalb County fair at Auburn.

MICHIGAN
Ionia Free Fair (the largest county fair in America)—August 6 to 11.

OHIO
Troy—August 12 to 17.
Selina—August 12 to 17.
Napoleon—August 14 to 17.
Hicksville—August 21 to 24.

INDIANA
Decatur—July 23 to 28.
Muncie—August 1 to 5.
South Bend—August 1 to 4.
LaGrange—August 6 to 11.
Kendallville—August 13 to 18.
Warsaw—August 13 to 18.
Woodburn—August 14 to 16.
Hartford City—August 14 to 18.
Crownpoint—August 19 to 25.
Goshen—August 20 to 25.
Wabash—August 21 to 25.
Huntington—Dates unknown.
DeKalb County—August 27 to September 1.

The type of concessions working in these other Indiana fairs should set a pattern for the type of concessions which may reasonably be expected to work at the DeKalb County Fair, W. E. Walter, secretary of shows, rides and concessions, has announced.

MANN REUNION

The sixth annual reunion of the Mann family was held at the Alton Park on road 101 on Sunday, July 15, with a very good attendance.

A delicious potluck dinner was enjoyed by all at the noon hour.

All retired to the shade of the park to enjoy music by the Warstler family. Their part of the program was thoroughly enjoyed by all. Miss Marjorie Keppeler recited two poems. Larry Furnish played "Grand March," The Blue Skirt Waltz" and "The Lone Ranger March." Johnell Furnish then played "On Top of Old Smoky" and "It Is No Secret" on the accordion.

A short business meeting was held. Mabel Furnish, vice-president presided at the meeting. The secretary, Paul Keppeler, read his report and it was approved as read.

Officers for the coming year are Leslie Inlow, president, James Hart, vice-president, and Alice Inlow, secretary-treasurer. The nominating committee is composed of Anna Hursey, Gladys Hart and Betty Keller; program committee, Mabel Furnish, Doris Inlow and Phyllis Hart; food committee, Lora May Hart, Letha Hart and Delores Inlow.

The Warstler family sang "Beyond the Sunset" in memory of the four members of the family whose deaths occurred during the year. They were Curtis Hursey, Marguerite Mann, Willis Wadsworth and infant Boggess. There were no marriages during the year, but ten births were reported. Irene Inlow gave this family news.

Round Robin letters were passed around to be sent to Donald Inlow, son of Elmer and Emma Inlow, who is in service in Korea, and Harry Mann and family in Los Angeles, California.

Those present were Mr. and Mrs. Jay Hart; Mr. and Mrs. Leoral Hart and daughter, Karen Sue; Mr. and Mrs. Henry L. Hart; Mr. and Mrs. James Hart and sons, Billy, Gary and Dennis; Mr. and Mrs. Walter Hart and daughters, Beverly and Joyce; Mr. and Mrs. Marion Monosmith and children, Elton and Shirley; Mr. and Mrs. Paul Keppeler and children, Marjorie, Roderic, Jared and Norman; Mrs. Anna Hursey; Mr. and Mrs. Elmer Inlow, Irene and Roger; Mr. and Mrs. Harold Furnish and children, Larry, Johnell, Sheryl Lee, Marlys and Jan; Mr. and Mrs. Leslie Inlow and children, Cahrles, Mary Jane, Billy and Linda; Mr. and Mrs. A. D. Inlow and daughter, Judy; Mr. and Mrs. D. Paul Inlow and children, Gary and Susan; Mr. and Mrs. Cloyd Anderson and children, Bobby, Betty Lou and Sandra; Mr. and Mrs. Harold Inlow and sons, DeWayne and Michael; Mrs. John Arrants and son, David; and Mr. and Mrs. Harold Keller. Mr. Clair Warstler and Miss Peggy Geiser, a friend of Johnell Furnish, were guests.

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, August 9, 1951 — NUMBER 30

Around the Town

With the Editor

If you're wondering where I am when the shop is closed (which has been quite frequent the past few weeks), maybe this will help.

There are many things to be done, in a project such as the ball diamond, which can't be done when we feel like it. Something is accomplished when the opportunity and facilities are available or it isn't accomplished. Such instances have arisen in the time that we have been working on the diamond and there were few times when someone was available, actually or otherwise, to do what had to be done.

—So I done it.

I stopped in at Tom Berry's Music Co. Monday as I frequently do (I worked there a few years ago in Fort Wayne) and in the course of the conversation Tom said I could use this item in my paper this week, so I will:

Tom Berry is opening a branch store in Sarasota, Florida, and invites his Indiana friends to stop in when they visit that state.

I thought of the many local residents who spend the winter in Florida and might be near Sarasota. If you're one of 'em, stop in the store the next time you're there and tell 'em I sent you.

Tom may not be there, but Jack Rollins will—ask for either one.

Mike and Dave visited their Grandma and Grandpa Hauke a couple of weeks ago and Esther was reviewing the mischief they had indulged in during their stay. It must have been the day after they returned, when we were at the supper table, that she mentioned the events which included Dave hitting Mike in the eye with a toy, the tilt-back chair coming down on Dave's foot, Dave cutting a corner too short in the kitchen and running into a cupboard, Mike lifting big stones and carrying them around with a possibility of dropping one on his toes, and a few others.

There were a few seconds of silence when she finished before Mike observed—"We had fun!"

Local News

Mr. and Mrs. Ernest Moore of Greenfield were Thursday guests of Mr. and Mrs. Ralph Sechler.

Mrs. Daisy Woodcox and W. Gray Woodcox of Garrett visited friends in St. Joe Sunday.

Mr. and Mrs. Richard Wasson were Monday evening guests of Mr. and Mrs. Harvey Hull.

Mr. and Mrs. Harvey Hull, Mrs. Maxine Wasson and Mrs. Madonna Wade were Ft. Wayne shoppers Monday.

Mr. Paul Keller and Lodd Kara of Dayton spent Saturday and Sunday with Mr. and Mrs. Don Keller.

Mrs. Lazerne Keller and Chris Sailer spent Tuesday afternoon with Mr. and Mrs. Charley Koch of south of Garrett.

Mrs. Eva Shull returned Sunday from South Charleston, O., where she visited her granddaughter and family for a week, the Gordins.

Mr. and Mrs. Omar Davis of Muncie visited Mrs. Doris Stuck Sunday in Mrs. Eva Shull's home.

Mrs. Mae Blaising of Ft. Wayne and Mrs. W. E. Metcalf of Huntington were week-end guests of Mrs. Lillian Buckingham.

Mr. and Mrs. Olen Waltz had as Tuesday evening callers Mrs. Daisy Sherman of Hicksville and Mr. and Mrs. H. O. Waltz of Garrett.

Mr. and Mrs. Olen Waltz spent Sunday evening at Auburn, the guests of Mr. and Mrs. Kenneth Jennings and family.

Mr. and Mrs. Foster Gee had as supper guests Sunday evening Mr. and Mrs. Waldo Baker and three children of Flat Rock, Mich., and Mr. and Mrs. Walter Gee and two children of Jewell, O.

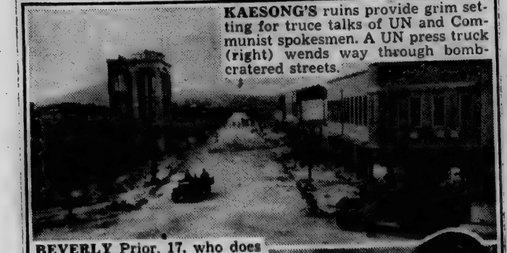
Mr. and Mrs. Orville Funk, Franklyn Wade, Mr. and Mrs. Bill Sible and Gary and Glenda spent a few days in northern Michigan fishing and sight seeing.

NOTICE

There will be no issue of the St. Joe News on Thursday, August 23.

The editor is going fishing.

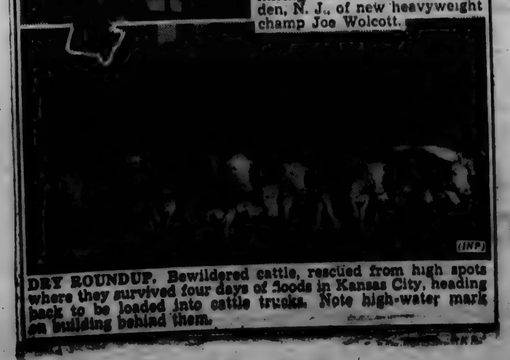
People, Spots In The News



KAESONG'S ruins provide grim setting for truce talks of UN and Communist spokesmen. A UN press truck (right) wends way through bomb-cratered streets.

BEVERLY Prior, 17, who does all the tractor driving on her father's Sanquoit, N. Y., farm, won trip to New York City under auspices of Dairymen's League and railroads when picked as Empire State 1951 Dairy Queen.

OOH, JOE, what a muskel! Says Robert McElroy, 6, admiring fellow-citizen in Camden, N. J., of new heavyweight champ Joe Wolcott.



DRY ROUNDUP. Bewildered cattle, rescued from high spots where they survived four days of floods in Kansas City, heading back to be loaded into cattle trucks. Note high-water mark on building behind them.

Town Gets Foggy Over 'Skeeters

St. Joe was fogged last Saturday morning in the first attempt to control the many mosquitoes which have invaded the community this summer.

Though the town suffers from the bug bites every year, they really came out in earnest during the past two weeks and made outside activity, even during the day, almost impossible.

During the free movies shown last week, it was announced that a fund was being raised to pay for fogging the town. Soliciting was done by Mrs. Edna Amstutz that evening and during the next few days to raise $150. That amount wasn't reached, but enough was raised to show that the community was interested in getting rid of the pests.

The Purcell Exterminating Co. of Fort Wayne was contacted after inquiries by Mr. and Mrs. Herb Amstutz and Mr. Lloyd Dunten and the company's truck came to town Thursday evening (of last week) to make the first application of insect-killer. Wind conditions were such that the most effective results couldn't be made and it was decided to try again Friday morning. Operations were again delayed Friday due to rainfall and Saturday morning was set for the third attempt. At 5 a.m. the Purcell truck assisted by several local men, made the rounds of the town laying a heavy fog with the fogging unit.

The next few days were noticably free of mosquitoes, but intermittant rainfall and humid weather brought them back this week.

Another application will be made, possibly this week. The cost of the operation is $75 monthly, with as many foggings made as are necessary to control the biters.

Contributions are being accepted to pay for the foggings and they can be made at the local hardware store.

JR. CONSERVATION CLUB

A big fishing contest will be held for all members of the Junior Conservation Club on Saturday, August 11, at the Sam Fletcher artificial lake.

All members are to meet at Yeiser's Standard Station Saturday at 12 o'clock noon.

Transportation will be furnished. Bring your pals and plenty of bait.

Prizes! Prizes! Prizes!

Lew Walter Pushed-

$3,500

and a lighted ball diamond

Ball Season-?- Starts In St. Joe

St. Joe's ball season, softball and Little League baseball, gets a long-awaited start this week as the lights at the local diamond were tested and adjusted Wednesday evening. After several delays due to materials and weather, the local teams can now participate in an abbreviated season.

The first game under the lights involves the high school and junior high teams on Thursday evening. On Friday evening Sechler's Little League entry will face an unnamed opponent at 7:15 p. m. The News softball team will meet Universal in a Vim Indiana-Ohio League tilt at 8:30 p.m.

Several make up games will be played in the next few weeks. In addition to the St. Joe teams, Universal Tool of Spencerville is using the diamond for their home games and several requests for other games have been received, including church league entries and girls' softball teams.

No schedule has been made as yet for these contests. But it will be announced in the next week or so.

Although the diamond can now be used, much work remains to be done. Jim Tatlock has been named to supervise the installation of a new backstop, there being only a temporary unit in use at present. The concession stand needs painting and remodeling, and other improvements are to be made to make the St. Joe diamond one of the best.

Horse Show At Auburn Sunday

The fifth annual Auburn Horse Show will be held at the DeKalb County Fairgrounds in Auburn on Sunday, August 12. There will be two shows. The afternoon show starts at 1 p.m. and the evening performance at 7:30 p.m. This show is sponsored jointly by the Bar None Saddle Club and the Auburn Lions Club.

There will be a showing of eleven classes in the evening. There will also be special features, including the Allen County deputy sheriff's posse under the command of Dr. Morrow together with tandem and pair driving of the Hackney ponies. The posse will present intricate drill and maneuvering feats while the ponies will be driven in harness and show buggies.

Mrs. Helen Keel of South Bend will furnish the organ music for the entire show. She has gained wide popularity in show circles for her fine organ work. She has played for all the outstanding shows in the Tri-State area this season. She also played a four-day engagement at Paris, Ill., and the state spring horse show at Winamac.

Fifteen hundred dollars in premiums, trophies and ribbons will be presented to participants. This definitely will make the fifth annual Auburn Horse Show a major show in the Indiana circuit. Entries have been received from as far away as New Buffalo, Mich., as well as from many horsemen from all over the Tri-State area.

SECHLER REUNION

This 61st annual Sechler reunion was held Sunday, August 5, at Alton Park on state road 101.

At noon a delicious basket dinner was enjoyed by everyone, followed by the business meeting conducted by Bill Sible, president. It was decided to hold the 1952 meeting at Alton Park.

The officers for the following year are Bill Sible, president; Robert Sechler, vice president; Louise Church, secretary and treasurer.

The meeting was closed with a song fest of group singing led by Jessie Adams. There was a total of fifty-seven members and one guest present.

Demonstration Day For Winners 4-H Club

Before an audience of 83 guests, parents and club members, the annual 4-H Demonstration Day of the Winners 4-H Club of Spencer Township, DeKalb County was held at the home of the leader, Robert Witt. Demonstrators were awarded ribbons this year as follows:

The Robot Greenhouse—Tom Hart, Grand Champion.

Home Pasteurization of Milk—Mary Wilder, Reserve Champion.

FIRST AWARD WINNERS

Feeding rabbits—Donna Lou Cook.

Weighing feed for 4-H animals—Bob Wilder.

Grooming pigs for the fair—William Goldsmith.

Insect control for potatoes—Jim Knop.

Selecting corn for show—John Witt.

Grooming dairy calf—Betty Witt.

SECOND AWARD PLACINGS

Right and wrong way to set plants—Frieda Jones.

Making a feeder for 4-H animals—Bill Waldz.

Feeding sheep—Tahoma Jean Laughman.

Blocking sheep—Donna Johnson.

Showing sheep—Carl Keller.

Proper equipment for feeding pigs—William Weninger.

Trimming pigs' feet—Jack Hart.

Textile painting—Mary Jones.

Weaving—Lola Mathes.

Selecting and preparing seed potatoes—Alvin Jones.

Selecting potatoes for exhibit—Dale Jones.

Showing dairy calf—William Johnson.

THIRD AWARD PLACINGS

Equipment needed for entomology—Eddie Jones.

Feeding pigs—Frank Johnson.

Showing pigs—Gary Kummer.

Selecting poultry for the fair—John Weninger.

Proper equipment for showing beef calf— Junior Witt.

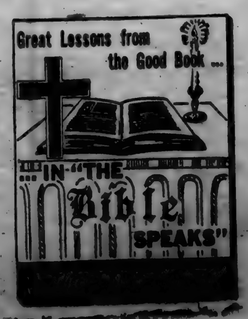
Judges were: Riley Case, County Agent of LaGrange County; Max Riggins, vocational teacher of Waterloo; Albert Berg, vocational teacher of Butler; & Wade Libey, vocational teacher of Ashley.

At noon the orchestra, made up of 4-H members and parents, played several numbers. The invocation was given by Darris Hamilton, minister of the Coburn Corners Church of Christ.

Weiners were furnished by Pet Milk Co., pop furnished by Cecil Fitch, ice cream by Fort Wayne Co-op Milk Co., chocolate milk by Central Dairy of Fort Wayne and pot-luck dinner by the 4-H parents.

Mr. L. E. Troeger, editor of the National 4-H News of Chicago, commented on the demonstrations and demonstrators. He said that he knew of no other club which conducted so fine an educational day. He expressed the desire that more days like theirs be held in other clubs.

Mr. A. J. Moore of Butler, Cecil Fitch of Corunna, George and Merlin Wappes of Garrett gave the club members pointers on showing lambs, dairy calves and pigs. County Agent Ernest Lesiuk and Assistant County Agent George Aker made comments and announcements.



Spencerville News

Mr. and Mrs. Herbert Edwards and son of Fort Wayne spent the week-end with Mrs. Edwards' mother, Mrs. Mary Stemen. Mrs. Claudia Hafner was also a Sunday dinner guest at the same home.

Mr. and Mrs. Maurice Hollabaugh moved Sunday to their new home formerly owned by Mr. and Mrs. Everett Paschen.

Mr. and Mrs. Everett Paschen have purchased a new home in Avilla and moved there last week. They will teach at Avilla this coming school year.

Mrs. Florence Silberg was a Sunday dinner guest of Mr. and Mrs. Maurice Miller and family.

Miss Helen Reid of Indianapolis is here visiting her aunt and uncle, Mr. and Mrs. Walter Reid and family.

Mr. and Mrs. Walter Kimes and sons of Leo spent Sunday afternoon with Mr. and Mrs. Harvey Kimes.

ICE CREAM SOCIAL

The Blue Ribbon 4-H Club of Jackson Twp. is having an ice cream social on Friday night, August 10 at the Jackson Center Hall.

Everyone is welcome.

Taxpayers appearing shall have a right to be heard thereon. After the tax levies have been determined, and presented to the County Auditor not later than two days prior to the second Monday in September, and the levy fixed by the County Tax Adjustment Board, or on their failure to do so, by the County Auditor, ten or more taxpayers feeling themselves aggrieved by such levies, may appeal to the State Board of Tax Commissioners for further and final hearing thereon, by filing a petition with the County Auditor on or before the fourth Monday in September, or on or before the tenth day after publication by the County Auditor of tax rates charged, which ever day is later, and the State Board will fix a date for hearing in this County.

Dated August 1, 1951
(St. Joe. 32-33)

CONCORD JR. HOME EC CLUB

The August 6th meeting of the Concord Twp. Jr. Home Ec Club was held at the home of Edna Perkins. The meeting was called to order by the president, Billie Mason, followed by reading the club collect in unison. Marcelle Storer then gave the history of the song of the month, "In the Gloaming," which was then sung. Gertrude Reinhart gave the devotions by reading the first Psalm.

Florence Miller gave a report on gardening and what should be planted in fall gardens. Edna Perkins read an article, "Judge Not Harshly."

Marcia Sible gave a report on the roadside council meeting. The club decided to donate $5 toward the buying of a new curtain for the assembly room in the court house at Auburn.

The National Home Demonstration Week will be held at Lansing, Mich., August 13 to 17.

The secretary's report was read and approved. Roll call response, fair booth suggestions, was answered by 17 members and one guest, a sister of Mrs. Allison. Plans were then made for a booth at the fair.

The president appointed a nominating committee for the election of officers for the coming year.

Billie Mason and Gladys Akey gave a report on their trip to Purdue.

The meeting closed with the reading of the club collect in unison.

The next meeting will be held September 10 at the home of Ellen Fetters.

ICE CREAM SOCIAL

An ice cream social will be held at the Newville E. U. B. Church Tuesday evening, August 14.

Serving starts at 5:30 p.m.

The menu includes home-made ice cream made with pasteurized milk, sundaes, Kool-Ade, coffee, chicken and hot dog sandwiches, cake and pie.

CONSERVATION CLUB

The Conservation Club will hold a practice shoot next Sunday, August 12, at 12:30 p.m. at the club grounds.

Quail and regular trap shooting will be featured.

A merchandise shoot will be held on Sunday, May 26.

Christian's Spending

Lesson for August 12, 1951

Dr. Foreman

ONCE upon a time, so they say, a Scotchman opened his pocketbook in December, and a June-bug flew out. That story belongs to the class of stories that sound funny because they are impossible, like the Paul Bunyan stories, or the one about the fly that fell off a marble and broke his back. No man is so stingy that he could go from June to December without opening his pocketbook to spend a single cent. Spending is something all of us do, all the time.

• • •

Is Your Money Yours?

"IT'S my money and I can do what I please with it." That is the average man's attitude toward his money. But it's not the Christian attitude.

In the first place, Jesus' parable of the talents reminds us that all the conditions, and all the energy, and everything else that makes earning money possible, are in the long run the gifts of God. "It is he that hath made us and not we ourselves" is just as true now as it ever was.

God it is who gave us life in the first place, who has preserved us, and endowed us with whatever gifts and capacities we have. We are not our own, we are bought with a price, as Paul puts it.

However, we earn our living, whether as farmers, business or professional people, if it had not been for the blessings of God we could have earned nothing at all. One bedrock principle of the Old Testament is that the earth is the Lord's. Put that together with the New Testament principle that the Christian belongs to God, and you have arrived at the great principle of "stewardship."

• • •

Profits or Profit?

THE earliest Christians of Jerusalem pooled all their resources and dealt them out to all, in proportion to their individual needs. This experiment in sharing the wealth failed; and one main reason for the failure was that they paid all their attention to consumption and none at all to production.

No matter how smoothely you distribute the wealth, if some one is not producing, the whole pile will vanish in time.

Nevertheless, these earliest Christians did have a firm grasp of a real truth: namely, that when a Christian spends money he ought to have the needs of the community first in mind, and not his own profits. Does this sound too idealistic?

Well, even the law, slanted though it may seem toward the protection of wealth, puts limits on the ways a man can spend his money. If it can be shown that what he pays his good money for is hurtful to the community, the law will clamp down on him, in many cases. You can't keep a skunk farm on Broadway. It may be your money, and your skunks, but it's not your Broadway.

To take another angle: down in Atlanta (Georgia) a highly successful industrialist, when he died, left the stock in his company to his employees. They had helped him earn his fortune, he said; they should share in the proceeds.

Does not our community help us earn whatever we do earn? And doesn't the community deserve consideration in the spending?

• • •

The Money-God

NO temples on our main streets are labeled "To the God Mammon." But money is often a god, all the same. On Mammon's alter how many things and men are sacrificed! What will men not do to "make a fast buck," to turn a neat profit? Honor, decency, truthfulness, health, even life itself, will be given up before consenting to cut the profits down.

Every great intrenched evil—gambling, prostitution, corrupt courts, liquer traffic—is as hard to dislodge as the silversmiths of Ephesus, and for the same reason: The people who stand to make money out of sin never care what happens to the sinners.

But let us watch ourselves. Do we smalltimers criticize the paunchy big-shots because we really hate the way they sacrifice everything to greed, or is it because we are envious?

WE DON'T HAVE

much money, but we are glad to share it with you!

We will be pleased to cash your checks as long as our money lasts

DUNTEN'S MARKET

Groceries & Meats St. Joe, Ind.

Wash 6 loads of dishes Electrically...

for the cost of Weighing yourself!

A penny still tells your weight but it won't buy much else today—except electricity. And then it buys plenty! Yes, on a penny's worth of electricity your dishwasher will wash (and dry) six large loads...and better than you could by hand. • Skill, experience, and sound *business* management keep electricity a bargain even though the cost of making it has gone steadily up.

INDIANA & MICHIGAN ELECTRIC COMPANY

May we suggest a Sitting?

No doubt about it—you'll make a mighty handsome picture in a strapping new '51 Buick.

But it isn't the way you look, but the way you feel that's really important.

We'd like you to discover a Buick's ease and comfort, a Buick's power and performance, a Buick's steadiness and control—just to see if maybe you *have* been missing a travel treat.

We'd like you to discover what a valve-in-head engine, as Buick builds it—gingered with Fireball combustion—can mean in pulse-pounding thrill and in big miles-per-gallon figures.

We'd like you to learn what coil springs on all four wheels—not just in front—can do in the matter of smoothing a rough road and keeping you on an ever-level keel.

We'd like you to see what generous roadweight and a rigid torque-tube mean in solid steadiness of ride—what Dynaflow Drive* does for you in downright comfort and convenience—what a breeze it is to handle so big and roomy and impressive a car.

Most of all, we'd like you to note the easy-to-take price tags our cars wear—what a whale of a lot more automobile you get for your money in today's Buicks than you'll get elsewhere.

So—come in for a sitting soon, won't you? Whether you try a SPECIAL, SUPER or ROADMASTER, you'll find it the top buy in its field—and a beauty from any angle.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

"Smart Buy's Buick"

No other car provides all this:

DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

When better automobiles are built BUICK will build them

Mosquitoes Having Banner Year

Plagues of mosquitoes have become rather general in many parts of Indiana, according to reports received by Prof. J.J. Davis, head of the entomology department of the Purdue University agricultural experiment station. Most of the complaints have come from home owners who find it uncomfortable, if not impossible, to sit out-of-doors in the evening or to work in the garden even during the day.

Although sprays which will reduce the mosquito population and repellents which will protect the individual from attacks are now available, Prof. Davis says, first consideration should be the elimination of breeding places, many of which occur right around the home.

It is generally known that the immature mosquito is a larva or "wiggle tail," which develops only in water. Excessive rains, such as have occurred the past month, are doubtless a major factor in the present abundance of mosquitoes.

Mosquitoes breed primarily in quiet water such as flood waters, ditches, ponds and lakes, especially along the borders where the water is quiet and where water plants prevent ready access to fish which feed on the mosquito larvae. They also like artificial containers such as rain barrels, garden pools, bird baths, cans and sewer traps. Elimination of these breeding places or chemical treatment of them are of first importance.

However, for immediate results other operations are available. Screens are essential. Their value, especially the value of door screens, can be increased by painting them with five percent DDT in oil, or lindane of chlordane.

For destroying mosquitoes in the lawn and shrubbery, Prof. Davis recommends one pound of 50 percent wettable DDT to eight gallons of water. This is to be sprayed about the shrubbery and garden with a high capacity sprayer. This spray will not injure vegetation.

For community control, high pressure hydraulic, mist or fog sprayers can be used. For further information on community control, Purdue mimeograph E-26 may be obtained from county agents.

Prof. Davis advises householders to keep a bottle of one of the new fly and mosquito repellents on hand. These materials are colorless, stainless, odorless and harmless materials developed during World War II. They are available from druggists and other insecticide dealers under such trade names as 612, 622, Scat and others.

LEO AUXILIARY NEWS

The August business meeting of the Leo American Legion Auxiliary Unit 409 was held at the post home. Hostesses were Mrs. Robert Tharp, Mrs. Wm. Warner and Mrs. Vernon Halter.

Mrs. Robert Tharp, president, presided at the meeting. Regular committee report were given. The Early Bird membership drive was launched.

Mrs. Elmer Sordelet and Mrs. Wm. Hudson, alternate delegates, will attend the Indiana Department Convention August 17 thru 19 at French Lick.

A ward party was held at the Veterans Hospital Friday, August 3. Thirty men were entertained by rehabilitation chairman, Mrs. Darwin Savage, and her committee, Mrs. Wm. Warner, Mrs. James Savage and Mrs. Vernon Halter. Misses Doris and Helen Grotrian furnished music as well as the Minute Men barber shop quartet. Attendance prizes were given and lunch was served.

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, August 16, 1951 — NUMBER 31

Around the Town

With the Editor

Surprise! Surprise!

The paper's out on time this week. See, I can do it.

The following story was passed on to me this week concerning little Bobbie Burley who visited his grandparents, Mr. and Mrs. Don Burley, a few weeks just passed. It seems he asked to be taken to the Reidenbach residence and upon arrival, approached Roy with the query, "Did you lose your dog?"

The affirmative reply brought Bobbie's consoling thoughts, "Well, don't feel too bad about it. When my dog has pups, I'll give you one."

Next week there won't be any paper, so save your news items and we'll have a big fat local column the week after.

Tell you what—the next time you read this column, it'll be as long as the biggest fish I catch next week.

—Hope I get writer's cramp week after next.

LITTLE LEAGUERS TO GO TO WOODBURN FOR TOURNAMENT

Sechlers' Little Leaguers will participate in an invitational tourney at Woodburn on Friday and Saturday, August 17 and 18.

Participants in the tournament will include the entries in the Maumee Valley Little League.

Sechler's will play their first game on Friday evening and will take the field again on Saturday should they come through with a victory.

IN MEMORIAM

In loving memory of Mrs. Marguerite Mann, who died August 14, 1950.

Mere words can never really say
What we feel in our hearts today
For the dear one we lost a year ago
Memories we have, but we miss her so.

Mr. and Mrs. John C. Koch and Family

Local News

Mrs. Lydia Boger, mother of Mrs. Alice Draggoo of near St. Joe, died Thursday at her home in Auburn of a heart attack. Funeral services were conducted Sunday for the 70-year-old woman who had been in failing health for about six months.

Mrs. Arlo Green and daughter, Iris, of Chicago were week-end guests of Mr. and Mrs. Lester Pugsley. Marcel Pugsley and family of Fort Wayne were Saturday supper guests also. All attended the Pugsley and Bailey Reunion at Bryan, O., on Sunday.

A birthday dinner was given Sunday by Mrs. Russell Walter in honor of her husband, Russell, and son, Owen, and sister, Ruby. Guests were Mr. and Mrs. George Walter and son, Lewis, of Rt. 1, Auburn, and Mr. and Mrs. W. C. Vantrease of Fort Wayne. Mr. and Mrs. Russell Walter celebrated their 5th wedding anniversary.

Mrs. Maude Woodcox and daughter, Murial Ealy, of Columbus, O., spent the past week in the Glen Cole home. Saturday Jerry Ealy came after his wife and Mrs. Woodcox. They returned to Columbus Sunday.

Mr. and Mrs. William Staman were at Mansfield, Ill., over the week-end, guests of their cousin, Jake Staman, and wife.

Merritt Sechler spent Sunday with his sister and husband, Mr. and Mrs. Everett Mavis of Auburn.

Mrs. Mildred Wilson, Mr. and Mrs. Clarence Woodcox, Mrs. Laura Burley and Mrs. Jean Burley and children, Marcia and Bobbie, picniced at a park near Antwerp, O., Sunday.

Don Burley and son, Dr. Bob Burley, spent a few days fishing last week in Michigan. They report a good catch.

Dr. Bob Burley and family returned to their home in Beardstown, Ill., Monday after spending several weeks with his parents, Mr. and Mrs. Don Burley.

Merritt Sechler, Mrs. Maude Woodcox, Mrs. Murial Ealy and Mrs. Glen Cole were at Fort Wayne Tuesday. They also motored to South Whitley and called on Mrs. Joy Shutt Goldsmith.

Frank Monroe has been ill the past few weeks but is better at this writing.

Cora Curie is spending a couple of weeks with Mr. and Mrs. Harry Henderson at Newaygo, Mich.

Mrs. Grace Dilley is visiting a few days with her sister, Mrs. Agnes Monroe, and husband.

Mr. and Mrs. Ray Sumption and son, Harold, of Olivet, Mich., were Sunday guests in the Cal Laux home.

Mr. and Mrs. Cal Laux will leave for Petoskey, Mich., the last of this week where they will spend the hay fever season in the John Kilborn home.

Busy Days At Ball Diamond

A busy late-to-start season of sports got underway locally last week when the ball diamond was put to good use and the lights went on. But the lights "weren't on" for the Little Leaguers from Sechler as they dropped an abbreviated 9-0 game to Harlan. In the second game of the evening Universal Tool took the News, 5-2.

The junior high dropped one and the high school softballers won on Saturday evening.

On Monday Universal was nosed out in an extra-inning affair against Harlan by the score of 2-1. Universal protested violently on a decision at the plate which nipped the potential tying run, but the umpire's decision stood.

The News won easily from Partee's Tuesday evening, taking a free-scoring 16-11 victory.

Thursday night's games will put the high school in action, Friday the News faces Woodburn and Saturday the high school again takes the field.

ICE CREAM SOCIAL

An ice cream social, sponsored by the Rehoboth M.P. Church, will be held on Friday, August 17, at the Arthur Friend Homestead Farm located 5½ miles west of St. Joe and 1 mile south, or 6 miles southeast of Auburn and 1 mile south of the church.

Serving will start at 6 p.m. and the menu will include homemade and factory ice cream, sloppy Joe, hot dog and chicken sandwiches, potato salad, baked beans, pie, cake, coffee, cold drinks, melon and candy.

Entertainment will be furnished for the evening.

Parades Feature Of County Fair

Fair-goers at the 1951 edition of the DeKalb free fall fair in Auburn will have no games of chance to keep their interest but the colorful parades will be "bigger and better" than ever, according to the fair parade chairman, John W. McIntyre of Auburn.

The opening parade will be held Monday night, August 27, and will officially launch the fair. Mr. Harry Kreamelmeyer will direct the "Good Fellowship" parade.

The fair board has allocated $100 to be paid to each county band that participates in the parades and plays for activities for one day at the fair. In addition, $25 will be offered to each band from surrounding counties that appears in the line of march at the opening parade.

The next parade on the fair program will be the popular "pet parade." It is scheduled to be held Friday morning under the the supervision of Mrs. Jane Rodecap. Parents are urged to send in entries for their youngsters immediately for the parade.

The "grand finale" parade, which is featured on the closing day of the fair will be held at 10:45 a.m. Saturday. Harold Long of Waterloo is directing preparations for the marching band and drum majorette contests. A float and decorated cars contest will be held, and other prizes will be awarded.

3,000 Attend Horse Show

The biggest crowd in the history of the five-year-old Auburn Horse Show jammed the show ring off Union Street Sunday afternoon and evening where more than 150 of the finest show horses in the middle west competed for more than $1,300 in cash prizes and trophies.

Officials of the Auburn Lions Club and the Bar-None Saddle Club, co-sponsoring organizations for the show, said the total turnout at the two performances exceeded 3,000 persons.

There were 243 entries in the 20 events at the big show with several of the more than 150 animals entering more than one event.

Show horses from 45 towns and cities in the middle west and from four midwest states, Michigan, Ohio, Illinois and Indiana participated in the event.

Armstrong-Sutton

The wedding of Miss Shirley Ann Sutton, daughter of Mr. and Mrs. Ralph A. Sutton, Ft. Wayne, to Ronald D. Armstrong, son of Mr. and Mrs. Delvin Armstrong, Auburn, took place Wednesday, August 8, in Redeemer Lutheran Church at Fort Wayne.

Mr. Armstrong is the grandson of Mr. and Mrs. S. W. Armstrong of St. Joe.

Officiating at the candlelight service was the Rev. Erwin Kurtz. Vocal selections were offered by Miss Mary Craig.

The bride was gowned in white lace with self-covered buttons down the front of the bodice and a ballerina skirt with illusion inserts. Matching elbow-length mitts complemented her short, cuffed sleeves.

Her illusion finger-tip veil was edged with the same lace and was held by a garland of pearlized orange blossoms. She carried white roses and mums trailing ivy and satin streamers.

Mrs. Dean Slagle, sister of the bride, was matron of honor in a gown of white organdy over rose taffeta. The bridesmaid, Mrs. Ralston Craig, another sister of the bride, wore an all white organdy over taffeta gown with green shoes and sash. Each carried pink roses and mums and wore a garland of the same flowers in her hair.

Arden Altman was best man. Ushers were Veto Polumbo and Russell Ridgway.

The mothers of the couple wore navy costumes with white accessories and corsages of white mums.

At the reception held from 8 until 10 p.m. at St. Nicholas Hall, guests were served by the Misses Joan Witte, Evelyn Reecer and Barbara and Beverly Goshorn.

After a short honeymoon, the couple will reside in Washington, D.C., where the groom is stationed at Bolling Air Force Base.

Spencerville News

Mr. and Mrs. James Kelley entertained with a lawn party at their home on the Wayne Trace Road of Fort Wayne last Thursday evening. Those present were Mrs. C. C. Kelley and family of Auburn, Mrs. Rollo Deright and daughter of South Gate, California, Mr. and Mrs. Paul Bercot and children, Mr. and Mrs. Robert Kelley and son, Miss Ruth Kelley and Mr. Howard Bowman, all of Fort Wayne, Miss Lois Wyne of Auburn and Mr. and Mrs. Virgil Kimes and family.

Mrs. Virgil Kimes and children attended a reunion at Berne, Indiana, Sunday

Mr. and Mrs. Pete Saraceno and son of Fort Wayne were recent guests of Mr. and Mrs. Virgil Kimes and family.

Mr. and Mrs. Eugene Hensel of Auburn were Friday afternoon callers of Mrs. Cora Stewart and Arminta.

Mrs. Katie Fetzer of Florida is spending a few days with Mrs. Claudia Hafner.

Mrs. Hazel Roberts of Medford, Oregon, and Gloria Stewart were Tuesday afternoon visitors with Mrs. Cora Stewart and Arminta.

Mrs. Tillie Schlatter of California and Mrs. Winifred Shook sailed Tuesday evening on Mrs. Cora Stewart and Arminta.

Mr. W. D. Miller and daughter, Mr. and Mrs. Jerry Hoke and children of Dinings, New Mexico, were Monday afternoon visitors of Mrs. Elva Hoover and family.

Mr. and Mrs. Richard Eavens and children of Raleigh, North Carolina, are spending the week with Mrs. Eavens' mother, Mrs. Florence Silberg, and relatives.

Miss Ida Reed and Vera, Mrs. Hazel Robert went to South Bend Thursday to spend the week-end with Mr. and Mrs. Chester Wolf.

Mrs. Nancy Chaney, 99, Passes Away

Mrs. Nancy Chaney, who would have reached the age of 100 years next Feb. 3, 1952, died at the home of her foster daughter, Mrs. Ada White, of Auburn Tuesday, August 7, at 9:40 p.m. Mrs. Chaney had been living with Mrs. White for the past 11 years after spending all her life in the Spencerville community.

Mrs. Chaney's death was attributed to complications of old age. The 99-year-old woman had been bedfast for the past year and started failing rapidly about a week ago.

She was born in Concord Twp. on February 3, 1852, to the late Alfred and Rhoda Scott. She was married to the late Rezin Chaney in Spencerville on February 18, 1878. Mr. Chaney passed away in the year 1925.

Besides her foster daughter and two foster grandchildren, Mrs. Chaney is survived by a brother, William J. Scott of Auburn. Mrs. Chaney was a member of the Spencerville Methodist Church.

Funeral services were conducted at the Walter Funeral Home in Spencerville on Friday, August 10. The Rev. Roy Brown of Pennville, Ind., officiated at the services and burial was in White City Cemetery at Spencerville. Rev. Brown is a former pastor at Spencerville and an old friend of the family.

LOCAL SERVICEMAN REPORTED WOUNDED IN ACTION

Mr. and Mrs. O. E. Inlow have received word from the Adjutant General of the Army stating that their son, Sgt. Donald K. Inlow, was injured in action in Korea on August 1, 1951.

Sgt. Inlow is 21 years of age and graduated from the St. Joe High School in 1948. He enlisted in the service in November of 1948 for one year. He re-entered the service again on Octobr 7, 1950.

He has been on active duty in Korea for the past 8 months.

Taxpayers appearing shall have a right to be heard thereon. After the tax levies have been determined, and presented to the County Auditor not later than two days prior to the second Monday in September, and the levy fixed by the County Tax Adjustment Board, or on their failure to do so, by the County Auditor, ten or more taxpayers feeling themselves aggrieved by such levies, may appeal to the State Board of Tax Commissioners for further and final hearing thereon, by filing a petition with the County Auditor on or before the fourth Monday in September, or on or before the tenth day after publication by the County Auditor of tax rates charged, which ever day is later, and the State Board will fix a date for hearing in this County.

Dated August 6, 1951 Don J. Keller, Trustee, Concord Twp.

Answer to Question No. 1:

1. One way to increase the supply of nurses is to improve nursing education. Recently in Louisiana, Minnesota, and Michigan better schools were developed through combining the facilities of several. Student recruitment was greatly stimulated.

Answer to Question No. 2:

2. Malaria has been reduced almost to the vanishing point, but cannot be considered wiped out in the United States. To keep it under control is the object of the National Malaria Eradication Program, in which 13 states have participated. Most cases now are brought in from other countries as, for example, by demobilized service men.

Answer to Question No. 3:

3. Despite the current saying, "I need that like I need a hole in the head," there are actual cases where people have been given holes in the head by a medical technique known as "trephining," in order to remove tumors or to loosen adhesions. In ancient days the cavemen drilled holes in the heads of epileptics and sufferers from headaches in order to "let the devils out." From skeletons, it has been determined that these patients did not all die as a result of the operations, but from other causes.

(St. Joe. 32-33)

Atomic Exhibit At State Fair

In order to tell the story of atomic energy as simply and clearly as possible at this year's Indiana State Fair, 28 different exhibits direct from the American Museum of Atomic Energy at Oak Ridge, Tenn., will be installed in the Education Building near the main entrance to the Fairgrounds.

Many of the atomic exhibits presented at the fair for the first time last year will be included in the 1951 display, but a great deal of additional explanatory material will be used to clarify the demonstrations. David Lloyd DeJarnette, director of the museum at Oak Ridge, will come here to supervise the entire display and trained guides will be on duty constantly at all of the principal exhibits.

A huge 24-panel "comic page," which explains atomic energy in the everyday language used by "Blondie and Dagwood," will serve as an introduction to the various exhibits.

Methods of splitting the atom will be demonstrated and radioisotopes will be produced with equipment from Oak Ridge. These radioisotopes are becoming increasingly important in research work. Radioiodine, for example, can be detected by Geiger counters and consequently is extremely valuable as a "tracer" to study various body functions.

Other isotopes are suitable for agricultural research as "tracers" in plant life and atomic energy steadily is becoming more important in industry.

One of the largest exhibits will be a replica of an atomic "pile," 50 feet in circumference, and all visitors will be given the opportunity to look through an actual Norden bomb site focused on an aerial photo showing the devastated area of Hiroshima. Adjacent exhibits provided by Civil Defense Officials will illustrate the recommended procedure in case of a similar catastrophe in this country.

The entire display will cost the Indiana State Fair approximately $10,000. Because of its educational value, however, it will be open to the public without charge every day, August 30 through September 7, from 8 a.m. to 6 p.m.

Christians and Law

Lesson for August 19, 1951

AMERICANS are not noted for their respect for law. Sometimes big business is the reason. In a certain southern state there are two countries through which run some main highways. But tourists are well advised to stay away from there, because the roads have been pounded into a mass of potholes by overloaded coal trucks operating at high speeds and often on the wrong side of the road. Now the state has laws against overloading trucks; it has laws against speeding. There is an honest state police department. But although various arrests have been made, the head of the police department reports that in those two counties they never yet have been able to secure a single conviction in the courts. Why?

Dr. Foreman

• • •

Who Is to Blame?

SOMETIMES politics is to blame. That is to say, a man wants to get, or to hold, office, so eagerly that he will ignore or defy the law in order to keep his little place in the sun.

There is another county where a policeman shot a law-breaker resisting arrest and attempting to shoot the officer. The county judge tried to make three successive grand juries indict the policeman, but after looking into the facts they all refused.

Here was the interesting spectacle of a judge on the bench (elected there) trying to make the law work against itself, trying to force a grand jury to indict an innocent man. The thing was, the policeman was from out of the county, but the man he killed, being a bootlegger, had many friends who were also friends of the judge.

• • •

We Get What We Deserve

BUT we can't blame big business, or mean politics, for the lawlessness of America. If individuals respected the law, if every man respected the law just as he wants others to respect it, we could handle business and we could get rid of dishonest politicians.

An official high in federal circles, who had had plenty of opportunity to observe, remarked last spring, speaking of controls, that every one wants the other man controlled, everybody wants to control somebody else, but nobody wants to be controlled.

That's just the trouble. We can make all the laws we please, but so long as we are the kind of people who will not respect a law if it cramps our own style, then we need not be surprised at the sort of thing a senate crime committee digs up.

• • •

No Government Is Perfect

MANY of us try to excuse ourselves by saying that the government is inefficient or even crooked, and that the laws are unfair. Christians, certainly, can see very easily the failings of both government and law. But Christians ought to be the very persons to set the example of respect for law and government.

Consider the New Testament. Hardly a single Christian mentioned in that book had the least thing to do with making the laws of those times. The government was from the top down, the exact opposite of democratic. None of the early Christians could vote or hold office.

The government, whether in Palestine or in Rome, was in non-Christian hands. The laws lacked a good deal of being wholly just and fair.

Nevertheless, Jesus and Paul and Peter, all of whom suffered from the laws of their times, urged men to pay tribute (taxes) to Caesar, to support the magistrates, to obey the laws. Even a selfish, money-hungry and often cruel government like that of Rome deserved support.

Jesus and Paul alike remind us that we rely on government for protection; that government, in spite of all exceptions, is on the side of good men, not against them.

If we had no government we should miss it and want it. St. Peter, writing to Christians who were actually being persecuted by the government, urged them nevertheless to be loyal to the authorities. There may come times—indeed, human nature being what it is, such times are bound to come—when a government proves so corrupt and unjust that it deserves to fall; but even then the way out is not the way of lawlessness. Reforms come best from the law-abiding, not the lawdefying.

SPORTSCOPE By JOE MAHONEY

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

POLICY ON RESERVISTS—Under the present mobilization policies of the armed services, I have felt that reservists were unfairly treated in view of their previous service records and their efforts to readjust to civilian life after the last war. I have expressed this criticism to the military authorities and urged that steps be taken to eliminate injustices.

With this in mind, reservists in the Fourth District will be interested in the following statement of policy which I just received from the Navy regarding Naval reservists:

"In order that a fair and equitable system of release may be applied to those Naval reservists who have been voluntarily or involuntarily ordered into active military service, the Navy has recently adopted a release program which began in July, 1951, and will continue through 30 June 1952. Under this program, the minimum period of active service required of reserve enlisted personnel will be 12 months, and the maximum period will be 24 months, In formulating this plan, consideration was given such factors as expiration of enlistment, veteran status, drill pay at time of recall, length of active duty during current tour and the active service requirements of the Universal Military Training and Selective Service Act.

NON PAID VETS OUT FIRST—"Normally, those who are veterans and were not drawing pay in the Reserve Program will be among the first to be released, such release being affected after they have completed not less than 12 months nor more than 17 months active duty since 25 June 1950. Other reservists, that is, non-veterans and those who were members of the Organized Reserve irrespective of veteran status, will be released after they have completed not less than 15 months nor more than 24 months active duty since 25 June 1950.

"Naval reservists, whose enlistments, as voluntarily or involuntarily extended on or after 28 July 1950, expire prior to becoming eligible for separation under the foregoing instructions, will be separated on the dates of expiration of their enlistments as so extended.

"Furthermore, reserve enlisted personnel who volunteered for active duty and in accordance therewith were placed on active duty between 8 July 1950 and 20 July 1950, will be released on the date subsequent to 25 June 1950 on which they complete 12 months active duty. This program of course is based on current conditions and is subject to such change as the international situation may require."

VETOES VETERANS BILLS—Two bills relating to veterans which were passed by the Congress have been vetoed by the President. One bill would have increased pensions for disabled veterans whose disabilities were not connected with military service, and the other removed dependency as a requirement for non-service-connected death pensions to widows of veterans of the Civil War, Spanish-American War, Indian Wars and the Boxer Rebellion.

Services

We believe that we have tried as hard as any business in this town to give services, price and selection of merchandise. When we got into financial trouble on some things we have tried to correct or curtail only the parts which did not pay out but we have NOT discontinued the entire idea.

We are now running checks on hours of service and various departments of our store. We may in the near future have to make some minor adjustments but again we wish to emphasize that we will not DISCONTINUE our hours of service, choice of merchandise nor competitive price level. We hope that before other business(?) people in town criticize any adjustments which we have made or may make that they first ask themselves just what they are doing to make St. Joe a more attractive shopping center to the average consumer.

Favorite French Toast

French toast fried to a golden brown and served with sirup has become an American breakfast custom. As summertime accompaniment, garnish glazed pear halves with strawberries.

At an average cost of a penny a slice, bakers' enriched white bread is one of the best food buys. It combines low cost with high nutrition, since it is an excellent source of three essential B-vitamins needed for vitality and health, and food iron for blood-building.

Toast is a "must" on the breakfast menu, but it can be varied in countless ways. French toast is delicious and quick to prepare, and has the added advantage of making use of bread which has become a little dry. Dip slices in an egg-and-milk mixture, then fry to a golden brown on both sides. Some homemakers like to sprinkle it with powdered sugar and serve it with jelly. Others prefer a topping of sirup or honey. Either way, your family will like French toast. Sausage and bacon are excellent accompaniments, as are glazed pineapple, peaches, apricots and pears.

French toast may be served for luncheon or supper dish, too, especially in sandwich form. Use such fillings as peanut butter, jelly or cream cheese. Cut sandwiches in half, then dip in egg-milk mixture and fry slowly on both sides. Serve with tossed salad and coffee.

FRENCH TOAST

8 slices enriched bread — 2 eggs, beaten
½ cup milk — ¼ teaspoon salt
Butter or margarine

Dip slices of bread in milk, egg and salt mixture. Fry on well greased griddle or in frying pan. Serve hot with sirup. Makes 4 servings.

International Dairy Exposition Set For October

Indianapolis again becomes the world capitol of the dairy industry in 1951. One of the main features of the Third Annual International Dairy Exposition will be the Dairy Farm Equipment and Supply Show. Dairymen, manufacturers, processors and the public they serve will meet from October 6 through 13 at the Fairgrounds in Indianapolis.

The equipment show is held in a building specially designed for exhibitors of dairy equipment and merchandise. The Manufacturer's Building at the Fairgrounds is 230 feet by 350 feet, with 54,000 square feet of exhibit space.

Last year there were 2,563 dairy cattle at the International. This fine cattle entry plus the many exhibits and entertaining programs at the Food Festival and the Equipment Show drew between 150,000 and 200,000.

This year the Board of Directors of the Exposition have decided to have a free gate to the grounds and building. This action is expected to bring in a considerably larger number of people.

Complete information on the Equipment Show may be had by contacting the International Dairy Exposition, 130 East Washington, Indianapolis.

SPENCER TWP. HOME EC

The August meeting of the Spencer Twp. Home Ec Club opened with the singing of "In the Gloaming." The history of the song was given by Alice Kagey. Mrs. Grace Laub gave a devotional based on the 46th Psalm. The very interesting project lesson on "Floor Finishes" was given by Mrs. Betty Rhoads.

Resolutions passed were: to send the president, Mrs. Dorothy Kimes, to camp this year, and to donate $5 toward the purchasing of new curtains for the asembly room of the court house at Auburn.

The following announcements were made: Home Ec Club Camp will be held August 19-21 fee $7.-50. All club members should save coffee labels for the purchasing of the coffee urn for the county, Achievement Day will be October 19, and the president read the program for next year, which was made up by the county council.

Sixteen members, one guest and three children spent this most enjoyable afternoon at the home of Mrs. Winifred Hart with Mrs. Gladys Hart the assisting hostess.

Mrs. Elizabeth Akey will be the hostess for the September 12 meeting. A very interesting program is being planned by Valda Brown, Winifred Shook and Hazel Washler.

Not responsible for accidents

works 'round the clock for pennies

When there's an emergency that demands hot water...you can't afford to wait for your old-fashioned water heater to do the job.

Now...for emergencies and everyday chores...get hot water every minute of the day and night with an electric water heater. No more planning ahead ...no more lighting the fire...and no more waiting.

Talk it over with your county agent or our farm representative. He'll recommend the best size and type of electric water heater for your use. You'll be surprised to learn how cheap it is to operate.

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, August 30, 1951 — NUMBER 32

Around the Town

With the Editor

Nope, there aren't any big fish tales to tell and I won't have to do much writing. The big ones avoided the crickets on my line last week, so I got right back at 'em—I just ate and slept.

The "little stinkers" are still getting around. A letter came in while I was away and it contained the little clipping about them with a letter from Paul Haberkorn in Berlin. He, as the other Haberkorns in Germany, didn't think that that name existed here in the U.S.A.

If I can get it translated, I'll publish it.

The free movie next week will be the last one to be shown this summer. I think Mr. Forrest Harding, who furnishes the show sponsored by the businessmen of St. Joe, deserves a "thank you" for his cooperation and for the good shows that he has presented. I haven't yet heard a complaint about the pictures even though operators of outside movies are somewhat handicapped by their limited choice of pictures.

Most of the oldtimers who have watched the little leaguers in action are agreed that Paul Smith, Sechler's diminutive catcher, is going to be a real ball player if he continues to play as he has this year. He's a real worker behind the plate and is in the game every minute.

On Tuesday night when the locals played Hamilton and Hamilton was at bat, the infield was having some trouble on one particular play and no one could hang on to the ball. When the activity finally ended, there was little Paul backing up the play way out between first and second base.

R. H. C.

The R.H.C. met with Bernice Alder August 14. Three guests and thirteen members responded to roll call on the vacation they had enjoyed.

The hostess served a dainty lunch.

Local News

Mr. and Mrs. Don Keller and Chris Sailer attended the Kendallville Fair. Mr. Sailer won $5 for being the oldest man, 91 years, at the fair.

The Friendly Circle Class of the Lutheran Sunday School had a potluck dinner at the home of Mr. and Mrs. Albert Wade Sunday.

Mr. and Mrs. Simon Nicholls and grandson, Monte, Mr. and Mrs. Richard Wasson and Micky, Mr. and Mrs. Calvin Hull, Cynthia and Ronnie, and Mr. and Mrs. Paul Carpenter were Sunday guests of Mr. and Mrs. Harvey Hull.

Mr. and Mrs. Merle Coburn and daughter, Patricia, and Mr. and Mrs. Harvey Hull were Auburn shoppers Thursday afternoon.

Ernie Kessler and housekeeper, Mrs. Salter, of near Asheley, were callers in the Harvey Hull home Thursday forenoon.

Mr. and Mrs. Simon Nicholls and Mr. and Mrs. Harvey Hull were callers in the Ernie Kessler and Jay Sutherland homes near Ashley a week ago Sunday.

Rev. and Mrs. Frank Stevenson of Muncie were week-end guests of Mr. and Mrs. Ralph Sechler.

Mr. and Mrs. Olen Waltz had as week-end guests Mrs. R. W. Zimmerman and Mrs. Irvin Swartz and daughter, Kay Lynn, all of Bluffton.

The News rounded out its activity in the Indiana-Ohio Vim softball league with a 14 0 loss to Woodburn on August 17 and a 7-1 defeat at the hands of Harlan last Friday. They forfeited a game to Woodburn Monday evening in a tournament play-off game due to a lack of players.

Mr. and Mrs. Olen Waltz had as their house guest this week Mr. Walter Newman, father of Mrs. Waltz, of Willard, O.

Mr. and Mrs. G. W. Clark of Sebring, Fla., were house guests of Leon Kees and family the past month, returning to Florida after Labor Day.

Mr. and Mrs. Jerry Mintz and family of Jonesville, North Carolina, were living the past month with the Kees family and moved Saturday to Ft. Wayne where he is employed by the Pennsylvania railroad.

Mr. and Mrs. James R. Kees of Auburn visited his parents, Leon Kees, and family over the week-end. They spent the past month in Wisconsin.

Mrs. Lillian Buckingham was a dinner guest of Mr. and Mrs. Elmer McKay at Spencerville last Friday.

Mrs. Inez Hadsell spent part of the week of August 19 with her son and family at Tecumseh, Mich.

Mr. and Mrs. Wm. R. Hough and Mr. and Mrs. Paul Wm. Hough of South Bend spent the week-end with Inez Hadsell.

MUTUAL fire and casualty insurance will mark 200th birthday in 1952. Planning anniversary at Chicago meeting are: Robert Mattox of Liberty Mutual, K. L. Wright of Michigan Mutual Liability, J. A. Arnold of National Retailers Mutual and J. C. Stapel of Farmers Mutual Windstorm insurance companies.

Boys Molest 3 Year Old

The frantic cries by the mother of a three-year old girl broke up a small group of boys Friday as they attempted to molest the little girl in the cemetery on the south edge of St. Joe.

The boys' intentions were discovered when a neighboring playmate of the tot came home in tears and told what was happening. When word was given to the girl's mother that some boys had carried her daughter away, she began searching for the child whom she had seen playing in their yard only a short time before.

As she approached calling the child by name, the boys fled, but not before being recognized.

No legal action has been taken by the parents of the child.

Slates Named For Town Elections

The Democratic and Republican caucuses were held Friday, August 24, at the school house in St. Joe to nominate candidates for the coming town elections.

The results are as follows:

DEMOCRAT

Councilmen

Ward 1—Lloyd Dunten.
Ward 2—Hubert Bleeks.
Ward 3—Donald Kinsey.

Clerk-Treasurer

George Baker.

REPUBLICAN

Councilmen

Ward 1—Frank Akins.
Ward 2—D. W. Yesier.
Ward 3—Orville Coburn.

Jurors For Sept. Term Named

The DeKalb County jury commissioners completed drawing of grand jurors, petit jurors and talesmen Monday morning for the opening of the September term of the circuit court in Auburn.

Court officially opens Monday but activity will be suspended until Tuesday because of the Labor Day holiday. The opening of court marks the end of the long summer court vacation.

The jury drawing, held in the office of County Clerk Ralph W. Bruce, was conducted by Jury Commissioners Vinson C. Klink and Mrs. Sadie Krise.

Following are the jurors chosen for the September term:

GRAND JURY

Vern O. Hankey, Wilmington; William LaRowe, Concord; Furl G. Schmidt, Fairfield; Harvey Leonard, Spencer; Pearl L. Burtner, Union; Ruth Gruster, Grant.

PETIT JURY

Ross Whetsel, Grant; Fred Williams, Wilmington; Russell Allen Hollinger, Wilmington; Ralph Greenwalt, Keyser; John F. Dilley, Concord; Howard Holman, Richland; John E. Wolfe, Smithfield; Merrill Cline, Union; Chester Vian, Fairfield; Mary Lowman, Grant; Richard Brown, Union; William Creager, Troy.

TALESMEN

Charles Bloom, Butler; Wayne K. Shirk, Keyser; Vernon Throp, Richland; Ernal Hook, Jackson; John J. Felka, Keyser; Earl H. Wise, Richland; Delbert Jennings, Wilmington; Phillip J. Berg, Union; Maurine Fitch, Keyser; Kester Cather, Stafford; Freeman Busche, Newville; Wm. Adler, Franklin; Anna Capen, Union; Jane Ish, Grant; Guy Shull, Spencer; Roy E. Bell, Troy; C. E. Bond, Concord; James E. Brown, Jackson; C. Blaine Hamilton, Keyser, Carl S. Swank, Smithfield.

Statement Issued By Telephone Co.

The Indiana Associated Telephone Corporation has released the following information concerning the rate increase requested on August 15, 1951, filed with the Public Service Commission of Indiana.

The Company is seeking gross revenues sufficient to produce increased net operating income of $359,000, which it claims is the amount necessary to enable it to realize a reasonable rate on the fair value of its property used in rendering telephone service to the public. In order to realize this amount of net operating income, the increase in billing to subscribers will amount to approximately $687,000 (excluding Federal Excise Tax), of which amount $328,000 would represent an increase in Indiana Gross Income Tax and Federal Income Tax. The Company in its 1950 rate case requested additional revenues of approximately $1,102,000 annually of which only $622,000 was allowed by the Public Service Commission in its order dated November 30, 1950. The Company based its 1950 request on actual figures for a part of that year and estimated figures for the remainder of the year; however, the Commission, due to the state of national and world conditions, did not consider these forecasts. Experience has proven the forecasts reliable and, in effect, the 1951, rate request is substantially the difference between the amount requested and the amount allowed in the 1950 case.

In spite of the fact that the Company has increased its investment in plant in service from $9,400,000 to over $21,000,000 since the end of World War II, and has increased its telephones in service from 71,000 to over 110,000, the Company still has on hand more than 6,600 held orders for telephone service, making it necessary, and in the public interest, to continue its construction program. Vast expenditures of additional capital are required in order to expand telephone service. The Company can expand its services only by the use of new capital, which can be acquired only from the sale of additional capital stocks, bonds or by loans. To successfully seek such new capital, the Company must present a sound financial condition, and show that it is earning a fair and reasonable return on its present investment.

The increase for the most common types of telephone service would amount to slightly over two cents per day for the average customer, and no increase in rates is being requested in those exchanges where only magneto type telephone service is now being provided.

The hearing on the petition will be held by the Public Service Commission at Indianapolis on September 24.

TRI TOWNSHIP FARM BUREAU

The next meeting of the Tri-Township Farm Bureau will be held at Alton Park on September 4 at 8 p.m.

The program will be as follows:

Group singing
Devotions—Mr. Darris Hamilton
Business session
Duet—Mr. and Mrs. Hamilton
Talk on Schools and 4-H—Mr. Harold Lochamire
Accordion solo—Donna Wagner
Refreshments

Spencerville News

The young adult class of the Lutheran Church was entertained by Mr. and Mrs. Gerald Blauser at the Roy Chaney home with a pot-luck dinner on Sunday. There were 32 present. Plans were made to have the fire place completed by the last of September. The class will honor the ball team with home made ice cream and cake after the play-off at the Homer McMaken home.

Mrs. Mina Priddy who is supervisor of food at the Lane Home for the aged in Charlotte, Mich., has returned to her work after visiting at the home of her sister, Mrs. George Beams.

Mr. and Mrs. George Beams and Mr. and Mrs. J. S. Hollabaugh attended the A-T A trap shoot at Vandalia, O.

Mr. and Mrs. Gene Garrison of Sturgis, Mich., were week-end guests in the George Beams home.

After spending a week in the home of Mr. and Mrs. Frank Rhoads, Mrs. Thelma Syders, Mrs. Jerry Syders and Mr. and Mrs. Paul House of Sunny Meade, Cal., have returned to their home in Cincinnati, O. Mr. House is being transferred to Lake Charles, La.

Mr. and Mrs. Rollie Genth spent Sunday with Mr. and Mrs. W. F. Rhoads.

The St. Joe News

Published weekly Subscription per year $1.50
Entered at the Post Office at St. Joe, Indiana, second class matter.

T. E. Haberkorn, Jr., Editor & Publisher

Today's Domestic Problem

It's probably a natural reaction to sit back and sigh, "Thank goodness, it isn't happening here," when we in St. Joe and the surrounding community read and hear accounts of the teen-agers' (and sometimes younger and sometimes older) "activities" in other cities and towns. Quite a bit of publicity is making the rounds now about dope-peddling, sex parties and beer drinking by the younger generation which concerns every parent.

We mentioned "sometimes younger" above because an incident occurred in St. Joe last week which, while not in the same category as the above escapades, should jolt St. Joe parents to the realization that our town is no different from any other because our sons and daughters are no different. A three-year-old girl was carried to the local cemetery to be molested by a small group of older boys. How far they went in their actions isn't known because the girl's mother came searching for her and the group scattered. But even if they had done nothing physically speaking, they terrified a small girl who may suffer for it temporarily or permanently. In addition the boys put a black mark next to their own names which can or cannot be erased, depending on their actions in the future.

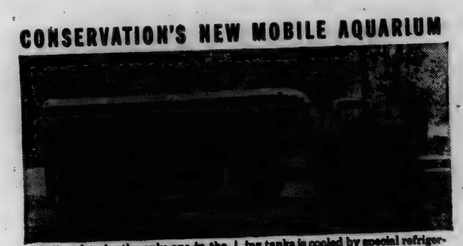
Some time ago a local grocer ran an ad after his store had been burglarized for the second time. It read partly, as we remember: "Parents, do you know where your children were Saturday night—." Maybe it wasn't so important to know where they were but the question also implied knowing what they were doing. There are parents right here in and around St. Joe who don't know what their children are doing and, unconsciously for the most part, don't care. They undoubtedly would beat the living daylights out of their kids if they found out about their offspring's wrong-doings, but don't know where they are or what they are doing BEFORE trouble starts.

Far be it from us to tell how to bring up children. Only a perfectionist can tell how and there are no perfect parents on this earth. But there can be INTERESTED parents—interested in the above "where are's" and "what are's," and interested they must be to guide the thoughts of their children and show them what damage the wrong-doing can do.

It can't happen here?

We wonder if it can't—or isn't.

CONSERVATION'S NEW MOBILE AQUARIUM



Believed to be the only one in the United States, the Indiana Department of Conservation's new mobile aquarium, just completed, has been placed in service. The huge red vehicle is already rolling along enroute to cities and towns in Indiana where its displays of various species of fish are creating much interest, not only among sportsmen, but among children as well.

Designed by Henry P. Cottingham, Director of the Division of Fish and Game, and Melvin Scott, superintendent of Fish Hatcheries for the Division, work on the huge truck was begun early this year.

Nothing has been overlooked. Six viewing windows have been placed along each side of the trailer section. At night, special illumination allows one a clear view of the various fish swimming about. Water in the viewing tanks is cooled by special refrigerating units inside the "bull-pen." This can be operated both electrically and by a gasoline driven mechanism. Huge auxiliary vats provide water for replenishment in the event of an emergency. The truck ordinarily obtains its electric power from sources near where it is on display. Gene Hill, of the Wawasee State Fish Hatchery, is in charge of the display. The entire mobile unit is fenced in when on location.

Cantilever springing enables the vehicle to surmount severe road shock without rocking the machine to any great extent, thereby preventing injury to the fish. Special gear ratios provide tremendous power for pulls up steep grades.

It will be on display at the Indiana State Fair this year according to Mr. Cottingham.

One World

Lesson for September 2, 1951

HOW rare it is to think of persons simply as persons, without any tags or labels! We think "policeman" or "lawyer" or "soldier" or "farmer" or "Japanese" before we think "man." One of the commonest tags we use is the race-tag. So-and-so is a Negro or an Italian or a Pole or a Mexican or a Scotchman, — at least that is the way he looks to us, even before he is Dan or Tony or Steve or whatever his name is.

Dr Foreman

We say off-hand, "All Negroes are like that" or "All Mexicans are that way" and we don't often take the trouble to see whether a particular Negro or Mexican is really "like that" or not. But from the Christian point of view, the first and most important fact about any person is that he is a person and not a thing.

• • •

A Lower Race

THE story of Jesus and the Samaritan woman shows how Jesus treated a person of a "lower" race than his. We needn't argue the question whether the Samaritans were actually beneath the Jews. In any case, the Jews treated the Samaritans like dirt.

On top of all that, the particular woman with whom Jesus talked at Jacob's well was poor and with no good reputation even among her own people. The disciples were surprised that Jesus talked with her at all. But as we read the story, it is clear that while Jesus "spoke of her condition" as the old expression is, he was dealing with her all the time as a particular human being, not merely as "a Samaritan."

Evidently, to be sure, she was greatly inferior to Jesus, and admitted as much herself; yet this fact did not raise a barrier between them.

• • •

A Dominant Race

WE often talk of "race prejudice" as if it were prejudice of top-dog against under-dog. But prejudice runs in both directions. Of course all race prejudice includes a strain of contempt; but a citizen of a conquered nation may despise his conquerors, the weak may despise the strong quite as easily as the other way around.

In the Bible we have an excellent example of a Christian coming into contact with a dominant, that is, a conquering, race: the story of St. Peter and the Roman officer Cornelius.

Peter at first did not want to have anything to do with Cornelius. God had to shake him into it, so to speak. But once Peter saw the point, he saw it plainly: God made no difference between Cornelius and Peter's own people, the Jews.

It was not for Peter to call any man, even an officer of the foreign army that occupied his little nation and held the Jews severely down, common or unclean.

Which is harder: for a Jew to treat a Samaritan like a human being, or to treat a Roman the same way? Which is harder, for a white man to treat a Negro like a human being, or for a Negro to treat a white man like one? It may be hard either way, but it is Christian.

• • •

"In Christ There Is No East or West"

AN old Scotch elder tells this story. "My church had invited the youth fellowship of all the denominations in the state to meet in our church, and the officers of our church were to serve the communion on the last afternoon. It had never occurred to me that some of the delegates would be Negroes, but when I stood up to pass the bread and wine, there sat some Negro young people right beside the white ones.

For a minute I thought I couldn't do it. In forty years as an elder in the church, I had never passed the communion plate to any but white persons. But then I thought, after all I am not passing the bread and wine to Negroes and white people, but only to Christians. So I went ahead with it and I never felt such a blessing as I had that afternoon."

The elder had discovered that what Paul wrote is true: in the "new creature" in Christ there is neither Greek nor Jew, slave nor free man; that in Christ's presence the stone walls that divide the human race melt like snow.

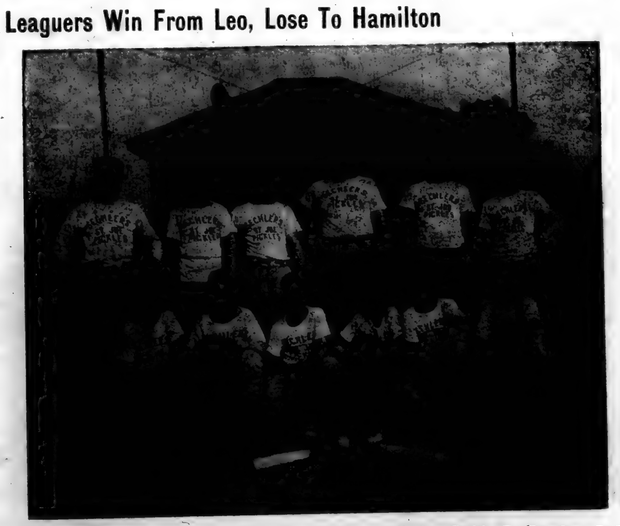
Little Leaguers Win From Leo, Lose To Hamilton



Sechler's little leaguers defeated Leo last Thursday at the local diamond by the score of 4-2.

Hamilton took an 11-6 victory home with them Tuesday evening when they broke a 6 all tie to climax the game.

The local team is pictured above as follows:

Front row—T. Hollabaugh, P. Smith, D. Dowden, S. Harts, G. Kummer, B. Walters.

Back row—E. Collins, G. Collins, D. Duker, M. Dowden, D. Donat, M. Robinson.

LOCAL NEWS

Mr. Ralph Johnson, Mr. Harold Noragon and sons, Ralph and Donald, attended the Grand American Handicap Trapshoot at Vandalia, O.

Pfc. Blaine H. Warstler, who arrived August 23, is home on a furlough. A dinner was given in his honor Sunday at the home of his parents, Mr. and Mrs. Artie Warstler, of near Auburn. Those present were Mr. and Mrs. Herman Collins and children, David and Pennie, of St. Joe, Mr. and Mrs. Lloyd Bassett and children, Ronald, Sandra and Karen, Mr. and Mrs. Wayne Warstler and children, Diane and Larry, Mr. and Mrs. George Carper and children, Donald, Leo, Shirley and Bonnie, Mr. and Mrs. Forest Carper and daughter, June Ann, Mr. and Mrs. Ray Armstrong, all of Auburn, Miss Anna Bartell of Ft. Wayne, Miss Deloris Ross of St. Joe, Mr. and Mrs. Ray Collins of Van Wert, O., and the host and hostess, Mr. and Mrs. Artie Warstler, and children, Donald, Elaine and Wesley.

Mrs. Agnes Monroe went to Lafayette Thursday of last week and stayed until Sunday when Vernie Monroe and daughter, Nancy Smith, Mr. and Mrs. Wm. Staman and Johnie Sechler drove down and she returned with them.

Mr. and Mrs. Francis Sible, Mr. and Mrs. Albert Wade were at Detroit over the week-end.

John Dilley and family were at Detroit Saturday and Sunday.

Merritt Sechler and George Patterson drove to New York Friday. Merritt expects to stay some time, the guest of Ralph Patterson.

Mr. and Mrs. Don Burley, Mr. and Mrs. Ray Means, Mrs. Thelma Baker and Mrs. Glen Cole were at Fort Wayne Thursday night to attend "Holiday On Ice."

Sam Mumaw is in Pleasant Lake visiting Mr. and Mrs. Andy Lees, former residents of St. Joe in the Earl Wolf home.

Mr. and Mrs. Robert Sechler and son, Donnie, and Mr. and Mrs. John Sechler of Kendallville are in Wisconsin fishing and sight-seeing for a week.

Dr. Courtland Price of Fort Wayne was on the streets of St. Joe Sunday.

Grace Dilley is spending a few days with her sister and huband, Mr. and Mrs. Wm. Staman.

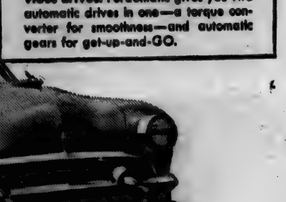
FORDOMATIC OUTGOES THEM ALL!

THE FORDOMATIC FORD GIVES YOU AN ENTIRELY NEW KIND OF DRIVING!



Combines best features of previous drives! Fordomatic gives you two automatic drives in one—a torque converter for smoothness—and automatic gears for get-up-and-GO.

Fordomatic Drive optional at extra cost on V-8 only. Equipment, accessories and trim subject to change without notice.

Practically drives itself! Fordomatic thinks for you. It smoothly and automatically provides a countless number of drive ratios through which engine power is fed to the rear wheels.

You're boss every second. Step down on the accelerator and you get an extra spurt of power for hill climbing and passing. Going downhill you can shift to low at any speed for extra engine braking.

Easier rocking! It's even easier to "rock" out of sand, snow or mud with Fordomatic than with Conventional drive. Just move the selector back and forth between low and reverse.

It's a gas-saving powerhouse! Fordomatic's automatic intermediate gear provides smooth, fast, economical "getaway" without wasteful engine racing. Uses no more gas than the savingful conventional Ford.

Come in and "Test Drive" the FORDOMATIC FORD F.O.B.

SPORTSCOPE By Joe MAHONEY

CONSERVATION CLUB

The St. Joe Valley Conservation Club had one of the biggest shoots of the season last Sunday, more than two thousand shells being fired.

Hawkins, Eby and Johnson tied for first place in a special 50-target event. The first 25 shot from the 16 yard line and second 25 one yard less than the 16 yard score. Hawkins and Johnson broke their first 25 straight and shot the second 25 from 24 yards to total 46x50. Eby got two 23's to tie. W. T. Schlemmer won the International with 24x25.

Scores in the 50 target event:

Hawkins	46
Eby	46
Johnson	46
G. Kelly	45
F. Kelly	42
Schlemmer	42
Bechtol	41
Reichenbach	41
E. King	41
Toms	38

LOYAL WOMEN'S CLASS

The August meeting of the Loyal Womens Class of the Lutheran Sunday School at Spencerville was held Wednesday evening, August 22, at the home of Mrs. Ruth Cooley of Garrett. Mrs. Blanche Culbertson was co-hostess with her sister. The president turned the meeting over to the program committee, Mrs. Maude Beams and Mrs. Jessie Sommer.

There were 23 class members and guests present. Everyone enjoyed the fine program rendered by the committee.

A fine carry-in dinner was served, and thus passed another pleasant evening of the Loyal Womens Class.

Mrs. Jennie Walter will be hostess for the September meeting.

when your water heater is ELECTRIC

As soon as you've undressed...you can step into a nice, warm, relaxing shower or tub. No more planning ahead and waiting. An electric water heater gives you hot water the instant you turn the faucet...you don't even have to push a button.

So why not always have as much hot water as you want...see your electric water heater dealer today.

INDIANA & MICHIGAN ELECTRIC COMPANY

4 extra features you'll like
Fits anywhere—Laundry, kitchen or attic...no flues or vents.
Safe—No flame, no pilot light...insulation keeps outside cool.
No Heat Wasted—It stays in the tank...doesn't go up chimney.
Thrifty—As little as $3 worth of electricity a month heats water for the average family.

FORD TRUCKS LAST LONGER

● Recently, life insurance experts made a study of 7,318,000 truck registrations of the 5 leading makes . . . Again it proved that Ford Trucks DO last longer! The Ford Truck POWER PILOT, too, saves you money every mile . . . gives you *most* power from *least* gas!

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

F-1 Pickup shown is one of over 180 Ford Truck economy models. Choice of V-8 or Six!

In the low-price field, only Ford gives you
POWER PILOT ECONOMY
MOST POWER! LEAST GAS!

A Lighted Softball Diamond

VOLUME LXVI | ST. JOE (DeKalb Co.), INDIANA | Thursday, September 6, 1951 | NUMBER 33

Around the Town

With the Editor

John Haverstock wanted to know last week if he was on the black list or something. Why? Well, he and the Mrs. have a new addition to the family and nothing was said about it in the locals. Just a case of forgetfulness, that's all. Anyhow, the little bundle of joy is named Jonquil Sue.

A few weeks ago Harriett Oberlin, now residing in Goshen, dropped the News a card asking about "mayor" Guilford and "trus tee" Keller and wanted to know what they've been doing. The Kellers have had their activities reported in the locals a few times lately so she should be caguht up with them. Don, of course, is also busy "trusteeing."

As for Merl Guilford, he has been busy the past few weeks making much needed repairs on the school house before the mad rush of the opening day of school. He's also helping the recreation club at the ball diamond by remodeling the club's concession stand.

Labor Day was really a day of labor at the old homestead. It was also a day of toil at the George Chapman residence. The Chapmans recently purchased Elmer McKay's home and are now living there. I was tearing down a small rock garden in our yard and he was hauling the rocks over to his back yard where Mrs. Chapman promptly set 'em up again.

They've been going at it pretty hard and heavy since moving to St. Joe and spend lots of time working on the yard and shrubbery.

CONSERVATION CLUB

The St. Joe Valley Conservation Club will hold a practice shoot this coming Sunday, September 9, at the club grounds west of St. Joe.

Local News

Mrs. Leona Mason and Mrs. Edna Jenkins returned home after a week's visit with Mrs. Jenkins' daughter, Mrs. Frances Thoms, and husband at Dearborn, Mich.

Mr. and Mrs. Lavon Loucks and children, Dick and Patricia, of Ft. Wayne were dinner guests in the home of Mrs. Edna Jenkins Labor Day. Mrs. Leona Mason and Mr. Chet Loucks were also dinner guests in the same home Labor Day.

Mr. and Mrs. Russell Walter and son and Mr. and Mrs. W. C. Vantrease attended "Holiday On Ice."

Mr. and Mrs. Gene Baker and baby have moved from their home north of town to the West End Grocery which they recently purchased.

Sunday dinner guests of Mr. and Mrs. Ted Haberkorn were Mr. and Mrs. William Hall and daughters of Fort Wayne.

Mr. and Mrs. Russell Walter and children, Owen and Judy, and Mr. and Mrs. W.C. Vantrease plan to leave Saturday to visit relatives and friends in Alabama.

Grace Dilley returned to her home in St. Joe Friday having spent some time with her sister and husband, Mr. and Mrs. Wm. Staman.

Mr. and Mrs. Russell Walter and children attended the Snyder Reunion on Labor Day near Harlan.

Carl Carpenter and family attended the State Fair at Indianapolis last Saturday.

Mr. and Mrs. Francis Cole and daughter, Valerie, and Mr. and Mrs. Bert Kindell of Detroit were house guests in the Glen Cole home from Saturday until Tuesday.

Mr. Draggoo and family have rented the Gene Baker home. Mr. Draggoo is a new instructor in the Concord Twp. school.

Mr. and Mrs. Lester Baker were at Haimlton Lake Sunday evening guests of Mr. and Mrs. Dean Eyster.

Foraker Ferrill of Butler, Pa., is visiting his old friends around town this week.

Born to Mr. and Mrs. Loren Inlow of near Hicksville a son on August 27 at the Dr. Bonnell Souders Hospital in Auburn. The new baby weighs 8 lb. 12 oz., and has been named Stephen Dale.

Sgt. Donald Inlow's new address is: Sgt. Donald Inlow AR 57211525, 382nd General Hospital MHD, APO 54, c-o Postmaster, San Francisco, Cal.

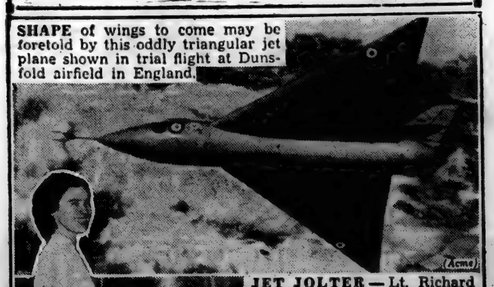
Mr. and Mrs. Paul Drerup and family have moved to their new house on the Woodlawn Cemetery Road south of Auburn.

Mr. and Mrs. Donald Foust were Sunday dinner guests of Mr. and Mrs. Lester Pugsley.

Carl and Marcel Pugsley and families were Monday guests of their parents, Mr. and Mrs. Lester Pugsley.

Monday evening guests of Mr. and Mrs. Don McElroy were Mr. and Mrs. Ted Haberkorn.

People, Spots In The News



SHAPE of wings to come may be foretold by this oddly triangular jet plane shown in trial flight at Dunsfold airfield in England.

JET JOLTER — Lt. Richard Becker of Fleetwood, Pa., became top destroyer of enemy MIG jets in Korea with four downed, one probable, two damaged.

GAS appliance makers report rising demand for incinerators of this type to meet problem of inadequate garbage-trash collection services in fast-growing communities.

DOTS NICE—Fanciest fashion note for the extremely young is king-size polkadots in the diapers. Rebecca Waters of Providence, R.I., is the perfectly poised model.

County Fair Shows Loss

DeKalb County Fair officials report that the 1951 edition of the fall fair will show a loss ranging from $1500 to $2000. Not all of the revenue is in and all bills have not been paid.

Good weather and big crowds eased the financial load on the fair board. The largest loss was a $3,000 reduction in concession space, and expenditures were also up this year.

According to officials, unless the loss is much heavier than estimated, the association will be able to assume the loss and remain in good financial position.

AMERICAN LEGION AUXILIARY

The American Legion Auxiliary of the Walter Whitehurst Unit held its regular meeting on August 28.

Chairmen for the coming year were announced as follows:

Americanism-Harriett Baker, civil defense-Louise Church, child welfare-Alice Reidenbach, constitution and by-laws-Bernice Wilder, education of orphans and veterans-Bernice Miller, finance-Doris Yeiser, Girls State Agnes Monroe, Gold Star-April Davis, junior activities-Josephine Kees, Knightstown Home-Agnes Monroe, legislation-Hazel Ludwig, membership Ruth Collins, merritt system-Mary McElroy, music-April Davis, national security-Hazel Ludwig, Pan American-Josephine Kees, past president parley-Bernice Miller, poppy-Louise Church, publicity-Ruth Collins, radio-Edna Jenkins, rehabilitation-Anne Sechler, service sales Doris Yeiser.

Petition Presented Before Town Board

A petition, signed by thirteen St. Joe residents, was presented to the St. Joe Town Board at its meeting Tuesday evening. The complaint was brought forth by Foster Gee who, with the other signers, protested the possible opening of a junk yard on Widney Avenue. The board accepted the petition and is holding it pending further investigation.

Other business discussed at the meeting included the draining of water from the streets of St. Joe. The board took action to remedy the poor drainage from the John Dilley property and along a side street in town.

The repair or replacement of the town hall was brought up and possibilities of refinishing with stucco, rough permastone and other means were discussed. Dale Collins and Merl Guilford were appointed to investigate the cost of those materials. It was revealed during the discussion that the present building is in poor repair and that a new and larger storage space for fire equipment will be necessary in the next few years.

Oldest Settler Is 94

It was Old Settlers' Day Thursday at the DeKalb County free fair and more than 110 of them registered for the ceremony on the platform on the west lawn of the court house.

Derwood Ridgway of St. Joe, chairman of the program, reported that 117 persons who have resided in DeKalb County for more than 40 years, registered. The number was lower in comparison with the 190 who registered at the 1950 fair and far under the 289 at the 1949 event.

The honor being the oldest settler and the oldest male settler went to Tell H. Elson, 94, a resident at 501 East Ninth street, Auburn. Mr. Elson was awarded $10 in cash. He will be 95 years of age December 6.

S.J. Kiser, 97-year-old Waterloo man, and winner of the title at the 1949 and 1950 fairs, was not present to defend his crown. He observed his 97th birthday August 20.

The title of the oldest woman settler went to Mary E. Saltsman, 88, of Waterloo. She will be 89 next February 24. The prize was $10.

Mr. Elson and his wife also won the title of the oldest couple. Mrs. Laura Elson is 86. They were awarded a cash prize.

The crown of the youngest settler to register went to George N. Stebing of Auburn, who will be 42 next February 21. He was awarded a cash prize.

One of the unusual happenings at registration was Mrs. Elda Housel of near Garrett and her daughter, Mrs. Marie Smith, both of whom registered on their birthday anniversaries. Mrs. Housel is 70, her daughter 50.

Headline speaker on the Old Settlers program was the Rev. Robert J. MacDanel of Fort Wayne, pastor of the Third Presbyterian Church there and present Indiana State Lions Club chaplain.

Thursday's program opened with an address of welcome by Auburn Mayor Hal G. Hoham. John Smith sang "The Surrey With the Fringe On Top" and "Wagon Wheels." H was accompanied by his wife.

Assisting Mr. Ridgway and his wife in the registration of the old settlers were Mrs. Glen Wineland of Auburn, Mrs. Lora Leighty, also of Auburn, Mrs. June Baker of St. Joe and Mrs. Janice Hollabaugh of Spencerville.

Conflicting attractions at the fair was a primary cause of the low registration. Old settlers equal in number to those who registered attended the 4-H livestock auction at the livestock grounds which was held at the same time. Many others who had attended the tractor pulling contest at the Goodall lot Thursday morning and early Thursday afternoon were unable to return in time to register.

Spencerville Lutherans Cop Softball Crown

The Spencerville Lutheran softball team returned from Harlan last Thursday night doubly happy. They were the proud possessors of two bautiful trophies. One was the team trophy for being the only undefeated team in the Harlan Church League. The other was awarded for defeating South Scipio, St. Mark's of Harlan and Coburn Corners in the tournament. Spencerville Methodist forfeited their tournament game to the Lutherans.

This was the Lutherans' first year in the league and their success is one that the church is proud of. Much of their success was due to the fine pitching of Jerry Blauser, and the complete support of the entire team.

Team members are Jerry Blauser, Jack Hollabaugh, Woodrow Smith, Homer McMaken, Ted Hollabaugh, Short Timmerman, Pete Timmerman, Jim Long, Sonny Markle, Lynn Lake, Buck Ritenour, Woodrow Hursh, Wayne Smith, Red Strombeck, Merle Dean Furnish and James Shilling. Woodrow Hursh acted as manager with Wayne Smith, Jerry Blauser and Virgil Koch the board of directors. George Doll was scorekeeper and Mrs. Doll treasurer.

The young married people's Sunday School class will honor the team and their fans with an ice cream party at the home of Mr. and Mrs. Homer McMaken on Sunday, September 9, at 3 p.m.

CONCORD JR. HOME EC CLUB

The August meeting of the Concord Twp. Home Ec Club was entertained at the home of Victoria Means. The meeting was called to order by the president with all reading the club creed. Devotions were given by Elizabeth Shull and all then sang the song of the month, "In the Gloaming," accompanied on the accordion by Connie Fisher.

Roll call and response, "A plastic article in the home that is helpful," was answered by 21 members. Guests were Mrs. Moffler and Mrs. Casebeer from Stafford Twp.; Mrs. Ruth Teutsch, county vice president; the Fisher sisters; Mrs. Rose Means and two children and the daughters of Mrs. Moffler and Mrs. Casebeer.

The Stafford Twp. ladies presented the project lesson on "Floors and Floor Finishes" and was appreciated by all present.

Under business, the resignation of the president, Mrs. Laura McClellan, was accepted. The club members were asked to give any surplus of garden vegetables to a deserving family of DeKalb Co. who lost all their garden because of a flood, the food to be taken to the county agent's office. Reports of special committees were given on hospitality by Doris Yeiser, health by Harriet Johnson, frozen foods by Clara Foltz and garden by Inez Hadsell.

The club voted to pay $5 on the curtains in the assembly room of the court house.

Club members were asked to bring a report of all foods canned and frozen to the September meeting. The entertainment committee, Gertrude Borthwick and Elizabeth Shull, gave the following program: "You Can't Take It With You," Mrs. Borthwick accompanied by Connie Fisher; a skit entitled, "What's a'matter with me, Mother," given by Mable Baker, Myrtle Pugsley, Mary Washler, Mrs. Borthwick and Mrs. Shull.

Mrs. Shull conducted a contest, "We're all artists," Mrs. Rose Means receiving a prize. A song, "Sweet Violets," was then sung by Ivy Yeiser, Mrs. Shull and Mrs. Borthwick. Connie Fisher played "Tennessee Waltz" and "My Heart Cries For You"

The meeting closed with the singing of the club prayer. The hostess was assisted by Myrtle Pugsley and Hulda Reasoner in serving lemon pie, cracker sandwiches and fruit juice.

Hostess for the September meeting will be Ethel Wineland, assisted by Mary Krise and Alice Reidenbach. All members are urged to be present and all guests are welcome.

DEKALB CO. RURAL YOUTH CLUB MEMBERS WIN 2nd PLACE AT INDIANAPOLIS

The Harmonettes, comprised of the Misses Onalee Knox and Avis Armstrong of Butler and Helen Coll, Edgerton, O., all members of the DeKalb County Rural Youth Club, took second place with a vocal number in the Rural Youth talent contest at the Indiana State Fair Monday afternoon.

Three Knox County young women won first honors in the contest by doing a comedy vocal number. In third was a pantomime by a trio from Wabash.

The program opened the week's competition sponsored by the Indiana Farm Bureau, Inc., to encourage the development of talent among farm people of the state. The program was held in the Farm Bureau building on the fairgrounds.

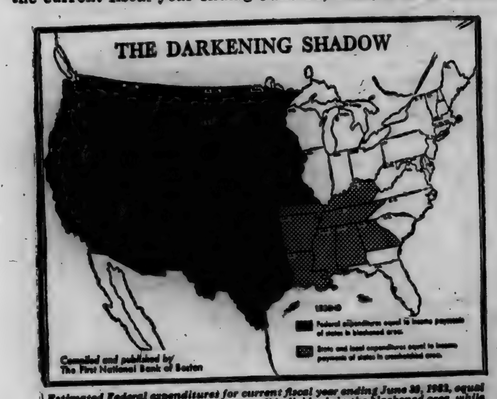
THE AMERICAN WAY

Not That Hungry

The Darkening Shadow

This country must, of course, spend whatever is necessary to bolster our national defense, says The First National Bank of Boston in the current issue of its New England Letter. Continuing, the Bank says, But while we are spending staggering amouts for military purposes as a protection against aggression, the Administration is undermining our financial segment, the cornerstone of our nation's security, by condoning waste and extravagance that in the aggregate may approximate $10 billion annually. Furthermore, there is no apparent official concern over our financial plight, as is evidenced by the fact that pressure groups within the Government itself are busily drawing up blueprints and propagandizing for all sorts of projects, many of which not only have no connection with national defense but rather have a Utopian tinge. It is to be hoped that the taxpayers of the country will be aroused from their lethargy and while there is still time realize that they are the victims of squandermaniacal public servants who are "selling them down the river." The crucial financial situation calls for a united front by those who pay the bills.

The extent of the drain by government of the people's income is graphically presented on the accompanying map. In 1929, Federal expenditures were less than two-thirds of the total income payments to the inhabitants of California. In 1938, Federal expenditures were equal to the income payments of the eleven Pacific and Mountain states. For the current fiscal year ending June 30, 1952, it is estimated



Estimated Federal expenditures for current fiscal year ending June 30, 1952, equal to estimated total income payments to all individuals in the blackened area, while total state and local expenditures equal aggregate income payments of states in crosshatched area.

that Federal expenditures will take the equivalent of the aggregate income payments of the Pacific and Mountain states and, in addition, North Dakota, South Dakota, Nebraska, Kansas, Oklahoma, Texas, Minnesota, Iowa and nearly three-fourths of Missouri. This is shown by the blackened area on the accompanying map. If total state and local expenditures are added, the area would be extended to include the remaining portion of Missouri, plus Arkansas, Louisiana, Kentucky, Tennessee, Mississippi, Alabama and two thirds of Georgia, as is shown by the cross-hatched section of the map. In other words, total governmental expenditures for the current fiscal year will take an amount equal to all of the income payments to individuals of states with a land area that covers nearly four-fifths of the country and has an aggregate population of about 62 million persons and more than 22 million workers.

In order to meet its huge running expenses, the Government must collect revenue from all income groups in every nook and corner of the country, and every worker is compelled to spend an increasing amount of time working for the Government. In 1939, for instance, a married man with an income of $2,500 a year was exempt from Federal taxation and was able to keep all his earnings. In the current fiscal year, however, he is compelled to work twenty-two days to pay his Federal income tax. A married person with an income of $5,000 a year would work thirty-four days for the Federal Government; one with $10,000, forty-three days; and one with $50,000, eighty-seven days. A person in the $100,000 class works nearly one-half of his time for the Government, or more than three times as long as a person with a $5,000 income.

Aside from the injustice and the impairment to personal incentives involved in looting the rich, the revenue that can be obtained from this source is comparatively small. If all personal taxable income of $25,000 a year and over were confiscated by the government, the amount would be sufficient to pay the current running expenses of the Federal Government for only about ten days. It stands to reason, therefore, that as our tax burdens expand, those in the lower income groups will not only have to spend an increasing number of days working for the Government but also will be forced to bear the bulk of additional taxes.

In Great Britain, with a shriveling of income of the wealthy, the tax burden is being shifted to the lower income groups. Data compiled by the British Financial Secretary in a report to Parliament show that total taxes of those in the income group below L1,000 a year increased by 615 percent from 1938 to 1949, while those in receiving L1,000 and over showed a gain of 170 percent. Whereas in 1938 only about 20 percent of total personal income taxes was contributed by the lower income group, in 1949 the proportion had sharply increased to 40 percent. On the other hand, the proportion of these taxes paid by those in the upper income groups declined during this period from 80 percent of the total to 60 percent.

The British experience should be a dire warning to us as we are traveling down the same road to insolvency, and we must make a detour before it is too late.

More Money Matters

The Town Board discussed a problem Tuesday evening which should have been heard by more St. Joe residents. The board discussed repairing, refacing and replacing the town hall, which also serves as the fire hall, or vice versa. At least, the present building is inadequate both in strength and space, and St. Joe faces a crumbling edifice in the next few years as its monument to its governing activities.

Not only that, but the fire fighting equipment will have to be replaced and that will involve no small amount of money. But what is there to do? Bonding the town will bring insufficient funds and raising taxes would, no doubt, bring an avalanche of protests from local residents.

It's a good question—what to do. There are only two answers.

What's yours?

Lions Share

A good many DeKalb County residents thought that the annual fall fair was going to be a flop and that there "wouldn't be anything to it." The reason—the ban on gambling in Indiana.

Although there were noticeable vacancies along the court house square in Auburn last week, there weren't any vacancies in the stomachs of those who attended the fair, if the success of the St. Joe Lions Club's stand is any standard to go by. In spite of the doubt as to the fair's success, the Lions went ahead with their plans for a lunch stand this year and, as it turned out, were wise in doing so.

For, although the fair itself showed a loss, the Lions Club and its hardworking members and wives, who fried hamburgers and hot dogs, washed dishes, baked pies, served the public and did the other necessary tasks involved in operating a lunch stand, were able to enjoy their most profitable year.

All of which shows that we sometimes talk ourselves out of success.

PRISCILLA PRIM 4-H CLUB

The members of the Priscilla Prim 4-H Club, their leader, Mrs. Lois Fisher, Mrs. Rose Anthony and Mrs. Dorothy Kimes, enjoyed an outing Tuesday, August 14th. The first place they stopped at was the "One Moment Please" radio program. The members were interviewed by radio announcer Bob Sievers. The leader received two tickets to the "Holiday On Ice" show, and the members each received a piece of candy.

After the radio broadcast, they enjoyed a tour through the Coca Cola Bottling Company. Each person received a carryout carton of Coca Cola and other souvenirs.

The second tour was thru the Pioneer Ice Cream Company. The guide showed the group very interesting points on the making of ice cream and also stated what dry ice was and the degree of cold it was. Everyone was treated with an ice cream bar.

After the tours the club went to West Swinney Park where they all enjoyed a sack lunch. Mr. Hart, the owner, made the evening most enjoyable by giving the members a reduction in the price of rides and concessions.

NOTICE

It is necessary that I discontinue dog and cat practice after September 15th.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

MOUNTING TAXES—While the 82nd Congress has not completed action on all of the appropriation bills for fiscal 1951-52, the prospects are that appropriations will amount to a peacetime high of more than $500 for each individual in the nation. Congress to date has voted approximately $70,500,000,000 in appropriations, not including the funds for foreign aid programs. Based on a population of 154 million, if the foreign aid appropriation of $8.5 billion requested by the administration is approved, the tax cost to each individual in the country will be about $512. The average per capita tax collected in 1942 was $171.

TAXES WERE HIGH LAST YEAR—Taxes paid to federal, state and local governments in 1950 averaged $360 for every man, woman and child, or -30 a month. All records for tax collections were broken in 1950 when American taxpayers dug deep down in their pockets to fork over nearly -55 billion in taxes. The federal government took $330 of the $360 average, with the state and local governments taking the rest. Obviously, every effort must be made to reduce the cost of government.

CONGRESSIONAL ACTION—In view of previous criticism of other Congresses, it is interesting to note the action taken by the Democratic-controlled 82nd Congress. Up to August 10, just prior to the 19 day recess of the House of Representatives, the 82nd Congress had passed on 110 public laws. The Democratic-controlled 81st Congress passed 220 laws by the same date in 1949, and the Republican-controlled Congress had enacted 388 public laws by August 10, 1947.

IT SHOULD BE EXPLAINED—No explanation has been made by the Defense Department, but the public wants to know the reason why the Navy pays $3,083.43 for its jeeps, while the Army pays only $2,702. This fact was unearthed recently before a Congressional hearing. The public is entitled to know why the difference exists and what is being done to correct it.

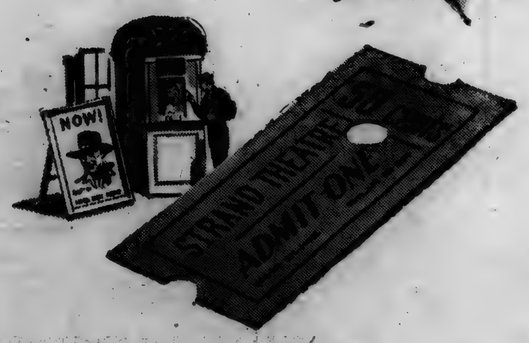
Shave for a Lifetime Electrically...



for the price of a movie ticket!

You see lots of close shaves for your money in a 5-reel Western—but *electricity's* the biggest shaving value of all. A penny runs an electric shaver for a year! Fact is, whatever you use electricity for, it's a bargain. Even though the cost of making electricity has gone steadily up, sound *business* management has kept electric rates low.

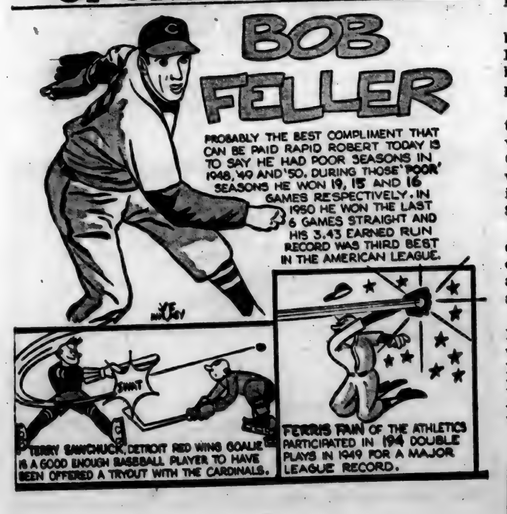
SPORTSCOPE By Joe MAHONEY



Pet Parade Big Success

Three hundred toiling and perspiring DeKalb County youngsters and nearly as many panting pets presented the biggest Pet Parade in the history of the free fair fair before a large gathering in Auburn Friday afternoon.

Gaily - costumed youngsters stepped off promptly at 1:30 p.m. paced by the Garrett high school band and the fair "clown." The parade moved up Ninth stret to Cedar then north on Cedar to Fourth where the winners were chosen by Judges Mrs. Dorothy Shugart, Mrs. DeLoss Crooks and Mrs. H. A. McAninch, all of Auburn.

The prizes were presented by the fair announcer, John Haverstock, from the platform on the west lawn of the court house. He was assisted by Ward Jackman of Auburn.

Judging was difficlut because of the large number of entries and the many excellent showings by the county's younger set. A total of $50 in prizes was awarded.

There was close competition among the miscellaneous entries. Ginger Haislip of Waterloo won top prize of $2 with a "pig in a pen."

Second prize of $1.50 went to Dennis LaCroix of Auburn for his "boy and a goat" entry. Jane Wilson of Auburn won third prize of $1. Other winners were Janice Sue Stebing of north of Auburn, $1, and a group of seven St. Joe youngsters who formed a wedding party. The group included Jackie Bond, Linda Davis, Rita Rose Reinhart, Marjorie Fetters, James W. Hablawetz, Rock Reinhart and Ralph Reinhart. Identical prizes for the group were arranged by fair officials.

Joyce Meschberger of Rt. 2, Auburn, won top prize of $3 for the girl with a cat entry. Second prize of $1.50 went to Doris J. Lee of Rt. 3, Waterloo, with $1 awarded to Sandra Shook of Auburn.

First prize in the boy with a cat class went to Paul Bisel of Waterloo. The prize was $3. Donnie and Denny Meschberger, brothers of Rt. 2, Auburn, tied for second prize of $1.50.

A large number of floats was entered and competition was close

Pamela Treadwell of Auburn with her doll house on wheels won first prize of $4. Second prize of $3 went to an enterprising pair of Auburn youngsters who traveled the parade route with their version of "the thing." The boys were Bob Jackson and Budge Perkins.

Blonde Rosetta Blevins of Auburn won third prize of $2 and Donald Lemish and Marsha Culbertson, also of Auburn, took 4th place and $1.

Margaret Kruse of Auburn captured first prize of $3 in the girl with a doll cab class. Barbara Conner and Linda Lou Cutter, who towed Barbara's sister, Lyn, in a doll cab, took second and $1.50.

First prize of $3 in the girl with dog class went to Mary E. Cline of Auburn. Carolyn Sue Refner, also of Auburn, took second and a $1.50 prize.

A young "dandy" from Garrett left the field behind in the boy with a dog class. He was Tommy Funk and his prize was $3. LaNetta and Randy Davis of near Auburn in wedding party costume with their dog won second prize of $1.50.

James Harper of Auburn won first and $3 in the boy with bicycle class. Nancy Goe of Auburn moved into competition with the boys long enough to take second prize of $1.50.

Allen J. Albert of near Auburn took first prize of $3 in the child with a pony. Second place and $2 was awarded to John Grimm, also of Auburn.

Sandra Funk won a prize of $1 for the most unusual pet. She carried her pet tree toad.

TRAIL BLAZER— with plenty on the ball

How long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. It's packed with horsepower—high, wide and handsome—more horsepower than normal drivers will ever use in full.

And—if you're up to date on modern features—you'll find that this bonnett is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. No Buick engine has ever been built in any other way.

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: Buick has been stepping up compression ratios for years.

But Buick has blazed one trail which other engines still haven't followed—don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there is a comet—rolled into a swirling ball by a special turbo-top piston—touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine—and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us soon.

The secret of Fireball Power is in the use of dome-and-dip design of the piston shown above.

Here's the piston inside the cylinder. As it moves down, the fuel charge rushes in—sets up a swirl when it hits the piston top.

The piston moves up—compresses the swirling fuel into the comet shape shown here. "Compression ratios" are simply a measure of how much the fuel is compressed.

The ball of fuel is compressed around the spark plug—lets loose its pent-up charge when the spark is fired—delivering a higher percentage of power from each charge of fuel.

IN MEMORIAM

In memory of Donald Kinsey who passed away September 17, 1946.

The road into the sunset
Is one we each must tread—
And though it brings us sorrow
When a loved one goes ahead,
Still there is comfort knowing
We will meet again some day
When grief and pain are over,
And the clouds have rolled away.

His grandmother
Margaret Sheardy

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Matthew 18:15-20; Acts 4:31-37; Philippians 1:27—2:11; I John 4: 14-21.
DEVOTIONAL READING: I John 4: 7-21.

Why Is the Church?

Lesson for September 9, 1951

WHAT use is the church? What difference would it make if it were disbanded?

A woman bought a vacuum cleaner on trial, but after using it a while she decided it wasn't any better than an old-fashioned carpet-sweeper and she sent for the man to take it away. When he came around, he discovered that she really did not know how to use the thing. All the attachments were still in the box; she had never found out what they were good for and so she never realized how useful a "vac" can be.

Dr. Foreman

It is something like that with the church. It has many uses which are seldom discovered.

• • •

Tell the Church

THE main and most important feature of the church is that it is a fellowship. This should be far more, far deeper, than a mere label.

One rarely-used function of the church was suggested by Jesus. In a quarrel, he said, the first thing to do is to settle it between yourselves. If that will not do, then take a few people with you and see if a small group can reach agreement. If not then "tell the church."

Probably the average congregation today, as a whole, would be a poor judge of quarrels. But suppose some church tried the experiment of forming a kind of consultation-group, made up of the wisest and most Christian persons in it; and suppose members of the church who had differences which would ordinarily be taken into court, were encouraged to consult those counselors for help—wouldn't some quarrels, that now reach the courts, never get that far?

• • •

Common Treasury

SOME weeks ago it was suggested here that in some communities the church sees to it that no member of the church goes without a job. It is also a fact that in some congregations either a committee of the officers, or the minister, is entrusted with a fund, sometimes called the Deacons' Fund and sometimes the Emergency Fund, to be used in taking care of real financial emergencies, for the benefit of the members.

Sometimes it is used as a revolving loan fund, sometimes as outright gifts. No detailed accounting is made, because it is important that no publicity be given to the needy cases; hence those who administer the funds have to be persons who can be fully trusted.

The "needy cases" may not be charity cases in the usual sense.

The point is that a church can be a fellowship so close that a person in physical or financial need would think of it as a source of help just as quickly as he would think of his own family. It is his family.

• • •

Making Love Real

THE fact is, if there had not been real fellowship in the church all these centuries, it would not have lasted as it has. No outfit can run on and on for centuries if all it does is to provide jobs for a few jobholders.

No, there has been real family fellowship in the church. It does not always come out in official actions of church boards, but the thing is there. Preachers talk about love, and Sunday school lessons mention it. But this is not all. There are enough persons in the church making love real, (see Moffatt's translation of I John 3:18), to more than justify the church's existence.

A poor woman who was in the grip of the drink habit had a Christian woman friend. This friend said to her, "When you feel the craving coming on, even if it's in the middle of the night, call me and I'll come right down and we'll fight it through and pray it through together."

That was what did it. Not the sermons, not the books on temperance, but the fellowship of a woman who would get up in the middle of the night to help her friend through a desperate struggle.

Happy is the person who finds a church where there are people like that. For that is what Christian fellowship is: making the other person's cause and troubles your own.

County Scientists In Book

DeKalb County is the birthplace of 21 scientists whose biographies are contained in a new book, "Indiana Scientists," by Stephen S. Visher, Indiana University professor of geography, published by the Indiana Academy of Science.

Over two thousand scientists born in the state are included in the book, which also lists scientists employed in Indiana, or who were educated in Hoosier colleges.

The smaller cities and towns are more productive of scientists than the farms or large cities, Visher finds. This, he believes, is due to the relative concentration in small towns of alert and ambitious persons, who become the parents of leaders.

"Men and women of distinction are a product of both heredity and environment," Visher concludes. "Of great consequence in a youth's choice of vocation is encouragement from persons he respects. Many small Indiana towns yielded first one outstanding scientist and later more scientists. Of the 19 Indiana zoologists 'starred' as outstanding in "American Men of Science,' 13 were students of David Starr Jordan, famed zoologist who was president of I.U., or of men trained by him."

Those scientists listed as born in this country, with their year of birth are:

Auburn—I.C. Hoffman, 1888, horticulture; J.D. Hoffman, 1868, engineering; J.K. Leasure, 1891, medicine; E.T. Rainier, 1904, chemistry; G.M. Shull, 1903, chemistry.

Butler—K.W. Oberlin, 1902, psychology; H.E. Redeker, 1889, chemistry; J.O. Snyder, 1867, zoology; B.M. Sturgis, 1911, chemistry; J.R. Wiley, 1887, animal husbandry.

Concord—C. W. Johnson, 1873, chemistry.

Garrett—O.L. Hoover, 1891, chemistry; W.D. Johnston, Jr., 1899, geology; J.S. Jones, 1876, chemistry; C.A. Koepke, 1893, engineering; J.F. Thompson, 1920, pharmacy; J. P. Tordella, 1919, chemistry; L. W. Tordella, 1911, mathematics.

Spencerville—K.K. Smith, 1887, physics.

Waterloo—Stella M. Hague, 1872, botany; M.K. Hine, 1907, dentistry.

Around the Town

With the Editor

How many times have you said, —"everything happens to me!"

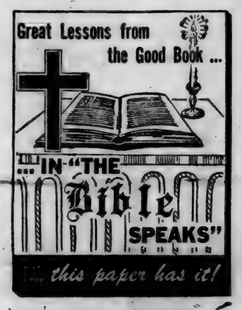
Boy, I said it last week. After working like a dawg Thursday and getting ready to run a proof of last week's paper, the motor for the big press wouldn't go 'round—it just sat there and groaned. It's a three-phase motor and for a while it was two-phased.

Had to get Merl Coburn up out of bed in the middle of the night (for him) Friday morning to find out what was wrong. He works nights so he still had sleep in his eyes when I called on him. But he came down right away and analyzed the trouble. I & M's Butler office soon brought another phase down and everything was O.K.

At the Lions Club meeting Monday evening. president Maurice Kline called on C. O. Duker to make a few remarks on Lion education. Clyde made a few pre-speech apologies for any failings his talk might have and then started the main speech. Just after he began, the lights went out. Equal to the occasion. he stopped and exclaimed, "—heaven's, is it that bad!"

The speech was continued in darkness and as Clyde sat down after completing his address, the lights came on.

—Perfect timing.



County Council OK's 2nd Deputy For Sheriff

The DeKalb County Council which closed its session in Auburn Thursday afternoon, granted an appropriation of $1,800 for salary for a second deputy for the sheriff's department. The appropriation is included in the 1952 budget.

The council earlier, in session to study additional appropriations, had refused the second deputy for the department. The councilmen granted the sheriff's first deputy a $25 increase a month to the maximum of $2,400.

Sheriff Frank Carpenter met with the council Thursday afternoon and submitted a complete report showing the increase in work for the department.

The councilmen said the big increase in work for the department made an appropriation for a second deputy advisable.

The DeKalb County council whittled away at some other departmental budgets at its session.

The council gave deputies in other county offices $10 monthly across the board increases but refused to grant $25 increases asked for some deputies.

The cuts in the budget may lower the proposed county tax rate for 1952 but the drop will be minor. county officials said. The present proposed rate is 45 cents on the $100 valuation. This year the rate is 36 cents.

Following are the reductions made in each of the county offices:

Clerk's office—cut proposed $2,500 for first deputy to $2,200.

Auditor's office—cut proposed $1,800 for extra help to $1,600.

Treasurer's office—slashed proposed $2,400 for first deputy to $2,200.

Recorder's office—cut proposed $2,400 for first deputy to $2,200 and sliced operating expense from $1,980 to $1,730.

Sheriff's office—cut proposed $400 for emergency deputies' salaries to $200 and other operating expenses from $5,280 to $5,180.

Surveyor's office—no change.

County extension office—cut county's share of county agent's salary from $1,280 to $1,200; cut assistant's salary from $460 to $380; slashed county's share of home demonstration agent's salary from $1,250 to $1,125; cut first secretary's salary from $2,200 to $1,980 and reduced second secretary's salary from $1,800 to $1,620. Although the cuts were made in the secretaries' salaries, the figures approved represent $5 a month increases.

County board of education—cut salary of clerk of the board from $500 to $100.

For the remainder of the county departments, the councilmen recommended no changes in the budgets.

The county offices which escaped the council's axe included: the county coroner, county assessor, Union Twp. assesor, Keyser Twp. assesor, prosecuting attorney, circuit court, health officer, county election board, registration of voters, county court house, county jail, county infirmary, county commissioners, salaries and per diem for township assessors and deputies and the county highway department.

Square Dance In St. Joe Sept. 28

Joe Robinson of St. Joe has been appointed general chairman of a special attraction which will appeal to young and old.

The St. Joe Valley Recreation Club will sponsor a big square dance this month, Friday, September 28, to be exact. The dance will be presented at the school gym in St. Joe.

Mr. Robinson has planned for lively square dances directed by an experienced caller with music to suit the occasion. Also on the evening's program will be games and contests for the whole family. Refreshments of hot dogs, candy, pop, etc., will be available to round out a complete evening of fun.

The recreation club is sponsoring the event as another in a series of programs for the entertainment of community residents. Proceeds from these programs are added to the fund which has not as yet reached its goal of $3500.

Local Resident Seeks Divorce

Mrs. Helen Fay Reed, a St. Joe housewife and the mother of two children, filed suit in the DeKalb Circuit Court Saturday seeking a divorce from Elmer Lee Reed, a prisoner in the Indiana Reformatorp at Pendleton.

Mrs. Reed accused her husband of failure to support his family and of staying away from his home for long periods of time. She also claimed that he has no affection for his family.

Reed has had several brushes with the law. He was held in DeKalb County for a short time on a non-support charge but was released on his promise to take care of his family. He had been brought here after serving a sentence at an Ohio prison in Chillicothe.

In 1950 he was sentenced at Warsaw to the state reformatory on a second degree burglary charge. He escaped from the reformatory last February by hiding in an empty truck but was captured and returned to prison.

The couple was married March 1, 1943, and separated on Feb. 21, 1950.

COURSE FOR INSTRUCTORS IN HOME NURSING PLANNED

The home nursing instructors' course, sponsored by the DeKalb County chapter of the American Red Cross, will open Thursday, October 4.

Instruction also will be given on October 8, 9, 10 and 11.

After completion of the instructors' course by the specially-trained personnel, classes in home nursing will start. The opening date of the classes will be announced later.

At the classes starting on Oct. 4, trained instructors will lead all class discussions which will include nursing procedures. Individual practice will be held. Red Cross officials said persons will save time, money, effort and safeguard health by learning how to prevent illness and to recognize symptoms.

Qualifications required to enroll in the instructors' course are: Experience in teaching, must be a professional nurse, a teacher or teacher-trained person in the community, or must be active nurse employed by health and education organizations such as state and city health departments, county health units or local hospitals. Organizations or groups of professional nurses may include married, retired or inactive nurses.

The instructors' course requires 30 hours of training and the only expense is the purchase of the home nursing text book.

In view of the important role that the nursing service is playing in civilian defense, Red Cross officials urge enrollment. Interested persons are asked to call Mrs. Chet Hine, Auburn 1119-J. She is chairman of the nursing class. Or telephone 1599-W, Auburn, the county chapter office, to make arrangements for entering the classes.

P.T.A. Seeks School Band

The P. T. A. of the Concord Twp. Schools will hold its first meeting of the 1951-52 school year next Tuesday, September 18, at the school house in St. Joe.

Mr. Walter Moor, president of the organization, has announced that the meeting will be held for the purpose of organizing a school band. An attempt was made last year for the same goal, but lack of parental interest defeated the project.

Mr. Carl Zimmerman, music instructor at the St. Joe and Spencerville schools, will be present at the meeting to answer questions and give information on the school band requirements.

Cards will be sent home with school stulents Monday so that all parents will receive word of the important meeting. Mr. Morr stated also that parents of children now attending school and also of children who will attend in the next few years are especially urgel to attend.

The meeting will start at 8 p.m.

Caught Stealing At Newville

A 20-year-old Franklin Township young man was captured early Thursday morning by Sheriff Frank E. Carpenter while in the act of stealing farm equipment from a Newville Township farm.

The young man. Eldred Royal, who resides four and a half miles northwest of Butler, is being held on investigation of larceny charges. Charges of petit or grand larceny will be filed following a conference with Prosecuting Attorney James A. Angelone.

The sheriff said he received a telephone call about 5 a.m. from Delbert Washler of northeast of Newville who reported that someone was breaking into his barn. While the Washler family watched the burglar from their home a quarter of a mile from the barn, the sheriff sped to the scene.

Washler blocked the driveway to the barn with his truck while the sheriff surprised Royal in the barn where he was removing a part from a tractor plow. He offered no resistance, according to the sheriff, and made no attempt to escape.

According to the sheriff, Royal already had removed six truck garden plows and other equipment from the barn and loaded the loot in a trailer he had towed to the scene with his automobile.

Estimated value of the equipment which he had loaded was $200.

Royal is being held in the DeKalb County jail pending his appearance in court.

According to the sheriff, Royal admitted that he had stolen other equipment from the Washler property several days ago. The sheriff was unable to determine immediately what was stolen in the earlier burglary.

The sheriff said Royal at the age of 18 years was arrested late in 1949 on a charge of stealing corn from a farm near Hamilton.

At that time he was fined and received a suspended sentence.

Little Leaguers Drop 15-1 Game To Woodburn

Woodburn defeated Sechlers in Little League competition Tuesday night. The score was 15 to 1 in the game played at the local diamond.

The locals only run came in the first inning. Walter walked, Eddie Collins, walked, Donat got a single loading the bases and a passed ball allowed Walter to score. Thereafter the locals collected but one more hit, that in the second inning.

Woodburn got one in first, two in the third, five in the fourth and exploded for seven more in the sixth.

Economic Blights

Let Us Have Music-

If the local P. T. A. is to be successful in its project to start a school band, it will take the pushing—and we mean pushing—of the students' parents.

Grownups themselves know that in their younger days they for the most part had little ambition or opportunity to play a musical instrument. Only a comparatively few exceptions are there in any generation who express desires for musical education and work to gain experience and ability in that field. The average band or orchestra member of any school has been literally forced to sit down and practice. And that's what it will take in St. Joe. In time it can be determined whether or not a child has talent in music and should or should not continue. But the initial exposure to music must be made through the insistence of the parents.

The importance of music in our lives is not generally appreciated to the fullest extent. A babe in his mother's arms hears a lullaby the day he is born; as a man, he hears, sings and hums music throughout his lifetime; and finally as he is taken to his last resting place, the strains of his favorite hymn fill the hearts of his loved ones.

What better course can be offered to young people than music—what better means to understanding and participating in a peaceful world than through music.

Music is the song of the soul. It can be gay, melancholy, dramatic, exciting, to fit every mood. The child who recognizes the strains of a melody is enjoying not just the satisfaction of knowing what it is. But because he recognizes it, we know that it is to his liking—he can remember it, enjoy it and pass its beauty along to others.

We hope there will be a school band. And regardless of how small it may be or how many "clinkers" the kids may hit, it will still be "our band."

Individual Meat Loaves

Plan a new approach to the family's favorite meat loaf by molding it in custard cups. Enriched bread cubes extend the savory flavor and protein values of one pound of ground meat to serve four to six people.

Economy meals can be as delicious as expensive ones, the family will agree when they taste the tempting individual meat loaf menu pictured above.

There's new flavor interest when you combine ground veal and lamb in a well-seasoned meat loaf. You can, of course, mold the ground meat mixture in a bread pan, but baking in individual molds offers a novel shaping. For luncheon, serve each veal and lamb loaf with buttered carrots, green beans topped with mock Hollandaise sauce, and butterhorn rolls.

This menu can be enlarged for a thrifty dinner, too, by the simple addition of oven browned potatoes and a rhubarb cobbler for dessert. As a main dish to serve six people, the individual veal and lamb loaves average only about 15 cents a serving.

Nutritional score of the meat loaf entree is high, since enriched bread, meat and egg are high in protein content, essential B-vitamins and food mineral iron. The attractive appearance and excellent flavor of veal and lamb loaf will tempt everyone in your family to get the full value of this good nutrition.

VEAL AND LAMB LOAF

2 cups enriched bread cubes
½ pound ground veal
½ pound ground lamb
2 teaspoons salt
½ teaspoon pepper
½ teaspoon paprika
¼ cup catsup
1 egg

Combine bread cubes, meat, seasonings, and egg. Blend thoroughly. Place in greased custard cups. Bake in moderate oven (375°F.) about 1 hour. Makes 4 to 6 servings.

Local News

Mr. and Mrs. Howard Shilling were among those who attended the Indiana State Fair from Tuesday to Thursday.

Mr. and Mrs. Guy Buckingham of Marion, O., were Friday guests of their mother, Mrs. Lillian Buckingham.

Dick Freeburn was honored by his mother, Mrs. Emma Freeburn, Sunday evening with a birthday supper.

"Ham league" softball and girls softball will be the feature attraction at the St. Joe diamond Thursday evening, Sept. 13. Spencerville and St. Joe girls will face each other while the "country hams" will oppose the "town hams" in the second half of the double-header. Bill Sible is managing the country team and Joe Robinson has recruited a group from St. Joe.

Mr. and Mrs. Wilbur Yeiser honored their son, Donald, with a dinner Sunday afternoon before his entrance into the armed forces Tuesday of this week. Those present were Mr. and Mrs. Clayton Baker and Denny, Mr. and Mrs. Lloyd Yeiser, Mr. and Mrs. Harold Yeiser and daughter, Jack Bowser, Lewis Walter and Mrs. Belle Keesler. Afternoon callers were "Red" Carpenter of Butler and Mr. and Mrs. Tony Timmerman and six daughters of Bryan, Ohio.

Mr. and Mrs. William Hubbard and family of Cambridge City, Ind., and Mr. and Mrs. Leslie Inlow and family of Cincinnati were Labor Day week-end guests of relatives here. On Sunday, Sept. 2nd, the Inlow family enjoyed a picnic dinner at the park at Antwerp. Those who attended were Miss Jeanette Long of Auburn, Mr. and Mrs. William Hubbard and family of Cambridge City, Mr. and Mrs. Leslie Inlow and family of Cincinnati, Mr. and Mrs. Harold Keller of Hamilton, Mr. and Mrs. Cloyd Anderson and family of Avilla, Harold Furnish and children of Leo, Mr. and Mrs. Paul Inlow and family, Mr. and Mrs. John Arrants and son, and Mr. and Mrs. Harold Inlow and two sons, all of Hicksville, and Mr. and Mrs. A. D. Inlow and daughter, Mr. and Mrs. O. E. Inlow, Roger Inlow and Miss Irene Inlow, all of St. Joe.

Mr. and Mrs. Vernie Monroe were Sunday guests of Mr. and Mrs. Harvey Hull.

Mr. and Mrs. Merl Coburn are the proud parents of a baby boy born uTesday morning at the hospital in Garrett.

O. E. Inlow, A. D., Paul and Harold Inlow, John Arrants and Ervin Getters drove to Cincinnati Sunday to see the double-header between the Reds and the Cubs. The teams split the twin bill. It seems as much a race for the National League cellar as it is for the American League pennant this year.

The Concord Twp. Home Ec Club report was incorrectly headed "Concord Jr. Home Ec Club" in last week's issue.

All conservation clubs of Allen County will participate in a conservation picnic to be held Sunday, Sept. 16, at the Bluffton Game Farm, 3 miles east of Bluffton. A basket dinner will be held at noon and there will be lots of entertainment and activities for everyone.

Mr. and Mrs. Albert Wade were recent guests of Mr. and Mrs. Harvey Hull, celebrating their 30th and 26th wedding anniversaries respectively.

Fellowship Service At Coburntown Next Sunday

The Coburntown Church of Christ is planning on a Visitors' and Fellowship Day in conjunction with their day of appreciation to the workers of the church.

The church on the corners has made great strides in attendance and membership in the past few years without any great show of effort, but by a steady and continuous pulling together of its workers and teachers, it now has become a power for the Lord in its community.

This church so ably led by ministers with one goal in view, that of bringing men to Christ, desires now that all friends, past and present, visit on this day of Visitors and Fellowship and see the accomplishments of which it is so justly proud.

The church members will present a short program, the teachers will teach the Bible school and the minister will preach the Gospel.

Friends are invited to be at the church at 9:30 CDST on Sunday, September 16.

COBURN CORNERS CHURCH NEWS

The congregation had a farewell pot-luck supper August 28 for Mrs. Bessie Current and family at Alton Park. The Current family left September 4 to make their home in California.

Recent social activities of the Young People's Christian Endeavor include a picnic at Pokagon State Park, a surprise farewell party at the home of Mr. and Mrs. Howard Poff for John Matthews who recently left for the air force and a party at the home of Doris Longardner, at which the group had a jolly time playing games. Refreshments of sloppy joes, potato chips and coke were served by the hostess.

The Jesus Helpers Class met at the home of their teacher, Mr. Elwood Hart, for a pot luck supper Sept. 4. The evening was spent in singing and playing games.

The Beavers Christian Endeavor had a party at the home of Darlene Hamilton September 6. The evening was spent in playing croquet, ping pong, kick it, donkey and group games, after which Donna Lou Cook conducted devotions. Mrs. Hamilton served refreshments of sandwiches, potato chips, wafers and koolade.

The Busy Beavers Christian Endeavor lesson was "Winning Others," led by Bobbie Wilder Sunday evening.

The Young People's Christian Endeavor was led by Jim Knop. A very interesting discussion was held concerning "The Christian Endeavor Organiation Working With the Church." Plans were discussed concerning the DeKalb County Youth Rally which will be held at Coburn Corners in October.

Ninety-seven attended evening services Sunday evening. Specials were given by Betty Mann and Darlene Hamilton, Rhoda Ulm and Mrs. Eugene Hook and sister. The evening message was "The Building of an Inheritance."

A delicious pot-luck dinner was held at the Leonard Jarrett home in honor of Carlton Curie who is leaving September 13 to attend Cincinnati Bible Seminary and Pfc. Harold Curie who is stationed at Camp Breckinridge, Ky. Others present were Mrs. Minnie Gee, Mrs. Cora Curie, Mr. and Mrs. Frank Curie, Mr. and Mrs. Roger Brown and Larry, Mr. and Mrs. William Moore and family, and family, Mr. and Mrs. Gerald Mr. and Mrs. George Frederick Cook and family, Mr. and Mrs. Everett Mavis, Mrs. Forrest Bivington and Mrs. Leonard Jarrett and family.

Leonard Jarrett is driving one of Byron Current's cars through to California. He expects to be gone a little over two weeks.

Rally Day At Mt. Pleasant Sunday

The Mt. Pleasant E.U.B. Church will hold a Rally Day and Homecoming on Sunday, September 16. The occasion will also commemorate the golden anniversary of the Ladies Aid and dedication of new carpet and song books will be held.

The program for the day is as follows:

Sunday School 9:30 a.m. Adult classes taught by Chas. Krise, children's classes taught by Miriam Jeffers.

Dedication of song books purchased by children's classes: Dr. B. F. Smith.

Special sermon by Dr. B. F. Smith.

Basket dinner at noon.

Afternoon service at 1:30 p.m.
Song service

Recognition of 50th anniversary of Ladies Aid.

Dedication of the carpet: Dr. B. F. Smith

The public is invited to come and meet their friends and enjoy this four-fold service on September 16.

I.U. EXTENSION FALL TERM STARTS SEPT. 17

The Fort Wayne Center of Indiana University opens its fall semester September 17, Dr. Ralph E. Broyles, director, announced. The Center brings to this entire section of the state the advantages of a great university offering an extensive curriculum of both credit and popular lecture courses. It enables students to acquire two years of university credit work before transferring to the university campus. It also offers special lecture courses for adults, covering subjects of practical and cultural value. Students may attend part-time or full-time, day or evening classes.

Special enrollment week has been set aside from September 10 to 15 inclusive and Dr. Broyles urges all students to enroll at or before the first meeting of classes. The Center office, 1120 South Barr Street, opened daily from 8:30 a.m. to 5 p.m., will be open Wednesday, Thursday and Friday of enrollment week until 8 p.m. Orientation tests will be held the afternoon of September 7 from 1 to 4 p.m. and from 6 to 9 p.m. for all students who have not previously attended the university. Robert Towns, faculty member and counselor, will give the tests.

A faculty of around 60 instructors including full-time and part-time will be in charge of some 122 classes scheduled. The part-time faculty will include members from the faculty of the university campus at Bloomington, Fort Wayne high schools, neighboring universities and professional and industrial leaders.

Educational objectives included teacher's training, music, business, pre-medicine, pre-dental, pre-law and others.

Classes for the fall semester have been scheduled in botany, business, chemistry, economics, education, English, fine arts, French, geography, German, government, health, physical education and recreation, history, home economics, law mathematics, music, philosophy, physics, psychology, Russian, sociology, Spanish, speech and zoology.

Special and popular lectures for the adult educational courses will be given in the following subjects: What Expectant Mothers Should Know, The History and Philosophy of Religion, Interior Decoration, Broadcasting, Transportation and Traffic Management, Seminar in Problems of Small Business, National and International Problems of Today, Great Books, Beginner's Course in Cooking, Vocational Guidance, Professional Courses in Insurance, Training in Choral Music, Parliamentary Drill and Procedure, Personal Tax Problems and review courses in English, elementary algebra, plane and solid geometry.

Spencerville News

Woodrow Smith was manager of the Lutheran softball team the past summer, not Woodrow Hursh as reported last week.

Mr. and Mrs. C. R. Warner of Crestline, O., and Mrs. Lola Moore are spending the week at Lake Pleasant. The Warners are cousins of Mrs. Moore.

Mr. and Mrs. W. D. Miller of New Mexico and Elva Hoover were visitors at Coldwater, Mich., Sunday.

Mr. and Mrs. Walter Reid, Sr. and family spent Saturday and Sunday at Indianapolis. Mr. Reid's mother accompanied them home to spend a few weeks.

Claudia Hafner and Florence Silberg were callers Friday afternoon in the Arthur Stewart home at Garrett.

Word has been received from Herbert Hoover that he is now stationed at Fort Riley, Kansas, for basic training. He left for the army on August 15. His address is: Pvt. Herbert A. Hoover, U.S. 55178865 Co. M, 1st Platoon 85th Inf. Regt. Div., Fort Riley. Kan.

On Sunday, September 9, the young married people's class of the Spencerfille Lutheran Church entertained the softball team, their friends, families and fans at the home of Mr. and Mrs. Homer McMaken, south of Spencerville. The early part of the afternoon was spent in mixing ice cream and turning freezers. Outdoor games, horseshoe, monopoly and various card games completed the beautiful Sunday afternoon. At 5 o'clock, about 65 people partook of a delicious lunch consisting of sandwiches, potato chips, cake, coffee, cool-aid and gallons of ice cream. Those attending were: Mr. and Mrs. Jerry Blauser, Rev. and Mrs. Baker, Phyllis and Buck Ritenour, Mr. and Mrs. Maurice Hollabaugh and family, Mr. and Mrs. Roy Chaney and Margaret, Virgil, Helen and Peggy Koch, Betty and Mary Beckman, Rally, Gaylon, Kate and Sonny Markle, Mr. and Mrs. Wayne Smith and children, Mr. and Mrs. Woodrow Smith and children, George and Lucy Beams, Frank and Maude Beams, Nita, Shirley and Peggy Timmerman, Howard and Louis Timmerman and their lady friends, Lynn and Gaynell Lake, Floyd Dean, Woodrow and Opal Hursh and children, Kenneth and Alice Norris and children, George and Frances Doll, and the host and hostess, Homer and Elinor McMaken and children. After a day of fun, fellowship and lots of talking, the group departed hoping to have as good a team next year. Many thanks are due the McMakens for their kind hospitality.

Town and Farm

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

I IMAGINE many of my friends in town and on the farm have been enjoying fresh vegetables and lovely bouquets from their own gardens. In your garden work you've probably found that most soils need humus because humus allows the soil to hold more moisture and makes the garden easier to work.

One method of supplying humus to the soil is by adding manure and another is to grow a clover crop in the garden. Still another method is to build a compost pile and put the compost on the garden soil. This is one of the best ways of providing humus, because you are making good use of waste materials.

You can make a compost at any time of year, but the process of decay will be slowed up when it gets cold. So now is a good time to begin making a compost pile which can be prepared throughout the rest of the year. Possible materials are leaves, grass, weeds, straw, discarded plant remains from the garden if they are not diseased, scraps of vegetable matter, sawdust, sod, soil, and animal manures.

To begin, locate the compost pile where it is screened by a building, or some plant growth. As the materials become available, put them in layers on the ground, keeping the top of the pile lower in the middle than on the sides, so it will catch rainwater and hold it in the pile.

From time to time apply a layer of animal manure and chemical fertilizer. Spread about one pint of garden fertilizer over each six-inch layer where the compost pile is ten feet long and five feet wide. It is also a good practice to scatter some lime over each layer. If you want to put on some nitrogen, use nitrate of soda or sulphate of ammonia. During dry periods put water on the pile and be sure the compost is thoroughly rotted before applying to your garden. The compost is improved by mixing occasionally.

Garden Souffle

Elegant Simplicity—A Garden Souffle

Vegetables are on parade. The colorful bounty of farm and garden is yours for the table. Plan to serve them often in many interesting ways while they are plentiful and inexpensive.

Garden Souffle is a top hat version on the vegetable theme that is bound to make a hit with both the family and the pocketbook. The ingredients are nutritious, colorful and thrifty. Fresh, sweet margarine, vegetable liquor and milk form the basis of the white sauce. Golden egg yolks that are beaten until thick are carefully added to the white sauce along with emerald green peas and bright yellow carrots. Chopped chives, lemon juice and Worcestershire sauce go into the mixture for flavor that sings. The whole is then carefully folded into a white cloud of stiffly beaten egg whites. The results—a puffy souffle that comes to the table holding its top hat high.

Round out the main course by serving crisp bacon, a dish of red-ripe tomato slices with onion rings marinated in French dressing, crisp-crusted rolls and plenty of thrifty margarine for spreading. For dessert, serve scoops of vanilla or New York ice cream between halves of chocolate cup cakes. The beverage—tinkling glasses of iced tea or coffee.

GARDEN SOUFFLE

- ½ cup fortified margarine
- ½ cup enriched flour
- ½ teaspoon salt
- ½ cup vegetable liquor
- ½ cup milk
- 1 tablespoon lemon juice
- ¼ teaspoon Worcestershire sauce
- 2 tablespoons chopped chives
- 4 eggs, separated
- 1 cup cooked chopped carrots
- ½ cup cooked peas
- ¼ teaspoon cream of tartar

Melt margarine in sauce pan over low heat. Add flour and salt and mix well. Add vegetable liquor and milk. Cook over medium heat until thick, stirring constantly. Add lemon juice, Worcestershire sauce and chopped chives. Beat egg yolks until light. Add some of the hot white sauce to the egg yolks and mix. Return egg yolk mixture to white sauce and stir well. Add carrots and peas. Beat egg whites until foamy, add cream of tartar and beat until stiff. Fold beaten whites into vegetable mixture. Pour into a margarined 2-quart casserole. Bake 50 minutes in a 325 degree oven.

Yield: Serves 6.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Luke 9:49-50; Acts 11: 22-30; 15:1-35; I Corinthians 1:10-13; II Corinthians 9:1-5; Philippians 1:15-18. DEVOTIONAL READING: John 13: 1-13.

Churches Unite

Lesson for September 16, 1951

MORE THAN 200 different denominations of the Christian church exist in the United States alone. Several of these claim to be the one and only "true" church, but even those that do not make this claim are sufficiently pleased with themselves to stay on as separate denominations. Some Christians find this division of Christendom a scandal and a sin. Others find it the glory of Protestant Christianity that it has freedom and room for so many varieties of Christian faith. Has the Bible anything to say about this?

Dr. Foreman

• • •

The Mother of All Churches

You will not find such words as "denomination" in the New Testament. Such words as Episcopalian, Lutheran, Baptist (referring to a church), Presbyterian, Mennonite, Roman Catholic, or other modern tags, are not to be found in the Scriptures.

All the same, our lesson passages give us some important suggestions. Luke tells how horrified the disciples were at discovering some one not of their own organization, doing good work in Jesus' name. They would have stopped him; but Jesus said, "He that is not against us is for us."

That is a good way to think about other Christian churches. The story in Acts 11 tells how churches in the earliest times helped one another in various ways. II Cor. 9 shows how the good example of one church can be a challenge to others to do still better.

As that Jerusalem meeting handed down a decision affecting many congregations and persons, so now the findings and decisions of great bodies of churches have a weight and an importance far beyond what might be said by single congregations. That council was the mother of all councils as the New Testament church was the mother of all churches.

• • •

All Christians Are Brothers

IN HIS first letter to that problem-church of Corinth, their first pastor Paul urges the different parties in the church to remember above all that they are Christ's people rather than any one's else. The name of Christ is far more important than any of our denominational labels.

In his letter to the Philippians Paul says an even more striking thing. "I know that some are preaching Christ out of jealousy, to annoy me . . . but what does it matter? The fact remains that Christ is being preached, whether sincerely or not, and that fact makes me very happy."

In America today we are beginning to catch the New Testament spirit. Taking the situation as a whole, there is more get-together-ness than fly-apart-ness among the churches. Cooperation is taking many forms. Locally in communities, or in state-wide interdenominational associations, or on a national scale, churches are doing together what separate churches or denominations would find difficult or impossible.

Besides recent large mergers of denominations such as the union of Methodists north and south, the Evangelical United Brethren, the Evangelical and Reformed, and Congregational-Christian, there are many other groupings of like-minded churches, pooling their resources for evangelism, education, missionary work and many other purposes.

• • •

Message to the People

THE largest and most impressive get-togethers are the National Council of Churches of Christ in America which includes every large American denomination but two; and the great World Council of Churches with member-churches in every Christian land.

These words from the first message of the National Council to the people of America ring out the spirit of unity growing today: "This council has been constituted by 29 churches for the glory of God and the well-being of humanity. It manifests our oneness in Jesus Christ as divine Lord and Savior; his is the mandate we obey and his the power on which we rely. Our hope is in him. In him we see the solution of the world's ills. The council itself is a demonstration of his power to unite his followers in joyous cooperation."

Roadside Council Gets Approval Of Project

Mrs Clyde Husselman of Grant Township, near Auburn, president of the DeKalb County Roadside Council, announced Thursday that the state highway department has authorized the group to go ahead wih plans for the planting of trees and shrubs at the future site for a roadside park on U.S. highway 27 between Auburn and Waterloo, south of the Silver Moon skating rink.

Mrs. Husselman stated that while the highway department at this time is not developing additional parks in the state, it does approve of the planting of shade trees and shrubs at sites which have been designated for development into roadside parks in the future.

Mrs. Husselman said that three officials from the highway department visited her Wednesday and went over plans for the improvement of the site. The three officials, Charles A. Wilson, state landscape supervisor; M. C. Bugh, draftsman from the roadside improvement department; and Robt. M. Beck, district landscape supervisor from Fort Wayne, approved the plans for beautification of the site.

The DeKalb group is now ready to start the planting of shade trees and shrubs in the designated area which is now nearly bare of trees. The site, on the east side of the road, was chosen because of the size of the area and will provide excellent facilities for a roadside park.

The state highway department is now studying the layout of the site and will forward plans for its development to the local organization.

Mrs. Husselman urges the roadside council representatives from all of the other organizations in DeKalb County to attend the next meeting of the roadside council which will be held on the fourth Monday night of this month, September 24.

APOLOGY

We wish to express our regret over the poor service which our store has given the past few weeks. As many of you know, we—that is my wife and I—spent the greater part of our time helping put on the DeKalb County Fair and consequently neglected our own business. Thinking along this line we wish to state that in our opinion no fair-minded citizen could fail to see that he or she should assist in the various community improvement projects. As our personal contribution in this line, we have for seven years taken a major part in your DeKalb County Fair.

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, September 20, 1951 — NUMBER 35

Around the Town

With the Editor

Edna Amstutz came over to our back door one day last week just as I was headed out to find the boys. She wanted to know if we'd seen Allen. Just then we heard young voices from the vicinity of the B&O depot so we walked in that direction. Allen and Dave were busy playing there and as we approached Edna began a parental tirade of where've-you-been-I've-been-looking-all-over-for you-why-didn't-you-answer - etc.

"Didn't you hear me call?" she asked.

Allen was visibly confused and evidently was trying to figure a way out of it. He answered, "Well I-uh-yeah, I heard you—but it didn't sound like you, Mom!"

LEO AUXILIARY NEWS

Mrs. Vernon Halter was installed as president of Leo Unit 409 Wednesday evening, September 5. Other officers installed were Mrs. Fred Marolf, 1st vice-president, Mrs. Edison Martin, 2nd vice-president, Mrs. James Savage, 3rd, vice-president, Mrs. Robert Souder, recording secretary, Mrs. Elmor Griswold, corresponding secretary, Mrs. William Bender, chaplain, Mrs. Harold Kryder, historian, Mrs. Walter Dean, treasurer, and Mrs. Park Sebert, sergeant-at-arms.

The installing officer, Mrs. Della Kryder, presented the outgoing president, Mrs. Robert Tharp, with a past president pin from the unit.

The various committees gave their monthly reports and Mrs. William Hudson gave an interesting report on her visit to the Department Convention at French Lick.

The Leo Juniors took first place on their Pan-American Doll and history of the doll at the department convention.

The president presented Mrs. Harry Tharp, publicity chairman, and Mrs. Harold Kryder, unit historian, their award from the district contests.

Mrs. LeVon Bender, Music Chairman, and Mrs. William Bender were in charge of refreshments and social hour.

Seminar For Teachers October 1-5

The Higley Press of Butler, publishers of Sunday School literature for 35 years, announces a fall seminar for Sunday School teachers to be held at Butler October 1-5.

Classes will be held nightly from 7 to 9:15 o'clock at the Butler High School assembly room. The seminar is sponsored by the Higley Press for the benefit of teachers and prospective teachers in Sunday Schools of all denominations in the area. There is no tuition charge. A certificate of credit in the field of Christian Education is issued to all who meet the requirements. Attendance without credit is open to the public.

The program of each evening will include a motion-sound picture appropriate to the theme of the evening, a workshop period and a closing address.

The seminar is under the direction of Loyal R. Ringenberg, editor at the Higley Press and formerly instructor of Bible at the Fort Wayne Bible College. Others on the staff include Miriam M. Jeffers, writer of children's literature at the Higley Press, E. E. Reidenbach, pastor of the E. U. B. Church of Butler; W. H. Baker, pastor of St. Mark's Lutheran Church at Butler, E.D. Imler, pastor of the Butler Methodist Church; Cletus E. Jenkins, superintendent of the Butler public schools; James R. Snow, pastor of the Butler Church of the Nazarene; J. F. Bright, pastor of the E. U. B. Larger Parish at Butler; Ted Brannen, pastor of the Butler Community Gospel Center; Phyllis Brannen, visual aid artist; and Guy Jeffers, retired missionary of the American Sunday School Union.

Butler May Get City Status

The Butler Booster Club is exploring the possibilities of changing the Butler municipal government from a town to the status of a city.

The idea was presented to the group by George Fuller, who outlined the advantages of a city government over that of a town government.

Mr. Fuller told the group that a city government was a more efficient form of government, inasmuch as the governing body is composed of one elected representative from each of four wards, plus one representative at large, and a mayor, compared to three elected representatives under the present town government.

It is also pointed out that if Butler should become a city, it would receive a larger amount of money from the state.

Mr. Fuller said that it had been the belief for many years that a community had to have a population of 2,000 before it could become a city. However the State Chamber of Commerce in a recent publication says the number of people in the community has nothing to do with its form of government. There are two communities in Indiana with less than 2,000 population that have city governments. A further ruling on this point is being sought by the Booster Club.

If the organization finds it possible for Butler to have a city government they will petition the present town board to put the issue before the people in the form of a ballot at the next election.

Butler enjoyed the advantages of a city government for many years, but during the depression, in what was believed to be an economy move, the state ordered all communities of less than 2,000 population to establish town governments, unless the communities proved at an election that they wanted to remain cities. Butler made no effort to remain a city at that time, while Angola, Montpelier and other towns of less than 2,000 population chose to retain their city governments.

Town Tax Rate Cut 38 Cents

The DeKalb County tax adjustment board recessed the 1951 session at noon Wednesday of last week after ordering reductions in he proposed tax levies for 1952 in 21 of the county's 24 taxing units.

Most of the reductions in the 21 units were from one to four cents. But in the budget for St. Joe town, where a miscalculation was made in anticipated miscellaneous revenue, a big slice of 38 cents was made in the general corporation levy. This reduced the levy from $1.20 to 82 cents.

The board made no change in the county general levy which was advertised at 45 cents. And the welfare rate of 9 cents was unchanged.

The county auditor also announced that the state has reported that its levy for 1951 will be 15 cents on the $1000 valuation. The rate is the same as this year.

The adjustment board also made no changes in the poll tax levies or the township poor tax levies.

Following are the reductions made by the board:

Concord Twp.—1 cent from the township rate from 13 to 12 cents; 2 cents from the tuition levy from $1.07 to $1.05; and 2 cents from the special school tax from $1.10 to $1.08.

Fairfield—1 cent from the twp. fund from 10 to 9 cents; and 1 cent from the tuition levy from $1.05 to $1.04.

Franklin—tuition rate reduced 1 cent from $1.03 to $1.02.

Grant—special school levy reduced 1 cent from $1 to 99 cents.

Jackson—tuition levy reduced 1 cent from 44 to 43 cents.

Keyser—3 cent reduction on tuition levy from 74 to 71; and 4 cents off special school fund from 87 to 83 cents.

Newville—1 cent of the township rate from 23 to 22; two cents off the tuition levy from 97 to 95 and 1 cent off the special school fund from 35 to 34 cents.

Richland—1 cent off the township rate from 11 to 10; 2 cents off the tuition levy from 33 to 31 and 2 cents off the special school levy from 38 to 36.

Smithfield—1 cent off the township levy from 10 to 9 cents.

Spencer—1 cent off the township rate from 17 to 16; 1 cent off the tuition rate from $1.13 to $1.12 and another cent off the special school levy, reducing it from 86 to 85.

Troy—reduced the special school fund 1 cent from 26 to 25.

Union—reduced the township levy 1 cent from 5 to 4 cents and sliced 1 cent off the tuition rate from 74 to 73.

Auburn—reduction of 1 cent on the Union twp. rate from 5 to 4 cents; 1 cent off the special school from $1.44 to $1.43 and 1 cent off the city library tax from 11 to 10 cents.

Garrett—tuition levy reduced 1 cent from 77 to 76; two cents off the special school tax from 89 to 87 and 1 cent off tht general corporation levy from 65 to 64. The reductions leave Garrett with a total rate of $3.94 on the $100 valuation.

Altona—3 cents off the tuition rate from 74 to 71 cents and reduced the special school levy 4 cents from 87 to 83.

Ashley—reduction of 1 cent on the Smithfield twp. rate from 10 to 9 cents; and 1 cent off the general corporation rate from $1.25 to $1.24.

Butler town—reduced the general corporation levy 1 cent from $1.14 to $1.13.

St. Joe—reduction of 1 cent on the Concord twp. rate from 13 to 12 cents; 2 cents off the tuition levy from $1.07 to $1.05 and 2 cents from the special school levy from $1.10 to $1.08 in addition to the 38 cents reduction in the general corporation levy from $1.20 to 82 cents.

Corunna—reduction of 1 cent from 11 to 10 on the Richland twp. rate; 2 cents off the tuition rate from 33 to 31 cents and 2 cents off the special school levy from 38 to 36 cents.

Waterloo—1 cent off the special school levy from $1 to 99 cents and 1 cent off the general corporation rate from $1.28 to $1.27.

Auburn-Jackson—reduction of 1 cent on the special school fund from $1.44 to $1.43 and 1 cent off the library levy from 11 to 10 cents.

The rate setup for three of the county's taxing units remains unchanged. These are Butler township, Stafford township and Wilmington township.

Members of the adjustment board were Donald Schaab of Auburn, Harry Wert of Garrett, Fred Reinig of Smithfield township and Merritt Sechler of Concord township, all of whom were appointed by Judge W.D. Stump; Carl F. Stallman of Auburn, representing the county board of education; Clarence Kairn of Auburn, reprtsenting Auburn and County Councilman Francis Hogue. The county auditor and county treasurer served as ex-officio members.

The proposed budget and levies now go before the state board of tax commissioners for final action before the levies for 1952 are finally determined. The date for the state board hearing has not been set.

Lots Of Fun At Diamond

It's getting cool but the interest in local softball activity hasn't been affected by the weather. And the fans have been rewarded for their attendance by some entertaining games.

Thursday's game saw the high school defeat Spencerville by the rousing score of 19-7. Kenny Walters clouted two homers and the whole team enjoyed a batting spree.

On Monday evening the girls from Spencerville took part in a four-inning slugfest which St. Joe won (they say) 22 21 and which Spencerville won (they say) 24-22. At any score, it was a lot of fun for the girls and the spectators.

The second game was played by the "country hams," managed by Bill Sible, and the "town hams" under Joe Robinson. The score ended at something like 21-10 in favor of the country team.

Among other things both teams had the same trouble as the Brooklyn Dodgers — finding a left fielder, what with fly balls going over their heads and the fielders falling on their faces. Then some difficulty arose as to who played on what team but it was finally settled.

St. Joe's assistant coach, Bob Draggoo showed some powerful slugging and speedy base running. And Gene Baker, who is a speed demon himself, hit a homer behind Herb Amstutz who got on base. But by the time Herb got within five feet of home plate, Gene was right behind him and didn't stop for anything, not even his team mate. They both "flew" across the plate.

The game gave some of the local "coaches" a chance to show what they could do and how the game should be played. More of the same "coaches" will get an opportunity to show their stuff when the "Over 30" bunch meets the "Under 30" gang Friday evening. Pete Akey and Don McElroy are in charge of the oldsters and Franklin Sechler has the youngsters.

Games for next week include—

Monday—country hams vs. town hams.

Wednesday—Single men vs. married men.

Thursday—girls softball; Old Timers vs. Little Leaguers.

Friday—Spencerville "Over 30" vs. St. Joe "Over 30" at 7 p.m. and News vs. ?

CONSERVATION CLUB

The St. Joe Valley Conservation Club's Anniversary Shoot will be held on Sunday, September 30. A trophy will be awarded to the winner.

The regular shoot scheduled for September 23 had been cancelled due to conflicts with other meets.

Cake Walks Feature Of Dance

Cake walks will be a special feature of the square dance to be presented Friday, September 28, at the school gym in St. Joe.

Herb Amstutz and Lloyd Dunten have been placed in charge of the refreshments to be offered during the evening, and they have planned to have plenty of home baked cakes for the cake-walks and also for sale after the dance, should there be any left. Other refreshments will include hot dogs, pop, pop corn, etc.

The dance will start at 8 p.m. with a square dance caller and a musical trio to direct the dances, Joe Robinson, dance chairman, has disclosed. There'll be round dancing, too, for those who desire some variety for the evening plus other entertainment to please the family.

Children under twelve years of age must be accompanied by their parents to attend the dance.

SPENCER TWP. HOME EC

The Spencer Twp. Home Ec Club met at the home of Elizabeth Akey September 12 with 16 members, two guests and six children present.

The meeting was opened by the president, Dorothy Kimes. The history of the song of the month, "Santa Lucia," was given by Grace Lacb. Devotions py Winifred Hart included the 13th chapter of 1st Corinthians and a poem by Edgar Allen Poe. The sercetary's report was read and roll call was answered with "a school day I remember." New and old business was discussed and two bills were presented and allowed. A baked goods sale was set for October 13 at the Shell Service Station in Spencerville. The sale will begin at 9 a.m. All baked goods must be in not later than 12 noon.

The entertainment of the day was prepared by Valda Brown and Winifred Shook, prizes going to Nellie Allen, Gradys Hart and Donzella Graham. Lunch was served by the co-hostesses, Edna Goldsmith and Izetta Chaney, and was enjoyed by everyone.

The next meeting will be with Bessie Witt October 10.

Date Filled Coffee Braid

Braid an enriched sweet yeast dough for an attractive cover to a luscious date layer. Glaze the baked coffee cake with icing for party refreshment.

Whether you and your friends watch football at the stadium, on your T-V set, or listen to it on the radio, the end of the game is the kick-off for refreshments.

You'll find a ready welcome for a tray of fresh sugared doughnuts and spicy cider . . . or fruit-filled coffee cake and hot chocolate. Stop by the baker's for these treats, or if you're in a baking mood, add Date Filled Coffee Braid to your family's roster of favorites.

It's reassuring to know that anything so good can also be good for you. Enriched flour is the star ingredient for this good bread because of the quota of B-vitamins and food iron it provides. It is a thrifty base, too, since the coffee cake costs under 30 cents.

Apricot, prune or fig fillings may be substituted for the rich date filling to accommodate your larder or a friend's prefarence.

DATE FILLED COFFEE BRAID

1 package yeast, compressed or dry
½ cup lukewarm water
½ cup milk
¼ cup sugar
1 teaspoon salt
3 tablespoons shortening
3½ cups sifted enriched flour (about)
1 egg
Date Filling

Soften yeast in lukewarm water. Scald milk. Add sugar, salt and shortening. Cool to lukewarm. Add flour to make a thick batter. Mix well. Add softened yeast and egg. Beat well. Add enough more flour to make a soft dough. Turn out on lightly floured board and knead until smooth and satiny. Place in greased bowl, cover and let rise in warm place until doubled (about, 1½ hours). When light, punch down and let rest 10 minutes. Roll out to rectangle about 24 inches long and 6 inches wide. Spread Date Filling lengthwise down center. With scissors or knife make slashes 2 inches long and 1 inch apart along each long side of strip. Fold these pieces across filling alternating from side to side. Coil loosely into greased 9-inch layer pan. Let rise until doubled (about 45 minutes). Bake in moderate oven (350° F.) about 25 minutes.

Date Filling

¼ cup sugar
1 tablespoon cornstarch
Dash salt
½ cup water
½ cup chopped dates

Combine sugar, cornstarch and salt. Add water and dates and mix well. Cook over low heat, stirring constantly until thickened (about 7 minutes). Use as filling for Date Filled Coffee Braid. Makes 1 coffee cake.

Local News

Mr. and Mrs. Dan Shull of near Tiro, O., visited Sunday at the O. K. Shull residence and attended a picnic at South Scipio school in the afternoon. On Sunday evening they visited C.M. Watts and called on Mrs. Shull's sister, Della Brown. On Monday they visited friends at Auburn.

Mrs. Arietta Miller of Chicago spent the week with her mother, Mrs. Pearl Williams.

Mr. and Mrs. Charles Thornton of Baltimore, Md., former residents of St. Joe, are happy over the arrival of a baby boy, Robert Clarke, born September 10.

Saturday evening guests of Mr. and Mrs. Ted Haberkorn and sons were Mr. and Mrs. Phil Appleman and Mr. and Mrs. Ted Haberkorn Sr. of Ft. Wayne.

Mr. and Mrs. Ira Hook and son, Vance, attended a birthday surprise party Sunday for their daughter, Mrs. Dorothy Shanks, at Edgerton. A bountiful potluck dinner awaited her upon her return home from church services. Others who enjoyed the day with her were Mr. and Mrs. Charles Hilbert of Montpelier, Mr. and Mrs. Farrell Evans of Bryan, Mr. and Mrs. Don Cook and son, Billy, Mr. and Mrs. Wayne Hook of Fort Wayne, Sgt. Carroll Shanks of Camp Atterbury and the honored one and children, Sue Ellen and Gary.

Mr. and Mrs. Calvin Hull, Cynthia and Ronnie of Sherwood, O., were Sunday guests of Mr. and Mrs. Harvey Hull.

Tuesday evening dinner guests of Mr. and Mrs. Ted Haberkorn Sr. of Fort Wayne were Mr. and Mrs. Ted Haberkorn Jr and Mr. and Mrs. John Haverstock of Leo. The dinner was given as a farewell gathering for Mr. and Mrs. Phil Appleman who left Thursday for New York where they will embark on S.S. Ile de Grasse for Lyon, France. Mr. Appleman is attending the university at Lyon on a Kefauver Scholarship. The scholarships are awarded to outstanding students working for higher degrees of learning. Mr. Appleman is working toward a doctor's degree. Mrs. Appleman (Margie Haberkorn), who wrote a series of articles two years ago for News readers, will also continue her studies in France.

Mr. and Mrs. Paul Carpenter of Fort Wayne were Saturday callers in the Harvey Hull home.

Mr. and Mrs. Merl Guilford and Mr. and Mrs. Don Keller motored to Goshen a week ago and visited Mr. and Mrs. Miles Oberlin and Barbara Jo. "Trustee" Keller and "mayor" Guilford gave a report of the town's activities.

Mr. and Mrs. John Crothers leave Saturday for a trip thru the New England states.

Mr. and Mrs. James Draggoo and son, Tommy, spent the weekend with Mr. and Mrs. M. Morr at their new home in Springfield, O. Mr.Morr has purchased a paint store and is now in business there. Mrs. Marie Draggoo returned Sunday after a week at Springfield.

Mr. and Mrs. Carlos Church and daughter, Linda Ann, are visiting relatives in Greenfild and Petersburg, Ind., for a week.

Mrs. Grace Dilley, Mrs. Belle Woodcox, Mrs. Lela Northrup and Mrs. Glen Cole were Friday dinner guests of Mrs. Don Burley.

Lester Baker and Argil Richmond are fishing this week in Canada.

Mrs. Don Burley, Mrs. Avis Staman, Mrs. Grace Dilley and Mrs. Agnes Monroe were dinner guests of Mrs. Cora Curie Tuesday.

Jo Bowser entered Wittenburg College at Springfield last week. Word from her states that she likes her work. Jo received a $200 scholarship from the St. Joe school.

Mr. and Mrs. Don Keller and Mr. and Mrs. Glen Cole spent a few days fishing in Michigan this week.

Mrs. Lester Baker and Mrs. Argil Richmond were Sunday guests of Mrs. Jake Waltz of Butler. Mrs. Richmond was a house guest of Mrs. Baker Saturday night.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

CRITICIZE DRAFT PLANS—The Department of Defense came in for considerable criticism during the debate on its record-breaking peacetime request of $61 billion for its methods in spending the taxpayers money for ballyhooing enlistments and handling of the draft.

Among the facts brought to light were that under the Army Air Force recruiting program, a contract was let to a Chicago advertising agency for $150,000, part of which was spent for sponsoring a radio mystery program called "The Shadow." It also was pointed out that "The Shadow" was only one of five radio and TV shows presented at various times sponsored by the military.

The present budget for the Department of Defense calls for the expenditure of $3 millions for advertising.

RECRUITING OFFICERS—The job of recruiting volunteers for the armed forces also came in for discussion, when it was revealed that the Department of Defense has 14,377 persons engaged in recruiting. The Army and Air Force use 9,260 persons; Navy 3, 324; Marine Corps 1,793. Congressional sources recommended that recruiting be handled thru local draft boards on a volunteer basis which would provide prospective enlistees with the opportunity of volunteering and save manpower for military purposes.

CONGRESS KEPT IN DARK—A protest was made that the Armed Forces is making many unnecessary expenditures but Congress is helpless to effect economies because of limited personnel in the various Committees studying appropriations. At the same time the executive agencies have thousands of statisticians and other persons who are employed in attempting to secure the biggest appropriations possible from the Congress.

RESERVISTS JOLTED—A House approved proposal to force the armed services to discharge any reservist who has completed 12 months of active duty since the outbreak of the Korean War has been rejected by the Senate. There is still a remote possibility that the amendment may be reinserted in the Defense appropriation when it is considered on the Senate floor or before a House Senate conference committee.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

TWO KINDS OF FOG

THERE are two kinds of fog—atmospheric and alcoholic. They both cause traffic deaths.

The death rate in night traffic accidents is four times that of the daylight rate. Increased rate of death at night is due to defective taillights, defective headlights, inadequate visibility, fatigue, fog and alcohol.

It has been ascertained that the hour when most deaths occur from motor vehicle accidents is Saturday between the hours of 6 p. m. and 7 p. m. On any day, the period from 5 p. m. to 9 p. m. is more hazardous than other times in the day.

A recent survey of 32,000 highway traffic deaths indicates there were 18,400 persons killed in night accidents compared with 13,800 in the daylight. However, night traffice is only one-third that of daylight traffic, hence the higher death rate.

Collisions with pedestrains account for the largest number of deaths—almost 40 per cent of the total. Collisions between motor vehicles cause one-fourth of the highway deaths.

It is not the driver of the car who is most likely to be killed, but the passengers in the car. The driver has something to hold onto and is behind the wheel, while passengers are many times thrown from the car—even through the windshield.

Drive right day or night—atmospheric fog is bad enough without the aid of alcoholic fog.

Softball 'World Series' Starts Saturday

The National Industrial Fastball League playoffs have emerged as the "world series" of softball between the Midland Dow Chemicals and the Fort Wayne Zollner Pistons. The best three out of five series starts Saturday night in Fort Wayne's Zollner Stadium with a single nine-inning game.

Both Fort Waye and Midland claim world's titles. Fort Wayne captured the world's industrial tournament 10 days ago and Midland took the world's ASA crown at Detroit last week-end. The Pistons had to beat out Midland for the Industrial crown while Midland's win at Detroit was achieved without benefit of Piston opposition.

The Dows knocked off the defending champion Clearwater, Fla., Bombers, 4-0 and 10-0, in Saturday night games for the most overwhelming victories ever achieved in the finals.

The first two games of the league playoffs are set for Fort Wayne on Saturday and Sunday nights with the series moving to Midland Tuesday and Wednesday nights. The fifth game, if necessary, will be played in Fort Wayne.

Midland advanced to the league final playoffs by beating Detroit Briggs Beautyware in two straight games while the Pistons were ousting the Toledo Champion Spark Plugs in two straight. Fort Wayne carries a record of 38 straight wins into the playoffs and the record of not losing a league game this year (25 in a row). The Pistons' only playoff loss was at the hands of Midland in 1948 when the teams fought for the National Fastball League crown.

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

ALONG about this time of year we begin thinking of repair jobs to be done around the farm. Folks in town usually have a number of small jobs to do around their homes, too. Yes, it won't be long before the screens will come down and the storm windows go up once again.

If you are planning to do any remodeling this fall, be sure to include plans that will save you time and steps. Even if you're not planning any extensive building changes this year, rainy fall days are excellent ones on which to catch up on small repair jobs which often cost you little more than your own time and effort.

A good example of this—one that can be found on many farms—is a sagging, hard-to-open-and-close, barn door. I've seen cases where farmers have had to battle such a door as often as twenty-five times a day! Just a few minutes' time spent fixing the door could save the farmer many hours in a year's time. And his temper would be much improved, too. Having a certain place to keep tools will eliminate searching for them — repairing a leaky water faucet in the house—these are small items, but, believe me, such little repair jobs can make a lot of difference!

So—turn your spare minutes this fall into planning and fixing to make your farming and your work around home easier and more pleasant. Take the drudgery out of your chores and gain extra minutes of time every day in the year.

Spencerville News

A birthday dinner was enjoyed at the home of Mr. and Mrs. Virgil Kimes and family on September 11. The birthdays celebrated were those of Mrs. Howard Bowman and Mrs. Virgil Kimes. Others present were Mr. Howard Bowman of Ft. Wayne, Mrs. C.C. Kelley, Mr. John Kelley, the Misses Lucile and Mary Kelley of near Auburn and Mrs. Claudia Hafner.

Mr. and Mrs. M.H. Hollabaugh returned home Saturday afternoon from Bunker Hill where they were visitors in the Don Long home.

Fred Stemen spent Saturday night and Sunday with his mother, Mrs. Mary Stemen.

Jim and Jerry Bowser, sons of Mr. and Mrs. Gale Bowser, left Sunday for Bloomington to enter college again.

Margaret Hoffman left by plane Saturday morning for Ball Clinic at Excelsior Spring, Mo.

Mrs. Ada Whitacre and children and Roger Melvin of Highland were week end guests of Mr. and Mrs. James Reed and daughter. Mr. and Mrs. R.U. Bowser were Sunday dinner guests in the same home. The dinner was in honor of Mr. Bowser's birthday.

Miss Ida Reed went to South Bend Saturday to spend the week-end with her sister and brother-in-law, Mr. and Mrs. Chester Wolf. Mr. Wolf is in the Memorial Hospital where he submitted to an operation. He is reported as getting along fine.

Mr. and Mrs. George Beams spent Sunday at South Bend the guests of Mr. and Mrs. J.D. Russell. The Russell's were teachers in the Spencerville school a few years ago.

Letters to the Editor

Sept. 11, 1951
Spencerville, Ind.

Mr. Pat Hook
Trustee of Spencer Twp.

Dear Mr. Hook.

I wish to thank you in this manner for the improvements you have made to the school yard and school building in Spencerville.

I am sure the community is grateful to you.

Sincerely,
Mrs. Virgil Kimes

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

DRUG ADDICTION

DRUG addiction is one of the deadliest of evils. Generally, drug addiction is associated with persons of low social order, mental inferiority, and bestial habits.

This is wrong, for individuals from every walk of life—wealthy and poor, high and low, old and young, intellectual and stupid — fall victims to this destructive habit.

Drug addiction is increasing, according to a report, and most alarming is the increase among the teen-age group. The City of New York reports that during the first two weeks of January, this year, police arrested from school grounds alone more than 250 peddlers and buyers of addicting drugs.

Many large cities, including Buffalo, St. Louis, New Orleans and Chicago, report that drug addiction among their young has reached appalling proportions, being responsible for a large percentage of lawlessness, crime and draft rejection.

People fall victims to drug addiction through environment and association, personality defects, ease of access to drugs, and overlong use of analgesics for relief of pain. Male addicts outnumber female addicts six to one, and residents of cities are more often addicted than those in rural areas.

The tragedy of drug addiction is seen all along the route, from the distressing symptoms which develop when the stage of established addiction has been reached, through the seemingly uncontrollable physical dependence upon the drug, and the inexplicable craving. The senses are deadened, there is loss of memory, stupor, delirium, hallucinations and social ostracism, often ending in suicide.

Treatment calls for institutional care with humane and skillful handling, plus reeducation and rehabilitation.

Frankfurter and Green Pea Casserole

Slate America's favorite sausage in casserole dress for thrifty fall meals.

The frankfurter, wienerwurst, weiner, "hot dog," frank—whatever you choose to call it—was introduced to America about 100 years ago. Since then it has ranked as a "top" favorite with young and old.

Served on a bun with all the trimmings, the "hot dog" outranks all comers as the country's leading eat-as-you-go meal. For less informal eating, the frankfurter is also a star menu performer. It is just as popular teamed up with sauerkraut, or baked in a tongue-tingling barbecue sauce, or split and broiled with a wedge of snappy cheese.

A new way in which to capitalize on the frank's popularity is to serve it on casserole smothered in a tempting cheese sauce along with plump, garden green peas.

Feature Frankfurter and Green Pea Casserole for either lunch or dinner and accompany it with crisp-crusted enriched rolls and pats of spread-easy margarine. Thick slices of red-ripe tomatoes and Bermuda onion rings dredged in a French dressing makes an especially tasty salad course. The family will enjoy fruity Apple Snow with Hard Sauce for dessert.

FRANKFURTER AND GREEN PEA CASSEROLE

1 pound frankfurters, cut in 1-inch pieces
2 tablespoons fortified margarine
2 tablespoons flour
2 cups milk
½ teaspoon salt
1 tablespoon Worcestershire sauce
1 teaspoon prepared mustard
Nutmeg, to taste
1 cup diced American cheese
1 cup frozen peas, barely cooked
Paprika, to color

Brown frankfurter pieces in margarine over low heat. Remove from margarine. Make sauce by blending flour with margarine. Add milk and bring to a boil, stirring constantly. Add salt, Worcestershire sauce, mustard and nutmeg. Continue cooking for two minutes, stirring constantly. Combine frankfurters, cheese and peas. Place in individual 8 or 10-ounce casseroles. Cover with sauce and sprinkle with paprika. Place under broiler and heat until the sauce is bubbly and very slightly browned.

Yield: 6 servings.

GOOD HEALTH

Answer to Question No. 1:

1. In the total of 3,072 counties in the United States there are 1,220 local health departments, serving 1,546 counties and 70.8 per cent of the population. Growth has been continuous since 1915, when only 13 counties had local health organizations. Every community should see to it that it has adequate public health services.

Answer to Question No. 2:

2. This type of X-ray machine gives the doctor an immediate view of possible fractures and of shadows cast by any unusual growth or obstruction in the body. These are seen on a screen, instead of being photographed on X-ray film. Thus, the doctor can watch processes going on in the body. Such modern equipment makes the practice of medicine much more exact than it was in the past.

Answer to Question No. 3:

3. Some babies, though few in number, do have high blood pressure. The cause is unknown, but there is a hereditary background in 40 per cent of such cases. However, the average age at which high blood pressure is discovered is 32.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Isaiah 66; 17-23; Acts 17:16-17, 22-32; Romans 10:11; Revelation 21:1-5.
DEVOTIONAL READING: Isaiah 2:2-4.

World Citizens

Lesson for September 23, 1951

DO YOU belong to the human race? It isn't as large as you might think.

Hendrik Willem Van Loon once figured out that you could make one box, half a mile long, half a mile wide and half a mile deep, and you could put into that box every man, woman and child in the entire world, packed in like sardines of course, and then you could nail that box up and tip it over into the Grand Canyon.

Dr. Foreman

With the human race no bigger than that, isn't it stupid of us not to get together? If you ever read Mark Twain's fascinating tale, "Captain Stormfield's Visit to Heaven," you will remember how that mariner got lost on his way to heaven and arrived at the wrong gate. Since no one at that gate had ever heard of "the earth," the captain finally identified himself as from the Solar System.

Still no one had heard of it. Finally some one discovered it, a tiny dot on an enormous map. The Captain was considerably taken down when he learned how small the earth is in the immense starry universe; and so might we all be.

• • •

Passengers on the Same Planet

IN THE EYES of God and his angels, this earth and the people on it do not fill up the big place they fill in the eyes of us mortals. This does not mean that we are unimportant to ourselves, or of no concern to God.

Saint Paul gave us the Christian reason—always the best of reasons — why human beings ought to realize how close together we really are. Speaking to the university crowd at Athens, he quoted from a Greek poet to prove his point: "We belong to His race." (Acts 17:28, Moffatt's translation.)

God made all peoples "from a common origin." In him we live and move and have our being. Remember that Paul was not speaking in a Christian church. Of course Christians are brothers in an even warmer and more living sense; but Paul could say, even to men who were not Christians as he was, that he and they were alike offspring of God, that they all had their being in the same Creator and Father.

• • •

The Importance of Being Human

IF WE would only just stop pinning our little tags on people! We call them "foreigners" or "farmers" or "Canadians" or "college boys" or "Chinese." So they are; but the most important fact about Chinese, or fishermen, or farmers or any other class of mankind, is that they are human beings.

What we have in common, as human beings, is infinitely more important than the variations which set us off into different races, classes and groups. The Christian will be a loyal citizen of his own land; but he will also remember that he is a world-citizen too. And as a world-citizen, he will always remember certain truths about all his fellow human beings.

One is that since we all have a common humanity, we all stand in need of God. It is not much exaggeration, if any, to say that to be human is to be helpless.

Scholars write books with titles like "The Human Predicament," which is a short way of saying that if you are human you are in a mess. You need God, whoever you are. But if you know that, then also remember that all other members of the human race need him too, quite as much as you do.

• • •

Our Lost Brothers

REMEMBER, too, that while all are summoned to the same destiny (as Paul said: "God commands all men to repent"—not just some of them!), many and many a man (must we say, alas, most men?) misses that destiny.

There is a broad road leading to destruction, Jesus said, and many are traveling that road. How can a Christian be indifferent about a thing like that? Every man on the dark road is a man who might be a Christian.

From the dead-end road of selfishness, hatred and pride he might come over to the highway of God . . . if some one took the trouble to go after him. But we shall not bother ourselves much, we shall not bother ourselves enough, about our lost brothers, unless we have the world-citizen's eye and the world-Christian's heart.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ of the United States of America. Released by WNU Features.)

DOOR OF SCHOPF SCHOOL BUILDING IS BOARDED UP

The door of the little Schopf school house a mile south of Garrett was boarded up Monday and things were quiet on the grounds for the first time in more than a week.

The school's 31 young pupils travelled on a township bus Monday morning and were taken to the Will Franks school in Garrett.

Their parents, who "went to school" last week and kept their children home, returned to their duties at home and at work. For a week they had formed picket lines around the school. They demanded the closing of the school because of what they termed "intolerable" health conditions.

The fight ended Saturday when the Keyser Twp. trustee, Lester Smurr, of Garrett ordered the school closed and the students transferred. He and the county superintendent of schools, Carl F. Stallman, of Auburn, said the decision was made because the welfare and rights of the children was of primary importance. Mr. Stallman said it was detrimental for the children to be out of school.

CARD OF THANKS

We, the 4-H members, parents and members of the Parent Advisory Board to the Winners 4-H Club of Spencer Twp., wish to publicly thank all who helped in any way the success of this year's club work which reached its climax at the show and livestock auction at the DeKalb County fair.

This sale was supported in cash by the following dealers and friends: Fisher's Grocery, Hoover's General Store, Merle Dean Furnish, W.L. Cromwell, L.L. Akey, Pete Akey, Chaney's Restaurant, Frank Beams, R.U. Bowser, Ervin Vendrely, Hook's Furnace Co., Dr. Housley, Par-Tee Co., Fred High, C. Brattain, M. H. Hollabaugh, Spencerville Shell Station, Spencerville Standard Station, Spencerville Elevator, Fred Hart, Clyde Hart, Warren Smith, Mervin Place and Dr. Baumgardner.

factory
where jobs are made

Some say a power plant makes power. Others call its product electricity. But we like to think of a power plant as a factory where JOBS are made—and probably your job among them.

Some jobs are made here completely. They just wouldn't exist if electricity didn't exist, too. The job of motion picture operator, for instance. The job of an electric appliance salesman, a radio comedian, an elevator man, a welder . . .

And just about all jobs are made here in part. That is, electricity makes them easier or more profitable. Can you imagine a storekeeper competing today without electric aids? Or a butcher, doctor, printer, beautician, steel man, dentist, textile weaver, or farmer? In other highly specialized ways electricity helps, too, the teacher, the housewife, the clergyman, the accountant . . .

Most gratifying of all: the more electricity there is, the more jobs there are, and the more productive they become. That's why this company and its business-managed affiliates of the American Gas and Electric System have doubled their generating capacity since 1941. That's why these companies are now building still more plants to make still more power available in the communities we serve.

Around the Town

With the Editor

You know, sometimes I have a heck of a time throwing something together for this column, and if you're like the little woman, you can tell when it's been "thrown together" after much trying and deep thought. We do things best when we're relaxed and it's the same with paper and pencil.

Talking with Guy Shelley, who recently joined Maxton Motors at Butler as a salesman, brought the subject up. He inquired about the writing end of a paper and I told him that just taking a day to visit about town and in the country will furnish plenty of things readers like to read about. —But finding the day is the biggest problem.

Say ladies, do you ever try the recipes frequently appearing in the News? Why don't you if the answer was no—a few readers have tried them and commented that they were pretty good. I think it was Harriett Baker who tried one of the pies some time ago and Lora Leighty had good luck baking fudge cookies or something like that.

BIDS ON TENANT HOUSE IN DEKALB COUNTY ASKED

The DeKalb County Board of Commissioners, who looked over bids for a tenant's house at the county farm at the September meeting and found none of them to its liking, announced Tuesday that bids will again be accepted October 19.

County Auditor Guy Myers said the commissioners, Frank Schuster, Ira Grogg and Claude Laub, will receive bids until 2 p.m. CST on the 19th in commissioners' court in Auburn.

They asked that bids be in a lump sum amount for the general construction, which includes plumbing, heating and electric wiring.

Plans and specifications may be obtained from the architect, Noble W. Miller of 136½ South Main Street, Kendallville.

Square Dance Starts At 8

Ed Sarzeine will be the caller for the big square dance Friday evening at the school gym. He will lead the dancers who will be accompanied with live square dance music.

Lloyd Dunten and Herb Amstutz are in charge of the added entertainment and refreshments and promise to have lots of entertaining features for the evening. One of the attractions will be cake walks. Members of the St. Joe Valley Recreation Club, which is sponsoring the event, have been asked to bring home made cakes and candy; this will be in addition to the refreshment stand offering hot dogs,, pop, etc.

Other entertainment will be offered during the evening which promises to be a big one for the entire family.

The dance will start at 8 p.m. Joe Robinson is program chairman.

CONSERVATION CLUB

The St. Joe Valley Conservation Club will hold its next monthly meeting Tuesday evening. October 2, at the high school gym in St. Joe. The meeting will get underway at 8 p.m. sharp.

Mr. Arthur Parrish, district forestry supervisor, will be the principal speaker. Entertainment will be furnished by the Potter Sisters, a roller skating act that has won the acclaim of hundreds wherever played.

The club feels very fortunate in being able to present these types of programs and urges its members and their entire families to attend and help make this one of the best of the fall meetings.

JR. CLASS CAFETERIA SUPPER COMING ON THURSDAY, OCTOBER 4

The Junior Class of Concord Twp. High School will give a cafeteria supper at the school gym on Thursday, October 4.

Supper will be served from 5 to 8 p.m.

4-H Girls Win Trip To Chicago

Five DeKalb County girls will return Thursday from a two-day trip to Chicago awarded for outstanding achievement records in 4 H club work.

The five girls include Mary Lou Clark of Keyser Township, Carol Buchanan of Jackson Township, Eleanor Schowe of Jackson Township, Ruth Treanry of Concord Township and Jackie Stabe of Richland Township.

The trips were awarded by the county 4-H club council.

Miss Clark has been in 4-H club work for nine years and has been a junior leader for 4 years. She has taken a total of 22 projects, held various offices in her local club and has received trip awards to 4-H club camp, state fair school and 4-H round-up.

Miss Buchanan has been in 4-H club work for seven years and has been a junior leader for three years. She has taken a total of 25 projects, has held several offices and has received trip awards to 4 H club camp and 4-H round-up.

Miss Schowe also has been in 4-H club work for seven years and has taken a total of 18 projects during this time. She has done committee work in her local club and held several offices. She received trip awards to 4-H club camp and 4-H round-up.

Miss Trenary has been in 4-H club work for eight years and a junior leader for two years. She has taken a total of 17 projects and has received trip awards to 4-H club camp and 4-H round up in addition to serving on various committees and holding offices in her local club.

Miss Stabe has been in 4-H club work for 8 years, holding various offices and taking a total of 13 projects. She is a member of the Richland Township 4-H agricultural club and received this trip award on her 4-H record of achievement in agricultural projects. The other four girls received their trips on records of achievement in home economics projects.

During their stay in Chicago the girls visited the Merchandise Mart, the art museum and the Building of Science and Industry. The "Breakfast Club" and sightseeing were also included in the itinerary.

Glen Abel, Former Resident, Passes Away

Glen Abel, 71, of Peru, a former resident of St. Joe, was found dead about 9:30 a.m. Monday on the farm of Mr. and Mrs. Herbert Stoll of north of Fort Wayne where he was taking care of the stock and doing chores. Mr. Abel, a retired Wabash railroad dispatcher, was a victim of a heart attack.

Mr. Abel had been working at the farm of his nephew and his wife since last Thursday while Mr. and Mrs. Stoll were on vacation. His wife, the sole survivor, had accompanied her husband to the Stoll home.

Funeral services will be conducted at the Eikenberry Funeral Home at Peru at 10 a.m. Thursday. The body will then be transferred to the Walter Funeral Home at Spencerville where friends may call after 2 p.m. Thursday. Second services will be conducted at 2 p.m. Friday at the Walter Funeral Home. Burial will be in Riverside Cemetery at St. Joe.

Mr. Abel was a member of the Concord Lodge No. 556 F. and A. M. at Spencerville. Masonic services will be conducted at the graveside.

News Cooperates In New Radio Series

A series of radio programs in which the St. Joe News is participating begins at 1:30 o'clock Sunday afternoon, September 30, on WIBC, Indianapolis, 1070 on the radio dial.

The new public-service series is titled, "The Hometown Editor Speaks," and the initial broadcast features Steven C. Nolan, veteran Indianapolis newspaper editor, now publisher of the Marion County Mail. His guests are Horace E. Abbott, Marion County agricultural agent; Nelson Swift, Perry Township trustee; and Paul R. Young, president of the Marion County Home Rule League. They and editor Noland frankly state rural Marion County's stand in the matter of annexation by the city of Indianapolis.

Although many publishers and editors are expected to likewise use the Sunday half-hour period to dicuss issues of community controversy, the program is primarily designed to better acquaint Hoosiers and newcomers with Indiana.

Richard M. Fairbanks, president of WIBC, himself a former newspaperamn, says he "hopes the program will also impress listeners with the important part played by the hometown newspaper in the progress of its area." WIBC news editor, George Ybung, is in charge of arranging the programs.

'Spencerville History' Completed

The many friends of Dr. Willis W. Carey of Ft. Wayne will be interested to learn that he has successfully completed the "History of Spencerville and Community," on which he has been working for some time. Dr. Carey was raised in the Spencerville community and, after graduating from medical school, started practicing medicine in his home town.

He also operated a drug store with F.R. Bowman of St. Joe for a number of years. Later he moved to Fort Wayne where he had a larger field for his work. He served in the first World War and was commissioned a captain. After returning home, he specialized in treatment of mental diseases, which he practiced until his retirement.

Greatly interested in historical and antique subjects and a member of the Indiana Historical and Antique Societies, Dr. Carey has taken an active part in their work and assisted in the antique show held last week-end in the Fort Wayne Armory.

Dr. Carey's interest in history led him to write the history of his home town. He has spent much time and has done much work in gathering data, pictures and subject matter used in this book, which he has now finished. Anyone desiring a book can leave an order with Mrs. Audrey Wade or Mrs. Golden High at Spencerville on or before October 7.

There is a nominal charge for the book.

Spencerville Lad Killed Wednesday

Michael Lynn Kummer, 9, of west of Spencerville, was killed Wednesday evening in front of his home when hit by a passing motorist.

Sheriff Frank Carpenter reported that "Mike" ran into the path of the car when chasing a ball. The driver of the car, Don Lohse, 19, of Rt. 2, Auburn, stopped within 7 or 8 feet after the impact, the sheriff stated. Lohse and the boy's parents Mr. and Mrs. Earl Kummer, took the boy to the Sauder Hospital in Auburn but he died enroute.

The sheriff stated that the driver was headed east as he approached the Kummer residence, located a short distance from the Wabash railroad crossing approximately one mile west of Spencerville. The boy darted into the path of the car and was struck. The car was traveling between 40 and 45 miles per hour when the brakes were applied, the sheriff stated.

WINNERS 4-H CLUB

The August 20 Winner's 4 H Club meeting was held at the home of John and Bill Weninger.

Devotions were given by Mary Wilder. Twenty members answered the roll call. Health report was given by Mary Wilder. Tahoma Jean Laughman gave a safety report.

Plans for the fair were discussed.

Mrs. Washington Teeters of Auburn gave three comedy skits which were enjoyed by all.

For recreation a buried treasure hunt of jewels and coins was conducted by Lehr Wilder and William Weninger.

Refreshments of home made ice cream and cookies and pop were served by Gary Kummer, John and Bill Weninger.

The club held its last meeting September 17 at the home of Bell, Donna and Frank Johnson.

Devotions were given by Eddie Guilford, minister of the Spencerville Methodist Church. The 4-H trip to McMillen Plant at Decatur will be October 25.

The public is invited to the achievement program October 26, to be held at the Spencerville Community Hall at 8 p.m.

On October 5 the 4-H club members will have a hayride and weiner roast.

Twenty one members answered roll call.

A first aid demonstration was given by Raymond Foltz of Spencerville.

Refreshments of ham sandwiches, cookies and kool-ade were served by William Goldsmith and Bill, Donna and Frank Johnson.

4-H COMMUNITY SERVICE

The Winners 4-H Club and their parents met at the Spencerville School House and worked on the school yard.

Three flower beds were made and planted and stones painted; a dead tree was cut down; the shrubbery was trimmed; sod was removed from the sidewalk; and then the front lawn was cleaned. All plants, paint and extra soil was furnished by the 4-H club members' parents. This was a community service contributed by the Winner's 4-H Club and supervised by their leader, Robert Witt, for their community.

A weiner roast was then enjoyed by the workers.

Tri-State Fire Drill October 10

Schools in this area will cooperate in a mass fire drill to be conducted by WOWO, Fort Wayne, at 9:45 a.m., CST, Wednesday, October 10.

The program will be of fifteen minutes' duration, with officials of the Fort Wayne Fire Department, school officials of the public, Catholic and Lutheran schools giving short Fire Prevention talks. Mayor Henry E. Branning, Jr., of Fort Wayne will give the radio signal which will be the sign for students listening in all over the states of Indiana, Ohio and Michigan to leave their buildings in what is hoped to be the largest mass fire drill ever conducted anywhere. The purpose of this drill is fire prevention education to help insure a "flame-proof future" for our boys and girls.

The plan has the endorsement of fire officials throughout the states of Indiana, Ohio and Michigan. This is the fifth time the program has been aired, and this year is being duplicated in a number of other cities and states by other radio stations.

T. E. Haberkorn, Jr., Editor & Publisher

THE AMERICAN WAY

A Chinese Puzzle

Advertising - Our Lifeline

Ordinarily we would pass this up without comment—a subscriber asking to be removed from the mailing list of the News.

But this one is different because the same subscriber states, "I cannot afford to pay $2.00 for reading advertisements, I can read them for less price."

What is meant by the last statement isn't clear: perhaps the subscriber can read another News for nothing; or maybe any advertisements in any paper or handbill are implied. That subject is secondary. What is more important is the arguement against paying "2.00 for reading advertisements."

The purpose of a newspaper is to dispense information, such information to contribute to the knowledge and betterment of its community and the individuals in the community. When we read local items, when we read editorials, when we read news stories, when we read other opinions publicly expressed, yes, when we read commercial advertisements, we are gaining knowledge. All of these contribute to our welfare because they let us know what is going on.

Of course, the type of information varies according to the divisions mentioned above. Commercial advertising is a type of information which tells us what we can buy, why we should buy it and where it can be bought. There probably isn't one item ever manufactured and sold successfully that hasn't been advertised. People exist because of advertising and newspapers exist because of advertising.

To say that $2.00 is too much to pay for reading advertisements is to say that it isn't worth fifty-five one-hundredths of one penny a day to gain knowledge of our community.

Motto For Parents

When I was a teacher in a boys' preparatory school, all my colleagues and I were excited and somewhat concerned when we heard that the two sons of President and Mrs. Calvin Coolidge (their only children) were to be sent to our school. I had met the President and his wife, and I knew how dear to them these two boys were.

But what was expected of us? Among 600 others, how were these boys to be treated? That and a score of other questions were resolved for us by a characteristically brief letter I received from Mr. Coolidge—a letter that has a secure place among my treasures.

"Dear Dr. Rutledge," the President wrote, "will you please see to it that my boys work and behave themselves?"

I will not characterize this as so many hundreds of other ways of life have been called: "the American way of life." But I wish it could be said that the simplicity, the humility, and the saving genius of common sense displayed in that letter were typical of the ideas of all American parents about their sons.

In a single very simple sentence, the President told us what he thought an education should mean. The implication is plain; for if students will neither work nor behave, why expose them to education at all? The letter from President Coolidge was a heartening thing—like a breath of balsam out of the New England hills.

—Archibald Rutledge, Coronet March 1951

Who Can Defy The Law?

The owners of the Dollar Steamship Line have discovered that borrowing money from the U.S. government is often helpful but sometimes can be dangerous, too. Getting in debt to the government has cost them one of the most basic of human rights—the right to their own property. As collateral on a loan from the government they put up the stock and physical assets of their company. Now the principal and interest on their loan has been paid, but the government bureau refuses to return their stock and their steamships.

Upon being informed of what a Federal government bureau has done to the Dollar Line owners, almost any American would exclaim: "Oh no! They can't get away with that in our country!" But the sobering fact is—they have. The "Dollar Line Case" should be clearly understood by every American. At issue, according to some of the nation's best legal minds, is the question of whether a bureau of the Federal government shall be beyond the reach of constitutional law when it seeks to override basic rights of the citizens.

The U. S. Secretary of Commerce and his bureau, the Maritime Commission, have been ordered by the U.S. Court of Appeals in Washington, second highest in the land, to return the Dollar Line stock and property to the owners. Secretary Sawyer and the Commission have not obeyed the order—issued last January. So unrelenting has been their defiance of the high court order that, in a unanimous decision, the same court has assessed civil contempt judgements against Commerce Secretary Sawyer and eigth other U.S. officials.

But through one of the most amazing series of legalistic blockades on record, they have escaped jail, have refused to sign over the stock as ordered, and they are in possession of the $68,000,000 steamship line. It is not my intention to pass judgement on the conflicting claims of the Dollar Line owners and the Maritime Commission bureau. This nation's second highest court has done that, finding the claims of the line's owners to be true and correct—even the U.S. Supreme Court has twice refused to intervene in carrying out of this judgement.

Here are the bare facts: In 1938 the Dollar Line owed the Maritime Commission $7,500,000, borrowed to build some of its big fleet of passenger liners. The company accused the Commission of withholding normal mail subsidies due it and otherwise attempted to bankrupt the line and gain control through receivership. In order to forestall the bankruptcy they felt was being pressed upon them, the owners were obliged to put up 91 percent of the line's stock as collateral and agree to the Maritime bureau taking over control and operation of the company.

This was in August 1938. A short time later the nation's defense effort began and then war broke out in the Pacific. The steamship line, a tremendous asset to our nation at war, operated profitably and within five years the $7,500,000 indebtedness had been paid in full. The Dollar family asked for the return of their stock and property. The Maritime bureau refused. It said it would keep the company and the stock. The Dollar family took recourse of the law and went to court six years ago. The final determination was the Court of Appeals' unanimous decision last January ordering the Maritime bureau to return the stock and property to the Dollar family, and the U.S. Supreme Court's refusal, twice, to halt this judgement.

One of the most stunning aspects of the case was an order from President Truman, without precedent, actually directing Secretary Sawyer to defy the court's judgement. When Mr. Sawyer obeyed this directive and defied the court he was in civil contempt and the court said: "Considered upon the plane of high policy and principle, we have the spectacle of a government, which proclaims its adherence to law as a governing force among men, not only refusing for six years to submit to its own courts. . . but endeavoring by every device to thwart and defeat the judgement of those courts after it has been rendered. . ."

In the American freedom system, the laws and the courts which administer them are the citizen's one great protection of his rights. If they can be defied and thwarted by a powerful individual, or government bureau, or in any manner, freedom cannot exist. Powerful, well-entrenched government bureaucracy is a constant danger. Will we control it, or will it control us? That is the grave question of this day.

—George S. Benson, President, Harding College

Local News

The softball games scheduled for Friday night at the local diamond have been cancelled due to conflict with the square dance to be held at the school gym.

Word was received of the death of Dr. R.L. Dixon of Caro, Mich., Monday. Burial will be Thursday at Caro. The doctor was principal of the St. Joe schools in 1903 and 1904.

Mr. and Mrs. Glen Cole are visiting friends in Columbus, O., a few days.

Mrs. Avis Staman and Mrs. Laura Burley spent a few days last week fishing at Hamilton Lake.

Mr. and Mrs. Kenneth Butler and children were Sunday callers in the Lysher home.

Mrs. Lillian Buckingham, Mrs. Edna Jenkins and Mrs. Leona Mason took Sunday dinner and spent the afternoon with Mr. and Mrs. Edgar Lysher and family.

Ray Reasoner, son Floyd, and his son in-law, Daniel Ferber, also William Heck of Fort Wayne, enjoyed last week fishing at the straits in northern Michigan. Mrs. Savilla Miller and son. Cordell Chapman, of Auburn stayed with Mrs. Ray Reasoner during their absence.

The St. Joe Lutheran Sunday School will hold election of officers next Sunday and Rally Day the following Sunday.

Pvt. Donald Yeiser's address is as follows: Pvt. Donald Yeiser U. S. 55200167, Co. A 45th Armd. Inf. Bu., 5th Armd. Div., Camp Chaffee, Arkansas.

Rev. Glen Utterbach of Angola addressed the St. Joe Lions Club Monday evening at Chaney's Retaurant in Spencerville. He told of several humorous incidents from his lifetime in teaching and the ministry.

Mr. and Mrs. Don McElroy and Mr. and Mrs. Ted Habtrkorn were Saturday evening guests of Mr. and Mrs. John Haverstock of Leo.

The St. Joe Valley Recreation Club will hold its October meeting Thursday, October 4, at 7 p.m. The meeting will be held at the school house.

Thursday evening guests of Mr. and Mrs. Ted Haberkorn and sons were the Misses Emma and Augusta Haberkorn and Mr. and Mrs. Ted Haberkorn Sr. of Fort Wayne.

Sechler's little leaguers lost a close 4-3 decision to Harlan Monday at Harlan. Eddie Collins allowed only three hits to the opposition. Donald Donat hit a home run with a man on for one of the locals' six hits.

David Haberkorn celebrated his fourth birthday Thursday afternoon with several of his little friends and relatives. They were Peggy Lynn Chapman, Danny Kessler, Allen Amstutz, Pamela Haverstock, Kathy Schafenacker, Margie and Susie Hall and brother Mike.

The volunteer fire department held a practice run Tuesday evening under the direction of Chief Roy Bowser and checked and restored the fire hose. After the drill a meeting was held at the fire hall where discussion was held concerning the annual Hallowe'en party and parade for the community. Joe Robinson, Derwood Ridgway and Herb Amstutz were put in charge of the program.

Ned Shull, Mr. and Mrs. O.K. Shull and Mrs. Frank Shull visited Mr. and Mrs. Howard Wentworth at Toledo this week-end.

Mr. and Mrs. William Hubbard and children of Cambridge City spent Saturday night and Sunday here. They and Mr. and Mrs. Elmer Inlow, Roger Inlow and Miss Irene Inlow were Sunday guests in the home of Mr. and Mrs. Harold Furnish and family of Leo.

Mrs. John Arrants and son, David, of Hicksville spent last Wednesday with her parents, Mr. and Mrs. Elmer Inlow. Mrs. Harold Keller of Hamilton was a Tuesday afttrnoon caller in the same home.

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

WELL, friends, my recent 26,000-mile trip leaves many pleasant memories . . . and there is still much to tell you about this six-week visit to 15 countries in Europe and the Near East. Every possible minute was spent out in the fields and pastures talking to farm people. We found them friendly, working hard, eager to learn new methods, and making the most of every available foot of land.

Farm land is a precious possession in Europe. It is handed down from father to son and is in the same family for generations. Many European farms are composed of anywhere from 20 to 30 small and widely scattered patches of land, often less than an acre in size, with the farm family living in a nearby village. Under these conditions efficient use of manpower, livestock and machinery is impossible.

Livestock has always been the backbone of European agriculture, with most crops grown for feed and most of the farm produce sold in the form of animal and dairy products. In many of these countries the ravages of war destroyed almost all of the best livestock and left the remaining stock short of feed and subect to the diseases resulting from poor nutrition. We found a great need for more fertilizer and mechanization, better seeds, more farm credit, and a better and faster exchange of problems and information between farmers and agricultural scientists.

Amasing progress is being made in the face of these problems and I feel especially proud of the great contributions being made by Americans. I was tremendously impressed with the great contribution being made to better understanding between European and American farm people by the International Farm Youth Exchange project. This project resulted in 58 young American farm men and women going to 22 foreign countries early this summer to spend four months living and working on farms. These American youths are truthfully representing our way of life and exchanging valuable information on farming methods.

Until next time—goodbye, and lot's of good luck, everybody!

Dessert Feature: Marble Cake

Folks will be delightfully surprised when you cut through the thick fluffy frosting to reveal Marble Cake, a delectable coffee hour sweet.

Through the years cakes have held their popularity as true party desserts. Marble Cake offers a dramatic approach to the dessert problem. Here is an easy marbled loaf cake that you can make at home, if you wish, a thrifty one-egg recipe for something extra-special.

Or, if you want, buy it baked. The baker daily offers an assortment of fresh cakes designed to please individual tastes and to suit any occasion.

The "marbling" effect looks fancy, but it's really easy. To achieve, pour one-third of the cake batter into another bowl and add melted chocolate to it. Then drop alternating spoonfuls of plain and chocolate cake batters into square pan.

Some cooks prefer to combine the two batters lightly and then pour marbled batter into prepared pan. This cake is good with either a white or chocolate frosting, so cater to your family's taste on this point.

You may be surprised at the amount of good nutrition offered by Marble Cake made with enriched flour. It contributes three essential B-vitamins, food iron, and food energy to the dessert course.

MARBLE CAKE

1½ cups sifted enriched flour
2 teaspoons baking powder
½ teaspoon salt
½ cup shortening
1 cup sugar
1 egg
¾ cup milk
1 teaspoon vanilla extract
1 square melted chocolate

Sift together flour, baking powder and salt. Cream together shortening and sugar until light and fluffy. Add egg. Mix well. Add flour mixture to creamed mixture alternately with milk and vanilla extract. Pour ⅓ of the batter into a small bowl and add melted chocolate. Mix thoroughly. Pour alternating spoonfuls of white and dark batter into greased cake pan, 8 x 8 x 2 inches. Bake in moderate oven (350°F.) about 30 minutes.

Makes 1 8-inch layer.

Spencerville News

Mr. and Mrs. Charles Warner of Crestline, Ohio, returned to their home Wednesday after a two-week visit with their cousin and family, Mrs. Lola Moore.

Mrs. Mary Clemmer and daughter and Mrs. Elizabeth Johnson of Hicksville were Sunday afternoon visitors with Mrs. Lola Moore.

Mr. and Mrs. Dayton Webb and son, James, Mr. and Mrs. Dayton Webb, Jr. and daughters, Gaylon and Christine, Mrs. Virginia Speaks and sons, Larry and Pascal, and Mrs. Maxine Mirtz visited Mr. and Mrs. Roger Markle and family of Mattawan, Mich., Sunday.

Mr. and Mrs. Robert Beams of Fort Wayne were Sunday dinner guests of Mr. and Mrs. Frank Rhodes. Mr. and Mrs. George Beams and Mr. and Mrs. Frank Beams and Dr. and Mrs. Ralph Beams of Fort Wayne were afternoon callers in the same home.

Mr. and Mrs. Danzel Widup and children and aunt of Sharpsville were Sunday afternoon guests of Mrs. Mary Stemen. Later they all called at the John Stemen, Jr. home at Butler.

Mr. and Mrs. Richard Roberts moved from the Stemen apartment to St. Joe Saturday where they moved in the Taylor apartment.

Mr. and Mrs. Max Markle are the proud parents of a baby boy born Saturday morning at the Community Hospital at Hicksville.

Mrs. M.H. Hollabaugh and son, Parks, and Mr. and Mrs. Der-Ridgway of St. Joe spent the week-end at Bunker Hill at the home of Mr. and Mrs. Donald Long and family.

LaVerne Miller brought in the first crop of Monroe beans to the Spencerville Elevator last week, Bill Weninger reported. They were combined on the 19th and yielded 18 bushels per acre.

GOOD HEALTH

Answer to Question No. 1:

1. It was our healthiest year in history. We have the lowest death rate ever and a continued high birth rate. Infant mortality rates were down. From 1940 to 1950 the general death rate decreased by 10 per cent and the infant death rate decreased by 38 per cent, a reward of our progress in medicine, nutrition and all phases of health.

Answer to Question No. 2:

2. Prevention of cerebral palsy is possible in many cases but depends in greatest measure on good pre-natal and obstetrical care, good medical care in the early months of the child's life and prevention of accidents, infections and other sources of brain damage. With the organization of the United Cerebral Palsy Association and establishment of special clinics throughout the country a new day of hope is dawning for rehabilitation of cerebral palsy victims.

Answer to Question No. 3:

3. While death certificates often have listed suffocation by bedclothes as a cause of death (one-half the infant deaths between 1945 and 1949 were so listed) recent investigation has shown that most such deaths actually were caused by acute infection in throat or lungs. Mothers should continue to guard against suffocation but also should be particularly alert for signs of colds in young babies and should call the family doctor early when there are such signs.

Into All the World

Lesson for September 30, 1951

SO YOU don't believe in missions? That's a position not easy to defend, if you make any show at all of being a Christian. Can you be a business man and not believe in customers? Can you be successful and not want to expand your business? "Missions" is a name given to the growing edge of Christianity, a name for its expanding program. It is a name that stands for everything we believe in as Christians. It stands for the proposition that Christ is the answer to all the world's needs, not yours and mine alone. Christ died for the world, not for the western hemisphere or the democracies alone.

Dr. Foreman

• • •

Greatest Missionary Religion

THERE ARE religions you cannot "crash," no matter what you do, unless you are born in them. For example, either you were born the child of a Parsee, or you can't ever be a Parsee.

Again, there are religions which you can join if you insist, but nobody is going to try to talk you into it. Take it or leave it. Hinduism is one such religion.

But there are three missionary religions, religions that set out to claim all the world for their territory; besides Christianity these are Buddhism and Mohammedanism.

Buddhism is 600 years older than Christianity, Mohammedanism some 600 years younger; but neither has spread into so many corners of the world as our religion has; neither has won anything like Christianity's number of converts.

• • •

Pessimists Are Always With Us

IF THE first Christians had not believed in missions, where would we be? Where were your ancestors when Christ was living on earth? If you are descended from any of the nations of Europe north of the Alps mountains, or from Africa, then at the time of Christ your ancestors were a barbarous lot. Using paint about as much as clothing, their favorite sports getting drunk and savage fighting, they had contributed nothing whatever to civilization.

Or, if you are descended from the peoples of western Asia or around the Mediterranean, then at the time of Christ they were civilized, but time was running out. The Roman Empire, which looked as if it might endure forever, was doomed, even though its final death-knell was still 300 years away. But decay had set in.

If you had been a church member in Antioch when Paul was the foreign missionary pastor sent out by that congregation, you could have thought of all sorts of good excuses for not supporting him or his work.

"Why bother with those heathen?" you might have said. "As for the nations around the Mediterranean, they are on the way out. Even if they take to Christianity, it will be only a shot in the arm. It won't save them from the crash.

As for those savages up north and out west (you would mean, in the countries now known as France and Spain), what have they ever amounted to? They haven't asked for missionaries; they will probably kill them if we send them. Sending missionaries or spending church money on those people is just throwing it down a rat-hole."

• • •

Missionaries Once Came To Your Home Town

LOOK over the churches in your home state, whatever it is. You will find, on investigation, that most of them, however large and prosperous they are now, were once "home mission" churches, set on their feet through the generosity of older Christian communities.

Without missions the Christian church would never have lived; if it ceases to believe in missions it can still die.

The secret? There is nothing mysterious about it. Read what Paul said and see how simple it all is, at heart. The preaching of the good news of God; the enthusiasm and heroism and determination of the missionary; the inspired ambition to do something for God that was never done before; the two-way contributions, of older churches to new and new ones to old; and the circle of prayer uniting Christians everywhere, old and new. That is what made missions work then; it is what keeps missions going on now.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

FOOTBALL BROADCASTS TO BEGIN SATURDAY

Nine top football games will be aired by WOWO Fort Wayne during the current season. Play by play will be given by Milt Marx, sports commentator for the station. A football preview direct from the playing field with interviews with players, coaches, celebrities will be a highlight of each week's game. This will be the thirteenth consecutive year WOWO has broadcast college and Big Ten games.

Included on this year's schedule are the following:

September 29—Indiana at Notre Dame
October 6—Iowa at Purdue
October 13—Southern Methodist at Notre Dame
October 20—Wisconsin at Purdue
October 27—Purdue at Notre Dame
November 3—Penn State at Purdue
November 10—Notre Dame at Michigan State
November 17—Michigan State at Indiana
November 24—Purdue at Indiana

Broadcast time will be one-half hour before game time. All times will be CST.

FARM BROADCASTS

Edward G. Thoms, general manager of radio station WKJG in Fort Wayne, has announced that, effective Ocober 1, Wayne Rothgeb will join the staff of the station as farm director.

Since 1949, Rothgeb has been assistant county agent of Jay County with headquarters in Portland. Previous to that time he was assistant county agent in Elkhart County. He is a graduate of Purdue University.

He will return to the family farm on Rt. 2, New Haven, to make his home with his mother and will operate the farm between his agricultural broadcasts.

Mr. Thoms stated that with the addition of Mr. Rothgeb to the WKJG staff, the station will place greater emphasis on agricultural broadcasting of all kinds. Initially, he said, Rothgeb will handle the "Farm Fair" program, broadcast daily except Sunday from 6:15 to 7 a.m., a noon-hour broadcast, the time of which will be announced later, and a series of Saturday broadcasts of important agricultural events in the tri-state area.

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI ST. JOE (DeKalb Co.), INDIANA Thursday, October 4, 1951 NUMBER 37

Around the Town

With the Editor

Square dancing is fun—if you can take it. That whirling and turning had me as dizzy as I've ever been. When the music stopped after my first dance last Friday evening at the recreation club's square dance, I tried to

walk
a
straight
line
back
to
the
bleachers
but
my
path
looked
more
like
this.

The Amstutzs and Duntens worked hard on the concession, cooking hot dogs, fixing coffee, making pop corn balls and everything else. They had a fine response to their call for cakes and candy from club members and others who wanted to help. There were many squares of fudge and 80 homemade cakes!

One of those cakes was auctioned by Derwood Ridgway to Barbara Ridgway and Walter Fetters. They split the bid. The cake was promptly cut and passed around but we didn't get any of it—just the empty plate. The little woman baked that particular cake, the best of three she popped out of the oven last Friday.

Shows how me and the boys rate at home—we get the fizzles.

I think one of the favorite expressions of grown-ups in speaking of the younger generation is—"those crazy kids!" But last Thursday, when the little leaguers played the old timers, I wondered just who was crazy. There they were, the 9 to 12 year olds playing the 40, 50, 60 and ?-year olds and the t-t-temperature w-was ab-bout f-f-f-dorty f-five d-d-degrees.

Town Driving Scored By Board

The Town Board of t. Joe met Monday evening at the town hall for its regular monthly meeting. All of the board members, D. W. Yeiser, Merl Guilford and Dale Collins, and the town clerk-treasurer, Willard Hurni, were present.

After the routine business was dispensed, the discussion centered on ways to control speeding and reckless driving both of which are becoming more noticeable on the streets of St. Joe. It was pointed out that past attempts to have a peace officer for the town were unsuccessful, and consideration of appointing a new town marshall was immediately dropped. In connection with the driving on the streets, it was noted that several drivers have been inconsiderate in their driving at the local softball diamond.

Board members Guilford and Collins were instructed to erect a second wall on the pump house of the waterworks system. The present building is not adequately insulated against the cold winter weather and the danger of freezing and subsequent damage to the equipment made this action necessary. Since the waterworks and the building containing the equipment are permanent utilities, it was decided to undertake the erection of an outer brick wall.

TRI MU CLASS PARTY

The Tri Mu Class of St. Mark's Lutheran Sunday School will hold a barn dance Saturday evening, October 6, in the garage at Clayton Baker's residence in St. Joe.

Members are asked to bring sandwiches for the evening which will get underway at 8 p.m. Election of officers will be held.

Attire for the evening has been designated as "overalls and blue jeans."

Concert Series Starts Soon

Bookings for the fourth annual subscription series of the DeKalb County Community Concert Association have been completed and the first of the 1951-52 concerts will be presented December 13 at the Court Theatre in Auburn.

Following a recent meeting with other officers and chairmen, Mrs. Juanita Gray of Garrett, president of the association, has announced Oscar Natzka, bass-baritone, as the first artist.

Mrs. Marion Peckhart of Auburn, association secretary, has been in frequent communication with representatives of the Community Concert Service in arranging the many details of the bookings.

The whole series promises to be one of excellent balance as well as variety, and the dates are well spaced to make a well-rounded season.

On January 31 the Fort Wayne Sinfonietta will occupy the stage and on February 21 dancers Rey and Gomez will add brilliance & the dramatic touch to the series.

The month of March will offer opportunity for a new subscription list and present subscribers will hear the last concert of the current season on April 3 with the young Canadian, John Knight, at the piano.

In accordance with year in and year out custom, memberships for the present season are now closed. Once each year, usually during the spring months, memberships are available for a one-week period. This enables the association to book artists for the year following with the full assurance that all expenses are met in advance and all finances are in perfect order. Without such procedure, concerts of highest merit are impossible in smaller communities, but under this plan the same opportunities offered the big cities are made available to smaller communities united in effort, such as the DeKalb County association.

However, any resident of the area who was not a resident at the time the subscription lists were open last spring, may obtain membership by calling or writing Mrs. Peckhart at 1009 S. VanBuren, Auburn.

Other officers of the association are Hal Hoham, vice-president; A. M. Bisel, treasurer; John Smith, in charge of concert arrangements; Mrs. Gene Wildermuth, chairman of memberships for next year; and Mrs. George Mountz, publicity.

Shoot Draws Record Crowd

The St. Joe Valley Conservation Club had its biggest shoot last Sunday of any since the club was first organized. About 5,000 targets were trapped. The dark, cloudy day made the targets difficult to see clearly and kept the scores down.

Charles Eby, a member of the local club, won the championship trophy after tieing with three others. The four high shooters shot from 25 yards, each shooting at 25 targets. Eby broke 23 with Chet Runyan close behind with 22. They had each made 91x100 in the regular event. Three men tied for second place with 90 each, H. Miller winning the shoot off 23x25. He received a nice rug for his prize.

LADIES LITERARY CLUB

The Ladies Literary Club opened its 1951-52 club year with a pot-luck supper at the home of its president, Mrs. Maurice Kline, on Wednesday, September 12, at 6:30 p.m.

The meeting was called to order by the president after which supper was served, buffet syle.

The high spot of the program was a manless wedding directed by Mrs. Glen Cole and Mrs. Allen Haller. This was followed by a few games and contests.

After a short business session the meeting was adjourned.

The Ladies Literary Club met at the home of Mrs. Stanley Means on September 26.

The meeting was called to order and Mrs. Allen Haller read the collect.

Mrs. Harold Baker introduced the speaker for the evening, Mrs. Norman Moser, from Woodburn who spoke on Hobbies and Unusual Occupations. She then gave a very interesting account of her hobby of collecting scrapbooks and more recently giving marionette plays.

Mrs. Allen Haller had charge of entertainment for the evening in the absence of Mrs. Cora Curie.

The minutes were read and approved.

Twenty-four members responded to roll call.

After a short business session the meeting was adjourned.

ST. MARK'S SUNDAY SCHOOL ELECTS OFFICERS

St. Mark's Lutheran Sunday School held election of officers on Sunday, September 30.

The results were as follows (2nd named are assistant):

Superintendent—Carl Carpenter, Franklin Seehler.

Secretary—Nola Ewell, Franklin Wade.

Treasurer—Everett Collins, Avis Staman.

Pianist—Ted Habenicorn, Francis McMillen.

Song Leader—Audrey Collins, Avis Stamen.

Librarian—Phil Carpenter, Denny Baker.

Intern'l Dairy Exposition Opens Saturday

The International Dairy Exposition will open its free gates this coming Saturday on the 3rd annual "show window" of the dairy industry. Show directors have completed last minute arrangements for the International and say they are ready to welcome the estimated 300,000 persons expected to attend the big dairy show.

The facilities at the Indiana State Fairgrounds are among the best in the nation. In addition to the 10,000 seat Coliseum there is a central cattle barn with four and one-half acres under one roof with stall space for 3,000 head of cattle. Two railroad sidings serve the grounds directly. There is a hotel on the grounds, modern youth buildings and more than adequate dormitory accommodations for herdsmen.

Grand Jury Reconvenes

The DeKalb County grand jury will reconvene Saturday morning, October 6.

The third session of the grand jury will convene on the 6th at 9 a.m.

The jurors are Harvey Leonard of Spencerville, foreman; Vern O. Hankey of near Butler; William LaRowe of St. Joe, Furl G. Schmidt of near Waterloo, Mrs. Ruth Grueter of near Waterloo and Mrs. Pearl L. Burtzner of Auburn.

They completed inspection of county installations during the first day's session and, since that time have been working on "other business." All grand jury sessions are secret and no information will be released on grand jury activities until the jury's report is filed at the conclusion of the session.

CONCORD TWP. HOME EC

On Friday, September 21, the Concord Twp. Home Economics Club met at the beautiful home of Mrs. Glen Wineland in Auburn.

The meeting was opened by the acting president, Mrs. Adrian Washler. The club creed was read by all. The chorister, Mrs. Harriett Johnson, led the opening song, "America, the Beautiful."

Mrs. Lester Pugsley gave the devotions based on Luke 19. Mrs. Harriett Johnson then read the words and history of the song of the month, "Santa Lucia."

First in the business meeting, the secretary, Mrs. Maurice Kline, read the secretary's report which was approved. Twenty-one members responded to roll call giving suggestions of ways to economize in the kitchen. There was one guest present, Lela Northrup, and one child, Jane Kline.

Achievement Day Program will be presented on October 19 at Waterloo. Because this date is the same as the club's next meeting, the club changed its next meeting date with Mrs. Joe Foltz to the third Thursday in October, October 18.

The Smithfield Twp. Home Ec Club has invited the local club to be their guests on October 5 at 1:30 p.m. in the basement of the library at Waterloo.

Mrs. Foltz collected reports on canning from the members.

The club sang "Happy Birthday" to Mrs. Adrian Washler.

Election of officers resulted as follows:

President—Mrs. Howard Borthwick; vice-president—Mrs. Washler; secretary—Mrs. Allen Haller; ass't secretary—Mrs. Lester Pugsley; treasurer-Mrs. Adrian Washler; pianist—Mrs. Cora Curie; ass't pianist—Mrs. Lloyd Yeiser; chorister—Mrs. Harriett Johnson; ass't chorister—Mrs. Mary Krise; publicity—Mrs. Plume Hamilton.

For entertainment Mrs. Roy Reasoner gave a reading and Mrs. Lester Pugsley read the poem, "When the Frost Is On the Pumpkin."

The committee, Mrs. Mary Krise and Mrs. Roy Reidenbach, served refreshments of gingerbread and whipped cream, mints and nuts.

1st Polio Case In County Reported

Three-year-old Roger Stafford of Auburn was admitted early Saturday to St. Joseph's Hospital in Fort Wayne for treatment of poliomyelitis.

The DeKalb County health officer, Dr. E. E. Rogers, said the youngster, son of Mr. and Mrs. Harold Stafford, was reported in "satisfactory condition." He is believed to be suffering from a mild case although the child was placed in a respirator.

Roger became ill Friday. He was taken, with his mother, by the family physician to the hospital in Fort Wayne.

The polio case was the first reported in DeKalb County this year.

THE AMERICAN WAY

Power - Drunken Driver

An Ounce Of Prevention-

What is there about human nature that makes people "tsk! tsk!" at frequent outbreaks of lawlessness such as robbery, murder, etc., but literally ridicule local law enforcement, or attempted law enforcement?

If the discussion at the town board meeting Monday gave a true picture of St. Joe's past, town residents gave no support to men who tried to maintain order by assuming the duties of town marshall. Talk during the evening revealed that the former marshalls on occassion were forced to duck behind trees to avoid being hit by automobiles driven by those who were showing their contempt for law enforcement.

Speeding and recklessness are on the increase in St. Joe and the town board is concerned. But they are hindered in controlling such actions. No one will take the job of town marshall because of past ridicule and lack of public interest and cooperation. And funds aren't available to pay full-time wages, probably necessary to get the best results.

The board isn't being hard-nosed about the matter in seeking corrective action—no more than the average citizen of St. Joe, because they are average citizens chosen by the town for public service. They have seen what is, or should be, evident to St. Joe residents—that senseless driving is increasing—and want to do something about it, not to be kill-joys but to prevent unnecessary accidents.

The board noted that every citizen has legal right to take action he or she feels justifiable against speeding or reckless driving by swearing out a warrant. And the board made it clear that though it cannot act officially in such matters, it will support any such action which any individual or group of townspeople may take to keep St. Joe streets safe.

Texas Taters

If you are on the lookout for an idea which will put a little "give" in the food dollar try Texas Taters.

Instead of serving potatoes as a meat accompaniment for dinner star them as the main dish dressed up as Texas Taters. This potato innovation is designed to stretch a quarter-pound of ground beef into six servings. Scooped-out potato pulp is whipped together with milk and fortified margarine to a smooth, rich fluffy mixture. Hot browned beef, drippings, grated sharp cheese and seasonings are folded in to finish off the tasty filling for the potato shells.

Glazed tiny golden carrots, a simple tossed salad, crisp crusted rolls served with margarine for spreading complete a dinner course that is bound to cut corners on your food costs.

TEXAS TATERS

3 medium-sized potatoes
4 tablespoons fortified margarine
¼ cup milk
½ cup grated sharp cheese
½ cup minced celery
2 tablespoons minced onion
½ teaspoon salt
⅛ teaspoon pepper
1 tablespoon minced parsley

Hot browned ground beef and drippings: Melt 2 tablespoons fortified margarine in a skillet over low heat. Add ½ pound ground beef; season to taste with salt and pepper and cook until done. Stir occasionally.

Cut a thin slice off the flat side of the potato. With a spoon remove as much as you can of the potato without breaking the skin. Mash the pulp. Add margarine, milk, cheese, onion, salt, pepper, parsley, celery, browned beef and drippings. Fill potato shells with the mixture. Place ½ teaspoon fortified margarine on top of each filled potato. Place the Texas Taters on a broiler rack and broil 4 inches from the source of heat until the tops are delicately browned, about 5 to 7 minutes. Yield: 6 servings.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Genesis 11:27—12:18. DEVOTIONAL READING: Hebrews 11:1-10.

Wanted: Pioneers!

Lesson for October 7, 1951

IT IS on record that a Virginian in the 18th century wrote to his family that he was moving "to the far west," meaning the neighborhood of what is now Bull Run, Va., not far from Washington, D. C. Well, the "far west" moved and moved, till it reached the Pacific. Beyond that ocean is the Orient, crowded past belief. Where now can the pioneer go? For pioneering is always in the blood of man. Not in every one's, to be sure; there always are contented stay-behinds; but also there always are the restless souls, not content with what has been or is. How shall pioneering instincts have their way when all frontiers are closed?

Dr. Foreman

• • •

Un-Traveling Pioneers

THE traveling pioneer has about had his day; what we now need is the un-traveling pioneer.

Such explorers are of various sorts. One is the mental pioneer, moving to new frontiers of the mind. These can be found breaking out new trails in various directions.

In science there are the men whose minds produced X-rays and plastics, the men and women who did the brainwork that lay behind the splitting of the atom; in government the men on the judge's bench, in lawyer's offices or in professors' chairs, who have been and are still thinking out the undiscovered meanings of democracy; in education the men and women who have pioneered in new ways of teaching, such as Dr. Laubach, great scholar and missionary, who has led the way in teaching the "silent billion" to read and write; these are all pioneers of the mind. God send us more!

• • •

Moral Pioneers

WE need also pioneers of the moral life. "Time," says a line in a poem by J. R. Lowell which has made its way into most hymnbooks, "makes ancient good uncouth."

For instance: once upon a time, practically all Christian people supposed that slavery was not only a good thing, but that God had commanded it for all time. Whitfield, a famous evangelist, said that what America needed for its development was more slaves imported from Africa, and more home-brewing of liquor. Today this sounds so ridiculous that it is hard to believe that a Christian could have said it.

Time has made ancient good uncouth. But time alone will not do this. There must always be some moral pioneer, some one who will run the risk of being called "bad" by going out in front of popular opinion.

Between Whitfield's time and ours there have been moral pioneers, notably a Quaker named John Woolman on whose mind and heart God laid the message: Slavery is a wrong.

• • •

Pioneers of God

WE need also spiritual pioneers, persons who will move forward to new discoveries of God. For most persons, God is still an "undiscovered country"; and no man can discover God for another, though he may testify to his own discoveries. So in the realm of the spirit each must be his own pioneer; and some men and women, even from sickbeds, unable to walk as far as the door, have made great discoveries of God.

The man who is honored as a saint by three religions—Christianity, Judaism and Mohammedanism—Abraham, is sometimes known for the wrong thing. He may be thought of as a traveling pioneer because he moved several hundred miles during his lifetime. But he was not a pioneer in the "old American" meaning of that word, for the Canaan to which he went was no unsettled wilderness but a well-populated civilized country, and he never owned the land he lived on.

Abraham's pioneering was in the realm of the spirit. We know from Joshua 24:2 that even Abraham's father was an idolater; Abraham moved out from the pagan religion of his father and his people, to the discovery of the True True God. No more important journey was ever taken.

The traveling of Abraham's feet was of little importance by comparison. It was the traveling of Abraham's spirit that has most blessed us all.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

Spencerville News

Funeral rites for Michael Kummer, 9, were conducted at 2 p.m. Saturday at St. Peter's Lutheran Church in Spencerville. The Rev. Carl Brown, pastor of the Emmanuel Baptist Church at Fort Wayne officiated at the rites. Burial was in Leo Cemetery.

Mr. and Mrs. Walter Kimes and son, Lanny, were Sunday afternoon guests in the home of the former's parents, Mr. and Mrs. Harvey Kimes.

Mrs. Minnie Kimes and daughters, Rose Ann and Donna, and Mr. Robert Kimes and family of Fort Wayne were recent Sunday afternoon guests in the home of Mr. and Mrs. Harvey Kimes.

Mr. and Mrs. Gerald Krafft and baby daughter were Saturday evening callers in the Harvey Kimes home.

Mrs. Cena Lake was a recent Sunday afternoon guest in the home of Mr. and Mrs. Harvey Kimes.

Mrs. Rosa Widdifield, who has spent the past few weeks in the home of her sister, Mrs. Harvey Kimes, went to Indianapolis to visit her son and family.

Mr. and Mrs. Earl Mortorff and son, Paul, of Garrett were Tuesday evening callers in the Harvey Kimes home.

Mr. and Mrs. Merton Kimes of Los Angeles, Cal., spent the past week visiting in the homes of his brother, Harvey, and sister, Mrs. Chloe Allen, and other relatives and friends.

Mr. and Mrs. Harvey Kimes and Mr. and Mrs. Merton Kimes spent Wednesday evening in the home of Mr. and Mrs. Walter Kimes and family and Mr. and Mrs. A. H. Steiner of near Leo. Home made ice cream and cake were enjoyed by all.

Mr. and Mrs. Harvey Kimes and Mr. and Mrs. Merton Kimes were Thursday evening supper guests in the home of Mrs. Chloe Allen and Mr. and Mrs. Harold Hudson and daughter.

Local News

On Sunday, September 30, attendance awards were given at St. Mark's Lutheran Sunday School as follows: 1 year 9 mo.- Douglas Duker, Gary Sible, Jimmy Kline, Johnnie Baker, Dennis Duker, Jerry Kline, Durinda Duker, Jane Kline; 1year 6 mo.- Gene Sible, Glenda Sible; 1 year- Phil Carpenter, 9 mo.- Bradley Collins, Mike McElroy, Kathy McElroy and Gale Collins received awards during the quarter.

Mr. and Mrs. Frank Shull and Mr. and Mrs. Calvin Hull and family were Sunday guests of Mr. and Mrs. Harvey Hull.

Mrs. Frieda Becker and niece of Woodburn called on Mr. and Mrs. Harvey Hull last Friday.

The Friendly Circle Class of the Lutheran Sunday School met at the home of Mr. and Mrs. Vernie Monroe last Thursday evening.

Mr. and Mrs. Reuben Counts, Mrs. Eva Blake, Mrs. Floyd Collins and Mrs. Hazel Johnson of Van Wert, cousins of Mrs. Hulda Reasoner, were visitors in the Reasoner home Sunday.

Rally Day at the Lutheran Sunday School next Sunday. Entertainment by the Primary Department.

Mr. and Mrs. Ralph Waggoner and Mr. and Mrs. Darris Hamilton and families and Jim Knop had the novel experience of performing on television during a recent visit to New York. As guests at the Radio Corporation of America Exhibition Hall, they mounted a brightly lit platform on which a television camera was trained. Then they watched themselves "perform" on a tlevision screen which faced the platform. The RCA Exhibition Hall in Radio City is one of New York's main gathering places for out-of-town visitors, and houses the largest free electronic exhibit in the metropolitan area. Other places visited included Go Ye Chapel Mission, New York City; Church of Christ, Linden, N. J.; Church of Christ, Hicksville; Long Island, N. Y.; and a Yankee-Athletic baseball game at Yankee Stadium.

Mr. George Chapman returned home Wednesday evening from a business trip to Boston, Mass.

A family dinner was held in the home of Mr. and Mrs. Russell Tustison Sunday to honor the homecoming of Mrs. Tustison's brother, Major Charles Easterday, who has just returned to the states after spending fifteen months on the Korean war front.

Major Easterday was in charge of surgery in his mobile unit which operated within the front lines and always had to be prepared to move the unit within four hours notice. They performed surgery on the most severe cases and patients were moved by heliocopter.

His wife and two small sons have spent the past four months in California awaiting his arrival in the states. Major Easterday is a graduate of Harvard Medical College and his family is returning with him to their home in Boston Mass.

Those attending the dinner were his parents, Mr. and Mrs. S. E. Easterday, of Rome City; Mr. and Mrs. S. E. Easterday, Jr., and family of Garrett and Mr. and Mrs. Herbert Cummings and family of Muncie.

Roger Kees, young son of Mr. and Mrs. George Kees, former residents of St. Joe, now of Garrett, was brought to his home from the Methodist Hospital in Fort Wayne on Saturday afternoon. He entered the hospital on Friday of the preceding week for observation and treatment and was operated on the next Monday for an infected gland on his neck. A delicate operation was performed to remove a cyst near the jugular vein. The operation was successful and the lad is feeling fine and will soon be back in school.

Mr.and Mrs. Edgar Lysher and children, accompanied by Mrs. Lysher's aunts, Mrs. Edna Jenkins and Mrs. Leona Mason, went to Garrett Sunday afternoon to visit Edgar's mother, Mrs. Nan Lysher, and sister, Mrs. George Kees, and family.

Letters to the Editor

Box 355-B, R. 4
Phoenix, Arizona
September 24, 1951

Dear Friends Back Home:

I have been thinking of St. Joe and our many friends there for some time and wondering about all of you; so I will write a letter and chat with you for a while. In so doing maybe I can relate to you some of the things which we see and do that will be of interest to all of you.

As all of you know Arizona is a very dry state with only an average rainfall of about 2½ to 3 inches of rainfall a year. Up until a few years ago very little agricultural crops were grown here; but now with the irrigation system of dams, deep wells and canals, it is now possible to farm most of the land in the valleys, which are very fertile.

As I have told you before, we live in the center of Salt River Valley, one of the largest valleys of Arizona where farming and dairies are the main source of income.

I heard a discussion on the radio the other day and the question was asked, "What percent of the state of Arizona is mountains and how much is under cultivation?" The answer given was 3-5 mountains and 2-5 valleys and not near all that is cultivated yet. I did't know there were that many mounains but we've seen a lot of them.

In Indiana you are now, or soon will be picking corn and combining say beans, but here the main crop to be harvested this fall is cotton. I called the county agent this morning and asked how many acres of cotton were planted in this state this year and he said 540,000 acres. That is the largest acreage ever to be planted here.

There are two distinct varieties of cotton, the long staple and the short staple. The long staple has fibers about one inch in length, and the short ½ inch in length. The average yield per acre is about 750 lbs. of ginned cotton or 1½ bales of 500 pounds each.

The long staple is harder to grow and produces only ½ as much as the other varieties; therefore it is worth twice as much as the other. It is used for tire casings and any material where more strength is needed.

The government support price this year is 30 cents and 60 cents for the two varieties. They pay pickers 3 cents per pound.

A few weeks ago we took a trip up in the mountains about 95 miles north of here to the Horse Thief Basin Park. It is a tract of land owned by the city of Phoenix of several hundred acres of ponderosa pines; and a beautiful spot to rest and relax from the busy stir of the everyday work and heat.

We drove up the beautiful new Black Canyon Highway about 65 miles which is a lovely new road through the mountains and then across country on narrow gravel road that twisted up the side of the mountain in sharp hairpin turns for twenty-five miles. We could see several mines, some gold mines and some copper, etc.

We started early in the morning and cooked our breakfast and dinner over a camp fire under the tall pines. We returned home in the evening very tired, but we had a wonderful day which we'll never forget.

The park received its name because of its back history. Years ago horse thieves used this ground which is now the park for a hide out. As we sat eating our dinner, I told Agnes and Richard that anyone who would go to the bother to bring horses over mountains and such rugged country certainly earned the horses. Of course, I was only joking.

School started here Sept. 17th. We were late getting started because of remodeling of the school buildings. They will be very nice when completed. It will take about 6 weeks to finish the new class rooms. Richard is in the third grade and likes it real well.

Now, folks, don't forget to get your news items in to Ted. We hear of births and deaths through letters we receive from friends back there, sometimes months after they have happened, and which have never appeared in the St. Joe News. We enjoy reading ALL the news.

Come out and visit us this winter and enjoy the sunshine in The Valley of the Sun.

Sincerely,
Ira, Agnes and Richard Moore

Farm

By EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

IN gardening work you'll find that early fall is the best time of year to give your lawn a dose of fertilizer. It's also the best time for lawn renovation or for seeding a new lawn.

During this period of the year, lawn grasses are making growth and storing plant food in the roots so they'll live through the winter and be in good shape to start growth next spring. You can help these grasses now, more than any other time, by top-dressing the lawn with a regular garden fertilizer. Put it on when the grass is dry, to prevent burning.

If you haven't applied any fertilizer in the last few years, your lawn might need some lime. To make sure, dig out a small sample of soil from a dozen places in the lawn and take about a cupful to your county agent. He can quickly test it to determine the amount of lime needed.

If there are bare spots on the lawn, now is a good time for some renovation work. Your best bet is to mix some seed with well-screened topsoil and a little fertilizer, and apply this mixture to the bare spots. By doing this job in the fall you'll give the new grass a chance to get started when there is less trouble from weeds and before the new grasses run into trouble next summer with hot, dry weather.

RALLY DAY AT THE CHURCH OF CHRIST SUNDAY

For an opportunity to be of value, we must take advantage of it. In St. Joe there will be such an opportunity to attend the services at the Church of Christ in St. Joe on Sunday, October 7.

It is often said, "We would go to church if we could just get started." An invitation is extended to everyone to attend Sunday's services. The regular service will begin at 9:30 a.m. followed by a basket dinner.

At 2 o'clock a special afternoon program has been arranged. Robert Hargrave from Defiance, O., will be the guest song leader and speaker of the afternoon.

Come and enjoy this fine fellowship. The evening service will be from 7:30 to 8:30.

The Life of Saint Paul
A 12-week series beginning Sunday, October 13,
at the Spencerville Methodist Church

How does it feel to drive a Buick?

IF you think perhaps we're hinting that it would be a good idea for you to try out a Buick—mister, you've never been so right.

It does a lot of things for you and to you that will be something new in your driving experience.

Take the way it feels beneath your hands on the wheel—eager and willing and anxious to please.

It spurts when you want to spurt—rolls with effortless momentum when you want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

When you come to a bumpy stretch, each separate wheel on its own coil spring steps you smoothly along on a level keel.

Then there's power that surges into action at a nudge of your toe—sends your speedometer needle soaring up to any speed the law allows, in a matter of seconds.

And there is also thrift—the gas-saving thrift that comes from a high-compression valve-in-head Fireball Engine found in no other car.

To top all this, there is Dynaflow Drive*—that feeds power in a steady, falterless flow—lets you ride relaxed in busy traffic or on a day-long cross-country drive.

We're willing to stand on the statement that no other car rides, performs or drives like a Buick.

But why take our word for it? Come in—take over one of these lively lovelies—and see for yourself.

NO OTHER CAR PROVIDES ALL THIS
DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION

AMERICAN LEGION AUXILIARY

A Hallowee Masquerade Party for the families of the American Legion and Auxiliary has been planned for October 23 at 7:30 p.m. at the Legion Home in St. Joe. Prizes will be given to the chosen masqueraders. Refreshments will be served after the entertainment.

The Unit is now having its membership drive! Members are asked to remember that it is a privilege to be a member of the American Legion Auxiliary and they are asked to have their dues ready when contacted for collection.

Members of the unit are invited to attend the reception for Lucille Imes, the newly elected Department chairman, at Wolcottville on October 4.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

AIR FORCE RESERVISTS—Since our publication of policiesrelating to the discharge of Naval reservists I have received many inquiries from the Fourth District concerning the release of Air Force Reserve Officers.

To a letter addressed to the Air Force, I received the following statement: "The tour of duty for a Reserve officer ordered involuntarily into the active military service from the Organized Reserve (pay status) since June 25, 1950, and prior to June 20, 1951, is twenty-one months. If he was ordered to active service after June 21, 1951, the tour of duty is twenty-four months.

"Reservists presently being released due to the expiration of their tour of duty are those who were orderd into the active service since June 25, 1950, from the Inactive or Volunteer Air Reserve (nonpay status). Individuals within this category may be released as follows:

"Airmen may be released after twelve months in current tour.

" Officers may be released after twenty-one months in current tour unless they have served in the active service for twelve months between December 7, 1941, and September 2, 1945, in which case they will be released after completion of seventeen months' service, unless they volunteer to serve for an indefinite period."

PROTEST HIGH TAXES, SPENDING—Typical of the many communications I have received from the Fourth District during the current debate on the tax bill and the unprecedented peacetime appropriations requested by the Administration is the following post card from a Decatur rural route:- "As I am from Indiana and a tax-paying farm woman, I am asking you as my representative to do something to stop this unnecessary spending and keep our taxes down, because the farmers will all have to give up farming if we can't make it any more. Please do something to get the Communists out of our country."

As I am discontinuing farming, I will sell to the highest bidder the following farm personal property located one mile north of St. Joe, Indiana, one mile west and then the first house north on

Saturday, Oct. 13, 1951

commencing promptly at 1 p.m.

MACHINERY

1951 OLIVER 77 with Hydro-Electric and live power take-off.
1951 CULTIVATORS for above tractor or will fit an 88.
1951 OLIVER Radex 14" plows on rubber, used on 25 acres only. (These plows work on any new Oliver, Case or John Deere.).
1951 No. 290 JOHN DEERE CORN PLANTER on rubber, used for only 90 acres.
JOHN DEERE 8 ft. No. JB-JBA tandem disc, used 2 seasons
JOHN DEERE No. 200 2-row CORN PICKER, pull type, never used.
HEVALL MANURE LOADER, 3 years old, fits John Deere, A or B. (Could be made to fit other tractors.)
SEARS-ROEBUCK 2-unit MILKING MACHINE, 4 years old
2-wheel JEEP ARMY TRAILER with double deck, in good condition.
2 rubber-tired wagons in excellent condition.
Grain box for one of above wagons.
1935 Ford 1¼ ton truck with stock rack and grain bed.
16 ft. Handy-Boy aluminum elevator.
2 Lantz rolling coulters, used very little.
Heat-Houser canvas cab for Oliver 77 or 88.
Grease gun and other miscellaneous items.

LIVESTOCK

2 Holstein and Jersey milk cows, 3 years old, freshen January; 3 Holstein and Jersey, 4 years old, freshen January; 3 Jersey, five years old, freshen January; Jersey, eight years old, freshen January; Guernsey and Holstein, 3 years old, freshen January; Guernsey and Holstein, 3 years old, freshen December; Jersey and Guernsey, 5 years old, freshen January; Jersey and Guernsey, 4 years old, freshen December.

The above dairy cattle have all been raised on this farm and T.B. and Bangs tested.

5 Angus heifers, weighing about 550 lbs.; 7 6-month old calves, 4 bulls and 3 heifers.

HAY & GRAIN

15 ton of mixed hay; 440 bales of wheat straw; 600 bushels of oats; 150 bushels of wheat.

On Consignment

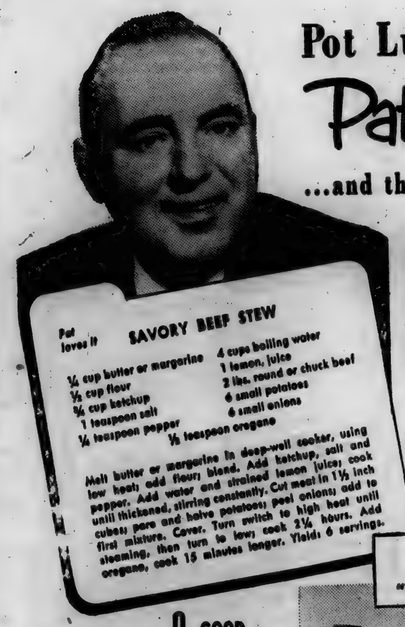
1949 OLIVER CORN PICKER, 2-row pull type.

Terms: Cash. No property to be removed until settled for.

Not responsible for accidents

Walter L. Fetters, Owner

Auctioneers: John Haverstock and Donald Day



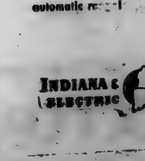
Pot Luck with the
Pat O'Briens
...and their ELECTRIC RANGE!

"If you'll take pot luck with us," says Mrs. Pat O'Brien, "you'll enjoy my husband's favorite dish. Yes—it's Beef Stew—and he likes it best when it's done in the deep-well cooker of our automatic Electric Range. Slow, steady heat under perfect control brings out all the flavor, makes the meat tender and, m . . . m . . . m, tasty!"

The deep-well cooker may also be used for making soups, baking beans, cup custards or apples, as well as a variety of similar dishes.

The modern Electric Range provides many exclusive features that you'll want. It offers controlled, flameless heat—automatically—for broiling, oven, or top of-the-range cooking.

To free yourself from cooking drudgery—just see the modern, automatic Electric Range at your dealer's!



8 GOOD REASONS WHY YOU NEED AN ELECTRIC RANGE

Better cooking results
It's clean
It's easy to use
It's thrifty
It's cool
It's automatic
It's fast
It's modern

The only way to enjoy all these benefits is to have an Electric Range. No matter what make you choose, be sure it's ELECTRIC, and you're sure of having a really modern automatic range!

Get your FREE copy of "HOW TO HOLD A STAR"
Specially prepared recipe booklet—beautifully illustrated. Pictures of famous movie stars with their wives, also their favorite recipes.
Don't miss this opportunity! Get your FREE copy! See us or your Electric Range dealer.
COME IN AND SEE THE "RANGE OF THE STARS"!
Of course . . . it's Electric!

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, October 11, 1951 — NUMBER 38

Around the Town

With the Editor

What happened to Walter Frain Monday shouldn't happen to a motorist.

He had his Rocket Olds jacked up at both ends, front and back, in order to change a couple of tires. He must have been rotating them, or something. Anyhow, while he was busy at the front getting a wheel on, boom—the back jack went over and the car landed on the hub. Fortunately nothing was damaged too seriously and Walter breathed a little easier when everything was found to be O.K.

Richard Rupp, who formerly lived in St. Joe, stopped in Tuesday to put a little ad in the paper. He mentioned that he was through town last week in his new white Miller-Cadillac ambulance. He's operating a funeral home in Defiance now and wanted to be sure that we around here know of his ambulance service.

—A funeral parlor and an ambulance??? I don't know—if business got bad and they picked up a patient for the hospital, I wonder if they'd—naw, they wouldn't do that!

Have you noticed some of the school kids carrying band instruments? I have and it looks good. The meeting held by the P.T.A. a couple of weeks ago resulted in approximately 55 persons attending a second meeting a few nights later. Mr. Carl Zimmerman, instructor of music, met with the students and their parents and now we've got the beginnings of a school band.

In talking with Carl about the results, he mentioned that there are new members coming in each week or so indicating that the interest in a school band is spreading.

CONSERVATION CLUB

The St. Joe Valley Conservation Club will have a merchandise and practice shoot Sunday, October 14, at 1 p.m.

Pheasant Season Nov. 10-12-13

The present year's pheasant hunting season has been set as of November 10-12-13 by discretionary order No. 44 following public hearing in the office of Kenneth M. Kunkel, director of the Indiana Deparment of Conservation. The order becomes effective October 29.

Director Kunkel and Henry P. Cottingham, director of the Division of Fish and Game, pointed out that the pheasant season in reality covers four days but inasmuch as Armistice Day this year falls on Sunday, November 11, a day upon which hunting is forbidden on a year round basis, cock pheasants may be taken legally only upon Saturday the 10th of November, Monday, November 12th and Tuesday, November 13th.

According to the order, which was approved at the public hearing, to the daily bag limit on pheasant for the 1951 season has been set for one cock pheasant per day; the possession limit is two cocks after two days of hunting. The taking, killing or possessing of hen pheasants is expressly forbidden not only by this order but by law.

It was brought out during the hearing that the 1951 hunting season should show improvement in the number of birds bagged because the pheasant population seems to show many local increases.

STATE PROBATION OFFICER EXAMINATION

Mrs. Margaret Afflis Johnston, Director of the Indiana State Probation Department, has disclosed that the State Probation Commission will hold an examination to qualify persons to serve as Probation Officers in all courts of the state on Thursday, December 6, 1951, in the Senate Chambers, third floor, State House. Anyone interested in taking this examination may procure a Preliminary Application blank by writing or calling at the State Probation Department, Room 210, State House, Indianapolis, Ind. November 7, 1951, will be the deadline returning this application to the State Probation Department.

Outlook Meeting Monday

According to Ernest J. Lesiuk, county agricultural agent, C. R. Gross, agricultural economist from Purdue University, will discuss prospects for farm prices and profits at the Agricultrual Outlook meeting at Auburn, October 15. The meeting will be in the Court House assembly room starting at 7:30 p.m.

Will the Korean war and our large preparedness program cause a further rise in farm prices like that experienced during the past year? Or are prices expected to level off during the year ahead? Should farmers sell or store their soybeans? Will this be a good year to lay in needed corn for feeding at harvest time? Will livestock-feed ratios be favorable through the coming year? These questions and others of concern to Indiana farmers will be discussed.

The discussion will also include probable supply, demand and prices for the major farm products during the coming year. The main items of interest in this discussion will be: "The General Business Situation," "Feed Supplies," "The Hog Situation," "Cattle Feeding Outlook," "Dairy and Poultry," and "Farm Land Prices and Farm Costs." Information which farmers will receive at this meeting should assist them in making important decisions in regard to their farm business for 1952.

R. H. C.

The R.H.C met with Gladys Hart October 9 with eight members present.

After the opening song, Ella Crothers told of her trip to New England by way of Niagara Falls which was very interesting.

The business session was then conducted by vice-president Leona Mason in the absence of the president.

Contests by the entertainment committee were enjoyed by all.

The hostess then served refreshments to the group.

Twirlers, Bands Compete

Detailed instructions have been received by all bands participating in the marching contest or entering baton twirlers in the competition at Earl Carr Memorial Field in Auburn Saturday, October 13.

The deadline for entries was midnight, October 6, for this event which is sponsored and managed by the Northern Indiana School Band, Orchestra and Vocal Association.

Ten bands have been entered and 107 twirlers. Ninety of the twirlers are soloists and 17 will appear in ensembles.

Class C bands are those from schools with an enrollment of 250 or less. Entries in this group are from Fremont, Angola, South Whitley and Waterloo. Five bands are entered in Class B from schools with 251 to 750 enrollment. Huntertown is new this year in this class and others entered are Elmhurst, Hartford City Columbia City and Auburn.

Class A enrollments of 751 and larger has but one entry Saturday, that of Central Catholic in Fort Wayne.

Marching is scheduled to start at 7 o'clock Saturday evening.

Twirling events will begin at 1 p.m. and twirlers have been entered from Ashley, Akron, Fremont, Coesse, Central Catholic, Tippecanoe, Garrett, Auburn, Bristol, Kendallville, Pennville, Somerset, South Whitley, Waterloo, Warsaw, Ligonier, Hartford City, Hamilton, Beaver Dam (Akron) and Columbia City.

SIGHT IN THAT SHOTGUN PRIOR TO DEER HUNT

Every good hunter knows about what his shotgun will do. He is familiar with its shot pattern and can place his shot about where he wants it to go in about the same fashion he can steer his automobile around a rut without really being conscious he did it.

But something new has been added. This time it's the rifled slug which is a must in all shotguns to be used in the approaching deer hunting season, November 1, 2 and 3.

Thus it is suggested by the Fish and Game Division of the Conservation Department that hunters make a few dry runs with their shotguns in order that they may become familiar with any peculiarity their weapon develops when loaded with the rifled slug. In other words sight your weapon in.

Those in the department who have experimented had it proven to them that the familiar weapons "ain't what she uster be." In other words the slug just some times doesn't go the way the hunter is "lookin'."

It is advisable to try out the gun at various distances in order to ascertain just what variance may develop under different firing conditions and different loads. Suggested ranges are from 50 to 75 yards. In the event you are good there undoubtedly a closer up shot would score a hit.

Thus, by a little practice, the hunter may get that deer he otherwise might miss by not being familiar with the new charge.

The Conservation Department has placed safety placards, 6,000 in number, throughout all hunting property in the state with particular emphasis in the 17 counties in which deer may be hunted.

Thousands of folders titled "Watch That Muzzle" and containing the Ten Commandments of Safety, have been distributed.

DOG-RUNS OUT DEER COUNTIES OCT 31-NOV. 4

The running of dogs during the deer hunting season, November 1, 2 and 3, was declared "off limits" at a public hearing held October 4 in the office of Kenneth M. Kunkel, director of the Indiana Department of Conservation. It was pointed out that the order applies only to the seventeen southern Indiana counties where deer hunting will be permitted. These counties are Brown, Clark, Crawford, Dubois, Harrison, Jackson, Lawrence, Martin, Monroe, Morgan, Orange, Perry, Pike, Scott, Spencer, Warrick and Washington.

This order in no manner applies to farm pets and dogs running loose over deer infested territory are not included. It does stipulate that hunting dogs may not be exercised upon the above mentioned dates in the counties listed. Nor will coon, rabbit and fox hunting dogs be allowed in the fields of these counties from sunset October 31 to sunrise November 4.

Muck Crop Show Coming

Plans have been completed for Homemakers' Day to be held on Thursday, November 8, as part of the annual State Muck Crop Show at Fort Wayne. All activities for the women will be staged in the Leisure Electric Kitchen of the Indiana-Michigan Power Company. The show itself will be held at the Purdue University Center from November 6th to 9th.

New contests for the women will include preparation of frozen foods dinner and arrangement of a vegetable centerpiece featuring muck crops. The annual vegetable plate lunch preparation contest will again be held. The potato salad contest for girls under 21 years of age will be conducted Wednesday evening, November 7, between 5 and 8 p.m., at the kitchen.

Mrs. Esther Singer and Mrs. Ruth Snellenberger, home demonstration agents of St. Joseph and Kosciusko counties, respectively, are in charge of the Homemakers' Day events.

The two food preparation contests will be conducted from 11:30 a.m. to 2:30 p.m. Thursday. Contestants in each class will be judged on an individual meal prepared and displayed. The meals will be graded for attractive appearance, balance of food value and originality. No talks will be required of the contestants.

Entries for the vegetable plate lunch contest are due October 31 in the office of Mrs. Snellenberger at Warsaw. Entries in the potato salad contest and the frozen foods dinner contest are due the same day in Mrs. Singer's office at South Bend. Entries for the vegetable centerpiece exhibit will be received from 8 to 9:30 a.m. on Homemaker's Day. Details of all contests, including supplies to be furnished by the contestants, may be obtained from Mrs. Snellenberger or Mrs. Singer.

Two demonstrations will be featured Thursday at the Leisure Electric Kitchen. At 10 a.m: Miss Mary Ellen Meyers, home economist from Sears & Roebuck Company, will demonstrate "From Your Freezer To the Table in 30 Minutes." Starting at 1:30 p.m: a demonstration showing the selection, care and cookery of vegetables will be given by Mrs. Mary Rose, nutrition specialist, and Eric Oesterle, retail marketing specialist, both of Purdue.

Prizes for the four contests have been announced by Roscoe Frazer, Purdue vegetable specialist and superintendent of the Muck Crop Show.

In the frozen foods dinner preparation contest, prizes are: 1st place, a seven cubic foot Coldspot Home Freezer valued at $260; 2nd place, 100 lbs. of muck potatoes; and 3rd, 4th and 5th, 50 lbs. of potatoes each.

The Northern Muck Crop Growers Association will give the following cash prizes for the table centerpiece contest: 1st, $5; 2nd, $4; 3rd, $3; 4th, $2; and 5th, $1. Similar prizes will be offered in a junior section open to girls under 18 years of age.

Winner of 1st place in the potato salad preparation contest will receive a silverware service for six. A silver service for four will be presented to the 2nd place winner. The donor is the Wm. H. Block Company of Indianapolis.

Winners of the vegetable plate contest will receive Coppes-Napanee kitchen units as follows: 1st a unit valued at $300; 2nd, a kitchen unit base; and 3rd, a roll-away table.

Scout Scrap Drive Next Two Saturdays

The Boy Scout Troop of St. Joe and Spencerville will conduct a scrap drive on the coming two successive Saturdays.

First to be solicited will be the Spencerville community on this Saturday, October 13. Then the St. Joe community will be asked to have its scrap metal ready for collection Saturday, October 20.

Proceeds from the drive will be donated to the St. Joe Valley Recreation Club, Inc.

Those who have scrap to donate are asked to contact Jack Haas at the Spencerville Elevator.

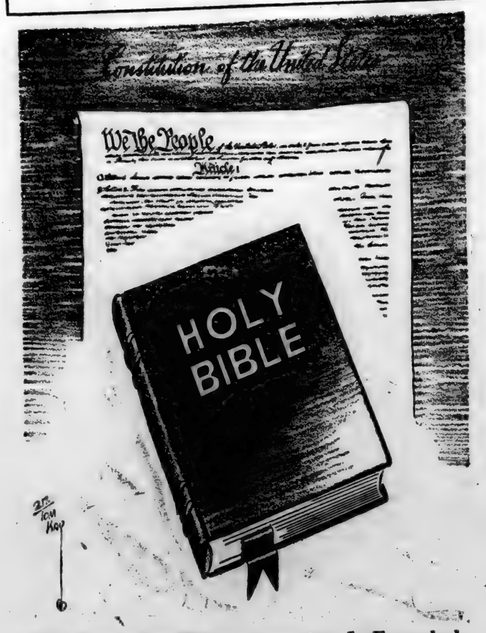
THE AMERICAN WAY



The Rock On Which America Is Founded

National Bible week, October 15-21
Sponsored By The Laymen's National Committee

America Needs A Man

Away back in 1944, I had the pleasure of hearing Captain Eddie Rickenbacker enumerate fifteen qualifications which he believed should be possessed by the man to be elected to the Presidency in November of that year. We didn't elect that kind of a man then, but Captain Eddie's' blueprint still holds good for November 1952.

It is an exacting yardstick evolved by America's Number One Ace of World War I, but surely somewhere in this nation of over 150 million people there is a man who measures up to it. We must find him if America is to be saved, the fate that has overtaken Great Britain. Here follow the fifteen qualifications as outlined by Captain Eddie seven years ago:

1. A man who has convictions with courage and character to put them into action.

2. A man who will not cater to or coddle minorities or pressure groups.

3. A man who will think in terms of the welfare of the great American majority.

4. A man who will recommend amending our labor laws to protect the American laboring men and women from racketeers and false leadership. (This has been partially accomplished by enactment of the Taft-Hartley Law.)

5. A man who will respect States' Rights.

6. A man who will guarantee to return all delegated wartime power to the elected representatives of the people when the war is over.

7. A man who will surround himself with America's ablest men and women.

8. A man who will reduce bureaucracy to the minimum.

9. A man who will reduce and keep government expenses within the earning power of the people to pay.

10. A man who will think in terms of America First, in order that America will last, as Churchill, Stalin and Chiang Kai-shek think of their own.

11. A man who will cooperate with other peoples of the world to insure a lasting peace, but not at the expense of the American people alone.

12. A man who believes in free enterprise and our form of government.

13. A man whom the American people can believe after he is elected as well as before.

14. A man who will go to the American people with a promise of legislation for their approval limiting the presidential term to six years, or two terms of four years each—our traditional and God-given heritage. (This was accomplished by an Amendement to the Constitution limiting a President's tenure of office to two terms of four years each.)

15. A man who will add the Fifth Freedom to the Atlantic Charter—the Freedom of Opportunity. With a fifth freedom, we are then placing a foundation under the four sides of the Atlantic Charter—permitting it to endure and weather the storm of the ages as have the pyramids that were builded centuries ago.

Were Captain Rickenbacker listing these qualifications today, undoubtedly he would amend number four to read: "A man who will recommend FURTHER amending of our labor laws FURTHER to protect the American laboring men and women from racketeers and false leadership."

And it is quite possible he would substitute for number fourteen the following: "A man who will purge our Nation's Capital of disloyal Federal employees and the Judases who peddle government favors and hand-outs for 'thirty pieces of silver'."

If you know of a "man" who measures up to these specifications, please write me care of this newspaper.

—George Fuck, from "The American Way."

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Genesis 27:1—33:17.
DEVOTIONAL READING: Psalm 4.

God's Untuned Harp

Lesson for October 14, 1951

CAN the perfect God make use of an imperfect man? He has to; there is no other kind. God is the perfect musician; his melodies and harmonies are flawless; but he has to play these on the harp of humanity, twanging strings easily broken, never long well-tuned.

Dr. Foreman

One such doubtful string was young Jacob. He improved immensely, later in life; but at the time of the incident described in Genesis 28 he was a very rough diamond indeed. His own home was too hot for him. His father had been bitterly disappointed in him; his twin and only brother Esau had sworn to kill him at the first chance. He was a swindling liar, leaving home on the run.

If he had treated his neighbors with the same lack of conscience he had shown toward Isaac and Esau, there must have been "many a dry eye" when the news went around that Jacob had left town. As a matter of fact, he kept on, for some years after this, being the same sort of sharp trader he had always been.

His dream at Bethel did not convert him, as is sometimes thought; if it did, his conversion waited 20 years to "take." If the reader will examine Jacob's vow in Gen. 28:20-22, he can see that it does not express a very lofty view of religion on Jacob's part. Jacob makes his promise to the Lord with a large IF attached; IF the Lord will prosper him, keep him safe, bring him back and so forth, THEN he will give the Lord ten per cent. Who would not pay a ten per cent commission for guaranteed protection and prosperity? No, we cannot say that Jacob at this time was saintly.

• • •

God's Purpose

AND yet God spoke to him, made great promises to him. Was this only a conceited dream of Jacob's? It was a dream, of course, as the writer frankly says (verse 12); but was the dream only the kind of thing that psychologists call "wish-fulfilment," with no meaning except to show what Jacob had been thinking about? Or did the dream stand for something real?

The general belief of the church is that God really did have a concern for this man and did speak to him through his dream, even though it was the kind of dream which perhaps only a Jacob could have had.

But how could the perfect God "make a covenant" or come to any terms with such a man as Jacob then was? The answer is probably in the story itself and in what followed it. God had a purpose far beyond Jacob the man. He had a plan for him too; but it fitted into a far greater plan for mankind. "In thee shall all the families of the earth be blessed" refers, Christians believe, to Jesus Christ and what he has meant and will mean to the world. Without Jacob, and the race which would call him their ancestor, Jesus would not have been.

• • •

God's Harp Has Many Strings

ONE of the most remarkable titles for God in the Bible is "the God of Abraham, Isaac and Jacob" (Exodus 3:6). We might expect the first name; we are astonished to hear the other two.

Abraham, of course, was a great spiritual pioneer. He was great in other ways too; a man who would be outstanding in any age, in any place,—one of the great religious geniuses of all time. Of course God is the God of such men, we expect it.

But what about Isaac and Jacob? Isaac was a nonentity, a weak character, far from bright. Even his sins were second-hand. As for Jacob, even after he became a changed man, as in time he did, his old crooked record remained a fact. The Bible does not try to conceal it.

Then can God be the God of the weak and the God of the sinner? Yes, that is the glory of the God who is revealed in his Word. Other religions know of gods who are friends of top-level human beings, geniuses and saints; only the religion of the Bible knows of a God who takes a personal interest in the weak and who pursues the sinner to change him.

Only the Bible knows of a God who draws to himself all sorts and conditions of men, and makes use of them for his great and gracious purposes.

You'll Get Better Medical Care

And you can plan the costs—if you'll make your doctor your friend

If we could all sit down right now and schedule our illnesses for next year, there'd be no strain on our medical and hospital care, no drain on our overworked purses. But, somehow, illnesses do not occur on schedule.

Here in Indiana, there are physicians within a reasonable distance of every person. Every shopping center of moderate size has physicians within reach of a car or telephone. Well-established state and locally-controlled institutions supply good care to rich and poor alike.

Our type of medical care proves to be much faster, much more flexible and much more efficient than that in other countries which control the practice of medicine.

Sometimes hospital and medical care seem expensive—but Indiana's voluntary health insurance plans provide for unusual expenses adequately and efficiently.

You can be sure you and your family will have prompt care, good care and for the least cost, if you take the following precautions.

- Make a doctor your doctor. Select a physician, learn to know him, respect his advice. Don't wait for an emergency—emergencies never wait for you.
- Conserve his time and yours by calling at his office at his regular hours, whenever possible.
- Discuss the problem of the cost of your medical care with your physician before the service, when possible. *You have a right to know about the cost.* It is your privilege to select your own physician, at any time—and to have a complete, friendly understanding with him.
- Prepare for the cost of unexpected serious illnesses by voluntary medical and hospital insurance.
- If you are dissatisfied with your medical service, by all means report it to your local medical society office or to the Indiana State Medical Association. The Association is set up to see that good medical care is available to all the people of Indiana at a cost that is reasonable. Its members have been dedicated to this responsibility for many years.

IN CASE OF EMERGENCY . . .

If you need emergency medical service and can't locate your doctor, call the emergency service in your community, set up by your local medical society. They will get you in touch with a physician who will serve you until your own doctor is available.

Spencerville News

Mrs. Walfred Lindstrom of St. Petersburg, Fla., visited in the home of Mrs. Lloyd Wade several days recently.

Mrs. Walfred Lindstrom, Mrs. Princess Reotenwall, Mrs. Audrey Wade and Mr. and Mrs. Gale Bowser were Sunday dinner guests of Mr. and Mrs. Milton McGrath at their home at Hamilton Lake a week ago. The McGrath residence is located at Fountain Park.

Mr. and Mrs. Herbert Edwards and son of Ft. Wayne, Mr. and Mrs. Homer Stemen and family and Mr. Fred Stemen were Sunday dinner guests of their mother, Mrs. Mary Stemen.

Mrs. Claudia Hafner and Mrs. Katie Fetzer spent Sunday with Mr. and Mrs. Edward Billman.

Mrs. Marguerite Hoffman returned home Sunday from Excelsior Springs, Mo., where she was at the Ball Sanatorium.

Mrs. Florence Silberg returned home Sunday from Ft. Wayne where she was caring for her cousin, Mrs. Ora Wilmont, a few days.

Mr. and Mrs. Richard Miller and son were Sunday evening supper guests of his father, Mr. Vinton Miller, and brother, Mr. and Mrs. Maurice Miller, and family.

Miss Loretta Funk, Mrs. Berthan Brown of Auburn and Mrs. Lela Northrup of St. Joe spent Wednesday with Mrs. Flossie Rhoads.

Mr. and Mrs. Frank Rhoads were entertained to dinner Sunday in the home of Mr. and Mrs. Rollie Genth of Ft. Wayne.

There were twenty-five members of the Sunday School class of Miss Fern Walter and one guest, Mrs. Helmick, met with Mr. and Mrs. Roscoe Walter for their September monthly class meeting. Devotions and contests were conducted by the committee, Lucy Beams and Jessie Ringenberg. A bountiful carry-in dinner was served. A pleasant evening was enjoyed by all. Mrs. Venus Foltz will be hostess for the October meeting.

STATEMENT OF THE OWNERSHIP, MANAGEMENT AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233)

Of The St. Joe News published weekly at St. Joe, Indiana, for October 3, 1951.

1. The names and addresses of the publisher, editor, managing editor and business managers are

Publisher, T. E. Haberkorn,Jr . Box 16, St. Joe, Indiana.
Editor, T. E. Haberkorn, Jr. Box 16, St. Joe, Indiana.
Managing editor, T. E. Haberkorn, Jr. Box 16, St. Joe, Indiana.
Business manager, T. E. Haberkorn, Jr. Box 16, St. Joe, Indiana.

2. The owner is T. E. Haberkorn, Jr. Box 16, St. Joe, Indiana.

CONCORD JR. HOME EC CLUB

The October 1st meeting of the Concord Jr. Home Ec Club was held at the home of Ellen Fetters.

The meeting was opened by reading the club creed. Marcelle Storer then read the history of the song of the month, "Back Home Again in Indiana," which was sung by all. Devotions were given by Harriet Baker. Marcia Sible gave a report on the roadside council meeting. The next council meeting will be held November 26.

October 19 will be the achievement day program held at Waterloo.

A bake sale and bazaar will be held November 10 in Auburn. Club members are asked to bring the articles for the bazaar to the next club meeting.

Seventeen members answered roll call by giving their hobby as response.

The secretary and treasurer report was given by Katy Crow.

The meeting closed by singing the club prayer. The next meeting will be on November 3rd at the home of Florence Miller.

I. G. A.'s SALES RECORD

Second Only To A & P

This is the heading of an article in last week's issue of the Weekly Digest published by the American Institute of Food Distribution. I.G.A. has just celebrated its silver anniversary which means that in 25 years, it has grown from nothing to a two billion dollar per year business. In 1950 A&P did over a three billion dollar business and Safeway, the big west coast chain, placed third with one billion two hundred million. IG.A. took third place from Kroger in 1949. The foregoing is proof that independent business men voluntarily grouping together can more than match the giant corporations. Moreover, while I.G.A. stores are found in the largest cities, they are also found in little country towns which the large chains have either ignored entirely or have closed their stores and moved out.

We here at our I.G.A. store often get pretty badly riled at some parts of our I.G.A. set up, but on the over all, we've never found any other set up to equal it.

COBURN CORNERS CHURCH NEWS

The Christian Endeavor at Coburn Corners Church of Christ celebrated their 1st anniversary, Sunday evening, October 7, at 6:30. There were 43 members and guests present. The meeting was called to order by the new 1952 president, Joan Curie. The minutes were read by Joan Cook. Group singing was led by Darris Hamilton. A special number was given by the Minute Men Quartet from radio station WGL. Sentenced prayers were given. A special number was given by the Harmonettes. The lesson was "At the Lord's Supper" and was led by Bonnie Witt. The scripture text was also read in Luke 22:1-20, John 17:20-23 and I Corinthians 11:17-30. A reading was given by Mary Wilder. Questions on "The Lord's Supper" were discussed by the group. A Bible quiz was given to the group. Benediction was given in unison.

Singspiration Service at Coburn Corners Church of Christ was enjoyed by many people. The Minute Men Quartet gave some special entertainment. The Harmonettes from Butler sang a trio. The Greenfield sisters also sang a trio. A duet was given by Mr. and Mrs. Darris Hamilton. The sermon was, "Why Go To Church."

Sunday evening after church the C.E. celebrated its 1st anniversary at the home of Mr. and Mrs. Robert Witt and family. Those present were the Minute Men Quartet, Mr. and Mrs. Frank Brechbill and daughters, Elaine and Teresa, Carl Haines, Bob Hartung, Jesse Saltsman, Joan Curie, Donald Mann, Marie Fulmers, Mr. and Mrs. E. Greenfield and daughters, Donna, Anna May, Charlotte and Linit, Bonnie and Phyllis Sweet, Betty Mann, Rhoda Ulm, Emily Shull, R. D. and Betty Baker, Mary and Bill Wilder, Sharon Burkhead, Dick Coll, Dick Jennings, Charles Willard, Mr. and Mrs. E. Kummer and children, Gary, Dennis, Terry and Kathy, Mr. and Mrs. Ralph Waggoner and Mr. and Mrs. Darris Hamilton and family, Darlene and Mike. The Minute Men entertained with several special numbers. Games were enjoyed by all. Refreshments of marble cake, punch and sandwiches were served.

The Bible school teachers met at the church Sunday afternoon, at 2 p.m.

The Home Builders class met Sunday afternoon at the home of Mr. and Mrs. L. Wilder. They elected officers as follows: pres.-Maxine Goldsmith; vice-pres.-Robert Witt; sec.-Mrs. L. Jarrett; ass't sec. Sue Waggoner. Supper was served by Mr. and Mrs. L. Wilder.

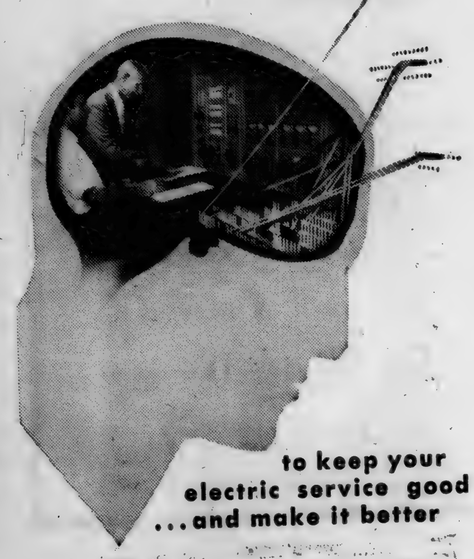
quarter-million-dollar
MECHANICAL BRAIN


to keep your electric service good ...and make it better

You've heard about "mechanical brains." Now you're looking at one — and this one's job is to work out problems that affect your electric service.

We call it a network analyzer. It cost $230,000 and it's in American Gas and Electric Service Corporation headquarters for use by your electric company and the others of the AG&E System.

A maze of dials, switches, and miles of wiring, it duplicates in miniature the generators, transmission lines, circuit-breakers and transformers of the whole AG&E System — equipment spread over 90,000 square miles is compressed into a 20 x 30-foot room.

With 1,175,000 customers in the 7-state area the System serves, the "brain" has plenty to think about. It works out problems in a few hours that skilled engineers formerly spent months to solve: What size transformer is needed here? What lines must be built to serve those new defense plants going up? What power plant should carry the load when a generator is down for repairs?

To these and dozens of other questions the analyzer has quick and accurate answers. Yes, it even probes into the future, helps us determine how to serve your electric needs — a year, three years, five years from now.

The network analyzer is another example of what your power company is doing to assure you dependable, low-cost power today and tomorrow.

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, October 18, 1951 — NUMBER 39

Around the Town

With the Editor

That thermometer at the bottom of the page hasn't blown its top yet, and, for my own personal satisfaction, I'd like to see it happen before next February. That's when the recreation club elects officers for 1952. The club set $3500 as its initial goal and though the diamond has been in use and will be ready to go again next spring, as far as lights are concerned, there are still some important items to be financed such as bleachers and an outdoor public address system.

The News has carried the slogan, "Goal to be won in '51—a lighted softball diamond," for the past nine months and I imagine maybe some readers are getting tired of reading it. I'd like to change it, too, and thought perhaps you would help to do so. We have about 800 subscribers—if each one would drop a fifty-cent piece in an envelope and mail it to the News, that thermometer would almost pop. Of course, it's unreasonable to expect all 800 to respond and send four bits, so maybe some could spare a buck to make up for the difference.

Anyhow, will you do me a favor and send a buck or a half to the News and let me get a nice long list of contributors to present to the recreation club along with a big fat sack of silver?

It would be a boost for the club—and the News, too.

Got busy last week on Lenard Fisher's catalog and almost didn't get the paper out. Lenard is having a boar and gilt sale next Thursday, October 25, at Fremont along with Ward Chapin of Montgomery, Michigan. They've got some pretty good stock and should have a nice sale.

You should see that catalog—beautiful. Pictures of the reserve grand champion boar 'n everything. That printing company in St. Joe sure does nice work—usually.

Speaking of St. Joe, Lyle McMaken mentioned at the firemen's meeting Monday that St. Joe's population had increased by only 25 head since 1900. And there were more businesses operating. Mrs. Frank Bowman also pointed that fact out recently when she sent in a list of businesses operating in 1885. Maybe some of the old-timers can remember them—and the "new-timers" can do some pondering.

Home Ec Clubs' Achievement Day Friday

Preparations have been completed for the annual DeKalb County Home Economics Achievement program scheduled for Friday, October 19, in the Waterloo High School gym.

H. J. Pierson of the Indianapolis Chamber of Commerce will headline the all-day program. He will speak at the afternoon session. Another highlight of the program includes music by the County Home Economics Chorus, directed by Mrs. Alice Yarian of Auburn with Mrs. Helen Housel of Butler Township at the piano.

Mrs. Ruth Teutsch of Stafford Township, county home economics vice president, is program chairman for the day.

Members of the hostess committee include Mrs. Cora Funk of Smithfield Township, chairman, and Mrs. Mary Brand, Mrs. Mary Brecbill and Mrs. Edna Kiplinger, all of Smithfield Township.

Members of the ticket committee are Mrs. Nellie Rynearson of Richland, chairman, and Mrs. Doris Yeiser, Concord, Mrs. Lois Smith, Union, Mrs. Helen Mertz, Fairfield, and Mrs. Lois Fisher of Spencer.

Mrs. Velma Husselman of Grant Township is directing the decorations and corsage committee. ,

The plate lunch will be served by the Waterloo band parents.

Mahlum-Smith

Miss Effie V. Smith and Clarence A. Mahlum were united in marriage at 2:30 p.m. Saturday in the Brush College Church of God, south of Auburn. The Rev. Boyce W. Blackwelder of Chicago, brother-in-law of the bride, officiated at the single ring ceremony.

The bride is the daughter of Mr. and Mrs. Ray Smith of St. Joe and Mr. Mahlum is the son of Christ Mahlum of Blaisdell, N. D., and the late Mrs. Mahlum.

Mrs. Ray Tucker of Kendallville was pianist and Miss Helen Brown, also of Kendallville, was vocalist for the musicale preceding the wedding ceremony.

The bride was given in marriage by her father. She chose a gown of white Chantilly lace and marquisette over satin with cap sleeves and mandarin neckline and mitts. Her fingertip veil of nylon net extended from a crown of seed pearls and orange blossoms. The gown also was worn by her sister, Mrs. Boyce Blackwelder, of Chicago, at her wedding. The bride carried a corsage of pink and white roses and mums on a white Bible, a gift of the groom.

Miss Shelba Jean Smith of St. Joe was bridesmaid. A sister of the bride, she was attired in an aqua blue dress with mitts and hat to match and she carried a bouquet of yellow mums.

Darlene Kay McInturf of Auburn, niece of the bride, dressed in yellow taffeta, served as flower girl.

Rev. Ray Tucker of Kendallville was best man. The ushers were Donald Smith of Auburn and Dale Smith of St. Joe, brothers of the bride.

Mrs. Smith wore a two-piece navy blue dress with black accessories and a corsage of pink and white roses. Mrs. Marion Brown of Kendallville, a friend of the groom, acted as the groom's mother. She was also attired in a navy blue dress with black accessories and a corsage of pink and white roses.

The ceremony was followed by a reception at the Jackson Center hall. Serving were Mrs. Harold McInturf and Mrs. Bill Decker, sisters of the bride, and Mrs. Warren Smith and Mrs. Donald Smith, sisters-in-law of the bride, all of Auburn.

The bride's attire for traveling was a gray suit with navy blue accessories with the corsage taken from her bridal bouquet. The couple will reside at 116 Newnam Avenue in Kendallville. Mrs. Mahlum is employed at the Messenger Corp. in Auburn. Mr. Mahlum is employed in the pattern shop in the Kendallville foundry.

Parade, Party Hallowe'en Night

Joe Robinson was appointed chairman of the Halloween parade and party to be given for the community on Wednesday evening, October 31, at the Monday meeting of the volunteer fire department.

Several local organizations, including the conservation club, K. of P. lodge, American Legion post and auxiliary, recreation club and St. Joe business men, have been asked to participate in staging the party.

A meeting will be held Friday evening, October 19, at the town hall when final arrangements will be made. It is planned that each organization will take charge of one of the activities during the evening.

The Halloween party is presented each year to help reduce vandalism. It is a good thing for all since damage to property has steadily declined during the past few years.

The annual parade will start at 7:30 p.m. Halloween night on the main street of St. Joe. Children and grownups have entered the costume contest in other years and the same enthusiasm is expected this year. Judges of the contestants will pick winners of the following classes: funniest, scariest, most original, cutest, prettiest, best couple, youngest and oldest.

Following the parade special entertainment, to be disclosed later, will be presented and treats will be given to the masqueraders.

BUTLER SENIORS TO PRESENT PLAY OCT. 19 & 20

"The Cannibal Queen" is the title of the play to be presented by the Senior Class of Butler High School on Friday and Saturday, October 19 and 20. The play will be given in the school auditorium at 8 p.m.

The story evolves around a small hotel in Centerville. A real, live cannibal is brought to this country by an ex-GI to be studied by an eccentric old man.

Cannibals like to eat human flesh and Ju-Ju is no exception—at least she tries.

Mild Polio Cases Reported

Three Garrett children have mild cases of poliomyelitis, it was reported Friday by health authorities. They are Anita Mary, 21-month-old daughter of Mr. and Mrs. Donald Hartman, and Gary Lewis, 4, and Ardith, 8, children of Mr. and Mrs. Clarence Mattice.

The Hartman child became ill about three weeks ago with what appeared to be a cold. However, the child developed a weakness in the back and legs and the family physician, a Fort Wayne pediatrician, diagnosed the case as a mild attack of polio.

The child is not ill enough to be a patient in the hospital. However, Anita Mary is being given home therapy treatments and is given a therapy treatment every Saturday at St. Joseph's Hospital in Fort Wayne. She has a weakness in her back and left leg and a very slight weakness in her right leg.

The Mattice children became ill two weeks ago with what appeared to be the flu. However, they developed a weakness in their backs and legs and the family physician diagnosed the cases as polio October 6.

Gary Lewis was taken to St. Joseph's Hospital last Monday. His legs and back are weak but there is no paralysis. His condition is reported as "good." Ardith also has a weakness in her back and legs but her condition is such that it does not require hospitalization.

Three-year-old Roger Stafford, the county's first polio victim, has been released from the St. Joseph's Hospital and is rapidly recovering at the home of his parents.

His attending physician said there is no indication that the boy has suffered any permanent muscular involvement and his complete recovery is expected.

Corn Pickers Bring Accidents

Corn harvesting time is here again and with it comes the news accounts of injuries or loss of limbs from mechanical corn picker accidents which could have been avoided.

F. R. Willsey, extension farm safety specialist at Purdue University, says corn picker accidents do not just happen to persons who are in a special hurry. Some operators never shut off the power even when they have plenty of time. Injuries are not prevented by "close calls."

Corn picker accidents don't just happen to persons working from the front side of the rollers, either, nor do they always result from clogged snapping rolls. Exposed power shafts, husking rollers, chains and gears which begin moving when the clogging is relieved are other hazards.

The Indiana Farm Safety Council is sponsoring a campaign for safe corn harvesting this fall. Vocational agriculture departments veterans' training classes, implement dealers, farm organizations, and the Purdue Agricultural Extension Service are being enlisted in the crusade. Future Farmers of America chapters in the state are emphasizing corn picker safety as one of the three themes in their safety program this year. The others are home fires and livestock.

Willsey gives the following safety tips for corn picker operation:

Never attempt to clean, oil or adjust the machine while it is in motion.

Be sure all safety shields are in place before operating the picker.

Keep hands completely away from snapping and husking rolls when machine is in motion. Never get off the tractor seat with the power take-off and machinery in motion to clean out the machine by hand.

Never allow anyone to ride on the picker.

NOTICE TO VOTERS

Notice is hereby given that an election will be held in the Town of Butler, Indiana, the 6th day of November, 1951.

Officials to be elected: a Trustee from Ward No. 1, Trustee from Ward No. 2, Trustee from Ward No. 3 and a Clerk-Treasurer.

VOTING PLACES

Ward No. 1, Ward No. 2 and Ward No. 3 in the Town Hall.

Willard Hurni

THE AMERICAN WAY

A Hearing Aid Would Help

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

GROUP DISAPPROVES JESSUP—Citing the fact that in "these critical times" the nation should be represented by men "in whom the American people have faith and confidence," 55 Republican members of the House including myself have urged a special Senate Subcommittee not to recommend the nomination of Philip C. Jessup as a delegate to the United Nations.

In a letter to Senator Sparkman, chairman of the committee, these Representatives said: "When this country chooses a person to represent the American viewpoint in the deliberations of the United Nations, it is vital that the appointee bear not only his credenials but the unreserved support of the American people. His reputation and standing should be beyond question.

"Mr. Jessup's record as developed in testimony before your Subcommittee, including the testimony of Mr. Jessup himself, is not one to inspire the confidence of the American people, or to command the respect of the delegates from other nations in a world gathering such as this one. The most important question, as we see it, is not Mr. Jessup's faith in America, but America's faith in Mr. Jessup."

BLUE ROOM SUITE—After five weeks of intensive work, a beautiful "blue room" has been added to the Pentagon for Assistant Secretary of the Army Earle D. Johnson. The blue room actually consists of three large offices, plus an entrance lobby done by a decorator in what is described as infantry blue. The "blue room" is also provided with a commodius dressing room, replete with built-in clothes chest and full length hanging closet. Off of this, lies the bathroom with a full tile shower compartment. Officials could not give an estimate of the cost, but the square footage is about the equivalent of a moderate two or three bedroom house. At present there are 30,000 workers in the Pentagon "army" battling under these Korean "police action" conditions.

HARLAN AMERICAN LEGION AUXILIARY POST 422

Installation of officers was held at the Legion Home on September 13 with the past president, Mrs. Betty Bauer, acting. Lunch was served. Two Gold Star Mothers, Mrs. Alta Ruppert and Mrs. Laverge Bush, and one guest, Mrs. Arta Egley of Baltimore, were present.

On October 4 Mrs. Phyllis Love and Mrs. Betty Bauer attended a reception which was held at Wolcotville for the department chaplain.

Four volunteer workers are at the Veterans Hospital in Fort Wayne. They are Mrs. Clara Betz, Mrs. Mildred McKinley, Mrs. Juaneta Lake and Mrs. Janet Amstutz.

Officers for the coming year are as follows:

President—Mrs. Mildred Betz. 1st vice-president—Mrs. Marjorie Amstutz, 2nd vice-president—Mrs. Lola Klopfenstein, 3rd vice-president—Mrs. Marjorie Bollier, treasurer—Mrs. Blanche Amstutz, corresponding secretary — Mrs. Mildred McKinley, recording secretary—Mrs. Juaneta Lake, chaplain—Mrs. Agnes Grueb. sgt. at arms—Mrs. Clara Betz, historian—Mrs. Blanche Amstutz.

Appointed to the executive committee are the following: Mrs. Betty Jackson and Mrs. Phyllis Gerig.

Unit chairmen are as follows: Americanism, Mrs. Clara Betz; child welfare, Mrs. Agnes Grueb; civil defense. Mrs. Agnes Grueb; community service, Mrs. Lola Klopfenstein; constitution and by-laws, Mrs. Betty Bauer; education of orphans and veterans, Mrs. Elda Koldewep; finance, Mrs. Marda Koldewey, finance; Mrs. Mar-Phyllis Gerig; Gold Star, Mrs. Mary Leighner; junior activities, Mrs. Mildred Betz; Knightstown Home, Mrs. Betty Jackson; legislation, Mrs. Mildred Betz; membership, Mrs. Blanche Amstutz; merit system, Mrs. Clara Betz; music, Mrs. Mildred McKinley; national security, Mrs. Lola Klopfenstein; Pan American, Mrs. Phyllis Love; past president parley, Mrs. Blanche Amstutz; poppy Mrs. Marjorie Amstutz; publicity, Mrs. Clara Betz; rehabilitation, Mrs. Juaneta Lake; radio, Mrs. Mildred McKinley; service sales, Mrs. Elda Koldewey.

A regular meeting was held at the post home October 11 with ten members present.

Some of the Legion men worked getting the floor of the post home ready to be sanded.

Pot-luck lunch was served to those present.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 1—2. DEVOTIONAL READING: Psalm 37:7-14.

Seeing God's Hand

Lesson for October 21, 1951

NOBODY is ever, in all his life, actually as wise as he thinks he is when he is about 17 years old. We have a remarkable case of this in the Bible, the story of a man whose viewpoint, between his 17th and 56th birthdays, completely changed. It is the story of Joseph.

Dr. Foreman

At the age of 17, Joseph was about as nearly insufferable as any one ever has a chance to be. He was the oldest son of the favorite wife of a wealthy cattle-owner named Jacob. Old Jacob needed all the hands he could use, to look after his sheep and cattle; and he put all twelve of his sons to work. Eleven of them had real work; Joseph, though next to the youngest of them all, was a kind of boss or overseer. At least that is what his father intended.

He dressed the boy not in working clothes like the others but in fancy clothes, and used to send him around to see what the other boys were up to. Naturally Joseph's brothers did not take to all this; in fact they hated him so hard that they were on the point of murdering him.

On the very day of the proposed murder, however, the brothers discovered a chance to sell him as a slave. So Joseph was sold off to some traveling slave-traders, and for all his brothers knew or cared, he was off to a lingering death.

• • •

Where Was the Hand of God?

JOSEPH expressed no opinion about this at the time. (He was probably gagged.) But judging from his general character and behavior at that time of his life, it is no trouble to guess his thoughts. He was "fit to be tied"; indeed, he must have been tied on a camel's back, for no slave-trader in his senses would make Joseph walk the 200 miles to Egypt.

The better his condition on arrival, the higher the price. (As it turned out, a very wealthy man bought him; perhaps only a wealthy man could afford him.)

If you had asked Joseph while he was being hauled down to Egypt and the slave-market, Where is God in all this? Joseph might well have answered: "Nowhere. The devil is in this, or my devilish brothers. Nobody means any good by it. The only reason they are selling me instead of killing me is that they are making a little by it; these slave-traders are certainly not in business for their health. I am the only son my father trusted, and now I shall die a wretched death in a strange land."

• • •

The Wisdom of the Years

THAT was Joseph at seventeen. At the age of 56 he saw a different picture. Many strange years had passed; Joseph had been slave and then prisoner; then by a dramatic turn in his fortunes he had risen overnight to be the top food administrator, price controller and economic stabilizer, all in one, for the great empire of Egypt.

His brothers, driven by famine, had fled to Egypt for help, and Joseph, after playing cat-and-mouse with them for months, at last told them (to their great terror) who he was. But he had returned good for evil; had invited down his whole family, father, brothers and all, and given them refuge in a corner of Egypt. At last Jacob died.

The brothers, who made the mistake of thinking Joseph no better than themselves, had supposed that all Joseph was waiting for was his father's death. Now would be the time for Joseph's long-delayed vengeance. Possibly Joseph the boy had dreamed of just such an hour. But Joseph the man was wiser. To his brothers, cowering before him, he said a memorable thing: "You meant it for evil, but God meant it for good." (Gen. 50:20.)

He still had no illusions about his brothers. They had been a bad lot. But God "meant it for good." That wicked act, selling him into slavery, had been the unintentional means of saving hundreds of lives. Joseph now, with the wisdom of his 56 years, can see the hand of God which his 17-year-old eyes could not see at all.

So in times of distress the thought should come to each of us: God's hand may just now be out of sight, but some day, looking back even on this distress we too shall see the hand of God.

(Copyright, 1951, by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

Home Ec Officers Named

Mrs. Ruth Teutsch of Stafford Township was elected 1952 president of the DeKalb County Home Economics Council at a meeting held Thursday afternoon in the assembly room of the court house in Auburn.

The county home demonstration agent, Mary Lenore Moore, reports that the other officers selected for the coming year include Mrs. Mildred Bard of Fairfield Township, vice-president; and Mrs. Ruth Little of Troy Township, secretary-treasurer.

Attending the meeting with the newly-elected officers and the home demonstration agent were Mrs. Billie Mason of the Concord Junior Club, Mrs. Ruth Dilgard of Union, Mrs. Helen Cook of the Richland Junior club, Mrs. Velma Husselman of Grant, Mrs. Nellie Rynearson of Richland, Mrs. Cleo Pease of Corunna, Mrs. Dorothy Till of Grant, Mrs. Pearl Overholt of Franklin, Mrs. Nellie Krafft of Wilmington, Mrs. Grace Laub of Spencer, Mrs. Mary Hose of Stafford, Mrs. Goldie Kruse of Jackson, Mrs. Nina Davis of Butler Township, Mrs. Lucille Nelson of Newville, Mrs. Josephine Beree, of Newville, Mrs. Dorothy Kimes of Spencer, Mrs. Cora Funk of Smithfield, Mrs. Pearl Grogg of Keyser and the county home economics president, Mrs. Mildred Grogg of Grant.

Plans were made for the Home Economics Achievement program at the Waterloo gym October 19.

The Model Home Demonstration club president, Mrs. Helen Cook of Richland Township, was introduced by the presiding officer.

The home agent announced that a county home economics history is being compiled and asked the cooperation of various officers n the clubs in getting this information.

It was voted at this council meeting to appoint in 1952 a parliamentarian and historian. These are two new offices of the association. The appointments are to be announced at the next meeting by Mrs. Teutsch.

Spring Farm

by EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

NEXT week we observe 4-H Club Achievement Time—the time for various awards of recognition to the almost two million 4-H Club boys and girls of America. Achievement programs honor youngsters with awards for hard work, intelligent planning and carrying their work through to a successful conclusion.

Through the years I have been invited to many 4-H Achievement Programs and have always marveled at the amount and quality of the work for which some youngsters and clubs receive recognition. I soon found that 4-H Club work is more than raising a calf or making a dress. There are a great number of varied 4-H Club programs which are expertly carried out, so it's difficult to estimate the true value to a community of a 4-H Farm Safety, Health, Conservation, or Recreation Program.

The wonderful awards for highest achievement—trips to the National Club Camp in Washington and the National 4-H Club Congress in Chicago, and even College Scholarships—are once in a lifetime opportunities. The fine part of it is that here in America every rural boy and girl has an equal opportunity to work for these highest awards.

May I congratulate each and every one of you 4-H members for your success in completing all project requirements. Also, let's give the parents and volunteer leaders all the credit they deserve—and that's a lot. After all, good leadership is the heart of the whole 4-H program. I would like to urge all of you to support 4-H work for the benefit of your youngsters, your community and yourself . . And, be sure to attend the 4-H Club Achievement Program in your community this fall.

Pattern of the Week

SKIRTS TO ROUND OUT YOUR SEPARATES WARDROBE — Advance pattern #5912. Make 2 from 1 pattern. One version is a pencil slim skirt with fly front and smart patch pockets, cuffed and button trimmed. The other, gored and moderately flaring. Waist sizes 24 to 32 .....35c.

TO ORDER ADVANCE PATTERNS send 35c in coins (no stamps) for each pattern, with size, name and address, designating which pattern you want by its number.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

Local News

In honor of Mr. and Mrs. R. W. Zimmerman on their 25th wedding anniversary, a lovely dinner was served for 11 relatives at the home of Mr. and Mrs. Olen Waltz. Those who enjoyed the occasion were Mr. and Mrs. Irvin Swartz and daughter, Kay Lynn, of Bluffton, Mr. and Mrs. Charles A. McKinley of San Leandro, Cal., Mr. Walter Newman of Willard, O., Mr. Charles A. Zimmerman of Angola, the guests of honor, Mr. and Mrs. R. W. Zimmerman, and the host and hostess, Mr. and Mrs. Olen Waltz. Afternoon callers were Mr. Mel Treesch of Nappanee, Mr. and Mrs. Paul Grimm, Mr. and Mrs. S. I. Rensberger, Mr. and Mrs. Charles P. Newman and family, Mrs. Russell Rowe, Mrs. Bob Harp and son and Mrs. M. McKinley, all of Garrett, and Mrs. R. George and two children of Auburn.

Mr. and Mrs. Marcel Pugsley and daughter and Mr. and Mrs. Lester Pugsley enjoyed a trip through Brown County Sunday.

Mr. Walter Newman is a house guest of Mr. and Mrs. Olen Waltz. Mr. Newman is Mrs. Waltz' father.

Calvin Hull and family were Saturday guests in the Harvey Hull home, Miss Cynthia remaining in the home of her grandparents over Sunday.

Ladies of the Lutheran Missionary Society of St. Mark's Lutheran Church attended the state convention Wednesday at Ft. Wayne.

Halloweeners have been very much in St. Joe the past week especially in "Hamburg."

The Friendly Circle of the Lutheran Sunday School are meeting Thursday evening at the home of Mr. and Mrs. Don Keller.

John Engle is ill at the Sanders Hospital in Auburn.

Philip Carpenter has been suffering with tonsilitis the past week.

Avis Staman, Laura Burley, Edith Cole, Cora Curie and Agnes Monroe were Fort Wayne shoppers last Friday.

Mr. and Mrs. Don Keller were guests of Mr. and Mrs. Glen Cole Sunday evening.

Mrs. Nettie Baker of Fort Wayne was a house guest of Mr. and Mrs. Clarence Woodcox a few days last week. Laura Burley was a supper guest Saturday evening.

Mrs. Lester Baker returned Wednesday from a two week trip to California.

LADIES LITERARY CLUB

Mrs. Don Burley was hostess for Ladies Literary Club on October 10.

The president, Mrs. Maurice Kline, called the meeting to order and Mrs. Wilbur Yeiser repeated the collect.

Mrs. Frank Shull gave the lesson for the evening. Her topics were taken from the "American Observer." The first was on "Labor" and the second was on the coming election and possible candidates - a short review of each candidate's background and history. Mrs. Shull then gave an up-to-the-minute report on the oil dispute in Iran against Britain. Her last topic was very interesting, also, on the North Atlantic Treaty Organization (NATO).

Mrs. Fred Hart was entertainment chairman for the evening.

The secretary gave the report of the last meeting and twenty-three members responded to roll call.

After a short business meeting, the club was adjurned to meet with Mrs. Henry Lung on October 24.

Spencerville News

Everett Paschen, former principal-coach of Spencerville, has been promoted to principal at Avilla high school. He transferred to Avilla at the start of this school term and teaches mathematics and science. He replaces Kenneth Helmer who moves to Ligonier to become superintendent of schools.

Miss Bonnie Witt spent Saturday at the home of Mr. and Mrs. Corless Hungerford and family.

Mr. and Mrs. John Stemen and sons of Butler were Sunday dinner guests of Mrs. Mary Stemen.

Mr. and Mrs. John Stemen and sons, Mrs. Mary Stemen and Mr. Fred Stemen attended the funeral of their cousin, Mrs. Ransbottom, of Lima, O., Sunday afternoon.

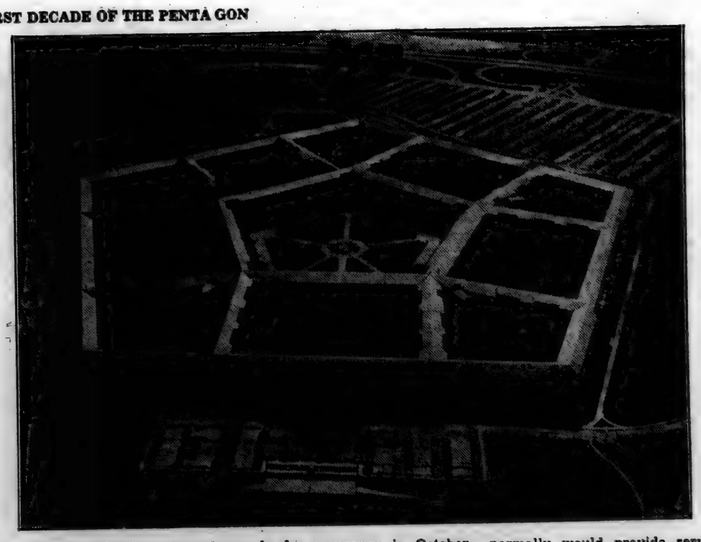
Mrs. Katie Fetzer of Palmento, Fla., left Sunday for home after visiting with her friend, Mrs. Claudia Hafner.

Mr. and Mrs. Frank Rhoades were Sunday dinner guests at New Paris, Ind., with Mr. Rhoades' sister, Mrs. Laura Charpee.

Mrs. Claudia Hafner and Mrs. Katie Fetzer spent Friday at Huntington at the home of Mrs. Hafner's son and family, Dr. and Mrs. Robert Hafner.

Mrs. Dorothy Kimes and Mrs. Elva Hoover spent Friday evening with Mrs. Katie Fetzer and Mrs. Claudia Hafner.

FIRST DECADE OF THE PENTA GON



The Pentagon, headquarters of the Department of Defense, the world's largest office building, is now in its tenth year. Construction was begun in September, 1941. The building covers 34 acres. It has five floors, a mezzanine, a basement and a sub-basement. The National Capitol would fit into any one of its wedge-shaped sections. Framework of the Pentagon is steel reinforced concrete. Outside exposed walls are of monolithic architectural concrete. The mile-around perimeter wall is faced with limestone. It was ready for occupancy in October of 1942.

The general area on the Virginia side of the Potomac River had been a maze of dump grounds, shacks, pawnshops and rendering works, known locally as "Hell's Bottom."

The corridors of the Pentagon are 17½ miles long. The Department of Defense telephone system, operating 39,000 telephones and staffed with 200 persons, is the largest branch exchange in the world. A system of this size normally would provide service for a city of more than 200,000 residents. The building has complete banking service, medical and dental clinics, postoffices, barber shop, uniform and tailoring shop, shoe shine and repair shop, jewelry store, railway and airline ticket service, dry cleaning and laundry shop, florist, bakery, cafeteria and dining rooms. Daytime population of the Pentagon now exceeds 30,300. Peak daytime strength during World War II was 27,000 in April 1945.

LEO AUXILIARY NEWS

Mrs. Vernon Halter, president of American Legion Auxiliary Unit 409, has appointed the following committee chairmen to serve during the present year: Americanism, Elsie Tharp; child welfare, Betty Sebert; civil defense, Faye Shears; community service, Erlene Bender; constitution and by-laws, Netta Martin; education of orphans of veterans, Edna Halter; finance, Edna Dean; Girls' State, Jean Tharp; Gold Star, Betty Levy; junior activities, Kate Schwantz; Knightstown Home, Charlotte Hudson; legislation, Betty Rosselot; membership, Alberta Maroff; music, Grace Bender; merit system, Roxie Warner; national security, Pat Quance; Pan-American, Della Kryder; past president's parley, Jean Tharp; poppy, Iris Hudson; publicity, Teresa Halter; radio, Opal Hursh; rehabilitation, Pauline Savage; service sales, Helen Griswild; distinguished guests, Margaret Mertins; auditing, Roxie Warner.

The unit voted to donate $10 to the Grabill Fire Department toward a new engine house. And $15 toward the rehabilitation committee for their different funds. Membership chairman Mrs. Fred Maroff reported that the unit has 25 new paid-up members. Announcements were made that the executive board meeting will take place before the social party Tuesday, Octobr 16, at 7:30 o'clock. The auxiliary will serve at the Gongaware farm sale Saturday afternoon, the 27th, and there is to be a Halloween masquerade that evening at the post home.

The evening's social hour was conducted by the madams Edna Halter, Edna Dean and Teresa Halter.

COBURN CORNERS CHURCH NEWS

The social committee of the Christian Endeavor met at the home of Betty Witt October 13 and made plans for a Halloween party October 27. Those present were Max Ward, Bill Wilder and Betty Witt.

The Sunday School class and their families will meet at the home of Mr. and Mrs. Robert Witt and family for a fish fry this coming Sunday evening.

The C. E. opened their meeting with group singing led by Mary Wilder. Reports were given by the social and play committee. This group of young people are working on a play to be given at the Youth Rally. This group is working on the following project, a microphone stand, several rolls of tape, writing to service boys, sending boxes to service men at Christmas time, and taking recorded sermons to the sick in St. Joe and Spencerville. The lesson was presented by Bonnie Sweet. The scripture reading was all read in Acts 17:22-28 and Matthew 28:19-20. Questions were discussed on "Establishing World Order." Sentenced prayers were given. Comments were given by Darris Hamilton.

Play practice will be held this Wednesday evening.

Orchestra practice will be on Monday evening.

Bible study will be held on Thursday morning and evening.

Around the Town

With the Editor

"Handsome Hal" Hoham, mayor of Auburn, pulled some gags on the members of the St. Joe Lions Club Monday evening before getting down to the more serious thoughts of his speech. The best one concerned Claude Laub who, when a youngster, was confronted by his father with the question, "Claude, I hear that the little rectangular building in back of the school house was tipped over; is that true?"

Claude's reply, with bowed head, was, "Yes, it's true."

"And," continued Poppa Laub, "I hear that you tipped it over; is that true?

"Yes, it's true," and Claude's head dropped a little lower.

Whereupon Mr. Laub took his son in hand and headed for the woodshed. On the way Claude protested, "But, Father, this isn't turning out at all the way I expected. When George Washington's father asked if the cherry tree had been cut down, George told the truth; and when his father asked if George had done it, he told the truth again. But he was rewarded for telling the truth and didn't get punished. I told the truth - why are you going to punish me?"

"Claude, there's only one little difference—the teacher wasn't in the cherry tree!"

Well, so far I've got nine dollars in the bag for the recreation club. Have you sent me a half a buck—or a buck? Aw, c'mon,—besides, it's an easy way to get your name in the paper.

Here's the list of News boosters who have contributed so far:

T. E. Haberkorn, Sr., Fort Wayne; Mrs. Amalia Rathert, Fort Wayne; Ed Storer, St. Joe; Bill Staman, St. Joe; Ralph Sechler, St. Joe; Miss Augusta Haberkorn, Fort Wayne; Miss Emma Haberkorn, Fort Wayne; John Haverstock, Leo; J. C. Provines, Auburn.

The boys at the Butler Herald office tipped me off to a good linotype machinist last week. I've been running into a little difficulty here lately and needed some expert assistance. I got it all right from Roy Michael who worked for Higley's for twenty-six years and is now in the insurance business.

Roy toiled over the machinery that's setting this type for over three hours and she really works smooth now. You wouldn't believe that it's fifty years old.

Plans Complete For Hallowe'en

Several organizations are participating in the Hallowe'en Parade and Party to be given for the youngsters and oldsters alike next Wednesday evening, October 31.

At a meeting held Friday evening at the town hall, the following organizations and committeemen were asked to take charge of each part of the program:

Conservation Club—Lyle McMaken and Harvey Carr—Entertainment.

Business Men—Ted Haberkorn and Herb Amstutz—Prizes.

K. of P. Lodge—Bill Sible and Paul Kitchen—Parade and Police.

Firemen—Ray Moore, Cliff Billow and Roy Reidenbach—Treats. Bill Hurni, Herb Amstutz, Roy Bowser, Cliff Billow and Derwood Ridgway—Cakes.

American Legion Auxiliary—Refreshments.

The Parade will start at 7:30 on the main street of St. Joe and march to the school house where the costumes will be judged in the gym and entertainment presented.

Refreshments will be available at the gym prepared by the local Legion Auxiliary including hot dogs, pie, coffee and cider.

All proceeds from the evening will be used to defray expenses with all the organizations and individuals donating their time.

People, Spots In The News

DOG'S BEST friend, Man, hoists streetcar in Los Angeles with hydraulic jacks to rescue "Boy," frightened poodle, scratched but otherwise unhurt although car traveled 150 feet with him under it.

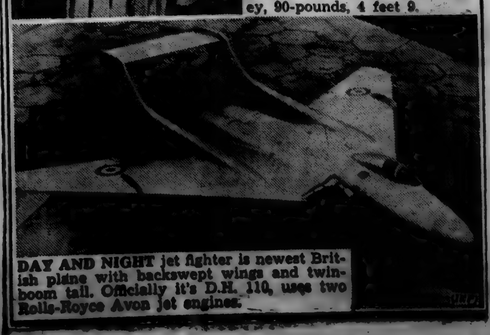
CONTRAST in high school gridders at Lima, O. Norman Hayes, 300-pound tackle, with freshman back Raymond Wooley, 90-pounds, 4 feet 9.



DAY AND NIGHT jet fighter is newest British plane with backswept wings and twin-boom tail. Officially it's D.H. 110, uses two Rolls-Royce Avon jet engines.

C. O. Duker Resigns As Principal

C. O. Duker, principal of the Concord Township Schools, resigned his position Tuesday evening to accept a position at Wabash, Indiana.

His new post will be that of principal of the Noble Township Schools, including the grade school and Linlawn High School. The schools are located just at the outskirts of Wabash, the high school being about one and one-half miles from the grade building.

A new wing was recently added to the high school building which has a 40'x60' farm and manual training shop, mechanical drawing room, cafeteria and separate music room.

Mr. Duker will assume his new position by November 12.

The vacancy was created when the former principal of the Noble Township Schools accepted a position as principal in the Wabash school system.

Marcia Mertens, Ned Keller To Wed

Mr. and Mrs. H. F. Mertens of St. Joe, formerly of Fort Wayne, announce the engagement and approaching marriage of their only daughter, Marcia Ann, to Ned Keller, son of Mr. and Mrs. Don J. Keller of St. Joe.

Miss Mertens is a graduate of Concord Twp. High School and was formerly employed by the Home Telephone & Telegraph Co. of Fort Wayne.

Mr. Keller also is a graduate of Concord Twp. High School and is associated with his father in business.

The wedding will take place at Fort Wayne in the English Lutheran Church on December 22 at 2:30 p.m.

RALLY DAY AT METHODIST CHURCH IN SPENCERVILLE

Sunday, October 28, will be Rally Day in the Spencerville Methodist Church.

Everyone is invited to attend.

BAKE SALE AT SPENCERVILLE SATURDAY

The Married Couples' Class of the Spencerville Lutheran Church will hold a bake sale on Saturday, October 27, at the Shell Service Station.

and a lighted ball diamond

Tax Cuts Made

A representative of the state board of tax commissioners completed a two-day session late Wednesday after slashing tax rates for 1952 in every DeKalb County taxing unit and the county general levy.

The state board representative, George Gable of Fort Wayne, made cuts in the rates in the 24 taxing units ranging from one cent to a high of 47 cents in the Garrett city rate.

In addition, he denied an appeal from the DeKalb County welfare department. The welfare department asked on appeal that a proposed $10 a month across the board salary increase be authorized. The boost was denied in September for the second straight year by the DeKalb County council.

The denial marked the second time the state tax board has upheld the county council. Welfare workers did get their increase of $10 for last year after winning a decision in the DeKalb circuit court but the salary fund is running out and the council already has denied an additional appropriation.

Springer & Angelone of Butler, attorneys for the welfare department, requested that the welfare salary dispute be heard before the entire state board of tax commissioners at Indianapolis. The request has been forwarded to Indianapolis by Mr. Gable.

The state board cut the county general levy one cent from 45 to 44 cents. The cut was made because anticipated revenue from preliminary ditch expense was not included in the budget.

The recommended cuts made by the state board representative will now go before the state board of tax commissioners at Indianapolis for final approval.

It will be at least three weeks before DeKalb taxpayers are informed of the rates upon which they will pay taxes next year.

Township and town cuts are as follows:

Butler—poor rate cut 1 cent.

Concord—3 cents sliced from poor tax rate, 1 cent from tuition tax rate and 10 cents from the special school levy. The board did include a 7-cent rate for premiums on bonds already issued. The action, if approved by the board in Indianapolis, will result in a 7-cent reduction in Concord's rate instead of 14 cents.

Fairfield—3 cents from the tuition tax rate.

Franklin—1 cent from the township levy.

Grant—11 cents from the tuition tax rate.

Jackson—1 cent from special school levy.

Keyser—1 cent sliced from the township rate.

Newville—2 cents from the township poor rate and 1 cent from the special school levy.

Richland—2 cents from the township poor rate and 1 cent from the special school rate.

Smithfield—11 cents from the tuition tax levy.

Spencer—3 cents from the township poor rate and 3 cents from the tuition tax levy.

Stafford—3 cents from the tuition tax rate.

Troy—3 cents from the township poor levy and 1 cent off the tuition tax levy.

Union—1 cent reduction in the tuition tax levy.

Wilmington—2 cents from the township poor levy and nine cents from the special school fund rate.

Altona—1 cent from the township tax rate.

Ashley—11 cents from the tuition tax rate.

Butler town's rate was cut 15 cents. This included two cents from township poor levy, 9 cents from the special school fund and 4 cents from the corporation rate.

St. Joe—3 cents from the township poor rate, 1 cent from the tuition rate, 10 cents from the special school fund rate and 6 cents from the corporation rate. The board included, subject to approval by the board at Indianapolis, a 7-cent rate for premiums on bonds already issued. If approved, the action will result in a reduction of 13 cents in the St. Joe town levy instead of 20 cents.

Corunna—3 cents from the township poor rate and a cut of 1 cent in the special school fund levy.

Waterloo—11 cents from the tuition tax rate.

Auburn-Jackson—3 cents from the tuition tax levy.

Parents To Move From School District

Mr. and Mrs. Victor Rolf of Rt. 1, Auburn, who were denied their petition to transfer their two children from the Concord Township schools to the Auburn schols, announced Thursday that they have offered their farm for sale and will move from Concord Township.

The Rolf's two children, Dixie Lee, a second grade student, and David, who is enrolled in the seventh grade in Junior High School, are now attending schools in Auburn. The parents, owners of a 60-acre farm six miles east of Auburn and south of state road 8, report that they plan to move to a locality where their children may remain in Auburn schools. The father is employed in Auburn.

On Monday of last week, the county superintendent of schools, Carl F. Stallman, upheld the decision of Concord Township Trustee Don Keller in refusing the transfer from the schools in St. Joe. The action followed a hearing held in the county superintendent's office. H. S. Grimm of Auburn appeared for the parents while H. Clark Springer of Garrett was counsel for the trustee.

The Rolfs contended that their children would be "better accommodated" in the Auburn schools. They said their daughter had developed a nervous condition caused by "conditions" at the St. Joe school. The parents said their physician recommended the child be taken from the school.

Celebrate 50th Anniversary

Mr. and Mrs. John C. Koch of near Spencerville celebrated their golden wedding anniversary Sunday, October 21, with a family dinner.

Mr. and Mrs. Koch live two miles east of Spencerville on the farm which was purchased by Mr. Koch's great-grandfather from the government in 1844. This farm has always been in the Koch name.

Three children were born to the couple, Otis D. Koch, Ft. Wayne; Virgil F. Koch, Spencerville; and Mrs. Marguerite M. Mann, deceased. They have seven grandchildren.

Those who attended the dinner included Mr. and Mrs. Otis Koch of Fort Wayne, Mr. and Mrs. Virgil Koch and daughter, Peggy, of Spencerville, Jack, Gene and Donald Mann of St. Joe, Doris Longardner of Auburn, Mr. and Mrs. Roger Green of Fort Wayne, Mr. and Mrs. Duane Koch of Fort Wayne, Mr. and Mrs. Fred Uhrick and son, Johnnie, of Fort Wayne and Mr. and Mrs. Frank Webb of Harlan.

MOTORIST INJURED

Robert W. Rosenbury of Butler, route 3, was injured early Saturday morning when he swerved his automobile to avoid a collision on state road 8 east of Auburn and crashed into a telephone pole.

The farmer, who sustained bruises and shock, was treated by a physician at his home.

The driver of a car which Rosenbury said drove in front of him at an intersection on the state highway a mile east of Auburn, left the scene of the accident and was not identified.

Rosenbury, driving east, swerved to the north side of the highway when the car failed to stop at the intersection and pulled into his path. The young farmer lost control on loose gravel on the berm and plowed head-on into a telephone pole.

Damage to his 1951 Ford was estimated at more than $800.

NOTICE TO VOTERS

Notice is hereby given that an election will be held in the Town of St. Joe, Indiana, the 6th day of November, 1951.

Officials to be elected: a Trustee from Ward No. 1, Trustee from Ward No. 2, Trustee from Ward No. 3 and a Clerk-Treasurer.

VOTING PLACES

Ward No. 1, Ward No. 2 and Ward No. 3 in the Town Hall.

Willard Hurni

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

TEN BILLION DOLLAR PAYROLL—Taxpayers of the nation are footing a ten billion-dollar government payroll, according to latest estimates for the current fiscal year. Last year the civilian payroll for the federal government amounted to almost $8 billions. This was a 17 percent increase over fiscal 1950, the Joint Committee on Federal Expenditures announces. During World War II, the peak federal civilian payroll was $8.3 billions.

The seriousness of this burden to the American taxpayer is revealed in a statement by Douglas Jay, financial secretary of the British Treasury, a socialist who is battling for the continuation of the socialism in Britain. In a campaign speech, he said, "The United States today—if one takes the criterion of progressive taxation and social services—stands much nearer to the socialistic countries than to others."

SLIDING INTO SOCIALISM—Unless we halt the mounting federal payroll, and the wild spending policies of the government, this nation will wake up in the grip of socialism from which it will be unable to extricate itself.

SPENDING CAN BE STOPPED—In these weekly comments, I recently pointed out how I had protested the armed services' expenditures for advertising. Others in Congress also expressed their disapproval of this needless expense with the result that the three radio shows sponsored by the Army and Air Force in their recruiting programs are being abandoned. These military planners had planned to spend nearly three-quarters of a million dollars on radio and TV shows.

"WE OWE IT TO OURSELVES"—That is the quote used by those who would discredit the seriousness of the public debt. But have you ever tried to borrow a dollar from yourself, when you didn't have it? The public debt of the United States today is more than twice that of 22 European countries. Our national debt is nearly $258 billions; the debt of all the nations of Europe, except Russia where no figures are available, is $115 billions.

Farm

By EVERETT MITCHELL

Farm Commentator, heard Monday, Wednesday and Friday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

IF YOU are disappointed with your flower garden, you may be in the mood for a complete renovation. Many gardens are due for this sort of treatment about every five years. This year's unfavorable flower-growing conditions may have provided the incentive for cleaning out poor plant materials.

A complete overhauling necessitates removing all the plants, and heeling in those to be kept. After plants are removed, organic matter such as peat, manure, or ground cobs should be worked into the bed. A general planting plan should be sketched before resetting plants. Allow plenty of room for development — about three feet on center for most plants, except peonies and day lilies which need more space. Be sure to leave room in the border for bulbs and allow air circulation and sunshine for the plants. After they are set in the garden they'll need plenty of water and a light mulch for winter protection.

Fall is the ideal time to set out perennials. And now's the time to purchase spring flowering bulbs such as crocus, daffodils, hyacinths, narcissus, tulips, and snowdrops. If you plant bulbs this fall, avoid watering them. Otherwise, you may start growth which will retard development next spring.

You can protect flowering plants from heavy frosts by covering them with burlap, several layers of cheesecloth, inverted baskets, or cardboard cartons. This will prolong the blooming period of these flowers for several weeks.

After all your fall garden work is completed it's a good idea to clean your garden tools and put them in order. Store them in a good location so they'll be handy when you want them again next spring.

DEKALB COUNTY TEACHERS' INSTITUTE HELD IN AUBURN

Eighty-two DeKalb County school teachers, who serve under jurisdiction of the county superintendent of schools, gathered in Auburn Saturday for a teachers' institute.

Carl F. Stallman, superintendent of schools, presided at the morning and afternoon sessions held in the assembly room of the court house. Dr. Elizabeth K. Wilson of Purdue, was principal speaker at the institute. She spoke at the morning session on "Mental Health."

Dr. Wilson served in the division of education and applied psychology at Purdue.

At the afternoon session sectional meetings were held. Fred Frederick, principal at Ashley, led the meeting for high school instructors. Estel Shippy, Richland Township teacher, directed instruction for teachers of grades 5, 6, 7 and 8, and Mrs. Frieda Guilford of St. Joe directed the primary grades, 1, 2, 3 and 4, inclusive.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Genesis 37; 39; 41-47; 50. DEVOTIONAL READING: Psalm 103: 13-24.

When Life Gets Hard

Lesson for October 28, 1951

IN an army training center there is plenty to gripe about. Time was, when sundown came, every one was off duty. Now night only begins the trouble. Night marching, night "village fighting," night everything else, in snow and ice and mud all the same, and never with enough sleep. But the army keeps on rubbing those poor boys' heads in the dirt.

Dr. Foreman

Of course the army knows what it is doing. When the boys get through with camp, most of them will be sent to where some real fighting is going on. The enemy, unfortunately, does not confine his activities to the daytime. He fights at night, in the rain, in zero weather, even on your birthday. He picks some very rough hills to fight on. In the roaring confusion of shifting battle lines the soldier does not always get his chow on time, and the nearest hospital may be too far to reach. He is out where he has to be tough.

It is not only in the army that a toughening-up course is just what the doctor ordered. In real life it happens over and over again. It is not the boys who had the easiest childhood who rise most often to the top. It is the boys who worked, who had to work somehow for a living, who develop the toughness in mind and muscle to carry them through life's long struggle.

• • •

When Life Gets Hard

IT is sometimes thought that God should arrange things differently. What most of us want (lazy as we are) is a soft life, something pleasant, big pay and no work if we can help it. When life is easy for us we think, if we are religiously inclined, that God has blessed us; but if life gets hard, we think God must have forgotten us. Quite the contrary.

There is an almost forgotten verse in the New Testament: "The Lord disciplines the man he loves, and scourges every son whom he receives." (Heb. 12:6, Moffatt's translation.)

The man who is undisciplined never grows up, he is a perpetual boy. For the same reasons, no one ever became God's man except through God's discipline.

• • •

Forge For A Sword

THIS is as true of nations as of individuals. The story of the Hebrews in Egypt is one case in point. They had it hard, about as hard as any people who ever lived. They became slaves, and remained slaves for hundreds of years.

Humanly speaking, God's total plan would not have succeeded unless the Hebrews had gone through that "furnace of affliction." If Jacob and his family had stayed on in Palestine, there never would have been any Hebrew nation any more than there was an Ishmaelite nation.

Somewhere, some time, these Israelites had to be forged into tempered steel, a sword for God. And the slavery in Egypt was the first stage of the forging. It was a hard life; no doubt many died under the lash. But the hardy ones lived.

If Moses, when the time came, had had to take out into the wilderness a caravan of luxury-loving Egyptians, they would have wilted on his hands. It was because the Hebrews had lived hard in the slave-pens of Goshen that they could live hard in the wilderness when they were free.

• • •

Life Goes On

THIS is not the whole story, of course. Life, even the hardest kind of life, is not merely a preparation for battles to come. It can be worth living for its own sake.

The trainee may find friends and happiness even in a very tough camp. And down in Egypt, in all the years of Hebrew hardship, life went on. People fell in love and were married, children were born, were brought up somehow, were taught the difference between right and wrong, were taught about the true God.

People nowadays are sometimes jittery about the prospect of "life as we know it" being destroyed. Well, maybe it will be; who can deny that we have it coming to us?

But life will not be destroyed. Under the harshest of circumstances, life will go on, and those who will accept life's troubles as the sending of God will find a blessing even in what at the moment hurts the most.

COBURN CORNERS CHURCH NEWS

The Home Builders Class met at the home of Mr. and Mrs. Robert Witt and family for a fish fry with an attendance of 49. After supper, games were enjoyed by all.

The C. E. met in the church basement on Sunday evening, October 21, at 6:30. The meeting was called to order by the president, Joan Curie. Group singing then followed. The group finished making plans for the Youth Rally, Monday evening, October 22. The scripture was read by the leader, Phyllis Sweet. Questions were discussed by the group on "Establishing World Order." Sentenced prayers were given by the group. Twenty five attended the meeting. The meeting closed with a prayer.

Carlton Curie, Joan Curie, Joan Cook, Bonnie Nook and Bonnie Witt made afternoon calls in three homes.

This Saturday evening, October 27, there will be a Hallowe'en Party for the young people.

On Singspiration Night of next month, the young people will present a play on November 4.

The Young People's Youth Rally was held at the church October 22. Group singing was enjoyed and Darris Hamilton gave a short talk. The young people's class gave a short play entitled, "Living for Jesus." Those who took part were Frank Laub, Donald Mann, Emily Shull, Jim Knop, R. D. Baker, Max Ward, Betty Witt and Bonnie Nowak. Patsy Hook gave a talk on the "Go Ye Chapel." Games and refreshments were enjoyed by the group. There were 180 present.

CONSERVATION CLUB

A medchandise shoot will be held Sunday, Oct. 28, at the St. Joe Valley Conservation Club grounds just west of St. Joe.

The shoot will get underway at 12:01 p.m.

FARM PRICES HIGHER BY 20 PERCENT

Indiana farm real estate prices rose 20 percent from July, 1950, to July, 1951. As of this July, the index was 213, the highest level in history.

Purdue University agricultural economists in their annual outlook report point out that land prices are now about as high as current farm earnings and interest rates justify. Land values are likely to fluctuate near present levels during 1952, and they are likely to follow changes in farm income more closely than in the past.

Land values will probably strengthen moderately for one or two years. Their course thereafter is dependent upon war or peace developments.

Pattern of the Week

TO ORDER PATTERNS send 35c in coins (no stamps) for each pattern, with size, name and address, designating which pattern you want by its number—# 5909 for the "Tailored Blouse" or the "Casual Dress", pattern # 5809.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

Vegetable Beef Pie

Truly a meal-in-a-dish is this hearty beef stew topped with a golden biscuit crust that invites you to cut on the dotted line.

Beef stew is always a specialty in restaurants that cater to men. Why not make it a specialty at home, adding a cover of flaky biscuit?

Biscuit topping dresses up beef stew and also makes it more economical. Roll the biscuit dough out to fit the size of your casserole. Then, with tines of a fork, press squares, or other design, into biscuit dough before baking. The result is a professional look for your casserole dish at no extra cost!

Four people can eat heartily of Vegetable Beef Pie for as little as 30 cents a serving. It's a wonderful way to get essential food values, since enriched biscuit has protein, B-vitamins and food iron to add to those of meat.

Accompany Vegetable Beef Pie with a tossed green salad garnished with tomato wedges, and cold milk, and the main part of your meal is complete. For dessert, plan on fresh pears and Camembert cheese.

VEGETABLE-BEEF PIE

3 tablespoons fat or suet
1 pound boneless beef stew (cut in 1½ inch cubes)
1 cup water
1 cup sliced carrots (6 medium)
¼ cup enriched flour
1½ teaspoons salt
⅛ teaspoon pepper
2 cups vegetable liquid and water
1 teaspoon Worcestershire sauce
1 cup cooked peas

Melt fat or suet in stewing kettle. Brown beef well. Add water, cover and simmer 1 hour. Add carrots, cover and simmer ½ hour longer. Mix together flour, salt and pepper and make into paste with a little of the vegetable liquid and water. Stir into kettle. Add remaining liquid and Worcestershire sauce and cook until thickened, stirring constantly. Add peas. Pour into ungreased baking dish, 8 x 8 x 2 inches. Roll out Rich Biscuit Topping into 8-inch square, ½ inch thick. With finger, press 3 parallel lines in dough in each direction, making 16 small squares. Prick along dividing lines with fork. Place on top of meat mixture. Bake in moderately hot oven (400° F.) 30 minutes.

Rich Biscuit Topping

2 cups sifted enriched flour
3 teaspoons baking powder
1 teaspoon salt
⅓ cup shortening
⅔ to ¾ cup milk

Sift together flour, baking powder and salt. Cut or rub in shortening until mixture is crumbly. Add milk to make a soft dough. Turn out on lightly floured board or pastry cloth and knead gently 30 seconds. Makes 4 servings.

Pistons Open 33 Game Schedule Nov. 4

The Fort Wayne Zollner Pistons will play a 33-game home schedule in the National Basketball Association this year, athletic director Carl Bennett has announced.

The Pisons open at home Sunday, November 4, against Joe Lapchick's New York Knickerbockers at North Side gym in Fort Wayne.

A few changes in Piston policy have been invoked for this season. Starting times of home games will be 8:10 p.m. instead of 8:30 p.m. and tickets for any game on the schedule may be purchased at any time. In the past Minneapolis and Rochester tickets went on sale just six days before the date of those games, but all tickets will be available at any time this year.

The complete home schedule:

Sunday, Nov. 4—New York.
Sunday, Nov. 11—Milwaukee.
Sunday, Nov. 18—Rochester.
Thursday, Nov. 22—Syracuse.
Sunday, Nov. 25—Baltimore.
Sunday, Dec. 2—Minneapolis.
Sunday, Dec. 9—Rochester.
Sunday, Dec. 16—New York.
Thursday, Dec. 20—Rochester.
Sunday, Dec. 23—Minneapolis.
Wednesday, Dec. 26—Boston.
Sunday, Dec. 30—Milwaukee.
Tuesday, Jan. 1—Philadelphia.
Sunday, Jan. 6—Indianapolis.
Thursday, Jan. 10—Boston.
Sunday, Jan. 13—Baltimore.
Thursday, Jan. 17—Philadelphia
Sunday, Jan. 20—Milwaukee.
Thursday, Jan. 24—Rochester
Sunday, Jan. 27—New York.
Thursday, Jan. 31—Minneapolis
Sunday, Feb. 3—Indianapolis.
Tuesday, Feb. 5—Milwaukee.
Thursday, Feb. 7—Philadelphia
Sunday, Feb. 10—Baltimore.
Thursday, Feb. 14—Boston.
Sunday, Feb. 17—Minneapolis.
Sunday, Feb. 24—Minneapolis.
Sunday, March 2—Indianapolis.
Thursday, March 6—Syracuse.
Sunday, March 9—New York.
Thursday, March 13—Rochester.
Sunday, March 16—Indianapolis

Spencerville News

Mr. and Mrs. George Beams attended the funeral of Mrs. Gloria Jaffre's father at Worthington, Indiana, Saturday.

Mr. Glen Moore and sons, Mrs. Lola Moore and Leslia Moore spent Sunday at the home of Mr. and Mrs. Akin Moore at Fort Wayne.

Mr. and Mrs. Richard Calbeck had as a week end guest their grandmother, Mrs. Harper.

Mr. and Mrs. Ted Moore called Sunday evening on Mr. and Mrs. Victor Kelly, and his mother, Mrs. Lola Moore.

Mrs. Francina Lake and Mrs. Florence Silberg were Sunday dinner guests of Mr. and Mrs. Maurice Miller and family and Mr. Vinton Miller.

Mr. and Mrs. Richard Miller and son were callers Sunday afternoon in the Maurice Miller home.

Twenty-six ladies of the Lutheran Church of Spencerville enjoyed a tour of Fort Wayne Wednesday, October 17. They visited Jane Weston's program on WOWO, W & D's draperies department and Perfection Biscuit Co. Enjoying the trip were Georgia Butler, Zelpha Steward, Flossie Rhoads, Zenia Lake, Bernice Baker, Mrs. Clarence Smith, Dorothy Markle, Rally Markle, Alda Pervine, Katie Coleman, Pearl Goldsmith, Grace Houk, Fern Walter, Jennie Walter, Winnie Shook, Phyllis Blauser, Izetta Chaney, Wilda Walters, Lucy Beams, Maud Beams, Mrs. Bartell, Frances Doll, Dorothy Vendrely, Helen Koch, Mrs. Howard Shilling and Mrs. Woodring.

TEACHERS CONVENE OCT. 25

More than 26,000 teachers from throughout Indiana will assemble in the 98th annual convention of the Indiana State Teachers Association, October 25 and 26. Over 16,000 will attend the central division meeting in Indianapolis while an additional 10,000 will attend the Indiana State Teachers Association division meetings. South Bend is the center for the north central division, Fort Wayne for the northeast division; Gary for the northwest division; and Evansville for the south division.

TIPS ON HUNTING—BE A CAREFUL HUNTER

Indiana hunters, as of November 1, 2 and 3, will be permitted to hunt white-tailed deer in 1,120,000 acres of land embraced by seventeen southern counties in Indiana in which herds of deer occur.

That is a lot of acreage and considering the number of deer living in that vicinity, which in comparison with the acreage is indeed small, the average hunter is going to find that his target may be infrequent and most elusive.

Although several thousands white-tails roam the territory, remember that each spends 365 days each year outdoors. The hunter will spend three in pursuit of the swift, leaping animal. That gives the deer about a one hundred to one advantage as far as knowledge of the area is concerned.

Thus the obvious solution, in the event you wish to secure a deer, is for you to scout the territory prior to the opening of the season.

Should you desire to hunt on private land first get acquainted with the landowner and ask him to permit you to make your stand on any one of the three days allotted the season. By thus demonstrating your consideration for his rights and property, it is not entirely impossible that he may invite you to hunt with him or act as your guide.

For the prospective hunter's information and assistance, the Indiana Department of Conservation makes the following suggestions for the hunting season:

1. If possible, make your first slug or arrow count.
2. Try for a spot above the brisket and behind the breast. This is the area between the elbow and shoulder of the front leg.
3. In the event you cripple the animal, follow it by blood splotches even if you have to continue the search for hours.
4. Do not approach a deer until you are certain it is dead. Flailing front hoofs can inflict serious wounds.
5. After ascertaining the animal is dead, attach the metal seal to one of the legs, preferably a hind one, between tendon and bone.
6. Drag the head down hill and then insert a knife at the base of the neck and chest and cut sidewise to sever blood vessels.
7. If you are near a checking station, just bleed the animal as described above and bring it in. State employees at these stations will field dress it and weigh it free of charge.
8. Best not haul it home on your fender as motor heat and road dirt ruin tons of venison every winter. Put it atop your car, covering cavity of dressed deer with cloths.
9. Do not throw away the hide. Deer skins are needed by the armed forces for arctic clothing.
10. In the event you do not bring home a dead deer, bring yourself home alive and uninjured.
11. Fifty percent of your clothing should be red.
12. Do not hunt in areas crowded with hunters. Deer will not be there and neither should you.
13. Leave the jug at home.

300 At Home Ec Program

An estimated 300 persons attended the annual DeKalb County Home Economics Achievement Program held all day in the Waterloo gym Friday.

Mildred Grogg, president, presented the welcome and the Waterloo High School Band opened the program.

Mary Lenore Moore talked on the history of home economics clubs in the county and introduced past county officers.

The change in the name of the organization to the state Home Demonstration Association was noted.

Next on the program was a vocal solo by Mrs. Alice Yarian of Auburn.

County officers were then honored after which Mrs. Mary Sharp of Troy Township gave a reading entitled, "My First Automobile Ride."

County agent Ernest Lesiuk presented the 1952 Outlook after which Jackson Township presented a skit, "Old Pictures Talk." The forenoon program was then closed with "Prayer Perfect" by the Home Economics chorus and devotions given by Charles Overmyer, superintendent of Waterloo schools.

Mrs. Lucile Nelson of Newville Township, county literary leader, gave a reading and Mrs. Mildred Bard of Fairfield Township, county secretary-treasurer, presented a silver tea set to the Concord Junior Home Economics Club for having had the largest percentage of members present at their regular meetings throughout the year. A vocal solo was given by Jean Harner of Keyser Township and a skit by the Butler Township Home Economics Club.

The "Age of Reason" was very ably given by H. J. Pierson of the Indianapolis Chamber of Commerce in which was emphasized the importance of the appreciation of freedom in these United States.

The afternoon program was closed with the "Home Economics Hymn."

COUNTY BOARD APPOINTS SPRINGER COUNTY ATTORNEY

H. Clark Springer, Butler attorney and former DeKalb County attorney, was reappointed to the office by the county board of commissioners.

The Butler attorney, who has served as prosecuting attorney for DeKalb County and is a former republican state chairman, was named to fill the position vacated by the death of George E. Mountz, Garrett attorney, who recently died of a heart attack.

Mr. Springer twice previously served as county attorney. He served immediately before Mr. Mountz' appointment.

The commissioners looked over six bids to construct a tenant's house at the DeKalb County infirmary and rejected all of them as being "too high." The commissioners turned down bids on September 4 for the same reason and had readvertised for bids to be submitted at the special session.

The commissioners said the funds available in the budget for the work are insufficient to cover the cost of the lowest bid submited.

VETERINARY ATTENDS COURSE AT PURDUE

Dr. C. R. Baumgartner of Spencerville, Indiana, is among 13 Hoosier veterinarians selected to attend the first special short course on sterility and infertility of cattle sponsored by the Purdue University Department of Veterinary Science. Classes were held October 15 through October 19.

The course is designed to furnish practicing veterinarians with up-to-date information on cattle breeding problems, including those associated with artifical insemination. In addition to classes at the university, the course includes study at the Indianapolis Stock Yards and the Indiana Artificial Breeding Association's bull stud at Carmel.

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI | ST. JOE (DeKalb Co.), INDIANA | Thursday, November 1, 1951 | NUMBER 41

Around the Town

With the Editor

We all kinda hate to see summer leave and the cool breezes of fall and winter blow again, but it's in Hoosier blood to get restless about this time of year awaiting the sound of the referees' whistles and accompanying cheers—and jeers.

That feeling hit me Monday evening at I watched the high school varsity going through their paces while the cheer leaders, Dale Smith, Sue Walter and Anita Lawson, drilled on leading St. Joe fans in cheering at this year's games.

—I don't know, there's something about St. Joe's cheer leaders that makes me wish I was in high school again.

Mrs. C. R. Baumgardner dropped an interesting booklet off at the News Office a couple of weeks ago. It's about two softball teams at St. Petersburg, Florida. There's nothing unusual about softball in Florida—but the players on these teams are all over seventy-five years old. They've formed a club (Three-Quarter Century Softball Club, Inc.) and each year from December until April finds them playing before crowds of several hundred people. The oldest player is eighty-eight and the youngest, of course, seventy-five.

Esther had little Phil out in the taylor-tot Monday afernoon and the wind had its effect on him. By the time we sat down at the supper table, his face was nice and rosy. It also happened that during the past several days he suffered from a normal baby's frequent ailment, diaper rash. Esther was a little concerned about his rosy complexion thinking that he might have a little fever. I commented, "I don't think so; he just isn't used to being outside. It's good for him—he hasn't had much color before."

Mike piped up, "Yes he has—on his seater!"

County Entries For Livestock Show

DeKalb County is to be represented at the 1951 International Livestock Exposition at Chicago, it has been disclosed.

Lenard Fisher, well known swine producer and feeder of St. Joe, will take 15 Hampshire hogs to the barrow contest of the Exposition.

A. J. Moore of Butler has entered 14 Shropshires for the open class sheep competition. A regular exhibitor at the show, Mr. Moore last year sowed the grand champion Shropshire ewe, reserve grand champion ram and the best Shropshire flock of the exhibitors own breeding.

The Exposition, which will get underway in the International Amphitheatre of the Chicago Stock Yards November 24 for an 8 day run through December 1, each year makes Chicago the center of interest of the continent's livestock industry.

Cash prizes will again total over $100,000.

CULTURE CLUB

Mrs. Joseph Baidinger entertained the second meeting of the Culture Club October 17, assisted by her co hostess, Mrs. Hearsel Shockley.

The president called the meeting to order and the collect was read in unison. Devotions were given by Mrs. Leslie Meek. Mrs. Merl Furnish led the lesson from the study book, "Top Flight."

Mrs. Iren Duker read a paper on Homemaking written by Mrs. Albert Wade who could not attend.

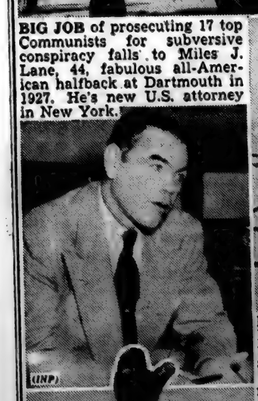
Twenty-three members responded to roll call.

Dainty refreshments were served.

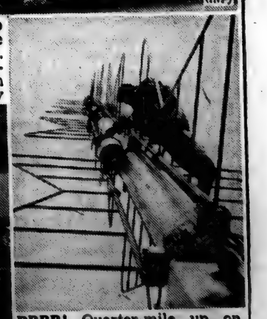
The hostess for October 31 will be Mrs. Willard Hurni, who will entertain with a Hallowe'en party.

People, Spots In The News

BIG BERTHA? Mystery contraption in the British zone of Western Germany was described by photo agency there as "sensational new atom-smasher." Anyway, it's top secret. (INP)



BIG JOB of prosecuting 17 top Communists for subversive conspiracy falls to Miles J. Lane, 44, fabulous all-American halfback at Dartmouth in 1927. He's new U.S. attorney in New York. (INP)



BRRR! Quarter-mile up on Empire State building's TV tower, workman fits thermostat-operated electronic "gloves" developed by Minneapolis-Honeywell engineers to keep transmitting "fingers" free of ice crust that would mar reception.

OBSERVING at U.S. Army field maneuvers near Frankfurt, Germany is Gen. Dwight Eisenhower, as Maj-Gen. Williston Palmer (left) of the U.S. 2nd Armored Division gives signal for mock assault. At right is Col. Robert G. Lowe. (Acme)

Voters To Polls Tuesday, Nov. 6

St. Joe residents will go to the polls next Tuesday, November 6, to elect a new Town Board and Clerk-Treasurer for the next four years of municipal government.

The voting will be done at the Town Hall and D. B. Ridgway has been named inspector of the polls.

The candidates for office are as follows:

REPUBLICAN

Trustees

Ward 1—Frank Akins
Ward 2—D. W. Yeiser
Ward 3—Orville Coburn
Clerk-Treasurer—Willard Hurni

DEMOCRATS

Trustees

Ward 1—Lloyd Dunten
Ward 2—Hubert Bleeks
Ward 3—Donald Kinsey
Clerk-Treasurer—George Baker

Talent Show At Spencerville Dec. 8

The Spencer Township P.T.A. has announced plans for a giant Talent Show to be presented on December 8, a Saturday evening.

Mr. and Mrs. Virgil Kimes are in charge of entries and they have announced that entries will be accepted until November 24.

The contest will be open to all ages and contestants from surrounding communities are welcome to enter.

Every entrant will receive a gift. In addition three prizes will be awarded to the top three contestants in the opinion of the judges.

Those who wish to enter can do so by calling or writing to Mr. or Mrs. Kimes at Spencerville, phone 101.

CELEBRATE GOLDEN WEDDING ANNIVERSARY

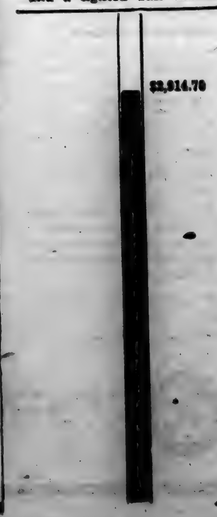
Mr. and Mrs. Parlee Snyder of St. Joe, formerly of Hicksville, celebrated their golden wedding anniversary Sunday afternoon.

Open house was held and forty to fifty relatives and friends offered their congratulations.

Mr. and Mrs. Snyder were married in Hicksville October 29, 1901.

Tempus Is Fidgetin'-

$3,500
and a lighted ball diamond



Tigers, Raiders Open Season Friday

The 1951-'52 version of "Hoosier madness"—otherwise known as basketball— gets underway for the St. Joe Tigers this Friday evening, November 2, when they journey to Waterloo for their season opener. The Red Raiders of Spencerville get underway in their hardwood efforts on the same date, facing Butler at Butler.

St. Joe lost four varsity lettermen, Bob Baker and Francis Dulle by graduation and Burtis Dickman and LeRoy DeLong who dropped out of school, from last year's team. 1950 '51 saw the Tigers end up in a whirl-wind climax to give them their best won-lost average in several years. Head coach Jim Tatlock will have more time to work with his veterans this year as Bob Draggoo, new assistant coach, assumes the direction of the junior high and high school seconds.

The varsity will include Bob Richmond, Bud Tharp, Don Walters, Kenny Walters, Jerry Keener, Merle Bassett, Bob Kinsey, Bob DeLong, Amos DeLong and Howard McMaken.

Spencerville will be hard-pressed for experience this year having lost all but two of last year's varsity. Coach Dick Calbeck appears to have a full-size job on the calendar for his first year at the helm of the Red and White.

Schedules for both schools are as follows:

ST. JOE

Nov. 2—Waterloo, there.
Nov. 6—Harlan, at New Haven.
Nov. 9—Woodburn, there.
Nov. 16—Churubusco, there.
Nov. 20—Hicksville, there.
Dec. 5—Spencerville, here.
Dec. 7—Ashley, here.
Dec. 11—Ney, O., here.
Dec. 14—Hamilton, here.
Dec. 19—Scott Center, here.
Jan. 4—Harlan, here.
Jan. 10 11-12—County Tourney, Waterloo.
Jan. 18—Butler, there.
Jan. 25—Spencerville, there.
Feb. 1—Woodburn, here.
Feb. 8—Pleasant Lake, there.
Feb. 13—Scott Center, here.
Feb. 15—Metz, here.
Feb. 22—Hamilton, there.

SPENCERVILLE

Nov. 2—Butler, there.
Nov. 9—Ashley, there.
Nov. 14—Waterloo, there.
Nov. 20—Leo, at Butler.
Nov. 28—Harlan, at Hicksville.
Dec. 5—St. Joe, there.
Dec. 14—open.
Dec. 19—Salem Center, here.
Dec. 29—4-way Blind Tourney at Fremont (Churubusco, Ligonier, Fremont).
Jan. 10-11-12—County Tourney, Waterloo.
Jan. 18—Hamilton, here.
Jan. 25—St. Joe, here.
Jan. 30—Salem Center, there.
Feb. 1—Garrett, there.
Feb. 8—Hicksville, there.
Feb. 9—Harlan, at New Haven.
Feb. 15—Woodburn, there.

Thanksgiving Carnival Nov. 17 At St. Joe

The Concord Twp. P.T.A. has announced plans for a gay "Thanksgiving Carnival" to be held at the school house on Saturday, November 17.

The P.T.A. has made plans for a full evening of entertainment including special attractions and games for the whole family. In addition, a style show will be presented in the gym.

Funds received from the games and other activities during the evening will be used to sponsor the school band, a project which the P.T.A. voted to support recently.

CONSERVATION CLUB

High winds greeted shooters at the shoot last Sunday. But in spite of the wind, a good sized crowd was on hand to enjoy the sport.

Few good scores were made as targets which looked easy weren't even scratched. Seven out of ten was good enough to win first prize in more than one event.

A practice shoot will be held November 11th starting at about 1:30 p.m. This will be the last chance to get practice for the hunting season and the turkey shoot which will be held on Saturday, November 17th.

Heated Election Battle In Final Campaigning

(Editor's Note—The following news release might have appeared in this paper if St. Joe's population were 437,000 rather than but 437. Since our town is small and politics aren't too important in the affairs of its government, we aren't too concerned whether our officers are republican or democrat—except to wonder how such a swell guy can be a democrat—or republican, depending of course, on your own politics.

With an aim for a laugh we submit the following.)

St. Joe political cirlces were buzzing this week as candidates for local offices entered the final week of campaigning by hurling charges and countercharges against one apother on party lines.

Perhaps the most startling announcement came from D. W. Yeiser who came out with an unprecedented statement concerning this year's election.

When interviewed this week about his platform, he stated, "Any body who votes for me is a ——— fool!" The interview ended at this point.

The democrats hurled charges of favoritism in the street department, pointing out that Widney Avenue is continually overlooked each year when streets are resurfaced, obviously because there are more democrats living on that street than republicans.

Democrats also charged favoritism in granting the contract for garbage disposal. They charge that a bid by a firm headed by a democrat calling for disposal of garbage for "$10 per week" was refused, but a contract was awarded to a republican bidder for $40 a week "and all he can eat." This has been flatly denied by the Town Board.

It was rumored, but not confirmed, that pencils to be used at the coming election have been sabotaged in part, that those who vote democratic will be given unleaded pencils thus making their ballots blank. Local officials have had little to say about this except that St. Joe democrats have been pretty well blanked in the past anyhow.

A hot issue in the campaign has been emphasized by candidate Lloyd Dunten who has emphatically promised his greatest efforts in the fight to elevate the B & O tracks. Present board-member Merl Guilford has opposed the project during his term on the grounds that the B & O is high enough already without help to make them higher.

Hubert Bleeks has carried on a silent campaign, not having said nothing to nobody.

Donald Kinsey and George Baker have hit at extravagance in the towns finances, pointing out that Clerk-Treasurer Willard Hurni could save $1.33 per year on his trips to the bank at Auburn. They assert that if the clerk-treasurer would drive at 40 miles per hour on those trips, he would get 17.5 miles per gallon. But at his rate of 50 miles per hour, his car consumes one gallon for only every 16 miles. Mr. Hurni has hinted that these figures are grossly exagerated.

Frank Akins and Orville Coburn have conducted a frank down-to-earth campaign, being unaccustomed to the rigors of politics. However, they have assured voters that they will make every effort to please the citizens of this town for the good of all, regardless of how much money someone may offer them for favoritism.

Community Pot-Luck Nov. 8

The St. Joe Valley Conservation Club will sponsor the second membership and community pot-luck supper Thursday evening, November 8, at the high school gym in St. Joe.

Mrs. Rose Means will show two very fine films on Indian life. Mr. Stanley Means, chairman of the club's entertainment commitee, has secured the Bluebird and Kenobea Indian Dancers of Kendallville to give their interpretations of Indian dances. This group of over twenty are well-known over northern Indiana for fine talent.

Mrs. Frieda Guilford, chairman of the arrangement committee, and her co-workers have completed some fine plans to accomodate a large crowd.

The entire community, members or not, are invited to bring their picnic baskets, table service and, if possible, a card table to the gym at 6:30 p.m. sharp. The club will furnish coffee and cups. Children must be accompanied by their parents.

SUNDAY SCHOOL RECORD

The following is a record of attendance and offering for the Sunday schools in this community, reporting for last Sunday.

THE AMERICAN WAY

If You Can't Convince 'Em - Confuse 'Em!

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

CRITICIZES MILITARY SPENDING—The $56 billion record peacetime military budget has come in for considerable criticism at the hands of the House Appropriations Committee which handled this appropriation.

In a report to Congress, the Committee said:

"Ill-advised, shot-gun buying of certain civilian-type items can have and does have a very inflationary tendency upon price and marketing procedures. Evidence of such abuses has come to the attention of the Committee.

"(The Committee) deplores the practice of improper relations between procurement officials and representatives of firms from whom they procure millions of dollars worth of equipment.

"The charge that there has been hoarding of blue collar (industrial) workers is not without foundation.

"The Committee has been concerned at the numbers of both military and civilian personnel assigned to public information and publicity work and directs that sharp reductions be made.

"Investigations of the Committee reveal that there has been widespread abuse of Air Force planes by Officers not engaged in strictly duty flying."

In connection with the record-breaking military appropriations, it was pointed out that in the Defense Department there is a "crying need" for better management "from top to bottom. Not by a long shot are all officers and men in uniform gainfully employed in the defense effort."

It was shown that there was "glaring and wasteful" mistakes in procurement. It was revealed that the Army bought truck grills for $24 a piece, and a few weeks later purchased identical grills for $49.78 each. The first purchase was made direct from a manufacturer who acted as a sub-contractor for another builder in the second purchase. It also was charged that Army officials gave "misleading and evasive information" when questioned about the grills and the facts had to be brought to light by Committee investigators.

CONGRESS REBUFFS EWING—By Congressional action, Oscar Ewing (a Hoosier by the way) Federal Security Administrator, was rebuffed in his arbitrary control over welfare rolls. The Congress also clipped his wings in his efforts to administer part of the foreign aid program. It appeared that the Federal Security Administrator wanted to extend the "do-good" operations of his agency to the foreign field. For some time Ewing has been sending officials and employees of his domestic agency abroad. He sent a "social security expert" to Turkey; a "social school worker" to Brazil; three other social workers to Burma; two more "social security workers" to Cairo; and an education officer and a team of 20 specialists to Siam to study vocational training in that country. On top of this Ewing has five top ranking public health service officials studying public health programs in southeast Asia. Congress felt that the foreign aid program should be administered by an independent agency.

OPS RULNG—By direction of the OPS director, tombstones, monuments and memorials have been exempt from price control, because they "are of insignificant importance to the cost of living or to the cost of the defense program."

AMERICAN LEGION AUXILIARY

The American Legion and Auxiliary will join their forces in cooperating with the Hallowe'en Party at the school house October 31 by operating a lunch stand. Hot dogs, pie, cider and coffee will be on sale. Proceeds will be used to defray expenses of the party.

A marvelous time was had by the thirty attending the Annual Legion and Auxiliary Halloween Party on October 23. Prizes for costumes were won by Walter Ervin, Lynn Mary Lawson and Cindy Collins. Games were played and many prizes given to the winners.

A delicious lunch was served by Mary McElroy and April Davis to complete the evening.

Harriett Baker and Gretchen Noragon were guests of the New Haven Unit on Oct. 18. It was a meeting of the the district officers and chairmen. Harriett is district chaplain and Gretchen is district community service chairman.

Gretchen Noragon and Bernice Miller will attend the President and Secretary Conference in Indianapolis on November 2 and 3.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 3—4. DEVOTIONAL READING: Deuteronomy 32:1-9.

God and a Man

Lesson for November 4, 1951

WHEN God created this world he did it by himself. Since that time, where affairs of this planet are concerned, when God wants to do something for mankind or for a man, he seldom does it by himself. He always has assistants.

Dr. Foreman

When God wants to raise a crop of wheat he never raises it alone. When God wants to feed a city he feeds it by the innumerable hands of farmers, merchants, carriers of cargo the world around. When God wants children cured of diptheria he does so—with the help of the men who discovered and perfected diphtheria anti-toxin.

Doubtless God could work alone; but just as doubtless, he seldom does. Even when God wants to split a granite cliff in the wilderness, he does not use a magic axe; he uses things we can see: the frost-crystals and the sunshine.

• • •

God's Man for God's Work

THIS is also the story the Bible tells. Centuries ago there were some thousands of slaves in Egypt, Hebrew slaves, descended from the free man Abraham. God, we are told, wanted those slaves set free.

How would you have expected God to do it? If God is all-powerful, if he can do just anything he wants to do, and he wants these men set free, how will he do it? Will he reach down a mighty hand and lift them as you might lift a handful of the smalest ants, and set them down on some bit of free soil far away from Egypt? Will he send an army of angels to batter down the fortresses of Egypt, destroy her armed forces and set his people free?

Let us waste no time arguing whether God could or could not do such things. Let us assume that he could. The point is: he did not.

He called a man, a man named Moses. Already Moses had gone through a long life, and perhaps he thought of himself as at the end of his trail. If Moses had been asked, he might even have said that all his life's experiences had gone for nothing. But God knew better. God knew that everything that had formed Moses' mind and character—his family, his training and education, even the long lonely years as scout and sheepherder at the back of beyond,—everything in his past life was to be useful in the most important part of his life that still lay ahead. For God's work, Moses was God's man.

• • •

Moses Has Many Opposite Numbers

JUST as Moses was God's personal agent in liberating the slaves from Egypt, so down through the centuries Moses has had his "opposite numbers"—men and women who have brought to pass what (religious persons find reason to believe) God intends to bring to pass.

God wanted the good news about Jesus to be spread throughout the world. But this has come to pass only as Paul and a long line of missionaries have gone through one country after another with the message of God. God wanted the records of Jesus' life, or at least some facts about Jesus and his teachings, put down in writing and not left to men's memories.

But he did not write the Gospels—he inspired certain men to write them. God wanted the Christian world, in our time, to awake to the "open sore of Africa" and to send missionaries to that dark continent. But he chose a man, David Livingstone, to do this for him.

Wilberforce was God's agent for freeing the slaves of Great Britain, as Lincoln and many another were in America.

• • •

God's Ways Are Not Always Understood

IT is easier to say these things 1 years or centuries after the event than at the time they happen.

Moses at first could not believe he was the man God wanted; tried in fact to talk God out of it. Jeremiah doubted whether he should ever have been a prophet. Lincoln often had moods of the blackest. John Calvin sat up half the night in a Geneva boarding house giving Pastor Farel all the good reasons why he, Calvin, could never be a suitable man for the very job in which he became a famous hero.

Even God's own man sometimes does not realise his greatness. But God knows! And in time we all do.

It's A Touchdown!

Here is a football you won't want to kick around; but every time you serve it your reputation as a hostess will land right between the goal posts for a touchdown. What could be more original and imaginative for your after-the-game party than this fluffy-textured, mouth-watering chocolate-coconut combination. New and different, it is versatile, too, for it can be served in countless ways. Try, for example, piling the mixture into sherbet glasses lined with lady fingers, for a wonderful Charlotte Russe. Or use it as filling for a refrigerator cake, or in a graham cracker shell for a delectable pie.

Whether you serve this Chocolate-Coconut Sponge Mold in the novel way pictured—a football on a field of green-tinted coconut—or in some other form, this is a dessert to cheer about.

CHOCOLATE-COCONUT SPONGE FOOTBALL

1 envelope unflavored gelatine
⅔ cup sugar
¼ teaspoon salt
1½ cups milk
2 squares unsweetened chocolate
2 or 3 tablespoons sweet cocoa mix
3 egg yolks, slightly beaten
3 egg whites, unbeaten
1 teaspoon vanilla
¾ cup shredded coconut, cut
½ to ⅔ cup chilled heavy cream

Mix gelatine, ⅓ cup of the sugar, salt, and milk in top of double boiler. Add chocolate. Cook over hot water until chocolate is melted and gelatine is thoroughly dissolved. Blend well with rotary egg beater. Pour slowly over egg yolks, stirring constantly. Return mixture to double boiler and cook 8 minutes longer, stirring constantly. Cool 10 minutes.

Beat egg whites until foamy throughout. Add remaining ⅓ cup sugar gradually and continue beating until mixture will stand in stiff peaks. Fold in chocolate mixture gradually, blending well. Add vanilla and coconut. Turn into 1-quart melon mold. Chill until firm, then unmold.

Combine cream and cocoa mix in small bowl. Beat with rotary egg beater until fluffy and thick. Spread over unmolded sponge and decorate top with shreds of coconut to resemble football lacings. Surround with additonal coconut, which has been tinted green. Makes 7 to 9 servings.

You—and the SCRAP METAL EMERGENCY

ANSWERS every farmer should have to questions about scrap iron and steel

Q. Why is iron and steel scrap a matter of importance to farmers?

A. Steel for our Country's defense program and civilian economy is being produced at the highest annual rate ever . . . and this will be greatly increased in 1952. Farm machinery and equipment needs must come from this over-all supply. As steel production increases the need for scrap increases.

Q. How does scrap figure in the production of steel?

A. One pound of scrap is needed to make two pounds of steel.

Q. Is scrap getting scarce?

A. Yes, the supply of scrap at the steel mills and foundries is not increasing fast enough to meet the needs of expanding steel production. Yet, there are millions of tons of idle iron and steel scrap, in small amounts, on farms throughout the country.

Q. What if the needed scrap isn't obtained?

A. That will mean a serious loss of steel production . . . fewer products will be made of steel. It will mean more shortages of civilian products. Defense needs come first.

Q. Why not use pig iron instead of scrap?

A. Every ton of scrap conserves approximately 2 tons of iron ore, 1 ton of coal, nearly ½ ton of limestone and many other vital natural resources—to say nothing of transportation facilities. Besides, there are not enough blast furnaces to produce the iron needed to maintain production.

Q. How can more scrap be furnished?

A. By everybody pitching in—as we always do in every emergency—and searching out all possible sources of scrap. Manufacturers of all kinds of products are conducting scrap drives. Old ships are being salvaged . . . scrap is being obtained from countless sources including farms.

Q. What is farm scrap?

A. It is any worn out, obsolete, unrepairable equipment, tools or other objects made of metal. It may be resting and rusting in fence corners, in the fields, the barnyard or the tool shed.

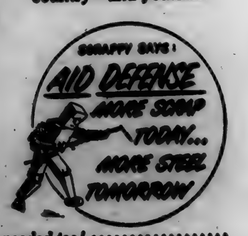
Q. What should be done with farm scrap?

A. See that every bit of scrap gets to the scrap dealer located nearest to you. He will break it up into sizes used by the steel mills and foundries. He'll classify the metals then ship the scrap in carload lots. If you do not know the name of your local scrap dealer, consult your local implement dealer for this information.

Q. What else can I do with farm scrap?

A. Support the scrap drive organized in your locality. Work with your local Scrap Mobilization Committee in getting the scrap started back to the steel mills and foundries through the local scrap dealer.

You'll be helping your country—and yourself!



Copper, Brass, Bronze and Lead Scrap are needed too!

SPORTSCOPE By Joe MAHONEY

LOCAL NEWS

Mr. and Mrs. Ray Means visited Mr. and Mrs. Gerald Means at Covington, Tenn., last week. They returned to St. Joe Monday evening.

The DeKalb County Rural Youth Club is sponsoring a scrap metal drive as a community service project. The drive will end November 17. Farmers in this area who have scrap are asked to contact Grant Strong, Opal Trenary, Phyllis Surfus, Norman Morr, Max Ward, Gene Mann, Betty Witt or Ralph Baker.

Rural Youth are sponsoring a skating party at the Silvermoon Skating Rink on Monday, November 5. The public is welcome.

Mr. Ralph Lochner, 1018 DeGroff St., Fort Wayne, formerly of St. Joe, is a patient at the Caylor-Nickel Clinic Hospital at Bluffton where he underwent surgery on his leg, having the ulcer scraped and skin grafted upon it. He is getting along as well as can be expected.

LADIES LITERARY CLUB

On October 24 the Ladies Literary Club met at the home of Mrs. Henry Lung.

The meeting was called to order by the president and the collect was read by Mrs. Carlos Church. Mrs. Allen Haller, parliamentarian, read the constitution. The secretary then read the minutes of the last meeting. Twenty-three members responded to roll call.

Mrs. Calvin Lessing, as lesson leader for the evening, gave a very interesting and timely account on "narcotics."

After a short business meeting, club was adjourned to meet with Mrs. Carl Sipe on November 7.

Spencerville News

Mr. and Mrs. M. H. Hollabaugh and Ted, Tom, Jim and Parks and James VanZile were guests Sunday in the Don Long home at Bunker Hill, Ind.

Jack Hollabaugh and Kenneth Akey spent Saturday and Sunday with Jim and Jerry Bowser at Indiana University attending the football game on Saturday.

Walter Hopkins of Indianapolis, Otto Hopkins and family and Joe Roberts and family of Fort Wayne and Ronald Emenhiser and family of near Auburn were Sunday dinner guests of Cal Laux and wife.

Sunday dinner guests of Mr. and Mrs. Frank Beams were Mr. and Mrs. Harvey Henderson of Newaygo, Mich,, Mrs. Bertha Curie of St. Joe, Mrs. Cora Curie of Butler and Mrs. Amanda Klopfenstein of Grabill.

Dr. Ralph Beams and family of Fort Wayne, Mr. and Mrs. Jay Younkins of Rushville were Sunday evening callers of Mr. and Mrs. Frank Beams.

Mrs. C. F. Hollopeter of New Madrid, Mo., spent Friday evening and Saturday with her in-laws, Mr. and Mrs. L. L. Hollopeter. They left Sunday for Flora, Ill., where they will spend a few days with Mrs. C. F. Hollopeter's parents, then going to New Madrid for a couple of weeks.

Mrs. Ada Whitacre of Highland spent Saturday with Mr. and Mrs. R. U. Bowser and Mr. and Mrs. James Reed and daughter.

Mr. and Mrs. Rollie Genth of Fort Wayne were Sunday dinner guests of Mrs. Genth's parents, Mr. and Mrs. Frank Rhoades.

Mr. and Mrs. Richard Miller and son, Mr. Vinton Miller and Mr. Maurice Miller were Sunday dinner guests of Mrs. Florence Silberg.

Mr. and Mrs. Herbert Edwards and son of Fort Wayne were Sunday dinner guests of Mrs. Mary Stemen.

HARLAN AMERICAN LEGION AUXILIARY POST 422

The American Legion Auxiliary held a freed will chili supper at the post home in Harlan October 23. The supper was well attended by members and guests and was enjoyed by everyone.

A quiz program was given by Mrs. Nina Jenson.

CARD OF THANKS

In this manner I wish to express my sincere appreciation to the neighbors, the Spencerville fire department and all who assisted with their help in my recent field-fire.

Albert H. Peters

90% For! 10% Against } **Time to settle...**

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employes and the railroads.

More Than 90% of Employes Accept

Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employes—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse

But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employes. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employes are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer?

They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?

Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of $.34 an hour ($2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour ($1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?

The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employes covered by signed agreements.

What About the 40-Hour Week?

The White House Agreement calls for the establishment of the 40-hour week in principle, for employes in yard service. The employes can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?

The continued quibbling of the leaders of the three unions has to do principally with rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated

The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed

With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employes.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

COBURN CORNERS CHURCH NEWS

The C. E. held their Hallowe'en Party at Alton Park October 27 and it was enjoyed by all. Games were enjoyed and refreshments of hot dogs, cider, potato chips, and pickles were served.

On Sunday afternoon a group of thirteen went to both convalescent homes in Butler and put a program on for them, including group singing, flanngraph lesson, a trio and prayer. Also they left reading material. The trio also sang for Mrs. Thelma Hart who has been sick for the past two months. The following include those who participated: Mr. and Mrs. Ralph Waggner, Mrs. Vern Frederick, Sharon Frederick, Betty and R. D. Baker, Betty Mann, Rhoda Ulm, Bonnie Noack, Phyllis and Bonnie Sweet, Bonnie Witt and Marie Fuller.

The primary class had a Hallowe'en party at the home of their teacher, Joan Curie, Sunday afternoon. All the members came masked. Prizes were given to Karen Hook, prettiest, Wayne Morris, ugliest, Mary Lou Geyer, funniest, and Barbara Morris, the hardest to guess. The afternoon was spent in playing games and contests. Refreshments of ice cream, cookies, candy and orange juice were served. Those present were Lynn Witt, Karen Hook, Barbara and Wayne Morris, Bobbie and Mary Lou Geyer, Carol Sue Cook and Judy Inlow.

The C. E. had a very good meeting with the attendance of 31 young people. Sharon Burkhead was leader. Group singing was led by Betty Mann. Questions were discussed.

Singspiration service will be held this Sunday evening and the young people will present a play, "Living for Jesus." A baritone solo will be given by Dick Coll of Butler and a girls quartet from Farmer, O., will be present.

Thursday morning at 8:30 a.m. will be the class "New Training for Service."

Prayer meeting will be held at 7 p.m. Thursday evening and Bible study; at 8:00 New Training for Service.

POT-LUCK DINNER AT LUTHERAN CHURCH FOR DUKER FAMILY

Members of St. Mark's Lutheran Church and Sunday School will hold a pot-luck farewell supper at the church Thursday evening for Mr. and Mrs. Clyde Duker and family.

Members are asked to bring their own table service.

TRI TOWNSHIP FARM BUREAU

The program for the Tri-Twp. Farm Bureau meeting to be held November 6 at the St. Joe gym is as follows:

Singing—led by Onan Laughman.
Devotions—Mr. and Mrs. Darris Hamilton.
Brief business meeting.
E.U.B. male quartette.
"My Trip to Purdue"—James Sipe.
Play "The 4-H Tackles Father"—Sp. Ag. 4-H.
Musical Number, demonstration—Newville Twp. girls.
Musical Number — Concord Twp. Ag. 4-H.
"My Trip to Chicago"—Ruth Trenary.
Piano Solo—Kathleen Anthony
Pantomime "Greedy Gus"—Priscilla Prim 4-H.
"4-H Stars of Tri-Townships"—(Presentation of awards).
Refreshments.
Chairman—Lester Anthony
S & E—Mildred Jarrett.

CONCORD TWP. HOME EC

Concord Twp. Home Ec Club met at the home of Mrs. Joe Foltz October 18. Mrs. Adrian Washler had charge of the meeting.

The creed was given in unison. "Back Home Again in Indiana" was sung and the history of the song was read by Mrs. Harriett Johnson. Devotions were given by Mrs. Ed Storer.

The secretary's report was read and approved. Twenty-four members answered roll call with a Hallowe'en experience. Special reports were given by Mrs. Joe Foltz and Mrs. Harriett Johnson. Mrs. Howard Borthwick read a poem entitled "Twelve Bottles."

The next meeting, "family night," will be held at the school gym on November 16 with Dr. Frisbie showing moving pictures. Pot-luck supper will be served and everyone attending is asked to bring their own table service.

BOOST HOG PROFITS...

3 WAYS WITH KRAYLETS!*

* 80% dairy products in dry kernel form.

1. Promote fast growth! The concentrated dairy products in Kraylets help give regular rations the "grow-power" they need to produce quick gains—earlier market weight.

2. Promote thrifty growth! Kraylets helps boost the value of regular rations—helps you produce more pounds of pork for every pound of feed!

3. Save time and trouble, too! There's no muss — no fuss — no messy slop feeding with Kraylets. You get nutritious dairy products in convenient, sanitary dry kernel form.

wash dishes at 9:00

wash clothes at 9:00

when your water heater is ELECTRIC

No, we're not suggesting that you split yourself in two. But, if you have a clothes washer . . . why not let it do its work while you do the dishes? If your old water heater can't give enough hot water for both jobs . . . then here's a good tip.

Get an electric water heater. Have all the hot water you need . . . anytime of day . . . at the turn of a faucet. An electric water heater is fully automatic, you don't even have to push a button

INDIANA & MICHIGAN ELECTRIC COMPANY

4 extra features you'll like

Fits anywhere—Laundry, kitchen or attic . . . no floor or vents.
Safe—No flames, no pilot light . . . insulation keeps outside cool.
No Heat Wasted—It stays in the tank . . . doesn't go up chimney.
Thrifty—As little as $3 worth of electricity a month heats water for the average family.

Goal To Be Won In '51 -

The St. Joe News

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, November 8, 1951 — NUMBER 42

Around the Town

With the Editor

I know of five guys who'll find out what scrap paper is worth before making a collection in freezing temperature again.

Saturday morning Frank Sechler, Bill Coburn and Jerry Dilley started making the collection and I joined them later and Dewey White in the afternoon. The whole town was covered and several farms, all of which netted 57 hundred pounds, the big pickle truck loaded full. And what did it get—twenty-two dollars and eighty cents.

Oh, well, every little bit helps.

Probably Denny and Doug had something to suggest about what to get, but it was certainly appropriate that the school students and faculty presented Mr. and Mrs. Duker with a Sunbeam Coffeemaster last week.

I heard that the Mrs. had been window shopping at Wabash while hubby attended to some business. During the tour she saw said appliance in a store window and mused about the income bracket a family had to occupy to get household items like it, of course, admiring it at the same time.

—And she got one!

Hey, you guys are lettin' up. Just because no mention was made last week of sending me a buck for the recreation club in the name of the St. Joe News, you didn't have to forget about it.

Before you finish reading this paper and toss it aside, get out a fifty-cent piece—or a buck—and lay it next to you on the chair. Then when you're through reading, get up, put the buck—or half a buck—in an envelope, address it to the "St. Joe News, St. Joe, Indiana," stamp it and mail it.

Here's the list to date of our "who's who"—

T. E. Haberkorn, Sr., Fort Wayne, Mrs. Amalia Rathert, Fort Wayne, Ed Storer, St. Joe, Bill Staman, St. Joe, Ralph Sechler, St. Joe, Miss Augusta Haberkorn, Fort Wayne, Miss Emma Haberkorn, Fort Wayne, John Haverstock, Leo, J. C. Provines, Auburn, Leo Schendel, St. Joe, Jim Tatlock, St. Joe, Clayton A. Baker, St. Joe, Ray Reasoner, St. Joe, Russell Walter, St. Joe, Robert Coburn, St. Joe, Otto Ginther, St. Joe.

How do you know—maybe someone will see your name here and you'll get a letter saying that your twenty-first cousin left a million dollars to you and they couldn't find you and you've got an inheritance coming—just because you sent me a half a buck—or a buck.

Republican Town Board Elected

Snow, sleet, rain and wind held voting in St. Joe to half of its potential as 107 of approximately 200 eligible voters in the town took advantage of their voting privilege.

Closest contest came in the 1st Ward where Lloyd Dunten, democratic candidate for trustee, was nosed by but 4 votes by Frank Akins, 54 -50.

Complete results are as follows:

TRUSTEES

Ward I—Frank Akins (R) 54, Lloyd J. B. Dunten (D) 50.

Ward II—D. W. Yeiser (R) 67, Huebert Bleeks (D) 36.

Ward III—Orville Coburn (R) 69, Donald J. Kinsey (D) 34.

CLERK-TREASURER

Willard Hurni (R) 69, George E. Baker (D) 38.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Howard L. McMaken of St. Joe announce the engagement and approaching marriage of their daughter, Anita Jean, to Corporal Charles Carnahan of Auburn.

The wedding ceremony will take place November 18th at the home of the bride's parents.

A reception will be held from 4 to 6 p.m. at the home. Friends and relatives are invited to attend.

People, Spots In The News

THIS IS IT—This scene of Marines blasting at Red positions in Korea with rocket launcher brings war closer. Man second from right has just yanked lanyard that fired cluster of rockets, as back blast throws up shower of mud. (INP)

PEGGY CASTLE, curvaceous film cutie, draws a raft (of admiring glances) as she beach-walks in Los Angeles.

RCA LAB division vice president, Dr. E. W. Engstrom, shown with prototypes of five different tri-color tubes developed by RCA for use with any color television system.

HONEST GUYS—Refreshing note amid assorted bribe-scandal news came when furniture-moving cousins, Joseph and Peter Daly, discovered $1,000 in big banknotes in sofa, turned it in to New York police. They had only $1.01 between them at the time.

Raiders Lose To Butler

Spencerville's lack of height showed in their first game of the '51-'52 basketball season as they were downed by the Butler Windmills at Butler Friday, 69-38.

The first quarter was close, ending at 11-10, but Butler went into a 34-21 lead at the half.

Using a fast break, Butler took a commanding 55-33 margin at the three-quarter mark before Coach Frank Clark began substituting, using his full squad.

Eddie Hook took scoring honors with 19, followed by Beard of Butler with 18 and Maxton with 14.

The prelim went to Butler by the rousing score of 71-22.

Thanksgiving Square Dance Nov. 24

A community Thanksgiving square dance is to be presented at the local gym on Saturday, November 24, starting at 8 p.m.

The event has been planned by the St. Joe Valley Recreation Club and committee heads were appointed at the club's meeting Thursday, November 1, at the school house.

Herb Amstutz has secured the services of a Fort Wayne square dance unit, three musicians and a caller, for the evening. Lloyd Dunten has been placed in charge of refreshments and Paul Kitchen is securing cakes for cake walks.

The club held a similar dance several weeks ago and favorable comments by those who attended resulted in this "return engagement" in the form of a Thanksgiving square dance.

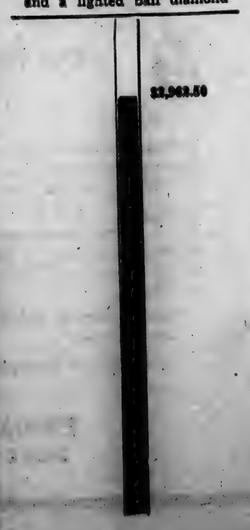
BAKE SALE AT AUBURN

The Concord Jr. Home Ec Club will hold a bake sale and fancy work bazaar Saturday at Burgoyne's in Auburn.

Up A Little-

$3,500

and a lighted ball diamond



New Principal Named

Concord Township Trustee Don Keller and the superintendent of DeKalb County schools Carl F. Stallman, announced Tuesday that Charles E. McCreery of Huntington has been named principal of the schools at St. Joe.

He replaces C. O. Duker who resigned to accept the principalship of the Linlawn school in Wabash County.

The new principal takes over duties at St. Joe this week. He resigned his position as a high school instructor in social studies at the Clear Creek Township school in Huntington County to accept the position at St. Joe.

Mr. McCreery reported Wednesday that his family will move shortly into the Orville Funk house in St. Joe. Mrs. McCreery, also a school teacher, will complete her contract at Roanoke.

Community Skating Party Monday, Dec. 5

Several years have elapsed since St. Joe held a roller skating party and probably more years have elapsed since residents have donned the rollers. So, a big skating party has been planned for Monday, December 5, at the Silvermoon Skating Rink south of Waterloo. The party is for St. Joe, Spencerville and surrounding communities.

For the convenience of those who have no transportation facilities available, buses will be at the school house for their use for a nominal sum and will leave for the rink at 7 p.m.

Tickets will be available this week and thereafter until the party date at the News Office and Dunten's Market in St. Joe, Chaney's Restaurant and the Shell Service Station in Spencerville and also from recreation club members.

The party will be held on Monday evening, a "private" night at the rink, and no general admission sales will be made. Admission will be by advance sale only by the sponsoring club.

Auxiliary Members In Rehabilitation Work

Mrs. Anne Sechler, rehabilitation chairman, and Mrs. Agnes Monroe, Girls' State chairman, of the American Legion Auxiliary of St. Joe, have completed sixteen hours of Volunteer Service Work at the Veterans Hospital at Fort Wayne. Their work consists of calling on patients and delivering to them supplies from the American Auxiliary Supply Shelf and Canteen. These consist of cigarettes, shaving cream, tooth paste, stationery, stamps, shaving lotion, candy, etc. This shelf is kept filled by funds from the Auxiliary. Coupon books are furnished and are used as cash to purchase some items which may not be on the Shelf but are available in the Canteen.

Letters are written and posted for those who are unable to do this. Telephone calls are made and errands done which contribute to the comfort of the patients.

For five afternoons a week organizations send women into the hospital to perform these duties. The American Legion Auxiliary goes two of these afternoons.

This service is all donated by the workers at their own expense. As volunteers acquainted with the work, they feel it is a very small return on their part for the ones who gave so much.

In December the Gift Shop for the veterans is opened. This is furnished and operated by the Auxiliary also. Volunteer workers and auxiliary members wheel the gifts on carts to rooms where patients are bed-ridden. They choose gifts for their families and the women wrap these for them. They see that they are ready for delivery, mailing those which need be.

This is rehabilitation work and is financed by the money given by the community in the Auxiliary Poppy Drive.

Tigers Drop Opener; Take Harlan;

The Tiger seconds brought home a victory Friday evening at the expense of the Waterloo Wildcat seconds, but the varsity couldn't quite catch up to their opponents. The scores were 26-20 for the win and 51-46 for the loss.

The Tigers got off to an early lead but dropped behind at the quarter, 8-6. Scoring was even through the second period and Waterloo still led by two at halftime, 23 21.

Bob Richmond was held to four points in the last half after getting ten in the first half and the third quarter ended at 34-27. The Wildcats worked their set plays successfully in the final period and held their lead to take the game.

The seconds built up a first-half lead and had to rely on that lead in the final periods, scoring only one field goal in the last half.

EVANGELISTIC SERVICES AT SPENCERVILLE CHURCH

The Spencerville Methodist charge announces special evangelistic services in the Spencerville Methodist Church at 7:30 p. m. each evening of the week, November 11-18.

These services are under the direction of Rev. K. E. Maynard of Cromwell. The song evagelist is the Rev. Knisel of Leo.

Youth meetings are planned for 3:45 Monday through Friday and a special of some sort each evening.

An invitation has been extended to come and bring the family.

This evangelistic endeavor is conference wide in the Methodist Church.

Report from Lyons

Editor's note.—Readers may remember the series of articles in this paper three years ago written by Marge Harberkorn who attended college in Paris, France, and wrote of life in that country.

She is now Marge "Appleman" and once again is in France with husband, Phil, who is attending the university at Lyons, France, working on a doctor's degree.

Letters received from them have proven very interesting and we thought perhaps our readers would appreciate learning of life in a foreign country.

The letters are written in a unique stlye—as one carrying on a conversation, and we will present them as written.

The boat trip referred to in the first portion of these articles was taken in September and, of course, the following descriptions are written during the month of October.

Well, we're getting close now-thank goodness-!This shipboard life is fine for a while, but you soon get tired of it. We arrive at Plymouth, England, tomorrow (Sunday) noon, then will get to Le Havre Sun. night, but won't leave the ship until Mon. morn-

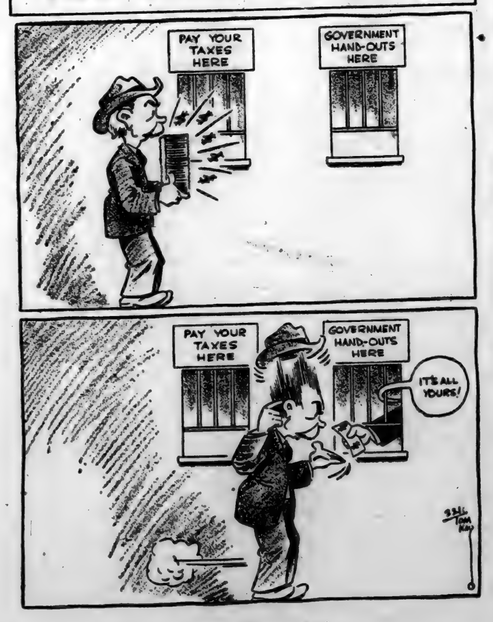
THE AMERICAN WAY



Some Bargain!

In Every Lifetime-

St. Joe will feel the loss of its school principal in the future, as an individual and as a public servant.

With all due respect for his successor, his friendship and association of the past years makes his departure somewhat hard to take, for us, at least. And we believe there are others who feel the same.

The News has always enjoyed his cooperation, receiving his help at request or voluntarily, the climax at his resignation which he brought to our attention for a "scoop."

On other occasions he was always willing to take time to discuss problems not only of the school but of the community. One of these problems involves the school situation, including need for improved and new facilities, consolidation and related subjects. His experience of the past years would help in the future to solve the local difficulties as they occur. It might be mentioned in passing that his willingness to help extended to many community activities as he never refused to accept responsibility when asked to do so.

His absence will be felt personally, too, as will that of his wife, both participating in Sunday school instruction. The gifts and "farewells" given for the family should attest to the standing they held in the respect of the community.

His new position is a step upward and one which he desired very much to obtain. We are glad for his good fortune and wish him the best in the future.

As for St. Joe—one of the pillars is gone.

Swedish Boiled Beef

Out of the ordinary is this Swedish version of a thrifty boiled dinner.

Much of Swedish meat cookery is done in a large covered pan on the top of the range. A glance at a collection of recipes for Swedish meat dishes is enough to tell you that these world-renowned cooks have indeed mastered the art of simmering the less-expensive cuts of meat. Clever cooking and successful seasoning are the keys to their success.

For culinary success in your own home, key a few menus to Swedish Boiled Beef this fall and winter. Serve it with a taste-teasing Horse-Radish Sauce. To carry out the Swedish custom of serving a tart fruit accompaniment bake a batch of Cranberry Muffins. Bring them to the table hot from the oven and have plenty of sweet margarine on hand for spreading.

SWEDISH BOILED BEEF

2 to 2½ pounds chuck or brisket beef
2 cups boiling water
2 pieces celery
1 tablespoon salt
4 to 6 whole allspice
2 to 6 medium-sized potatoes
3 to 6 onions
10 to 12 carrots

Wipe meat and place in kettle. Barely cover with boiling water; bring again to boiling point. Add celery, salt and allspice; reduce heat to a gentle simmer and cook 2 to 3 hours or until barely tender. Add potatoes, onions and carrots and cook until vegetables are done. Arrange on hot platter. Serve with Horse-Radish Sauce. Yield: 5 to 6 servings.

HORSE-RADISH SAUCE

¼ cup fortified margarine
2 tablespoons enriched flour
1 cup meat stock
1 cup milk
2 to 3 tablespoons grated horse-radish

Melt margarine; add flour and stir until well blended. Pour in stock and milk gradually while stirring and cook slowly 10 minutes, stirring occasionally. Season with salt and pepper. Fit in grated horse-radish when ready to serve. Do not cook sauce after adding horse-radish or it will taste bitter. Yield: About 2 cups sauce.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 8-15.
DEVOTIONAL READING: Exodus 16: 11-18.

A People Delivered

Lesson for November 11, 1951

ONE of the strange truths about God—strange when we are not used to it—is that he can never be seen directly. No man has seen him nor can see him, the Bible tells us (I Tim. 6:16). God cannot be photographed nor televised. The disc has never been made that will record his voice; it will not be heard on any telephone. Then how do people know God? By the eye of faith, the ear of faith. The Bible suggests that it is God himself who opens men's eyes to his presence, opens their ears to his voice.

Dr. Foreman

• • •

God in History

IT is so when we speak of "God in history." The historian can tell us what happened; but why does it happen? The last, the final, the all-inclusive Why? is religion's question; and religion's answer, faith's answer, is always: God.

Take, for example, the well known story of the Exodus, when the Children of Israel got out of Egypt where they had been slaves for about as long as the Negroes were slaves in America before 1863. All historians agree (1) that Israelites were in Egypt; and (2) that they got out.

But the history books do not read like the Bible. In the "Cambridge Ancient History" or in any history of the ancient Middle East, you can read the account of the Exodus with the miracles left out.

Furthermore, the historians never bring God into their tale. All they can tell us is what you could have caught with a moving picture camera or a recording machine. But God cannot be caught that way. The story of the Exodus, in the Bible, has another slant. The Hebrew folk never said "We escaped" or "It was a lucky break" or "Moses took us out." They always said, "God brought us out."

If you had been there when they crossed the Red Sea (the original Hebrew in Exodus does not use the expression "Red Sea" in this story, and it may have been one of the Bitter Lakes or even an arm of the Mediterranean—it makes no difference), armed with your camera and sound-recording devices, you could have caught the roaring of the wind and after long hours of the hurricane you would have seen the water level going back and back till finally solid ground appeared. But when your pictures were developed you would not have seen God.

• • •

God in Our History

IT would not do us much good, indeed, it would only make us jealous or bitter, if we thought that God had a hand in the history of Israel, but took no interest in the history of other peoples. Many centuries after the Exodus, the prophet Amos said that God not only brought the Israelites out of Egypt, but he also brought the Philistines out of Crete (Caphtor) and the Syrians out of Kir.

Still later on in the Bible God's hand is said to be leading the great conqueror Cyrus of Persia (Isaiah 45:1-4), even though Cyrus knew nothing of it. God was there, but the eye of faith was not. God is always there; and sometimes the eye of faith is there to see him.

In the history of England two of the most famous events are the defeat of the Spanish Armada, and the retreat from Dunkirk. In each case the English people were to all appearances helpless, just as the Hebrews were helpless at the Red Sea; in both cases, as at the Exodus, "the weather came to their rescue." A great wind swept the Spanish navy to destruction; and a great cloud-cover kept the Nazi airforce pent in until the British army had escaped from Dunkirk.

The weather, say historians. God, say voices of faith. Are not both right?

• • •

Side of the Free

IS God on the side of the little nation?

Not always. But taking history as a whole, Christian people have reason to believe as the people of the Bible did: that God hates oppression and violence, and his "hand is against" nations that live by such means. On this Armistice Sunday it is well to remember that. If our cause is just it is not because we never lost a war.

Our cause is just if and only if it is the cause of human freedom. We have no assurance that God will stand by us otherwise.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

Local News

Bill Sible and fourteen of his paper carrier-salesmen attended the Purdue-Penn State football game at West Lafayette last Saturday afternoon.

The Tri Mu Sunday School class held a class meeting Sunday evening at the St. Mark's Lutheran Church in St. Joe. Mr. and Mrs. Orville Funk and Mr. and Mrs. Clyde Duker were presented with gifts by the class. Everett Collins showed color slide pictures of local interest followed by refreshments of sandwiches, pie and coffee.

Mr. and Mrs. Hearsel Shockley are the proud parents of a 9 lb. baby girl born Monday morning. She has been named Nila Sue.

Miss Cynthia Hull of Sherwood, O., was a guest in the home of her grandparents, Mr. and Mrs. Harvey Hull, from Friday until Sunday, returning with her parents, Mr. and Mrs. Calvin Hull.

Mrs. Merle Coburn, Floyd Coburn and Harvey Hull attended the funeral of Jacob Ginder at Mt. Pleasant Monday.

Mr. and Mrs. Ray Reasoner had as Sunday guests Mr. and Mrs. Floyd Reasoner and daughter, Susie, and Miss Carol Billow.

Mr. and Mrs. Harvey Leese of Hart, Mich., and the formers' niece and husband of Fort Wayne called on Mrs. Eva Shull Saturday afternoon.

Mr. and Mrs. Harold Harter of Fort Wayne called on the latter's parents, Mr. and Mrs. Garth Shull Sunday afternoon.

Jerry Baker has joined the Marines and is now stationed in San Diego, Cal. His address is Pvt. Jerry A. Baker 1243155, PH. 366. 3rd Bn., U.S.M.C. R.D., San Diego 40, California.

Mrs. Retta Hathaway and Mr. and Mrs. Rudolph Haynes of Butler happily surprised Mrs. Lillian Buckingham Monday evening, previous to her 80th birthday on Tuesday. Ice cream and a large pink and white birthday cake were served. The cake was a gift from Mrs. Hathaway. A carton of canned fruit and fresh fruit were among the remembrances. Friends —how could we live without 'em.

Mr. and Mrs. Everett Mavis and daughter, Betty Bevington, of Auburn, Mr. and Mrs. Don Burley, Mr. and Mrs. Vernie Monroe, Mr. and Mrs. William Staman and Mr. and Mrs. Glen Cole were Saturday supper guests of Merritt Sechler.

Mrs. Grace Dilley is house guest of her sister, Mrs. Agnes Monroe, and husband this week.

Mrs. Mary Bartlett, formerly of St. Joe, is visiting in the Clarence Woodcox home and Mrs. Harriett Johnson for a few days.

Mr. and Mrs. Glen Cole, Mr. and Mrs. Carlos Church and daughter, Linda Anne, were Sunday guests of Ralph Sechler and wife Sunday.

Mr. and Mrs. William Staman were Sunday dinner guests of Ashton Staman of Auburn.

Mr. and Mrs. Lester Baker were Sunday evening guests of Mr. and Mrs. Dean Eyster of Butler.

Lester Baker in company with Dean Eyster and Jake Waltz of Butler left Wednesday for their yearly deer hunt in Canada.

Cora Curie spent several days with her daughter in Hicksville the past week.

Letters to the Editor

October 31, 1951

Dear Ted,

I thought I would write and ask you if you were going to follow up the basketball games in the News. I sure hope so. I won't be around there to get it for myself and I sure would appreciate a follow-up on the games. The opening game is this coming Friday night. It will be the first one I've missed for quite a few years. I suppose they will get along alright with out me, but I will be thinking of them anyhow.

The team should go quite a ways this year and I wish Mr. Tatlock all the luck there is and I believe he will come through.

I would like to send a little money to the News for the ball diamond but the money they give us we're lucky to make it last.

Well Ted, I for one would sure appreciate the follow-up on the games. I suppose there's a lot of other boys in the service who would feel the same way.

Well, time is running short and I've got detail before we fall out. This army life is sure no picnic and I sure will appreciate it when we get out of basic.

Respectfully yours,

Pvt. Donald K. Yeiser
U.S. 55200167
Co. "A" 45th A.I.B.
5th Armd. Inf. Bn.
Camp Chaffee, Ark.

Glad to hear from you, Don.

You can see this week that the games will be followed and you can follow the Tigers through the season. —Ed.

NUISANCE CLUB

The Nuisance began meeting on Monday September 24.

Officers for the coming year are as follows:

President—James Shuff.
Vice-president—Lee Davis.
Treasurer—Donnie Baker.
Secretary—John Heyman.
Reporter—Esther Russ.
Sponsor—Pete Walters.

A Hallowe'en Party was held October 29 at the home of Donnie Baker.

Pattern of the Week

TO ORDER PATTERNS send 35c in coins (no stamps) for each pattern, with size, name and address, designating which pattern you want by its number—# 5882 for the "Blouse and Slacks" or the "Butcher Boy Pajamas", pattern 5877.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

this is a **Perfect Day** to dry clothes

if you have an electric clothes dryer

Let November rain and snow come down by the bucketful . . . just go right ahead and do your washing! Yes, *you'll do just that* . . . if you have an electric clothes dryer.

Why let the weather push you around and upset your weekly schedule? Make your own weather and reap these other benefits at the same time.

No backbreaking baskets to lug out and back again

No line or pins to struggle with

No fading, wind damage, or soot to worry about

No more need for ironing everything

You simply toss clothes in and set the dial. They come out as you choose: damp-dry to iron, or fluffy-dry to put away. Towels, sheets, corduroys and many other items come out of the electric clothes dryer wrinkle-free—ready to use.

Have your electrical dealer give you demonstration of the electrical clothes dryer. You'll never know how you got along without one.

SPORTSCOPE By Joe MAHONEY

REPORT from LYONS

Contined from page 1)

ing. The boat train leaves at 9:-15 and we'll be in Paris at 12:01 noon. As I said, we'll sure be glad to get there!

I guess I'd better back-track now to New York-I wrote you a note from the hotel but didn't have a chance to mail it 'til we got settled on the ship-Phil gave it to one of the dock handsto mail -so I hope it got there O.K.-We spent most of that Friday checking baggage, changing money, etc.-I met that fella who now works at New York Univ.-the one who spent two years in Lyons-He told us lots about the place-gave us loads of names of friends to look up-then he introduced us to a young doctor from Lyons who has been in the U.S. for 2 weeks-and is studying here on a scholarship. We all had dinner together and the Dr. gave us names of more people to see. Then we walked around Broadway-Phil and I thought we'd try to get in to one of the stage plays at the last minute, but couldn't,-so we just walked around a while and went back to the hotel and packed up again-We got to the ship in plenty of time Sat.-our trunks were already on board. (Amazingly enough, it sailed almost right on time-at 11:05!)

Almost all the people in cabin class are Fulbright students-We've met quite a number of them. All the rest sailed on the Queen Mary the day before. It's been a lot of fun, so far-but even so is getting monotonous-Nine days is too long-Neither of us have been at all seasick, but I'm getting tired of rocking up and down all the time just the same!-It'll be nice to be able to stand still for a change! We have had very good weather-We had three or four days of bright sunshine-then three of clouds and rain-Today the sun is out again-but the ship rocks no matter what the weather is-because of the big swells-and the wind-

We do about the same things every day-mostly eat and sleep-The food is really delicious.-French style-with lots of courses-hors d' oeuvres or soup-then some sort of fish-then some sort of vegetable-then the main course-meat potatoes, veg.-and salad-then different kinds of cheese-then a "sweet" dessert, cake and ice cream or something like that-they finish up with assorted fresh fruits (apples, oranges, peaches, pears, etc.) and coffee or tea.-I wonder how much weight I've gained! We've been eating at the second sitting-and dinner isn't until 7:45-then there's usually a movie at 10:00 (one night French, next night American)-they've had some pretty good ones-that's usually out at 12:00-But at 12:00 each night we set our clocks up 45 min. to catch up to Paris time-So that makes it nearly one A.M. and by the time we talk and sit around in the lounge a while-It's so late before you know it-although it seems it should be early-Consequently-we usually sleep pretty late in the morning-We've made it to breakfast 3 times though-and it's my favorite meal here, because you can get an American one-Grapefruit and ham and eggs and toast, etc. Lunch is at 12:45-In the afternoon there is usually a dance at 4:30-a 7 piece orch. which takes turns between us and 1st class-We had two dances in the evening- one on Tues.-one on Sat. They're lots of fun-They have mixing dances-switching partners, etc. so you'll meet all the kids-and the one last night-they passed paper hats and confetti and horns, etc.-sang songs, etc.-ended with Auld Lang Syne-Like a New Year's Party almost-

Pickles Have Strong Squad

Though the loss of "Whitey" Heller will be difficult to make up, Sechler's Pickles independent basketball team looks forward to a better year this year than last.

Frank Sechler has strengthened his "five" with the addition of Bill Shore, captain of Valparaiso's 1950 court squad, Phil McCarter, graduate of Ball State and assistant coach at Akron, Ind., and John Stauffer, graduate of De Pauw University and coach at Warsaw.

The balance of the squad will include last year's roster of Pete Akey, St. Joe; Blaine Kimes, Spencerville; Gene Diedrich, RR Auburn; Jim Kinsey, Auburn; Tom Beck, coach at Akron, Ind., and graduate of DePauw; Bernard Broderick, coach at Hamilton and graduate of Ball State; Frank Clark, coach at Butler and graduate of Defiance College; and Bert Campbell of Butler.

A schedule for the season hasn't been made as yet. However, plans include games at Butler and St. Joe and a series of independent games at Akron on Saturday nights.

The team will be entered in the Zollner Piston Invitational Tournament again this year, provided application is accepted.

Spencerville News

Mr. and Mrs. Wayne Smith and children, Mr. and Mrs. Max Markle and baby and Mr. Roger Smith and children were Sunday dinner guests of Mrs. Rallie Markle and daughter, Gaylon.

Mr. Fred Stemen spent the week-end with his mother, Mrs. Mary Stemen.

Mrs. Walter Reid is a patient at the Methodist Hospital in Indianapolis where she is reported to be feeling better.

Mrs. Florence Silberg is spending a few days in Fort Wayne caring for her cousin, Mrs. Ora Wilmont.

Mr. and Mrs. John Weidner and Marguerite Huffman attended the funeral of Mr. Weidner's sister at Union City last week.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

FROSTBITE

THIS is a cold weather subject, and now is a good time to discuss it. In severe frostbite, there is development of blood clots in the interspaces of tissue, with resultant gangrene. A popular misconception of treating a case of frostbite has been to rub the affected part with snow.

Anticoagulants are drugs which retard or prevent the clotting of blood, and now are used in frostbite with gratifying results. The new treatment includes, besides the use of anticoagulant within one or two hours, blood and blood plasma infusions to combat shock, thawing of the individual areas by exposure to room temperature only, cleansing, and the use of penicillin to combat infection.

A case is reported of a man, aged 50, who was brought to the hospital in an unconscious condition after a prolonged exposure to cold. His hands and feet were ice cold, stiff and solid to the touch. Blood pressure was unobtainable and the heart beat weak. The patient was put on the new treatment and except for a low grade fever the patient made a surprising recovery. Consciousness was regained in eight hours and only one finger required amputation.

Physicians who handled this case reported that it was impossible to predict the extent of gangrene and death of tissue that would have developed if anticoagulant treatment had not been used.

Of 14 patients with acute frostbite admitted to one hospital and treated with anticoagulants, only one required local amputation of a finger. Hospitalization was appreciably shortened, and the patients soon returned to normal activities.

RAT KILLING DAY IN COUNTY NOV. 16

A "banquet for rodents" will be held Friday, Nov. 16, in DeKalb County, agricultural agent Ernest Lesiuk announced Tuesday.

Plans are moving ahead for the country-wide rat killing day and all rural and urban residents of the county are urged to participate in eliminating the rodents which annually cost DeKalb residents thousands of dollars and menace the health of the community.

Warfarin is the new poison that has a mild but deadly effect. It takes five to ten days for results. A rodent control specialist of the U. S. Fish & Wildlife Service says that it is now possible with this new poison to completely eliminate rats and mice from a community.

The warfarin rat bait will be available for townspeople as well as farmers at the county extension office in the county court house. The bait will be provided at a non-profit price and will be available only for the campaign.

DUKERS, FUNKS HONORED AT POT-LUCK

The St. Joe Lutheran Church and Sunday Shcool held a pot-luck supper Thursday evening for Mr. and Mrs. Clyde Duker and family and Mr. and Mrs. Orville Funk and daughter. The Dukers are leaving this community to reside at Wabash and the Funks are residing at Waterloo where Mr. Funk is now operating the Standard Service station.

After the supper, remarks were made by Derwood Ridgway on behalf of the church followed by a few comments by Mr. Duker and Mr. Funk.

Gifts were presented to both families.

TURKEY SHOOT SUNDAY

The Hicksville Rifle and Pistol Club is sponsoring a turkey shoot Sunday, November 11, at 1 p.m. The club range is located 1½ miles west of Hicksville on the Spencerville Road.

There will be classes for either scope or iron sights in the 100 yard and 50 yard accuracy shoots. Any sights can be used in the chance shoots.

The winners will receive turkeys, chickens, ducks, hams or merchandise according to the class entered.

HARLAN AMERICAN LEGION AUXILIARY POST 422

The American Legion and Auxiliary Post 422, Harlan, Ind., held a farewell party at the post home for Mr. and Mrs. Vance Amstutz and family. They are moving to Garrett, Ind. Pot-luck lunch was served. Seventeen members were present.

WINTERIZE FALL PIGS WAY TO REDUCE LOSSES

Everybody knows the first frost is a warning to see about anti-freeze and to get their cars and other motor vehicles ready for winter.

But Myers Elevator Co., local feed dealer, claims it's just as important to "Winterize" fall pigs as it is to "winterize" the old jalopy.

According to Harold "Dutch" Hose at the elevator, if fall pigs get off to a slow start, they have a hard time to catch up when they run into cold weather, and lack of sunshine and green pasture. Farmers can get fall pigs ready for winter in the best possible manner in the following way:

1. By creep-feeding a highly fortified pig ration that gets pigs off to a fast start with economical gains. Fall pigs do not get the benefit of green pastures in fall and winter like in spring and summer, and need additional protective vitamins. Amazing results have been reported by local farmers that have used a new "Tail Curler" 18 percent super pig starter, fortified with vitamin B-12, the new miracle-like antibiotics, B complex vitamins, proteins and minerals.

2. By getting pigs up to 75 lbs. before cold weather arrives, they are in better condition to overcome setbacks that sometimes go with castration, vaccination and weaning. Creep-feeding pigs from two weeks of age until they weigh 75 ponds is the quickest way to get them properly winterized.

3. By controlling mange and lice through the use of approved and effective methods. Oftentimes skin trouble, mistaken for mange, is caused by vitamin deficiencies and can be cleared up by feeding a fortified pig ration containing ample riboflavin, niacin and pantothenic acid. It also helps prevent such conditions.

4. By taking precautions against flu and pneumonia. Dry, well-bedded sleeping quarters ready before the first cold nights, will help prevent flu and pneumonia outbreaks.

"Dutch" points out that farmers can tell their pigs are "winterized" if they average a good 75 pounds, have tight curls in their tails, show a healthy skin condition free of mange or lice, and display thriftiness and growthiness from a well-balanced, fortified ration.

To help farmers in this community determine when their pigs are properly "winterized," Myers Elevator is offering free of charge a novel "Pigometer tape" which quickly indicates weight without the time and trouble of weighing.

This dealer has been designated as headquarters for the 2nd National Runt Hunt which is being conducted November 5-10 to focus attention of farmers in this community, as well as throughout the nation, on the problem of runt pigs and what to do about them.

IT'S A FIREBALL ENGINE

It has a Way with Women

SOMETIMES we think that too little attention is given to the fair sex in automobile advertising.

After all, it's the woman of the house who has to do most of the shopping, which involves getting into tight places at the curb. And it's surprising what tight spots a Buick can fit into at a turn of the wheel.

It's the woman who likes complete freedom from things that it takes an engineer to operate—and a complete and utter freedom from mechanical complications is exactly what makes Dynaflow Drive* such a joy.

It's the woman who has an eye for style and fine fabrics—and a nose for economy. On both counts, a Buick is tops.

But we suspect something else. We suspect that a woman gets just as great a lift as a man from commanding this great-powered and trigger-quick bundle of vitality to bow to her will.

Here's a car to win any woman's heart—by its level-gaited stride—its willing response to her hand on the wheel—its smart style and its smart performance—its spaciousness and comfort—and its thrift.

How about taking time off, some afternoon, to boss around a Buick? It's a date that's bound to thrill you.

—NO OTHER CAR PROVIDES ALL THIS—

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, November 15, 1951 — NUMBER 43

Around the Town

With the Editor

That thriller-diller of a basketball game at Woodburn last Friday night had everyone just about exhausted at the finish. Everyone, that is, except Pete "Nerves-of-Steel" Akey. When that final minute of play was in process, I was pounding on his back and hollering almost as loud as Red Tharp and Walter Morr, who were sitting right next to Pete.

St. Joe made a basket and we all started whooping it up, but Pete calmly turned around and said, "It didn't count." —It didn't. The St. Joe player had been fouled before the basket.

Everything turned out O.K. in the end, and St. Joe won one of the most thrilling games they've played.

The hunting season always brings out the hunters' tales of past experiences. "Cy" Kline was telling about the traffic jam up north when the shooters all converge at the straits to make the crossing by boat.

He told of waiting in line for over a day, a line of cars miles long, and each one keeping his car running so as to move ahead whenever the procession could. It was so bad they had to take turns at the wheel and their menu left much to be desired—apples, bread and coffee. —Or maybe that was the food list Mose Yeiser told about. He also related a story of some lightly-clad individual who came in to the establishment where several hunters had congregated—it was snowing outside and was really blowing up a blizzard. Anyhow, this guy's wife and two kids were marooned in their car and he had come for help. So Mose and a couple of other men went back through the snow storm and brought the family to safety. They evidently were hungry as well as cold so Mose ordered soup for them.

Can you imagine the reaction of Mose and the other two rescuers when the father of that family horned in on the order with, "I'll have a beer!"

Here's the list to date of our "who's who"—

T. E. Haberkorn, Sr., Fort Wayne, Mrs. Amalia Rathert, Fort Wayne, Ed Storer, St. Joe, Bill Staman, St. Joe, Ralph Sechler, St. Joe, Miss Augusta Haberkorn, Fort Wayne, Miss Emma Haberkorn, Fort Wayne, John Haverstock, Leo, J. C. Provines, Auburn, Leo Schendel, St. Joe, Jim Tatlock, St. Joe, Clayton A. Baker, St. Joe, Ray Reasoner, St. Joe, Russell Walter, St. Joe, Robert Coburn, St. Joe, Otto Ginther, St. Joe.

Merl Guilford, St. Joe; Leo American Legion Auxiliary 409; Mr. and Mrs. F. R. Bowman (a check for $5, no less), Butler; "Red" Strombeck, St. Joe; John Engle (two bucks, no less), St. Joe; Sam Miller, St. Joe; Walter Morr, St. Joe; "Chuck" McIntosh (another five smackers) St. Joe; Chuck and Lill (Mr. and Mrs. Charles Holtz), (five bucks again), Ft. Wayne.

COBURNTOWN NEWS

The Young People's Christian Endeavor packed candy and cookies for the service boys at the home of Leonard Jarrett. Singing, games and a delicious supper was enjoyed by all. After supper the young people went to Payne, O., to present the playlet, "Living for Jesus." Carlton Curie, member of this young peoples group and a freshman student at the Cincinnati Bible Seminary, gave a talk on "The Land of Palestine."

The Home Builders class was entertained at the home of Mr. and Mrs. John Cook Saturday, November 10. After a brief business meeting, Mr. and Mrs. Karl Hart led a group of active contests which caused much merriment. John Cook then conducted a contest on "Bible Fathers." Delicious refreshments were served by the hostess.

Entry Deadline For Talent Show Near

November 24, the deadline for entering the Spencer Twp. P.T.A. Talent Show, is fast approaching and persons desiring to take part in the program are urged to get their application in as soon as possible.

Registration for competition in the show of the surrounding community's talent is in charge of Mr. and Mrs. Virgil Kimes of Spencerville. Information can be obtained from them by writing or by calling Spencerville 101.

The contest is open to all ages and contestants from surrounding areas are welcome to participate.

Entrants will each receive a gift for their efforts and, in addition, prizes will be awarded to the top three contestants as judged by three officials.

The date of the show has been set as Saturday, December 8. It will be given at the Spencerville Community Hall.

30 AT PURDUE FROM DEKALB COUNTY

Thirty students from DeKalb County are among 9,273 enrolled on the Purdue University campus for the current fall semester. An additional 1,134 students in university credit courses and 3,495 in technical institute and special courses in extension centers brings the total enrollment to 13,902.

DeKalb County students on the West Lafayette campus are:

Auburn—Stephen Fribley, Thomas Anderson, Richard Seigel, David Carmer, William Monroe, Jayne Burgoyne, Max Amstutz, Robert Seige, Atlee Lawhead, Ervin Patrick, Susan Jane Sanders, Mary Joan Bulloch, Richard Smith, Kenneth Ball.

Butler—John Raney, Sidney Long, Armand Sicard.

Garrett—Joseph Carlin, George Wappes, Joseph Riedhart, Allen Bohls, Richard Best.

Waterloo—James Hoxie, James Hamilton, Kenneth Miller, Virgil Johnson.

Ashley—Harold Arney, Jr., Robert Schweitzer.

Hamilton—Calvin Richard.

St. Joe— Ronald Borthwick.

38 DEKALB COUNTY YOUNG PEOPLE ATTENDING I.U.

All of Indiana's 92 counties are represented this fall in the redominately Hoosier student body of Indiana University.

The enrollment report shows that full-time students number 11,956 and an over-all enrollment of 13,095 students taking work for credit on the Bloomington and Indianapolis campuses and in the nine off-campus centers.

Students from this area included in the 11,956 full-time total were announced as follows:

Auburn-Barbara Bauer, John Bower, Robert Burgoyne, Calvin Clarke, Jack Fox, Carolyn Gonser, Howard Grimm, Jr., Betty Haggarty, John Hines, Roberta Little, William McComb, Jr., Jack Mochamer, Raymond- Rothhaar, Eric Schaab, James Schooley.

Butler—Glen Bonecutter, David McClure, Victor Maxey, Nancy Underhill, Emily Ann Weirich.

Garrett—Howard Bonnett, Joan Carlin, Earl Creager, Roger Gordon, Donald Gentry, Richard Hollis, Joan McCandless, George Mayfield, Harold Ross, John Sarpa, Grayson Tuck.

Hamilton—Allen Dirrim.

St. Joe—Virginia Ulm.

Spencerville—Lavon Furnish, James Bowser, Jerry Bowser.

Waterloo—David Rhoadarmer, Robert Stanley.

Tigers Win From Woodburn

St. Joe pulled a wild contest out of the hat and brought home a 51-49 victory over the Woodburn Warriors Friday evening at Woodburn.

St. Joe led in the first period before Woodburn crept up to take a 22-21 half-time lead.

The Warriors continued to pull away, and at one time in the 3rd stanza, held a 10-point margin.

The Tigers fought back and steadily pulled within striking distance with little over a minute to go.

Don Walter dumped in a free throw and St. Joe took an out-of-bounds play for the second. Bob Richmond then dumped one in from the field, and was fouled on the play. St. Joe again took an out-of-bounds play and kept possession until the final horn.

The Tigers were again paced by their high-scoring ace, Bob Richmond, who garnered 20 for the evening. The balance was evenly divided between Don Walter, Jerry Keener, Kenny Walter, Bud Tharp and Bob DeLong.

Eby was high for Woodburn with 14 points.

St. Joe				Woodburn			
D.Wal'r	3	2	8	Eby	7	0	14
Keener	3	1	7	Adams	2	2	6

TURKEY SHOOT SATURDAY NOVEMBER 17 AT ST. JOE

The St. Joe Valley Conservation Club will hold a turkey shoot this Saturday, November 17, at the club grounds just west of St. Joe.

Shooting starts at 10 a.m.

Twenty-five or more turkeys and lots of chickens will be awarded to the winners. Squads will be organized for beginners, if requested. So everyone will have a chance to bring home the "bacon."

Well-!

$3,500

and a lighted ball diamond

$3,362.50

P.T.A. Carnival Saturday Night

The weather may not seem suitable—but there will be a carnival in St. Joe this coming Saturday evening, November 17.

The Concord Twp. P.T.A. will present a Thanksgiving Carnival in both buildings of the school in St. Joe, proceeds to be used for the benefit of the school band.

Members of the P.T.A. have used every bit of effort and ingenuity to bring a variety of entertainment that will keep young and old occupied for the whole evening. There will be side shows, games, refreshments, all topped off with a style show and cake walk. Nickel tickets will be on sale at the door. These tickets are to be used at each concession, as there is no general admission charge. The P.T.A. has extended an invitation to "come and see what you can get for a nickel."

Special treat in the refreshment line will be homemade ice cream, in addition to sandwiches, coffee, pie and cake.

Remember the date, this Saturday, November 17.

Report from Lyons

by Margie Appleman

It's Sunday-and today at noon we got to Plymouth, England-Several people got off there-It sure was a beautiful harbor-green hills all around-quite a large city I guess. A small boat came out to pick up those getting off-Strangely enough for England, the sun was shining!- So the sight of land at last really was a beautiful sight!- The trip this afternoon across the channel has been nice and quiet compared to the other 8 days and we get to France in just about an hour!- (It's almost midnight here). We spent the morning and part of the P. M. packing- (Had just about everything out of our suitcases)- Tonight there was another movie- we're going up on deck in a little bit to see how close we are.

We went for quite a while into the the mouth of the river (Seine) and there were lights and other ships all along the way-It looked so good!- We watched them go up to the dock and fasten the lines, etc.- Finally went to bed-Then had to get up at 6 -Ate at 7- and started the process of disembarking-going through immigration, declaration of baggage, etc.- I finally got on the train with all our suitcases-Surprisingly-the train left right on time-at 9:15- and we got into Paris about 12:05 noon. The sun had come out on the way and the countryside looked beautiful-Most of the farms are very small-and they still use hand plows on some of them. They were even using the railroad right of way for gardens.- At the station there were Fulbright representatives to meet all of us- They had buses and trucks to take everyone and their bags to their hotels- It was very confusing at first- but they finally got it all straightened out-The hotel we were going to was one of the last so we got to ride all over- 3 other couples went to the same one we did- Finally got settled and then went to eat with one of the other couples. After that it was getting kind of late-around 6, so we decided we'd try to drop in and surprise Mme. Fisher (our teacher from Northwestern University who's here visiting relatives) before the dinner hour (which isn't until sometime between 7:30 and 9:00). It turned out perfect that we went that night because she was alone and not planning to go anywhere-and her brother (whose apt. she was in) and his wife were coming back from a trip to Brittany the next day- She was very surprised when she opened the door and saw us- It turned out that we stayed and visited with her until almost midnight-The apt. was just beautiful-Her brother is an artist-so there were lots of paintings, statues-odd furniture, etc. around- Quite a contrast to our very shabby hotel room. . . .

Everyone seems to think that we're lucky to be going to Lyon-Since it's quite large, there'll be as much to see as far as plays and concerts and that stuff-and the Univ. is considered very good-So now we're really covering Paris-to get everything in, in a month-and I don't think we'll miss much -we've seen so much in a week already- For a couple other reasons, too, we think Lyon will be better - we'll be able to find a better place to live there- and it won't be quite so expensive. The apt. situation here is awful!- Even French people wait years to get one- and then they usually aren't very nice-and very expensive- So anyway, we spent the first couple days getting settled-going to various offices.- Phil started school- Goes in the A.M. for French conversation and I usually go along.- As I said, our hotel room wasn't too nice, but it cost enough, 500 francs which equals $1.50. You never, of course, have a connecting bath- and always share the W.C. with the rest

(Continued on page 4)

Fair Officers Elected; '51 Loss High

DeKalb County Free Fall Fair Association officers were elected Friday at the annual membership meeting of the organization in Auburn.

Those elected include H. Earl Husselman, president, replacing L.E. Freeman; Franklin Bartels 1st vice president, replacing Mr. Husselman; L. K. Mason, 2nd vice president, replacing Howard Renner; Ralph Wible, secretary of concessions, replacing W. E. Walter; Harry Provines, recording secretary, replacing Ford Walter; and Robert Quance, treasurer, replacing Ora Shambaugh.

Hugh Sanders, fair attorney, and county agent Ernest Lesiuk complete the officers and executive committee.

Nine directors were elected to 3-year terms. They include: for Corunna, Itha Stonebraker; for Auburn, Ford F. Walter; for Garrett, Dale McNabb; for Spencerville, Fred Stemen; for Waterloo, Fern Morr; for Fairfield Twp., Vern Myers; for Stafford Twp., Wayland Mtuzfeld; for Troy Twp. Ralph Snyder; and for director-at-large, J. R. Linton of southeast of Auburn.

A complete financial report was presented which disclosed that the total operating loss of the 1951 fair was $3,490.89.

Plans o permit members of the organization to select the 1952 fair date were dropped because of insufficient time for discussion in the face of other business matters. It was voted to leave selection of the date for next year's fair to the board of directors at the next regular meeting Friday, November 30, in the assembly room of the courthouse in Auburn.

Practically the entire loss incurred during the 1951 fair resulted from the loss of concession space. This was attributed mainly to competition with the Indiana State Fair and the Ohio State Fair which were held on dates conflicting with the fair in DeKalb County.

The difference in receipts from concession space sales in 1950 compared with 1951 was $3,453.84.

The financial report disclosed that total receipts of the 1951 fair were $9,654.65.

Total operating expense was $13,145.54.

Interest of savings of the association amounted to $33.98 and increase in value of bonds, $52, which lowers the net loss to the association in 1951 to $3,404.91.

The big 1951 loss drops the net worth of the association to $3,762.23.

The new fair board now is faced with the problem of putting the fair on a paying basis or at least breaking even financially.

Raiders Drop 2nd To Ashley

Eddie Hook and Jack Haas combined for 32 points Friday against Ashley, but their efforts weren't enough to bring the win home for the Spencerville Red Raiders.

The final score was 59-47.

The Aces held a slim 24-22 halftime lead. But in the third quarter, Spencerville tied the score three times before dropping behind 45-40. The Aces started the final quarter with 8 straight points. The Raiders bounced back but were unable to match the .400 shooting percentage of the Aces.

The prelim aslo went to Ashley, 34-20.

Hooey!

Letters to the Editor

To the editor:

It's time someone really interested in the welfare of our town of St. Joe made some public observations. If they are not pleasing to all the residents of St. Joe, let the blow fall where it may. Last week we had a town election with good candidates on both parties. But—out of over 200 eligible voters only 107 had the interest & decency to exercise their right and prerogative of free and unrestricted voting in the greatest country on earth. Perhaps 25 or 30 by reason of illness, old age and the inclement weather had a good excuse to be absent, but when some of the absentees are prominent in our town organizations, clubs, churches and even township officials and teachers in our school, and many of these have the good fortune to have their position by reason of these 107 true citizens, it's time for some straight remarks. Two of these 107, who are now ex-residents but who still hold their voting place here (which is their lawful right) drove ten miles through the bad weather because they were interested, but some hardly a block away couldn't walk to vote, but they could walk ten blocks to attend something not even worth a "local" in the paper. We have a good town board mostly experienced in town affairs, but they need help sometimes and I hope the citizens of St. Joe will get behind them and make this a better town in which to live. One other thing which is very important—don't stand out on the street and crab about what your town board is or is not doing, if you have any complaints or suggestions, take them direct to the whole board; they meet the first Monday evening of every month. The meeting is open to all and your officials will be glad to listen to what you have to say because then they will know they are serving people really interested in the town's welfare and it makes them more interested. I'll wager that not more than ten citizens have appeared before the town board in the last twenty years. And these approximate 100 absentees at last week's election are going to be the worst "crabbers" of our town board the next four years. Thanks, and more later on our town.

One Interested Citizen In the Welfare of St. Joe

How about some courage in those convictions??? Anonymous expressions of opinion are worthless, regardless of how much truth they contain. —Ed.

Grabill, Indiana
Nov. 8, '51

Mr. T. E. Haberkorn,
Editor, St. Joe News
Dear Mr. Haberkorn,

Please find enclosed check for $3.00, $2.00 for my 1952 subscription to the "News" and $1.00 to the Lighted Softball Diamond, from the Leo American Legion Auxiliary No. 409.

It takes time to write to you and express our appreciation for the fine cooperation your staff has extended to our organization, and to our Community in the publishing of items that have helped us to accomplish so many worthwhile projects, one being the Lighted Softball Park at Leo, for which much of the publicity I was responsible. If the Field at St. Joe proves to be as successful and as much a source of pleasure to so many as Lion's Field then you can realize our appreciation of your fine coverage of the items even though we have been negligent to express our thank you!

If the item "Heated Election Battle" is an original, I'd give my vote for entering it in the Journalist contest of the year. As "laugh of the year" it makes more sense than any of the so-called "election advertising."

We like the "Report From Your Congress," the "Bible Speaks," "Around the Town," especially. The recipes are helpful, and the Crossword Puzzle almost always works!

Sincerely,
Mrs. Harold Kryder

Well! —Ed.

Dear Ted,

The Lincoln's Gettysburg Address contains 266 words. The Ten Commandments contain 297 words. The Declaration of Independence 300 words and the OPS order to reduce the price of corn cobs has 26,911 words.

Which one will be forgotten a century from now.

Carl Carpenter

We've got a pretty good guess—but let's wait until 2051 and see. —Ed.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 18-23.
DEVOTIONAL READING: Deuteronomy 6:16-25.

All Men Need Laws

Lesson for November 18, 1951

WHY do we need so many laws? Why can't we trust people to follow their conscience? There are two reasons why we can't do that: Some people won't follow their consciences, and some other people have crooked, inaccurate and dull consciences, — if they did follow them they would be wrong most of the time. Why can't we have just the Law of Love? Love is important, to be sure, but "love" by itself doesn't tell us what to do in any concrete case. And besides, too many people have no love to speak of.

Dr Foreman"

• • •

Are Bible Laws Out of Date?

WELL then, can't we get along with the Ten Commandments? They cover everything, don't they?

They do, to be sure; but only in a very general way. What we need is something that gets down to cases. Surely, you might think, the ancient Israelites could have gone along pretty well without laws. But God wanted them to have laws. They could not be a nation without them.

In Exodus 21-23 we have a simple code which is the earliest known group of laws applying the Ten Commandments to actual conditions and situations of living. Christians are not altogether agreed about whether the laws in Ex. 21-23 (and elsewhere in the Old Testament) apply to us today.

The majority of Christians look at it like this: The Ten Commandments, as great sign posts and standards, are everlastingly in force; the other laws (as those in Ex. 21-23) were meant for that particular nation. When that nation disappeared, the laws went with it, just as (for example) the laws of Rome perished with the Roman Empire.

• • •

Getting Down to Cases

HOWEVER, while these laws were not directly intended for us, and are not all usable by us, they are well worth our study, because they are examples of how the great basic principles of the Ten Commandments were once applied in practical living, and they give us valuable hints on the way to apply the Ten Commandments in our own times.

One illustration of this point can be seen in Ex. 21:28-36, the Law of the Goring Ox. The Commandment reads simply: Thou shalt not kill. But what if the killing was done not by a man but by his ox?

The law goes into the question of responsibility in an interesting way. Not many readers of these lines own oxen,—more likely tractors or station wagons! But the principle of responsibility for damage, the principle of criminal negligence, is as good today as it was in 1200 B.C.

• • •

"Right" Isn't a Sum

SOME of these laws, indeed, could be taken literally today. For instance, take Exodus 23:2, first part of the verse. This says pretty clearly something that millions of people to this day don't understand. It means this: The number of people who say a thing is right, or is wrong, has nothing whatever to do with the question, IS it right or wrong?

Most young people, at least, have the notion that if "everybody does it" it must be right. Not at all. The Judge of all the earth is God, not a majority vote. A thing can be made legal by a majority vote in a legislature, parliament or the like. But not all the congressmen from Maine to California can make a thing right just by saying so.

Yet how many people in our time settle the liquor question (for example) by looking, so to speak, at the score board! A majority of our lawmakers voted to make the sale of liquor legal; so "it must be right." "Everybody I know" says it's all right, so "it must be right."

Every once in a while it dawns on some smart person that the right and wrong of the liquor question can't be settled, for a Christian, by a simple counting of votes for and against.

The number of cocktail parties in New York, Washington or Denver doesn't settle the question. It has to be studied from a Christian point of view, and the big question is not: How many people do it? But, Is it right for those who are their "brothers' keepers"? Is it right for those whose bodies are to be temples for the Holy Spirit?

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

CULTURE CLUB

Mrs. Willard Hurni and her cohostess, Mrs. Fred Ulm, entertained the Culture Club October 31.

Devotions were given by Mrs. Olen Waltz who read a portion of the "Sermon on the Mount." The resignation of Mrs. Clyde Duker and Mrs. Arthur Culbertson, who are leaving town, was accepted from active to honorary membership.

The club presented each with a beautiful vase of pottery.

The entertainment committee, Mrs. Roy Bowser and Mrs. Olen Waltz, then presented several contests and games.

Each member came dressed representing a character of a chosen book and responded at roll call from a saying in the book.

Mrs. Frank Monroe was voted the prettiest dressed as Hiawatha, Mrs. Edna Jenkins the funniest dressed as "Freckles," and Mrs. Arthur Culbertson the most clever dressed as Ling in the Good Earth. Those winning prizes were Mrs. Sam Armstrong, Mrs. Leslie Meek, Mrs. Clyde Duker, Mrs. Albert Wade and Mrs. Arthur Culbertson.

Pumpkin pie topped with whipped cream, open faced cheese sandwiches, coffee and Halloween cady were served.

All the club wished Mrs. Duker and Mrs. Culbertson happiness in their new homes, but will feel their loss very much.

NEW BROADCAST OF ALLEN COUNTY CANCER SOCIETY

"Ask A Doctor About Cancer" is the title of the radio program sponsored by the Allen County Cancer Society, Inc., broadcast the first Thursday of each month at 2 p.m. over radio station WANE, Fort Wayne.

Dr. Louis A. Schneider, pathologist at St. Joseph's Hospital, Mrs. Curtis Stein, Cancer Society board member and Mrs. Edward Disser, volunteer worker, present this program once each month. The broadcast is a part of the Society's educational program. Education is one of the greatest weapons available to combat this dreaded disease. Cancer can be cured if caught in the early stages, it has been proven. These broadcasts are designed to help the public learn all about cancer: how it can be avoided and what to do if one of the seven danger signals develops.

The next program will be presented Thursday, December 6, at 2 p.m. over station WANE.

Area members who attended the regular November 1st meeting are the Mesdames R. N. Schlabach, Fred Michaels and Roscoe Justus, all of Pleasant Twp., Monroe Green of Washington Twp., and Harold Kryder of Cedar Creek, Leo Legion Aux.

PUBLIC AUCTION

308 WEST OAK STREET, BUTLER, INDIANA
MODERN SIX ROOM HOME

Sat., Nov. 24, - 1:30 p.m.

LOCATION—308 West Oak Street, Butler, Indiana.
DESCRIPTION—COMPLETELY MODERN HOME with six rooms and bath. Large living room, dining room, kitchen, three bedrooms and complete bath all on one floor. Plenty of closet and storage space, kitchen features, glass enclosed porch, full basement, good HOLLAND furnace, water heater, A WELL-CONSTRUCTED, NICELY ARANGED HOME IN EXCELLENT REPAIR. Dry your hair 10 times Electrically...

for the price of a cake of soap!

An electric hair dryer is a beauty-treatment bargain that's hard to beat: It dries hair to radiant softness for a penny or less at each shampoo! Electricity does everything, in fact, at bargain rates. The average family gets *twice as much* electricity for its money today as it got twenty years ago. The reasons? Technical advances and sound business management of your electric company.

SPORTSCOPE By Joe MAHONEY

Pattern of the Week

THE HALF-SIZE SUIT FOR THE IN-BE-TWEEN FIGURE. Advance pattern # 5860. For hard-to-fit figures, try the half-sizes that are not only precision made, but give careful attention to flattering and youthful fashion detail. Here, is a crisply-tailored two-piece suit with snug-fitting jacket and slim skirt, make it in one of the attractive novelty suitings, or for more formal occasions, in a faille or shantung. Sizes 12½ to 22½ ..... 35c.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

REPORT from LYONS

Contined from page 1)

of the floor- Usually always have a wash basin in the room,though- and we had hot water- But our room was small and there wasn't any plug so Phil had to shave in the hall (his electric shaver works o.k. here- I had that French extension cord from the last time so we can use all the electric stuff we brought - iron, radio,)- So one afternoon we went out looking for a better room.-O Boy! prices are terrible here- 3 yrs. ago you could get a nice room for 300 fr.- Now they're usually 600-800 or more- We finally found another one for 500 which was really much nicer- Big and airy- French windows opening on the street- A bigger bed- a lot brighter- better furnished, etc. -So we took it- It turned out to be only around the corner from where we were-So we just carried our suitcases over. (Had not got our trunks yet). Of course, we're on the 5th floor- and there isn't any elevator- But we were lucky to find it- Paris is really crowded now because there's a big Automobile Exhibition going on and people are coming from all over, so all the hotels are filled. Also lots of students coming about now.- To get back to rising prices- it's lots worse here even than it is there- much to our surprise! Real tiny radios are around $40- shoes are $15-$20- and not as well made- Other clothes are very high- Food is high too- Eggs are about 8c a piece- Butter about $1, a pound-etc. etc. We've bought a "stove" that burns metta tablets- We brought a couple jars or instant coffee along- and then we buy stuff (eggs, jelly, bread, butter, cheese, boullion cubes, etc.) and fix breakfast and lunch in our room- then eat a good dinner at night in a restaurant. It's really more fun that way, anyhow. Otherwise we'd get tired of eating out, I suppose. But I don't see how French people are living 'cause their wages are generally lots lower than in the U. S.- Usually they get less than $100 a month - and for whole families, too.- And stuff is still going up- the telephone, the buses and subway, etc.- It really was a surprise because things used to be so cheap here.

Spencerville News

Mr. and Mrs. Roscoe Walter spent two days two weeks ago attending an Educational Clinic on Enbalming Technique and Restorative Treatments held in Grand Rapids, Mich. Mr. Joe Baidinger attended the same clinic on two later dates held in Detroit.

James S. Webb has been called into active duty with the Marines and is located in San Diego, Cal.

Recent dinner guests in the home of Mr. and Mrs. D.D. Webb, Sr. were Mr. and Mrs. D.D. Webb Jr. and daughters, Gaylon and Christine, of St. Joe, Mr. Lewis Webb, Mr. Walter Mertz, Miss Peggy Davidson of Ft. Wayne, Mrs. Virginia Speaks and sons, Pascal and Larry, Mrs. Maxine Mertz and James Webb.

Miss Renna Ann Calbeck, who is a student nurse at Muncie, visited over the week-end with her brother, Richard, and wife.

Mr. and Mrs. George Beams attended the wedding reception of Miss Viginia Ferrell at Sturgis, Mich., on Saturday. Virginia is a niece of Mrs. Beams.

Marion Rediger and family were recent callers in the George Beams home.

Mrs. Florence Silberg returned home Saturday after spending a week in Fort Wayne caring for her cousin.

Mrs. James Neher of Fort Wayne spent the week-end with her father and sister, Mr. Raymond Rhoades and Mrs. Lavern Koch.

Mr. and Mrs. Walter Kimes of Leo were Sunday afternoon callers of his parents, Mr. and Mrs. Harvey Kimes.

Miss Marjolyn Reid spent the week-end at Indianapolis where her mother, Mrs. Walter Reid is a patient at the Methodist Hospital. Mrs. Reid is getting along fine.

Carl Hoover is still a patient at the St. Joseph Hospital in Ft. Wayne.

Mr. Fred Stemen spent the week-end with his mother, Mrs. Mary Stemen.

The Loyal Workers S.S. Class of the Lutheran Church was entertained in October by Mrs. Venus Foltz and her mother, Mrs. Ella Horn. The home was beautifully deocrated in observance of Hallowe'en and guests were apprised of the season before entering by jack - o - lanterns and other festive preparations. The president, Mrs. Frank Rhoads, was in general charge of the meeting. For devotional Miss Pearl Goldsmith read the scripture lesson, Mrs. Addie Miller gave two scriptural readings and Mrs. George Beams read an encouraging and inspiring article, "The Power of Prayer." Hymns were interspersed and the conclusion, a prayer. Birthday congratulations were sung to several members of the class, including the co hostess, Ella Horn, who had recently reached what God bestows on some of his most faithful followers—eighty-seven. All present signed a card of sympathy to Mrs. Eva Elson, a former member who is bereaved by the loss of her only child, Alda Stevenson. Thirty members and guests were present. Guests were Mrs. Harold Studebaker, Mrs. Martin Walter, Miss Mildred Bartell, also Jerry Bartell and out-of-town guests, Mrs. Cecil Holopeter and Mrs. Earl McNabb. Following the social hour, all enjoyed a bountious carry-in lunch and departed thanking the hostess for a wonderful evening.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

BOILS

"DADDY, does a boil on the neck mean a man is hot under the collar?" Sonny has something there. A boil is caused by the Staphylococcus germ, which is responsible for most pus-forming skin infections. Such infections are painful and may be accompanied by fever.

Although boils may occur in any location, they are more common on the face, neck, forearm, back, breast, groin and legs. Such infections begin with a small, raised spot at the base of the hair gland. At first there is a slight itching sensation, and within a few hours swelling and redness occur and pain begins.

In three to five days, the boil becomes raised, the area around it is tender, and movement becomes painful. When the swelling has reached its height, a yellow spot appears, showing pus underneath the skin, and shortly this will drain of its own accord.

Pain stops almost at the moment the pus drains out and eventually all signs of the boil disappear. That is, unless the pus from a boil infects other nearby hair glands, which will result in a series of boils.

Boils on the neck are particularly painful and prompt the victim to hold his head rigid. In older persons a boil may cause severe illness.

Penicillin has improved the treatment of boils and carbuncles. Physicians warn against squeezing a boil, as this often spreads infection. While a boil may seem harmless but painful, it may save you much suffering to see your physician.

WINTERIZE
YOUR FALL PIGS!
CREEP-FEED AMAZING WAYNE TAIL CURLER FROM 2 WKS. to 75 LBS.
Yes, you can "winterize" your fall pigs by pushing them up to 75 lbs. before cold weather sets in. Creep-feed Wayne Tail Curler, the power-packed pig starter already famous for *making hogs out of runts.*
Tail Curler is high fortified with protective vitamins, minerals and quality proteins that spring pigs get from lush, new pasture after weaning.
If your fall pigs haven't had Tail Curler, start now, *even if your pigs are weaned,* and self-feed it till your pigs hit 75 lbs. Tail Curler offers these "winterizing" benefits:
1. *B-12 & Antibiotics* at highly fortified levels; 2. *Protective Vitamins* ... A, D & B-complex group; 3. *Quality Proteins* from animal & vegetable sources; 4. *Mineral Fortification* ... including trace minerals.
IT COSTS SO LITTLE! DOES SO MUCH! WE HAVE IT!

"When I fill the tape, I'm WINTERIZED!"
Stop in for your Wayne Winterizing Pigometer... just fits heart girth of a Wayne-fed 75 lb. pig. FREE

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, November 22, 1951 — NUMBER 44

Around the Town

With the Editor

What a mob!

The school house was a mass of humanity Saturday night from seven o'clock until midnight. The response was certainly gratifying and the P. T. A. was given a big boost in their efforts to furnisn band instruments for the school band.

One of the big attractions—and I do mean big—and most popular was the "fortune teller" who was confronted with a waiting line of customers. Mr. Stackhouse was a busy "swami" for a few hours.

One thing was obvious if you were in the vicinity of the school that night—we could use a good parking lot.

The St. Joe Lions Club last week voted to contact the Allen County Highway Department to ask for cooperation in keeping the detour of road 1 between Leo and Spencerville in better repair. Performing as a service club should, looking out for the welfare of its community and the individuals of the community, the Lions pointed out that many people living in his area use state road 1 daily and the detour as indicated by the highway department leaves much to be desired.

If I recall correctly the washout which caused the detour occurred over 6 months ago and the delay, I heard, was in getting steel so that contruction could be started. A state highway needs repair, comparatively small at that, and the highway department can't get materials??? —Sounds fishy to me and kinda burns me up every time I drive to Ft. Wayne—just as I "burn up" when I pass a state highway department truck with its employee occupants on their way to and from "work," tearing along at not over 20 m.p.h.

Oops—I'm getting slightly off the subject. But anyhow, the Lions Club is doing its bit of "pushing" to protect the interests of this community.

Here's the list to date of our "who's who"—

T. E. Haberkorn, Sr., Fort Wayne, Mrs. Amalia Rathert, Fort Wayne, Ed Storer, St. Joe, Bill Staman, St. Joe, Ralph Sechler, St. Joe, Miss Augusta Haberkorn, Fort Wayne, Miss Emma Haberkorn, Fort Wayne, John Haverstock, Leo, J. C. Provines, Auburn, Leo Schendel, St. Joe, Jim Tatlock, St. Joe, Clayton A. Baker, St. Joe, Ray Reasoner, St. Joe, Russell Walter, St. Joe, Robert Coburn, St. Joe, Otto Ginther, St. Joe.

Merl Guilford, St. Joe; Leo American Legion Auxiliary 409; Mr. and Mrs. F. R. Bowman (a check for $5, no less), Butler; "Red" Strombeck, St. Joe; John Engle (two bucks, no less), St. Joe; Sam Miller, St. Joe; Walter Morr, St. Joe; "Chuck" McIntosh (another five smackers) St. Joe; Chuck and Lill (Mr. and Mrs. Charles Holtz), (five bucks again), Ft. Wayne.

Mrs. Arthur Culbertson, Auburn; Virgil Laux, St. Joe; Gene and Roma Baker, St. Joe; C. A. Smith (Oberlin Insurance Agency), Butler, a check for $25.

The list is growing—is your name showing?

—See you at the square dance Saturday night.

Here's News!

The question—"Tape measure, tape measure, who's got the 200-foot tape measure!" is on the record again!

Sheriff Frank Carpenter served a summons Friday afternoon on Charles (Chuck) McIntosh in which McIntosh was ordered to appear in the Steuben County Circuit Court at 10 a.m. Saturday to answer civil contempt of court charges. The summons was issued by Judge Donald H. Hunter.

Due to previous legal commitments and the short notice of the summons, Raymon Perry, cousel for McIntosh, was unable to appear at the hearing Saturday. Judge Hunter continued the hearing until Wednesday afternoon in Angola.

It is charged that McIntosh has been continuing the sale of carry-

---

out beer and wine at his place of business in St. Joe after the court injunction, issued in January, ordered such sales to be stopped. He has been operating under a permit issued by the Alcoholic Beverage Commission after the injunction was in effect.

Over 500 Attend P.T.A. Carnival

A crowd of between 500 and 600 carnival-goers rewarded the Concord Twp. P. T. A. Project and Finance Committee with their support Saturday evening at the Thanksgiving Carnival.

The carnival, which was held in both school buildings, featured side shows, contests, refrehments and a style show. Those in charge of the various concessions were Marcia Sible, who obtained the services of "swami" Hubert Stackhouse as fortune teller; Mr. A. H. Lawson, style show and offered two vocal solos; Frieda Guilford, "Petite Hat Shop"; Mr. and Mrs. Leonard Jarrett, balloons and popcorn balls; Merl Guilford and "Mutt" Coburn, bean bag contest; Mrs. William Beebe, fish pond; Edna Morr, refreshments; William Beebe and Karl Hart, boxing matches; Clayton "Fuzzy" Baker, milk can contest; Jim Tatlock, movies; Carl Zimmerman, Spencerville band concert; Mrs. Lenard Fisher, lolly-pop toss; "Red" Tharp and Clayton A. Baker, cake walk; Marvella Dilley, "Curio Shop"; Joe Robinson, carnival barker; Bill Sible, advertising; and the Junior Class, pop concession.

Mrs. Robert Coburn, general chairman of the event, reported Monday that the P. T. A. raised over $250 throguh the carnival. The money will be used to finance the purchase of band instruments for the newly-organized school band. Thus far a new euphonium and a used bass saxaphone have been purchased and more instruemnts will be obtained as they are made available.

'Grandma' Wineland Passes Away

Mrs. Effie Wineland passed away as she slept Wednesday morning at 6 a.m. She had been in failing health for some time.

Mrs. Wineland, who had reached the age of eighty years, had been bedfast for two weeks and suffered a stroke which is believed to have caused her death.

The body was taken to the Walter Funeral Home in Spencerville to await funeral services on Friday afternoon at 2 p.m.

Season Tickets On Sale Next Week

C. E. McCreery, principal of the Concord Twp. schools, announced Monday that season tickets for high school home basketball games will be sold this year and will go on sale next week. The tickets will be available for students and adults.

The games included in the home season will have St. Joe facing Spencerville on Wednesday, Dec. 5, Ashley on Friday, Dec. 7, Ney, O., on Tuesday, Dec. 11, Hamilton on Friday, Dec. 14, Scott Center on Wednesday, Dec. 19, Harlan on Friday, Jan. 4, Woodburn on Friday, Feb. 1, Scott Center on Wednesday, Feb. 13, and Metz on Friday, Feb. 15.

Admission prices to home games will be fifty cents for adults and twenty-five cents for students. With nine games on the home schedule, the season tickets will afford a savings of fifty cents on the adult ticket, to sell for $4.00, and twenty-five cents on the student ticket, which will sell for $2.00.

The season tickets will be available from McCreery at the school.

Season ticket sales are being held this year to afford an equitable distribution of tournament tickets. The priority for distribution of all tournament tickets will be as follows:

1. Members of the teams and coaches.
2. Student season ticket holders.
3. Offical game personnel.
4. Adult season ticket holders.
5. First come, first served on remainder.

Ticket sales will begin at noon Wednesday, November 28, for students and at 10 a.m. Thursday, November 29, for adults. Sales will continue to game time on Wednesday, December 5. Students are instructed to use only their own tournament tickets. If they do not intend to use them, they are to return them to Principal McCreery for distribution according to the above priorities.

Raiders Drop Pair

Waterloo's Wildcats took the Spencerville Red Raiders for a 56-38 ride Wednesday of last week at Waterloo.

Eddie Hook, the Raiders' high-scoring ace, was held to but 9 counters through the entire game by Ronnie Feller, while Dorsey Fields and Stanley Williams were racking up 16 and 15 points respectively for the home team.

Waterloo jumped to an early lead and were never headed. The quarter scores were 14-9, 31-21, 45-28 and the final 56-38.

Fields' sixteen points all came in the first three quarters as he sat out the final quarter.

The Raiders missed sixteen of thirty free throw attempts while Waterloo missed nine.

Prelim—Waterloo 41, Spencerville 30.

Spencerville's Red Raiders were soundly trounced at Butler by the Leo Lions Tuesday evening, 68 to 34.

Hollifield led the Lion attack with a total of 26 points on 11 field goals and 4 charity tosses.

Hook was high scorer for the Raiders with 13.

The prelim went to Leo also, 37-17.

Tigers Win, Lose

St. Joe High School added another victory to its string Friday night with a 66-52 win over the Churubusco squad.

In winning their third game as against one loss in season's play thus far, the Tigers continued their high scoring, led by Bob Richmond who netted 22 points on nine fielders and four free throws. Kenny Walters was right behind with 16 and Don Walters had 13.

Totals	15	1	31	Totals	8	4	20

St. Joe dropped a 41-39 thriller to Hicksville Tuesday evening at Hicksville.

Though behind by 11 points at the early part of the final period, the Tigers didn't let up and pulled up to 41-38 when Bob Richmond was fouled. He made the first of the charity tosses and St. Joe took the ball out of bounds instead of the second free throw. Hicksville got possession of the ball before fouling again at the horn. St. Joe made an out-of-bounds play but Richmond's long push shot bounced off the rim and that was the ball game.

Richmond maintained his 18-point average but that was the extent of St. Joe's high scoring. Don Walters had 7 for runner-up.

Neihardt had 18 for Hicksvile, followed by Kreg with 11.

Hicksville sank only 7 of 19 free throws while the Tigers made 13 of 24 attempts.

Hicksville				St. Joe

CARD OF THANKS

We wish to thank the students, parents, teachers, Legion Auxiliary, the Spencerville Band and all who helped to make the Carnival at the school last Saturday evening a successful venture.

Project & Finance
Committee of the Concord Twp. P. T. A.

'Swing Your Partner' Saturday Night

Ready for fun???

Saturday, November 24, is the date and the St. Joe gym is the place for the Thanksgiving Square Dance to be held that evening. This will be the second square dance sponsored by the St. Joe Valley Recreation Club, Inc.

Music and calling for the dances will be furnished by the "Ramblers," a square dance unit from Fort Wayne. Herb Amstutz has obtained the services of the unit.

A refreshment stand will be under the direction of Lloyd Dunten, who has announced the menu as "Sloppy Joe" hamburgers, coffee, doughnuts and pop.

Several cake walks are planned for the evening and cakes for this feature will be obtained by Paul Kitchen.

Admission will be fifty cents and children under 12 will be admitted free if accompanied by parents or adults.

Those who attended the recent square dance given by the recreation club indicated that they wanted another, and the club was quick to respond.

SUNDAY SCHOOL RECORD

THE AMERICAN WAY

At Last The Truth

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

DEBT BURDENS COMPARED—With the Federal debt load amounting to almost $1,800 for every man, woman and child in the Fourth District and the United States, a comparison with the debt of individuals elsewhere in the world shows a staggering contrast.

The Federal debt load here is the biggest individual debt load in the world today.

Since 1940, the taxpayers of the United States have sent abroad about $82 billions in foreign aid. In no single nation which received a share of American funds, in one form or another, does the individual government debt come up to that of the United States. And, as you know, the Congress appropriated another $13 billions which can be sent abroad for foreign military and economic aid.

Here are official figures showing per capita the national debt of several of the principal nations which are now receiving or have received large sums of American aid since 1946.

Austria $253, France $505, Greece $26, Italy $129, Great Britain $1,1416, Czechoslovakia $131 and Yugoslavia $41.

BUSINESS AS USUAL WITH THE REDS—Despite the statements emanating from the White House and the State Department professing displeasure with Russia and her satellites, and in the face of the mistreatment of American citizens by the Iron Curtain countries, the United States is still doing business with Russia and her allies.

Czechoslovakia, which recently condemned an innocent American reporter, William N. Oatis, former Marion, Indiana, newspaperman, to 10 years in jail on trumped-up espionage charges, enjoys healthy commercial relations with the U.S. During the first quarter of 1951, Czechoslovakia exported nearly $8 millions worth of goods to this country. At this rate, nearly $30 millions worth of Czechoslovakian products will come into the United States this year, an increase of 11 percent over 1950, unless the State Department follows the will of Congress and halts such transactions. At the same time the government permitted the sale of machinery, vehicles, chemicals, tobacco, cotton goods and animal products to the Czechs.

Government reports show that the U. S. trade with Russia includes the purchase of furs, tobacco, cotton linters, wool, horsehair, wood pulp, chrome, glycerin and other products.

This business of trading with the Reds, as Congress pointed out, should stop.

American buying from the entire Soviet bloc, including Russia and China, totalled more than a quarter billion dollars last year, an increase of more than $150 millions over 1949. U. S. exports to the Soviet bloc exceeded $72 millions in value.

ROBERT WITT NAMED 4-H DISTRICT DIRECTOR

Ribert Witt of Spencerville, new adult leader for 4-H Tractor Maintenance Project of DeKalb County, attended Tractor Maintenance School held at Purdue University November 12 to 15.

Mr. Witt was elected district director and state president of 4-H Tractor Maintenance.

Letters to the Editor

Editor & Publisher
St. Joe News

Dear Sir:
Find enclosed a check for $25.00 from which you can take payment for my subscription to your wonderful little paper, and the balance add to the fund for lighted ball diamond in St. Joe.
I certainly feel that the people of St. Joe have been very kind to me, and I wish in some way to show my appreciation for this kindness.
Ted: I want you to know that I get the biggest bang out of (Around the Town with the editor) of any article that I have ever read. Keep up the good work.

Yours Very Truly,
C. A. Smith
Oberlin Ins. Agency
Butler, Indiana

We'll just toss the whole check into the "pot" for the ball diamond and see if that ol' thermometer can't get broken before the end of '51.
Thanks a million.—Ed.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 24; 29-31; 35; 40.
DEVOTIONAL READING: Psalm 100.

Why We Worship

Lesson for November 25, 1951

FEWER than two out of every three Americans belong to any church or synagogue. Yet the traveler across America is never long out of sight of some house of worship. With or without a cross, with or without paint, every few miles there will be a church or chapel or meeting-house, where like-minded people meet to worship the One God.

Dr. Foreman

• • •

Variety

IT is amazing, the confusing variety of ways in which God is publicly worshipped. Some churches are liturgical; that is, the form of the service is prescribed, printed in a book, used with little change from generation to generation. Roman Catholic churches are of this kind (though there is a wide range of detail in the procedures of different Catholic churches); so are the Lutheran, the Reformed and the Episcopal churches, among others.

Other churches are non-liturgical, or free, in their mode of worship, varying all the way from churches with optional forms of worship on out to snake-handling sects like the "Church of God with Signs Following," where you never know one minute what is going to happen next.

The liturgical churches, too, are different as can be. Some liturgies are filled with chanting, incense, long and not easy for a stranger to follow. Other liturgies are brief and simple. The insides of these various kinds of churches are just as different as the interiors of hotels—all the way from the elegant Waldorf-Astoria down to the ramshackle boarding house of a frontier town. The leader of the worship may be clad in vestments gorgeous in the extreme, or in a plain black gown, or dressed in shirt-sleeves.

The "man from Mars" would be so bewildered by all this that he would ask: Is there anything at all that these different kinds of worship have in common?

• • •

Communion

FOR an answer, we can go back more than 3,000 years to the time when Moses was organizing his people's worship as he organized the rest of their lives. You would hardly have recognized that little "tabernacle" in the wilderness as a place of worship at all; it looked like neither church nor synagogue.

And what went on in the tabernacle would look strange to a Jew of today, stranger still to a Roman Catholic, strangest of all to a "non-liturgical" Protestant. And yet, what went on to make that tabernacle possible in the first place, and what went on in it afterwards, give us the answer to the question: What do all the innumerable forms of worship have in common?

First of all is communion with God. In true worship we become aware of Him; in the New Testament phrase, we "approach with boldness the throne of Grace." Worship is right when it actually brings the worshipper into a cleansing consciousness of the nearness of God,—when, indeed, he feels and knows that it is "In Him we live and move and have our being."

Not every one reaches this divine awareness in the same way.

• • •

Consecration

BUT there is another aire to worship: Consecration. However varied the order of worship may be, one part of it will be found nearly everywhere: the offering.

This is actually one of the most important parts of the service, though it is often neglected and "skimmed." For the offering is not only important in itself, but it is a great symbol of what worship ought always to be, a call to dedication.

Into the offering plate go bits of silver, green paper, checks . . . money? Yes, and more. This represents something of the life and work of the worshippers. Every man has some better moments when he would generously like to do something to help the world. On Sunday the church harnesses his vague good will. It gives him a channel for his generosity.

What a man gives ought never to be TO the church but THROUGH the church; it would be an expression of gratitude to God from one who knows that his whole life is God's gift.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

Report from Lyons

by Margie Appleman

Well, as soon as we got moved, we started "seeing" things-Eiffel Tower-Arch of Triumph-all the parks-walked up and down the Champs-Elysses-went all through the "Latin" Quarter which is where we're living- (where the Sorbonne and most of the schools are-and where most of the students live)- We're very well located- Can see a corner of Luxembourg Gardens from our window-balcony- and in the other direction the Sorbonne (where our classes are for this month) is just 2 blocks away. We also were all around to places and sections I used to live- Haven't had a chance to see Tabourdeau's yet. We've been trying a different restaurant about every night- Ones I knew about and others kids have told us about- All of them the inexpensive ones- but with lots of "atmosphere" and very good food- Usually lots of students in them. Every once in a while we meet someone that we met on the ship. Also see kids in class and get together with them every so often to eat or see something. We went to the Opera Sunday afternoon-Saw "La Traviata" and it was real good- The scenery and costuming were beautiful, too. We also got tickets for a play this week- And, of course, the "Folies Bergeres" week after that. Yesterday we were sitting in a patisserie (a pastry shop) eating some and drinking chocolate. We had gone to the customs to check our trunks through and get some stuff out we needed. But got there just before noon, the place closed at 12:00 until 2:00 as does everything except restaurants and a very few other stores. Nice long leisurely lunch time, isn't it? - But it sure is inconvenient- and then the places usually stay open until kind of late in the evening which isn't so nice for the people that work there. I suppose that's the main reason why people don't eat until 7:30-8:30 at night- and most theaters, etc. don't open until around nine o'clock.

Well, we went back at 2:00- We were lucky and got a real nice customs officer who just had us open the big one- and only looked in a couple drawers. We didn't have to take anything out- Then we got out the stuff we needed- and are having them sent on to Lyon where they'll be kept in storage until we get there. Then yesterday afternoon there was a meeting for all those going to the provinces. We met the rest of the kids going to Lyon (seven others, none married, 2 girls, 5 boys) and also met a professor from the U. of Lyon who told us about the univ. and courses, etc.- and also the Sec. of the Foreign School who arranges housing. She is pretty sure that she can get an apt. for us, but we don' know 'or certain yet.

Last Wednesday (Oct. 10) all the Fulbrights were received by the American Ambassador to France, David Bruce- and other officials. They gave a big reception for us at the Embassy I've never seen so much champagne and patisseries in one place- and so many different kinds of those pastries and little sandwiches. Were they ever good! It was the first time all the Fulbrights had been together at a social gathering- We met two kids from Northwestern we didn't know were here. One boy that Phil knew who graduated this year, and a girl who graduated the year before we did. I knew her pretty well. And we also met the rest of the people from Michigan.-- Thursday afternoon I went with Phil to one of the lectures. A professor from the Sorbonne gave it. It was in the same room where I always had my lectures for the Cours de Civilisation 3 yrs. ago- and it turned out to be the same prof. I took history from. Afterwards we left with some of the other kids and were on our way to eat. There was a big crowd of French kids gathered around the outside of the Sorbonne and along the Boul. Saint Michel. Then we saw a lot of police cars and police around and wondered what kind of demonstration it was. The kids were yelling and running up and down along the sidewalk. We finally asked one of them- and it turned out they were just more or less "celebrating" having received their "baccalaureates"- which is equal to about half way between a high school and college diploma in the U. S. But nothing happened except a lot of noise. I guess the police were there just to keep them out of the street to keep traffic moving. I s'pose it happens every year. Well, we finally went with Don (Matheson from Mich.) to the Embassy Restaurant for dinner. Since he was a colonel in the army he has a card so he can go there.

COBURNTOWN CHURCH NEWS

The host to the November meeting of the Junior Bible School Class was Junior Witt. Prayer by the teacher, Elwood Hart was followed by an interesting flannelgraph missionary story told by Mrs. Harold Kagey. Mrs. Kagey also directed a song fest.

New officers for the year were elected as follows: president, Tahoma Jean Laughman; vice-president, Gary Kummer; secretary, Carolyn Morris; assistant, Bob Wilder; treasurer, Donna Lou Cook; assistant, Junior Witt.

Sentenced prayers closed the business meeting. An hour of recreation was enjoyed and a delicious lunch was served by the host's mother, Mrs. Robert Witt.

Pickles Off To Good Start With Wins

Sechlers Pickles got off to a winning start last week with a 75-72 victory over Bob's Buttermilk of Rochester at the Akron, Ind, gym.

Though trailing by 23 points at the half, the local five pulled up in the final half to win by a close margin.

Clark was high for the winners with 22 points with Beck tossing in 12. Schorer, playing for Bob's that evening, garnered 24 markers.

Pickles				Buttermilk			
Clark	7	8	22	Gelb'gh	4	1	9
Kinsey	1	0	2	Bartl't	0	0	0
Kimes	4	1	9	Kanouse	8	4	20
Beck	3	6	12	Schro'r	10	4	24
Cherry	3	2	8	Kuhn	3	2	8
Brod'ick	3	0	6	Goodm'n	5	1	11
M'Cart'r	3	2	8	Palmer	0	0	0
C'pbell	4	0	8				
Totals	28	19	75	Totals	30	12	72

A practice scrimmage with Huntertown resulted in a 75-35 "win" for the pickle outfit.

Then last Saturday, the boys pulled a 66-64 win over the strong Markle independent team. Last year Markle took two from the locals and this was the "game to win"

Markle held a 1st quarter lead of 17-12 and both scored 15 in the second period to make it 32-27.

In the 3rd period Clark, Stauffer and Schorer got hot for the locals and each dumped in 6 points in the 26-point quarter.

Though outscored in the final period 18-13, Pickles held their lead and took the hard-fought game.

The Markle five gave a brilliant exhibition of passing and team play in their losing efforts.

Pickles				Markle			
Clark	4	6	14	Crow	3	1	7

COLD WEATHER TIPS FOR MOTORISTS

Freezing weather is here!

If you're a motorist and don't want to exceed the family budget for car repairs this winter, here are steps which you may follow to help keep your car expenses at a minimum.

1. Check all hose connections; tighten clamps and use standard brand anti-freeze solution.

2. Check ignition system, distributor points; reset timing; clean or replace spark plugs.

3. Test battery for full charge; clean terminals and tighten cables.

4. Check and adjust fuel system.

5. Apply light weight winter-grade oil and grease.

6. Place a shovel and a box of sand, salt, cinders or ashes in your car trunk for use when you get stuck on icy streets, in ruts or at curbsides.

Carnahan-McMaken

Miss Anita McMaken, daughter of Mr. and Mrs. Howard L. McMaken of St. Joe, became the bride of Cpl. Charles Carnahan, son of Mrs. Belvia Ann Rugman of Auburn and Marshall Carnahan of Spencerville, at 2 p. m. Sunday, November 18. The wedding ceremony was performed at the home of the bride's parents. The Rev. Donald Foust officiated at the double ring ceremony.

Given in marriage by her father, the bride chose a gown of egg shell covered with blue lace dotted with gold. She wore white slippers with the street length dress, silver earrings and her mother's pearls. Her corsage was a purple orchid.

The maid of honor, Miss Nancy Rugman, wore a street length light gray dress. She also wore a lovely locket and her corsage was of white roses.

Howard McMaken, brother of the bride, served as best man.

The bride's mother wore a navy blue taffeta figured dress with a corsage of lavender and white mums. The groom's mother wore a green suit and a corsage of bronze and yellow mums.

A reception was held at the bride's parents' home. Serving were Mrs. Joseph Robinson, Mrs. Kenneth Coburn, Mrs. Robert Klink and the Misses Shirley Harter, Phyllis Klink, Connie Stewart and Babara Hurni.

Pending Mr. Carnahan's release from the armed forces, the new Mrs. Carnahan will reside with her parents in St. Joe.

JR. HIGH BASKETBALL SCHEDULE

Dec. 13—Ashley, there, 4:00; Freshmen and Jr. High.

Dec. 18—Auburn, there, 7:00; Jr. High (one game).

Dec. 20—Butler, there, 6:30; Freshmen and Jr. High.

Jan. 15—Butler, here, 4:00; Jr. High (two games).

Jan. 17—Spencerville, here, 4:00; Jr. High (one game).

Jan. 31—Ashley, here, 4:00; Freshmen and Jr. High.

Feb. 12—Spencerville, there, 4:00; Jr. High (one game).

Spencerville News

Mrs. Maurice Miller, Mr. Vinton Miller and Mrs. Florence Silberg attended the funeral of their cousin, Mrs. Ora Wilmont, in Ft. Wayne last week. Mrs. Winifred Shook and Daisy Markle also attended with them.

Mr. Fred Stemen spent the week-end at the home of his mother, Mrs. Mary Stemen.

Mrs. Harold Hudson was brought home from the Sacred Heart Hospital in Garrett Sunday.

Mr. Carl Hoover returned home Monday evening from the St. Joseph Hospital in Fort Wayne.

CULTURE CLUB

Mrs. Roy Reidenbach was hostess to the Culture Club November 14 at her beautiful new country home.

The vice-president, Mrs. Merl Furnish, called the meeting to order by all repeating the collect in unison. Mrs. Dewey White presented the devotion for the eveing. Mrs. Pluma Hamilton led the lesson from the study book or Dorothy Lathrop's Animal Artist Extraordinary by Sophia Goldsmith.

Mrs. Ray Reasoner gave a reading about "The First Thanksgiving Day. Mrs. Glen Wineland was made a member of the club. Mrs. James Tatlock was elected critic to fill the vacancy created by Mrs. Clyde Duker's moving away.

The hostess, assisted by Mrs. Wayne Wagner, served Waldorf salad, party rye bread sandwiches and coffee. Mrs. Herbert Amstutz assisted by Mrs. Russel Hoffer will entertain the club November 28 when the annual auction will be held. Members are asked to send an article for auction if they are not able to attend, or the value of an article.

Members wishing to remember Mrs. Duker may do so at the following address: 509 N. Spring St., Wabash, Ind.

CONCORD TWP. HOME EC

The Concord Twp. Home Ec Club observed their yearly family night at the St. Joe gym Friday night, November 16.

Those on the committee for arrangements and serving the potluck supper were Mrs. Bernice Sechler, Mrs. Nancy Coburn and Mrs. Harriet Johnson.

Dr. Frisbie of Butler showed an excellent movie on his trip to Alaska.

There were thirty-six in attendance who brayed the cold room, to enjoy the evening.

FUNERAL FOR MRS ECK HURSH HELD TUESDAY

Funeral services for Mrs. Elberta Hursh, 75, were conducted Tuesday at the Walter Funeral Home in Spencerville. Rev. W. H. Baker officiated at the services. Burial was in the Leo Cemetery.

Mrs. Hursh died of complications Sunday from a fractured hip suffered in a fall at her home three years ago. She had been bedfast at her home since that time but had been in ill health for about 17 years prior to her death.

She was born in Springfield Twp., Allen County, on November 16, 1876, the daughter of the late Mr. and Mrs. William Oberholtzer. She spent nearly her entire lifetime in Cedar Creek Township north of Leo.

She was united in marriage to Eck Hursh, who survives. Other survivors include five daughters, Mrs. Cozy Tillman of Grabill, Mrs. Frances Doll of Spencerville, Mrs. Kathryn Dean of Calumet City, Ill., Mrs. Helen Koch and Mrs. Dorothy Vendrely, both of Spencerville; two sons, Ralph and E. Woodrow Hursh, both of Spencerville; 11 grandchildren; three great-grandchildren; a brother, Ellis Oberholtzer of Three Rivers, Mich., and two sisters, Mrs. Rally Markle of Spencerville and Millie Oberholtzer of Richmond.

"MESSIAH" TO BE GIVEN AT FT. WAYNE DEC. 2

George Frederick Handel's dynamic oratorio, "Messiah," long a harbinger of the Christmas season, will be presented for the 14th time by the Fort Wayne Lutheran Choral Society on Sunday, December 2, at the Quimby Auditorium beginning at 2:30 p.m.

Four nationally famous soloists are being engaged to sing the principal roles with the 100-voice choir, accompanied by a symphony orchestra made up many members of the Fort Wayne Philharmonic Orchestra, all under the direction of George Gerhard Arkebauer.,

Due to new tax exemptions made available to the Society (due to the new ruling on Federal amusement taxes for non-profit groups), tickets for "Messiah" will be reduced in price this year. The new price scale will be $1.50 and $1.00 for reserved seats, as contrasted with $1.80 and $1.20 in previous years.

SPENCERVILLE FUTURE FARMERS ORGANIZE

The Spencerville Chapter of the Future Farmers of America organized on October 31 with six members present.

Mr. Harold Lockamire, vocational agriculture teacher, is chapter advisor. Officers were elected with the following results: John Witt, president; Bill Wilder, vice-preisdent; Jerry Leonard, secretary; Donald Mann, treasurer; and Bill Johnson, chapter reporter.

Future programs have not yet been completed.

Local News

The Lutheran Sunday School was in charge of the Missionary Society Sunday. An appropriate program was given.

Mr. and Mrs. Paul Carpenter are staying at the Harvey Hull home this week before leaving for Florida for the winter next week.

Mr. and Mrs. Simon Nicholls had as Sunday guests Mr. and Mrs. Ivan Brown and family, Mr. and Mrs. Richard Wasson, Mr. and Mrs. Paul Carpenter, Mr. and Mrs. Harvey Hull and Wayne Nicholls.

The Friendly Circle Class of the Lutheran Sunday School met at the home of Mr. and Mrs. Roy Reidenbach last Thursday evening.

Recent guests in the Ray Reasoner home were Floyd Reasoner on Friday and Mr. and Mrs. Barton Collins of Fort Wayne and Mrs. Savilla Miller of Auburn on Saturday.

Mr. and Mrs. Kenneth Mott of New York are spending Thanksgiving vacation with Mrs. Mott's parents, Mr. and Mrs. Carl Carpenter.

Charles Cook and wife entertained their children for their Thanksgiving dinner last Sunday. Thirty seven were present.

Mr. and Mrs. Vernie Monroe entertained Mr. and Mrs. William Staman, Mr. and Mrs. Don Burley, Mr. and Mrs. Glen Cole and Merritt Sechler to dinner Saturday night.

Mrs. Audrey Waltz was a guest of Mrs. Thelma Baker Sunday night.

Mrs. Harriet Johnson and Mrs. Thelma Baker called on Mrs. George Johnson at the Auburn hospital Sunday. Mrs. Johnson is recovering from a broken hip.

Mr. and Mrs. Edgar Lysher are the proud parents of a baby daughter, Edna Louise, born November 14, 1951, at the Souders Hospital.

Week end guests of Mr. and Mrs. Robert Coburn and daughter, Carol, were Mrs. Shirley Nicholls of Fort Wayne and Miss Carolyn Greiser of Findley, O. Carol and Carolyn are in nurses' training at the Lutheran Hospital in Fort Wayne.

Mrs. Neva Hursh entertained Sunday to a pre-Thanksgiving and Christmas dinner Mr. and Mrs. Dave Furnish, Mr. and Mrs. Clayton Wyatt and daughter, Carrol Sue, of Ft. Wayne and Mr. and Mrs. Lloyd Miller of Pittsford, Mich. The Furnishes arrived Saturday and stayed until Tuesday.

Dinner guests of Marie Draggoo Sunday were Mrs. Lela Northrup, Mrs. Pluma Hamilton and James Draggoo and son, Tommie.

Mr. and Mrs. David Furnish of Ferndale, Mich., and Mrs. Neva Hursh enjoyed Monday night supper with Mrs. Pluma Hamilton.

Mr. and Mrs. Olen Waltz spent Sunday at Bluffton the guests of Mr. and Mrs. R. W. Zimmerman and Mr. and Mrs. Irvin Swartz and daughter, Kay Lynn.

SKATING PARTY MONDAY, DECEMBER 3

Tickets for the community-wide skating party Monday, December 3, are now on sale at the News Office and Dunten's Market in St. Joe and Chaney's Restaurant and Spencerville Shell Service in Spencerville.

The party will be held at the Silvermoon skating rink south of Waterloo.

CONCORD TWP. T. T. A.

The Concord Twp. P. T. A. met Monday evening at the school house to hear John E. Hoskins, executive director of the Goodwill Industries of Fort Wayne.

Mr. Hoskins, former instructor of handicapped children in Detroit, Mich., gave an interesting talk on the work of the Goodwill organization and showed slides to illustrate the work.

LEO AUXILIARY NEWS

Leo American Legion Auxiliary Unit 409 met recently at the post home on the Leo Road.

Mrs. Fred Marolf, membership chairman, announced that there are 37 new members who have joined the Auxiliary.

Mrs. Harold Kryder, Pan-American chairman, announced that the Pan-American Doll, which was made by SuEllen Gehrig, had won second prize at the State Convention. Mrs. Kryder will also attend the 4th district meeting.

All chairmen are urged to attend the schooling for their chairmanship which is to be held at Fort Wayne Post No. 47 on December 10.

It was announced that the annual Christmas Party will be held on Friday, December 21, and anyone wanting to send greetings and gifts to our Service Men may do so. A list of names of the boys are posted in the post home.

The recording secretary, Mrs. Robert Souder, gave her report on the convention of the presidents and secretary in which she and Mrs. Kryder attended.

Mrs. Marolf and her committee, Mrs. William Hudson and Mrs. Lavon Bender, were in charge of the entertainment and refreshments following the business meeting.

CONSERVATION CLUB

The Turkey Shoot held last Saturday afternoon was a big success with a large crowd on hand to see 25 turkeys and a like number of chickens awarded to winners. The prizes were disposed of by 2 p.m. Several shooters arrived too late to participate.

The high wind kept the scores down below average. There were several squads up which took a straight score to win but on three events 7x10 was good enough.

The club will hold a merchandise shoot on their regular date next Sunday, November 25.

Answer to Question No. 1:

1. Cold water is the best first aid treatment for bruises, including black eyes. Despite popular belief, raw beefsteak is no treatment for a "shiner."

Answer to Question No. 2:

2. Acne, a chronic infection of the sebaceous (oil) glands, usually occurs between the ages of 12 and 25. An oversecretion of oil blocks the opening of the gland, thus causing the secretion to accumulate. This condition can usually be treated successfully by your physician.

Answer to Question No. 3:

3. Brain operations formerly ended in death in most cases. However, the advances made by American surgeons in the field of brain surgery have been so remarkable that the skull is opened with safety, tumors are removed and other conditions are treated with a very high percentage of cures.

A Lighted Softball Diamond

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, November 29, 1951 — NUMBER 44

Around the Town

With the Editor

Jack Haas, assistant scoutmaster of the St. Joe-Spencerville scout troop, walked up to me at the square dance Saturday night and handed me $21.28. He informed me that that was the sum raised by the scouts in their recent scrap drive. The scouts turned this money over to the recreation club for the ball diamond.

It was a welcome surprise and helps out a lot. The slim crowd at the square dance was a little disappointing.

Some lady got a good taste of what I was beefing about last week—the slow state highway department trucks.

She rounded the corner up by the West End Grocery, was behind the yellow truck and had to wait before passing since I was approaching from the south. The truck wasn't going over ten m.p.h. and as I passed I could see that she was alone. However, her lips were moving and I figured she wasn't giving anyone in that truck a compliment.

—Oo, what she said!

Here's the list to date of our "who's who"—

T. E. Haberkorn, Sr., Fort Wayne, Mrs. Amalia Rathert, Fort Wayne, Ed Storer, St. Joe, Bill Staman, St. Joe, Ralph Sechler, St. Joe, Miss Augusta Haberkorn, Fort Wayne, Miss Emma Haberkorn, Fort Wayne, John Haverstock, Leo, J. C. Provines, Auburn, Leo Schendel, St. Joe, Jim Tatlock, St. Joe, Clayton A. Baker, St. Joe, Ray Reasoner, St. Joe, Russell Walter, St. Joe, Robert Coburn, St. Joe, Otto Ginther, St. Joe.

Merl Guilford, St. Joe; Leo American Legion Auxiliary 409; Mr. and Mrs. F. R. Bowman (a check for $5, no less), Butler; "Red" Strombeck, St. Joe; John Engle (two bucks, no less), St. Joe; Sam Miller, St. Joe; Walter Morr, St. Joe; "Chuck" McIntosh (another five smackers) St. Joe; Chuck and Lill (Mr. and Mrs. Charles Holtz), (five bucks again), Ft. Wayne.

Mrs. Arthur Culbertson, Auburn; Virgil Laux, St. Joe; Gene and Roma Baker, St. Joe; C. A. Smith (Oberlin Insurance Agency), Butler, a check for $25.

Ed Hauke, Ft. Wayne; Roy Reidenbach ($5), St. Joe; Hearsel Shockley, St. Joe; Karl Mavis, Auburn; Bill Sible, St. Joe.

Later Fair Dates Next Year

The executive committee of the DeKalb Free Fall Fair Association voted Wednesday night to hold the 1952 event beginning Tuesday night, September 30.

The action marked the return of fair week in Auburn to the date upon which the events were held for many years until earlier dates were set in the past few years.

The action of the commitee was approved by the fair board of directors in the meeting held in the assembly room of the court house in Auburn.

The fair which will open next year on September 30 will continue through Saturday, October 4.

The committee said its decision was influenced by criticism of this year's fair date which conflicted with three state fairs, Indiana, Ohio and Michigan. Complaints were received that it was difficult to obtain the better concessions because of the conflict and the maximum livestock exhibit was also not available.

Many livestock exhibitors also said that this year's warm weather was detrimental to the health of the animals.

The action of the committee returns the fair date to the week following the Bluffton street fair.

RECREATION CLUB

There will be a meeting of the St. Joe Valley Recreation Club, Inc., on Thursday, December 6, at the school house in St. Joe.

The meeting will start at 7:00.

Appropriations Cut

DeKalb County councilmen, in special session last Wednesday in Auburn, slashed $600 from an appropriation sought for salaries of welfare department workers.

The council action was expected since the councilmen had gone on record as opposed to the salary raises at an earlier session when they first denied the request.

The action by the council leaves the five welfare department workers with their only recourse in a court action. They had sought an appropriation to complete payment of their salaries for this year. Unless court action reverses the decision of the council, the workers will find each of their December paychecks $120 short.

The council also made another small cut in a request for $58 for extra help for the assessor's office. They cut $6 from the appropriation.

The remaining $5,659.47 of the $6,265.47 asked in additional appropriations, was approved unanimously.

The appropriations included $400 asked by the welfare department for assistance for crippled and sick children and sick children and adults in hospitals.

Other appropriations were: $30 for postage for the clerk's office; $22.47 for balance of salary for the auditor's office; $25 rent for telephone for the superintendent of school's office; $40 for mileage and expense for the attendance office; $100 for special judge fund; $275 for personal services for the court house; $1,705 for insurance for the county infirmary; $185 for county council salaries; $575 for soldier burial fund; $650 for patients at Irene Byron; $900 for inmates in state institutions; $400 for change of venue costs; and $300 for drain repair.

The appropriations will now be turned over to the state board of tax commissioners for final approval.

CAFETERIA SUPPER FRIDAY

The Senior Class of Concord Twp. High School will have a cafeteria supper on Friday evening, November 30.

The supper will be served in the school gym and will start at 5:30 p.m.

The public is invited to enjoy the evening with the seniors.

There will also be special entertainment.

Concert Date Changed To Jan. 3

Following announcement in New York of the death of Oscar Natzka who was scheduled to appear in a concert in Auburn on December 13 for the DeKalb County Community Concert Association, negotiations were immediately begun to re-schedule the first concert of the 1951-52 series.

Several offers were made to the local organization and in a meeting of the executive committee held Thursday evening, it was decided by unanimous agreement to present on January 3 one of America's favorite concert and radio singers, Mac Morgan, young Texas born baritone who is rapidly winning a top place for himself in the music world.

The committee regrets its inability to book a concert artist during the fall months but it is relying on the appreciative understanding of the membership in this most unusual circumstance. The committee feels quite fortunate in finding, at this late date, an open Thursday in Mr. Morgan's schedule.

Mr. Morgan has a strong popular appeal and a voice which has been described an "eminently distinguished." He made a national reputation on the Cities Service "Highways in Melody" program, broadcast from coast to coast.

Members of the concert association are asked to bear in mind the change of date from December 13 to January 3.

FUNERAL SERVICES HELD FRIDAY FOR MRS EFFIE WINELAND

Final rites were conducted Friday afternoon at 2 p.m. for Mrs. Effie Wineland, 80, who passed away last Wednesday after an extended illness. The services were held at the Walter Funeral Home in Spencerville with Rev. W. H. Baker officiating.

Burial was in Riverside Cemetery at St. Joe.

A native of Cedarville in Allen County, Mrs. Wineland was born June 20, 1871, the daughter of the late John Y. and Callie Horn Davis. Since February of this year she lived in the home of her daughter, Mrs. Ridgway. Previously she lived with a second daughter, Mrs. Emma Freeburn, at St. Joe.

Mrs. Wineland's husband, John, died in March of 1941. She was a member of St. Mark's Lutheran Church at St. Joe.

Survivors include the daughters, Mrs. Callie Ridgway and Mrs. Emma Freeburn, a son, W. Glen Wineland, of Auburn, 11 grandchildren; 34 great-grandchildren; and four great-great-grandchildren.

SPENCER TWP. HOME EC

The Spencer Twp. Home Ec Club met November 14 at the home of Mrs. Donzella Graham.

The meeting was opened by the president. Guests included twenty-eight members from Union Twp.

Each lady was asked to stand and give her name.

All joined in singing "Praise God From Whom All Blessings Flow." Devotions were given by Alice Kagey. She read from Prov. II Chapter and talked on "The Gracious Woman."

The secretary's report was read and approved. Nineteen members answered roll call.

The club tour to the Coca Cola plant and the Perfection Bakery was very interesting.

A committee was chosen for the Christams meeting.

A card of resignation was read by the president from Valda Brown, club secretary, who has moved to Wabash, Ind.

The entertainment for the afternoon was in charge of Lois Fisher.

Several pep songs and contests were enjoyed by all.

Refreshments were served by co-hostesses Lois Fisher, Marjie Dwyer and Mary Stemen.

Skating Party Monday Night

Tickets are now on sale for the community skating party on next Monday evening, December 3.

The party is being sponsored by the St. Joe Valley Recreation Club.

The Sophomore Class of the St. Joe High School is now selling tickets in addition to those available at the News Office, Dunten's Market (St. Joe), Chaney's Restaurant and Spencerville Shell Service (Spencerville).

Special transportation will be provided for those who have no way of getting to the Silvermoon skating rink. A bus will leave the school house at 7 p.m. and will have a small service charge for its use. The party will run from 8 until 10:30 p.m.

The Silvermoon will have their organist on hand to play for the various types of skating numbers. Their large floor will have lots of space for the whole family and the community is invited to participate in this opportunity to get together with families, friends and neighbors.

CONSERVATION CLUB

In spite of threatening weather a good sized crowd attended the St. Joe Valley Conservation Club shoot last Sunday, November 25.

Several prizes of groceries and bacon were quickly taken. After these prizes were disposed of, a 50 bird program was shot, the second 25 being a handicap with the yardage based on the scores made in the first 25.

Scores follow:

Hawkins	24-14 38
Neitert	18-19-37
Swann	21-22-43
Myers	22-21-43
Hackett	19-19 38
Toms	23-27-40
Vail	22-18-40
DeLong	23-15-38
Johnson	25-21 46
Eby	19-22-41

LOCAL NEWS

Mr. and Mrs. Ira Hook were Sunday afternoon visitors in the home of Mr. and Mrs. Charles Hilbert at Montpelier, O.

Mr. and Mrs. V. R. Monroe, Mr. and Mrs. William Staman, Mr. and Mrs. Glen Cole, Merritt Sechler and Cora Curie were Saturday evening dinner guests of Mr. and Mrs. Everett Mavis of Auburn.

Mr. and Mrs. Ira Hook, son, Vance, and Jerry Emenhiser, Mr. and Mrs. Farrell Evans of Bryan, O., and Mr. and Mrs. Don Cook and son, Billy, of Fort Wayne were Thanksgiving guests of Mr. and Mrs. Wayne Hook at Fort Wayne.

Mrs. Carroll R. Shanks and children, Sue Ellen and Gary Alan, have moved from Edgerton, O., to Noblesville, Ind. Sgt. Carroll R. Shanks is a student at Ft. Harrison. Mrs. Shanks was formerly Dorothy Hook of near St. Joe.

LADIES LITERARY CLUB

Mrs. C. C. Woodcox was hostess for the Ladies Literary Club on November 7.

The president called the meeting to order and Mrs. Glen Cole read the collect.

Mrs. Inez Hadsell reported on "Progress Among the Negroes" and Mrs. Stanley Means showed a film on "American Indians" as her part of the evening's study period.

Mrs. Calvin Lessing, entertainment chairman, conducted a very entertaining "Trial By Jury."

The secretary read the minutes and they were approved. Twenty-one members responded to roll call.

Mrs. Charles Krise gave a report on the convention. The critic's report was given by Mrs. Carl Carpenter.

Guest Nite was held on November 28. Dinner at 6:30 was served at the Yellowstone Cafe in Hicksville. The evening program was held at the home of Mrs. Glen Cole.

$125 Fine For Contempt

Charles McIntosh lost another round in his efforts to operate a beer and wine carry-out business in St. Joe Wednesday afternoon when Judge Donald Hunter of the Steuben Circuit Court found him guilty of "indirect" contempt of court.

Judge Hunter levied a fine of $125 and ordered McIntosh to deposit his latest liquor license permit with the clerk of the Steuben Circuit Court.

TRI TOWNSHIP FARM BUREAU

The program for the Tri-Twp. Farm Bureau meeting on December 4, 7:30 p.m., in the music room of the St. Joe school will be as follows:

Group singing.

Devotions—Tom Hart.

Business session.

Christmas picture—"Life of Christ."

Treat.

Refreshments—bring your favorite pie. Coffee furnished.

Lester Anthony, Chm.
Opal Laughman, S & E

THE AMERICAN WAY

No Answer To That

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

NON-DEFENSE SPENDING—If we are going to prevent this nation from falling into the mire of bankruptcy and economic despair, we must start reducing government expenditures. Take a look at these figures on Federal Government non-defense spending for the years 1940 and 1950. They are from official sources and bear out my contention that we must put an end to waste and extravagance in government, particularly as we are trying to build up our defense establishment.

According to the annual report of the Secretary of the Treasury, in 1940 the Department of Commerce spent, in round figures, $37 million. In 1950, the Department of Commerce spent $863 million. In 1940, the Department of State spent $24 million and, in 1950, $361 million. In 1940, the Department of Justice spent $49 million and, in 1950, $131 million; the Department of Interior spent $211 million in 1940 and $569 million in 1950. This is typical of the increases in the cost of operating your government during the last 10 years. Can you see any justification for these tremendous increases? Obviously, these terrific increases must end and our federal government returned to a sound, efficient basis.

CONGRESS MAKES THE LAWS—Congress makes the laws, but the President executes them. Last year Congress enacted legislation providing for our internal security. Under the law, all members of he Communist Party, Communist organizations and those considered "Communist-front" organizations, are required to register with the Department of Justice and make periodic reports on their activities. So far, even though the law is a year old, no Communist has registered with the Department of Justice. To top it off, nothing has been done to enforce compliance with the law. How are we to stop Communist aggression abroad when we are permitting the Communists to ignore the law here?

There is an inscription on the Department of Justice building in Washington which reads like this: "Where law ends, tyranny begins." Perhaps the Attorney General should reread this.

SEASON OF THANKSGIVING—It was Abraham Linncoln who once said, ". . . . we have been the recipients of the choicest bounties of heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth and power as no other nation has ever grown. But we have forgotten God. . . . we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us." This is a message that bears repeating as we observe the season of Thanksgiving this year.

Letters to the Editor

Port Richey, Fla.
Monday, Nov. 19-51

To Our Hoosier Friends:

We arrived here Thursday. We took a different route than usual, missing the cities of Nashville, Birmingham and Montgomery and by-passing some of the mountains. The roads were excellent but somewhat crooked. The first night we staid at Scottsville, Ky. The second night at Opelika, Ala. and finished our trip the next day. There were four cars, Zooks of Butler, Johnsons of Hicksville and the Harts. We all staid together and no one got lost on the way. Traveling in this way slowed our progress some.

Many people ask what a trip to Florida costs. Here are the statistics of our trip. We traveled twelve hundred sixty-five miles, used 60.8 gallons of gasoline costing $17.75. Cabins $7.00 for two nights. We pay $51.50 per month for our cabin. This is somewhat less than most cabins rent for. Our cabin is modern but not fancy.

We did not have very good weather on our trip down. It rained nearly all the way through Georgia and Alabama. It just came down in torrents.

The weather here is quite cool now but the weatherman is promising better for tomorrow.

The citrus crop is average this year, but still very green. The Florida oranges you are now buying in the north are artificially colored by means of a gas. Oranges color up in cool weather better than hot weather.

Groceries are no higher here than in the north and fruit is much cheaper.

We are situated in Port Richey on the Cotee River which enters the Gulf of Mexico about a mile down the river. U. S. Highway 19 is just back of our cabin about 150 ft.

Best wishes to "you all"
Clyde Hart

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 32; Numbers 11-14.
DEVOTIONAL READING: Deuteronomy 11:13-21.

'There Is a Tide'

Lesson for December 2, 1951

"There is a tide in the affairs of men,
Which, taken at the flood, leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries."

SO Shakespeare said, and he was at least half right. Opportunity sometimes knocks twice; but don't count on it.

The Bible lesson for the week is a failure-story, not a success-story. It is the story of some persons who contracted the grasshopper complex, a mental disease that still attacks people today. The story is from the wild days when the Israelites, now two years out from Egypt, were first knocking at the doors of the Promised Land.

Dr. Foreman

The Israelites were land-hungry, but the only land they wanted was what we now call Palestine and it was not theirs for the asking. They would have to fight for it, every foot of it. They all knew this, Moses knew it. There was no going back to Egypt and slavery. Nobody wanted to stay in the desert. The obvious thing was to go ahead into Palestine. But there were two questions filling the people's minds: (1) What kind of country is it, really? and (2) can we fight our way into it?

• • •

Investigating Committee

SO a committee of investigation was formed, of one man from each of the twelve tribes,—grown men, trusted leaders, by no means "boy scouts."

Don't think of these men as sneaking through Palestine from bush to bush, peeping out Indian fashion to see what they could see. They walked into Palestine, not unobserved but unmolested. They spoke Egyptian, of course, and could easily pass as Egyptian traveling salesmen. They spent around six weeks in that country, visiting the cities, no doubt talking with the people.

In late summer they went back to the encampment on the edge of the desert, carrying with them some of the fruits of the land. (Incidentally, those pictures showing bunches of grapes six feet long are a funny misunderstanding. Palestine has good grapes, but not quite that good! They carried the grapes on poles because that was the best way to keep them from being crushed.)

At the big mass-meeting at the desert camp, the twelve made their report. On the facts, they were all unanimous. It was a wonderful country, "flowing with milk and honey," a great country for cattle and bees. Palestine did look marvelous to their desert-burned eyes. But on question number two there was a serious division: Can we fight our way in? Yes, said the minority of two. No, said the majority of ten.

• • •

Grasshopper Complex

THE majority put their reasons in a single revealing sentence: We were as grasshoppers in their sight, they said, and so we were in our sight.

Nowadays we call this state of mind the "inferiority complex"; our name is a new one for an old trouble. Think of yourself as a grasshopper, and grasshopper is what you shall be. Take yourself at other people's lowest estimate, and that is all you will be worth.

The trouble with the grasshopper complex is that it is catching. The majority report was wrong, as majority reports so often are. But the people believed them rather than the courageous pair who stood up to declare boldly, We can do it, with the help of God.

Well, what did God do about it? That is perhaps the saddest part of the story. He did nothing about it. He let the people impose their own sentence. Grasshoppers? Very well, so be it. Grasshoppers die, they never amount to anything, no one bothers to kill them, they just die. God was believed to strike men dead in anger, or command the earth to open and swallow up the wicked, or hurl lightning from the skies on his enemies. But he wasted no miracles on these self-elected grasshoppers. He only let them die. Ten, twenty, forty years . . . just drifting about in the wilderness, till they all died, and a new generation took their places.

Opportunity did not knock twice. There was a tide in those men's lives.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ in the United States of America. Released by WNU Features.)

Spencerville News

Thanksgiving Day guests at the home of Mr. and Mrs. Virgil Kimes were Mr. and Mrs. Paul Bercot and children, Mrs. Howard Bowman of Fort Wayne, Mrs. Minerva Kelley, Miss Lucille and Mary Kelley, Mr. John Kelley and Lois Wyne of Auburn.

Mr. and Mrs. Wilbur Krebs and children of Warsaw were Sunday guests at the Virgil Kimes home.

Betty Beckman and Lois Kimes entertained with a birthday surprise party in honor of Carolyn Kimes November 26. Those present were Helen Kruse, Pat Timmerman, Dorothy Nusbaum, Shirley Ritenour and Mary Beckman.

Billy Chapman and family of Granite City, Ill., spent Friday night and Saturday in the Harry Laux and Cal Laux homes. They left by train Sunday morning for New York. Mrs. Chapman and two children will sail from there to France where she will spend a year with her parents. Billy will return to the Engineer Depot at Granite City and will leave there in a few days for the far east. He has recently been promoted to commanding officer.

Mrs. Minnie Kimes and two daughters, Rose Ann and Donna May, Mrs. Herbert Allen, Mr. and Mrs. Robert Kimes and family of Ft. Wayne and Mr. and Mrs. Harvey Kimes spent Thanksgiving Day in the home of Mr. and Mrs. Walter Kimes and family and Mr. and Mrs. A. H. Steiner of near Leo.

Mr. and Mrs. Walter Kimes and sons, Lynn and Lanny, were Sunday afternoon guests in the home of the former's parents, Mr. and Mrs. Harvey Kimes.

Born to Mr. and Mrs. Duane Neuport a daughter on November 24 at the Sanders Hospital in Auburn.

Jimmy Neuport is visiting in the Ora Smith home.

Mrs. Alice Hartwick and baby of Snyder, Ind., spent Saturday with her sister and family, Mr. and Mrs. Maurice Miller.

Mr. and Mrs. Norman Ritenour are the proud parents of a daughter, born last week. Mrs. Ritenour was brought to the home of her parents, Rev. and Mrs. W. H. Baker, Sunday morning.

Mrs. Claudia Hafner spent Thanksgiving and the week end with her son and family, Dr. and Mrs. Robert Hafner of Huntington.

Mr. and Mrs. James Reed spent Saturday night with Mrs. Ada Whitacre and family of Highland, Ind. They spent Sunday at the live stock show at Chicago, returning home Sunday night.

Miss Ida Reed spent the holiday week end at South Bend visiting with her sisters, Mr. and Mrs. Chester Wolf and Miss Vera Reed.

PATTERN OF THE WEEK

4188

"CALL ME SPORTY" Advance pattern #4188. For jaunty juniors, a precision-tailored sport shirt with top-stitch detailing. The patch pocket is buttoned just like Dad's best. Sizes 4-6, 8-10, 12-14, and 16 for neck sizes 11, 11½, 12, 12½, 13½ and 14....25c

TO ORDER PATTERNS SEND 25c in coins (no stamps) for each pattern, with size, name and address, designating which pattern you want by its number.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

Report from Lyon

by Margie Appleman

Friday we saw an old castle (inside Paris)- the Chateau of Vincennes. It was started in the 13th century- and used by various kings to the 18th- Part of it, of course, is in ruins. It's surrounded by a big moat and has drawbridges, etc. There are gardens growing in the moats now. There is an old church inside the wall and various other buildings- The part that is still in pretty good condition is used as barracks for French soldiers. We went with a guide through part of it- where Henry V of England had lived- and the room he died in- Also saw some of the dungeons and heard the stories about them, some rather gruesome. Some had been fixed up real nice- had light and furniture etc.- Others were in complete blackness and couldn't see or talk to anyone. Friday night we saw "Le Bourgeois Gentilhomm"- a play by Moliere. It only cost 50 francs (15 cents!) to go to these plays at the Comedie Francaise- Our particular seats, that is- But they were good seats. The state subsidizes this and the Opera and the Opera Comique and that's why tickets are so cheap. It sure makes it nice! It was really good, too. The setting was wonderful and the costumes at all these things are really spectacular! The acting was very good, too. It was a comedy- and surprisingly, we both understood almost all of it. We can both understand French real well- But still can't speak it so good- Mainly because we don't practice enough! Phil and I should use it more with each other- but it's an effort! Saturday we went to the Louvre (it was cloudy that day and sprinkled a little bit. Up until then we've had bright sunshine every day.- Beautiful weather! It's kind of cool during the day- and cold at night. Since then the sun has been shining every day again.) Well,- it took hours of course to go all through the thing- and we got lost a couple of times- so many different wings, etc., to see.- Boy, was I worn out when we finally left! Sunday- the Fulbright Commision took everyone that wanted to go on a bus trip to a couple of nearby sights (about 18 miles out of Paris). We spent most of the day at the Abbaye of Royaumont- a gothic cathedral and abbey,- built in the 13th century and completed in ten years' time. The cathedral had been destroyed during the revolution- but there was one spire still standing and some other ruins which showed how huge it once was. It really had a varied history, too- had been everything from an abbey to a private residence to a textile factory. Now it's an international education center. They served us a delicious lunch there and had an organ concert. Showed us the different libraries in it. The music had some of the original works of Wagner and Bach on display. After that we drove to Chantilly- a beautiful chateau which is now a state museum. The grounds and lakes around the place were beautiful- and the rooms in the inside had been kept with some of the furniture, etc., that was originally in it.

Local News

The square dance held Saturday night netted $45 for the recreation club treasury.

Mr. and Mrs. Lester Pugsley enjoyed Thanksgiving with Carl Pugsley and family near Fort Wayne.

Mr. and Mrs. Ted Haberkorn and sons were Thanksgiving dinner guests of Mr. and Mrs. Ted Haberkorn, Sr. of Fort Wayne. Other guests were Mrs. Amalia Rathert and the Misses Emma and Augusta Haberkorn.

Mrs. Gertrude Cox and daughter, Lola, and Mrs. George Nitche of Toledo were Sunday guests of Mr. and Mrs. Joe Foltz.

Raymond Murphy's address is: Pvt. Raymond L. Murphy 12433-37, Plt. 395, 4th R.C.T., Trng. Btn. N.M.C.R.D., San Diego 40, Cal.

Mr. and Mrs. Foster Gee spent Thanksgiving with Mr. and Mrs. Walter Gee and family at Jewell, Ohio.

Mr. and Mrs. Grover Nunn, Mr. and Mrs. Gerald Gee and children of Dayton and Mr. and Mrs. Walter Gee and children of Jewell spent the week end with Mr. and Mrs. Foster Gee.

Mr. and Mrs. Albert Wade held their family Thanksgiving dinner on Sunday November 18. Guests present were Mr. and Mrs. Thomas Bell and son, Bobbie, of Fort Wayne, Mr. and Mrs. Robert Barkman of Fort Wayne, Mr. and Mrs. Orville Funk and baby, Reitha Ann, of Waterloo, Mrs. Carrie Wade of Garrett, Mr. and Mrs. Bill Sible and children, Glenda, Gene and Gary, Mrs. Elnora Blue, Donald Kinsey and Edward, Sally and Franklyn Wade.

Mrs. Neva Hursh was a Thanksgiving Day guest of Mr. and Mrs. Albert Wade.

Sunday visitors in the Albert Wade home were Mr. and Mrs. Jack Sechler of Garrett and Mrs. Marcia Sible and children.

Mr. and Mrs. Albert Wade and Mrs. Elnora Blue were Tuesday night supper guests of Mrs. Neva Hursh.

Mr. and Mrs. Olen Waltz spent Thanksgiving Day at Garrett as dinner guests of Mr. and Mrs. H. O. Waltz and in the evening called on Mr. and Mrs. D. D. McDaniel of Garrett.

Miss Rozella Borthwick from Washington, D. C., spent from Wednesday last week until Monday this week in the home of her brother, H. C. Borthwick. Mr. and Mrs. D. F. Drummond and son arrived Thanksgiving Day, and returned to their home at Columbia, Mo., on Saturday. Their son and daughter, Keith and Donna, returned home with them after spending two weeks with their grandparents, Mr. and Mrs. Borthwick.

Mr. and Mrs. Ronald Borthwick of West Lafayette spent Sunday in the home of his parents.

Mrs. Anna Hursey entertained a few friends Monday evening in honor of Mrs. Elizabeth Milliman who is leaving soon for Texas. Those present were Mrs. William Keeler, Mrs. Sam Armstrong, Mrs Arden Inlow, Mrs. Charles Woodcox, Mrs. Leon Kees, Mrs. Viena Rude, Mrs. Milliman and the hostess. The evening was spent playing bunco after which a delicious lunch was served.

Mr. and Mrs. Paul Carpenter, Mr. and Mrs. Harvey Hull and Mr. and Mrs. Joe McSpadden were Thanksgiving guests in the Calvin Hull home in Sherwood, O.

Mrs. Parlia Hull was called back to work at the Magnavox Company Monday after a lay off of six months.

Jo Bowser spent the Thanksgiving holiday with her parents, Mr. and Mrs. Roy Bowser. Jo is a music major at Wittenberg College. She is a member of the Wittenberg choir holding first chair in the second soprano section and is a pledge of the Chi Omega, Tau Gamma Chapter sorority. To her friends and family Jo described college life with two "w's"—work and wonderful.

Mrs. Robert E. Davis and children spent Thanksgiving day in the home of her parents, Mr. and Mrs. Roy Bowser.

The A. H. Lawson family and Jack Bowser spent Thanksgiving Day in Muncie, Ind.

Mr. and Mrs. H. L. Kinsey of Wolcottville called on Mr. Kinsey's mother, Mrs. G. A. Kinsey, Sunday afternoon. She is in the home of Mr. and Mrs. Roy Bowser for the winter.

Grace Dilley was a guest in the William Staman home a few days.

Mr. and Mrs. Don Burley were at Beardstown, Ill., with their son, Dr. Bob Burley, and family for Thanksgiving.

Mr. and Mrs. C. C. Woodcox have returned home from a visit with their children at Detroit.

Ralph Sechler is on the sick list.

Mr. and Mrs. Charles Cook entertained Mrs. Cook's family, the Isenbergs, for Thanksgiving. There were thirty-five present.

Sam Mumaw is in the Williams Convalescent Home in Butler.

Around the Town

With the Editor

Minds, great and otherwise, often run in the same channel.

Evidently the scandals involving the income of some of our public officials had some thing to do with it because the fellow next to me at the informal supper at our congressman's residence Saturday evening said, "You know, this house isn't any better than anyone else's."

I must admit that I had a critical eye as I entered the door that evening—and had come to the same conclusion.

A family dog at Spencerville caused some letter writing last week. It seems the pooch used a neighbor's yard for purposes other than those the owner had intended and a rather nasty and threatening piece of literature was mailed to the dog owners. They indicated that they will try to keep the dog around home and tie him up if necessary.

—If people and dogs can't get along, how can people and people??

There was more excitement after the Spencerville-Coesse game last week. The Coesse school bus broke down as it left after the game. The oil had drained from the crankcase. Evidently they thought Spencerville pranksters had drained the oil and stormed into town with blood in their eyes. It was found upon investigation that the oil line had broken and that was the reason for no oil. Then they figured that Spencerville had broken the oil line.

—And so on into the night.

Everyone had a swell time at the skating party Monday night at the Silvermoon. There were over 150 people from this community enjoying the fun.

One of the skaters was having a great time laughing at those who took spills during the evening. He got pretty cocky as the last round began when—boom!—And only two minutes to go for a perfect evening.

—My knee still hurts.

This is the final list of contributors to my "buck or half a buck" fund. The total came to $75.75 and put the front-page thermometer out of business.

Thanks from me to those who responded to the call.

T. E. Haberkorn, Sr., Fort Wayne, Mrs. Amalia Rathert, Fort Wayne, Ed Storer, St. Joe, Bill Staman, St. Joe, Ralph Sechler, St. Joe, Miss Augusta Haberkorn, Fort Wayne, Miss Emma Haberkorn, Fort Wayne, John Haverstock, Leo, J. C. Provines, Auburn, Leo Schendel, St. Joe, Jim Tatlock, St. Joe, Clayton A. Baker, St. Joe, Ray Reasoner, St. Joe, Russell Walter, St. Joe, Robert Coburn, St. Joe, Otto Ginther, St. Joe.

CARD OF THANKS

We wish to express our gratitude for the kind expressions of sympathy, the flowers and the assistance and comfort given us at the death of our mother.

Mrs. Callie Ridgway
Mrs. Emma Freeburn
Mr. Glen Wineland

Tigers Gain Double Victory Over Raiders

With an exhibition of phenomenal shooting Wednesday evening, St. Joe defeated Spencerville at the local gym by a decisive 80 to 49 score. First half shooting showed a percentage of 56.3, and 45 percent for the whole game.

The Tigers were evidently waiting for this one and were really "up." Beautiful rebounding by Kenny Walters and Jerry Keener, who played an inspired game throughout and seemed to suddenly snap out of a rather poor start this year, and the deadly accuracy of Don Walters rocked the Raiders back on their heels. They never threatened after the first few minutes of play.

But those three were only part of the much-desired victory. Bob DeLong again showed that he is a definite contender for a starting assignment, and late in the game when victory was assured, Coach Jim Tatlock substituted freely and the replacements continued to hit, McMaken dropping in three looping one handers and Bassett picking up two buckets.

Eddie Hook again was the mainstay of the Spencerville five, getting ten baskets and 11 of 13 free throw attempts for 31 points. Jack Haas, who has been "on-again-off-again" this year was "off" Wednesday and was good for only two points. Fry was second high for the Raiders with 6.

Hook did a fine defensive job on Bob Richmond and held the Tigers' scoring ace to 9 points.

The high spot of the evening, however, came in the first game which was not decided until Beebe dropped in a desperate shot as he fell away under the basket with seconds to go. The final score was 32-30.

The quarter scores showed St. Joe ahead 9-7 at the first, tied at 17-all at the half and Spencerville ahead 26-25 at the three-quarter mark.

Coburn was high for the winners with 11 points. Culbertson had 7. Leonard and Butler each had 9 for the "B" Raiders.

EDITOR AND WIFE ATTEND MEETING AT HOME OF CONG. E. ROSS ADAIR

Mr. and Mrs. Ted Haberkorn attended a buffet supper Saturday evening at the home of Cong. and Mrs. E. Ross Adair in Fort Wayne. The supper was given for republican county chairmen, vice-chairmen and newspaper editors in the Fourth District.

The evening was planned as an informal get together to give the Fourth District representative an opportunity to meet with county officials and editors. Public opinion was Mr. Adair's chief concern and he was explicit in stating his desire for hearing from the voters in his district. He also commended the assistance of the newspaper editors in the counties of the Fourth District.

HARLAN AMERICAN LEGION AUXILIARY POST 422

The American Legion Post 422 and Auxiliary: Harlan Ind held a chilie supper at the post home on Nov. 27; a large grope of members and guests were present. A free will offering for supper was taken. the auxiliary held their meeting after supper.

Local Water Supply Beneficial To Health

Nearly 750,000 Hoosiers in 56 cities and towns now have a public water supply with enough fluorine in it to help prevent cavities in children's teeth, the Indiana State Health Board reports.

Dr. Roy D. Smiley, director of the board's dental health division, wrote in the current issue of the board's "Monthly Bulletin" that five other cities and towns had purchased or ordered controlled fluoridation equipment, 16 are planning fluoridation and 62 others are investigating it.

"It is possible for Indiana to have 49.5 percent of its population receiving fluoridated water by 1955," Smiley said.

The 56 communities with an adequate supply in their public water already include 53 with a natural content great enough to affect tooth decay, and three which during the past four months have added fluorides to their water supply in treatment plants. These three are Indianapolis, Ft. Wayne and Huntingburg, with a total population of 624,000, representing 16 percent of the state's population.

Health officials have learned that 1.0 part of fluorides per million of water is about right for controlled fluoridation. That's the ration used in the three cities. But they also believe that 0.7 is a favorable ratio, and that's what the 53 other cities have in their natural water supply—0.7 or more.

Smiley said a survey in Adams County last December with 4,200 children examined showed no decayed permanent teeth in more than 2,100 of them and only one-third the amount of decayed permanent teeth as was found in children living in another community surveyed where little or no fluorides were present in the water supply.

St. Joe's water system is fortunate to be one of DeKalb County's four towns with an adequate supply. The others are Auburn, Garrett and Waterloo.

The table of content by cities as prepared by the health board seemed to indicate Lowell in Lake County was most heavily endowed by nature with 3.5 parts per million, five times the adequate minimum. The only possible harm from that much fluorine is "some mottling of the tooth enamel (brown stains)," Smiley wrote.

Adult 4-H Leaders Honored

DeKalb County adult 4-H club leaders and extension office personnel were guests Tuesday night last week of the merchants of Auburn at a banquet in the basement of the Auburn Chamber of Commerce building.

Ivan Willibey of Auburn presided at the meeting. The invocation was given by Arthur Lautzenhiser of Franklin Twp.

The dinner was served by members of the DeKalb County Home Economics Association. The address of welcome was given by Donald C. Schaab of Auburn, president of the Auburn Chamber of Commerce. Mrs. Dora Lautzenhiser of Franklin Twp., a 4-H adult leader, gave the response.

County agent Ernest Lesiuk and the home demonstration agent, Mary Lenore Moore, presented the awards to the 4-H leaders. Pins were given to the leaders as follows: bronze clover pins to first year leaders, silver clover pins to fifth year leaders and gold clover pins to tenth year leaders. Certificates were presented to first, fifth and tenth year leaders and seals to second, third and fourth year leaders to add to the certificates which were presented to them at the end of the first year of service.

Leaders who received awards included:

Gale Brown, Grant; Mrs. Lois Fisher, Spencer; Mrs. Alma Lung, Wilmington; Mrs. Violet Baker, Newville; Mrs. Dorothy Dye, Keyser; Mrs. Joanne Scattergood, Richland; and Arthur Krieg of Newville, all one year service leaders; Mrs. Mildred Wappes. Butler; Max Riggins, Grant, and Wilbur Conley, Jackson, two year service; Mrs. Muriel Snyder, Troy; and Mrs. Hazel Sutherland, Fairfield, three years service; William Deck of Auburn and Robert Witt, Spencer, four years service.

Mrs. Iren Knox, Stafford, five years; Mrs. Esther Porter, Jackson, six years; Mrs. Ruth Butler, Concord, and Mrs. Dorothy Shugart, Auburn, eight years; Mrs. Dora Lautzenhiser, Franklin, and Mrs. Lazeal Boger, Union, ten years; Wade Libey, Ashley, 13 years; Albert Berg, Butler, 16 years; and A. H. Lawson, Concorn, 17 years.

Unable to attend were Paul Bateman, Garrett, 24 years; Helen Butler, Auburn, 10 years; Pauline Metz, Butler, eight years, and Mrs. Lillie Lehner of Garrett and Mrs. Doris Matson of Corunna, one year each.

The leaders represent a total of 164 years of 4-H club service.

OBSERVES 80th BIRTHDAY

Frank T. May of RR1, Auburn, observed his 80th birthday Monday at his home 4 miles northwest of St. Joe.

He was born December 3, 1871, in Concord Twp., DeKalb County, a member of a family of seven children.

He and Miss Margaret Krise, also of Concord Twp., were married at Spencerville by the Rev. Dunlap of the Lutheran Church on December 18, 1898. They resided in DeKalb County all their married life. Mrs. May died in October of 1946.

They had two children, Crates S., who died in January of 1949, and Mrs. Violet Baker of RR1, Hicksville, Ohio. There are six grandchildren and two great grandchildren. He has one sister living, Mrs. Viola Coe of Sacramento, Cal.

On Sunday, December 2, a group of Mr. May's relatives were entertained by his daughter and husband, Mr. Roy Baker, at their home northwest of Hicksville.

A beautiful birthday cake graced the bountifully filled table at the noon hour. Mr. May received many useful gifts and congratulations.

Those present to help in the day's festivities were Mr. and Mrs. Duane Amstutz and son, Jerry, Mrs. Peter Amstutz of Grabill, Mr. and Mrs. Don Opliger and daughter, Kathy, Misses Georgie and Ramona May of Ft. Wayne, Mrs. Cora Markins of Butler, Mr. and Mrs. Richard Fellers and children, Mr. and Mrs. Austin Fellers and children, Dottie, Carl and Ronald, two friends of the Fellers family, all of Waterloo, Mr. and Mrs. Robert Fellers and children of Jackson, Mich., and the host and hostess and daughter, Mary Jane.

Talent Show At Spencerville Saturday Night

Saturday evening, December 8, is the date for the Talent Show sponsored by the Spencer Twp. P.T.A. to be presented at the gym in Spencerville.

The deadline for entries for the show was November 24 and Mrs. Virgil Kimes announced this week that many entries have been received and it promises to be an enjoyable evening.

Reserved seat tickets are on sale and may be obtained from Mrs. Lester Anthony or Mrs. Kimes. There are also several members of the P.T.A. who have tickets for sale.

The Spencerville school band will present several numbers before competition starts in the quest for talent and will also present numbers while the judges are choosing winners.

Each entrant will receive a gift for his participation and the top three performers, as determined by the judges, will receive special awards.

Master of ceremonies will be Mr. Bill Weninger. Ushers will be Mr. Lester Anthony, Mr. Virgil Gerig and Mr. Virgil Kimes.

Raiders Lose To Harlan, Edge Coesse

Harlan's Hawks and Spencerville's Red Raiders met Wednesday of last week to decide something or other, each having posted a 0-4 record for the season up to that point. Harlan then downed the Raiders by 58-41 for their first win.

Jake Yoder led the scoring with 23 points. Eddie Hook matched Yoder's output but received little help in the scoring column from his mates.

The prelim went to Spencerville, 21-19.

Harlan				Spencerville

Yoder	11	1	23				
Chaney	0	1	1				
Totals	21	16	58	Totals	16	9	41

Spencerville won its first 1951-52 victory Friday night at Spencerville, winning an overtime from Coesse, 44 to 42.

The score was deadlocked at 15-all at the first quarter. Spencerville held a 23 19 halftime lead before Coesse took a one-point 34-33 lead at the three-quarter mark. The regulation time found both teams deadlocked at 41.

A double foul gave each team a free throw at the start of overtime and then Eddie Hook put on the clincher with a hook shot with about a minute remaining. Coesse tried desperately to get the ball as the Raiders went into a possession game but each time they drew a foul.

Hook again was high man for the Raiders with 22. Jack Haas came up with 12. Moroff of Coesse had 16.

Spenderville				Coesse

Pickles Romp Over Ashley Five, 92-49

Sechlers Pickles soundly defeated a highly touted Ashley independent five last Thursday by a 92-49 score.

Pickles held quarter leads of 17-12, 40-19 and 72-36.

The locals had perhaps one of their best-balanced scoring nights as five men broke into double figures in the scoring column. Schroer came up with 21, Kimes 15, Stauffer and Clark 14 and Broderick 11. Ashley lost three players on fouls.

Pickles will play Saturday evening at Akron, Ind., on that town's regular "independent" night.

Time To Put In The Champs

How Much Is Your Tax???

Everyone at one time or another experiences a sudden realization which places in his mind a new concept of a situation or condition.

The "dawn" broke on us recently, probably because of the raise in income taxes and our figuring approximately what the bill would be for 1951. The new picture came in to view when the thought occurred—"suppose the 'convenience' of the withholding tax were removed, what would be the reaction?"

The withholding tax has had its advantages, spreading the tax burden over the twelve months of the year and, as an aid to the taxpayer, turning the book keeping of the withholding tax over to the employer.

As we continue to spend our national income for programs we could well do without and try to overcome the ills of the world with our generosity, the tax burden is felt, certainly, but not so greatly as it might be. The wool pulled over our eyes in the form of the withholding tax shuts out the true picture of just hom much we are spending. More important, it blinds us from the knowledge of what that spending means in terms of each individual's pocketbook. If the wage-earner had to pay his one, two, three, four hundred or whatever dollars his year's tax was found to be in a lump sum, there might be a different—or perhaps we should say "more active"—reaction to our leaders' use of our tax money.

The withholding tax is an evil. It is an evil because it eases our burden in supporting the government of our nation, thereby offering an opportunity to men in high office to take advantage of the resulting indifference.

The easiest way is not the best way. The Good Book says so.

Goal Won For '51

With the help of several readers of this paper, the St. Joe Valley Recreation Club, Inc., this week reached its goal of thirty-five hundred dollars raised for installation of lights at the softball diamond in St. Joe. This accomplishment was achieved in only ten months time.

The response of residents in the community has been gratifying and the gains which the club has made and will make in the future are results of the interest shown by those residents. The final "push" made by our readers netted a total of seventy-five dollars and seventy-five cents for the club.

It is unfortunate, however, that the estimates made on the cost of several items needed for lighting the diamond were low due to increased prices. The original sum was thought to be sufficient to include bleachers and a public address system. But as it has turned out, nearly all of the money raised has been needed for the light installation.

Ah, America!

Ponder over the following news release:

"Persons on relief in Rhode Island may keep their television sets if they bring 'solidarity' to the family."

The acting public assistance administrator continued on the subject as follows:

"We don't consider it so essential that we would provide money to buy it, but if a family has a TV set and it is found that it is serving the interests of the family's welfare, then we don't think they should be required to sell it."

—And we wonder why we've got troubles.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Deuteronomy 29-34.
DEVOTIONAL READING: Deuteronomy 30:11-20.

Hero's Farewell

Lesson for December 9, 1951

A moving picture company once conceived the idea of recording and putting on the screen all over the country what two opposing candidates were saying on various problems. It was enjoyable, or maddening, according to your political views, to observe the contrast. Both men read what they had to say, but their reading was entirely different.

Dr. Foreman

One man kept his eyes on his little desk, never made a gesture, never looked at the audience. It was not inspiring,—just a middle-aged man reading to himself. Candidate B on the other hand never let his script come between him and his listeners; he kept his eye on them and unless one observed him carefully one would not notice that he was reading. (He won in a walk, too.) Now the way to get the true flavor of Deuteronomy, especially the chapters selected for this week, is to listen to some one read it who can read like Candidate B. For Deuteronomy is not a desk-book; it is mostly out-of-doors oratory. It was not meant for the eye first, but for the ear.

• • •

After the Great Man, What?

A great hero, Moses, was taking leave of his people. In spite of all the grumblings and the rebellions, it is no exaggeration to say that for those people he stood in the place of God. He not only towered above his own generation, but he cast a light far into the centuries, so that to this day we are indebted to the inspired greatness of Moses, the man of God.

Yet the greatest of men must die. When it came time for him to say farewell it is hard to imagine the sinking of heart that all his people felt.

Before them lay the unknown; their whole course of life was about to change, in ways they could not foresee; with Moses gone, how could they face the future? Was he to leave after him (as some "great" men have done) only a vacuum?

• • •

A Challenge

IN the closing days of his life, Moses focussed his people's eyes on two things. First was the Law. Life is not lived by impulse and inspiration only. Life, to have power and meaning, must be a patterned life, clear and definite lines, a sense of direction. So Moses left behind him—not full details, these were for others to work out—the main lines of civic and social, as well as individual life, in the Law which God had made clear to him as the true "design for living."

But Moses does not simply pound it into people's ears: You shall, you must, these are the orders! He sets it out as a clear choice. He shows the people the alternatives: Life and Good on the one hand, Death and Evil on the other. Make up your mind, he says: Choose. The Law of God does not force you.

It is not an arbitrary thing. The reason for the Law is never "just because." The reason for the Law is that it is the way to live. You don't have to keep it, Moses says in effect; but if you choose to reject it, the end of the other road is Death.

This is true for individuals, it is true for nations. It is a terrific mistake to think of God as ordering us about for his own amusement, or to tie us down. He gives us orders for our own sakes.

• • •

A Song

ANOTHER legacy Moses Leaves behind is a Song. We do not usually think of Moses as a poet, but Deut. 32 is ascribed to him. He knew people might forget the Law, but a Song they would not forget. "I care not who writes a nation's laws," said a philosopher, "if only I can write its songs."

What Moses gave his people was no mere tuneful trash, but a grand hymn of faith. What Moses most of all wants his people to do, is not to remember him but to remember God. So after all the law is on the books, and all the speeches have been made, at the last he gives his people a Song, to remember God by.

Is it not so always? What are the parts of the Bible that mean most to all generations? Always the singing words of Psalm and prophet and gospel, the rhythm of Paul's chapter on Love, the majestic choruses of the Revelation. Though great men pass, though the mind forget the Law, the heart will not forget the Song.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

TAXPAYERS PAY HUGE BILL—Last year the government--that's you--paid out $35.2 billion income payments to individuals. They consisted primarily of payments on the public civilian payroll, pay of the armed forces, including family allowances, various benefit payments such as those to veterans and from social benefits and public assistance and other direct relief. This information is compiled from figures of the Department of Commerce.

To break this figure down into understandable terms, it means that one-sixth of every dollar of income received by the American people from all sources in 1950 was obtained from the various governments--federal, state and local. It is a huge bill and one that bears considerable study in view of what it means to the taxpayer who must dig up the dollars to pay it. In fact, it will have to be pared in the future to protect the economic security of the nation.

TREMENDOUS INCREASE NOTED—Back in 1929, there were only 10 states in which the combined government payments to individuals amounted to 10 percent. Now there are no states but what receive at least 10 percent.

REDS STILL ON JOB—Senator McCarran, a Democrat from Nevada, who is chairman of a subcommittee investigating alleged disloyalty in government circles, has issued this statement: "I don't think the loyalty program has done its work completely. I think there are Communist sympathizers today in several government departments. They appear to be a substantial degree in the State Department, but they're in other departments as well."

IRON CURTAIN DROPS HERE—An iron curain is being drawn over a large part of our government's operations because of the President's censorship order of September 25.

It has been difficult at all times to obtain a complete picture of what is going on in the maze of bureaucratic offices because of executive red tape and confusion. But now, both the military and civilian agencies seem to have eagerly accepted the President's order and are withholding as a matter of censorship policy important information on the government which should be available to the public. The agencies are rubberstamping many documents as "for official use only," "top secret" and "secret and confidential" regardless of whether or not they are vital to defense.

This iron curtain must be lifted before the nation becomes entirely blacked out on its government's operations.

Spencerville News

Mr. and Mrs. Lee Hollopeter were Sunday dinner guests of Mrs. William Sommers.

Mrs. Claudia Hafner and Mr. and Mrs. Edwin Billman left Saturday morning for Bradenton, Fla., where they will spend the winter.

Letters to the Editor

Port Richey, Fla.
Nov. 26-51

Friends in Indiana:

We are in the midst of real summer weather, the temperature ranges around 80 degrees in the day time and 60 degrees at night.

Yesterday afternoon a big fog rolled in from the gulf suddenly and you should have seen the fishermen scurry home. This fog becomes so dense it is impossible to see. Fishermen who are familiar with this condition usually anchor their boats until the fog lifts. Those unused to the sea try for harbor and get lost.

Last week a couple who had gone out fishing failed to return in the evening and the coast guard went into action. They were rescued by a local commercial fisherman. Their engine had failed to function and they were compelled to stay out all night.

People are not coming in very fast this year and many vacancy signs are seen everywhere. Traveling by house car has become so general that it is hurting motel business.

R. D. Baker and Dick Haynes called on us last Sunday. They were on a little holiday trip before RD starts his military training.

We are fortunate in that we hear the news over WOWO each morning which is a home-like experience.

Your Friend
Clyde Hart

Local News

The Mt. Pleasant Church, north of St. Joe, will hold its Christmas program Monday evening, December 24. You are invited to enjoy the Christmas spirit with the church.

Mr. and Mrs. Harvey Hull had as Sunday guests Mr. and Mrs. Calvin Hull and family of Sherwood, O.

Mr. and Mrs. Don McElroy and Mr. and Mrs. Ted Haberkorn and sons were Sunday evening guests of Mr. and Mrs. John Haverstock at Leo.

Master Dale Harter is visiting with his grandparents, Mr. and Mrs. Charles Woodcox, while his parents, Mr. and Mrs. Robert Harter, are on a deer hunting trip in Pennsylvania.

Mr. and Mrs. Ted Haberkorn attended the Christmas Party of the Fort Wayne Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., Monday evening.

Dr. and Mrs. Ralph Broyles of Fort Wayne were guests of the Ralph Sechlers Saturday afternoon. Mr. and Mrs. Glen Bowen and Mr. and Mrs. Hiram Dunkle were callers on the same day.

Mr. and Mrs. Glen Kinsey entertained nineteen last Sunday to a birthday dinner in honor of Mrs. M. C. Blue, Mr. Jim Kinsey, Mrs. Patricia Kinsey and Eddy Kimes. Those present included Bob and Larry Kinsey, Mrs. M. C. Blue, Mrs. Margaret Sheardy, Mr. Donald Kinsey, Mr. and Mrs. Albert Wade and Sally and Franklin, Mr. and Mrs. Glen Kimes and family and Mr. and Mrs. Jim Kinsey.

Wednesday evening guests of Mr. and Mrs. Ted Haberkorn were Mr. and Mrs. John Haverstock.

The skating party Monday evening was attended by over 150 persons.

Pvt. Raymond Murphy's address given last week should have read "M.C.R.D." in place of "N. M.C.R.D."

LADIES LITERARY CLUB

The Ladies Literary Club held annual Guest Night on the evening of November 28.

Supper was served to the members and their husbands or guests at 6:30 at the Yellowstone in Hicksville.

Mrs. Maurice Kline, president, welcomed the guests and Mr. Merritt Sechler gave the response to the welcome.

The program for the evening was held at the home of Mr. and Mrs. Glen Cole. Dr. and Mrs. Hippinsteel from Auburn showed very scenic and interesting pictures of their travels during his time in service.

Picture of a man making a smart decision

HERE is a man who's been doing a lot of thinking.

Someday, he's told himself, I'm going to turn in my old car and get a new one.

And he said, still talking to himself, when I do that I'm going to size up the field—give 'em all a real going over.

You see him here at the wheel of a Buick. He hasn't bought it—yet. It's a demonstrator, and he's trying it out.

But the more he tries it, the more he knows he's been wasting a lot of time.

From the moment he looked inside, he said: Here's the room—and the comfort—and the style I've been looking for.

Then he nudged its Fireball Engine into action. It's a high-compression valve-in-head, as you probably know.

He eased out into traffic. Stopped and started for a couple of traffic lights, and said something to the effect that this Dynaflow Drive* is a honey. Why don't they all build 'em this way?

He saw a bump ahead. Place where the pavement had been torn up. Other cars were braking down to a creep to cross it. He held back—rolled right across at regular speed with barely a bobble.

It's hard to believe, he said, but what they say about Buick's ride is right.

Ten minutes later he was out on an open stretch of road. Tried an experimental push on the gas treadle. Boy,—what a take-off! You couldn't want more power than that.

Ten minutes more—and he knew something else. You don't really steer a Buick. It just about steers itself. Stays right on the beam on the straightaway. Even straightens itself out after a curve.

To make a long story short—he's found out that nothing else he's tried out can hold a candle—not even a little Christmas candle—to this bonnie beauty.

Back at the Buick showroom, he's going to get one more surprise. The price of a Buick is a lot less than he'd guessed it would be.

Moral: Smart Buy's Buick—right now.

AMERICAN LEGION AUXILIARY

The annual Christmas Party for the children of the Legion and Auxiliary members will be held on December 11 at 7 p.m. Mary Miller, Mary Wilder and Shirley Ludwig will plan the program.

Harriett Baker and Gretchen Noragon will attend a meeting of the Legion Auxiliary at the Legion Post 47 in Fort Wayne on December 10 at 10 a.m. The department officers and chairmen will be present to instruct the district and unit officers and chairmen of their duties. All members of the Auxiliary are urged to attend so that they will be better acquainted with the activities of the Auxiliary. Anyone from St. Joe wishing to attend contact Harriett Baker.

NEWVILLE TWP. HOME EC CLUB

The Home Economics Club met at the club house for the November meeting with Bernice Miller, Freda Engle, Lois Guiff, Cynthia Sipe and Kathryn Kreig as hostesses. A fine pot-luck dinner was enjoyed at the noon hour.

Mary Platter, vice-president, took charge of the meeting and opened with the song of the month followed by all repeating the creed. Devotions were given by Nellie Richards after which a hymn was sung. The secretary's report was read and approved. Roll call was answered by thirty-four members. There were three guests and three children present.

Short reports were given by various leaders including the Health Leader, Gladys Impton. She and Blen Moore have finished the nurses' course at Auburn.

There will be First Aid classes the first of the year.

Cynthia Sipe gave an interesting report of the Achievement Day Program held at Waterloo recently.

Dorothy Meek, Hospital Representative, announced for all members to bring their fruit and vegetable donations for the hospital at the next meeting.

It was voted to join the Roadside Park Council again next year. The vice-president announced the names of the various leaders for the coming year. It was voted to change the name of the club to "The Newville Township Home Demonstration Club." It was also voted to answer roll call with special topics again next year.

Birthday, welfare and flower collections were taken. The waist measurement aprons were turned in and the Finance Committee announced $12.52 received.

Cards were signed and sent to Dessie Osmun, Sada Washler and Mrs. Radenbaugh.

The club resolutions were given in unison.

Elva Hook entertained with a Thanksgiving monologue and Lucille Nelson conducted several contests.

The December meeting will be at the home of Blen Moore and will start with a pot-luck dinner at 11:30 CST. The "secret pals" will be revealed at this meeting.

LOYAL WORKERS CLASS

The Loyal Workers Sunday School Class of the Spencerville Lutheran Church held their November meeting at the home of Mr. and Mrs. Roy Chaney.

The meeting was opened by the president, Mrs. Flossie Rhoads, who also had charge of the devotions, assisted by Mrs. Alma Hart.

Scripture reading, prayer, two hymns and several readings on the subject of "Thanksgiving" and "Giving Thanks" were given by members. This was followed by several short but interesting and amusing contests.

The business session included the election of officers for the coming year as follows:

President—Mrs. Flossie Rhoads.
Vice-president—Mrs. Jennie Walter.
Teacher—Miss Fern Walter.
Assistant teacher—Mr. Gideon Ringenberg.
Secretary-treasurer—Miss Pearl Goldsmith.
Assistant sec.-treas.—Mrs. Addie Miller.

A social hour followed, all enjoying a very delicious carry-in lunch including several warm dishes served by the hostess.

About 25 members were present and 1 guest. All thanked the host and hostess for a very pleasant evening.

CULTURE CLUB

Mrs. Herbert Amstutz was hostess to the Culture Club last Wednesday night, November 28.

The club collect was read in unison. Mrs. Sam Armstrong gave the devotions.

After business, Mrs. Harvey Carr, acting as auctioneer, passed out many pretty and useful articles to the highest bidder. Proceeds amounted to nearly $40.

One guest was present, Mrs. Robert Draggoo.

The hostess, assisted by her cohostess, Mrs. Russell Hofer, served Raggedy Ann salad, crackers and coffee, then a generous helping of Christmas candies and cookies was passed.

homemakers everywhere say...
once you've tried
Electric Cooking
You Never Change!

I have used different methods of cooking during the 20 years I've been housekeeping, but now that I have an electric range I would never consider going back to any other method.
Mrs. A. Burgess

Thousands of homemakers agree with Mrs. Burgess.

Foods cooked electrically just "naturally" taste better. Then there's cleanliness . . . coolness . . . safety — in fact all the things you've ever wanted.

And, electric cooking is cheap, too. Add up all its advantages and you'll know why—it pays to use an electric range.

WE'LL put it up to you! There must be plenty of good reasons why more people buy Chevrolets than any other car.

Here are some things to think about.

There's the way Chevrolet looks. Nice clean, curved lines—like cars in the high-price field! Chevrolet's Body by Fisher sets the pace among low-priced cars.

There's the way Chevrolet rides and handles. The smoothness and big-car comfort of Unitized Knee-Action. Bigger brakes—biggest in the field—for safer, surer stops. Finest no-shift and standard driving at lowest cost with Powerglide or Synchro-Mesh transmission.

There's the way Chevrolet saves. Chevrolet is the lowest-priced line in the field and the savings go on and on with low operating costs.

There are plenty more reasons why Chevrolet is America's favorite. Come in and let us show them to you.

Chevrolet's time-proved
POWERGlide
automatic transmission
Finest no-shift driving at lowest cost. Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

Around the Town

With the Editor

After that bit of griping a couple of weeks ago about the detour between Spencerville and Leo, Mrs. Auber Butler suggested that I get the facts before writing something like that. If anyone thought I was criticizing the construction company for not getting the repair job done, it was the wrong impression. It happens that Mr. Butler is handling the construction work on the washout causing the detour. It also happens that two weeks ago I wouldn't have known Auber Butler from Adam if I had seen him on the street.

Then at the St. Joe-Spencerville game last week, the gentleman next to me was keeping a record or the shooting of the Raiders' second team and remarked that his boy had made four out of seven shots. I asked what his name was and, just by chance, it was Butler—and the gentleman keeping the score card was Auber Butler.

To make a long story short, he gave me the lowdown on the delay—the government has steel so tied up in red tape and priorities, etc., that the steel suppliers are hesitant in filling orders, even with priorities. Because of this, his work was 6 weeks behind schedule.

—Great country.

John Crothers made his nomination for the "meanest thief of the year" this week—whoever cut off the tops of the two evergreen trees at the entrance to Alton Cemetery, evidently to use them for Christmas trees.

The little woman and I took in the Piston-Rochester thriller Sunday evening at Fort Wayne North Side gym. We were on a couple of those floor seats right under the basket—sometimes a pretty busy spot what with those 6'-9", 6'-10" 220-lb. boys romping around in that vicinity. We were lucky that night, though—the little ones were falling over us. I had Bob Davies in my lap in the first half and Frankie Brian scuffed a run in Esther's hose when he came driving in on one occasion in the second half—and I do mean "driving."

Oh well, it isn't every day that you can get kicked in the shins by "Flash" Brian.

The basketball bribery scandal hasn't hurt Ft. Wayne's enthusiasm for professional basketball. In the last few minutes when Rochester was pressing the Pistons for the lead, the fans hollered their encouragement to the boys as they came down the floor and began that concerted handclapping. And when the gun ended the game with the local team on the good side of a 86-84 ball game, you'd have thought it was a high school crowd as they jumped to their feet with a final cheer for victory.

And don't forget, Pickles play their first game in the Piston Invitational tournament next Thursday, December 20.

The mighty hunters have returned—empty handed.

Moss Yeiser, Lester Coburn and Dan Desby returned Sunday from a trip to Pennsylvania which was supposed to net a deer story or two. There's a story all right, but not one to illustrate with a trophy of the hunt.

Pennsylvania had a cold spell for about three weeks and the deer lost their headgear off schedule. It's against the law to shoot less than a 3-pointer, so all the boys could do was guess at how many points the deer they saw would have had.

Got a couple more bucks for the ball diamond kitty Friday night from Lew Walter, for himself and Donald Yeiser.

That makes $77.75 so far.

Tigers Continue Winning Ways Over Ashley, Ney

St. Joe added two victories to its record during the past week with a 73-57 win over Ashley and a 70-54 victory at the expense of Ney, O. Both games were close through the third quarter before the Tigers exploded for 4th quarter totals of 28 and 24 points, respectively.

The Aces, here last Friday, held a first quarter lead of 14-13, Kenny Walters dumping in 9 of the locals total. Then Bob Richmond picked up 8 in the second quarter to lead his mates to a 31-27 half-time advantage. They extended it to 45-39 in the third stanza before opening up in the fourth with Kenny picking up 8 and Jerry Keener and Richmond each getting 7. Tharp added 4 and Don Walters 2 in that period.

The seconds also won their tilt from Ashley, 33-24.

Ashley held a first quarter lead of 11-8. Then as they went scoreless in the second period, St. Joe made 12 to make it 20-11.

That second quarter was the downfall of the Aces as each team scored 13 in the last half to make the final, 33-24.

Beebe had 10 and Morr and Culbertson 9 each for the winners.

Ney, O., came to St. Joe Tuesday and threw a scare into local boosters in the second and third quarters. After St. Joe had jumped to an early 15-6 lead with some remarkable shooting and team play, they suddenly cooled while Ney drew up to within 2 points at the end of the first quarter, 17-15.

Each team got 15 in the second period to make the score 32-30 at that point.

Then Ney, led by their tall center, Tahy, who dropped in 11 during the third quarter, picked up 20 points while the Tigers floundered about for 14. The third ended at 50-46 in favor of Ney.

The game was nip and tuck until the last few minutes. Bob Richmond injured his knee and had to ask to be removed from the game. The fears of the local fans at the loss of their leading scorer were short-lived, however, as the Tigers suddenly caught fire. Kenny Walters and Bud Tharp dropped in a couple and the boys stared rolling, netting a total of 24 in the last quarter, the majority coming in the last few minutes. Ney counted for only two buckets as two of their starting five fouled out.

Nine of Kenny Walters' 19 points came in that last frame. Richmond had 15 and Jerry Keener, who has been playing great ball in his last three games, picked up 14. Don Walters' rebounding in the fourth quarter was a major factor in the Tigers' success and he dropped in 10 points. Tharp with 7 and Bob Delong with 5 rounded out the scoring.

Tahy was high scorer for Ney with 19. Stants had 14 and Jesse 12.

Sammy Morr found his shooting eye for the "B" team and poured 18 points in as the locals won the prelim, 44-29.

Quarter scores were 11-8, 21-13 and 36-16, all in St. Joe's favor.

Mrs. Grace Dilley Fatally Injured

Mrs. Grace Dilley, 82, of St. Joe, prominent DeKalb County farm bureau worker, died early Sunday afternoon of injuries received about 20 hours earlier in a traffic accident near Butler.

She passed away at 1:40 p.m. in the Sacred Heart Hospital in Garrett of shock and a severe throat injury. She had been under treatment for a heart ailment for several months.

Her death raised the death DeKalb County traffic toll for 1951 to 16.

Mrs. Dilley was injured shortly before 4 p.m. Saturday when the automobile in which she was riding skidded on slippery state road 1 south of Butler and crashed into a telephone pole. Her daughter-in-law, Mrs. Marvella Dilley, of St. Joe, driver of the car, escaped injury.

The injured woman was taken in the Johnson ambulance of Butler to the hospital at Garrett. Her condition turned critical Sunday morning.

Dr. C. B. Hathaway of Butler, DeKalb County coroner, said he would return a verdict of accidental death.

The crash occurred three miles south of Butler on the state highway. The driver lost control of the car on wet pavement and the car, headed south, spun off the highway on the east side and plowed head-on into the telephone pole.

The deceased, Nancy Grace Dilley, was born February 11, 1869, in Concord Twp., the daughter of Frank and Mary Sechler. She was married to the late Hollis Dilley in Spencerville December 7, 1912. The couple resided in DeKalb County, in Chicago and in Fort Wayne before returning to Concord Twp. 25 years ago.

Her husband died April 8, 1949. Since his death, Mrs. Dilley lived in an apartment at the home of her son, John Dilley, at St. Joe.

Surviving besides the son are three grandchildren; three brothers, Leon Sechler of Fort Wayne, John Sechler of Kendallville and Ralph Sechler of St. Joe; and two sisters, Mrs. William Staman of St. Joe and Mrs. Vernie Monroe of Rt. 1, Auburn.

Mrs. Dilley was a member of St. Mark's Lutheran Church at Joe, a life member of the Women's Missionary Society of the church and a member of the Ladies Literary Club at St. Joe.

She was a past president of the Social and Educational Department of the county Farm Bureau organization and was active in S. & E. work for many years.

Funeral services were conducted Wednesday afternoon at 2 p.m. with Rev. W. H. Baker officiating. Burial was in the Knights of Pythias Cemetery at St. Joe.

Large Crowd At Talent Show

A near-capacity crowd enjoyed the talent show presented by the Spencer Twp. P. T. A. Saturday evening.

Those who attended the show at the Spencerville gym saw John Weninger win the $10 first prize with a vocal solo. Second prize of $5 went to Mickilu Mettert who also sang a solo. Maxine Grable and James Shilling were awarded third prize of $2.50 for their accordion duet.

The Spencerville school band presented several numbers before the show began and during the intermission when the judges were making their choices of the first three prize winners. All contestants received a pen and pencil set for their efforts in the program.

Those who appeared in addition to the above winners were as follows:

Tap dance—Carolyn Sue Walters.

Duet—Mrs. Lois Fisher and Mrs. Louise Zimmerman.

Accordion solo—Larry Furnish.

Reading—Mrs. Eunice Zehr.

Baton twirl—Phyllis Thomas.

Accordion duet—Jim and Sam Snyder.

Trombone quartet — Richard Hartung, Donald Surfus, Butch Pranger, Byron Dickens.

Magician—Dick Johnston.

Reading—Marvel Klopfenstein.

Vocal solo—Eleanor McEwen.

Tap dance—Barbara Ann Clevenger, Janice Kimble.

Piano solo—Doris Kruse.

Baton twirl—Barbara Ann Clevenger.

Baton twirl—Glenda Lee Wolmfrum.

Master of ceremonies was Bill Weninger.

NO ACCURATE CHECK MADE ON NUMBER OF DEER KILLED

A total tally of the number of deer taken during Indiana's first legal deer hunting season in some 50 odd years is not yet complete because of the failure of hunters to return the self-addressed postal card attached to their deer hunting license.

This was a must as was plainly set forth upon the license. Unless hunters return these self-addressed and pre-stamped cards to the department by the mere slipping of the card into a mail box, they will be denied the right to again hunt deer in a future season. At the time the hunter bought his deer hunting license his name was affixed to the stub retained by the seller. These stubs in turn will be checked and hunters failing to return the postal card will be listed as having failed to comply and denied a future license.

It is essential that the Division of Fish and Game receive these cards in order to study the effect of the hunt on the deer population in Indiana. Future hunting seasons depend upon the result of these studies. Hunters, therefore, are urged to mail in the post card.

All county clerks in the state sold hunting licenses for the taking of deer at $5 per license. Clerks are tallying the sales and sending them to Fish and Game just as rapidly as possible. However, as yet the division is unable to tell exactly how many licenses were sold. It is believed that approximately 13,000 were bought.

Farmers and tenants on farms were allowed the privilege of shooting a deer providing the animal or any part thereof was not removed from the premises. Conservation officers are attempting to learn from as many farmers as possible what the kill in these instances was. This takes time and it is to be definitely stated that the conservation department realizes that an exact total of deer thus taken cannot be ascertained because all farmers cannot be visited. It is believed that in all more than 3,000 deer were on the receiving end of shotgun pointed in their direction.

Driver Suffers Neck Injury

Wayne B. Nichols, 30, of near St. Joe, critically injured late Saturday in a traffic accident on road 1 south of Butler, was reported improved this week by attendants at the Sacred Heart Hospital in Garrett.

Mr. Nichols suffered a concussion, shock and a possible fracture of the neck.

The accident occurred shortly after 5:30 p.m. Saturday on the state highway two miles south of Butler.

Mr. Nichols, driving alone in a 1946 Ford, lost control of the car and it spun off the highway and rolled over. He was traveling south. Nichols was thrown into the rear seat of the car where he was found unconscious by a motorist who summoned police and an ambulance.

The wet highway was slippery at the time of the mishap. It occurred during a rainstorm.

Nichols' automobile was a total loss.

R. H. C.

The R. H. C. met in the home of Mrs. Hazel Washler Tuesday, December 4, for their Christmas meeting with pot luck dinner. The table and home were beautifully decorated in keeping of Christmas.

After the bountiful dinner, the president called the meeting to order. There were 12 members, 3 guests and 2 children present. After the business meeting, the program committee took charge with games and contests. The Christmas exchanges were then made.

The day was enjoyed by all and they thanked the hostess for a very nice time.

The next meeing will be with Mrs. Leona Mason January 1, 1952.

COBURNTOWN CHURCH NEWS

There were 32 present at the Young People's Christian Endeavor. Betty Baker led the group in singing. Bill Wilder gave the lesson.

Questions were answered by the group. Mr. Albert Yoder and Nancy Furnish were visitors.

There were about 150 present for the evening service. The message for the evening was "Which Home Is Yours." Special numbers were given by Mr. and Mrs. Hamilton, a duet by Mrs. Hamilton and Darlene Hamilton, also a trio by Betty Mann, Betty Baker and Rhoda Ulm. After the evening service a farewell party was given for R. D. Baker, who is leaving for the service, at the home of Mr. and Mrs. Ralph Baker. A gift was presented to R.D. from the class. Games and refreshments were enjoyed by all.

REVENUE DEPARTMENT TO CRACK DOWN ON FARMERS

Indiana State Revenue Department is preparing to crack down on farmers who make false claims to avoid paying gasoline tax. Gasoline tax is refunded for fuel if not used to propel vehicles on the highway.

A. S. Thomas, director of the tax and legislative department of the Indiana Farm Bureau, advises that the department has discovered claims for refunds on non-highway used gasoline have been tampered with and have denied the refunds.

"Changing sales slips carries a fine and prison sentence," Thomas says, "because it is fraud. The department is preparing to bring court proceedings in some of these cases."

Pickles Win; At Butler Thursday, Zollner Tourney Dec. 20

Pickles won another Saturday evening at Akron, Ind., from a Bourbon independent team, 81-59.

Tom Beck led the socring for Pickles with 9 buckets and 5 free throws for 23 points. "Wimp" Kimes had 15, McCarter 13, Clark 12, Cherry 11 and Campbell 7.

THE AMERICAN WAY

Getting The Boot

The Spirit Of Santa Claus

A letter appearing this week in the "Letters To The Editor" column contains a thought-provoking comment. It's the one about substituting "X"—an unknown quantity—for "Christ" in "Christmas."

A slogan which seems to be popular for the coming Yuletide season is "Let's put Christ back into Christmas." Let's also put some spirit back into Christmas, we might add.

Why have we lost that real Christmas spirit—that good feeling which rewards our giving to someone, whether the gift is large or small?? It's because the true meaning of Christmas has been lost and in its place is a substitute—a roly, poly man in a red suit who hands out toys and everything a child desires. It might be a good idea to change our way of teaching children of Santa Claus by telling them there is no Santa Claus—in a physical sense, that is. He represents the Spirit of Giving, the Spirit of God as originated when God gave His son to the world. We are taught, and our children are taught, in church and in Sunday school, that we can't "see" God; he exists as a Holy Spirit. Perhaps it would be more difficult to educate a child about Santa Claus in the same manner, but he would be better off in accepting Santa Claus in that way rather than as the man who comes every year to bring toys, later to face the realization that there "isn't any Santa Claus—it's Daddy!"

Santa Claus is a Holy Spirit which does exist. There is no man, Santa Claus. But every time we receive a Christmas greeting or a gift, there is a Santa Claus.

Civic Improvements

Some months ago we mentioned the need for a street light at the community gym. Those who attend programs, ball games and meetings there are still "walking in darkness."

The increased interest in basketball games with resultant large crowds, the many activities given and meetings held there serve to emphasize now, even more, the good purpose adequate lighting would serve.

The St. Joe Lions Club is currently engaged in a project to improve and possibly enlarge parking facilities and also repair the sidewalks at the school. They are seeking the cooperation of the St. Joe Valley Conservation Club and the Township Trustee in attaining those goals.

If, at the same time, cooperation from the Town Board can be received in getting some light on the subject, it will be an overall improvement.

At present the school house and gym location is shrouded in darkness at night.

RURAL YOUTH

The DeKalb County Rural Youth Club met November 29 in the court house assembly room. Mr. Albert Yoder gave the devotions and concluded by singing a hymn. Helen Coll favored the group with several accordion solos.

A report was given by Kenneth Sliger, Merlin Weppes and Mr. George Aker on their trip to the Chicago Livestock Show. The Indiana State Police were in charge of the educational feature. They showed a traffic movie and slides taken at traffic accidents.

Refreshments were served and the evening ended with square dancing for those who desired.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Joshua 1-11. DEVOTIONAL READING: Deuteronomy 33:9-13.

Living in Victory

Lesson for December 16, 1951

THE story of the conquest of Canaan is of course a story of historical events. By itself, however, it is not so "edifying" as it once was. Joshua repeatedly committed, or attempted to commit, what is now known as "genocide," or the total deliberate slaughter of an entire nation.

Dr. Foreman

So it is better, all around, to take the story of the conquest of Canaan not in its bare historical form but to follow the example of earlier generations of Christians and take it as a kind of parable, a parable of the victorious life.

• • •

Victory Has Many Wounds

BY the victorious life is meant the life that rises above its temptations, living for God against all opposition, the strong life, not overthrown by selfishness and sin but overcoming evil with good.

First of all, as a famous war correspondent said, "Victory has many wounds." Joshua and his armies won; but they had casualties. No victory is ever won without a fight; or to put it another way, no victory without a fight is worth much. Yet we forget this in our personal struggles against sin. We are tempted to think, I could be a better person if I did not have so many temptations. I could be a better person in more sympathetic surroundings. I could be a better Christian if I had had better upbringing. If . . . If . . .

Maybe you are right, more likely you are wrong. Is an oak a better tree if it is raised in a hot-house? Is a race-horse faster if he never has a hard race? We pray for strength and God sends us difficulties. That is God's way of answering our prayer.

• • •

Life-Long Campaign

IN another way Joshua's wars are a type of the war of our best against our worst. He never did quite conquer Palestine. In Judges I the repeated phrase strikes the eye, "—did not drive out . . ." In the very center of Palestine, for example, what we now know as the city of Jerusalem remained a hostile strong-point for centuries after Joshua.

The whole story of the Israelites after Joshua shows how imperfect the conquest was at first, and archaeology has underscored the record of the Bible. Yet it is true to say that there was a real conquest of Canaan. The country was won, though there was a vast deal of mopping-up to be done. This is again a parable. The victorious life is not the same as the sinless life.

The majority of Christians believe there was one sinless life, but only one. We have a right to call a man good (as the Bible does) without meaning that he is perfect. Some people are needlessly discouraged at this point. If we expect the victorious life to be so completely victorious that not a single tinge of evil remains in it anywhere, we shall not only be expecting ourselves to be better than the saints, but we shall be living in disillusionment.

• • •

D-Day and V-Day

THERE is another, brighter side to this. It is true, no present conquest of evil is complete; but final and complete victory is assured. For the "Captain of our salvation" is Christ, and we Christians believe he has actually conquered evil, once and for all.

As Dr. Cullman puts it, D-Day and V-Day are not the same. The battle of the beachheads came long before the surrender. Christ has put the powers of darkness to flight. The Cross and the Resurrection are the Christian's D-Day. There will be much fighting, many casualties, perhaps many backsets, before V-Day, but it will come.

The only assurance Joshua had that his cause would finally win was his confidence in God. So the real guarantee, and the only guarantee, which a Christian has of ultimate and total victory is that he fights in the name and in the strength of Jesus. As Martin Luther's hymn has it,

"Did we in our own strength confide,
Our striving would be losing."

"Christus Victor." Christ the Conqueror, is an ancient name for our Lord. But his victories are not old finished stories; they still go on—in us.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

TOO MANY GENERALS—There are nearly as many Admirals and Generals in Washington today as there were in World War II when the military forces were three and one-half times as large. This same situation is true with reference to civilian employees in the defense establishment.

These startling facts were divulged recently by the Senate Preparedness Subcommittee in a report to Congress.

At present, there are 361 Generals and Admirals in Washington and 91,081 civilian employees. That's a good size army and navy in any man's country!

The Subcommittee said there "can be no justification" for this "high concentration of upper brass," and, "moreover, a startling number of colonels and captains are serving as mere messenger boys for all this braid and stars."

In the interest of defense and a strong navy and army, this condition should be corrected. Both the public and the Armed Services personnel question such a concentration of "top brass" in the Pentagon while limited forces and materials are going to Korea.

TOP HATS FOR HOTENTOTS—There were less than 1,000 employees in the State Department in this country back in 1932. Now, there are 15,000. During the last 20 years the cost of operating the State Department has risen from 18 millions to the present figure of 370 millions. This figure does not include the billions being spent on the economic assistance administration (ECA) or the arms aid program.

A similar increase has been noted in the foreign service division of the State Department. From a payroll of 963 in 1938, the number of persons in the foreign service has now reached 15,000.

Today the State Department is spending more money than it took to run our entire government from 1890 to 1895, or about $363 million. Pay for ambassadors is now running from $17,500 to $25,000. It looks like some of your tax dollars may buy top hats for Hotentots!

URGENT REQUEST—The following letter was sent to me from a sergeant's wife in the Fourth District. She said:

"Can't something be done to stop this endless slaughter in Korea? I was married in February, my husband had enlisted in the Army six months before, we haven't been able to spend more than a few weeks together in all this time.

"He has been in Korea since August 12! He writes home that he doesn't have enough to eat, nor enough men and equipment!

"The whole rotten business is useless. Please, Mr. Adair, can't something be done?

"Stop it soon! Please."

Spencerville News

Mr. and Mrs. Homer Stemen and family, Mr. and Mrs. Herbert Edwards and son of Ft. Wayne and Mr. Fred Stemen were Sunday dinner guests of their mother, Mrs. Mary Stemen.

Mr. and Mrs. Richard Miller and son of Ft. Wayne were visitors with Mr. and Mrs. Maurice Miller and family and Mr. Vinton Miller Sunday afternoon.

A farewell party was held Friday night at the Lutheran Parsonage for Mr. and Mrs. Woodrow Smith and family who left for a trip in the south.

Mrs. Milton McGrath, Sr. left Saturday for her home in Jacksonville, Florida, after spending a few weeks with her son and daughter-in-law, Mr. and Mrs. Milton McGrath , Jr.

Mr. and Mrs. Gale Bowser, Mr. and Mrs. Milton McGrath and Mrs. Lloyd Wade were Sunday evening dinner guests of Mr. and Mrs. Everett Paschen at Avilla.

Word was received from Mr. and Mrs. George Beams that they were at Schulenburg, Texas, and the temperature was 80 degrees. The grass is green and leaves are still on the trees and green.

John Stemen, Jr. and son of Butler were Monday afternoon callers with Mrs. Mary Stemen.

About 45 members of the Spencer Twp. 4-H Club and the Concord-Spencer G-I agricultural training class will be guests of the Hudson Products Co. and the Spencerville Elevator on Friday, December 14. They will make an inspection tour of the Hudson Feed Mill, experimental farm and laboratories at Okolona, Ohio, and the Lugbill Packing Plant at Archbald, Ohio.

Local News

Mr. and Mrs. Roy Bowser attended the third of the season's concerts given by the Springfield Ohio Symphony Orchestra on Sunday evening. The concert featured the Wittenberg A Capella Choir. The program was divided into two parts. The first part consisted of numbers by the orchestra and choir individually. In the second part, the choir, with full orchestra accompaniment, sang "The Magnificat" by Bach. Jo Bowser was one of the personnel of the choir.

Mr. and Mrs. Ted Haberkorn attended the Piston-Rochester pro-basketball game Sunday evening.

Mr. and Mrs. Harvey Hull and son, Calvin, were Sunday callers of Wayne Nicholls at the Sacred Heart Hospital in Garrett. Mr. Nicholls is improving after an accident Saturday evening south of Butler.

Pickles will face Ronnie's of Hicksville Thursday evening. The game will be played in the Butler gym and will start at 8 p.m. Thursday, December 13.

The St. Joe Lions Club met Monday evening at Chaney's Restaurant. The entertainment for the evening was presented by Mr. Fred Marolf who showed colored moving picures of his trip to England, France and his homeland, Switzerland.

Letters to the Editor

To the Editor:

We are in the season of the year when Americans should be most thankful for the great blessings they have enjoyed. We have recently passed one great holliday, Thanksgiving, one of our national heritages; though the spirit of the harvest festival and day of thanks goes far beyond our Pilgrim fathers, even to the Biblical book of "Judges." But how many show by their actions they truly recognize our most precious heritage—freedom of worship and try to obstruct it at every opportunity thereby undermining Freedom and Liberty, and taking the Christ out of Christmas substituting an X or unknown quantity. One Great Commandment says "Remember the Sabbath Day, to keep it Holy; Six Days thou shalt labor but the Seventh thou shalt rest; both thou and thy servant." But in this so-called civilized and Christian nation we see this commandment violated on every hand. Even here in St. Joe we see our great holidays and Sundays violated by those whose only thought is "Greed for more money," and in opposition to our places of worship. They not only absent themselves from God's services but force others to do likewise. Another bad thing is that many of our so-called Christians uphold this breaking of God's commandment by their patronizing of these same businesses, even high officials of both churches and Sunday Schools. We hear a lot of talk about services to the community but that talk and actions above mentioned are just a fool's paradise. Let's wake up and get back to the real spirit of Thanksgiving, Christmas and Easter, and preserve our Liberty and great Freedoms. When we allow these to get away from us we go back to pre-Christ times and the days of the Caesars. And who would honestly want that to happen?

It seems the Editor would like to have these remarks signed so will sign this one.

Harvey J. Hull

Butler, Ind.
Dec. 10, 1951

Editor St. Joe News

St. Joe, Ind.

Our subscription is about to expire and enclosed find check for renewal.

Thanks for the big laugh we got from your account of the activities (?) of the various candidates previous to the election of officers for St. Joe Town.

You should be writing script for Herb Shriner or Jerry Lewis.

We wish you and yours the joys of Christmastime and happiness through 1952.

Yours truly,
Mr. and Mrs. F.R. Bowman

Thursday eve, Dec. 6, 1951

To the Editor of the St. Joe News:

Just a few lines that the readers of your paper may be able to keep tab on us on vacation. Starting Dec. 1, we traveled Route 24 and 66 to Bloomington, Ill. Dec. 2 to Poplar Bluff, Missouri, crossing the Miss. R. at Cape Girardeau. Dec. 3, on to Malvern, Arkansas, on Route 67. Rained all day. Some wonderful highways and some roughable. Dec. 4 on into Texas on 67 to Greenville. Heavy thunderstorm at night. Dec. 5 on to Garland, Texas, near Dallas. Stayed a day and night with Mr. and Mrs. Al Medlin. Mrs. Medlin was the former Miss Frances Russel, daughter of W. J. D. Russel, a former teacher in Spencerville.

Dec. 6, Route 77 to Schulenburg, Texas. A beautiful drive with wonderful highways, wooded hillsides of pine trees, many wheat fields, a little green grass and hundreds of acres of cotton, all harvested and many fields prepared for next years crop. Saw some coal mines, oil wells and a few rice fields. Judging from the new Super Four Lane Highways in the making, it looks like Texas and Arkansas expects You All to visit them some day. Expect to see Corpus Christi and the Gulf Coast tomorrow.

Temperature 80 degrees.

Mr. and Mrs. George Beams

FOOD MAY BE LEFT IN CAN AFTER IT IS OPENED

It is safe to leave canned food in the can after it has been opened provided it is kept cool and covered, Mary Lenore Moore, home demonstration agent of DeKalb County reports.

Many homemakers have been skeptical about leaving foods in open tin cans. They think the tin poisons or contaminates the food after it has been exposed to the air. Research shows that this is not the case if the food is kept in a cool place and kept covered.

Generally, the can is opened in such a way that it cannot be tightly reclosed. It is better then to remove the lid completely and cover the can with a plastic food cover with an elastic edge. If utensils containing food are not covered, they may absorb odors from other foods in the refrigerator or may give off odors of their own. Furthermore, this will keep the food from dehydration.

For safety, if the can opener is not the type which leaves a smooth edge, contents should be removed to prevent the homemaker from cutting her hand when reaching into the refrigerator.

SPORTSMEN MAY NOW KEEP GAME FOR SIX MONTHS

Sportsmen may now keep for a period of six months beyond the closed season game, fish and fowl taken by them during the legal open season in Indiana by filling out an application form and receiving in turn a permit to keep the results of their hunt in private deep freezes, freeze lockers and the like. It is legal to store game for a period of 10 days only. Thus longer storage without the special permit makes the violator liable to prosecution.

The hunter is asked only to fill in the number and species and how he obtained the game in order to comply with the law. After signing up, the form is mailed to the Indiana Department of Conservation, 311 West Washington, Indianapolis, Indiana, Division of Fish and Game. The legal permit will be mailed to the applicant. He also is asked to certify the manner of storage and the city or town in which storage is maintained. This also applies to game brought into the state from neighboring states.

Permission to thus store game was made possible through action by the recent legislature in an act to amend an act entitled "An act covering fish, frogs, mussels, game, wild birds and wild animals, and offenses relating thereto."

Report from Lyon

by Margie Appleman

Monday we went to Versailles- It was beautiful especially because the leaves are turning now- just like there. We see more sycamore trees here than I ever saw in Indiana!- Great big tall things lining all the avenues and walks- We covered the grounds first- which was really a task because it covers acres and acres!- The gardens right around the chateau (Louis XIV's) are very formal- in exact patterns- and just huge- But they are bautiful in their way with all the pools and fountains, etc.- and the flowers were still all blooming- Then we went out through the more "woodsy" part to see the Grand Trianon which Louis XIV built for Mme. de Maintenon- It's patterned after the big chateau- with gardens and all- in a much smaller scale- but still big enough to be a huge mansion. Napoleon used it later- We saw some of the rooms in it- with the funiture- clocks, canopied beds- huge vases, marble pillars, etc. Then we just walked around the Petit Trianon- and finally saw the Hameau- the little "farm" that was built for Marie Antoinette. All the buildings have thatched roofs and look very rustic- There's a little lake- and running brooks and things are left to grow- sort of a controlled wilderness- No formal gardens or anything like that. Well, it turned out that we spent so much time seeing these things- and they're all so spread apart- that we didn't get back in time to see the big chateau- with the hall of mirrors, etc. So we'll have to go back sometime to see it. (I did see it 3 yrs. ago, but Phil hasn't.)

Thursday I went with Phil to a conversation class and afterward we went through the Rodin Museum. He's the sculptor who did "The Thinker" and "The Kiss" and lots of others. That night we went to the Folies-Bergere- the big musical and dance (and burlesque, supposedly) show. It's very overrated, though. The costumes are spectacular and obviously cost a mint- and the scenery, too.- But the singing wasn't any good at all, nor the dancing too good- It's just a series of acts with no continuity or point to them. They change the show about once a year, though.-and it's on every night but one out of every week- and usually crowded. But I think it's just going on past reputation- It's one of the things everyone knows about and goes to- and I guess it's mostly tourists that keep it crowded. Friday we went to another museum- the Jeu de Paumes, which is completely devoted to impressionist painters, mostly French (Renoir, Ceyanne, Van Gogh, Deges, Manet, etc.) There are two walls printed with explanations and pictures about that type of painting and about all the painters. Then the rest of it, of course, is filled with their different paintins. So it made it more interesting. When we got back from there we went to an early movie which was put on by the student movie club. It was Russian- with Russian short subjects- We went so we could find out what a Russian movie was like. But the film itself didn't help much- because it was such an old one- made in 1925- and pretty bad as I suppose all of them were about then- It was about one of the beginning incidents in their revolution- "the only revolution in which the common people--------"

The animated cartoon was modern though- but we couldn't believe it was really meant for kids' amusement. It was awful- and full of Soviet propaganda. It was shown in "Sovicolor"- a kind of faded combination of brown and green- and it presented the story of two shepherd dogs- one who "collaborated" with the "enemy" wolves- and then was eaten by them- and the other who fought them and saved the sheep. Some of the parts were really gruesome. The Russians really don't have anything to brag about as far as movies if these were any example.

After the movie we met the other married couple we go around with sometimes and had dinner together (about nine)- We stayed until way after eleven- It was one of the restaurants with more "atmosphere"- an Armenian one which serves "Chiche-Kebop" and "Donner-Kebop" and other Armenian dishes for their specialty. They serve it- very highly seasoned lamb- on skewers. And it's delicious- and very cheap, too- only about 35 cents for the main course- Well, it's a very popular place and you usually see all kinds of people there. It happened that we sat at a table with four other people- and one of the men was really an entertainer- Usually during the meal (at a lot of other restaurants, too) a violinist and a guitar player come in and play for a while- and then pass the hat. When they were finished, this fella borrowed the other man's guitar and sang all kinds of songs- all languages- and he had the whole place singing with him. Then he did some magician's tricks- swallowing knives, etc.- really good- and ended up telling funny stories- all this during his- and our- meal- It was a lot of fun- but we had planned to go to a dance and jam session on the other side of town- so we finally left and took the Metro (subway). The jam session wasn't to begin 'til 2:00 a.m. so we were still getting there in plenty of time. When we arrived, the orchesra was swinging out with- of all things- "Back Home Again In Indiana"! (I told you that we- and the other kids from Indiana- sang that on the ship a lot)- It's a very popular jazz piece over here now- Well, the dance went on until 3:30 instead of two, because the fellas who were leading it didn't show up until then- Don Byas- a colored American famous saxaphone player and Bill Coleman- a great trumpet player- It was really good.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

TULAREMIA

BEWARE of that sick-acting bunny. Each year a few hunters die from handling rabbits infected with tularemia. Fortunately 1950 marked the first time in several years that no one in Indiana died from this disease. Let us hope that this year will mark another year of freedom from deaths caused by tularemia. It will if a few simple rules are followed.

Any rabbit slow on the jump and get-away should be suspected, for the wild rabbit is subject to tularemia. Humans acquire this disease by handling the flesh of such an animal, or through eating undercooked meat from an infected rabbit. Victims are not confined to hunters, but include housewives and butchers.

The germ of tularemia enters the human body through a scratch or cut on the hands. The onset is sudden, within a few days. There is headache, vomiting, chilliness, aching body pains and fever—the latter giving the disease the name of rabbit fever. Tularemia is frequently complicated by pneumonia, and deaths are not uncommon.

Convalescence from an attack is slow, sometimes requiring several months. Thorough cooking of the infected rabbit will destroy the infection.

Hunters and housewives and all others who handle wild rabbits should wear rubber gloves while skinning or preparing the animal for food.

Tularemia may also be transmitted to man through the bite of such insects as ticks, horseflies and deerflies which have first bitten infected animals.

END TABLES ELECTRICAL APPLIANCES
TOYS

16 hours of Fun...

for the price of a bottle of pop!

How much *electricity* adds to the joy of Christmas! The twinkling tree lights . . . carols by radio, phonograph, and television . . . the turkey all golden-browned for the turn of a switch. Yet for all the pleasure it brings, how little electricity costs. An electric train, for instance, will thrill a boy (and his dad!) for sixteen hours on about a nickel's worth. ★ Sound *business* management has kept electricity a bargain in an era of rising costs.

Merry Christmas to All!

Around the Town

With the Editor

"We don't have much snow any more—the winters aren't the same as they were in the good old days."

Oh yeah—I guess this winter will put a stop to that idea for a while. It'll give us something to talk about, too.

Mrs. Sam Armsrong won a cake at one of the recent local shindigs and it happened to be one baked by the little woman. Mrs. Armstrong asked last week if it was a recipe which I had in the paper some time ago. Well, it wasn't, so I got the recipe from home and here it is (maybe this week's column should be called "Around the Kitchen"):

Spicy Applesauce Cupcakes
(Makes 14 cupcakes)

1-3 cup shortening
1 teaspoon vanilla
2-3 cup sugar
2 eggs
1 1-3 cups sifted flour
1 teaspoon baking powder
1-2 teaspoon soda
1-2 teaspoon salt
1-2 teaspoon cinnamon
1-4 teaspoon nutmeg
1-4 teaspoon cloves
3-4 cup sweetened applesauce

1. Cream shortening and vanilla. Add sugar gradually and cream until light.

2. Add eggs one at a time, beating well after each addition.

3. Sift together the flour, baking powder, soda, salt and spices.

4. Add flour mixture alternately with applesauce, mixing until well blended.

5. Place paper baking cups in muffin pans. Fill 2-3 full. Bake in a moderate oven (375 degrees F.) 20 minutes. Frost with butterscotch frosting.

Butterscotch Frosting

1 cup brown sugar
5 tablespoons butter
1-4 cup milk
1 teaspoon vanilla
1 to 1 1-2 cups sifted confectioners' sugar

1. Combine brown sugar and butter. Bring to a boil, stirring constantly.

2. Add milk and cook for 3 minutes.

3. Cool to lukewarm. Add vanilla and confectioners' sugar, beating until right consistency for spreading.

C. O. Krise wondered if it was too late to put something in the kitty for the ball diamond. Naturally, it's never too late. So now our fund is up to $78.75.

I might mention that the recreation club will have its election of officers at the February meeting and the club is now getting members signed up for 1952. The next meeting will be on January 3; meetings are held the first Thursday of every month.

I got so anxious to see that Santa Claus's arrival at Amstutz Hardware AND Furniture Store was known that I forgot to include in their ad last week that they're open evenings until Christmas eve. Everyone has last-minute shopping to do, so the last few days will give you a chance to do it in St. Joe. Jackson's are open evenings, too.

CANDLELIGHT SERVICE AT BUTLER DEC 24

A midnight Candle Service was held last year on Christmas at the Butler Lutheran Church. And because of numerous requests it will be held on December 24 at 11 p.m. this year.

The Service of Worship is used as used by the Church for many centuries. It is not just a program nor is it entertainment, but a worshipful service. There were many visitors last year, and all are invited. The plan is for each to carry a lighted candle all the way home at midnight, through the streets and through the country.

CONSERVATION CLUB

The St. Joe Valley Conservation Club will hold a shoot next Sunday, December 23, at the club grounds west of St. Joe.

Shooting will start at 12:01 p.m.

Tigers Win 7th & 8th

The Tigers from St. Joe picked up two more for the "win" column, taking Hamilton last Friday, 68 to 48, and then coming from behind Wednesday evening to win one from Scott Center, 58 to 50.

The seconds also captured their 7th and 8th victories, 43-27 from Hamilton and 34-20 from Scott Center.

Don and Kenny Walters again spearheaded the Tigers' attack against Hamilton getting 18 and 16 points, respectively. Tharp and Richmond balanced the scoring, each getting 12 markers.

The quarter scores were 27-14, 41-23 and 53-35.

Greenberg was high for the losers getting 10.

West	1	0	2	[illegible]			
Totals	18	7	43	Totals	11	5	27

Scott Center, led by big Al Covell, threw a scare into the locals Wednesday night before the Tigers put together a scoring attack to come from behind in the second half. Covell dropped in 29 points on 10 field goals and 9 free throws while Don Walters again hit the nets for 18 for the locals.

Scott Center started out as if it was to be their big night and jumped to an early 5-1 lead. St. Joe rallied and went ahead 14-11. Then Scott came back for 10 straight to make it 22-14. The half ended at 26-21 in the visitors' favor.

With Jerry Keener playing an aggressive 2nd half, the locals began to click and Scott Center began to tire. It was 46-38 in the Tigers' favor at the three quarter mark and they easily maintained their 8 point lead to the final horn.

St. Joe				Scott Center			
D.Walt's	7	4	18	Clark	2	1	5
Bassett	0	1	1	Eat'ger	4	1	9

Totals	23	12	58	Totals	19	12	50

The seconds were never in trouble in their tilt with Scott Center after the first half. They put on a fancy exhibition of floor work and, though several lay-ups rolled off the rim after the little Tigers had worked the ball in beautifully, they had no bad moments against the visitors.

Culbertson was high scorer for St. Joe with 12 and Coburn had 10. Deller was tops for Scott with 9.

Quarter scores were 6-5, 16-11 and 24-13, Scott Center getting only one field goal in the third stanza.

Report from Lyon

by Margie Appleman

When it finally broke up (the "jam session" described last week) we performed an old tradition for that hour of the morning. We went to "Les Halles" which is the central market place of Paris- and had onion soup at one of the restaurants there- First we walked all around the "Halles"- which cover blocks and blocks. It's really an old market place- goes back 7 or 800 years- and it's right in the middle of Paris- So when all the trucks are there and stuff is all piled up- it's really quite a traffic jam- But they keep them there just the same. The halls are huge metal buildings- all over for blocks- inside of which all the farmers pile up their produce to sell to Paris businessmen, who come there to buy the stuff- They also crowd out into the streets so that you can hardly walk past- with all the carts and trucks going by and stuff all piled up- There were blocks of fish and sea food- and blocks of meat- whole carcasses of cattle, -lambs- and hogs,- and blocks of their innards- liver and stuff and blocks of all kinds of vegetables, radishes, lettuce, celery, and celery hearts (they grow a certain kind which comes out almost all heart) and potatoes- cauliflower- waercress, beans- carrots- etc. etc.- and the most memorable thing of all- the flowers! Blocks and blocks of all kinds, all colors- just piles of them! All shades. Some of them I had never seen before- Just beautiful- And the roses! Little tiny buds- just stacks of them in every shade from deep maroon to pale yellow and white. Phil had a hard time keeping me from trying to buy them all! They have this market every morning- It begins about 1 a.m. and continues through to the afternoon. We got there about 5 a.m.- and looked around for about an hour- It was really cold at that hour so they didn't need any refrigeration. I don't know what they do in the summer. It certainly was an amazing thing to see, though- All that food in one place! I don't see how they get rid of it all- in one day!

Well, we finally couldn't stand it any longer- The sight of all that food really made us starve. So we went into one of the restaurants along the way- It was called "Le Chien Qui Fume" ("The Dog Who Smokes") and they had a painting and a little statue of a dog smoking a pipe. As I said we had onion soup- one of the specialties of French cooking. It's a delicious onion-flavored broth- with pieces of onion floating in it- and covered with pieces of toast. Over that you sprinkle cheese, which melts, of course,- and - - altogether- it's really delicious.

By that time the sky was beginning to lighten, so we finally went home. It was about 7 a.m. by the time we got home and to bed.- While I'm more or less on the subject of food- I'll tell you a little bit more about what we usually eat (one of our most favorite pastimes!) I think I told you that we usually eat our breakfasts and lunches- (sometimes brunches) in our room. We have a little "metta" burner- A little stand with an opening for the little metta tablets which burn- and a small pan which sits on top. We use it for making our instant coffee- and to boil eggs- and for bouillion and other soup- Then we get French bread (it's amazing how much bread I eat now- even at a regular meal- because I don't usually eat much at home) to make sandwiches, etc. When we go to the different restaurants in the evening, we get all kinds of things. They have about the same stuff we do- veal, pork and lamb chops and roasts- steaks- which aren't nearly as good as ours unless you get Chateaubriand, a special cut- roast beef- cold ham-chicken, which is usually expensive- and all kinds of fish. They also have, usually, rabbit- stewed or roasted or something with a lot of spices and stuff- and it's real good. Sometimes you can get "Bouillabaisse"- a sort of a fish stew or soup-like, with all kinds of fish floating in it- pieces of them- and clams and parts of lobsters and crab, etc., and pieces of toast on top. It's more a specialty around Marseilles, though. Then they usually have a big variety of hors d'oeuvres to eat first- cold meats or tomatoes- or celery (the hearts) shredded or shredded cabbage or boiled egg with mayonnaise or olives, etc., etc. (We usually skip that part) And they have about the same kinds of vegetables- poatoes in some form or other always are served with the meat- and they have beans and carrots and mushrooms and beets and spinach and artichokes, etc., etc. And they have salads- usually all one kind- either tomatoes or lettuce or watercress or endive- they're never mixed together. And they have all kinds of cheeses if you want a cheese course (we always skip that too. They serve such huge hunks of it!) And desserts- usually different kinds of pastry or fresh fruits or ice cream, etc. And you can get any kind of wine in every restaurant- and also coffee or tea.

County Tourney Draw Made

The drawing for the annual DeKalb County basketball tourney was held Thursday evening at the Waterloo High School in the presence of coaches and principals involved. The meet will be held at Waterloo on January 10, 11 and 12.

The B teams will start the meet on Thursday evening with two games at 6:30 and 7:45 and then one varsity contest at 9 p.m. The same procedure will be followed on Friday evening. The semi-finals of the varsity teams will be Saturday afternoon and the finals of both B and varsity teams will be played Saturday evening.

The complete schedule is as follows:

B TEAMS

Thursday

1—6:30: Garrett and Waterloo.
2—7:45: St. Joe and Spencerville.

Friday

3—6:30: Butler and winner game 1.
4—7:45:Ashley and winner game 2.

Saturday

5—7:00: Winners of games 3 and 4.

VARSITY TEAMS

Thursday

1—9:00: Spencerville and Ashley.

Friday

2—9:00: Butler and St. Joe.

Saturday

3—1:00: Garrett and winner game 1.
4—2:15: Waterloo and winner game 2.
5—8:15: Winners games 3 and 4.

The Ashley Aces are defending champions in the varsity competition and Garrett Handcars in the B team division.

County Scout Group Meets

Glenn T. Rieke of near Auburn was re-elected as the DeKalb County district chairman of the Boy Scout organization at the annual meeting of all cub, scout and explorer leaders and committeemen and wives, organizations sponsoring scouting and interested parents at Methodist Church in Auburn Wednesday, December 12. Approximately 100 persons were present at the meeting.

Other officers elected by the group include the following: Winslow VanHorne, vice-chairman; Rev Frank L. Engle of Waterloo, institutional representative to the executive board; Walter Staggs of Auburn, chairman of advancement committee; Dr. H. V. Hippensteel of Auburn, chairman of the health and safety committee; Maurice Close of Auburn, chairman of organization and extension; Lynn Andrews of Garrett, chairman of camping and activities and Stanley Brown of Auburn, finance chairman.

Firemen Elect Officers

Election of officers was held Monday night at the regular monthly meeting of the St. Joe Volunteer Fire Department. Officers who served the past year were re-elected. They are: chief—Roy Bowser; assistant chief—Harold Yeiser; secretary—Merl Guilford.

A warning was made by the department to the residents of this community to be especially careful during severe cold weather not to over-fire heating stoves or furnaces. St. Joe has gone for 3 years without a fire loss within the corporate limits and care in firing will be one way to continue that record.

The department plans to insulate the lines and pump of the fire truck. This will permit fire-fighting in zero weather without danger of frozen lines. Also, to increase rural fire fighting capacity, a 275 gallon water supply tank will be installed.

After the business session, refreshments were served. Fourteen were present for the meeting.

METHODIST CHRISTMAS PROGRAMS

A special Christmas program will be given Friday night, December 21, at Spencerville beginning at 8 p.m.

The pageant "The Story That Never Grows Old" will be presented.

A Christmas pageant, "The Story of Christmas," will be presented Sunday evening, December 23, at Scipio and on Christmas eve at 8 p.m. at the Concord Methodist Church. There is promised a good program of music and pageantry at each church, so come and spend your Christmas in the church of your choice. Remember, this is Christ's birthday, so don't forget His gift.

COBURNTOWN NEWS

The Coburns Corners Christian Endeavor met in the church basement at 6:30 Sunday evening, December 16 The meeting was called to order by the president, Joan Curie. New and old business was discussed. Group singing was led by Betty Baker. The lesson was led by Betty Witt and scripture reading was given. The Chrismas Story was given by the leader. The word Christmas was used as the lesson. C stood for Christmas, H for holiness, R for righteousness, I for interest, S for spirit, T for truth, M for mercy, A for answering and S for salvation. After church a Christian endeavor party was held at the home of Bonnie, John and Betty Witt. Games were played and a carry-in lunch was enjoyed by all. Twenty-two members attended the party.

The Home Builders Class met at the home of Mr. and Mrs. Ed Longardner Saturday evening for the Christmas class party. The hostess served turkey, gravy, hot biscuits and mashed potatoes. The guests brought in salads and desserts. The rooms and tables were decorated very pretty with Christmas effect. The business meeting was called to order by the president, Mrs. Maxine Goldsmith. Christmas carols were sung by the group. Devotions were led by John Crothers. Projects were discussed for the coming year. Lehr Wilder and Robert Witt were appointed to place a new light above the bulletin board. The Home Builders class will have charge of the Christmas program next Sunday evening and Mrs. Margaret Cook is chairman of this program. Games were in charge of Mrs. Bessie Witt. There were 36 present for the evening.

NOTICE OF ADMINISTRATION

Notice is hereby given that the undersigned has been appointed by the Circuit Court of DeKalb County, State of Indiana, Administrator of the estate of Nancy Grace Dilley, late of DeKalb County, deceased.

Said estate is supposed to be solvent.

John F. Dilley, Administrator
December 14th, 1951.
Wm. P. Endicott, Attorney

Local News

The Lutheran Aid and Missionary was entertained at the home of Rev. and Mrs. Baker last Thursday evening, December 13. A pot-luck dinner was served at 6:30. The men of the church were guests. The president, Mrs. Edith Cole, assisted by Mrs. Baker, presented the lesson. Christmas carols were sung. A committee was appointed to arrange and pass out the Christmas boxes to the "shut-ins" and send boxes of candy through a candy company at Fort Wayne to the boys in service. Mary Carpenter will entertain next month. The rooms were decorated in keeping with the Christmas season.

Mr. and Mrs. John Dilley and family spent Sunday at Mrs. Clara Brattain's at Spencerville.

Mr. and Mrs. James W. Hamilton and family of Harlan were callers at Cecil Wisler's Sunday afternoon.

Mrs. Lizzie Milliman left last week for Tyler, Texas, where she will spend the winter with her daughter, Marguerite Hercules.

Mrs. Neva Hursh, Mrs. Pauline Baumgartner and Mrs. Jean Keppler called on Mrs. Pearl Williams last Thursday evening.

The DeKalb County Artificial Breeding Association, Inc., has announced that Frank DeLaCroix, who has been working with Indiana dairymen for the past six years in the development of artificial breeding, has resigned his position as extension dairymen with Purdue University to become field representative for the Indiana Artificial Breeding Association. As extension dairyman, Mr. DeLaCroix established a very wide acquaintance among Indiana dairymen. Prior to his work on Purdue University's staff, he was an assistant county agent in Benton County and county agent in Jasper County.

Mr. and Mrs. Lester Pugsley attended the annual well-contractors' banquet at Smith Field airport restaurant at Ft. Wayne on Saturday evening, December 15.

A Christmas program will be given at the Lutheran Sunday school Sunday morning, December 23.

The local legion post held their Christmas party for members and families last Tuesday night.

A letter from the Paul Carpenters at Orlando, Fla., gives the temperature there at 84 degrees.

Peace on earth... good will toward men

"Peace on earth . . . good will toward men." . . . is again repeated in every story and song of all Christendom. Once more it will be our privilege to tell the beautiful story of the Nativity, and now more than ever, we need to weigh the implications of the Christmas message.

Our Strength

The strength of our republic lies in its independence. Can anyone, regardless of political beliefs, show that we are as strong now as we might be—after twenty years of the same political leadership? Can anyone show that our country is better off now because of that long span under one party?

Only time will tell whether or not we have been on the right path. However, for the present each individual must make that decision for himself and his actions follow accordingly. In making a decision, each one should take into consideration that America was founded by men who were seeking independence. America is the stronghold of independence and to spread that theory—if that is our purpose—we must keep independence strong at home. Are we keeping independence strong at home?

Right now young men eighteen, nineteen and twenty years of age—look at the list of prisoners released by the Korean Reds this week—face what—military service. Not military training, military service. And they haven't reached voting age.

Independence??

The opportunities for a person to have his own business and chances of staying in business are becoming less and less, because of taxes, red tape in keeping records, in some cases shortages of raw materials and, to top it off, the biggest government payroll the nation has ever seen. Why try to go in business for yourself and face the headaches it brings when you can work for the government? Look up the pay, vacation and sick-leave privileges offered government employees in the new bureaus, agencies and, yes, the U. N.

Independence??

Our government, instead of strengthening our national and individual independence, is destroying independence.

Our government under present policies and leadership is destroying America.

The Best To You

When will we be able to wish "Merry Christmas and a Happy New Year" and believe that it can be really just that? It's been a long time since that cheery greeting had any future to it—this year is no exception. Everyone is sincere in wishing the best to their friends, but somehow the shape the world is in just doesn't seem to fit in with a cheery greeting.

This is a somber beginning to what is supposed to be our Yuletide expression to our readers for the year 1951. But rather than "put on" a cheerful front, we would rather seriously give you our best wishes for a better year in 1952, and may whatever is needed for your happiness in the coming months be yours to receive.

with all good wishes
for a glorious Holiday Season

SCRIPTURE: Luke 1—2. DEVOTIONAL READING: Luke 1:46-55.

Christ Is the Answer

Lesson for December 23, 1951

EVERYONE is acquainted with Jesus the baby. The Christmas festival makes that certain. We know that the lot of babies in all Christian lands today is better because of Jesus the child. His coming hallowed childhood and motherhood for all time. But Jesus did not stay a baby. He was born not chiefly in order to be cuddled in a mother's arms. He was born to be a King; he was born to grow, to teach, to command, to save. Where is the festival that presents him King of Kings and Lord of Lords? There are such, but they never had the popularity of Christmas.

Dr. Foreman

• • •

Bethlehem Was a Beginning

IN innumerable pictures and statues the mother of Christ looms large, the baby small. In the Bible it is the other way around. The interest of the Bible is not centered at Bethlehem, important as that place was in the history of the world. The songs which only Luke has saved for us all point far beyond the manger-child.

Bethlehem marked the great moment, to be sure, the miracle of miracles when God became man. But that was the beginning, only the beginning. Two of the Gospels fail to mention the first Christmas at all. The two that do mention Jesus' childhood leave it after a few short paragraphs.

If anything is certain about what the writers of the New Testament thought, it is certain that when they thought of Jesus Christ, they seldom, if ever thought of him as a baby. The little Jesus is a helpless child, depending on the care of his mother. He is sweet and appealing, and every one loves him . . . But he only lies there perpetually smiling. We like babies, but we have our grown-up affairs to attend to. We think babies are "cute", but we take no orders from, we do not try to be like them. We cuddle them and talk baby-talk to them, but when we get ready to talk sense, when we are in any kind of trouble, when we need some one to tell us what to do, we never talk to babies.

• • •

The Power of God

SO, if Christ is to mean to us all what he should, it is time we got into the Bible's way of looking at him. He is called the "fulfilment of prophecy". What does that mean?

The great prophets looked forward to a coming king, a "Messiah"; he must begin life as a child, because he would be a human being, not an angel.

If our thinking stops with the babe in the manger, we shall never realize the tremendous truth about Jesus. Consider the words that Isaiah used (Isa. 9:6,7): "Wonderful, Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace." These are grown-up words, more than grown-up. They point to something super-human, something coming into this world, as the Bible puts it, "from above".

The Christ of the Prophets is a person who will "rule the nations". The Christ of the apostles is likewise no child. He is the man sent from heaven; he is the "power of God and the wisdom of God" (I Cor. 1:24). He is King of Kings and Lord of Lords.

A baby lets us do as we please; but not the Lord of Lords. He challenges the world—from a throne, not a cradle. What he thinks, we desperately must know. What his will is, we must learn or perish. If the world is going to pieces today it is because we think no more of Jesus than of any other picturesque infant.

• • •

The Christ Who Commands

IT is said often, as a kind of slogan, that "Christ is the answer". If this means anything true, and it does, it means that the ways of the world are right ways only when they are the ways of Jesus. Thinking, planning, acting—personal and social living both—it is either as Jesus would have it or it is headed for a crash.

This is not to say that the commands of Christ are arbitrary, "just because . . ." Faith in him is the gateway to life, following him is life.

A sentimental glow as we pass the manger at Bethlehem is not what christianity means. It means saying as Paul did: Lord, what wilt thou have me to do? A Christ who can be patronized or pitied is no answer; the only answer is the Christ who commands.

Letters to the Editor

Denning, New Mexico
December 11, 1951

Editor of the St. Joe News:

Touring Southern States

Corpus Christi where we visited with Mr. and Mrs. Ned Sangdon, a former resident of Sherwood, Ohio. Highway 77 to Brownsville in the most southern city in Texas. A beautiful city with large palm trees, flowers in bloom, green lawns, cotton fields and some wheat. Large orange and grapefruit orchards many of which were partly destroyed and some entirely by the heavy freeze last winter. A bad financial loss.

Returned back north to San Antonio and the San Jose and Alamo missions established in 17-20. The stone chapel and old fort walls, built about 1749, still standing in fair condition.

From San Antonio over route 90 to Uvalde, Texas, where we called at the home of our former vice-president, John (Cactus Jack) Garner, where we received a hearty hand shake and an invitation to call again. When told we were from Indiana he responded with, "The Hoosier state where there are more polititions per capita than any state in the union.'

On through some the Texas rugged country of rocks, mountains and canyons, one of which we needed low speed on the down grade. Then the most beautiful level country which they claim to be the greatest cotton producing place in the world, all irrigated. It really looks it.

About a hundred miles to El Paso. I can't describe this trip without making this letter too long.

Just a few highlights—motels, filling stations, fine roads, cities, towns, cattle ranches, bridges and creeks and rivers all dry sand beds. Even the Rio Grande with a bridge long enough to cross the Mississippi R. and not a drop of water. Stopped off in Denning tonight, Tues. Dec. 11. Expect to hunt up Shorty Miller tomorrow. A light trace of snow here.

Good night.

Geo. and Lucy Beams

Spencerville News

Mr. and Mrs. Walter Kimes of Leo were Sunday afternoon visitors with Mr. and Mrs. Harvey Kimes.

Mr. and Mrs. Virgil Kimes and family were dinner guests Monday evening with Mr. and Mrs. Paul Bercot and children of Ft. Wayne. The group honored the birthday of Colleen Kelley Bercot.

Mrs. Norman Ritenour and baby are now at home after spending a few weeks with Mrs. Ritenour's parents, Rev. and Mrs. W. H. Baker.

Mr. and Mrs. Robert Witt of Spencerville gave a birthday party in honor of their son, Junior Witt. Games were played and refreshments of cake and ice cream and candy were served. Junior received a host of useful gifts. Those who attended were: Arkie Haiflee, Denny Conley, Larry Speaks, Max Miller, Terry Brattain, Carl Wyncoop, Larry Friend, Donald Butler, Gary Kummer, Walter Reid, Bruce Spitler, John Tustison and Mr. and Mrs. Dick Wilderson

Word has been received from Mr. and Mrs. George Beams and they are in Arizona enjoying the warm weather.

ANNOUNCEMENT

Our entire store will be closed Christmas day. Also, next Sunday, December 23rd, our lunch and fountain service will be closed and after December 23rd, 1951, our entire store will be closed EVERY Sunday this winter. We regret doing this. We have enjoyed accomodating our customers but there is a limit to what my wife and I can take and we have never asked any of our regular help to work in our grocery on Sunday. What little Sunday help we had has been VOLUNTEER.

We believe that on a complete order we at least meet chain or supermarket prices. Yet in Auburn for instance one chain store is open 48 hours per week and another is open 50 hours per week. We have been keeping open up to 87 hours per week. This has been a financial as well as a physical burden to us. We hope that all our customers will realize our position.

Anyhow, especially at this holiday season, we try to look upon our fellow man with tolerance, good will and understanding. We hope and feel sure that others will do likewise with us.

We now wish a

Merry Christmas To All!

Pete and Jennie Walter

The St. Joe News

VOLUME LXVI — ST. JOE (DeKalb Co.), INDIANA — Thursday, December 27, 1951 — NUMBER 49

Around the Town

With the Editor

About 300 subscribers probably thought it was April 1 when they opened last week's issue. That many papers were printed upside down in the middle pages when a stack of newsprint got turned around.

Pvt. Donald Yeiser stopped in Wednesday evening for a few minutes' conversation. He said, "Guess where I got the last St. Joe News." Naturally, I didn't know, so he informed me that he received it while on bivouack and read it in "bed" by candlelight in zero temperature. Christmas cards were delivered at the same time and he said there was quite a bit of cussin' at receiving "Merry Christmas" and "Best Wishes To You" greetings when the boys were going through that particular phase of training.

The News did him some good, too, as did the Christmas cards for the others. They served a useful purpose when a fire was needed and no other paper was available to start a warming blaze. And from what he described, they needed a fire. They were tramping around and camping with the same equipment and clothing used in summer. Also, they didn't get heavy boots until after going out on bivouack and through water, mud, etc., in zero weather.

—Where do those billions go???

"Hopalong" Bill Keeler just can't sit stil very long. He was hobbling along with the aid of a cane Wednesday evening when I saw him. We talked about the weather, as is everyone.

Even with the treacerous walks covered with ice and snow, Bill gets out to exercise a little. He said he can stay inside just so long; then he just has to go out for a walk.

Phil Smith was sitting by the stove at the hardware this week when Harvey Hull walked in. At a lull in the conversation, Phil asked, "Harvey. do you have a cigarette?"

"Yes," came the reply.

"Well then, I guess I can pull out my pack!" Phil retorted.

Pickles Win Close One, 61-60

Sechler's Pickles eked out a close 61-60 victory over Klenk's of Decatur last Thursday evening in their first encounter in the Zollner Piston Invitational basketball tournament.

For a time it appeared that the local entry, which went through to the semi-finals last year only to be nosed out by a 61-60 score, would be eliminated in their first game. But as in several of their past encouters, they finished strong in the last half and stayed in competition.

The locals played a rather listless game with none of the team turning in a particularly outstanding game through the first three quarters. Their defense was weak although Klenk's long-shot artistry was the main factor in keeping them in the game. Pickles were weak also on rebounding. The loss of "Whitey" Heller from last year's squad (he's in the armed services) was very evident, for this game at least.

It was in the final quarter that Pickles perked up with Schroer suddenly coming to life. Tom Beck intercepted twice as Klenk's came down the floor after Pickle buckets and those interceptions were good for four points. In the last few seconds with the score knotted at 60-all, Schroer drove under and was fouled. He converted on the first of two free throws. Pickles then elected to take the ball out of bounds instead of shooting the second free throw. They stalled the remaining seconds for the victory.

The next game for the locals at Fort Wayne in the tourney will be on Sunday, January 27.

Report from Lyon

by Margie Appleman

Saturday we slept until about 1 p.m.- since we got to bed so late- and then went out to a public bath and shower. We stayed for a half hour- They're nice and clean and it costs 20 cents each (60 francs) per shower. Baths cost more. Then we went to a theater and got tickets for a ballet this coming Saurday- Came home and slept a while again- Went out to eat and then went to the Opera Comique and saw "Tales of Hoffman." (We had our tickets already, usually get them a week ahead). It was very good- Again very good singing- and beautiful scenery, costumes, etc.- Sunday morning we had get up fairly early to go on another tour- with part of the same bunch that went on the one to the Abbey and the chateau the last Sunday before. This time we had to pay, though, since we organized it ourselves. The other was "donated" by the Fulbright Commission.

Well, we went by bus (about 25 of us) to Fontainebleau- the chateau we bicycled to 3 years ago. Various kings used it for their royal residences- Francis I and Louis XIII in the 16th century, and on- and Napoleon, too. All the rooms they took us through were furnished from some period or other- A lot of the furniture was covered with embroidered silk made in Lyon! And it was still beautiful. Some of it- chairs and desks and stuff- were in beautifully carved wood- and others were kind of ugly, I thought- in gilt, etc.- We saw their canopied beds with footstools so they could get in them- and their marble bathtubs- and Napoleon's throne in his room of state. The ball room was huge- with windows all along one side facing the gardens. The floor was all made of inlaid wood in the same design to match the ceiling. The gardens outside were pretty but the flowers were almost gone and they were trimming the trees so it wasn't as nice as usual- The forest was beautiful, though with all the trees changing color- It extends all around the city and covers 45,000 acres! So we rode through it for quite a while on the way in and out of the city- We had a nice lunch there and then got back on the bus for Chartres. It had been a cloudy day- sun going in and out- and finally by the time we got to Chartres, it was raining. We saw all the stained glass windows- the most beautiful anywhere, I guess- and they were! -But it was too bad it wasn't brighter outside to show them up more- The statuary all around on the inside on the one end showed the complete life of Christ in very much detail- and the statuary outside was really interesting, too.

Monday we went to the Bois de Boulogne- the big woods which is inside the city limits of Paris. There are two pretty lakes in it- One small one- and one pretty long and winding- and one of the big racetracks is there too. But it's mostly just forest. We walked along the lakes- A lot of men were fishing and we saw one catch a small one. There were three huge beautiful swans floating around on the small lake- and lots of boats. The leaves were sure pretty cause they're just changing- The sun was shining too for a change- and we were sorry we hadn't taken the camera.

Tuesday we walked around and saw the ruins of an old Roman arena- only about 6 blocks from here- It's in very good condition, considering. A lot of little school kids were being shown around- and some of the boys were having a gym class in the arena part.

CARD OF THANKS

We wish in this way to thank all for the many kind words and deeds in our recent bereavement.

The Coburn Family
and Mrs. Rude

County Highway Superintendent Resigns

Ray Zimmerman of Spencerville announced Friday his resignation effective January 1 as DeKalb County highway superintendent.

The notice was filed with the county commissioners, who met Friday in special session in commissioners' court in Auburn.

No reason was given for the resignation. He has announced no future plans.

Commissioners said the resignation was accepted and a new superintendent will be appointed, probably at the January session. Until the new superintendent takes over, after January 1, the assistant superintendent, Elmer John of Auburn, will head the department.

Mr. Zimmerman was named superintendent two years ago in January, replacing Wayne T. Van Auken of near Auburn, then county surveyor.

Before his appointment as superintendent, Mr. Zimmerman was district supervisor for the Spencerville district of the county highway department for nine years.

Keller-Mertens

In a setting of candelabra and white mums, Miss Marcia Ann Mertens and Ned Keller were united in marriage in the English Lutheran Church of the Redeemer at 2:30 p.m. in Fort Wayne Saturday afternoon.

The Rev. E. E. Foelber read the double-ring ceremony following a 15-minute organ musicale.

The bride is the daughter of Mr. and Mrs. H. F. Mertens of R.R. 1, St. Joe. Mr. and Mrs. Don J. Keller, also of St. Joe, are the bridegroom's parents.

Given in marriage by her father, the bride chose a gown of candlelight bridal satin. The sheer nylon yoke was edged with a crushed tulle bertha, which was caught at intervals with satin rose buds. Miniature self-covered buttons closed the back of the fitted bodice, and long sleeves tapered to points of tulle over the bride's wrists. Her bouffant satin skirt was trimmed with ruffles of tulle topped by a band of satin extended around the full cathedral-length train.

Her finger-tip veil was caught to a matching half-hat of satin. She carried a colonial bouquet of white orchids. She wore a pearl choker, a gift of the bridegroom.

Miss Jean Perkins of St. Joe attended as maid of honor. She was attired in a green nylon gown. She completed her ensemble with a matching bonnet.

Miss Sally Draggoo of Auburn and Miss Connie Stewart of St. Joe served as bridesmaids. Their gowns, in colors of orchid and gold, were styled like that of the honor attendant. All carried tinted mum bouquets.

Paul Keller of Dayton, Ohio, served his brother as best man. Lewis Walter and Jack Bowser of St. Joe ushered.

The bride's mother selected a purple dress while Mrs. Keller chose an aqua-blue costume. Both had black and white accessories and carnation corsages.

Following the ceremony, the reception was given in the Rose Room of the church. Serving were the Misses Carol Coburn, Diana Lawson, Donna Wagner and Shirley Engle, all of St. Joe. Miss Jo Bowser presented a musicale during the reception.

For traveling, the bride has selected a powder blue suit with black accessories and an orchid corsage.

Following their honeymoon in California, the newly-weds will fly home in several weeks. They will reside temporarily in St. Joe.

Earl Coburn Dies Suddenly

Funeral services for Earl L. Coburn, 69, of St. Joe were conducted at 2:30 p.m. EST Monday in the Perkins & Reeb Funeral Home at Hicksville. Herbert Watkins, pastor of the Hicksville Church of Christ, officiated at the services and burial followed in the Alton Cemetery at Coburntown.

The body of Mr. Coburn was found about 4 p.m. Saturday in the kitchen of his home by a neighbor. Mr. Coburn died between 3 and 4 o'clock from a heart attack. He had been suffering heart trouble for about three years but had not been seriously ill and had been up and around.

Mr. Coburn, whose wife passed away several years ago, had employed a housekeeper at his home but she was not working Saturday afternoon when he was stricken.

He was born in Hicksville on November 27, 1882, the son of the late Calvin and Alice Coburn. He made his home in and around Hicksville until 1920 when he moved to St. Joe, where he had lived until the time of his death.

The deceased had been employed by the Wabash Railroad as a bridge carpenter. He retired in 1948 because of ill health.

Survivors include four sons, Wilbur C. Coburn, Victor G. Coburn, Robert Coburn and Orville Coburn, all of St. Joe; two daughters, Mrs. Agatha Wasson of Butler and Mrs. Viola Dressel of St. Joe; 14 grandchildren; seven great grandchildren and two sisters, Mrs. Ruby Loomis of Hicksville and Mrs. Delphia Wade of Hicksville.

CONCORD JR. HOME EC CLUB

The November 3rd meeting of the Concord Jr. Home Ec Club was held at the home of Florence Miller. The meeting was opened by reading of the club creed and singing the Doxology. Devotions were given by Katy Crow. Roll call was answered by 17 members.

The December 10th meeting of the Concord Jr. Home Demonstration Club was held at the home of Dorothy Simanton. The meeting was opened by the vice-president, Lois Strombeck. The club creed was read in unison. The history of the song of the month was given by Marcelle Storer. "The First Noel" was then sung. Devotions were given by Lois Strombeck. The hospitality committee gave their report. Ellen Fetters gave a very interesting report on poultry.

Following are some important dates to remember: January 7, officers' training school; January 14, leaders' training school; January 29, handicrafts workshop.

The club name was changed to Concord Jr. Home Demonstration Club.

Eighteen members responded to roll call followed by the Christmas exchange. The meeting closed with the reading of the club prayer.

The January 7 meeting will be held at the home of Evelyn Walters.

CARD OF THANKS

We wish to thank everyone for their kindness and expressions of sympathy at the death of our mother.

Mr. and Mrs. John Dilley

NOTICE OF ADMINISTRATION

Notice is hereby given that the undersigned has been appointed by the Circuit Court of DeKalb County, State of Indiana, Administrator of the estate of Nancy Grace Dilley, late of DeKalb County, deceased.

Said estate is supposed to be solvent.

John F. Dilley, Administrator
December 14th, 1951.

Wm. F. Endicott, Attorney — 4p13

MEETING NIGHTS CHANGED

The St. Joe Valley Conservation Club voted to change its meeting nights to the second Thursday evening of each month.

This action was taken to relieve the confliction with other organizations in the community.

THE AMERICAN WAY

Why Inflation Runs Rampant

We Can Blame Ourselves

Morality in government indicates collective morality of the individual. Conversely, immorality of the individual portends immorality in government.

The temptations presented to public officials are no greater than those which confront the average person. But the public official, because of his position, is subjected to more publicity and therefore his yielding to such temptations becomes of greater magnitude in the public eye. Acceptance of a gift now has become not only a reflection of appreciation, as it has been looked upon in the past, but also a sign of favoritism.

The average citizen is greatly disturbed at present because of the graft and corruption laid bare through recent investigations in our government. But before wholly condemning those involved, it would be wise to stop for a moment and take stock of the situation.

We are living in what might be called a "fast age." The past twenty years have seen a great change in the thinking of the individual American. With this generation of fast living has grown a false philosophy of getting "something for nothing." Accompanying this philosophy, in turn, has been an ultimate loss of pride in accomplishment and pride in the manner of attaining that accomplishment. "Something for nothing" also means "something worth nothing." A man can have his automobile polished and waxed, pay ten or twelve dollars for having it done and speak proudly of the appearance of the machine. But another, who by the sweat of his own brow, rubs and polishes the finish to its gleaming beauty, looks upon his automobile in an entirely different light. The beauty of his property is shown through the efforts he himself has put forth. The value he places on the same job is many times greater. Why? —because of his pride in his accomplishment.

Receiving—or granting, for that matter—gifts or favors while in public office is unethical and borders on the dishonest. Done once, it can be done again and so on and on until the individual is lost in an avalanche of his own making. Furthermore, an example is set for others to follow. Accomplishing goals in public office through honest efforts magnifies the integrity of the person holding that office and the office itself. Dishonest or unethical practices used in attaining prescribed goals detract from the value of those goals; public office becomes of lesser value and soon there is spreading corruption, which, in the final analysis, began right at the roots where every individual has the opportunity to condemn or condone such practices. Pride in accomplishment and method of accomplishment is lost in the process.

It is said that an honest man can't succeed in politics. If that is so, then a great percentage of Americans are dishonest and can put corruption in office.

The national government is now undertaking a "housecleaning" to eliminate unethical operations and dishonest practices. It's coming a little late and in the wrong place. Perhaps a few will be persecuted for the faults of many. The "housecleaning" should also extend to the mind of America for it is there that corruption has been tolerated. We—every American—can bow our heads in shame, because the spectacle we are now witnessing is but a result of our own faults. We have seen corruption, have possibly even taken advantage of it, and now we can see the inevitable conclusion.

"America" stands for honesty. That includes "you and me."

RURAL YOUTH

The DeKalb County Rural Youth met December 18 for its regular monthly meeting. The group went caroling to the County Home after which they met in the court house for their business meeting. Max Ward read for devotions St. Luke's version of the Christmas Story. A discussion of "The Values and Purposes of Rural Youth" was given by Dick Haynes and Albert Yoder. A toy exchange was held with gifts being turned over to welfare.

Refreshments of Christmas cookies and ice cream were served by the committee after which the group played games.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Joshua 23—24.
DEVOTIONAL READING: Joshua 24: 14—18.

The People's Choice

Lesson for December 30, 1951

WITH New Year's Day right around the corner we should take stock of ourselves. What is to become of us as a nation? Can we survive in this atomic age? Is our future curve upward or down?

Dr. Foreman

The answer to such questions lies in the answer to another one: What will the people choose? The most important fact about any people, at any crisis in their life, is not what they have, not what they have done or accomplished or enjoyed, not what they have at the present moment in power or in possessions. It is not their reputation, their income, their history. It is simply their choices, their decisions. However grand a nation's past may be, however good their present may be, wrong decisions can destroy everything. What will the people choose?

• • •

Democracy Means Free Choice

THERE are some interesting parallels between the United States, or Canada, today, and Israel of more than three millenniums ago.

It was a little nation, so new it could scarcely be called a nation, so small it could be lost in one of our big cities. But when it was beginning its time in Palestine, it was much nearer a true democracy than it was in the more famous and glamorous times of David and Solomon.

There was at first no hereditary monarchy, the people had no precedents to go by, they had to pick their way through an uncertain world, much as we do only on a smaller scale.

In Joshua's time there had been a military government; first Moses and then Joshua had done most of the thinking for the people. But when he grew old, Joshua knew that in the future the people would have to think for themselves. When the people do think, it is democracy; when they think only what they are told to think, it is a police state. Now Joshua knew that the main choice before the people was basically religious. As he put it: Whom will you serve?

• • •

A High Way and a Low

THE choice was not merely between good and bad theology. If you choose a God you choose his way of life. The way of the true God was the high way, other ways were low. The Israelites' God was the God of the Law, the God of pure strong living. The gods of the Canaanites were pictured as golden calves, brass he-goats.

There is a world of difference between a man, or a nation, whose highest thoughts cannot rise above the level of the animals they worship, and a man or nation whose highest thoughts are expressed in the holiness, justice and mercy of the God of Abraham, Isaac and Jacob.

If any one has a sneaking feeling that all religions are really much the same, let him remember what happened in Palestine. The peoples who chose the animal-gods simply rotted away, leaving few traces in the dust of history. The nation that (not everybody, not all the time, but on the whole) chose the true and living God, has made an impression on history such as no nation so small has ever made.

• • •

Idols of Today

THE Living God still challenges us, a free people. The words of Joshua might still be spoken in this 20th century: Choose this day whom you will serve. Millions make the wrong choice. Some worship the idol called success-at-any-price; some fall down and worship Mammon; others worship popular opinion; others will do anything for what is in a liquor bottle; others give their all for the goddess of sex, others for the "great god luck."

The dismissal of ninety cadets from West Point for cheating (who set them the example?), the revelations of the Kefauver Crime Committee, the strangle-hold gamblers have on national affairs, the crowded divorce courts and race tracks, the ravages of liquor and drugs even on young boys and girls, the general foggy confusion about what is right and what is wrong, the prevalence of the bare-faced lie in public life—all must cause a thoughtful person to ask: What kind of choices is our country making?

Can we be called a God-fearing nation or do we also still worship idols?

Snow Swirl Cup Cakes

These tempting small cakes, swirled with fluffy frosting and garnished with walnut halves, are convenient to serve large groups at a tea or coffee hour.

When it's cold outside you can make the kitchen cozy by baking breads and cakes or pies for the family supper. Cupcakes offer a nice change for dessert, and they can be made from your favorite cake batter or the quick-mix two-egg cake recipe given here.

Since economical enriched flour is the main ingredient, cupcakes are an ideal choice for family dessert, or as refreshments for a club or church group. Cost of the unfrosted cakes is only 1½ cents apiece.

If you prefer to buy cupcakes, bakers usually have them, and often with a variety of frostings—lemon, vanilla, butterscotch, strawberry and chocolate. Like the home product, these cupcakes made with enriched flour contribute protein, B-vitamins and food iron to make a nutritious dessert.

Cupcakes wrapped in wax paper make good treats to complete a sandwich and fruit lunchbox meal.

SNOW SWIRL CUPCAKES
(Quick Mix Method)

2 cups sifted enriched flour
3 tablespoons baking powder
1 teaspoon salt
1 cup sugar
½ cup new-type shortening
1 cup milk
1 teaspoon vanilla extract
2 eggs

Sift together flour, baking powder, salt and sugar. Add shortening and ⅔ cup milk. Beat 2 minutes. Add remaining milk, vanilla extract and eggs. Beat 2 minutes longer. Fill greased muffin pans ⅔ full. Bake in moderate oven (375°F.) about 20 minutes. When cool, frost with Fluffy Frosting. Makes about 16 3-inch cupcakes.

Fluffy Frosting

1 egg white
½ cup sugar
3 tablespoons water
Dash salt
1 teaspoon corn sirup
Walnut halves, if desired

Combine egg white, sugar, water, salt and corn sirup in top of double boiler. Beat with rotary beater until thoroughly blended. Place over rapidly boiling water and cook, beating continuously, until miture holds its shape (about 7 minutes). Cool and spread on cupcakes. Garnish with walnut halves or chopped nuts. Makes enough for 16 3-inch cupcakes.

Letters to the Editor

Arcadia, Calif.
Dec. 21, 1951

Editor of St. Joe Newspaper:

Just a few lines that people back home may keep a check on us. Imagine me sitting on the curb in front of Garnett's home writing this letter. Clear skies, sun shining bright, temperature about 60 degrees. We have left the little state of Texas far behind, have crossed New Mexico, deserts, mountains, dry rivers, beautiful cities and highways. The people call their state "The land of enchantment" Stopped off at Denning and visited a day with "Shorty" Miller. Made a side trip 55 miles to Silver City where we saw the only open mouth copper mine in the world and drove right down into it, a probable depth of 2000 feet. Also saw the City of Rocks where rocks rise up out of the desert to height of 20 to 100 feet forming streets and alleys, a city without houses. Then across Arizona passing many ranches, rich farming valleys wherever they can have irrigation. Large cotton fields, some wheat and alfalfa and lettuce. Stayed a day with Ira Moore 8 miles west of Phoenix. Then on to California to Arcadia and to Garnett's home. Arrived here Saturday night and left Tuesday morning for Selma California through Pasadena and on north with 100 miles of the most rugged mountains we have seen. Then 100 miles of the most fertile valley in Calif. and visited Clifford and Ruth Vanzile, and Tillie Schlatter and son on their farm where they raise the wonderful California grapes and Sun Maid raisins. Hundreds of acres of these vineyards all harvested now.

Also talked with Edd (Squirrel) Hull our old pitcher at Spencerville about 30 years ago. Returned to Arcadia via the coast route 101 where the waves of the old Pacific almost dashed up to the highway. This is a scenic highway not built for speed, too many curves and ups and downs.

Will stay in Arcadia until after Christmas and maybe New Years and the Tournament of Roses and the football game at Pasadena Jan. 1. We are only 10 or 15 miles from there.

Mr. and Mrs. George Beams

CULTURE CLUB

The Christmas Party of the Culture Club was entertained at the home of Mrs. Howard Baker of Spencerville on Wednesday evening, December 19.

The president, Mrs. Rose Anthony, called the meeting to order by reading a poem entitled, "Old Santa Claus," then all repeated the collect in unison. Mrs. Edna Jenkins gave the devotions, reading Luke 2:1-18.

The entertainment committee, Mrs. Albert Wade and Mrs. Sam Armstrong, then took charge.

Each lady was given material consisting of marshmallows, orange slices, cranberries, toothpicks, etc., and asked to fashion a Christmas party favor. Mrs. Joseph Baldinger was voted the winner.

Then a spelling match was conducted with Mrs. Virginia Laux and Mrs. Glen Wineland as trappers. Nuts to crack was another contest.

The house was all a-glow with Christmas trees, the most novel were choir girls made of crepe paper.

Mrs. Lynn Fisher assisted Mrs. Baker in serving refreshments of chicken sandwiches, cranberry salad, date pudding and coffee.

CHRONOLOGY of 1951

KOREA

January
4—Reds capture Seoul, drive into south.
11—U.S. agrees to new U.N. truce bid to Red China.
17—Red China spurns U.N.'s new Korean truce plan.
18—U.S. congress, President demand U.N. declare Red China aggressor.
30—U.N. indicts Red China for Korean aggression.

February
1—Eighth army counterattacks and puts Reds on defensive below Seoul.
5—U.N. tanks in "kill Reds" operation shell Seoul.
15—U.N. forces reach Seoul and stop Red counteroffensive in central Korea.
18—Allies counterattack Red armies.

March
7—MacArthur predicts a stalemate in Korea.
14—Reds give up Seoul without a struggle.
15—Reds in Korea retreat to 38th parallel.
31—U.S. forces cross 38th parallel to break up Red plans for spring offensive.

April
12—War's biggest air battles are waged in Korea.
13—Reds said to be massing big air force for Korean drive.
22—Seoul menaced by Red thrusts.
30—Allies stall Chinese drive.

May
10—Chinese Reds fall back as drive fails.
16—Reds resume offensive.
23—Sweden reports Korean peace feeler from Russia.
24—U.N. counterattacks.
31—Main Red forces retreat into North Korea.

June
1—U.N. diplomats draft new peace bid to Red China.
8—General Marshall visits front and denies truce rumours.
21—Reds lose last stronghold in South Korea.
23—Russia proposes cease-fire along 38th parallel.
23—U.S. asks U.N. for more troops.

July
5—Korean cease-fire talks are set.
10—Truce talks break off over press argument. Red armed guards.
18—Little progress made as Korean talks resume.
26—Talks progress to setting agenda.
27—Parley snagged by question of truce line location.

August
5—Peace talks are interrupted for five days
16—Subcommittee takes over truce dispute.
22—Reds walk out of truce talks because of alleged plane incidents, denied by U.N.
30—Parley still held up by incidents.

The St. Joe Valley Recreation Club will hold its January meeting Thursday, January 3, 1952. The meeting at the school house will start at 7 p.m.

4-H CLUB TOUR

On December 14 twenty-four 4-H Club members, ten parents, 4-H club leader, Robert Witt, and Harold Lochmire, vocational teacher, toured to Archibald, Ohio, and went through the Lugbill Packing Plant. On the observation floor, the group saw beef being butchered. Then the tour went through the smoking rooms and packing rooms. They saw one large room of graded beef, according to government standards. Samples of cold meat were passed out. Then the group was shown thru the large sale barn which is kept immaculate. Souvenirs were given to all the guests.

At noon the tour went to Defiance, O., to Wellmans Restaurant where a delicious turkey dinner was enjoyed in the party room. This was given by the Hudson Feed Mill. Two fancy breeds of roosters were also given by the Hudson Feed Mill. These were won by Donald Mann and John Weninger. Three Future Farmer Members and 10 G-I students also were served at the noon hour.

All left in a group and toured to the Hudson Feed Mill, laboratory at Okolona, Ohio. Here the different kinds of feed were shown and the mixing processes. In spite of adverse weather conditions, everyone arrived home safely.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

HURRY-WORRY DISEASE

HURRY and worry are now classified as disease factors. They are a menace to health and can cause early death. Hurry increases the pulse, respiration, and blood pressure.

The human body, like the automobile, cannot be pushed beyond normal capacity without strain in the various parts. Unlike an automobile, there are no spare parts to replace heart, blood vessels, lungs, digestive tract.

Worry, as with hurry, affects the body unfavorably. Worry is normal under stress and intended by nature to help a person cope with immediate dangerous circumstances. When worry continues constantly, it disturbs the entire nervous system, producing unnecessary strain throughout the body.

Diseases stimulated by hurry and worry include coronary thrombosis, high blood pressure, hardening of the arteries, dyspepsia, nervous indigestion, and peptic ulcer.

It is the businessman, the executive, doctor, lawyer, teacher, scientist, politician, high-ranking military and naval officer, writer, artist, and entertainer who is most affected by hurry and worry.

Ambition is to be encouraged, but heavily burdened people must learn how to relax. No matter how full a person's schedule, he should take time out for leisure, recreation, sufficient sleep, and adequate vacation.

Worry is an enemy to physical and emotional health. Much hurry and worry can be prevented by planning ahead. Live more calmly and serenely and live longer.

LEO AUXILIARY NEWS

The American Legion Auxiliary Unit 409 of Leo held their regular monthly meeting on December 5 at the post home. Madam president, Mrs. Vernon Halter, presided over the meeting. The following committees reported: Americanism—Mrs. Alvan Tharp reported that the state-wide Americanism essay contest, with thousands of school pupils competing, have been conducted by the Auxiliary in many states for a number of years. Leo school will enter the contest and the title will be "America - Land of Opportunity." Community service—Mrs. William Bender reported that there were four hours spent at the road side council and six hours on the cancer society. Knightsown Home—Mrs. William Hudson is preparing a box of sweets for the children of Knightstown Home for Christmas. Pan-American—Mrs. Harold Kryder gave a report on the home life of the Cubans.

Mrs. Fred Marolf and Mrs. Robert Tharp were at the Ft. Wayne Veterans Hospital Gift Shop December 12 and 13 where hospitalized veterans can select gifts for their families without cost. Chrismas could not be a happy day for them if they had to lie in their hospital beds and think of families at home to whom they had been unable to send anything.

Mrs. Darwin Savage, Mrs. Mary Savage and Mrs. Vernon Halter visited veterans at the Irene Byron Sanitorium and presented them with small gifts. Plans were completed for the annual pot-luck Christmas party which is to be held December 21 with Santa Claus, movies and treats for the children. Rehabilitation chairman, Mrs. Darwin Savage, and her committee were in charge of the social hour.

CONSERVATION CLUB

A lot of shooters attended the St. Joe Valley Conservation Club shoot last Sunday. The crowd was larger than expected and it was nearly dark when the program was finished and some were unable to shoot.

In the poultry event the following will eat chicken: Swann 2, Krise 1, Vail 1, Gustin 1,DeLong 1, Toms 1, Westrick 2, Yant 1, Kelly 1.

In a 50 bird handicap, the following scores were made:

Swann	45
Rowlands	43
DeLong	43
Johnson	42
Eby	42
Kelly	42
Westrick	40
Rieke	40
Toms	39
Vail	39
Neitert	39
Magsam	38
Holman	37
Hoff	37
Powell	36
Gustin	36
Yant	36
Close	35
Krise	34
Hackett	31

Concert Tickets Honored In Other Communities

The DeKalb County Community Concert Association announces that the memberships of the association in this county will also be honored by the Community Concert Associations in Coldwater, Michigan, and Defiance, Ohio.

The concerts in Coldwater will be held in the high school auditorium on East Washinton Street, one block off Route 27. The program for this year will be--

The Dranoffs, duo pianists—Thursday, February 28.

Susan Reed, balladist—Friday, March 14.

David Loyd, tenor—Monday, April 28.

The Defiance Community Concert Association's program is the following--

Cincinnati Symphony—Tuesday, January 22.

Men of Song, quartette, Friday, February 29.

Slavenska Ballet Variante—Tuesday, March 18.

Any member who plans to attend any of these programs should keep in mind that both of these communities are on Eastern standard time.

The first concert of the DeKalb Association will be presented on January 3rd at the Court Theatre in Auburn. The popular radio and concert singer, Mac Morgan, will be the guest artist.

Someday you'll heat your house with a Refrigerator!

Sounds startling, doesn't it? But people have come to expect startling things from electricity. One of the big reasons these expectations are so often realized is that your electric company is continually engaged in research . . . in a quest for new ways to make living better through electric power.

For some fifteen years now we've been developing and experimenting with the "heat pump." It's a device that works on the familiar principle of the electric refrigerator—which actually "makes cold" by pumping out the heat that's in the box. The heat pump is a sort of two-way refrigerator, cooling your house in summer (as you might expect) and, by pumping in the opposite direction, *heating* it in winter, too!

It takes heat that would otherwise be wasted and pumps it from where it is to where you need it. You can use heat that's naturally in the ground, or in the air, or in a handy body of water. Maybe temperature of the air or ground or water is only 30 or 40 degrees. It doesn't matter. The pump can still get enough heat from it to bring your house to a cozy 70.

Heat pumps are already in successful daily operation in fifty homes and commercial buildings on the American Gas and Electric System. Hundreds more are in use elsewhere throughout the country.

You'll hear more about the heat pump, count on that. And count on your electric company to continue its pioneering research to make living better electrically.

The St. Joe News

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, January 3, 1952 — NUMBER 1

Around the Town

With the Editor

This would be a good time to take a look around at the new faces seen in St. Joe.

Recently the Milton Ritenour family moved to St. Joe from Spencerville. The Northrup property just down the street has been sold and a new business will be going there soon. Then there's Bill Longerbone and his family who have purchased the locker service from Roscoe Walter and will be ready for business soon. Don McElroy has purchased a grocery in Leesburg and his family moved there this week.

It's interesting to look through old ads and handbills occasionally to see what things were selling for 'way back when. Harvey Hull brought in a couple of old sheets one of which was a copy of the St. Joe News when it was published (in 1884) by Mort E. Olds "in the advertising interests of Case & Olds, Dealers in Dry Goods, Groceries, Notions, Boots, Shoes, Hats, Caps, Queensware, &c."

The "News" at that time had a page size of only 7x11 inches, a quarter of its present size. Here are the items on the second page which should give you a few chuckles:

Dr. Bowman is now a resident of St. Joe.

Mart Testison now carries a stock of Queensware.

St. Joe is one of the most lively towns in the county.

Morris Widney was in own on New Year's day.

John Widney will commence work on his new house as soon as spring opens.

Never run in debt if you can find anything else to run into.

Dan Baker and his family have moved back from Iowa. He will farm the old homestead.

We have a bang up good piece of Linen Toweling at a price that will astonish you. Only 5 cents.

Buckwheat flour made into flap-jacks is always the best about this time of the year. We can supply you.

Our Teas are guaranteed to be first class, and the prices we will make way down low cheap.

Mr. Merica, principal of the Garrett schools, and brother of our Merica, was in town on New Year's eve.

We sold thirty-eight silk handkerchiefs during the holidays and still there are people who wont keep their nose clean.

The hunters who were down to the big woods last week, were very successful bringing home with them seven deers.

Smoke the Nimble Nickle cigar. They are as good as the N. N. soap.

Men's and Boy's Rubber Boots of a first class quality for sale at the Nimble Nick store.

We noticed Joe Hull going home the other day with a cradle in his sled. Now we don't mean to insinuate that he was taking it home for his own use, but we just merely mention it as an item of news.

Alex Filley's sister and mother spent New Years with him.

"Roastbeeflambmuttonandham" said the girl who waits on the table at the Isle of Shoals. "Well, said the old gentleman, I never tasted it. But you may bring me some, and I'll see what it is like."

Say, who was it said they were going to build a grist mill in St. Joe?

Complete line of Men's Underwear at cold weather prices.

There was an average attendece of over 100 scholars at Sunday school during last quarter.

It was quite a difficult matter to keep the school rooms at this place warm during the cold snap last week. Trustee Brown came down and put up another stove and done all in his power to made the scholars comfortable.

The other oddity is a handbill mailed out by "The Big 4 Store" during a July sale in 1909. Here are some of the bargains:

10 Pounds of Granulated Sugar 49 cents.

Coffee—Good grade fine flavored, sold everywhere at 17c, July Sale Price 13c.

Salt—Ten lb sack pure Table Salt, sold regularly at 10c, July Sale Price 8c.

Ladies vests, July sale, 9, 13, 23.

Ladies drawers, July sale pair, 23, 45c.

Ladies Union suits July sale price per suit, 23 and 45.

Men's 50c drawers, Sale Price 45c.

Mens $1.00 Union Suits, Sale price 90c.

All wool yard wide ingrain carpet, Sale price, 59.

9x12 best Axminster rugs, sale $20.50.

Heavy Cotton Ingrain carpet, July Sale Price 23.

At the bottom center is this quote: "St. Joe News Quick Printer."

Charlie Sharp may be little, but he sure can have big troubles. The game he referree'd last Friday evening was a "lulu." Rousseau Bros. from Fort Wayne played Pickles and the visitors didn't like the way the fouls were being called right from the start. One of their boys booted the basketball and was assessed a technical. Before the smoke cleared, three technicals were called besides the original personal foul. Tom Beck calmly sank all four. He went on to make 12 straight charity tosses in the first half.

The game was cut short with three or four minutes to go when fists started flying. Everything turned out OK though. The visitors apologized and even helped to get one of the locals' cars out of a snowbank when they left.

Picked up a few more bucks for the kitty during the last week from Bill Billow, Mrs. Lora Leighty and Lloyd Dunten. That makes $83.75.

Well, I see where the new town board meets Monday at 7:30 for its first meeting. Let's get a gang at the town hall and get the boys up on their toes!

Town board meetings are public, y'know. But you wouldn't know it for all the people who don't go.

People, Spots In The News

TROOP COMFORT on high seas assured. Operator on new ocean liner checks 30 far-removed areas on Honeywell electronic indicator. Device at left records temperatures of living quarters and holds, for troop comfort and cargo protection.

EXPLAINING. T. Lamar Caudle, former assistant attorney-general, shown before House subcommittee probing tax scandals, after his ouster by President.

(INP)

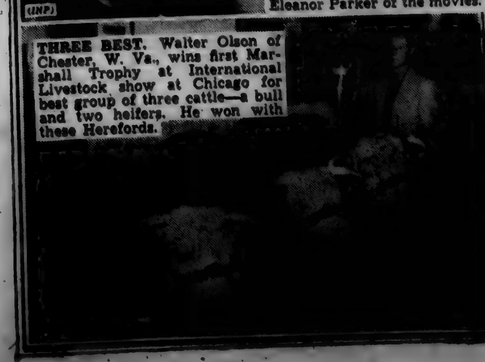
BLACK VELVET, with waist-to-hem slit and bodice of richly embroidered lace, makes stunning gown for Eleanor Parker of the movies.



THREE BEST. Walter Olson of Chester, W. Va., wins first Marshall Trophy at International Livestock show at Chicago for best group of three cattle—a bull and two heifers. He won with these Herefords.

Town Board To Open New Year Monday

The Town Board of St. Joe will hold its first meeting of the new year next Monday, January 7, 1952. The meeting starts at 7:30 p.m. at the Town Hall.

New board members to assume responsibilities of conducting the business affairs of St. Joe will be Orville Coburn and Frank Akins. D. W. Yeiser and Willard Hurni, town clerk, were re-elected.

Members who functioned as town board officials for the last time at the December meeting were Dale Collins and Merl Guilford.

NO 2ND DEPUTY SHERIFF YET NAMED

Sheriff Frank Carpenter has started 1952 without the services of the second deputy sheriff, recently authorized by the DeKalb County Council and the county commissioners.

The sheriff has announced that he has made no definite decision on who will be appointed as second deputy. The department's first deputy is George A. Milks of Ashley.

A second deputy was authorized for the department after steadily increasing work made it impossible for the sheriff and his one deputy to handle all duties of the office. At one time, the sheriff called off invesigations of traffic accidents by his department for a week to catch up on other duties.

Lodge Installation Next Tuesday

Installation of officers of the Concord Lodge No. 556, Free and Accepted Masons, will be held on Tuesday evening, January 8, at the fire hall in Spencerville.

Officers to be installed are as follows:

Albert Ringenberg—worshipful master.
Dallas Zimmerman—secretary.
Glen Brendel—treasurer.
Clifford Billow—senior warden.
Forrest Brattain—junior warden.
Frank Laub—senior deacon.
Joe Baldinger—junior deacon.
George Luker—senior steward.
Lester Anthony—junior steward.
Claud Laub—chaplain.
Ray Means—trustee.

County Highway Superintendent Named

Elmer John of Auburn was named superintendent of the DeKalb County Highway Department by the county commissioners who met in special session New Year's morning.

Mr. John replaces Ray Zimmerman of Spencerville who resigned effective December 31. He served two years as superintendent.

The new superintendent has served on the county highway department for a total of 23 years. For 11 years, he was head of the Butler district of the department. Twelve years ago he moved to Auburn and was named assistant superintendent.

The commissioners, Frank Schuster, Ira Grogg and Claud Laub, said no assistant will be named for the time being to fill the position vacated by the promotion of Mr. John.

H. Clark Springer was named county attorney by the commissioners.

Edwin Guthrie Dies After Illness

Edwin F. Guthrie, aged 62, who resided five miles west of Hicksville, died Tuesday morning in a hospital at Richmond where he had been a patient for the past three months. He had been in failing health for over two years.

Mr. Guthrie was born September 25, 1889, in Branch County, Michigan, and was a son of Hugh and Mary McNett Guthrie. His early life was spent in Branch County. On February 26, 1916, he was united in marriage with Mary Bauserman Elzey. They lived near Coletown in Newville Township and in 1921 moved to the present home in Spencer Township. Mr. Guthrie had engaged in farming all his life. He was a member of the Spencerville Methodist Church.

Surviving him are his wife; three brothers, E. J. Guthrie of Colon, Michigan, Justus Guthrie of Burlington, Michigan, and Luther Guthrie of Bristol, Indiana.

The body was taken to the Perkins & Reeb funeral home and then to the residence Thursday morning. Services will be conducted at 1:00 p.m. CST Friday in the Spencerville Methodist Church. The Rev. E. J. Gilford, pastor of the church, and the Rev. Roy S. Brown of Pennville, Indiana, will officiate. Burial will be in the I.O.O.F. Cemetery at Monroeville, Indiana.

BENEFIT GAME TUESDAY

Sechler Pickles independent basketball team will meet the strong Sand Point five from Ft. Wayne Tuesday evening.

The game will be played at the local gym starting at 8:30 p.m.

Proceeds will be put into the recreation club treasury.

Joe Robinson is chairman of advance ticket sales.

Report from Lyon

by Margie Appleman

We went to the Museum of Modern Art- a large place- It took us all afternoon to get through it- It had both sculpturing and painting- Some of the statues were done by Zadkine, the man that taught one of the fellows June and I knew here 3 years ago- Thursday we went to see the "Train of Europe"- the same idea as the "Freedom Train" in the U.S.- with a bunch of pamphlets and pictures- illustrations, movies, records- about how necessary a "United Europe" is- After that we went to "Les Invalides"- which, a long time ago, Napoleon built as a hospital for his troops- and which now contains his tomb and the tombs of other great generals- The inside of the building is all kinds of marble- We just looked and didn't explore it much 'cause it was too cold inside. Saturday afternoon we went to the Clung Museum- which conains mostly medieval things- statues, tapestries, paintings, household articles of the time, etc. We didn't think it was too interesting except for some of the old books and manuscripts illuminated in such beautiful colors.

Sunday was- for a change- a fairly sunny day- (It hadn't rained much at all, but had been pretty cloudy)- so we walked around and took some pictures- and went to one of the oldest churches in Paris- which has some of the most beautiful stained glass windows in France- Almost one solid wall is stained glass- with just narrow wooden panels in between.

Monday was a busy- and sad-day- We decided to leave Tues. a.m. for Lyon instead of Wed.- (to be sure to have time to find a place to live) So- it took us nearly all day to pack- and we took our baggage to the station and checked it (Didn't know if we'd be able to get a taxi so early the next a.m.) So Tues. a.m got up at 6:30- and to the station in plenty of time (for a change). It was a beautiful trip- we went through lots of forest- and the leaves were all colors and just beautiful. The countryside is fun to watch because the houses there are usually so pretty- sometimes in pale light colors- and trimmed with tile and wood and stone. No houses are ever built of wood, though. I guess because they don't have much- but I'm not sure- We went through a quite hilly section, too, which was pretty- Got here (Lyon) at 2:15 right on schedule- and went over to Mme. Berger's office- who is in charge of foreign students- their housing- and courses. She had kept an apartment for us. We got over to see it rather late in the evening- and stayed there that night and the next- but decided against renting it- It was beautiful- but much too large- practically a castle- the rooms were so big and there was a huge living room- huge bedroom- and dining room- plus a big kitchen- and bathroom- But it was very impractical. The rent wasn't too bad- but we'd have had to heat it ourselves- with wood and coal stoves (one in each room)- And since coal runs close to $40—$50 a ton- it would have been much too expensive- 'cause the rooms were huge- high ceilings, etc.- plus we'd have to pay the electricity for lights and for heating our water. It's expensive here too- And for the gas for the stove. We have found a real nice place now- much smaller- and so much cheaper and now are really satisfied.

NOTICE OF ADMINISTRATION

Notice is hereby given that the undersigned has been appointed by the Circuit Court of DeKalb County, State of Indiana, Administrator of the estate of Nancy Grece Dilley, late of DeKalb County, deceased.

Said estate is supposed to be solvent.

John F. Dilley, Administrator
December 14th, 1951.

Wm. P. Endicott, Attorney

LADIES LITERARY CLUB

The Ladies Literary Club held their Christmas Party at the home of Mrs Lloyd Dunten in St. Joe on December 19. Those on the committee for the evening were Mrs. Harold Baker and Mrs. Frank Shull.

Supper was served at 6:30 by the hostess and the committee assisted by Mrs. Don McElroy. Mrs. Maurice Kline as president took charge of the short business meeting which followed.

Mrs. Frank Shull then read an amusing story, "Yes, There Is An Easter Bunny," and Mrs. Harold Baker sang a solo, "Sweet Little Jesus Boy."

Mrs. Calvin Lessing had charge of the Christmas gift exchange after which the meeting was adjourned.

THE AMERICAN WAY

Jack Sprett could eat no fat,
His wife could eat no lean,
And so, betwixt them both, you see
They licked the platter clean!

Spend-Crazy

Believing that the waste of public tax money is appalling and that there can be economy, drastic economy, introduced in our government's budget, we submit the following data showing the increases in departmental expenditures of the federal government between the years 1940 and 1950:

Commerce—$75 million to over $800 million, an increase of more than 1000 percent;

Interior—$71 million to over $500 million, an increase of nearly 700 percent;

Labor—$18 million to more than $250 million, an increase of 1200 percent;

State—$20 million to more than $360 million, a 1600 percent increase.

In connection with these specific expenditures, it is interesting to know that in the past seven years, more Federal taxes have been collected from the American people than were collected in ALL preceding years since the founding of our nation—$260 billions as against $250 billions.

Look over those figures again. Take a good look, for in those multitudes of zeros appears a strong reason for changing our national leadership. What have we to show for all that money? Where is the strength we should expect from such expenditures? Have those spent tax dollars made America stronger economically and physically? Have those spent tax dollars shown other peoples of the world to best advantage the great blessing of being an American citizen living in a republican form of government?

Old Advice Remains Sound

From the St. Joe News of January 12, 1884, comes this bit of advice which, though 68 years old, remains appropriate:

"We clip the following from a Chicago Journal, and hope that every citizen of St. Joe, that is interested in the welfare of our town, will read it and profit thereby. 'The growth of a town depends upon the character of the people who make up its population. This may seem so self evident a truth as not to need any mention, but we wish to call attention to one class of people who work much injury to their town. We refer to the grumblers who run down their own place as a business point, and think every other village sells goods cheaper and offer greater inducements. The men who refuse to stand by their own town are not a few in number, and their influence is a bad one. If a stranger comes along to invest in some kind of business or manufacturing institutions he is told by these croakers that the place is "no good," and if they could get away themselves they would be glad to do it. They tell the newcomer he will make a mistake if he invests and they would advise him not to. Such talk is enough to discourage the most enthusiastic investor and drive him away. There are but few towns which have no representation of this class of croakers. They may mean no harm, and no doubt would like to see their places advance, but they cannot see that they themselves are the barnacles which prohibit any progressive movement. Stand by your own town and sound its praises, if you would see it grow.' "

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: John 1:19—51.
DEVOTIONAL READING: Isaiah 55: 1—7.

How to Find Christ

Lesson for January 6, 1952

NOT every one finds Christ in just the same way. This was true at the beginning and it is still true. A very interesting recent book is, "These Found the Way," edited by David W. Soper. (Westminster Press, Philadelphia, $2.50.) It contains the stories of a dozen modern persons who have become Christians. No two of them have the same story to tell, yet there is something in common among all of them.

Dr. Foreman

Each of them in some way has "found" Christ. It is a mistake to think that all Christians must be cast in the same mold, or that each of us must plant his feet exactly in the footprints (for example) of St. Paul.

• • •

Sensational Conversions

AT the beginning of John's gospel we find the story of one person after another who followed Christ. There is only one of these who believed in Jesus on the basis of what could be called a "supernatural" experience. This was John the Baptist. He testified that he had "seen the Spirit" (that is, God's Spirit) coming upon Jesus.

Now you cannot "see" the Spirit in the same way you can see a fence-post. Even if you take the story in the most literal way, and take it to mean that the Spirit had taken the visible form of a dove, the question still is there: How would John know that this particular dove was not a dove, but the Holy Spirit?

Whatever you make of it, John was an exception. All the others in the story became followers of Jesus through some one's word, suggestion, invitation; some one introduced them to Christ. That still is true.

Very few people who are Christians today started out with some vision in the sky, some vision of a dove or an angel or of Christ himself (like Paul, later on).

• • •

Simpler Cases

JUST as likely, it was not spectacular at all. (Most of the conversions recorded in the New Testament were not in the least spectacular.)

It was some one saying, "Let's go to church," or it was a Sunday school teacher saying, "Bill, isn't it time you accepted Christ for yourself?" or a girl saying, "How can I marry a fellow that isn't even a Christian?" It may be reading a tract or it may be listening to some one's testimony in a prayer meeting, it might be reading that book about how some in our time have "found the way",—or it might even be reading this column.

However it comes about, two things are always true. First, some one introduces you to Jesus. Then, you make the decision for yourself. You are not likely to come to Christ unless some one else suggests it and helps you; but no other person however good, and no church however great and true, can do for you what you alone can do for yourself: make up your own mind to say "Yes" to Jesus Christ.

Nowadays much is said about "Fellowship Evangelism". There is nothing mysterious about it. For instance, a man who has never thought about becoming a Christian and perhaps no intention of being one, joins (say) a men's club at some church . . . and one thing leads to another, and he gets acquainted in this way with the minister or with some one else who has had a real and happy experience with Christ . . . and presently his heart is stirred and he too becomes a Christian—because he has made Christian friends.

• • •

Saying a Good Word

YET it is a strange thing: many people will talk about anything else they believe in, before they will talk about Jesus Christ.

Suppose that from the beginning every one had been as close-mouthed about Him as most church members are? Simon Peter, for one, would never have become a Christian. If it had not been for his brother Andrew, who knows what would have become of Simon Peter?

In commercial lingo, Jesus "sells" himself. First-rate things, ideas or persons always sell themselves. But even the finest articles in the world need to have their story told, they have to be introduced, people have to know about them. Every church, every Christian, ought to be (in the best sense) advertising Christ. Is yours? Are you?

Letters to the Editor

Arcadia, Calif.

Editor St. Joe News,

Christmas in Arcadia Calif.

Turkey dinner with all the trimmings at Garnets home along with her husband, Donnie and Dale's mother. Still eating turkey and plenty left. Imagine this. I went out after dinner and walked up and down the block, no coat. We have heard plenty about your weather by radio and newspaper. Can see a little snow on mountain tops a mile or two away. That is as near as we had snow for Christmas.

In Indiana we think it isn't Christmas without snow. Out here they ask, "Where did you ever hear that Jesus was born in a snow storm."

We called on Mr. and Mrs. Sherman Cook Sunday afternoon in Burbank, Calif. Mrs. Cook was the former Esther Lake of Spencerville. Expect to see the Ruders and Merton Kimes soon. Last night drove down the Christmas Tree Lane from Ontario to Upland, three miles of lighted Christmas trees. There is another Christmas tree lane near here which we hope to see some night. A mile of 80 ft. high lighted trees where some two thousand cars pass through this lane nightly.

Too many places to go and too much to see. Probably will miss some of them. Expect to stay for the "Parade Tournament of Roses" New Year's Day. Then on our way to Indiana with one scheduled stop with the Jaffre's at Terra Haute. Hope you will have the Indiana highways ready for us. We may be home in time to read this.

Mr. and Mrs. George Beams
Arcadia, Calif.

COUNTY HOSPITAL COST LOWER

DeKalb County through its welfare department hereafter will pay hospital costs for patients sent to the Indiana University Medical Center on the basis of a minimum daily rate of $9 instead of at the all-inclusive $18.50 rate.

Notification of the change in rate basis for welfare patients, effective January 1, has been received by the county welfare department. The new minimum rate will cover medical care by the Center's resident physicians, nursing, ward room, and board. Additional services as required by the patients including use of surgery, X-rays, laboratory tests, drug, etc., will be billed separately to the county welfare departments.

The change in rate basis, approved by the I. U. board of trustees, abandons the all-inclusive rate covering everything required by patients which had been in effect since the establishment of the University hospitals as teaching adjuncts to the medical, nursing and other schools. Steadily rising costs had pushed this rate up to $18.50. By the change the University hospitals—Long, Coleman and Riley—will operate on the same rate basis as other hospitals of the state.

The new rate basis also will apply to patients covered by hospital insurance, the Medical Center has announced.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

MARIHUANA

THERE is a new epidemic sweeping the land—it is marihuana smoking. Victims for the most part are teen-agers.

It isn't that the smoking of a marihuana cigaret is ruinous, but that the practice leads toward a vicious enslavement. Marihuana is to the youngster of unstable emotions like the beer imbibed by the potential alcoholic. One thing leads to another and marihuana with its comparatively mild reaction, leads to stronger drugs such as heroin and opium.

How this new menace is affecting the youth of America is seen in the records of the U. S. Public Health Service Hospitals for narcotic addicts in Lexington, Kentucky, and Forth Worth, Texas. In 1946 there were but 26 youthful addicts in these institutions—today there are more than 700, and the number increases each year.

Marihuana in itself when used continuously can be damaging enough, as it can severely injure the brain and lead to dementia. The marihuana smoker feeling he is getting less and less kick out of marihuana too often seeks a more exciting thrill through a stronger drug. There are thousands of boys and girls now using marihuana, young people in all degrees of social and economic circumstances.

Parents and educators need to point out the dangers of this practice. Law enforcement against the possession and sale of drugs must be strengthened and sentences for violators must be increased.

Before it is too late is the time to safeguard youth against drug addiction.

Local News

Mr. and Mrs. Tom Beck were overnight guests of Mr. and Mrs. Ralph Sechler and son Friday.

Mr. and Mrs. Art Lyons and family of Fort Wayne and Mr. and Mrs. Carlos Church and daughter were Sunday evening supper guests of Mr. and Mrs. Ralph Sechler and son.

Mr. and Mrs. Ted Haberkorn and Mr. and Mrs. John Haverstock, of Leo, were New Year's eve guests of Mr. and Mrs. Charles Holtz at Fort Wayne.

Mr. and Mrs. Ira Hook and son, Vance, attended the annual Christmas Party Sunday, December 23, which was held at the home of Mrs. Daisy Sherman in Hicksville. A fine potluck dinner was enjoyed at the noon hour, over forty enjoying the day together.

Sgt. and Mrs. Carroll R. Shanks and children, Sue Ellen and Gary Alan, of Noblesville were holiday guests of her parents, Mr. and Mrs. Ira Hook and son, Vance. Other guests Sunday evening were Mrs. Russell Hedges of Ashville, O., Mr. and Mrs. Farrell Evans of Bryan, O., Mr. and Mrs. Wayne L. Hook and Mr. and Mrs. Don Cook and son, Billy, of Fort Wayne.

Mr. and Mrs. Ted Haberkorn, Jr. and sons and Mr. and Mrs. Ted Haberkorn, Sr. were New Year's Day dinner and supper guests of the Misses Emma and Augusta Haberkorn at Ft. Wayne.

Mrs. Emma Freeburn entertained the Euchre Club New Year's night while Derwood Ridgway entertained the husbands and Richard Freeburn.

James Monroe and family have returned to New York after spending the holidays with his parents, Mr. and Mrs. V. R. Monroe.

Mr. and Mrs. Don Burley, Mr. and Mrs. William Staman, Mr. and Mrs. V. R. Monroe, Cora Curie and Merritt Sechler were guests of Mr. and Mrs. Glen Cole for a watch party Monday evening.

Carl Carpenter and family were Saturday night guests in the Derrill Carpenter home at Butler.

Mr. and Mrs. William Staman, Mr. and Mrs. Glen Cole and Merritt Sechler were Sunday dinner guests of Mr. and Mrs. Don Burley.

Pickles Take Rough One

Sechlers Pickles took a rough contest from Rousseau Bros. of Fort Wayne last Friday evening at the local gym.

The visitors became upset over the officiating which they apparently thought was one-sided.

The game was called with a few minutes to go when tempers flared into a mild flurry of fists.

Pickles were never behind after the first few minutes and posted a 36-22 first quarter lead. That period featured some deadly accuracy at the free throw line by Tom Beck with 12 for 14.

Marquette kept the visitors in the game through he first half piling up 19 points. The half-time score was 57-46.

Both teams scored 20 in the third period and the score was 77-66.

The final abbreviated score was 86-76.

Services For Albert Peters

A lifelong resident of DeKalb County, Albert Peters, 76, was found dead in his bed at his Jackson Township farm home early last Thursday morning by his wife, Mrs. Emma Peters. Mr. Peters had been in good health before his death and it is thought that his death came as a result of overexertion around the home, including shoveling snow.

The retired farmer had resided in the same farm home, eight miles southeast of Auburn, since the year 1900. He was born in Auburn on February 3, 1875, to Ernest and Ricca Peters, now deceased.

He was married in 1900 to Della Kester of Jackson Township, who died 18 years later. In 1920 Mr. Peters married Miss Emma Preuss of near Fort Wayne who survives.

He is survived by one daughter, Mrs. June Bartles of Auburn; two brothers, Charles and Edward of Auburn; two sisters, Mrs. Sarah Dannenberg of Garrett and Mrs. Freda Habig of near Fort Wayne; and two grandchildren.

Mr. Peters was a member of the Trinity Lutheran Church of Auburn and of the DeKalb County Farm Bureau.

Services were conducted Saturday at 2 p.m. with the Rev. Arthur Betz, pastor of the Trinity Lutheran Church in Auburn, officiating.

Beef Cups With Potatoes Au Gratin

Homemakers seeking new ways to serve favorite foods will welcome this entree.

If one were to take a poll of America's favorite dishes Hamburger and Potatoes Au Gratin would certainly be near the top of the list. Here the two dishes are combined to make an unusual dinner entree.

To make the main course as pretty as a picture and just as good to eat, serve broiled pineapple slices and tender, bright green asparagus spears with the Beef Cups.

Pass a basket of crisp, margarined rye toast. The slices of rye bread, spread with good, fresh margarine, can be placed on the broiler rack along with the pineapple slices. Both will be done at the same time.

BEEF CUPS WITH POTATOES AU GRATIN

Beef Cups

½ pound ground beef
¼ cup bread crumbs
1 teaspoon grated onion
½ cup milk
½ teaspoon salt
Dash pepper

Creamed Potatoes

3 medium-sized potatoes, peeled and diced
¼ cup milk
2 tablespoons fortified margarine
Salt and pepper
¼ cup grated cheese

To make Beef Cups: Combine beef, bread crumbs, onion, milk, salt and pepper. Mix well. Line ungreased 3-inch muffin pans with the meat mixture to a thickness of ¼-inch.

To make Creamed Potatoes: Place diced potatoes in a saucepan with milk. Cover and cook slowly for about 20 minutes. Remove cover and cook over low heat until thick. Add seasonings and fill meat cups. Sprinkle grated cheese over each cup. Bake in a 350 degree oven for 30 minutes.

Yield: 5 to 6 Beef Cups.

HINTS ON HEALTH

by the INDIANA STATE MEDICAL ASSOCIATION

CHILDREN'S HABITS

CHILDREN have strong personalities. Some are imaginative and introspective, others are vociferous and domineering. Most infants develop habits of one sort or another. Some people call them bad habits, but, because they are natural to most infants, how can they be called bad?

Habits in a child cannot be broken without also breaking the spirit of the child. Children can be led out of certain habits or can have their interest diverted into doing other things which prompt them to lay aside the habit. As habits are built up slowly, so are they discarded slowly. This requires a vast amount of patience on the part of the parents.

When a parent accepts a child's habit as something that is natural and that in time can be changed, they will be in a much better state of mind to handle the problem. Frightening a child about a habit can cause much damage and no child should be physically punished in an attempt to change any habit.

Thumb-sucking, nail-biting, bed-wetting, dirt-eating, breath-holding and tantrums are common to many children — and they usually get over them.

Just as it requires weeks or months to train a child in toilet conduct, so does it require time and patience to divert a child from an undesirable habit.

CONSERVATION CLUB

The next regular monthly meeting of the St. Joe Valley Conservation Club will be held Thursday evening, January 10, in the K of P Hall. The meeting will begin at 8 p.m. sharp.

This should be a very interesting meeting. The district supervisor of game wardens will be the principal speaker, and the yearly report of the board of directors will be given.

All members are urged to be present.

Spencerville News

Mr. and Mrs. Richard Miller and son of Fort Wayne were Saturday afternoon callers with Mr. and Mrs. Maurice Miller and family and Mr. Vinton Miller.

Pvt. Herbert Hoover left Mon. morning to return to Fort Riley, Kansas, after spending a week with his parents, Mr. and Mrs. Ray Hoover, and family and a host of friends.

Mr. and Mrs. Walter Kimes of Leo were Sunday afternoon callers at the home of Mr. and Mrs. Harvey Kimes.

Officers were elected on Suntheran Sunday School as follows: supt.-Mrs. Frances Doll, asst.-James Shilling; sec'y- Gloria Steward, asst.- Betty Beckman; treasurer-Gaylon Markle. asst.- W. Hursh; pianist- Helen Koch, asst.-Ethel Shilling; chorister-Nancy Vendrely, asst. -Howard Shilling; librarians-Mary Beckman, Shirley Smith, Loree Timmerman; Jr. school supt.-Dorothy Smith, asst.- Alice Norris; Jr. treas.-Marian Furnish; Jr. pianist-Gaylon Markle.

Roy Maxwell, Mrs. H. E. Euton and son, Jeff, of St. Joe, Sgt. H. E. Euton of Ft. Benning, Ga., and Mr. and Mrs. James Maxwell and daughter, Ann, were Christmas dinner guests in the George Doll home.

Lastest word from Davey Doll S. N. who returned to the naval base at Orange Texas, on December 12 after a thirty-day leave with his parents, is that it is hot there and has rained every day since he got back. Davey left in a heavy snow storm so he feels quite lucky to have missed so much of the winter weather.

The Lutheran Ladies Aid held their annual Christmas dinner in the church basement on Thursday, December 27, with twenty-five members and guests partaking of a bountiful potluck dinner. A gift exchange, program and contests completed the afternoon entertainment.

Mr. and Mrs. Rollie Genth of Fort Wayne spent Christmas with Mrs. Genth's parents, Mr. and Mrs. W. F. Rhoads.

The Loyal Workers Sunday School Class of the Lutheran Church were entertained December 28 at the home of Rev. and Mrs. W. H. Baker. The home was appropriately decorated for the Christmas season. Twenty-one members and two guests were present. The meeting was opened with all singing one of the beautiful Christmas carols, "It Came Upon A Midnight Clear." A Christmas story followed. Mrs. Baker rendered two vocal solos. A reading by Flossie Rhoads, "Aunt Fran's Christmas Suggestions," and several contests followed. Mr. and Mrs. Ernest Steward had charge of the Christmas exchange. Following the social hour, all enjoyed a bountious carry-in lunch and departed thanking Mr. and Mrs. Baker for a very enjoyable evening. The January meeting will be held at the home of Mr. and Mrs. Frank Rhoads.

Mr. and Mrs. Frank Rhoads and Mrs. Francent Lake called at the home of Mr. and Mrs. Ira Sible of near Fort Wayne Sunday afternoon. The Sible couple were celebrating their golden wedding anniversary.

CONCORD TWP. HOME EC

The Concord Twp. Home Economics Club held their Christmas Party at the home of Mrs. Mary Trenary on December 14. At the noon hour members came with pot luck dinner which was added to fricassee chicken, hot biscuits and mashed potatoes served by the hostess and her committee, Mrs. Ruth White, Mrs. Emma Trenary and Mrs. Edith Saylor.

After dinner the meeting was called to order by Mrs. Laura Washler, acting president. The song of the month, "The First Noel," was sung as a quartette by mesdames Haller, Borthwick, Yeiser and Curie.

Mrs. Clara Foltz gave the devotions closing them with the singing of "Joy To The World" by the club members. Secretary's report was read by Myrtle Pugsley. Treasurer's report was given by Kathryn Haller. Twenty-one members and two guests responded to roll call with Bible verses. One new member, Mrs. Russell Tustison, was added to the roll, one former member, Mrs. Alta Hablawetz, rejoined the club. The following Special Leaders were appointed by Mrs. Borthwick:

Garden—Laura Washler.
Food Preservation — Mildred Dunten.
Poultry—Emma Trenary.
Outlook—Violet Kline.
Literary—Elizabeth Shull.

Under other business, the club voted to support the Red Cross, pay a dollar to the T.B. fund and join the Roadside Council.

Mrs. Kathryn Haller gave a delightful Christmas story, "Sleeves For The Angel." Mrs. Clara Foltz conducted an apple contest and a Christmas dinner contest. Little Miss Patricia Coburn entertained by reciting "The Night Before Christmas." After the entertainment Mrs. Doris Yeiser took charge of the Christmas exchange conducting it with an original and novel idea. Each member drew a slip containing the name of a food. These were matched with foods which went with those drawn and the holder of the last part of the matching food got the gift held by the person who held the first part of the named food. The weather man was not very kind but a good time was had by all.

The January meeting will be held on Widney Avenue at the home of Mrs. Phyllis Heyman on January 18. Mrs. Cora Curie will be hostess assisted by Iva Yeiser and Mary Washler. Mrs. Doris Yeiser will install the 1952 officers and entertainment will be furnished by Mary Trenary, Emma Trenary, Ruth White and Edith Saylor.

NEWVILLE TWP. HOME DEMONSTRATION CLUB

The December meeting of the Home Demonstration Club was held at the home of Blen Moore with Gladys Murphy, Mildred Welch, Aylene Kline, Myrtle Mills and Freda Engle as assisting hostesses. A fine potluck dinner was enjoyed at the noon hour. Tables, napkins and favors were in keeping with the Christmas season.

The president, Josephine Beree, took charge of the meeting and opened with the song of the month, "The First Noel," followed by all repeating the club creed. Devotions were given by Verna Tustison, who related the Christmas Story in her usual manner, while Christmas Carols were sung softly in the background. She then led prayer and all sang "Joy To The World." The secretary's report was read and approved. Roll call was answered by 38 members.

It was voted to combine the welfare and finance funds next year. It was also voted to purchase a T.B. Bond. Report from the Community Hospital by the representative, Dorothy Meek was given. A motion was carried to have a Hospital Drive in the community in the near future.

Dessie Osmun expressed her thanks for the get-well cards recieved. "Thank you" cards were read from Sada Washler and the Ginther family. First aid classes will be held at Hicksville in February. Anyone interested may attend.

The "Club Diary" for the past year was read by the secretary and was quite interesting. Birthday, welfare and flower collections were taken.

The president, Josephine Beree, was presented with a lovely tray from the club by Mary Platter. The tray was made by some of the members who attended camp.

There were ten members who received gifts for perfect attendance. Contests were conducted by the entertainment committee.

The "Secret Pal" gifs were distributed from under the beautiful decorated tree and all were revealed at this time.

At the January meeting the losing team in the attendance contest, Troas Werrman, captain, will entertain the winners, Edna Mickelson, captain.

HOOSIER FARMERS TO BE TAX TARGET

Hoosier farmers are going to be the special target of State Gross Income Tax and Bonus Tax enforcement during the forthcoming year, warns Indiana's Gross Income Tax Director, James M. Propst. Statistical analysis of past gross income tax payments indicate the farmer in many sections of the state is not even coming close to carrying his share of the state tax burden.

Director Propst says the enforcement program is not discriminatory against the many Hoosier farmers who are paying just tax to the state. However, there appears to be too many who aren't shouldering their share of the load, and in all fairness to the honest farmer, the law will be stringently enforced.

Tax evasion can be a substantial factor in bringing about increases in the tax rates, says Director Propst. And while the farmer is not the only class that evades tax, recently it appears to have become so prevalent in this group that the Hoosier farmers, as a class, are flirting with a tax hike to offset the deficit incurred by their wayward members.

Glorified Gingerbread

Here's Gingerbread in party dress. This two-layer affair is filled with fresh applesauce and topped with whipped cream cheese.

Who cannot remember his delight as a child with munching a fat Gingerbread man? An old-fashioned dessert, Gingerbread still finds a popular place on the modern menu as "cake" or muffins.

Bakers offer a number of molasses-and-spice desserts in the Gingerbread class. But Gingerbread is easily made at home too, as this recipe proves. Though it can stand alone with its mellow molasses flavor and exhilarating spices, Gingerbread looks pretty with a whipped cream cheese icing. You may give it an applesauce filling, if you're making the two-layer kind.

A hot lemon sauce makes a good topping for Gingerbread Muffins served as dessert. In any of these roles, Gingerbread provides dessert enjoyment at a minimum of cost, yet proffers excellent nutritional value. It is especially high in the food mineral iron provided by enriched flour, eggs and molasses, plus the B-vitamins of enriched flour.

GINGERBREAD

2 cups sifted enriched flour
½ cup sugar
2 teaspoons baking powder
½ teaspoon salt
½ teaspoon soda
½ teaspoon ginger
½ teaspoon cinnamon
¼ teaspoon cloves
2 eggs, beaten
¼ cup molasses
½ cup sour milk
½ cup melted shortening

Sift together flour, sugar, baking powder, salt, soda, ginger, cinnamon and cloves. Combine eggs, molasses, sour milk and shortening. Add to flour mixture stirring until smooth. Pour into greased muffin pans or 2 8-inch layer pans. Bake in moderate oven (375°F.) about 20 minutes for muffins or 30 minutes for layers. Makes about 16 2-inch muffins or 2 8-inch layers.

A New Year

How quick it has come around and how little of real permanent value have we as individuals accomplished. Certainly real worthwhile accomplishments cannot be measured by selfish personal gain nor judged by any single human being's opinion. On our part we've tried to operate a store in a manner to make it an asset to the community. We are not perfect and maybe oft times have erred, but we've tried to the best of our ability to consistently follow a course of general helpfulness to all worthwhile community projects as well as our customers. If we've succeeded in making people feel that we are not operating a store for personal financial gain only then we have been successful.

Most businesses pass out calendars at this season—a fine thing to do—but we preferred to furnish a treat to all the children of the community under 14 years of age. The "Nuisance Club," a local children's organization, sacked and distributed this treat in both 1950 and 1951 with no other compensation than the joy of Christmas giving.

Our fountain and lunch room has especially welcomed the children and young people. Since taking over the "Drug Store" one year ago we've brought the booths out from storage, have replaced the worn out fountain with a new one, have re-established the discontinued lunch and added a complete noon meal and home made pie. As to package drugs our inventory is now over four times what it formerly was. Gambling also went out when we took over. We have never had a ticket jar deal, money punch board nor premium punch board in our place so had nothing to take out when the state put the heat on gambling. We are not Puritanical however and may in the near future set in a pin ball or something similar.

We have often been discouraged as we have felt that our efforts in the drug store have not been appreciated by the community. However, we received our pay in full at Christmas time. The Nuisance Club kids brought my wife and I a present from their organization, the most appreciated of all our Christmas gifts.

So with renewed faith in humanity we carry on and now extend to all

A Happy New Year

The St. Joe News

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, January 10, 1952 — NUMBER 2

Around the Town

With the Editor

Got several cards from readers for Christmas and New Years, including one from Mr. and Mrs. A. Meade Baker at St. Louis, Mo. He had a short note on their card saying that the News is a "connecting line between the 'Old Town' and our new home. I was born and raised on a farm 3 mi. east of St. Joe, in Coburn Corners neighborhood—"

I think they might like to hear from some of their old friends from this community. Their address is 6600 Washington Avenue.

Didja ever see such long faces, particularly on some of the business men? That's from inventory and tax time. Everything comes in a bunch—fall installment of property taxes in November, Christmas spending in December, gross income tax in January, federal income tax in March. The rest of the year is easy. —HA!

The Pilgrims were lucky. They had some place to go. We'll have to wait for that rocket ship to the moon before we can do any "pilgriming."

LADIES LITERARY CLUB

Mrs. Lora Leighty of Auburn was hostess for the Ladies Literary Club on January 2.

The president, Mrs. Maurice Kline, called the meeting to order and the collect was repeated by Mrs. Weldon Shafer.

Mrs. Glen Cole gave an interesting account of the life of Grandma Moses and Mrs. Charles Krise reported on the origin and history of the Currier and Ives prints.

Mrs. Lela Northrup entertained with "witticisms" for each member to read.

The minutes of the last meeting were read and approved. Nineteen members answered to roll call. There were four guests present.

Mrs. Carl Carpenter gave the critic's report with several words which were mispronounced.

Election of officers for the coming year resulted as follows:

President—Mrs. Carl Perkins.

Vice-president—Mrs. Weldon Shafer.

Recording secretary — Mrs. Wayne Storer.

Corresponding secretary—Mrs. Glen Cole.

Treasurer—Mrs. Don Burley.

Critic—Mrs. Carl Carpenter.

Parlia.—Mrs. Lloyd Dunten.

The meeting was then adjourned to meet with Mrs. Claud Laub on January 16.

March Of Dimes In Progress

The annual March of Dimes campaign is now under way and will continue to the end of the month.

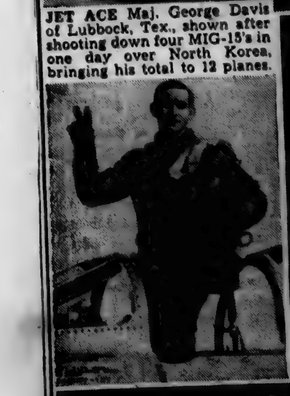
Gloria Vanderbosch of Garrett has been appointed county chairman for the drive by Dorothy Shugart of Auburn, president of the county association. The chairmen for cities and towns throughout the county are: Auburn—Lions Club; St. Joe—Charles McCreery; Ashley—Fred Frederick; Spencerville—Roger Hess; Butler—C. E. Jenkins; Waterloo—Charles Overmeyer; rural schools—Virgil Haggerty; and Garrett—Tri Kappas.

Although polio did not hit DeKalb County as hard in 1951 as in previous years, the need for money is still great. There are presently ten active cases of polio which are being financed by the association. In the three years of 1949-1951, the county chapter has spent over $17,600 for the care of DeKalb County polio patients. $6,400 of this was spent during 1951.

Money collected in DeKalb County during the campaign will be divided equally between the county treasury and the national headquarters. Most of the money sent to the national fund will be used for research.

People, Spots In The News

KOREAN kids make best of primitive skates and sleds, pushing o'er frozen rice field with metal-tipped sticks.



JET ACE Maj. George Davis of Lubbock, Tex., shown after shooting down four MIG-15's in one day over North Korea, bringing his total to 12 planes.

Tigers Nose Harlan, 51-47

The St. Joe Tigers won their ninth victory of the current basketball season last Friday evening when they nosed out the Harlan Hawks in a close one, 51-47.

Harlan fouled frequently and lost the game at the free throw lane although St. Joe missed 17 charity tosses.

St. Joe led at the end of the first period, 15-14, but Harlan came back to head the Tigers 24-23 at half-time.

The locals were on top again at the three-quarter mark, 36-33, but lost the lead temporarily in the final stanza before tying the score at 45. The Tigers then took a 50-45 lead and held the Hawks to one field goal after that.

Jerry Keener was the point-maker for St. Joe Friday night racking up 16 with 7 fielders and 2 free throws. Gerig was tops for Harlan with 12 points.

St. Joe				Harlan

Gross Income Tax Due January 31

January 31st is the deadline for Hoosier taxpayers to file their 1951 gross income tax return—that is if they earned $1,000 or over during the year. Nearly 1 1-2 million pre-addressed tax returns have reached all sections of the state within the past week. Those who do not receive a return by mail may secure one at any of the 155 auto license branches scattered throughout Indiana.

Little difficulty is anticipated in the taxpayer being unable to compite his tax, states Director James N. Propst. The same rates apply as last year and the tax form is a replica of that used last year. For most of us, the Gross Income Tax rate is 1 percent, and the Bonus Tax rate 1-4 of 1 percent. In addition employers will supply employees and payees who have received more than $100 during the 1951 calendar year as salaries, wages, fees, commissions, etc., a form 12A showing the exact amount of earnings subject to tax.

One word of warning, urges Director Propst. Don't wait until the last minute to compute the tax. If you should spoil your tax form or find you need assistance, contact the local auto license branch. Those who wait until the last week in January to seek assistance may find themselves standing in long lines at the points of assistance. Penalty and interest charges will attach after midnight, January 31st.

CONSERVATION CLUB

The St. Joe Valley Conservation Club will hold a practice shoot on Sunday, January 13, at the club grounds west of St. Joe.

Board Begins New Term

The Town Board met Monday evening at the townh all for its first regular monthly meeting of 1952.

D. W. Yeiser was elected chairman of the board as the first item of business.

In the course of business, it was noted that an improvement was made last fall in the water system in the form of a rust-preventing system for the water storage tank. It had previously been necessary to drain the tank every so often to remove the rust deposit on the tank wall and repaint the tank. With the new system installed, this operation is unnecessary.

Derwood Ridgway presented a request that the board consider installing a street light at the school house because of increased community activity and interest at that place. After some discussion, the board voted to grant the request.

Other business discussion included a request for assistance in keeping the K of P Cemetery in better appearance. The board would not assume any financial responsibility, but it was felt that enough public assistance could be had during the summer to help maintain the grounds.

Those at the meeting were board members D. W. Yeiser, Orville Coburn and Frank Akins, clerk Willard Hurni and Derwood Ridgway, Lloyd Dunten, Jesse Loftus and Ted Haberkorn.

Ned Garver's All-Stars To Meet Pickles At St. Joe

Sechlers independent basketball team faces a busy schedule during the next few weeks with their participation in a tourney at Decatur and other games including an exhibition with Ned Garver's All-Stars on January 24.

Probably the most interesting as far as spectator-interest will be the encounter of Thursday, January 24. Ned Garver, star pitcher for the St. Louis Browns, organized his team for the winter months and takes advantage of the basketball season to keep in physical trim. It will be but a few weeks until he departs for sunnier climes to begin spring training for the coming baseball season.

The other encounters on the schedule include Wednesday, January 16, at Akron, Ind., and Saturday, January 19, also at Akron. The tourney at Decatur will be held January 14 through the 22nd. Also in this month the locals will participate in the Zollner Piston Invitational Tourney, playing on Sunday, January 27.

The game with Garver's All-Stars will be played at the St. Joe gym.

COBURNTOWN CHURCH NEWS

The Home Builders Class will hold their regular class meeting this Saturday evening, January 12, at the home of Mr. and Mrs. Karl Hart.

Attendance at Singspiration Service was 174. Matthew Ikido, a young Japanese minister who is now attending the Cincinnati Bible Seminary, told of some of his joys of Christian experience. Matthew is in the states with Andrew Patton and after completing their studies at the Seminary, will return to Japan to win more souls for the Lord. The children on the stage sang "A Wise Man Builded His House Upon the Rock" and Tom Hart gave scripture story. The children also sang "The Victory Song." Several boys from the Cincinnati Bible Seminary sang duets. Matthew also sang a solo. Lots of singing was enjoyed.

Report from Lyon

by Margie Appleman

We're on the second floor here-which is really the fourth since in France instead of calling the ground floor the first floor, they call it the rey-de-chausee. The second floor then becomes the first- and so on- But in addition there is usually an "entre-sol" which is sort of a mezzanine affair- really another whole floor-which would be the second there at home- Well, so it adds up that by the time we get to our "second" floor- we've climbed three flights of stairs. Thank heaven we're only on the "second"!

Well, as I said Wed. we found this place- Wed. p.m. we stayed yet in the first apt. Thurs. a.m. we moved from there to here-and partially unpacked. We couldn't get our trunks that day since it was a "Fete" -(1st of Nov. All Saint's Day)- So Fri. we went to the station to see about our trunks. We went to two different stations before we found the right one. And they said they'd deliver them Sat. a.m. So Sat. a.m. about 11 a.m. they brought the trunks. They refused to carry the heavy one up here (Mme. Dupuis said later we should have insisted). But we thought we wouldn't argue- So we took the drawers out and carried them up one by one- plus all the cloithes- and then Phil carried up the empty trunk-which was heavy enough itself!

Saturday being our engagement anniversary, after we got the trunk sort of unpacked- Phil brought in a bottle of Mousseux wine to celebrate. It's very close to champagne- It sparkles and bubbles like champagne and tastes just like it- but is about half as expensive- A bottle here only costs about 40 cents- Then we went out to dinner.

Sunday at dinner we met a bunch of other "foreign" and French kids (some from Italy, Germany, Greece, Turkey, Norway, Denmark, Canada, England, etc.)- I forgot to mention that we've been eating almost all our meals at the "student restaurants"- restaurants which are subsidized by the state- and which serve very good food- very cheaply- to students only- They're only 70 francs a meal- (about 20 cents) The one we've been eating at constantly is called the "M.E.C."- Maison des Etudiants Catholiques" (Hall for Catholic Students), but it's for any student who wants to use it. Besides a restaurant- there's a lounge- a library- a big dance floor- and some rooms for students- The food is very good- and is served (by students who get their meals free)- So we don't even have to stand in a cafeteria line.

Sun. p.m. we went up on the hill on the west side of town. We first had walked to the end of the peninsula formed by the Rhone and Saone rivers meeting-and by the time we got that far, we were enough out of town that we could see clear in the distance and saw the long line of French Alps- Were they beautiful- It was a real windy day- but very clear and sunny- so we went up this very high hill which forms the west side of town- On it there's a huge Basilica- a beautiful big church overlooking the city- and a little Eiffel Tower-They call it the Metallic Tower. So we went up to these- and had a beautiful view- We could see Mont Blanc- and it was just as white and shining! It's only about 80 miles away- and then we saw the rest of the French Alps- more to the northwest- It certainly was a beautiful view. It was so windy, though, we thought we'd almost be blown off of that little Tower. On the way down we walked (we had gone up in a funicular)- and went down part way through the church gardens-and we saw the prettiest holly tree- with the shiny leaves and just covered with red berries. I wanted to pick a branch- but couldn't

That night Phil was fiddling with the radio and we got Fibber McGee- on the U.S. Military station. It wasn't perfectly clear, but was pretty good reception.

CULTURE CLUB

Mrs. James Tatlock was hostess for the Cluture Club on Wednesday night, January 2.

Devotions were given by Mrs. Glen Wineland. Mrs. Olen Waltz led the lesson on Engineering taken from the study book. This was followed by a spelling contet conducted by Mrs. Paul Drerup. The spelling words were taken from the lesson and the November Coronet. Mrs. Sam Armstrong and Mrs. Roy Bowser were the winners in both groups.

The January 16th meeting will be at the home of Mrs. Paul Drerup. Those who do not have transportation should contact Mrs. Anthony or Mrs. Waltz.

The hostess assisted by Mrs. Virgil Laux served grapenut whip with crax and coffee.

CARD OF THANKS

In this way I would like to say "thank you" to all those who sent flowers, cards and gifts while I was in the hospital.

Wayne Nicholls

THE AMERICAN WAY

Here We Go Again!

To Profit Is Not Anti-Christian

There is a conspiracy working in America today which has as its first objective the building up of public resentment against the profit motive. The hidden powers in this conspiracy are the Communists and the Socialists. They wish to destroy public acceptance of the profit motive, as the first fatal step in destroying the American capacity for production which has made America the strongest nation in the world.

Norman Thomas, head of the American Socialist Party for the past 20 years, says, "The American profit system can only be prolonged under the impetus of mass insanity and the brutality of fascism." William Z. Foster, head of the American Communist Party, says substantially the same thing. Such public statements from the heads of the two movements seeking destruction of the American way of life won't surprise many people. But it may be surprising to learn that the same attack on the profit system is being carried on, either unwittingly or through cleverly planted propaganda writings, in some influential church literature and widely used school and college textbooks.

As this column is being written, I have before me an educational booklet published by a leading church. It denounces the profit motive and calls for the elimination of the profit system. This booklet says: "The profit motive tends to excite the exploitive impulses, glorifies selfishness and rewards graft." It recommends a "profitless" production-for-use system with the government owning and operating the facilities of production and distribution, precisely as is advocated by Thomas and Foster.

In most cases such attacks on our American profit system in church literature stem from sincere but misguided idealism among the clergy or whoever writes the literature. However, some of it comes from calculating conspirators. All of it helps push America along toward the objectives of Socialist Thomas and Communist Foster. The few churchmen who openly attack the profit motive contend that it is un-Christian, out of harmony with the teachings of the Bible. In this they misrepresent the Bible.

The profit motive may be said to be one of God's own laws. In a sense it is the "reward motive," operating within the natural law of compensation which is basic in economics and in our spirtual life. Ralph Waldo Emerson wrote, on the Law of Compensation: "Human labor, through all its ferms, from the sharpening of a stake to the construction of a city or an epic, is one immense illustration of the perfect compensation of the universe. The absolute balance of Give and Take, the doctrine that everything has its price, is not less sublime in the columns of a ledger than in the budgets of states, in the laws of light and darkness, in all the action and reaction of nature."

Jesus said (Mark 10:28-30): "There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's, but he shall receive a hundredfold now in this time, houses, and brethren, and sisters, and mothers and children and lands. . ." The Master here was speaking specifically of material profits—a hundredfold!

The apostle James dealt with a business situation embodying the profit motive and he did not criticize it. Some people (James 4:13-16) were boasting that they were going into the city to buy and sell and make profit for a year, and the apostle addressed them thus: "Ye know not what shall be on the morrow. Ye ought to say, If the Lord will, we shall live, and do this, or that. . ." The rebuke was for ignoring the power of God over their lives; no criticism was made of the avowed plan to make profit.

The Bible teaches that the Christian use of profits requires sharing. And yet here again the Law of Compensation is shown to rule: the man who does not share his good fortune with another misses the spiritual rewards which are far greater than the material ones. Nowhere in the Bible is there a suggestion that a person should be forced—by another individual, or an organization, or the government—to share his earnings or his savings. Force is not a tool for making Christians. And the profit motive is not a man-made law; it is the driving incentive in the spiritual as well as the material life. Heaven itself is the reward for a Christian life.

—George S. Benson, President Harding College

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Matthew 4:18—25; Mark 1:16—20; Luke 5:1—11.
DEVOTIONAL READING: Matthew 4:18—25.

A 'Yes' to Christ

Lesson for January 13, 1952

JESUS knew some distinguished people. But his first and most intimate friends were not of that kind. Christianity started at the grassroots of humanity. It did not start in the top branches. It is a good thing, too.

Dr Foreman

It is quite true that Christianity has depths and heights to which most Christians do not attain. A St. Paul has not only mystic raptures but intellectual penetration which comparatively few Christians have shared or can share; he was a genius, and most of us are not geniuses.

But in Jesus' first group of companions there was no St. Paul. They were the plainest of plain people. The first of them were fishermen. They were not used to lectures; it is extremely doubtful whether any one of them would have understood the Epistle to the Ephesians if it had been read to them. But they understood Jesus . . . at least they understood what he said. He said, "Follow me;" and they followed him. It was as simple as that.

• • •

Surrender

THAT is what Christianity is, at its heart: saying Yes to Jesus. When those fishermen said their "Yes" it meant three things, and those three are always involved whenever any one sincerely begins the Christian life. For this was only the beginning, of course. There was a long road ahead, much they would have to learn and do and suffer; but even the longest road has its beginning. And the Christian's road begins with this first "Yes."

First of all, it means surrender. They took him for their leader, they absorbed his teaching, they obeyed his orders. There is a Christian hymn, "My Jesus, as Thou Wilt"; one hears it most often at funerals, but it is not intended as a funeral hymn. It could well be the hymn sung when young people are confirmed or join the church; it could well be the every-morning song of every real Christian.

What do I want most? is not a Christian question. Rather it should be, What does Christ want most?

• • •

Separation

AGAIN, those fishermen's "Yes" meant separation. They left their nets, their old occupation.

We must not read too much into this, as if in order to be a Christian one must leave his wage-earning business, whatever it is. On the contrary, the best place to be a Christian may be right where we are.

However, no matter what we may do for a living, it is still true that saying "Yes" to Jesus means saying "No" and "Good-bye" to many other things. It means separation from all that is out of tune with him; separation from selfishness, from sin, from trash and trifles. It means separation from habits that enslave us, from "recreations" that do not re-create but tear down, from places and opportunities of temptation, from hatred and prejudice and pride.

If a man really means "Yes" to Jesus, he cannot mean "Yes" to what is opposite to Jesus. The Christian life is a separated life. It is not that he is separated from people. Isn't it likely that the fishermen who followed Christ had a far wider circle of friends as they went with him than they had ever had before? But they were being shaken loose from what had before seemed to them most important,—yes, even from themselves.

• • •

Service

BUT that is the negative side of it. The Christian life is not only "from" but it is "for." That is, just as these first fishermen followed Jesus in order to become fishers of men, so the Christian's yes-saying always means enlistment for service.

A Christian's sincerity cannot be measured in what he says, nor even in what he does not do; it is to be measured in what he does.

It is a serious and solemn question: Suppose this is your last day in life, and all the accounts are in. Looking back on what you have been and what you have done, has your life actually helped what Jesus Christ is undertaking in this world, or have you hindered him?

The Christian life is a surrendered, a separated life, but also a life of service. "Yes" can be said with the lips alone—that was Judas; a "Yes" to Christ can truly be said only with life itself.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

MORE HOUSECLEANING—With the second session of the 82nd Congress scheduled to meet on January 8, it is certain that the various committees of Congress will press for more and more probes of conditions in the Executive Department which resulted in nation-wide revelations of maladministration of governmental affairs.

Here are a few of the investigations which are promised during the final session of the 82nd Congress.

1. Securities and Exchange Commission; 2. Alien Property Administration; 3. Federal Housing Administration; 4. War Assets Administration whose duties have been taken over by the General Services Administration; 5. State Department; 6. Defense Department including procurement policies on which I have commented before and the situation in Korea; 7. European defense situation; 8. Department of Justice; 9. Check ups on national security and subversive activities.

TAX PROBE INDICATED—Investigations of the tax scandals which rocked the nation were halted during the Christmas and New Year's holidays but there is every indication that the House Ways and Means Committee will resume its probing shortly. The Senate Finance Committee also is reported considering a probe into the handling of tax collections similar to the House Committee's investigation.

DEFENSE CONTRACTS—The Munitions Board reports that small business -- firms employing 500 employees or less -- received 22.5 percent of $7.7 billion of the total defense contracts awarded during the first 15 months of the Korean war. The report shows that Air Force orders were 4.9 percent of the total contracts during the quarter from July through September. Navy orders amounted to 17.9 percent and the Army 32.9 percent.

OPS RULING—While we never heard of fishermen using fried worms, those who have will be glad to know that the Office of Price Stabilization has exempted them from price control. At the same time the OPS exempted canned rattlesnake meat from regulation. In view of these important decisions, our economy immediately stopped shaking.

COSTLY CONTRACTS—Taxpayers readily recognize why taxes are high and demand a better system of handling defense contracts when they study the report of a House Committee investigating war contracts. The Committee learned the government paid out more than $300 millions in excessive costs for automotive parts made by the Detroit Tank Arsenal. In the hearings, testimony was received showing that by the time the government obtained particular items, their costs had doubled from the original manufacturing cost. One specific case showed a Toledo manufacturing company making parts at a cost of $53.43, sold them to another firm for $73.10 which then sold them to the government for $95.49.

SPENCERVILLE—ST.JOE GAME DATE CHANGED TO WEDNESDAY, JAN. 23

The Spencerville-St. Joe basketball game, scheduled for Friday, January 25, has been moved ahead to Wednesday, January 23. The site of the game has also been changed to the Butler gym instead of the Spencerville gym. These changes were made in order to be able to accomodate more fans for the second meeting between the two teams.

HINTS ON HEALTH

by the INDIANA STATE MEDICAL ASSOCIATION

PROTECT YOUR CHILD

MANY supposedly normal children have physical defects. Examinations of school children five years ago showed that only 20 per cent were normal, while today 40 per cent are normal.

Some of the defects being discovered in children who have been considered normal include dental caries, defective vision, diseased tonsils, malnutrition including underweight and overweight pupils, poor posture including flat feet and curvature of the spine. Approximately 15 per cent of school children have varying degrees of defective vision. More than 85 per cent of school children have dental caries. Half of the school children suffer from malocclusion, in which the teeth of the upper and lower jaws do not meet squarely.

Postural defects, with the exception of curvature of the spine, respond to simple exercises carried out at home and in school. Nutritional deficiences constitute a high percentage of defects among school age children. Underweight in the child appears to be a greater concern to the parents, than overweight. Even so, more children are found to be underweight than overweight. Forty per cent of the underweight children are brought in for treatment whereas only 16 per cent of the overweights receive treatment.

Routine chest examination is advisable for children past 15 years of age, and facilities for such x-ray tests are generally available. Health education is of prime importance in any program leading toward better health for the individual.

PATTERN OF THE WEEK

5973

SIZES 12-18

YOUNG EVENING SEPARATES. The full circular-cut skirt, worn with a long-sleeved turtle neck blouse, or with a sleeveless jewelry neckline blouse—both included in Advance pattern #5973. Sizes 12 to 18.....35c

TO ORDER ADVANCE PATTERNS send 35c in coins (no stamps) for each pattern, with size, name and address, designating which pattern you want by its number.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

Pickles Drop 1st Game, 74-73

Sechlers Pickles blew a 10-point third quarter lead Tuesday evening and dropped their first game of the season to Sand Point of Ft. Wayne. The score was 74-73 and makes the local independent team's record 8-1.

Pickles once again were weak on rebound strength. Three of the visitors squad were well over six feet tall and were controlling the rebounding for most of the game defensively and offensively with tip-in shots.

The locals at one time in the third period had a 10-opint lead but saw it melt away. The score see-sawed back and forth in the last few minutes and Pickles appeared to have it won when Schroer drove in for a lay-up with fifteen seconds to go. But the visitors' height showed to advantage when they came down for a shot that missed, got the rebound and made a bucket. Pickles then lost their rebound and fouled with a few seconds remaining trying to get possession. Sand Point made out-of-bounds plays and kept possession until the final horn.

Snodgrass was the thorn in Pickles' side with 25 points. Tom Beck was high man for the locols with 24.

Split Sectional This Year

The petition for another split sectional, with Garrett and Auburn gymnasiums being used simultaneously, was approved by the IHSAA board of control when it announced all sites where tournaments will be held this year.

Garrett will be the host school for the local sectional, with the Auburn gym used as an auxiliary for Wednesday's activity. The first eight teams or upper bracket drawn out will play at Garrett and the bottom half of the draw will compete in Auburn, with the four remaining teams playing for the championship at Garrett on the following Saturday.

The local meet will include the same teams as in previous years —seven DeKalb schools, eight Steuben and Churubusco from Whitley county making up the sixteen teams.

The winner of the Garrett sectional will again compete at the Fort Wayne regional, along with winners from Decatur, Kendallville and Fort Wayne.

But from that point the path of the Ft. Wayne regional winner will be changed. The Northeastern semi-final tourney is being moved from Kokomo back to Muncie.

Kokomo got the northeastern semi-final meet last year for the first time since the third-round sessions were inaugurated in 1936. But the Muncie fieldhouse, with a seating capacity of 7,523, offers 200 seats more than Kokomo's two-year-old goalhouse.

However, this also is likely to be the last Muncie semi-final show, since Fort Wayne's mammoth Memorial Coliseum, scheduled for completion within the next few months, will seat upwards of 10,000 persons.

Additions of new gyms added 8,100 seats for the sectionals and first-round attendance should surpass last year's record 1,003,-014 if all sessions are sold out.

The tourneys open February 27 at 64 sectional sites and three auxiliaries. The four-team finals will be held at the Butler fieldhouse March 22. The IHSAA said entries close at 4 p.m. February 7, and about 755 teams are expected to participate.

GOOD HEALTH

Answer to Question No. 1:

Overweight is the commonest form of malnutrition. Cravings due to the lack of important elements in the diet, along with emotional maladjustment, lead to much of the over-eating that largely accounts for an estimated thirty million in this country being at least 10 per cent overweight. A doctor can help the fat person find a diet that is both thinning and nourishing, and will increase his chances to keep well. Fat people are more susceptible to disease than those of normal weight.

Answer to Question No. 2:

While it is harder to set prices on medical services than on some other services and commodities, many doctors are finding that patients prefer to discuss charges in advance, and know, for example, how much of the bill will be due to x-rays, office visits, electrocardiograph, and so on.

Answer to Question No. 3:

The figurative "pain in the neck" may be dispelled by inducing the in-laws to go home, or taking a holiday from the job. Physical pain in the neck may result from exposure to drafts, and will yield to massage or heat. Some neck pains are caused by disease in other parts of the body. If neck pain persists, consult your doctor.

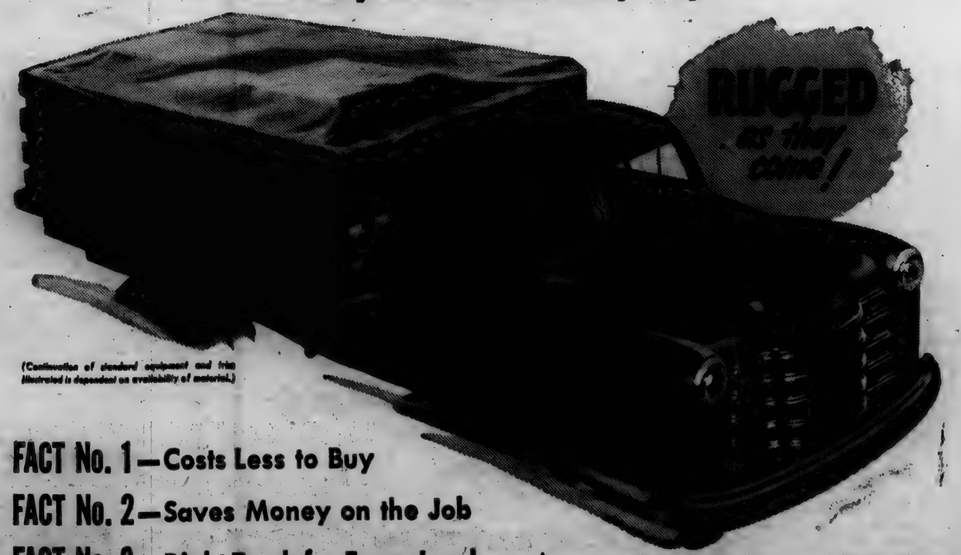
Buy on these Plain Hard Facts
See for yourself how a Chevrolet truck can cut your costs in every way



FACT No. 1—Costs Less to Buy
FACT No. 2—Saves Money on the Job
FACT No. 3—Right Truck for Every Load
FACT No. 4—Keeps Its Value Longer

CHEVROLET first in demand in value in sales
MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

America's truck users buy on down-to-earth facts, not fancy phrases.

That's why more of them buy Chevrolet trucks than any other make . . . nearly as many as the next two makes combined!

What they get for their money is a rugged, sturdy, dependable truck that's factory-matched to their jobs and payloads—right power, right capacity, right price—with savings in purchase over other trucks of comparable specifications, and a record of savings on the job that can't be topped.

Come in and let's get down to cases on how a Chevrolet truck can cut your hauling or delivery costs. You can't make a better buy—to save your money!

Other guests were Mrs. Markle and Gaylon, Mr. and Mrs. Max Markle and Max LeRoy, Jr., and Mr. and Mrs. Wayne Smith.

Miss Evelyn Bleeke of Fort Wayne was a week-end guest of Miss Bonnie Witt.

Sunday evening after church, a group of young people from Auburn and Mr. and Mrs. Corless Hungerford and sons were guests of Mr. and Mrs. Robert Witt and family.

School Survey At Butler

The Board of School Trustees of the Metropolitan School District of Butler and the advisory board of Stafford Troy and Franklin townships have entered into an agreement with the Division of Research and Field Service of the School of Education of Indiana University to conduct a survey of their respective school systems. The survey will consist of a census study of pupil population, a survey of the school building plants and a study of school finances.

The active work of the survey begins January 10 with a house-to-house canvas to determine the number of resident pupils and pre-school children in the respective communities. The survey will take at least three months to complete. At the conclusion of the survey, the results will be made public.

The census study will reveal and pre-school children. Following the gathering of this information, spot maps will be the location of all resident pupils made locating the residence of all pupils, and tables will be prepared from which predictions can be made for the school enrollments anticipated during the next ten year period.

The decision to have the survey conducted at this time is a result of interest expressed during the past year or so by parents and other citizen groups who are concerned about providing adequate facilities and the best school organization for the boys and girls in that area.

2nd Deputy Named And Approved

Sheriff Frank Carpenter has announced the appointment of Ed M. Arnold of Auburn to serve as second deputy sheriff for his department.

Mr. Arnold, retired after ten years on the guard force at the Tokheim Pump Company at Ft. Wayne, started his duties on Tuesday of this week.

After his retirement 18 months ago, he moved with his wife to Auburn. For many years before he was employed at the Fort Wayne firm, Mr. Arnold was an interior decorator. He worked at his trade in the Auburn community after World War I.

He is a veteran of the first world war. In February of 1918, he entered military service and served until his discharge in August of 1920. He served 14 months in France with the 26th Balloon Corps and was engaged in gas convoy duty.

His appointment by the sheriff was approved Monday morning by the DeKalb County board of commissioners who met in regular session in commissioner's court in the courthouse at Auburn.

First deputy for the sheriff's department is George A. Milks of Ashley.

RESIDENT NEAR CORUNNA PASSES AWAY

Christine Julia Ewell, 84, practically a lifetime resident of the Corunna community, died at 4 p.m. Wednesday, January 2, in McCray Memorial Hospital in Kendallville, where she had been a patient for six days. Ill one year, Mrs. Ewell had been bedfast one week.

A daughter of Martin and Barbara Spatz, she was born in Indiana February 14, 1867. She was married December 27, 1888, to John T. F. Ewell, who died in 1925.

Mrs. Ewell, who lived on route 1, Corunna, was a member of the West Fairfield Lutheran Church.

Surviving are three sons, Albert of St. Joe; Lloyd of Wolcottville; and Merritt of Corunna; one daughter, Mrs. Marvin Prentice, Corumna; 11 grandchildren, nine great-grandchildren and one sister, Tillie Spatz, of Kendallville. Ten brothers and sisters preceded her in death.

Services were held at 1 p.m. Saturday in the West Fairfield Lutheran Church with the Rev. Eugene Guenther officiating. Interment was at Lakeview Cemetery at Kendallville.

LEO AUXILIARY NEWS

The American Legion Auxiliary Unit 409 of Leo held their regular monthly meeting Wednesday evening, January 2nd, at the post home on the Leo Road.

Mrs. Vernon Halter presided over the meeting. The following committees reported: legislative chairman, Mrs. Wayne Rosselot reported that progress of the Universal Military Training bill now before Congress is being watched with interest by women of the American Legion Auxiliary thruout the nation. The bill represents more than thirty years of effort by the American Legion and Auxiliary to establish Universal Military Training as the foundation for an adequate and democratic national security system for the United States.

Pan-American chairman, Mrs. Harold Kryder gave a brief study on the capital of Cuba.

Finance, Mrs. Walter Dean announced that there were two banquets served in December and January in the post auditorium.

Constitution and by-laws, Mrs. Edison Martin gave a brief report on her committee work.

The regular monthly social party will be held January 15. Mrs. Robert Boby, Mrs. William Carney and Mrs. James Savage of the National Security Committee were in charge of the social hour after the meeting.

BANK YOUR BLOOD

BLOOD transfusions are saving thousands of lives, and blood banks are prepared for emergency service.

For centuries, medical men and others have realized that blood from a healthy person, if put into the veins of a sick or badly injured person, would aid in preserving life. However, there were technical difficulties connected with experimental operation, with biochemical reactions causing quick death.

Today, the safe, efficient state of blood transfusion is due solely to brilliant research.

History records in 1656 that Sir Christopher Wren, the noted London architect, succeeded in injecting drugs into the veins of animals, and even used a convicted criminal for his experiments. In 1665, a Professor Denis in Paris, was successful in his experiments with blood transfusion in a limited number of humans, but finally one of his human guinea pigs had a severe reaction and died. Professor Denis was tried before a criminal court and was acquitted, but the operation was henceforth banned.

It was not until 1900, when a Viennese physician, Karl Landsteiner, discovered the different blood groups, that transfusions really became safe. In 1916, two research workers found that blood could be preserved for a week or more.

The first blood bank was established in the Cook County Hospital, Chicago, and proved a great step forward in making blood available to medical and surgical patients on short notice. The technique of giving blood now is quite simple and the laboratory procedure of matching blood is standardized.

Persons who have "banked their blood" have contributed to the saving of thousands of lives on the civilian and war fronts. Bank your blood now. Blood is, truly, the stuff of life.

Iron a week's wash Electrically...

for the cost of a candy bar!

Time out for a candy bar is relaxing, and the cost is but a trifle. To iron while sitting down is relaxing, too—and for the price of the candy bar electricity does up an average week's wash on a rotary ironer! Yes, electricity is the biggest bargain in the family budget. Technical advances and sound business management help keep it that way.

Around the Town

With the Editor

Didn't have much to say last week, and this week I've got even less because, like several people hereabouts, I've had a lulu of a cold—with a sinus infection to boot. Last week when the paper finally got out on Friday, I closed shop and plopped in bed. Boy, did it feel good. Stayed home, too, until Wednesday this week ,except for a couple of trips to Doc Jurgenson in Ft. Wayne for a shot of pennicillin and prescriptions. I called him a couple of times, too, and told him on the second that I wasn't getting much sleep. He said, "I'm having the same trouble."

I said, "Oh, do you have a cold?"

He replied, "No—babies! I delivered one in the middle of last night and the night before.'"

The biggest blessing our town could have in the next year would be for a doctor to settle in our town and become one of us. But in this day of specialization, that idea is somewhat of a "pipe dream." The country doctor is becoming a thing of the past.

—All this just because of my feeling bad a few days??? You say I'm getting too personal with this kind of stuff?? —I'm stuck for material.

Say, did I ever tell ya 'bout my operation?

FOX CHASE PLANNED

The St. Joe Valley Conservation Club will hold a fox chase Saturday morning, January 26.

Hunters are requested to meet at the club grounds 1-4 mile west of St. Joe at 9:30 a.m. There are about ten dogs to take part with many visitors to attend.

Guns will be permitted but no rifles.

Lions Contribute To Cancer Fight

St. Joe Lions along with other Lions clubs in Indiana have been asked "to speed the battle against cancer" by completing the campaign for $50,000 to advance the study and treatment of cancer at the Indiana University Medical Center.

The Lions Cancer Control Fund of Indiana, headed by William A. Morris of Jeffersonville, in a letter to the local club reviews the progress made through the campaign initiated in 1948, calls for the raising of $8,000 to complete the original fund, and points out additional opportunities.

The million-volt X-ray equipment, provided through the Lions Fund, is said by Mr. Morris to have provided the impetus and means for extensive expansion of the I. U. Medical Center's training and research in the diagnosis and treatment of cancer. This expansion includes enlarged space for the radiology department, which last year gave more than 100 treatments a day, inauguration of a training course for X-ray technicians with 18 students currently enrolled, and more complete instruction for students in the University's School of Medicine.

"Our program," the letter asserts, "has served as an inspiration to other groups and has called their attention to the importance of supporting Indiana's only School of Medicine so that its students, our future family physicians, will be better prepared to discover and treat cancer among their patients who may possibly be members of our families. Our activity has encouraged physicians already practicing in our home communities to keep abreast of developments in the field of cancer diagnosis and treatment."

Robert Witt Awarded 4-H Recognition

Robert Witt of west of Spencerville has received special recognition as one of the six outstanding 4-H Club leaders in the United States, the DeKalb County assistant agricultural agent, George Aker, reported Friday.

Mr. Witt, a farmer, received the recognition Thursday at a noon luncheon held in the Hotel Van Orman in Fort Wayne.

Ty Thompson, service director of the national 4-H committee, said Mr. Witt was selected for the citation for his outstanding record as a 4-H club leader.

The Spencerville man will receive a gold watch in addition to an engraved 4-H binder. Five others in the nation will receive similar awards. Last fall, according to Mr. Aker, Mr. Witt was elected a state leader for the 4-H tractor maintenance program. Thursday's luncheon was sponsored by the Indiana Electric Association in cooperation with their 4-H Farm and Home electric leaders' training program.

PICKLES FACE GARVER ALL-STARS NEXT THURSDAY

Sechler's Pickles will have a job on their hands next week when they face the task of matching the basketball skill of Ned Garver's All-Stars. The game will be played at the St. Joe gym on Thursday, January 24.

Also on the locals schedule is a game for Monday evening at Decatur, Wednesday at Decatur, if a victory is won Monday, the game Thursday here and one Saturday at Akron, Indiana.

On the following Sunday evening, January 27, Pickles will return to the North Side gym in Fort Wayne for their second encounter in the Zollner Piston Invitational Tournament.

CONSERVATION TO DISTRIBUTE MULTIFLORA

The Division of Fish and Game through its Pittman-Robertson Wildlife Restoration project, will this spring have available for Hoosier farmers over 2 million multiflora rose seedlings for planting of living fences, according to an announcement by H. P. Cottingham, director of the Division of Fish and Game, Indiana Department of Conservation.

The multiflora rose seedlings are being provided free, the recipient paying only the express charges. Shipments will start in March or as soon as the weather will permit planting.

Plantings should be cultivated the first year so as to keep weed competition to a minimum. The application of 200 pounds of fertilizer for each 40 rods of planting will greatly increase the growth of this shrub.

The seedlings should be set at one-foot intervals. Multiflora rose does not "sap" the ground and crops may be cultivated as close to this shrub as to a wire fence.

Under normal soil conditions, this shrub will provide a stock proof fence in from three to five years. It is horse high, bull strong and goat tight. When the rose reaches maturity, it will eliminate the farmer's need of mowing his fence rows. In addition to providing an attractive hedge for all year round, the rose provides cover and food for wildlife. Multiflora fences add to the beauty of a farm. Those who first see a living fence in late May or June are apt to draw a short gasp at the spectacle of a ribbon of bloom entwining the hillside. The white or pink bloom comes all at once in a profuse mass and lasts but two weeks. The individual flowers are small, the size of a quarter, and single. The foliage appears early in the spring and persisits until heavy freezes of winter.

Seedlings can be furnished only for farm use. Applications for obtaining seedlings may be obtained by writing to James A. Hughes, Project Leader, 311 West Washington Street, Indianapolis 9, Indiana.

BENJAMIN GOODSELL

2nd Community Concert Jan. 24

The DeKalb County Community Concert Association membership is looking forward to the next presentation of the organization. On Thursday, January 24, the Ft. Wayne Philharmonic Sinfonietta will give a concert, with Igor Buketoff conducting. The Sinfonietta since 1941 has been the touring organization of the Fort Wayne Musical Society and is an ensemble of Fort Wayne's most notable musicians. This "orchestra within an orchestra" has scored tremendous successes in such communities as Kendallville, Garrett, Bluffton and Huntington. The music critic of the Huntington Herald Press said of the group: "The Sinfonietta concert was undoubtedly the most outstanding musical event of its kind that has been presented here in years."

The personnel of the Sinfonietta includes Thurston Johnson, the concertmaster of the Fort Wayne Philharmonic Orchestra, Agnes Nelson and Carl Stewartson, first violins, Howard Swanson, second violin, Gordon Collins and Leslie Bentley, also second violins, Benjamin Goodsell and Irming Anderson, viola, Winifred Winograd and Mary Alice Dilling, cello, Clint Reed, bass violin, and William Hutchins, the assistant concertmaster of the Philharmonic.

The brass and woodwind sections of the Sinfonietta include all of the Philharmonic's first and second chair musicians. The flutes are Patricia Dunten and Mary Wigent; George Blossom and Gilbert Kelberg play oboe; the clarinets are Phyllis Henning and Ian McLuckie; Otto Eichel and Jean Berry, bassoons; Robert Schlatter and Frank Bucker, french horns; Chester Curry and Richard Seeger, trumpets; and Richard Hickman, trombone. Harvey Springer plays the kettledrums; Lester Redding is the percussionist.

TRI TOWNSHIP FARM BUREAU

The Tri Township Farm Bureau met January 8 at the St. Joe school for their regular meeting.

The meeting was called to order by the chairman. Group singing was led by Darris Hamilton. Devotions were led by Darris Hamilton. His subject was broken vows. He compared these to New Year's resoluctions.

After the regular business meeting was held, the social and educational leader presented the folloing program:

Mildred Jarrett gave a detailed account of her tour through the co-operative plants in Indiana.

Karen Kay Witt sang a solo.

Mrs. Harold Zehr gave a comedy reading.

A trio, Betty Baker, Rhoda Ulm and Betty Mann, sang a number.

Mrs. Washington Teeters, county S. & E. leader, told of her trip to the National Farm Bureau convention at Chicago.

Mrs. Walter Morr served refreshments to all.

Report from Lyon

by Margie Appleman

Thursday we had classes almost all day- in the course for foreigners. The courses include some literature (French), some French history, some geography and then those courses to help with the language- phonetics, theme-writing, translation, explanation of texts, etc. Friday we had a couple more classes and then went out to buy a few things we needed.We bought a medium-sized frying pan and a big sauce pan (and lids) both in all aluminum- with cute red plactic handles- (they have a lot of aluminum here- even make their money- the coins- out of it) We also got a little oil and vinegar set (for the dressing for artichokes and salads). The day before yesterday we bought a couple plates and saucers and a bowl. So now we have something to work with!

Saturday it rained all day and all night- We were supposed to go to the dance (for foreigners, especially)- but the rain discouraged us out of it. Sunday was nice. We rode up the high hill which is on the one side of town- across the Saone River from where we live- from which I told you is such a beautiful view of Mont Blanc and the French Alps- Besides the big Basilica church up there- and the little Eiffel Tower. They have discovered the ruins of an old Roman Theater- and are now in the process of digging it all out- and rebuilding it with the stone they uncover- Its an open-air amphitheater- with circular rows of seats in stone- (about 50 yards across). It's nearly all restored now and there's a pretty park along side. Believe it or not there were 2 or 3 roses still in bloom! (I said walked up the hill- but we rode up on a funicular- 'cause it's a pretty steep climb) Then we walked down- again through the big park that extends halfway down the hill in front of the Basilica- Saw the holly trees again- they sure are pretty- so waxey and green- with the red berries- This time when no one was looking, Phil picked a sprig of it- and we have it hanging on the mirror over the mantle.

I forgot to mention that Friday night, in the course of our wandering around through different stores, we came across a market- but not like Les Halles in Paris- This was a retail market instead of a wholesale one so it was much smaller and different. Two big- covered buildings covering about two blocks- and full of different sections- like the different stores mentioned- selling the different kinds of food- Even in their retail stores, they sell the meat just about as it comes. You see whole cows and sheep hanging on hooks, sometimes- and chicken- and even rabbits!- (They sure look pitiful)- Of course they cut the meat up to sell it, then. The fish are all whole, too- and they even had some they were selling alive.

Well, we walked all around- looking at the meat and fish and vegetables and fruit and dairy stuff, etc.- (No flowers, though)- We discovered that there were a few little restaurant-like affairs attached to some of the stores- and some of them were specializing in sea food. So we decided to be daring and try the snails- (They were huge- about an inch in diameter)- We had seen them so much- and decided we might as well try them. Since we were so hungry, we figured that anything would taste good! They come by the dozen and are served on a special little metal platter- very hot- in the shell- with the inside boiling in butter and spices and parsley. They serve them with special tongs to hold the shells- and a small fork to get the snail out- And we both liked them! (Split a dozen between us)- there really wasn't much snail taste- mostly just butter- and spice- It looks dark- and isn't mushy at all- We could have eaten more- but they're just an appetizer- not very filling at all. So we went to eat supper instead.

Well, back to Sunday- That evening we decided to go to see- of all things- "Holiday On Ice"- (It was in Ft. Wayne this summer I think). It's the first time they had it in Lyon- It was here two weeks- The night we went- it was really crowded- and they really loved it- There plenty of "Ooo la la's." We liked it, too- It was a very good show- So when it comes back to Ft. Wayne, be sure to see it!

The One And Only Needed Control

The Profit System - The Best

Last week Congressman E. Ross Adair, in his regular release to newspapers in the Fourth District, pointed out the cost to the government of certain machine parts. In particular, he mentioned that a manufacturing firm built parts for $53, sold them to another firm for $73, who in turn sold them to the government for $95. Cong. Adair has been pointing out items of extravagance for some time and we were as astonished as anyone could be at the apparent "rooking" Uncle Sam was taking in that particular case. However, the rooking was not to be blamed on the business firms—and we are sure that our Congressman is of the same opinion. The blame lies on the purchasing agents on the U. S. payroll who evidently did not pursue the sources of supply to the root.

We are afraid that many readers, upon seeing the figures given in that article, immediately figured what profits were made by the companies and perhaps remarked, "That's terrible! Each one made twenty dollars on those parts!" That is not the proper conclusion and points out a great American weakness—to criticize the system that has made our nation great, the profit system.

Ideally every head of a family in this country would be in business for himself. But that is impractical. So we have industries employing many people, few people, or, the backbone of America, the independent businessman, his own boss. Without becoming involved in economics—where, incidentally, we may be classifed as "ignorant," but where certain conclusions are evident, even to us!—it is necessary to have an income exceeding the cost of labor, repairs, service, taxes, owner's income (expenses commonly referred to as "operating expenses") in order to be able to expand, make improvements, maintain capital in reserve for emergencies, etc. The quantity of merchandise in business transactions is a determining factor in the percentage of profit or the mark-up a manufacturer, distributor, wholesaler or retailer adds to his cost. Therefore, we cannot say that the manufacturer who "made twenty dollars" on each of those parts received an exhorbitant or reasonable sum; or that the "middle man" made too much under the circumstances. But we can't expect either one to furnish even Uncle Sam with parts or materials at cost. They have existed and will continue to exist in a profit system if they will exist at all.

If they do not continue to exist—because of pressure of public opinion, government regulations, or what have you—by the same token the corner gas station, grocery, garage, weekly newspaper, hardware, and so on, in St. Joe will no longer exist because they are all making—or trying to make—a profit. —And men will serve in the armed forces without pay because they get a place to sleep, food to eat and clothes to wear—everything they need. —And the factory worker will get only enough pay for housing, food and clothing. . . . . all of which in plain language "ain't American." It sounds definitely like something we are supposedly fighting against!

It's plain as the nose on your face that America has the greatest financial strength in the world because it has made profits. It has made profits principally because its people have made profits. In spite of the weaknesses in the profit system which become evident from time to time, it still has never been matched in the past nor is it equalled at the present by any other system. It cannot be strengthened by introducing certain phases of other systems and yet remain with its greatest potential power.

Perhaps we have misjudged our readers in thinking that they might criticize the businesses in the above circumstance for making a profit and not consider the thoroughness of our government's procurement agencies. However, there are those who would revamp or even do away with our profit system. And there are those who would listen to them.

The next time you buy a tankful of gas at 29 cents a gallon, or a pound of hamburger at 69 cents, remember that that business man is making a profit and thank God that he is.

If he were not . . . . . Well, you wouldn't be driving your own car—and the "butcher" probably would be wearing a government uniform!

THE BIBLE SPEAKS
International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Matthew 9:9—17; Luke 5:27—39.
DEVOTIONAL READING: Matthew 10:34—39.

About Face

Lesson for January 28, 1951

TAX collectors and customs officers in these days are highly respectable men. They are not (officially) popular; but every one knows they are necessary. What they collect is fixed by law, and they get no commission on their collections. They live on a salary also fixed by law. If any one feels "gouged" by taxes he never accuses the collector, the fault is somewhere else.

Dr. Foreman

Now in Palestine, in the time of Christ, it was different. Throughout the gospels the name "publican" or, as translated in present-day English, "tax-collector", is evidently a name for a mean man. Jesus himself used publicans as examples of the lowest level of society. The reason was this: In the Roman system of tax collection, the privilege of levying taxes in a given district was "farmed out", that is to say, offered at auction. The highest bidder was given the franchise, and then he, or men he hired, would proceed to collect all the traffic would bear.

Palestine at that time was under the Romans, and the Jews had the army of occupation with them year after year. What the tax collectors did was to turn over to the Romans what the Romans wanted, and everything over and above that amount went into the collector's strong-box.

A Christian's Job

ONE day Jesus just said "follow me" to one of these men, named Matthew, and the man got up and followed him. So far as we know, he never set foot in his office again. Very likely, as a great preacher has suggested, this was not the first time Matthew had seen Jesus. Possibly they had had conversations before, out of business hours. The preacher goes on to suggest that Matthew may have come to loathe his job, but never have seen just how he could leave it.

Be that as it may, Matthew understood quite well that he could not be both a publican and a follower of Jesus. This raises a question: Are there occupations today which a true Christian cannot follow without sin?

There was a dope peddler one night sitting on a stone wall outside a New England church. Somehow the Spirit of God blessed the singing that night, for one of the hymns sang its way straight into that man's heart, and that very hour he threw his packet of dope away and became a Christian. He never went back to that business. We can all see that he was right; but are there other businesses also that cannot have the blessing of Christ upon them?

• • •

Whom Do You Follow?

THE story of Matthew suggests also that every one is some kind of follower. Some people just "follow their noses", that is, they just keep on in the routine of their lives, doing today what they did yesterday just because they have the habit of living in this way. Others follow an ambition, others a desire for revenge, others follow pleasure, others attach themselves to a leader (political, social or what not) and follow somebody else's band-wagon.

The tragedy of the Christian church is that although every Christian, or rather every church member, has solemnly promised to follow Jesus Christ, they don't all follow him, by any means. They go right on following habit, or pleasure, or ambition, and they do not ask (as Matthew must have asked) whether these things are such as Christ can bless, or not.

In spite of Jesus' plain statement: You cannot serve God and Mammon (the god of money), people go right on serving Mammon in spite of their Christian profession.

• • •

About Face!

THE word "conversion" means simply "turning around". It means turning all the way around. When the sergeant says "About Face!" it won't do for the rookie to twist his face around, or to turn one foot. It's all the way or nothing.

Yet when Jesus our Commander gives the command "About Face!" how many Christians barely move a muscle!

The church is too well loaded with half-converted people. They are turned around enough to go to church, but the rest of the week they are headed just the same way the world is headed. What we need is more Matthews, converted 100 per cent.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

CONGRESS RECONVENES—The second session of the 82nd Congress officially began on Tuesday, January 8, facing tough defense problems and stormy action over fiscal policies. With indications of a mounting federal deficit, there was determined opposition to eliminate all waste and extravagance in government and a concerted effort to restore morality and honesty in governmental affairs.

Overshadowing the legislative picture was the obvious political atmosphere of this session as all House seats will be at stake in November as well as one-third of the Senate seats and the presidency and the vice-presidency.

The Administration with its strong majorities in both Houses is reported as aiming at a brisk session so that Congress may adjourn before the political conventions in July. But there is considerable doubt at this time as to whether or not this can be accomplished because of the major conflict over the tremendous budget requests expected from the Executive Department for domestic affairs and defense.

The President delivered his annual State of the Union message to Congress on Wednesday and will soon send up his budget requests. It is expected that he will ask for around $83 billion. During the first session which ended in October, the Administration obtained approval, through its control over both Houses, appropriations amounting to almost $100 billions, along with the third tax increase since the start of the Korean war. This year there will be a bitter battle over appropriations and any tax increases as our taxpayers are already carrying almost unbearable taxes.

First hand observations of this session indicate to me it will be be a sormy and bitter session.

SELLS GOLD TO U. S.—The United States has purchased $130 millions in gold from Great Britain at the fixed rate of $35 an ounce. It is reported that the British then used this purchase money to begin repayment on her $3 3-4 billion post-war loan by making her first payment in the amount of $133,500,000.

HIGH COST OF LIVING IS HIGHER—Latest word from the Bureau of Labor Statisitics shows that the cost of living index has reached an all time high in the period between October 15 and November 15. The consumers' price index which includes the retail prices of goods and services bought by medium income families hit 188.6 on November 15 as compared to average prices for the same items during 1935-35. The report also said the national cost of living has increased 10.8 percent since the beginning of the Korean war.

COBURNTOWN CHURCH NEWS

The Missionary meeting will be held at the home of Mrs. Onan Laughman Thursday afternoon.

The Church of Christ at Garrett will have Youth Rally meetings each evening of this week.

Regular Bible study classes will be held Thursday morning and evening.

The Home Builders class party will be held at the home of Mr. and Mrs. Karl Hart.

The Christian Endeavor opened with group singing led by Betty Mann. The lesson and scripture were given by Bonnie Noack. Sentence prayers were given. A duet was sung by Rhoda Ulm and Betty Mann. A solo was sung by Karen Kay Witt. Questions were discussed by the group.

AMERICAN LEGION AUXILIARY

A special meeting of the American Legion Auxiliary was held on January 8 for the purpose of planning the activities for the next four months. For January small aprons are being mailed to each member of the auxiliary in which a penny for each inch of waist measurement is to be placed in the pocket and returned to Mrs. Dale Collins.

In February a bake sale will be held in Auburn. The past presidents parley will be in charge of the sale. Harriett Baker is chairman.

In March a pancake and sausage supper has been planned. It will be at the Legion Home on March 1. The price and time will be announced at a later date.

In April a bazaar, bake sale and surprise package sale will be held in St. Joe. The date is April 5. The time and place have not been arranged.

Mrs. Doris Yeiser read the budget for 1951-52 and it was approved by those present.

A very interesting report was given by Mrs. Ralph Sechler on her work at the Veterans Hospital in Fort Wayne. She and Mrs. Vernie Monroe spend a day a week in the hospital aiding the disabled veterans. They have enlisted their services in the hospital for a year.

PATTERN OF THE WEEK

FOR AN AFTERNOON DRESS WITH A TOUCH OF PARIS, choose Advance pattern #5956, a slimming sew-easy dress with a novel button-accented key-hole neckline which drapes the bodice and turns into the collar. The skirt is moderately flared to carry the slimmer line. Sizes 12 to 42.....35c

TO ORDER ADVANCE PATTERNS send 35c in coins (no stamps) for each pattern, with size, name and address, designating which pattern you want by its number.

Send to Atlas Pattern, Dept. ST-J-N, 6455 Sunset Blvd., Hollywood 28, Calif. Allow two weeks for delivery.

Pickles Win Again

Sechler Pickles won their first encounter in Klenk's Tourney at Decatur Monday night with a 72-66 victory over Haviland-Scott of Ohio.

Pickles held a first quarter lead of 24-16 with McCarter and Stauffer leading the attack. Kimes got four buckets in the second period to help the locals to a 42-34 halftime lead.

The Ohio aggregation pulled up to a third period tie as they scored 21 to the Pickles 13. The score was 55-all. But Beck with 7 and Stauffer again with 6 in the final frame gave the nod to St. Joe.

Stauffer with 19, McCarter with 17 and Beck with 15 led the scoring for the winners. Sinn of the Ohio team exploded for 30.

SHRINE CIRCUS IN FORT WAYNE JAN. 21-27

Many from this community are expected to join the festive throngs attending the fifth annual Mizpah Shrine-Polack Bros. Circus at the Quimby Auditorium, in Fort Wayne starting Monday night, January 21, and continuing through Sunday afternoon, January 27.

Night performances will begin at 8:15 except Friday, when there will be two at 7:00 and 9:15. After opening night, matinees will be given daily at 3:45 Tuesday through Friday and at 2:15 Saturday and Sunday. There will be no night performance Sunday.

Manifold aerial and acrobatic troupes and intriguing trained-animal acts give enchanting promise to this year's new edition.

Exciting events aloft are the intrepid high-wire pyramids of the Great Wallendas, the unparalleled mid-air precision of the nine Ward-Bell Flyers, the barefoot aerial adagio adventures of Les Geraldos, and graceful movements in unison of the Aeriallovelies.

Animal innovations range from Albert Spiller's oceanic combination of penguins and seals to Karlis Peterson's horseback-riding jockey dogs. Also on the program are the fast-moving Packs elephants presented by the MacDonalds, Joe Lemke's educated chimpanzees and Harold Gautier's poodles in a delightful presentation titled "Excess Baggage."

Fast action is provided by the Theron Family on unicycles and bicycles, the Four Whirlwinds on roller skates, and Francis Brunn with his lightning juggling. Then there are the unique feats of foot-supported equipoise by the Two Myrons and the incomparable horizontal-bar acrobatics of Los Ibarras.

Comedy divertissements are supplied by a corps of zany clowns, headed by Chester "Bobo" Barnett, the happy hobo, with his tiny car, corny cornet and capering canines.

Swiss Miss Omelettes

Individual rolled omelettes, filled with creamed chipped beef and topped with Swiss cheese make an unusual supper dish.

The French have a way with omelettes, large or small, plain or filled. Given a skillet, some fresh eggs and margarine, they can prepare a tender, delicate omelette in a twinkling.

Since individual omelettes form the basis of this supper entree, here are a few hints for perfect results.

1. Mix the eggs lightly with a fork.
2. Place the margarine in a skillet and let it brown lightly. This makes the eggs congeal quickly and gives the omelette a good taste and a nice brown color.
3. Pour enough of the beaten egg to make an individual omelette into the hot margarine and stir briskly and quickly with a fork.
4. Cook only until the omelette is congealed and remove from the skillet immediately.

SWISS MISS OMELETTES

6 eggs, beaten lightly
½ teaspoon salt
⅛ teaspoon pepper
3 tablespoons fortified margarine
1 tablespoon fortified margarine
4 thin slices Swiss cheese
1 tablespoon flour
½ cup milk
¼ teaspoon finely grated onion
1 cup finely cut chipped beef*
¼ cup cream

Add salt and pepper to beaten eggs. Melt 3 tablespoons margarine in a small skillet over low heat and make 3 individual omelettes out of the egg mixture. Set omelettes aside. Melt 1 tablespoon margarine in skillet. Blend in flour and add milk, chipped beef and onion. Cook until mixture thickens, stirring constantly. Place about 2 tablespoons chipped beef mixture in center of each omelette and roll. Place rolls in a well-margarined shallow baking dish. Top with cream and cover with cheese slices. Bake in a 400 degree oven for 20 minutes, or until cheese melts.

Yield: 4 servings.

*Virginia Ham may also be used.

The Bunco Club was entertained by Mrs. Eva Roberts Tuesday evening.

Raymond Murphy is home on furlough from the Marines for a short time.

Harvey Hull is the proud possessor of a post card written in longhand from Bobby Thomson, the 1951 hero of the New York Giants baseball team whose last half of the ninth inning homer gave the Giants the National League pennant in the third and crucial game of the play-off series against the Brooklyn Dodgers. Bobby is finally getting caught up with his fan mail after that game.

Mr. and Mrs. Paul Carpenter are now located in Englewood, Florida.

Mr. and Mrs. Richard Wasson are vacationing for two weeks in Florida going as far south as the Keys.

Legionnaires have a warning that the national commander is personally starting a campaign for Legionnaires and their families to go to church.

Merritt Sechler was a house guest in the Glen Cole home from Saturday until Tuesday.

Mr. and Mrs. Vernie Monroe and Mr. and Mrs. William Staman were at Fort Wayne Sunday visiting their brother, Leon Sechler, who is in the St. Joeseph Hospital recovering from an operation.

Mrs. May Leighty Openlander and Mrs. Marie Draggoo and Merritt Sechler were guests of Mr. and Mrs. Glen Cole Sunday.

Joe Walter left last Friday for service in the armed forces.

Sunday, January 6, dinner guests in the Mary Ridgway home were Mr. and Mrs. Delvin Armstrong, Mr. and Mrs. Arden Altman and son, Terry, Mr. and Mrs. Russel Ridgway, of Auburn, Mr. and Mrs. S. W. Armstrong, Mr. and Mrs. Robert Ridgway and Mr. and Mrs. William Mansfield. The dinner wasin honor of Russell who left for service in the armed forces on Friday, January 11.

Mr. and Mrs. John Crothers announce the arrival of a new grandchild, a son born to Mr. and Mrs. James Crothers of Huntington, Ind. The new arrival weighed 7 pounds and 14 ounces and has been named Jerome Walter. James teaches commerce and coaches basketball in Rock Creek school and says his big boy "will jump center on his basketball team."

Spencerville News

Mr. and Mrs. George Beams have returned home after a six-week trip in the west, visiting their daughter, Garnet, of California.

Mr. and Mrs. Herbert Edwards and son of Fort Wayne spent the week-end with Mrs. Mary Stemen and son, Fred.

Mr. and Mrs. George Beams had supper with Mr. and Mrs. Clayton LeMay of Pecos, Texas. The LeMays were former residents here. Mrs. LeMay was formerly Miss Irene Webb.

James Webb arrived home early Monday morning from San Diego, Cal., where he was stationed with the Marine Corps. He will be home for ten days.

Mr. and Mrs. James Reed called on Mr. Ruben Renn, Bert Davis and Marvin Cook at the Butler Convalescent Home Sunday. They were all in the same health. Later in the afternoon Mr. Reed called on Mr. Ray Zimmerman who is able to be up and around again.

Mrs. C. R. Baumgartner was elected delegate of the Women's Auxiliary of the Indiana Veterinary Medical Association to the American Veterinary Medical Association Convention which will be held in Atlantic City in June. The I.V.M.A. 68th annual convention convened in Indianapolis last week.

I&M Increasing Capacity

Construction of the largest single electric power source ever planned for installation in Indiana will be started this year by Indiana & Michigan Electric Co., it has been announced.

F. H. Korsmeyer, I & M district manager, revealed the utility has authorized a 200,000 kilowatt (268,200 horsepower) generating unit, the largest size being built in the United States today, for installation at its Tanners Creek Plant, Lawrenceburg.

"We expect to complete this project by June 1954," F. H. Korsmeyer said, "providing all materials are made available and are delivered on schedule."

This new power source on the Ohio River at Indiana's southeastern tip will provide important assurance of adequate electric supplies for future growth in the Butler district, Mr. Korsmeyer added.

The utility manager pointed out that the new generating unit is the third scheduled for installation at Tanners Creek. One 150,000 kilowatt unit went into operation there last March, and a second is under construction, scheduled for completion in September of this year.

"Our Tanners Creek Plant will be the largest steam electric generating station in Indiana upon completion of the third unit," Mr. Korsmeyer said, "with a net capacity of 500,000 kilowatts. Our Twin Branch station at Mishawaka is the state's largest at present, with 393,000 kilowatts net capacity.

"The seven-state American Gas & Electric Company System, of which I & M is a part, now has construction of 1,300,000 kilowatts of generating capacity scheduled for completion by 1954. This is a greater amount for the period than that planned by any other power system in the country, except the Tennessee Valley Authority. It will double AG&E's capacity over 1948 figures, and we will have increased our generating capacity at I & M more than 2 1-2 times during the same period.

"All the plants of the American Gas & Electric Company are interconnected by transmission lines, so that Butler district and all individula communities served by affiliated companies such as I & M will benefit directly from the huge generation additions planned.

"The fact that such large blocks of power are becoming available to the homes, farms and factories of our productive Midwestern area is of vital importance during this crucial defense period.

"Added to the generating additions being made by other Indiana utilities, with whom I & M exchanges power through numerous interconnections, it assures Indiana of adequate power for future needs," Mr. Korsmeyer concluded.

washday is little-girl-play
with an ELECTRIC CLOTHES DRYER

With an electric dryer you toss clothes in, set a dial . . . and that's all! They come out as you want 'em: damp-dried ready for ironing, fluff-dry to wear or store away.

Imagine! No carrying big heavy baskets of wet wash out to the yard. No stretch-and-bend routine with pins and clotheslines. No dashing out to drag things in when sudden rains come up . . .

Drying clothes electrically is so easy a 6-year-old can do it, as our friend Nan Troxell here so often does.

So why break your back? Why gamble with the weather? An *electric* clothes dryer does a better job faster, for just a few pennies a wash.

Ask your dealer for a demonstration. You owe it to yourself.

INDIANA & MICHIGAN ELECTRIC COMPANY

- dry day or night...rain or shine
- clothes last longer...fewer "changes" needed
- no sprinkling...less iron

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, January 24, 1952 — NUMBER 4

Tigers Drop One To Butler

The Butler Windmills showed coach Frank Clark's style to good advantage Friday night as they dropped the St. Joe Tigers 59-47.

Although coming within six points of the Windmills on several occasions in the last half, the Tigers were definitely outclassed and couldn't keep up with the Butler five on their bigger home floor.

The Tigers were "cold" in their shooting which didn't help matters any. They shot for a percentage of .280 while Buler was hitting at a .370 clip. The locals also blew 12 free throws while making but 7.

Maxton had 15 points, Slentz 13 and Rosenberry 10 for the winners. Ken Walters had 15 on 7 fielders and one free throw.

The Butler seconds won the prelim from the little Tigers, 43-26.

Spencerville News

Mr. and Mrs. Glen Moore and family entertained Sunday evening with a family dinner for Mrs. Lola Moore, Mr. and Mrs. Aken Moore and family of Fort Wayne, Mr. and Mrs. Victor Kelley and daughter, Mrs. Elizabeth Akey and children and Leila Moore.

Mrs. Florence Silberg left Saturday night for Raleigh, North Carolina, where she will spend the remainder of the winter with her daughter and family, Mr. and Mrs. Richard Eavens.

Mr. John Cook is in fair condition at the Methodist Hospital, where he was taken after an accident one morning last week.

Mrs. Mary Stemen is working for Mr. and Mrs. Dale Wicoff, taking care of their children.

Mrs. Nellie Landin and Miss Evelyn Guy were Sunday dinner guests of Mr. and Mrs. Ray Hoover and family.

James Webb left Tuesday morning for California where he is stationed with the marines. James spent a week home with relatives and friends.

Mr. and Mrs. Corless Hungerford and family, Miss Wanda Sweet and Bonnie Noack were supper guests of Mr. and Mrs. Robert Witt and family.

Miss Wanda Sweet was a dinner guest of Miss Bonnie Noack.

CULTURE CLUB

The ladies of the Culture Club met at the home of Mrs. Paul Drerup of near Auburn with Mrs. Edna Jenkins as co-hostess on January 16 at 8 p.m.

The meeting was called to order by the president, Mrs. Lester Anthony. Collect was read in unison after which devotions were given by Mrs. Willard Hurni, who read from the Bible Matthew 5:13-16 and Luke 6:27-28

The lesson for the evening on fashions was led by Mrs. Lynn Fisher.

Critic's report was given by the assistant critic, Mrs. Paul Drerup.

Special work for the evening, Floraculture, was given by Mrs. Karl Hart.

Roll call was taken followed by the secretary's report.

A book committee was appointed for the coming year, Mrs. Merl Furnish, Mrs. Virgil Laux and Mrs. John Mason.

The club contributed $7.16 to the polio fund.

A short business session was held after which a motion for adjournment was made by Mrs. Frank Monroe. The hostess and her co-hostess served a tasty lunch.

The next meeting will be held at the home of Mrs. Roy Bowser with Mrs. Leslie Meek co-hostess.

Local News

Mr. and Mrs. Leon Kees and Nina Jane were Saturday guests of Dr. Cecil Miller at Newville.

There will be a meeting of the DeKalb County Roadside Council Monday, January 28, at 7:30 p.m. in the court house assembly room at Auburn. The speaker will be Charles T. Miser, state representative.

Jerry Baker's new address is as follows: PFC Jerry A. Baker 1243155, 1st School Co., Engineer School Bn., Marine Barracks, Camp La Jeune, North Carolina.

Mr. and Mrs. Carl Pugsley and daughter and Mr. and Mrs. Marcel Pugsley and daughter of Ft. Wayne enjoyed a birthday dinner Saturday evening in their parents' home in St. Joe. The honored guests were were Irma and Lester Pugsley.

Mr. and Mrs. Roy Reidenbach were Sunday evening guests of Mr. and Mrs. Lester Pugsley.

Carlton Curie was home from Cincinnati Bible Seminary over the week-end.

Jack Mann has enrolled in the Cincinnati Bible Seminary for the last semester starting this week.

The last letter from PFC Harold G. Curie was written at Camp Drake, Japan, January 9. He had exchanged clothing for heavy winter clothes and expected to leave that afternoon for parts unknown. While crosing the Pacific they had one calm day, the rest of the time the waters were rough, nearly everyone experienced sea sickness. January 6 Harold was privileged to attend church with his second cousin, Forrest Bevington, husband of Betty Mavis Bevington. Forrest has been stationed at Camp Drake over a year.

Mrs. Byron Current of King City, Cal., writes that they received a gift subscription to the St. Joe News for Christmas and they hope all their friends will get their names in the paper once in a while. The Currents are running a motel and filling station at King City.

Mr. and Mrs. Olen Waltz spent Sunday at Auburn calling on Mr. and Mrs. R. F. George and family and Mr. and Mrs. Kenneth Jennings.

Mr. and Mrs. William Beck of Ayersville, O., and Mr. and Mrs. Grant Ames of Defiance, O., were Sunday guests in the J. E. Foltz home.

Karl Hart is ill with pneumonia. A substitute teacher has taken his place in classes at school.

The men of the Friendly Circle Class of the Lutheran Sunday School entertained the women last Thursday evening with a 6 o'clock super, the main dish being delicious fried oysters (cooking supervised by Derwood Ridgway), cake, ice cream, etc.

During the Christmas season Harvey Hull received a very interesting letter from Rev. J. C. Coons, at one time minister of the St. Joe-Concord circuit of the M. P. Church.

Mr. and Mrs. Frank Shull are the proud parents of an 8 lb. 12 oz. baby boy born Wednesday, January 23 at the Secred Heart Hospital. The baby has been named Joseph William.

Mrs. Harriett Johnson is a house guest of her sister, Mrs. Sadie Coil, of Auburn a few days this week.

Paul Bollinger and family were Sunday guests of his sister and family, Mrs. Carl Carpenter.

Mr. and Mrs. Glen Cole were Sunday evening callers in the Charles Krise home.

Ralph Sechler called on his brother, Leon Sechler, of Fort Wayne. Leon is recovering from an operation.

Mr. and Mrs. William Staman, Mr. and Mrs. Glen Cole and Mr. and Mrs. Don Smith were at the Vernie Monroe home Monday evening celebrating Mrs. Monroe's birthday.

Sunday evening supper guests of Mr. and Mrs. Ted Haberkorn and sons were Mr. and Mrs. Ed Hauke and son, Carl, and Miss Carolyn Endorf.

1st County Fatality Is Youngster

The first traffic fatality in DeKalb County this year was reported Saturday with the death of Dian Sue Quance, age 7, daughter of Mr. and Mrs. William S. Quance of Auburn.

The girl died of a broken neck and head injuries enroute to the hospital at about 12 noon Saturday after the car in which she was riding went out of control and crashed head-on into a sycamore tree two and one-half miles north of Auburn on the Auburn-Ashley road. The car was a total loss. The parents of the girl were also injured in the crash.

According the an eye-witness account of the fatal accident by DuWayne Haynes, the Quance car had just passed the Haynes car going north on the road. It skidded on the slush-covered highway and when Mr. Quance attempted to get back into the right lane of traffic, the car went out of control and left the road on the east side. The Quance car was proceeding at about 35 to 40 miles per hour at the time it passed Haynes. The Quance family was enroute to Kendallville.

The girl died while enroute to the hospital. Mrs. Qaunce suffered a badly fractured right leg, head injuries and possible internal injuries. Mr. Quance suffered several lacerations about the face, a broken nose and a fracture of the index finger of his left hand.

Funeral services were conducted Tuesday at 2 p.m. in the Methodist Church at Auburn. The Rev. C. C. Collins officiated at the services. Burial was in Woodlawn Cemetery in Auburn.

Surviving besides the parents are two brothers, Robert of Auburn and Raymond of Fort Wayne; and two sisters, Miss Helen Quance at home and Mrs. Mary Ann Kretz of California.

The Auburn-Ashley road was the scene of another skidding accident Saturday shortly before noon when Mrs. Karl Mavis of Auburn lost control of the car she was driving and went into the ditch.

Mrs. Mavis was thrown from the car but escaped serious injury. Damage to the car was estimated at $75.

COBURNTOWN CHURCH NEWS

The Jesus Helpers Class, taught by Elwood Hart, had their January Class Party at the home of Robert Jarrett January 18 at 6:30 p.m. Puzzles, mixer games business and devotional meeting, more planned games and refreshments kept the group from having a dull moment. There were 15 class members present.

On Sunday Mrs. Jarrett, the Adult Adviser, and Robert and Janet Jarrett entertained the Busy Beavers' Christian Endeavor to dinner, an afternoon of planned entertainment and lunch. There were 26 for dinner and 26 for lunch. It is hoped that such fellowships will be instrumental in providing spiritual food for the younger young people. This entire group attended Sunday School and Church in the morning and C. E. and Church at night.

It is felt that if all the young people in the world—yes, all the people in the world—would follow Christian programs similar to this, we would have no time or need for war.

The Home Builders Class met Saturday evening at the home of Mr. and Mrs. Karl Hart. Devotions were given by Darris Hamilton. The business meeting was conducted by vice-president Robert Witt in the absence of president Maxine Goldsmith. Mrs. Jarrett was in charge of recreation. Three very interesting games were enjoyed by all. Refreshments were served by the host and hostess. Twenty-three adults and thirteen children attended.

The C. E. held its regular meeting in the church basement. Group singing was led by Betty Baker. Twenty-eight attended. The group will support Westly Walker, missionary for the next two following months. The Life Recruit club will meet the 2nd Sunday of each month at 2 o'clock. There are 13 life recruits received. Betty Baker led the lesson, "What Provides Real Security," and gave scripture text, I Corinthians 13. Character, friendship, good will, education, love and service are very important for security. Questions were discussed by the group. The Life problem was also discussed. Next week's lesson will be led by Joyce Baker.

Monday evening at 7:30, there will be an organizational meeting held at the parsonage. Tuesday evening at 8, the DeKalb Co. Youth Rally will be held at the Harlan Church of Christ.

Sunday afternoon Darris Hamilton, Bonnie Noack, Wanda Sweet, Bonnie Witt and Mr. and Mrs. Robert Witt called on Mr. Vern Fredricks.

Attendance Sunday evening was 62. The message, "Why Didi God Write a Book?"

There has been a lot of chicken pox around.

There will be a Tri-State Preaching Rally on March 26 at Garrett. There will be a youth banquet at 5:30. Over a thousand people are expected.

The wedding of Mr. Veil Johnson and Miss Ellen Mae Knop will take place at the church at 3:00.

Pickles Roll Up 2 More Victories

Sechler's rejuvenated Pickles, though dropping only one game thus far but having trouble getting into their familiar style as displayed last year, have apparently hit their stride and took impressive victories Saturday evening at Akron and Monday evening in a tourney at Decatur.

On Saturday the locals played St. Paul's Methodist Church at Akron and piled up a 98-68 win. With Tom Beck and Schroer hitting for 10 and 7 points respectively in the first period, Pickles led 25-12. Beck hit for 8 more in the second stanza and the score went to 49-24.

Last half scoring was well-balanced and the boys ran it to 70-46 at the third period and coasted through the final frame.

Schroer and Beck each had 24 points for the evening. Clark had 13 and Kimes and McCarter 10.

On Monday evening Pickles dropped Klenk's of Decatur in the latter's tourney by 72-65. The locals had faced Klenk's in the Zollner tourney once previously and took a close 61-60 victory.

The locals clicked in the opening period and led 24-15 at that point. Klenk's picked up 19 in the second period and trailed by five, 39-34.

Klenk's used their fast-break attack to advantage in the third period and pulled up to a 57-55 score, still trailing, however. They started the final period with the same effectiveness and went into a four-point lead. Pickles then uncorked their own fast break and literally ran Klenk's off the floor in the last few minutes.

Clark and Schroer led the scoring for Pickles with 18 points each. Stauffer was right behind with 15 and Beck had 14.

Pickles				St. Paul's

Raiders - And Hook - Take Hamilton

Eddie Hook added 36 points to his season total Friday evening when the Red Raiders took a 65-53 decision from the Hamilton Marines.

Spencerville coach Dick Calbeck used plenty of his reserve strength as all five regulars were carrying three personal fouls by the end of the first half.

Spencerville held quarter leads of 18-11, 29-21 and 45-34.

Hook had his biggest night this season getting his 36 points on 14 field goals and 8 free throws.

The prelim also went to the Raiders, 37-33.

CONCORD TWP. HOME EC

The January meeting of the Concord Twp. Home Economics Club was held at the home of Phyllis Heyman on January 18. The committee, Mrs. Cora Curie and Mrs. Lloyd Yeiser, assisted.

The meeting was called to order by Laura Washler and the club creed was given by all present.

The song, "The Old Rugged Cross," was sung. Devotions were given by Inez Hadsell.

Installation of the 1952 officers by Doris Yeiser followed and the new president, Mrs. Gertrude Borthwick, took charge.

Minutes of the December meeting were read by the secretary.

Twenty-four members answered roll call with the response, "The Christmas gift I liked best."

The president gave an explanation of the new program.

The Cake Decorating Demonstration was announced to be held at Auburn.

Penny collection was $1.06. A bill of $1.35 for covers of programs was presented and allowed. Also the club voted to buy a new secretary's book.

All joined in singing, "Keep the Home Fires Burning," the song of the month led by Harriett Johnson.

Emma Trenary had charge of the entertainment.

GUEST SPEAKER AT ST. JOE CHURCH OF CHRIST SUNDAY

CHARLES WILLARD

Charles Willard, graduate of the Cincinnati Bible Seminary and minister of the Church of Christ at Payne, Ohio, will be the guest speaker at services this coming Sunday, January 27, at the St. Joe Church of Christ.

He will be remembered by the young people from this area who attended the Lake James Christian Assembly as having been there for the past few summers.

Also on the program for the evening will be a girls trio from the Hicksville Church of Christ.

The evening service will start at 7:30 p.m.

SPENCER TWP. HOME DEMONSTRATION CLUB

The January meeting of the Spencer Twp. Home Demonstration Club was held at the home of Mrs. Joyce Gilford on Wednesday, January 9, with Miriam Hamilton and Flossie Rediger as assisting hostesses.

The meeting was called to order by the president, Dorothy Kimes. Miriam Hamilton gave the history of the song of the month, "Keep the Home Fires Burning." All members joined in the singing. Devotions were given by Lola Moore.

The secretary's report was read and approved. Twenty members answered the roll call with "a suggestion for the club for 1952."

Lola Moore installed the following officers for the new year.

Mrs. Dorothy Kimes—president.
Mrs. Valda Brown—secretary.
Mrs. Jean Moore—reporter.
Mrs. Miriam Hamilton—chorister.

Other officers were not present. The business meeting was then held. Games were played and delicious refreshments were served.

Don't Lose The Thinking Cap

The human mind is a strange thing. It can show respect and contempt, admiration and disgust, love and hate, understanding and ignorance with such rapidity as to make it the "eighth wonder of the world."

Each of the above comparisons contains a "good" and "bad" side. It's human nature to fall victim to one"s emotions and act in a manner which would probably not be resorted to if a few moments' hesitation in thought were taken. It is also just as much a characteristic of human nature to behave in the manner of a "good Samaritan." These actions, or reactions, unfortunately depend upon circumstances. The circumstances, in turn, can determine the nature of the human impulse in spite of past realizations that there is need to adhere to principle.

For instance, when driving in the big city, the mind is aware of speed limits, pedestrians and the dangers of fast driving. Now suppose in stopping for a stop light at the proper place, another car pulls along side and stops perhaps a foot or two ahead of our subject's car. Everyone will not react in the following manner; but there are a number who think: "That smart-aleck—I'll show 'im!" And when the light changes, our subject jams on the accelerator to "take" the other car in the getaway. You can see it happen any day in the big city.

Now, as an example of the power of circumstance, suppose the driver of that second car is Jim Jones, the next-door neighbor. He's the one who stops slightly ahead of our subject's car and waves a friendly greeting. Is there any impulse to show him up? Not usually. Both cars respond to the green light normally and everyone is happy. The circumstances have changed the mind from an irritated state to one of friendly ease, all because of recognition.

The same power of circumstance controls thoughts in politics. There is a realization of the need for unbiased, reasonable thinking to be of greatest benefit to the nation. But some one presents a threat to personal convictions; and the mind immediately loses its stability, stomping on the "accelerator" to respond with what sometimes becomes "mud-slinging."

There will be a lot of accelerator pumping in the next few months particulary as the Republican camp decides upon its candidate to present at the 1952 presidential election. There is a loud blaring of trumpets as Gen. Dwight Eisenhower shows his willingness to accept the Republican nomination. Republicans who remember "20 long years" see in him the best chance to gain the power of the presidency offered to the party since 1932. His winning smile, friendly wave of the hand and efficient work as European commander are all to his credit. There are also other arguments presented on his behalf—he wants peace because he has seen the ravages of war; he is not a "political stooge" and has no strings attached to his candidacy; and he has stated his beliefs in the purposes and functions of government.

Those who favor the general, upon reading the following thoughts, will mutter, "You just don't want him nominated." —And that is right. We don't. If the general has been so successful, so popular with European nations, it is to be concluded that he can serve the U. S. and the world best continuing in his present position. The general has seen the ravages of war and is desirous of attaining peace—so have thousands of other men and so are the same thousands. Furthermore, it doesn't stand to reason that the best way to seek world peace, as we are supposedly doing, is to put a military man at the head of the nation. The best judges of ways to gain peace are those who live in that atmosphere, the civilians not attached to military actions nor the rigors of military discipline. Military action merely decides physical supremacy; it does not guarantee peace, and military leaders cannot promise that their policies will be any more constructive toward peace than those advocated by our leaders who do not participate in the physical fighting.

Too many politicians have jumped on the Eisenhower bandwagon to allow the "non-political candidate" tag to be placed on the general. It is apparent to those supporters that the general's election would be to their advantage and they support him. There is nothing wrong in that. We oppose him because those elements supporting him are of the "liberal" Republican crowd, better and rightly known as the "me-too" faction because their views coincide so closely with the policies as practiced for the past several years by the Democratic Administration. We oppose those views because we do not believe those policies have benefitted our nation and, in fact, have been detrimental in our efforts for peace.

The general has stated his beliefs and convictions in government. These statements follow a general theme and mean, in the final analysis, absolutely nothing. Franklin D. Roosevelt had ideals which no one could take exception too. They were beliefs in freedom and an "abundant life." Harry S. Truman has beliefs and ideals which can be stated in much the same terms. In fact, there probably isn't a living person who can't state his beliefs in the same ideas and be equally sincere in his statements. The deciding factor is the method of attaining those ideals and the degree or extent to which those methods effect the individual and his personal freedom and independence. Joseph Stalin and communism proclaim that the Russian people are the freest people on earth. But who wants to live under their idea of freedom?

Statements of general ideals of government are not enough and should not be relied upon in making a decision. Statements of ideals have been made before and are still being made. But are we attaining the "abundant life," the freedom in terms we assume our leaders are speaking? The answer is no. We will not attain a true fulfillment of those ideals nor use the correct apposch until an entirely different set of leaders is put in office. The strength of America in this decade depends upon the election of an American president who can appreciate the need for world reconstruction while at the same time not sacrificing American blood, resources, finances and principles in seeking that goal.

The mind is a strange thing—the Republican mind is no exception. It is considering a sacrifice of principle for power. The need is for adherence to principle, necessary to regain the respect of the other nations of the world.

SCRIPTURE: John 3:1—21; 7:45—52; 19:38—42.
DEVOTIONAL READING: Matthew 10:23—39.

Born Again

Lesson for January 27, 1952

IN many places one often hears the expression, "born - again Christians". As a matter of fact, there are no other kinds. If a person is not born again he is not a Christian.

The first birth is of the natural self, the awakening, so to speak, to this natural world.

Dr. Foreman

The second birth is of the supernatural self, the awakening to the spiritual world, the beginning of "living unto God." Sometimes this new birth comes very early in life. Dr. Warfield, a very conservative theologian, used to think that the second birth might in some cases actually come before the natural birth. (See Jeremiah 1:5).

A man may become very distinguished, may be a great scholar, and still not have been born again. Nicodemus is a case in point. He was a man who had everything, as the saying is; he was a judge in the Jewish High Court, a man both wealthy and respectable. But he had not been born again.

• • •

God Is the Life-Giver

THE English translation of John 3:7 has given many persons the idea that being born again is a duty. Now a duty is something that you ought to do, and that by your own choice you can do if you will. It's up to you. But (taking the teaching of the Bible as a whole) being born again is not a duty. It is the act of God.

What Jesus was saying (as the Greek of John 3 indicates) is that it is necessary, it is indispensable, to be born again. There can be no development, no growth, in the spiritual life unless there is somewhere the beginning of that life. You must have been born once in order to see the sunshine. You must be born again in order to see God.

The seed which we sow in field or garden must have the germ of life in it or it will never grow. But no farmer can give life to lifeless seed. God alone is the life-giver, in the first birth or in the second.

• • •

Turn; Follow

SOME people get this far in their thinking and then they become discouraged. "If only God can give life," they think, "what is the use of my trying to obey him? If God takes the first step then all I can do is to wait for him. No matter how much I want to be a Christian in my heart, I may not be able to, for God may not see fit to make it possible for me to do what I want to do." This is a mistaken thought.

John Calvin, as is well known, was a very strong believer in predestination. As pastor of a large church, he had numbers of people in his congregation who heard him talking about predestination, the doctrine that we are in God's hands and that spiritual life can come only as he himself begins it in our souls.

They would ask just about this same question: I want to be a Christian, but how do I know that God has chosen me? I want to be a Christian, but how can I know whether I have been born again? Calvin's answer was a simple one: If you really want to be a Christian in your heart, that is a sign, the very best sign, that you have been born again.

• • •

Turn; Follow

IN the Bible, the commands are "Turn"; "Follow"; "Believe"; "Obey". If we have not been born again these commands fall on deaf ears. If they stir our conscience, if they make us respond, then that is a sign we have been born again.

Then can't we tell when we are born again? Certainly we can tell; just by being alive. "We know that we have passed from death unto life, because we love the brethren," said the same apostle who recorded Jesus' conversation with Nicodemus.

We wish very much we knew whether Nicodemus himself was ever born again, but students of the Bible have never agreed on this. And the reason for the uncertainty is that Nicodemus never did come right out.

We know Matthew was born again because he turned his back on his former life and followed Jesus. We know that Nicodemus said some kind things about Jesus. We know that after Jesus was dead, Nicodemus came through with a handsome contribution for the funeral. Was that only late, or was it too late?

WATER HEATER
electric

No matter *where* you want to put your water heater you'll be better off with an ELECTRIC... because that's one kind you *can* put any place!

Here's why: An electric water heater is safe enough, clean enough to install in a closed-in closet! Obviously an electric water heater is your best buy for any place at all. (That goes double where space is limited, or in new basementless homes.)

No flues, no vents, no chimney needed! That's proof of dependable performance that challenges comparison. It means economy, too: shorter runs of pipe from heater to where hot water's used!

in a spare closet!
playroom!
attic!

INDIANA & MICHIGAN ELECTRIC COMPANY

With an ELECTRIC water heater you pick the location most convenient for YOU!

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the *mightiest engine* in Buick history.

It has the *biggest brakes* of any postwar Buick.

It is the *quietest car* that Buick ever built.

It has the *richest fabrics* and *smartest tailoring* that ever graced a Buick's interior.

It has the *greatest trunk space* since spare tires moved off the front fenders.

It has the *most superb ride* in Buick history.

It has the *finest carburetor* that Buick research has ever devised.

And with all its new power, it delivers *more miles per gallon.*

But that is not all.

For those who wish it, there is a brand-new version of *power steering* that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Equipment, accessories, trim and models are subject to change without notice.

LADIES LITERARY CLUB

The Ladies Literary Club met with Mrs. Claud Laub on January 16, 1952.

The president called the meeting to order and Mrs. Inez Hadsell repeated the collect.

Mrs. William Staman and Mrs. Carl Carpenter gave the lesson on "Jews." Mrs. Staman gave the history of the Jews up to the present time and Mrs. Carpenter an account of "Palestine - The New Jewish Homeland."

Mrs. Stanley Means, entertainment chairman, conducted several contests.

The minutes were then read and approved.

Nineteen members responded to roll call and there was one guest present, honorary member Mrs. C. R. Baumgartner.

Mrs. O. L. Hansen was voted a new member of the club.

It was voted to give $5.00 to the Red Cross and a collection was taken for the March of Dimes which amounted to $5.00.

The meeting was then adjourned.

CONCORD TWP. T. T. A.

The Concord Twp. P.T.A. met Tuesday, January 22, at the school house in St. Joe.

Movies were shown of the Moosehart children's home in Illinois. Mr. A. H. Lawson sang two solos to complete the program.

The organization voted to finance the purchase of a new sousaphone for the school band. This will be the third instrument purchased by the P. T. A. in the band project.

The P. T. A. meets the third Tuesday of each month.

CONSERVATION CLUB

The St. Joe Valley Conservation Club will hold a merchandise shoot next Sunday, January 27, at the club grounds west of St. Joe.

The shoot will begin at 12:01 p.m.

BAKE SALE BY P.T.A. COMING IN FEBRUARY

The Concord Twp. Parent-Teachers Association will hold a bake sale in St. Joe on Saturday, February 9.

The proceeds from the sale will be used for the benefit of the school band.

The sale will be held at the News Office.

VOLUME LXVII | ST. JOE (DeKalb Co.), INDIANA | Thursday, January 31, 1952 | NUMBER 5

Legion To Emphasize Church Attendance

The American Legion plans to sponsor a nationwide religious movement to bring about a spiritual reawakening of Americans.

National Comdr. Donald R. Wilson urged each Legion post and auxiliary Thursday to take the initiative in its community. The program will emphasize church attendance and prayer and religious training of young people.

The movement will start Sunday, Feb. 3. This is the ninth anniversary of the date when four chaplains representing Catholic, Protestant and Jewish faiths gave their lifebelts to enlisted men and went down praying together on the torpedoed U. S. transport Dorchester.

Wilson's letter to post commanders and chaplains said in part:

"Need for a spiritual reawakening of our people was never more clearly manifest than now, with the world engaged in a struggle between those who believe in God and freedom and those who believe in Godlessness and slavery.

"I urge the chaplain and commander of every American Legion post and the chaplain and president of every auxiliary unit to make every effort to arrange appropriate services in the churches of your communities on the designated date."

CONCORD JR. HOME DEMONSTRATION CLUB

The Concord Jr. Home Demonstration Club held their meeting January 7 at the home of Evelyn Walter.

The meeting was opened with the reading of the club collect and then singing "Jingle Bells."

Mildred Hansen gave the history of the song, "Keep the Home Fires Burning," and then led in the singing of same. Devotions were then given by Marcelle Storer.

The installation of new officers was then held with Doris Yeiser in charge. The new officers are:

President—Lois Strombeck.
Vice-president—Gladys Akey.
Secretary—Ellen Fetters.
Treasurer—Edna Perkins.
Chorister—Mildred Hansen.
Reporter—Florence Miller.

The club voted to give a donation to the March of Dimes.

Roll call was answered by eighteen members.

Secretary's report was given and the meeting was closed by singing the club prayer.

The next meeting will be held on February 4 at the home of Mildred Hansen.

The hostess served delicious refreshments which were enjoyed by everyone.

Telephone Rates Adjusted

Minor adjustments in the rates for telephone calls that cross state lines were filed January 25 by all the Bell Telephone Companies, according to an announcement today by Mr. A. J. May, Commercial Manager of Indiana Associated Telephone Corporation.

In general the rates for some station-to-station calls up to 150 miles would be increased five cents, a few person-to-person calls up to 583 miles by ten cents. Rates for calls from 583 to 2,300 miles would be reduced in amounts of from five to fifteen cents. The adjustment, Mr. May pointed out, does not apply to calls within the boundaries of Indiana.

The joint filing by the Bell Companies followed a proposed change in the method of separating the interstate and intrastate telephone services, unanimously recommended by all the state regulatory agencies.

The new schedule will provide a better balance between the rate charged and the cost of handling the call, Mr. May explained. The new rates are planned to be effective March 1.

Pickles Win 12th, Lose 2nd

St. Joe Pickles independent basketball team weakened in the final quarter last Wednesday evening and lost the final of Klenk's Tourney at Decatur. The score was 69-67 in favor of Capehart-Farnsworth of Fort Wayne.

The locals reversed their usual procedure of finishing strong in the last half and relinquished a first quarter, 18-9, half-time 35-27 and 3rd period 50-47 lead to the Fort Wayne five.

The first half scoring was led by Clark who picked up 12 of his evening's total in the first quarter. Beck added 8 more in the 2nd period before Stauffer got hot and hit for 8 in each of the final quarters. However, Beck and Schroer, two of the team's leading scorers, couldn't beg, borrow or steal a field goal in the last half and that made the difference.

Doehrman was high scorer for Capehart's with 22.

Ned Garver's All-Stars were no match for Pickles Thursday evening at the local gym and the locals won going away, 101-75.

To make an evenly-matched contest, Tom Beck played with the Garver team and led their scoring with 30 points. Lew had 14 and Garver had 13.

Stauffer picked up 5 field goals in the first half for 10 points, 1 in the third period and then a mighty fourth quarter of 8 field goals to give him 30 also for the evening.

Pickles started slow and were behind all during the first period. It ended at 22-17 in favor of the visitors. Broderick led the 2nd period scoring with 9 and the locals pulled ahead 38-33 at the half.

They extended their lead to 62-50 at the three-quarter mark. The fourth and final period gave the fans a good look at scoring "punch" as Pickles unloaded 39 markers through the hoop.

Pickles advanced in the Zollner Piston Invitational Tournament Sunday evening, defeating Hoosier Condensers of Bluffton by the score of 63-46.

Pickles started strong and built a 14-7 quarter lead. They continued to extend their lead to 24-15. Bluffton took advantage of a "cool" spell on the part of the locals to pull up to but a two-point deficit at the half, 27-25.

McCarter picked up 10 points in the next period and Pickles went into a 46-35 lead. They picked up another 18 points in the last period for their 63.

McCarter led the scoring for the winners with 19. Schroer was next with 16. Jackson led the Bluffton five with 36.

Pickles schedule for the next few weeks includes the following:

Thursday, Jan. 31—Markle, at Markle.

Saturday, Feb. 2—Sand Point at Akron, Ind.

Saturday, Feb. 9—Brown Bombers (the famous Globetrotters' second team) at Akron.

Thursday, Feb. 14—Baer Field Flyers, at Fort Wayne North Side (non-tourney prelim to Piston pro game).

Sunday, Feb. 24—Arnold & Burk Club, at North Side (tourney contest!)

Spencerville News

Mr. and Mrs. James Reed and Miss Ida Reed, Mrs. Mable Erick and Mr. and Mrs. Roscoe Walter attended the funeral Saturday afternoon of Mr. Frank Steward of Garrett. Mr. Steward was a brother of Mr. Ernest Steward.

Mr. and Mrs. Robert Bowman of Fort Wayne were Thursday evening dinner guests of Mr. and Mrs. Virgil Kimes and family.

Mr. and Mrs. Walter Kimes and sons of Leo were Sunday afternoon callers with Mr. and Mrs. Harvey Kimes.

Mr. and Mrs. Ronald Miller are the proud parents of a baby girl born Friday at the Community Hospital at Hicksville.

Mr. and Mrs. Frank Rhoades were Sunday dinner guests of their daughter and son-in-law, Mr. and Mrs. Rollie Genth of Ft. Wayne.

Local News

Rev. J. C. McCaslin, former pastor of the M. P. Church at St. Joe, died Janaury 22 at Terre Haute. He was ill for some time with a heart ailment.

Mrs. Avis Staman and Mrs. Agnes Monroe were at Fort Wayne Tuesday to see their brother, Leon, who is ill.

Mr. and Mrs. Vernie Monroe were at Purdue over the weekend attending the commencement exercises at which their son, Bill, graduated in mechanical engineering. Bill has a position in Illinois.

Mr. and Mrs. William Staman were at Sturgis, Mich., last week to see Mr. Staman's sister, Pearl Staman King, who is ill.

Mr. and Mrs. Ted Haberkorn and song spent the week-end in Fort Wayne, attending the Shrine Circus on Sunday afternoon and the Piston-New York basketball game Sunday evening.

A family dinner was held recently at the home of Mr. and Mrs. Ira Hook and son, Vance, in honor of their son, Wayne, who was leaving to join the armed services. Those present were Mr. and Mrs. Wayne L. Hook, Mrs. Anna Boehme and son, Robert, Mr. and Mrs. Don Cook and son, Billy, all of Fort Wayne, Mr. E. A. Forlow of Warren, O., Mrs. Daisy Sherman of Hicksville, Mr. and Mrs. Farrell Evans of Bryan, O., and Sfc. and Mrs. Carroll R. Shanks and children, Sue Ellen and Gary Alan, of Noblesville. Mr. and Mrs. Charles Hilbert of Montpelier, O., sent their regrets.

Wayne Hook's address is: Pvt. Wayne L. Hook US55232953, Co. B 84th TK BN Div. Trains, 3rd Armored Division, Fort Knox, Ky.

Visitors in the Mrs. Eva Shull home Sunday afternoon were Mr. and Mrs. Harold Harter of Fort Wayne, Mrs. Garth Shull and little Micky, and Mr. and Mrs. Russell Gordin of South Charleston, Ohio.

A dinner was held at the home of Mr. and Mrs. Albert Wade Sunday in honor of their son, Edward, who leaves for service in the Marine Corps. February 4. Those present were Mr. and Mrs. Thomas Bell and Mr. and Mrs. Robert Barkman of Fort Wayne, Mrs. Carrie Wade of Garrett, Mr. and Mrs. Orville Funk and baby, Reitha Ann, Mr. and Mrs. Francis Sible and children, Gary, Glenda and Gene, and Mr. Donald Kinsey and Mrs. Elnora Blue. Other guests during the day were Mr. George Wade and Karen of Garrett, Mr. and Mrs. Clifford Billow, Mrs. Doris Yeiser, who took several pictures of the family, and Mr. and Mrs. Black of Leo.

Sunday callers in the Simon Nicholls home were Mr. and Mrs. Ivan Brown and family, Mr. and Mrs. Richard Wasson, Mr. and Mrs. Calvin Hull and family and Mr. and Mrs. Harvey Hull.

Paul Carpenter returned to Indiana Sunday night from Florida and expects to work a short time at his old job of delivering I.H.C. trucks, his wife remaining in Englewood.

Mrs. Parlia Hull entertained the Euchre Club Tuesday evening.

The bases on which the American Legion scholarship medal is being awarded annually to some outstanding graduate of the St. Joe and Spencerville high schools at the commencement exercises were explained to the St. Joe juniors and seniors Monday morning by Commander Clayton Baker and Chairman Harvey Hull. They expect to visit the Spencerville high school also this week. The bases are Honor, Courage, Leadership, Scholastic attainments and Service.

The annual oratorical contest on some phase of our national constitution, also sponsored by the Legion, in which valuable prizes are won by the winners was given a "plug" by Mr. Stackhouse. The local post appreciates such support of projects which are important parts of the student's education. High school applications must be in at Indianapolis by February 4, local winners certified by February 15.

Albert Wade is recovering nicely from the flu.

Mr. and Mrs. Floyd Reasoner and Susie were Sunday guests of Mr. and Mrs. Ray Reasoner.

Mr. and Mrs. Don Bidlack and daughters of Continental, O., spent Sunday afternoon with Mr. and Mrs. J. E. Foltz and Mrs. Lillian Buckingham.

Mr. and Mrs. William Mansfield are the proud parents of a son, Jerry Wayne, born Saturday morning at the Sacred Heart Hospital in Garrett. The baby weighed 8 lbs. 6 ozs. at 10:51 a.m.

Pfc. Harold G. Curie was stationed at a training camp near Seoul, Korea, at the time his last letter was written, January 17. His address is Pfc. Harold G. Curie US55091525, Co. F, 35th Inf. Regt., APO 25, c-o P.M., San Francisco, Calif.

Robert Jarrett spent Sunday with Ernest Barrett near Woodburn.

Mr. and Mrs. Milo Provines of Butler and Mrs. Minnie Gee were Sunday visitors in the Leonard Jarrett home.

Russell Ridgway's address is: Pvt. Russell Ridgway US56332980, Co. B 84th TK Bn. Div. Trains, Fort Knox, Kentucky.

The St. Joe-Spencerville Lions Club met Monday evening at Chaney's Restaurant in Spencerville. The speaker, Rev. Handy of Angola, gave an inspiring talk on "This Is My Land."

Shooters Scatter 3000 Shells

Forty-three shooters toed the mark last Sunday at the St. Joe Valley Conservation Club grounds and nearly three thousand shot gun shells were unloaded before time to call it quits.

The program consisted of 50-targets and several merchandise and practice events.

LAVON FURNISH TO RECEIVE DEGREE

Lavon E. Furnish of Spencerville is included in the tentative list of 732 students at Indiana University eligible to receive their degrees February 10 at the University's mid-year commencement.

The University in announcing the list emphasized that it was tentative, subject to completion of degree requirements during the semester ending February 2. Some of those listed are expected to defer their formal graduation until the June commencement.

The mid-year ceremonies will be held at 1:30 p.m. Sunday, February 10, in the University Auditorium. President Herman B. Wells will confer the degrees, music will be provided by the University Philharmonic Orchestra, University Singers and Auditorium Organ, and the commencement address will be given by Vincent Sheean, foreign correspondent and author.

Mr. Furnish is a candidate for the B.S. degree in business, with a major in marketing.

Tigers Whip Red Raiders, 69-55

St. Joe, with four players scoring in the double figures, won its second victory over the Red Raiders of Spencerville last Wednesday, 69 to 55.

Quarter scores were 18-13, 36-30 and 56-46, all in St. Joe's favor.

Jerry Keener led the winners in scoring with 18 points. Richmond was right behind with 17, Ken Walters with 13 and Don Walters with 10. Hook had 19 for the Raiders. Fry picked up 17.

The game was played at the Butler gym in order to accommodate more spectators.

The prelim went to the Raider seconds, 37-21.

How Much Is A Billion?

An interesting comparison was noted recently on the physical size of "a million dollars"—a sum now regarded as impractical in our government spending needs—and the more poplar national budget figure of "a billion dollars." It's not easy to grasp the meaning of "a billion dollars" without some sort of comparison. There have been several in the past, the following seems to be the latest.

A million dollars in thousand-dollar bills makes a neat stack eight inches high.

A billion dollars in bills of the thousand-dollar variety stack up—110 feet higher than the Washington Monument!

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Luke 7:36-50.
DEVOTIONAL READING: Psalm 32.

Understanding

Lesson for February 3, 1952

PEOPLE are like books. Some can read them, some can't. You can put a thing down in black and white and still some people will not understand, simply because they can't read. If a person is illiterate it makes no difference how plainly a book is printed or how big the type is or how clear the author's sentences. So a person can be read by some of his neighbors, like a book in plain English; to others who are just as close to him (close, that is, measured by a foot-rule) he might as well be written in Egyptian hieroglyphics for anything they can make out of him.

Dr. Foreman

• • •

Strange Dinner Party

TRUE of all men, this was and is true of Jesus. Luke tells of a dinner party where he was a guest, and puts the spotlight on three persons there: Jesus, the host Simon, and an un-named woman.

The woman was not supposed to be there; she just wandered in off the street. Not that she was a stranger, exactly; she was well enough known in the village so that the host knew what sort of woman she was, even if (being a respectable man) he did not know her name.

Like all guests in those days, Jesus had taken off his sandals and was reclining on the couch beside the dinner table. This woman stood behind him and wept. Her tears feel on his bare feet and she wiped them dry with her long hair.

Jesus at first paid no attention, but the host was scandalized. How could Jesus take it so calmly? How could he let such a woman touch him?

The conversation that went on, as Luke reports it, between Jesus and Simon, shows that the poor woman of the street understood Jesus' heart, while the leading citizen, whose house it was, did not understand Jesus at all. One could read Jesus, the other found him a closed book. Why?

• • •

A Door Barred

THE MAN could not read Jesus' mind and heart because, for one thing, his own mind was made up as to the kind of person Jesus ought to be. He supposed Jesus was the same sort of person as himself—proud, sensitive, careful of his social standing, unwilling to associate with the "lower classes," wanting to be respectable much more than he wanted to be helpful.

In his mind he carried a ready-made pattern of what a "Prophet" ought to be, and so when one who was greater than all the prophets sat at his own dinner table, he could not see him for what he was.

His eyes were blinded, he could not read Jesus, the door to understanding him was closed. He had never learned to read the kind of language which Jesus' life wrote large.

Then there was another reason why this man could not "see" Jesus. It was his own pride. Simon looked down on Jesus so much that he could not even treat him with ordinary politeness.

• • •

A Door Open

BUT the woman understood. She did not know all there was to know about Jesus. And still she understood the depth of his heart.

The door of his heart opened to her—she could read the clear writing of his spirit. She understood him because she was humble. She did not try to fit him into her pattern; in his presence she knew, as the host Simon did not, that his was the true pattern of life and hers the false. She understood him too because of her love.

And so in spite of the immense difference between them, there flowed the light of understanding, even before a word had been spoken. She could read the bright word FORGIVENESS which to Simon was only a blank.

• • •

And So Today

TO this very day, some people can read Jesus while others cannot. And in between are uncounted people who can read him only more or less dimly as through glasses that are not clean, or through the smoke of a city twilight.

But it is still true that pride and prejudice not only keep us from reading the lives of those around us, they keep us from reading the mind of Jesus.

And it is still true that humility and love are the great teachers; they show us how to read the lives of those around us every day, and best of all they teach us how to read the word "Forgiveness" in the mind and heart of Jesus . . . which is the heart of God.

Knop-Johnson

Miss Ellen Mae Knop of St. Joe and Verl Leon Johnson of Auburn were united in marriage at 2 p. m. Saturday in a ceremony performed in the Church of Christ at Coburn's Corners. Darris Hamilton, minister of the church, performed the double ring ceremony before the immediate families of the bride and groom and close friends.

Verl Johnson is the son of Mrs. Albert Waite of Auburn. The bride is the daughter of Mr. and Mrs. Arthur Knop of St. Joe.

Mrs. Sue Waggoner, pianist, played selected numbers, "I Love You Truly," "Always," "O Promise Me," "With This Ring I Thee Wed" and "Because."

The church was decorated with ferns, gladioli and snap dragons. The guests were escorted by usher Larry Waggoner of St. Joe.

The bride wore an aqua dress of old fashioned satin with three-quarter length sleeves and black accessories. She was given in marriage by her father.

Miss Shirley Crothers of St. Joe, bridesmaid, wore a dress of deep rose in old fashioned satin.

Jim Knop, brother of the bride, was best man.

A reception was held in the basement following the wedding. Presiding at the punch bowl were the Misses Ada Ruth Gerig, Lois Romine, Doris Longardner of Auburn, Mrs. Geraldine Harter of Fort Wayne, Pat Angel of Spencerville and Joan Curie of St. Joe.

Many beautiful gifts were received by the newly-weds.

After the reception, the couple left on a short wedding trip thru the south.

FEBRUARY 9 DATE FOR BAKE SALE IN ST. JOE; CONTRIBUTIONS WELCOME

The Concord Township P.T.A. will conduct their bake sale on Saturday, February 9. The sale will be held at the News Office.

This project is being undertaken as a means to raise funds for the purchase of musical instruments for the St. Joe school band.

The sale will start at 9 a.m. and anyone wishing to contribute baked goods for the sale should contact Mrs. Robert Coburn or bring the items to the sale on Saturday morning—the 9th of February.

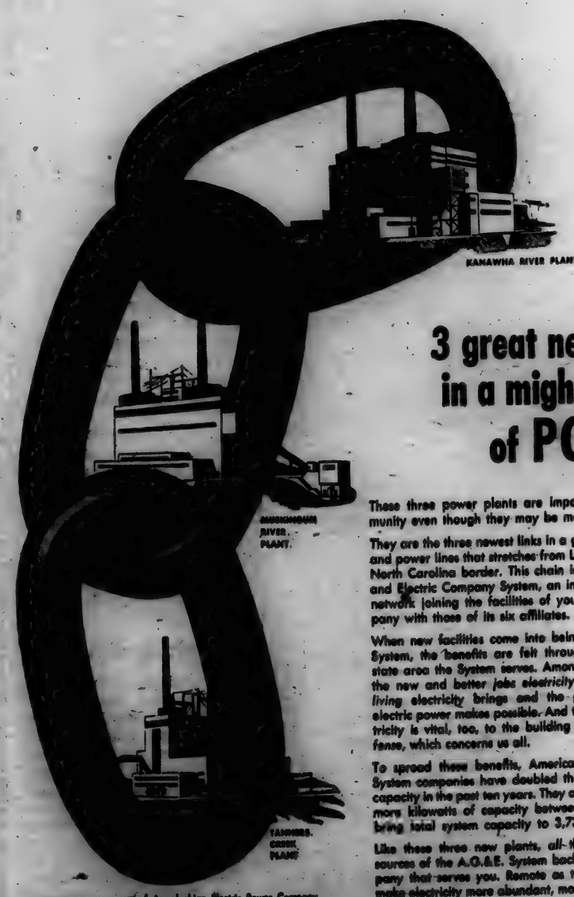
ELZA MOORE, Trustee.



KANAWHA RIVER PLANT of Appalachian Electric Power Company (Glasgow, W. Va.). First 200,000-kilowatt unit now under construction. Another 200,000-kilowatt unit scheduled for completion in February, 1953.

MUSKINGUM RIVER PLANT of The Ohio Power Company (Beverly, Ohio). First 200,000-kilowatt unit now under construction. Another 200,000-kilowatt unit scheduled for completion June, 1953.

TANNERS CREEK PLANT of Indiana & Michigan Electric Company (Lawrenceburg, Ind.). First 150,000-kilowatt unit now in service. Another of same capacity scheduled for operation in September, 1952.

3 great new links in a mighty chain of POWER

These three power plants are important to your community even though they may be many miles away.

They are the three newest links in a great chain of plants and power lines that stretches from Lake Michigan to the North Carolina border. This chain is the American Gas and Electric Company System, an interconnected power network joining the facilities of your local power company with those of its six affiliates.

When new facilities come into being anywhere on this System, the benefits are felt throughout the whole 7-state area the System serves. Among these benefits are the new and better jobs *electricity* creates, the *better living* electricity brings and the *greater productivity* electric power makes possible. And that means that electricity is vital, too, to the building of our *national defense*, which concerns us all.

To spread these benefits, American Gas and Electric System companies have doubled their power-producing capacity in the past ten years. They are adding 1,400,000 more kilowatts of capacity between 1951 and '53, to bring total system capacity to 3,739,000.

Like these three new plants, all the facilities and resources of the A.G.&E. System back up the power company that serves you. Remote as they seem, they help make electricity more abundant, more dependable, more economical, right here.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

NAVY'S RELEASE PROGRAM—In response to an inquiry of mine, the Navy has issued the following statement in regard to its current release program for reservists. Since many reservists on active and inactive duty in the 4th District have requested a clarification of the Navy's policy, I thought the statement should have widespread publicity. The statement follows:

"The Navy's current release program, inaugurated for members of the Naval Reserve, requires a minimum period of active duty of sixteen months, and the maximum period of twenty-four months. In formulating this program, consideration was given to such factors as expiration of enlistments, veteran status, drill-pay status at the time of assignment, length of active duty during current tour and the active service requirements of the Universal Military Training and Service Act.

"Veterans who were not eligible to receive drill-pay and who were placed on active duty during October 1950 and thereafter will be released after they have completed sixteen months' active duty in accordance with the Provisions of Public Law 179, 82nd Congress.

"Veterans who were eligible to receive drill-pay and who were placed on active duty during the period July through September 1950 will be released after they have completed not less than fourteen months nor more than twenty-two months active duty. Such personnel placed on active duty during October 1950 and thereafter will be released after completing twenty-two months active duty.

"Those reserve enlisted personnel who volunteered for active duty and were accordingly assigned between 8 July 1950 and 20 July 1950, inclusive, were released on the date on which they completed twelve months active duty subsequent to 25 June 1950. In addition those reserve enlisted personnel who volunteered for a period of at least six months active duty were released upon completion of twelve months active duty.

"Naval Reservists whose enlistments, as voluntarily or involuntarily extended on or after 28 July 1950, expire prior to their becoming eligible for release under these instructions will be separated on the date of expiration of their enlistments as so extended."

MILITARY NEEDS FILLED—Our defense machinery appears to be in excellent condition and its requirements met. In a statement which will probably escape the notice of most of the nation, Robert D. L'Heureux, counsel of the Joint Committee on Defense Production, said the military has received everything it really needs. Moreover, he challenged any military authority to appear before a Congressional Committee and declare under oath to the contrary.

TRI TOWNSHIP FARM BUREAU

The February 5 meeting of the Tri-Twp. Farm Bureau will be held in the music room of the St. Joe school. The program will be a follows:

Group singing—Onan Laughman.

Devotions—Howard Shilling.

Business meeting.

Outline of Work Done by G. W. Carver—Karl Hart.

Solo—Mr. Lawson.

Discussion: Public and Community Welfare—Clyde Husselman, County Councilman, and Wilbur Kimmel, Welfare Dept.

Reading—Howard Shilling.

Refreshments—Mr. and Mrs. Harold Murphy.

REUBEN ROWE, Trustee.

Here Friday!
THE GREATEST CAR EVER BUILT
IN THE LOW-PRICE FIELD

The big 1952 FORD

Outperforms them all!
Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Outrides them all!
The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

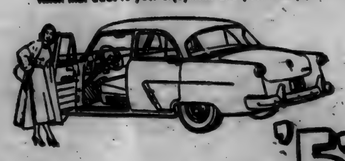
Exclusive Power Pilot Economy!
Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

Outsizes them all!
The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

New Coachcraft Bodies!
Ford's new Coachcraft Bodies are longer, stronger . . . distinctive in their modern beauty. They offer new full-light construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field!

Full-Circle Visibility!
With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-directions" vision that adds to your enjoyment and your safety.

Outvalues them all!
With such modern design and engineering features as new Flight-Style Control Panel, new Power-Pivot Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!



You can't pay more but you can't buy newer or better!

'52 Ford

Fordomatic Drive, Overdrive and Power Steering are optional at extra cost. Power Brakes, power seat and trim are optional at extra cost. Prices start low.

Come in and see it Friday

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

ATOMIC BURNS

MUCH can happen in one second. An atom bomb explodes and within one second the following occurs:

There is a release of energy equivalent to the explosion of 20,000 tons of TNT.

An incandescent ball of fire is created, expanding to about 900 feet in diameter with a brilliance 100 times that of the sun.

Temperatures of 300,000 Centigrade are attained.

Radiations of ultraviolet, infrared and ionizing gamma rays are emitted.

A shock-wave of terrific intensity is produced.

All within one second.

The physical effects of such a bomb blast on the earth beneath and all on the earth beneath is utter holocaust. This is effected in three manners — blast which produces mechanical injury; thermal radiations which produce burns; ionizing radiations which produce radiation sickness. The blast is equivalent to a wind force of 800 miles an hour and causes objects to be thrown against humans and humans to be blown against objects. Radiations burn instantly, traveling with the speed of light. Nuclear radiations from an atom bomb kill about half of those receiving charges, although proper treatment probably could save many lives.

Medical preparedness for an atom bomb attack requires that all have knowledge of the effects of the weapon. Preparedness also necessitates the training of millions of people in first aid and medical rescue.

The threat of atomic disaster demands readiness to handle and to treat rapidly tens of thousands of injury and burn cases and later, thousands of cases of radiation sickness.

COBURNTOWN CHURCH NEWS

The Christian Companions class will meet this Saturday evening at the home of Darris Hamilton.

Sunday evening the young people met for C. E. Meeting in the basement. Group singing was led by Betty Mann. A trip was discussed to be taken this spring. Joyce Baker led the lesson "Christian Endeavor Week," committed to Christ and read scripture text, II Corinthians 5:17 and Ephesians 4:20-32. The group discussed the questions. The Life problem was discussed. When we live in evil, and become Christians, our surroundings and companions change. Lying is for the purpose of deceiving a person. Anger is a dangerous thing for it often leads to murder. Which do you serve, Satan or Christ? Remember, Jesus said "No man can serve two Masters." Stealing is not forbidden for you are breaking one of the Commandments. If you expect your Heavenly Father to forgive you, you must forgive others or others will not forgive you. If we are wholehearted Christians, we must not hold grudges.

Wednesday Darris Hamilton, minister, will attend a rally at the Latonia Christian Church in Covington, Ky. The theme of the rally is to be, "Building the Church and the Bible School."

The regular Bible classes will be held on Friday instead of Thursday.

March 28—Don't forget the date for the great Tri-State Rally at Garrett. Good sermons by outstanding preachers. Good fellowship, good food for the body and good food for the soul.

Feb. 3rd—This Sunday evening is Singspiration Night. Lots of singing, special music, and a good sermon. A large crowd is expected.

AMERICAN LEGION AUXILIARY

The Department Chaplain of the American Legion Auxiliary has sent a message to each unit in Indiana urging the members to promote a "Go to Church" movement. The date the Legion has set is February 3rd. The four parts of the plan are: "Go to Church," "Teach Children Religion," "Reaffirm Your Faith in God" and "Pray for Peace."

The public is invited to attend a Pancake and Sausage Supper sponsored by the Legion Auxiliary at the Legion Home on March 1st. Serving will start at 5:30 p.m.

The date for a Bake Sale has been set for March 22nd at the Burgoyne Hardware Store in Auburn. Harriett Baker is chairman.

RURAL YOUTH

The DeKalb County Rural Youth Club held its regular meeting January 23 in the court house at Auburn. Parents' Night was observed. Hosts for the evening were Richard Coll and Opal Trenary. Devotions were given by Joan Curie. A talent contest was conducted with the following results:

1st—Onalee Knox, Avis Armstrong, Helen Coll.
2nd—Karen Witt.
3rd—Ernest Lesiuk.
4th—Helen and Richard Coll.

Square dancing and refreshments concluded the evening.

The next meeting will be held on February 91.

The St. Joe News

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, February 7, 1952 — NUMBER 6

Around the Town

With the Editor

Pamela Haverstock of Leo has taken the task of scrubbing her dad's back when he enjoys the relaxation of a hot bath. Recently, however, her desire to be of service resulted in a not-too-enjoyable episode.

She noticed one day that Dad couldn't reach every square inch of his back as he rinsed the suds off. So she decided to help—without asking permission. I said before that John likes a hot bath. Well, there was a blood-curdling scream as Pammy silently rinsed his back with a tumbler full of water—from the cold tap!

Speaking of water, the winters are getting wetter all the time—or so it seems. A few more years like the past two and that "lake" between Russell Arnett's place and Bill Staman's should have some pretty nice bluegills.

The school is operating on a revised schedule now and I haven't been sure of the lunch hour for the kids.

Leah Coburn and a girl friend were the first to stop in Monday noon and I asked when their lunch hour started. Leah started to say, "We get off at—" as she glanced at her watch and a look spread over her face which needed no explanation. It said, "Omigosh!" She exclaimed, "We'll be late!"—whereupon they both zipped out the door and down the street.

—I'm still not sure when the school lunch hour starts.

With all the traffic down our street Sunday as visitors called at the Ridgway-Mansfield residence you'd think that Bill and Beverly just had a baby or something.

I can't pass up mentioning one of the most inspirational addresses I've ever heard. It was given by Rev. Rusesll Handy of Angola at the last meeting of the Lions Club. The title—"This Is My Land." As I listened, I had the feeling that I was hearing a second "Gettysburg Address."

Tigers Win 12th, 52-50

St. Joe won a thriller last Friday at the local gym, winning from the Woodburn Warriors, 52-50.

Woodburn jumped to a 15-9 first quarter lead. A "cold" second period resulted in a 19-16 half-time lead, still with Woodburn in front.

Both teams began hitting in the second half and St. Joe took a 34-33 lead at the end of the third period. The Tigers pushed ahead by six points but Woodburn hit their last six shots to make it interesting.

Richmond was high scorer for the locals with 15. Bob DeLong came through in the second half and picked up 12 points after the regulars couldn't hit. Ken Walters also had 12. Adams had 17 for Woodburn and Ely 11.

Woodburn took the prelim, 30-21, from the Tiger seconds.

PTA Bake Sale This Saturday At News Office

A bake sale will be held this Saturday at the News Office in St. Joe.

The sale will be sponsored by the Concord Twp. P. T. A. and proceeds will be used to purchase band instruments.

The sale will start at 9 p.m.

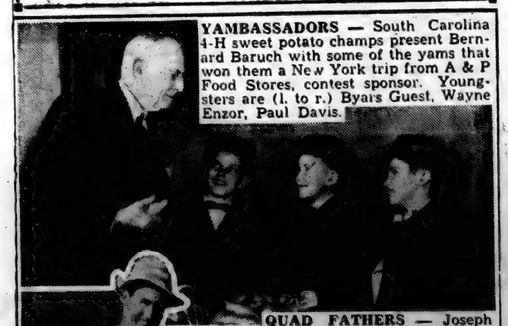
Anyone wishing to contribute baked goods for the sale is asked to bring them to the News Office Saturday morning or contact Mrs. Robert Coburn.

PRACTICE SHOOT SUNDAY

The St. Joe Valley Conservation Club will hold a practice shoot this coming Sunday, February 10, at the club grounds west of St. Joe.

The birds start flying at 1 p.m.

People, Spots In The News



YAMBASSADORS — South Carolina 4-H sweet potato champs present Bernard Baruch with some of the yams that won them a New York trip from A & P Food Stores, contest sponsor. Youngsters are (l. to r.) Byars Guest, Wayne Enzor, Paul Davis.

PRIZE FISHERMAN Ted Williams forgets baseball and his recall into the Marine Corps as he proudly displays a ten-pound 11-ounce bonefish.

QUAD FATHERS — Joseph Graber (left) of Brooklyn and Leonard Ponder of Murfreesboro, Ark., both fathers of quadruplets, form a mutual admiration society as they meet on a recent radio show.

TAX MONEY—President Truman points to where the biggest share of the 1953 Federal tax income—36 cents out of every dollar—is expected to come from. Budget Director F. J. Lawton helps him hold the chart showing where the government plans to get its money and how it plans to spend it.

New Roadside Park For County

The DeKalb County meeting of Indiana Roadside Council, Inc., met at the court house assembly room in Auburn on Monday, January 28.

Mrs. Clyde Husselman, president of the council, called the meeting to order. Mrs. Faye Strow gave devotions.

Mrs. Vere Peters of Garrett had charge of special music. Mrs. Peters presented a sister and brother dance team. Sandra and Johnny Funk of Garrett performed several dance numbers.

Mrs. Clarence Pease, chairman of the safety committee, read the resolutions from her committee which were accepted by the council. The safety chairman and her committee are working to promote better safety for DeKalb County.

Mrs. Lois Smith, beautification chairman, stated that ten people had promised trees for the new roadside park which will be on the east side of State Road 427 between Auburn and Waterloo. The council is desirous that individuals or organizations will donate trees and shrubbery for the planting. The time of the planting will be determined at the March meeting of the council. A blue print of the park was shown. Mrs. Husselman announced that there will be fourteen tables, six grills and a place for a well. The possibility of a name for the park is also in question.

Mrs. Grenivere Olinger spoke briefly on turn pikes and toll roads, saying that states being financially able should build free roads and those not having the money build toll roads. She added that the majority of people would rather travel on a good toll road, than on a poorly built free road.

Mr. Paul spoke on zoning, urging better planning and cooperation and also a planning commission. Mr. Post introduced Mr. Charles T. Miser of Garrett. Mr. Miser is state representative in the state legislature. His talk concerning legislation included: How a bill becomes law; how lobbyists lobby to keep a bill from coming up in legislation; and Indiana Toll Road Commission. A very interesting question and answer period followed.

The next meeting of the organization will be held on Monday evening, March 24, at 7:30 p.m. in the assembly room of the court house. The public is invited.

The April 8 meeting of the State Council of Indiana Roadside Council, Inc., will be held at Pokagon State Park.

JOHN WITT SELECTED AS 4-H TRACTOR PRESIDENT

John Witt of Spencer Township was elected president of the DeKalb 4-H tractor maintenance organization at the first meeting of the club held Monday evening in Auburn.

Other officers elected were Ronald Parker of Smithfield Township, vice-president; Allen Larowe of Grant Township, secretary; and Kenneth Parker of Smithfield Township, news reporter.

More than 50 4-H members enrolled in this project and more than 40 parents, sponsors and club leaders attended the open meeting. Refreshments were served by Mr. and Mrs. Lloyd Burgoyne, Maynard Scheurich and Clifford Carnahan. The next tractor maintenance meeting will be held in Butler in the John Deere Implement Store on Monday evening, February 11.

Because of illness, the club leader, Robert Witt, of Spencer Township, could not be present. The assistant leaders, Carl Dilley of Smithfield Township, Ronald Parker and John Witt, direct the classes until Mr. Witt is able to be back on the job, George Akar, assistant county agent, reported.

Fox Hunt Date Re-set To Saturday

The fox hunt, scheduled for Saturday, February 2, has been re-scheduled for Saturday, February 9. The change was made due to inclement weather.

The Conservation Club invites all hunters to meet at the club grounds west of St. Joe at 9:30 a.m.

There will be plenty of dogs in this chase and guns will be permitted but no rifles.

Local News

The St. Joe Valley Recreation Club will hold election of officers at its meeting Thursday, February 7, at 7 p.m. The club meets at the school house.

Mrs. Calvin Rodacker and Mrs. Merle Neiswender from Hicksville were dinner guests and spent the day last Friday with Mrs. Parlee Snyder, Mrs. Rodacker's sister.

Mr. and Mrs. Ted Haberkorn attended the Zollner Piston-Minneapolis basketball game Thursday.

Dr. and Mrs. C. R. Baumgartner and Mr. and Mrs. Don Burley were Sunday dinner guests of Mr. and Mrs. Ray Means.

Mr. and Mrs. Harvey Hull were visitors of Mr. and Mrs. Frank Shull and baby son, Joseph William, Saturday. Late arrivals were Mr. and Mrs. A. J. Smith and Mrs. June Haller of North Manchester.

Carl Carpenter and Harvey Hull were in Huntington Tuesday after a load of limestone. The Leslie Wilbern family are still residents of Huntington.

The chicken pox is a visitor in Hamburg, Patricia Coburn and now Jimmy Moore being afflicted.

Mr. and Mrs. Ed Hauke of Ft. Wayne were Sunday afternoon visitors of Mr. and Mrs. Ted Haberkorn and family.

Mr. and Mrs. Vernie Monroe and Mr. and Mrs. Glen Cole were at Fort Wayne Sunday calling on Leon Sechler and Mrs. Walter Bowen. Both are recovering from operations.

Mr. and Mrs. Ralph Sechler left Friday for Florida. They expect to vacation in the sunny state a month.

Carl Carpenter and family were at Pioneer, O., Sunday visiting Mrs. Carpenter's mother.

Mr. and Mrs. William Staman, Mr. and Mrs. Vernie Monroe and Mr. and Mrs. Glen Cole were entertained in the Don Burley home Saturday night.

Mr. and Mrs. Ted Haberkorn attended the Piston-New York basketball game Sunday night.

Mr. and Mrs. C. C. Woodcox returned to their home last week. They spent several weeks with their chidlren.

The Ladies Literary Club were entertained in the Walter Ferris home Wednesday evening at Hicksville. Mrs. Ferris is an honorary member.

Ted Haberkorn and Frank Sechler attended the Piston-Milwaukee game Tuesday night.

Merl Guilford is recuperating at the hospital in Auburn after suffering sudden illness a week ago Saturday.

LOYAL WORKERS CLASS

The Loyal Workers Sunday School Class of the Lutheran Church was entertained January 31 at the home of Mr. and Mrs. Frank Rhoads. Mr. and Mrs. Ernest Steward, assisted by Mrs. Lucy Beams had charge of the devotional and program. Mrs. Steward read a selection entitled, "Ruth, a Symbol of Family Loyalty," and conducted a Bible contest. Mr. Steward read, "A Widower's Mite."

The song, "Sweet Hour of Prayer," was sung. For the social hour all enjoyed playing Charade and 20 Questions and Answers.

Mrs. Beams gave a talk on a number of interesting places she had visited on her recent western trip.

A fine carry-in dinner was served and enjoyed by all.

The next meeting will be at the home of Mr. and Mrs. George Beams.

Raiders Drop 2

Eddie Hook swished through 41 points on Wednesday of last week against Salem Center. But it wasn't enough to win. The Cardinals took the high-scoring contest 78-72.

Salem Center led 23-19 at the end of the first quarter and were still in command at half-time, 47-40. Spencerville caught up at the three-quarter mark, 62-all. But the Cardinals got five straight to make it 67-62 and held the lead to the finish.

There was a continuous parade to the foul line. 67 fouls were called, 35 on Salem and 32 on the Raiders. Salem lost four players on fouls and Spencerville two.

Hook got his 41 on 17 buckets and 7 free throws. No other member of the squad got into double figures, however. Dwyer was next high for the Raiders with 7. Noll got 30 and Dirrim 24 for the Cardinals.

Garrett's Railroaders took a rough one from the Spencerville Red Raiders Friday evening at Garrett.

Eddie Hook again led the scoring for Spencerville, getting 25 points before he was put out of the game late in the fourth quarter for roughness. Garrett lost three on fouls and the visitors two. Spencerville blew 16 free throw chances while making 18.

Haas had 12 for the Raiders and Brand and Weimer had 15 and 11 respectively for the Railroaders.

Town Board Meets

The St. Joe Town Board met Tuesday evening at the Town Hall for its February meeting. The meeting was postponed from Monday to Tuesday due to the absence of the chairman.. D. W. Yeiser.

Members Yeiser, Orville Coburn and Frank Akins and clerk-treasurer Willard Hurni were present.

The chief of the volunteer fire department of St. Joe, Roy Bowser, made a suggestion that a different siren or horn be installed on the fire house. It has been impossible on occasion for members to hear the present siren and it is believed that a new means of signaling a fire would assure a sufficient response to fire calls.

The fire department was also given instructions to draw up rules and regulations for its membership for the approval of the board.

The board issued a reminder to firemen that the department meets the third Monday of each month.

Other discussions were held conberning improvements in the street department. One of the possibilities is the paving of the downtown section from the highway to the curb.

Those who attended the meeting in addition to the board members and Chief Bowser were Donald McCann, Lloyd Dunten, Harvey Hull and Maurice Kline.

LADIES LITERARY CLUB

Mrs. Carlos Church was hostess for the Ladies Literary Club on January 30.

The president called the meeting to order and Mrs. C. C. Woodcox read the collect.

Mrs. Lloyd Dunten and Mrs. Henry Lung gave the lesson on "First Ladies."

Mrs. Dunten gave the history and many highlights of the life of Martha Washington. Mrs. Lung reported on Dolly Madison. She spoke of the personal and intimate life of Mrs. Madison and her relationship to and influence on her husband.

Entertainment chairman Mrs. Charles Krise conducted several games and contests.

The minutes were read and approved. Twenty-one members responded to roll call.

Mrs. C. C. Woodcox was appointed to act as historian for the club.

The meeting place for February 13 was changed. Mrs. Walter Ferris of Hicksville will act as hostess.

P. T. A. PLANS MEETING FOR ORGANIZATION OF MINSTREL SHOW

The Concord Twp. P. T. A. has announced a meeting for Monday, February 18, at which time plans for a community minstrel show will be announced.

Several people in the community have already been contacted and have indicated willingness to participate. Anyone interested in helping to present this minstrel show is welcome to attend this organizational meeting on Monday, February 18. The meeting will start at 7:30 p.m. at the school house in St. Joe.

Proceeds from the proposed program will be used for the purchase of instruments for the school band.

THE AMERICAN WAY

But Not The Right To Destroy

Lincoln - Man Of Principle

Next Tuesday we observe the birth day of Abraham Lincoln.

At the mention of his name, the connecting thought "freeing the slaves" pops into mind almost immediately. We today cannot appreciate fully the struggle and hardships which must have gone along with his "granting freedom to an enslaved people.

We are taught that all men are created free and equal—having equal rights to gain whatever they can by their own honest efforts. We are taught, yes. . . but do we practice. . . oftentimes no.

In Lincoln's time he faced opposition to the idea of freedom for the Negro. He was opposed by those who saw personal gain in the enslavement of that race. And he probably was unpopular with some of the recipients of freedom themselves. They had existed for so long in slavery—being told what to do and where to sleep, being given clothes to wear and food to eat—that they didn't know how to live in freedom. Their freedom meant hardship, in the beginning, at least.

Lincoln must have been aware of the difficulties and problems that would follow the Emancipation Proclamation. He must have realized that there was bitter opposition in many minds to his considerations and that there was, as always, an easy way out. Lincoln didn't take the easy way. His was a perfect example of adhering to principle.

From the story of his life we must conclude that Lincoln was a conscientious man. He gave more than just lip-service to the teachings of the Good Book. The oath of office which he took as president was just that to him—an oath to his fellowmen, his nation and his God to conduct the affairs of the nation according to Christian principles upon which our Constitution is based, including the blessing of freedom which the Almighty gave to every man.

It wasn't easy to follow those principles in Lincoln's time—but he did. It is equally as difficult for us today to follow those principles—and we aren't. If we were, the meetings of the United Nations, for example, would open with a prayer for Divine Guidance. . . . a seemingly unimportant item to single out in the complexities of today's living—but still, a matter of principle.

Lincoln needed courage to face his problems. We today need the same. Our observance of his birth day is testimony to his strength. But it is still to be determined whether we can place our names with his as courageous believers in Christian principles.

Words Of Experience

You cannot bring about prosperity by discouraging thrift.

You cannot strengthen the weak by weakening the strong.

You cannot help the wage earner by pulling down the wage payer.

You cannot further the brotherhood of man by encouraging class hatred.

You cannot help the poor by destroying the rich.

You cannot establish sound security on borrowed money.

You cannot keep out of trouble by spending more than you earn.

You cannot build character and courage by taking away man's initiative and independence.

You cannot help men permanently by doing for them what they could and should do for themselves.

—Abraham Lincoln

Two Rich Men

Lesson for February 10, 1952

EVERYBODY knows that Jesus took an interest in the poor. But there is another side of the picture: Jesus took just as keen an interest in the rich. Some of his most famous and penetrating sayings were spoken in conversations with wealthy men. The truth is, Jesus was interested in people, as people. Whether they were rich or poor was, for him, a side issue. And still he knew that a man with money has both temptations to evil and opportunities for good that the poor man never has.

Dr. Foreman

• • •

Two Rich Men

JESUS met two men of means who were quite different from each other.

One, who remains nameless, had much to recommend him. He was rich, but perhaps that was the last thing people thought about when they saw him. He was young and vigorous; when he came to Jesus for an interview he did not walk, he ran. He was a man of executive ability, for the story calls him a "ruler." He was good, at least he claimed to have kept all the Ten Commandments, and Jesus did not contradict him.

Furthermore, he was eager in the right direction. His principal ambition was not to have more money but to have eternal life. On top of all this, Jesus loved him. You would certainly think that a man like that couldn't miss. But he did.

On the other hand was the man Zacchaeus. Being a publican, and rich, it is perfectly obvious that he couldn't have been either honest or generous, for it was only the greedy and the dishonest in those days who could amass fortunes by collecting taxes. He was no doubt middle-aged, for it took time to rise to the top in the publican game. As for eagerness for spiritual things, he seems not to have felt a bit of it.

We may guess that Jesus was not the only one who loved the rich young ruler; but if Jesus loved Zacchaeus, and he must have, he was perhaps the only person then in Jericho who did. No community loves a man who bleeds it white. Yet, strange as it seems, it is this rich man, this bad rich man, who comes out in the end with a higher rating than the "good" rich man.

• • •

Money the Master

THE last thing we see of the good rich man is his turning his back on Goodness. He had a chance to follow Christ—the same chance that Peter and Matthew had, the same command, Follow Me!

What great service Christ had in mind for him we shall never know. All we know is that he made the great refusal. Perhaps he thought better of it and came back later on; but it is not likely. The last we see of him is his back, as he "went away sorrowful."

Jesus never said of him what he said of Zacchaeus. Salvation never came to his house. He never inherited the eternal life he wanted. When it came right down to a choice: money, or eternal life, he chose money. He was willing to be a Christian, but not a sacrificing Christian. He only wanted to be an inheriting Christian. He thought of himself (no doubt) as master of his money; instead, money was his master. His money talked so loud he could not hear well what Jesus said. His money talked so fast that it made what Jesus demanded sound like nonsense.

• • •

Money the Servant

JESUS did not ask all his followers to get rid of every penny they possessed. Zacchaeus, for instance, did not renounce all he had. What he did was to give back all that did not belong to him, and give away a good deal that did. Jesus did not ask this man to do more.

A doctor does not always prescribe the same operation for every one. For some men, an appendix is a source of danger and must be removed at once, for others, an appendix may safely and most wisely be left where it is.

Jesus could see that the younger man was at the point where money was about to be his master; so indeed it was for the older man. But the first could not shake off the tyranny of his wealth, his own wealth; the other man could.

For the servant of Christ, money is not in itself a sin. It is a root of sin when its voice is louder than the voice of the Master. It is the means of sin when it stops the ears to a cry of need. No one can call himself a Christian when he refuses his money in the service of Christ.

Watch this car change the industry

—the ablest car on the American road

Here's the car of the year . . . the car that's designed to out-go, out-look, out-ride, out-value and out-last every other low-priced car—bar none! There are many, many reasons why this built-for-keeps car will do more things for more people at lower cost. But you'll see what we mean when you see and "Test Drive" the '52 Ford for yourself!

Fordomatic Drive, Overdrive and white sidewall tires if available, optional at extra cost. Equipment, accessories and trim subject to change without notice.

"Meet the widest range of automatic needs"

F.D.A.F.

Come in and "Test Drive" it at your Ford Dealer's '52 FORD

SCHWARTZ AUTO COMPANY

Grabill, Indiana Phone 2773

"I know that if everyone knew the facts about electric cooking, everyone would have an electric range. Electric cooking is so much faster, cleaner, cooler, and...well...there are no other methods that can compare with it.

CHEAPEST WAY TO COOK

"I have compared my electric bills with friends who use other fuels and I often find their bill will be higher than mine. I'm positive electricity is the cheapest thing I can buy.

SAVES FOOD, TIME, WORK

"With my electric range it is not necessary for me to cook my food as long, and I find that I have less shrinkage. The automatic timer gives me extra time to relax and visit friends. Electric cooking is so clean and this makes my housework faster and easier."

Mrs. Margaret Hosimer

What's new to learn when you switch to Electric Cooking?

Not a thing . . . except for learning how much better in every way a really modern method can be. Try it!

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

AID TO SMALL BUSINESS—I have received word from the Navy's Bureau of Ordnance that they have opened three information centers in Indiana to help small business firms seeking defense contracts.

One of the offices is located at 3802 S. Calhoun, Fort Wayne, and is known as the Office of the Inspector of Naval Material. It will serve as an information center in connection with all Bureau of Ordnance advertised bids for $50,000 and over. This office will have one complete set of drawings and specifications for each Bureau of Ordnance invitation. This data may be studied by any company in the state who is interested in bidding. A sample of each invitation will also be available for study at the Fort Wayne office.

The other offices are at Indianapolis and Crane. The U.S. Naval Ordnance Plant at Indianapolis will supply information to companies interested in obtaining Bureau of Ordnance prime contract or subcontract work. The individual designated as a point of contact for small business at this activity is Mr. L. W. Stafford.

The U.S. Naval Ammunition Depot, Crane, will also supply information to companies interested in obtaining Bureau of Ordnance prime contract or subcontract work. The individual designated as a point of contact for small business at this activity is Lt. E. L. Tucker.

QUOTE OF THE WEEK—The following quotation came to my desk this week. It bears consideration. "During the past two decades the United States has moved in the direction of Communism through government control over saving, production, wages, hours and prices. We must act promptly or before we know it our savings will be gone and we shall be reduced to the level of the government-dominated countries of the old world."

WHO'S WINNING THE WAR—According to a report issued by the Defense Department at the end of the year, the United Nations lost more than 583 planes in enemy action in Korea against the destruction of about 308 Communist war planes. The figures for both the allied and communist losses don't include planes wrecked in non-combat accidents.

FARMERS REJECT CONTROLS—Farmers in a seven-state area rejected production controls and price supports for tobacco. A poll conducted by the Department of Agriculture failed to receive the necessary two-thirds majority in Ohio, Massachusetts, Connecticut, New York, Pennsylvania, Wisconsin and Minnesota. Production controls were in effect in all these states on this year's crop.

CULTURE CLUB

Mrs. Roy Bowser, with Mrs. Leslie Meek as co-hostess, entertained the Culture Club Wednesday evening, January 30.

Twenty-three members answered roll call. Devotions were given by Mrs. Edna Jenkins. The lesson on Literature-Adult was led by Mrs. Joseph Baidinger.

Critic's report was given by Mrs. James Tatlock. Mrs. April Davis gave two piano selections which were appreciated by all.

Mrs. Arthur Culbertson, a former member, was a guest for the evening.

A tasty lunch was served by the hostess and co-hostess to those present.

Spencerville News

A new address: Pfc. James S. Webb 1243336, N. Co., 3rd Bn. 2nd Inf. Trng. Regt. Plt. 1, T and R Comp., Camp Joseph H. Pendleton, Oceanside, Calif.

Mrs. Henry Markle entertained with Sunday dinner honoring the birthday of Mrs. Ralla Markle, Mrs. John Weidner, Henry Markle, Jr., and Donnie Lee Moore. Those present were Mr. and Mrs. Clair Timberlin and family and Mr. Paul Weidner of Auburn, Mr. and Mrs. Glenn Moore and family, Mr. and Mrs. John Weidner, Mr. and Mrs. Max Markle and son, Mr. and Mrs. Wayne Smith and family, Miss Gaylon Markle, Mrs. Ralla Markle, Marjorie and Cheri Longbrake and Mrs. Mabel Sprott, all of Spencerville, and Mr. Henry Markle of Fort Wayne.

On Tuesday evening, January 29, a very pleasant evening was spent at the home of Mr. and Mrs. Clarence Ransom in honor of both their birthdays and also a twin sister of Mrs. Ransom, Mrs. Jonas Gerig of Fort Wayne. It was the 75th birthday of the twins and 79th for Mr. Ransom. Those present were Mr. and Mrs. Jonas Gerig and Mr. and Mrs. Jason Gerig and daughter, Sue Ellen, of Fort Wayne, Mrs. Ruth Weiderkher of Lima, O., Miss Naomi Weiderkher of the Bible School of Ft. Wayne, Rev. and Mrs. Gerith Weiderkher and daughter, Carol, of Hollywood Addition, Mr. and Mrs. Clarence Rediger, Mr. and Mrs. Wayne Storer and family, Mr. and Mrs. Gaylord Rediger and family and Mr. and Mrs. Gerald Rediger and family. Refreshments of homemade ice cream, cake, pie and coffee were served.

Born to Mr. and Mrs. Blaine Kimes Saturday at 6 p.m., a son at the Lutheran Hospital. The baby has been named Gregory Lee.

Rev. E. J. Gilford's father is a patient at the Lutheran Hospital in Fort Wayne since Monday. He underwent minor surgery Tuesday and is recovering satisfactorily.

M. H. Hollabaugh has been on the sick list since Friday. He is reported to be some better.

Miss Joyce Baker and Mr. Clarence Foland of Fort Wayne were married Sunday afternoon at the Coburntown Church.

James A. Haas, son of Mr. and Mrs. Floyd R. Handy of Butler, a member of the Defiance College Choir, will accompany that group when it tours the Eastern states beginning February 6. A graduate of Butler High School, Jim is now in his freshman year at the Ohio college. He is highly regarded by his classmates and is president of the freshman class of Defiance. He worked at the Spencerville Elevator before entering college.

SAFETY MEETING SCHEDULED FOR CONSERVATION CLUB

The next meeting of the St. Joe Valley Conservation Club will feature a special safety picture and lecture by the Indiana State Police stationed at the Ligonier barracks.

These pictures are very interesting and the entire community is invited to attend.

The meeting will be held in the K. of P. hall Thursday, February 14, at 7:30 p.m.

One ride and You'll say:

"That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.

A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the frame—to cushion body and engine—and to silk out the whole operation with Dynaflow Drive.*

You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

Sure is true for '52
When better automobiles are built
BUICK
will build them

COBURNTOWN CHURCH NEWS

Next Sunday, February 10, the Stroyer Family will present special music at the Sunday evening service starting at 7:30. The family sings over radio station WANE every Sunday morning at 8:30.

The Home Builders Class will meet at the home of Mr. and Mrs. Henry Hart next Saturday evening, February 9.

The C. E. group held its regular meeting in the church basement. Group singing was led by Miss Shirley Crothers. The lesson, "United in Christ," and scripture text was given by Miss Sharon Burkhead. The questions were discussed by the group. Sentence prayers were given.

After church the young people surprised Sonny Hook at his home. He leaves for service soon. Games and refreshments were enjoyed by all.

The regular Bible Study classes will meet on Thursday morning and evening.

Singspiration Service was enjoyed by all. Becky Fredricks and Kleota Hart sang a duet. Karen Witt sang a solo. Darlene Hamilton also sang a solo and Mr. and Mrs. Darris Hamilton sang a duet. The boys in junior Bible school sang a special number. The message was "Three C's of Christianity."

The Christian Companions class met in the home of Mr. and Mrs. Darris Hamilton on Saturday evening, February 2. There were 39 in attendance counting the children and guests. The class was glad to welcome back Mr. and Mrs. Harold Kagey and daughter, who had been in Florida since the middle of December. According to Harold's account of the fish he caught, the water level of the Gulf of Mexico must be about one foot lower than before his arrival there.

Report from Lyon

by Margie Appleman

In a few days Lyon is going to have a festival (fete) which is unique in the world"- (Dec. 8th) On that night everyone in town puts a candle in every window and all the public buildings- the town hall- and the cathedral and everything- are spotlighted. Their slogan is "Lyonais Illuminez"- Light up, people of Lyon!- It all started hundreds of years ago when Lyon was beset by a plague- Everyone prayed to a particular Saint (don't remember which one) to save the town- and they were saved- and ever since they-'ve expressed thanks on that day by lighting the candles. Lyon is lined with lights- and the hills night- along the river- which is already beautiful to look at 'at in the distance all around- with the houses all lighted- (electric lights, of course, usually). It certainly has a pretty setting.

We walked past Place (Square) Bellecour today (Dec. 17) where they usually have a flower market- There were still quite a few flowers- but also a lot of Christmas trees- all sizes from big beautiful ones down to cute baby ones- There were also pails and pails full of branches of real holly- (like ours) - with bright red berries- and pails of some of the prettiest mistletoe I ever saw- not just tiny bunches- but big branches of it, too- with big bright leaves and big waxey white berries.

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, February 14, 1952 — NUMBER 7

Around the Town

With the Editor

I hope no one came into town Saturday evening at "9 p.m." to buy something at the bake sale at the News Office.

That's another of those typographical errors again. Last week's paper said the sale was to begin at 9 p.m. instead of 9 "a."m.

There's a story behind that "bicycle for sale" ad in this week's ad column on the back page. Not long ago Barbara Ridgway decided bicycle riding would take off some excess poundage which she wanted to be rid of. She and Bob purchased a bicycle from Bill Hurni who I believe advertised it last summer. Barbara said Friday that she made about five trips on the bike out to see hubby at the railroad tower west of town. The rides wore her out, so she's decided to sell the bike—and remain pleasingly plump.

Hey, you basketball fans around here who follow the Pistons on the radio but haven't seen a game this year—take note. We've got (Frank Sechler and me) a hundred tickets for Sunday, February 24. Pickles play the prelim that night in the invitational tourney. And in addition, the Minneapolis Lakers with "Large Garge" Mikan will be in town to face the Pistons. Last year we had over 120 fans turn out for one of those special nights (for local folks) and we'd like to try the same thing this year. I know Ed Storer hasn't seen Big George so he ought to be good for a sale.

—How about you??

PICKLES IN STATE A. A. U. TOURNEY MONDAY NIGHT

Pickles have entered the state A.A.U. tournament and will play their first game on Monday night, February 18, against Muncie I. & M. The game starts at 9 p.m. and will be played at Union Center gym, 3 miles this side of Markle and 4 miles west.

Should the locals win Monday night, they will play again on Wednesday at 9 p.m. at the Union Center gym.

This set of games will be the sectional of the state A. A. U. tournament.

Sen. Capehart To Speak At Lincoln Dinner

GOP County Chairman Gene Browand of Auburn has announced that preparations are complete for the big Republican Lincoln Day dinner Tuesday night, Feb. 19, in Auburn.

Republican Senator Homer E. Capehart of Indiana will be principal speaker at the annual banquet. Sen. Capehart has appeared previously in Auburn and DeKalb County.

The banquet will be held at the Auburn Chamber of Commerce Building in the basement. The dinner is scheduled to start at 6:30 p.m.

With primary and general elections set for this year, several Republicans are expected to announce their candidacies for county offices at the banquet.

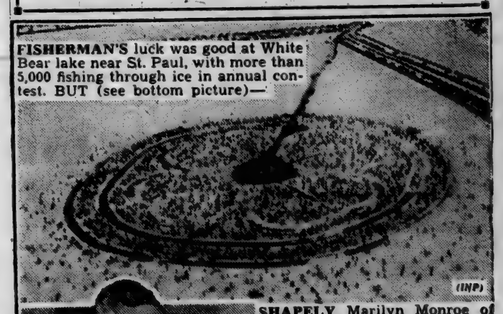
According to Mr. Browand, Sen. Capehart will be introduced by H. Clark Springer of Butler, former state GOP chairman.

Hugh G. Sanders will preside as toastmaster and Grace Phelps is directing ticket sales.

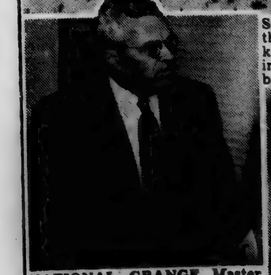
Tickets for the dinner may be obtained in St. Joe at the News Office.

Mrs. Ethel Miner of Auburn is chairman of the committee on decorations and entertainment. She will be assisted by Nellie DeLong, Ada Farrington of near Corunna, Janice Bowser of Spencerville, Hazel Francis of Garrett, George Speer of Waterloo, L. E. Freeman of east of Auburn and Marlin Yoder and Frances Smith of Auburn.

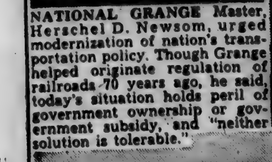
People, Spots In The News



FISHERMAN'S luck was good at White Bear lake near St. Paul, with more than 5,000 fishing through ice in annual contest. BUT (see bottom picture)— (INP)

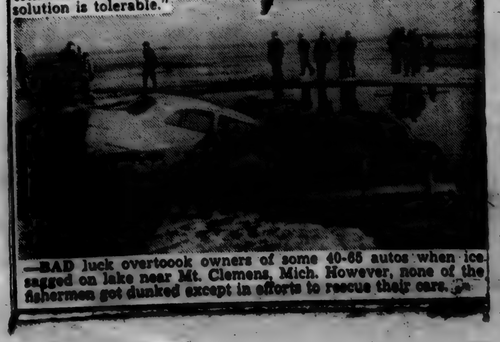


SHAPELY Marilyn Monroe of the films shows off a new wrinkle or two (not many, at that) in bathing attire on Hollywood beach.



(UP-Acme)

NATIONAL GRANGE Master, Herschel D. Newsom, urged modernization of nation's transportation policy. Though Grange helped originate regulation of railroads 70 years ago, he said, today's situation holds peril of government ownership or government subsidy, and "neither solution is tolerable."



—BAD luck overtoook owners of some 40-65 autos when ice sagged on lake near Mt. Clemens, Mich. However, none of the fishermen got dunked except in efforts to rescue their cars. (INP)

Recreation Club Elects Officers

The St. Joe Valley Recreation Club, Inc,. held its February meeting last Thursday at the School house.

Election of officers was held with vice-president Derwood Ridgway in charge in the absence of the president, Ted Haberkorn. The nominating committee, Von Tharp, Walter Morr and Jim Tatlock, presented its recommendations for officers for the coming year and the election results are as follows:

President—Frank Sechler.

Vice-president—Derwood Ridgway.

Secretary—Ted Haberkorn.

Treasurer—Lloyd Dunten.

Board of directors—Ralph Sechler (chairman), Bill Sible, Walter Morr, William Beebe and Don Keller.

Heart Campaign In Progress In County

The DeKalb County Federation of Clubs is again sponsoring the annual Heart Fund drive through the month of February.

Mrs. John Brown of Auburn is chairman of the drive and community chairmen are as follows: Mrs. Ethel Miner, Auburn; Mrs. Myrtle Swank, Ashley; Mrs. Calvin Lessing, St. Joe; and Mrs. Max Riggins, Waterloo.

Plastic hearts have been distributed in business firms to collect public contributions. In addition, contributions may be sent to Mrs. Brown or to any member of the federated clubs.

Increasing attention has been focused in recent years on the number of deaths due to diseases of the heart and circulation. The American Heart Association quotes the national office of vital statistics as attributing 745,440 deaths to these causes during 1950, latest year available for complete data. Yet the association warns against the sort of fear that is likely to follow such a recital without explanation.

Medical authorities agree that the increasing total of deaths from this cause, paradoxically enough, are due to advances of science. Diseases that formerly were fatal are now under control. Infant mortality has been cut drastically. Protection from and cure of many infections and contagious diseases has become general. Thus, diseases of later life find a proportionately larger group of persons to attack.

CULTURE CLUB

The ladies of the Culture Club entertained the Literary Club ladies as their club guests February 6 at 8 p.m. at the St. Joe Lutheran Church.

The meeting was called to order by the Culture Club president, Mrs. Lester Anthony, with words of welcome to the Literary Club ladies. Collect was read in unison. Devotions were given by Mrs. Virgil Laux, reading from the Bible Romans 4:20, stressing the value of Christian faith when fear threatens.

The lesson for the evening on music was led by Mrs. Roy Bowser and an interesting discussion followed.

Special work for the evening was presented by Mrs. Lynn Fisher, giving a book review entitled, "Dance To the Piper," by Agnes DeMille. This was much enjoyed by all.

Roll call was taken followed by the secretary's report.

Program for the February 27 meeting was read after which Mrs. Maurice Kline, president of the Literary Club, expressed the thanks "of all" club ladies for an enjoyable evening.

Motion for adjournement was made by Mrs. Virgil Laux, seconded by Mrs. Edna Jenkins.

The ladies then went into the church basement where a lunch served buffet style was enjoyed. Lemon fluff, heart shaped cookies, snaxs, mints, nuts and coffee were served. The tables were gaily decorated in keeping with a Valentine's Day theme.

Tigers Drop Scott Center In Thriller 58-57

St. Joe won a thriller from Scott Center Wednesday night at the local gym, 58-57, in a rough poorly referee'd contest.

Scott Center held a 10-point lead at 52-42 in the final period before the Tigers began to move and pulled up to the visitors, with the help of Jerry Keener's aggressiveness. Ken Walters sank the winning free throw with seconds to go and St. Joe kept possesion until the final horn.

Tigers Take Pleasant Lake, 60-54

St. Joe defeated Pleasant Lake Friday night away from home for their 13th win. The score was 60 to 54.

The Tigers won the game at the free throw lane, canning 22 of 28 chances. They were outscored from the field by the Lakers, 22 to 19.

The Tigers led 18-17 at the first quarter on a bucket just before the horn. At half-time they led 31-28 and 48-42 at the three-quarter mark.

Larry Penick of the Lakers led scoring with 30 points. Don Walters had 16, Ken Walters 14 and Richmond 13 for the locals.

Pleasant Lake won the prelim from the Tiger seconds, 37-25.

Pickles Win 2 Of 3

Sechler's Pickles dropped a 61-60 thriller to their arch-rivals from Markle at the Markle gym on Thursday, January 31.

Then after a nine-day rest they traveled to Akron, Ind., to meet the Chicago Brown Bombers, the famous Globetrotters' second team. However, the results were more encouraging as the locals downed the pros, 61 to 59.

The first period ended at 16-all before Pickles went ahead, 34 to 28 at the half.

The Bombers pulled up to 48-45 at the third rest period. The final period was a low-scoring affair but the locals managed to stay on top.

Beck had 16, Stauffer 13 and Schroer 10 to lead Pickles scoring. Washington had 20, Dee 17 and Hairston 12 for the Chicago team.

On Tuesday evening this week Pickles took a long 200-mile round trip to Kewanna, Ind., to donate their services in a benefit game. It was worth the effort as the boys racked up their second 100-point total of the season, this time over the Kewanna five.

With Beck, Schroer and Campbell setting a torrid pace, the locals ran up a 34-20 first period lead. They cooled slightly in the second stanza and Kewanna pulled up within 11 points at the half, 52-41. Beck, Schroer and, this time, McCarter led the scoring in the third period to pull away at 82-61. Pickles held the Kewanna five down defensivsly in the final period and pulled away to a commanding final of 101-75.

Beck wound up with 34, Schroer 17, McCarter 15, Stauffer 12, Clark 10, Campbell 10, Broderick 9 and Cherry 4 for a well-balanced attack. Gelbaugh and Kanouse had 18 for the losers.

Pickles play Thursday, February 14, at North Side gym in Fort Wayne. The game will be against Beer Field and will be a prelim to the Piston-Boston game.

Raiders Lose 2

Spencerville dropped a pair over the week-end, losing to Hicksville Friday evening at Hicksville 82-34 and another to Harlan at the New Haven gym Saturday, 63-46.

The towering Hicksville Aces were led by Bud Neidhart who hit the nets for 37 points. The Aces controlled the boards through the game and held 22-12, 41-23 and 60-27 leads at the quarters.

Hicksville also won the first game of the evening, 35-16.

Totals	37	8	82	Totals	10	14	34

Spencerville rallied against the Harlan Hawks Saturday evening at New Haven but it fell short of its mark.

Harlan led 33-20 at the half before the Raiders pulled within 5 points of the Hawks with about two minutes to go. The Hawks pulled ahead, however, and held their lead to the finish.

Harlan smothered the Raiders in the prelim, 37-11.

Lester Anthony Wins Farm Award

Over 150 farmers, their wives and interested persons attended the annual DeKalb County Soil Conservation District Meeting which was held Thursday night in the basement of the Methodist Church in Auburn.

Dan West of Goshen, a native of Ohio and a man who has been prominent all of his life in farm work, was the principal speaker.

Mr. West spone on a varied theme, telling of the agricultural problems in the world and proposed solutions. The speaker was one of the officials who helped to initiate the program which sent heifers to European countries in an effort to develop agriculture in the war torn lands.

Milfred Richman, the Noble County farm planner, spoke on "Lime Materials."

Master farmer awards were presented to Lester Anthony of St. Joe, Lloyd Mertz of Fairfield Township and John Walter of near Auburn.

Walter Richter of Ashley was re-elected to a three-year term on the board of supervisors of the SCS. The other board members are Stanley Means of St. Joe, Russell Housel of Butler Center, Lewis Ault of Butler and Chester Shultz of Waterloo.

The "After-Glo Four" quartet of Auburn furnished the musical entertainment at the dinner.

Thomas Mertens In College 'Who's Who'

Thomas Mertens of St. Joe has been selected as one of thirty seniors to represent Ball State Teachers College in the 1952 edition of "Who's Who In American Colleges and Universities." The seniors chosen were ranked in the upper division of their class in leadership, character, participation in extra-curricular activities, campus leadership, social abilities and contribution to student life on campus.

Mr. Mertens is president of Kappa Delta Pi, national education honorary, and the Biology Club. He is a member of Sigma Zeta, national honorary science and mathematics fraternity.

Minstrel Show Meeting Monday

Mrs. Robert Coburn and Mrs. Francis Sible have extended an invitation to the community to attend a meeting Monday evening, February 18, for the purpose of organizing and planning a minstrel show.

Representing the Concord Twp. P.T.A. organization, the ladies have contacted several willing persons in this area to help and will meet on Monday at 7:30 to make further plans. The purpose of this activity is to raise funds for the purchase of band instruments for the local school band.

The P.T.A. has made the band their project for this year and thus far has made great strides in furthering the success of the new school band. Interest in the band is at a high ebb and the efforts of the parent-teacher organization have made possible the purchase of three band instruments thus far.

Anyone interested in participating in the minstrel show is asked to attend the meeting Monday evening at the school house.

SKATING PARTY MARCH 3

There will be a skating party on Monday, March 3, the recreation club has announced. This is the second community party to be sponsored by the club, following the first very enjoyable and successful one.

The party will be held at the Silvermoon Skating Rink on route 27 south of Waterloo. Time of the party is 8:00 to 10:30 p.m.

Tickets will be available at Dunten's Market and Walter's Trading Post in St. Joe and Chaney's Restaurant in Spencerville.

Plans include the service of a bus to transport those who have no means of getting to the rink.

SERVICES CONDUCTED FOR MARY JANE BISHOP

Services were conducted Feb. 2 at the Walter Funeral Home for Mary Jane Bishop, 81, who was found dead in the bedroom of her home northwest of St. Joe Thursday, March 31. The Rev. Harry D. Angel, pastor of the Rehobeth Church, of which Miss Bishop was a member, officiated at the services. Burial was in the mausoleum in Woodlawn Cemetery at Auburn.

The elderly spinster is believed to have died nearly 24 hours before her body was found on the floor of her bedroom about 2 p.m. Thursday by her niece, Mrs. Cora Conkle, of Ft. Wayne.

Dr. C. B. Hathaway, DeKalb County Coroner, said death was due to natural causes, probably resulting from a stroke of paralysis. He said Miss Bishop apparently lived for a short time after she collapsed in the room. She had picked up her mail sometime Wednesday but Thursday's mail was still in the box when her niece arrived.

Miss Bishop resided alone at her farm residence two and a half miles southeast of Jackson Center. She had lived alone for 25 years since the death of her mother.

Surviving besides the niece in Fort Wayne are two nieces in Auburn, Mrs. Ruth Cougill and Mrs. Inez Wallace; and a first cousin, Sol Bishop, also of Auburn. Miss Bishop was the daughter of the late Willis and Elizabeth Bishop.

Marmalade Glaze Coffee Cake

It's simplicity itself, yet this quick coffee cake topped with shimmering orange marmalade makes a dashing entry on your breakfast or tea time table.

For economy and enjoyment, headline coffee cakes and other good breads in your menu planning. They are wonderfully easy to serve, especially when you buy them ready-made from your baker, who offers a tempting assortment daily.

Or, there are many kinds of breads that you can make quickly at home—including rolls, coffee cakes, loaf breads, and biscuit and muffin specialties. Marmalade Glaze Coffee Cake is in this class, and it makes a colorful addition to the menu for under 40 cents.

Spoon your favorite marmalade into a greased 8-inch square pan for the pleasantly tart topping. Prepare a quick coffee cake batter and pour over marmalade. Serve hot as it comes from the oven, along with cereal and milk topped with sliced bananas for a good breakfast.

Since Marmalade Glaze Coffee Cake is made from enriched flour, milk and egg, you can be sure your family is getting valuable vitamins, proteins and iron in one package.

MARMALADE GLAZE COFFEE CAKE

2 tablespoons melted butter or margarine
½ cup orange marmalade
1½ cups sifted enriched flour
2 teaspoons baking powder
½ teaspoon salt
½ cup sugar
1 egg, beaten
½ cup milk
2 tablespoons melted shortening

Prepare 8-inch square pan by spreading with melted butter or margarine and marmalade. Sift together flour, baking powder, salt and sugar. Combine egg, milk and shortening. Add to flour mixture, stirring until mixture is smooth. Pour into prepared pan. Bake in moderately hot oven (400°F.) 25 minutes.

Makes 1 coffee cake.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

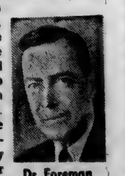
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Luke 10:38-42; John 11: 1-45; 12:1-3. DEVOTIONAL READING: I John 3: 9-17.

Homes for Christ

Lesson for February 17, 1952

WHAT is a Christian home? It is no solemn place, for "solemn" is not another ord for "Christian." It is not an "American" home, because while Christians can be Americans, and vice versa, the two words do not mean the same thing. Sending off the little ones to Sunday school every Sunday morning, or even piling the whole family into the car and going to church 52 times a year, will not quite do it. For church-going is only one part, and the easiest part, of being Christian. What about the rest of the week?



Dr. Foreman

• • •

Does Jesus Get Beyond the Front Door?

THE home of Mary, Martha and Lazarus, where Jesus often visited, we can think of as in many ways a Christian home. Jesus was welcome there; he dropped in any time, he felt at home.

Now Christ is most at home (as any one is) where people are congenial, where the attitude to the things men live by—work, play, love, worship—is the same as his attitude.

Also in the Bethany home they listened to Jesus. It is well to have a Bible in the house; but that alone will not make it Christian. Is it read? Do the children when growing up hear the words of Jesus from the Gospels? Do they hear his voice as often as they hear the voice of Mr. Cassidy or the Lone Ranger?

• • •

How the Home Can Serve

THERE are three ways in which the home of today can serve Christ. One is in connection with the church. Except in rarest cases, every Christian home should be an actual part of some Christian church. A church which has no cooperation from the homes in its community will be a dying church.

The livest churches, on the other hand, are those where homes and church do the best team-work. To take only one example: Does your home work together with your church in the recruiting of ministers?

Ministers have to come from somewhere, and the best ministers don't all come from preachers' homes by any means. How about the boys in your home? If one of them felt an urge to be a minister or a missionary, would the rest of you laugh him out of it?

Another way for the home to serve Christ is in treatment of strangers. When strangers move into your community, or live there for a short time as school teachers sometimes do, is your home open to them? Is your house a "home away from home" for lonely people?

When you have a party, do you invite always only those who can invite you back, or do you (as Jesus suggested) include people who will probably never be able to repay you? A home that prides itself on being "exclusive" has forgotten Jesus' words—"I was a stranger, and ye took me not in."

• • •

Serving the Children

A Christian home, moreover, will serve its own children in Christ's name. In it children will hear about Christ, not as a past figure in history but as a Living One. Parents will teach them Christian patterns of living.

This will not be merely something they hear about in Sunday school, it will be the pattern of life in which they are trained from day to day, beginning even before they can remember. This home, if it serves its children as it should, will show them how to help Christ. The children will know about the church ("His body," said Paul) and what it is doing in his name around the world. From their earliest years they will be helpers in this work. They will not grow up thinking of "missions" in some vague way, but they will know and be thrilled by the great story which that single word carries.

And the children in a Christian home will be helped by Jesus far more than they help him. Even at the beginning of childhood they will learn to say "Dear Jesus, help me," when the mean word or the angry act are just almost exploding. Even as children they will learn something of what in older years will mean much more, the "practice of His presence."

But no one can learn from the ignorant. And children will never learn these things at home without help. A home does not begin to be Christian with the children, but with the parents. Whatever good the children learn, father and mother must learn it first.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

GOVERNMENT CONTRACTS—A revised list of Department of Commerce field offices and local cooperating offices located in the Fourth Congressional District has just been released where businessmen may regularly obtain information concerning current Federal procurement. Available at these offices is a daily consolidated synopsis of procurement information and contract awards showing certain purchases to be made for the Department of Defense, the General Services Administration and other agencies, together with a list of contract awards covering unclassified procurements.

Each daily synopsis provides information about proposed purchases to enable interested suppliers to determine items on which they may wish to quote and gives the location of the purchasing offices.

Should additional chambers of commerce, or other local public interest groups serving a community, wish to receive the Consolidated Synopsis of Procurement Information and Contract Awards, they may be added to the list by applying to the nearest U. S. Department of Commerce field office.

The offices where these reports may be obtained are as follows: Lions Club at Angola; Auburn Chamber of Commerce; Bluffton Chamber of Commerce; Decatur Chamber of Commerce; Kendallville Chamber of Commerce; and at the following places in Fort Wayne: U. S. Department of Commerce, 507 Strauss Bldg., Fort Wayne Chamber of Commerce, Inspector of Naval Material, 116 E. Wayne St., and the Fort Wayne Public Library.

AID FOR KOREAN VETERANS—The House Veterans Affairs Committee, of which I am a member, is considering a bill, H.R. 64-25, to give free schooling to Korean War veterans under a program designed to eliminate abuses that occurred under the World War II GI education bill. Hearings are now under way on this legislation. The bill provides veterans with 1 1-2 days of scholing for each day in service, with a maximum of 36 months; permits the veteran to change courses only once; and denies him the study of a vocational or recreational subject. Payments would go directly to the veteran, with single men getting $110 monthly and men with dependents $150. This would cover tuition and the veteran would make his own arrangements with the school, except that tuition charged him could not exceed that charged non-veterans.

HOT, SOFT SEATS—A House subcommittee has demanded that the Air Force save taxpayers more than $200,000 by not purchasing 20,156 "super-deluxe upholstered typists chairs." The subcommittee suggested the Air Force buy the same type chairs now used by the Army, Navy and Marine Corps. Apparently the Air Force thinks, after all, it's only money and flying one of those typewriters a guy should be comfortable.

Spencerville News

Mrs. Mable Sprott was operated on Friday evening at the Sanders Hospital in Auburn. She is getting along fine.

Kenny Akey and Sonny Hook left Friday morning for induction into the army.

Pvt. Herbert Hoover is home now on a fourteen day furlough from Fort Riley, Kansas.

Mr. M. H. Hollabaugh is able to be out at work again.

Mr. and Mrs. Milton McGrath left Friday morning for a few weeks' vacation in Florida.

V. A. Jackman of Florida, Ohio, and Mr. and Mrs. Don Long and family of Bunker Hill were Sunday guests in the M. H. Hollabaugh home.

HINTS ON HEALTH by the INDIANA STATE MEDICAL ASSOCIATION

INGROWN TOENAILS

IF the shoe and socks fit, fine. Ill-fitting shoes and socks cause disorders, including ingrown toenail. Ingrown toenail affects mainly the big toe.

While ingrown toenail is caused usually by the pressure of ill-fitting shoes, and tight socks, another cause is faulty foot balance, which throws weight and stress on the great toe.

Infection arises not so much from abnormal growth of the nail into the soft tissue of the toe, as from the superfluous growth of the soft tisaue onto the edge of the nail.

Improper cutting of the toenail, which leaves a spur stabbing into the soft tissue is a likely cause of this trouble. Toenails should be trimmed straight across with the edges extending above the soft parts. Cutting the toenail so that the end is rounded causes spurs to press into the soft parts, irritating them and making them subject to infection.

The large toe is the most important of the pedal digits, furnishing more than half of the total footpower in propelling the body forward.

To prevent ingrown nails, the shoes must be long enough and wide enough. A shoe that really fits seems to belong to the foot. A shoe should not interfere with the free use of the foot according to the mechanical principles with which it functions.

"On with the dance! Let joy be unconfined," wrote the poet Byron. The brilliant Lord Byron did not dance—he had club feet.

All-Star Movies, Basketball Clinic Saturday

Movies of the second annual National Basketball Association All-Star game, held in the Boston Garden Monday night, will be a feature attraction at the 3rd annual Zollner Piston basketball clinic Saturday at North Side gym from 10:30 a.m. to 12:30 p.m.

The game, between the Eastern Division and Western Division stars, was booked in Boston Monday night featuring 10 top performers in each half of the league.

Players on the Eastern Division team, which will be seen in the film, include Bob Cousy and Easy Ed McCauley of Boston, Andy Phillip, Joe Fulks and Paul Arizin of Philadelphia, Dolf Schayes and Red Rocha of Syracuse, Fred Scolari of Baltimore, Dick McGuire and Max Zaslofsky of New York.

Make-up of the Western Division team is Frank Brian and Larry Foust of Fort Wayne, Leo Barnhorst and Paul (Lefty) Walther of Indianapolis, Dike Eddleman of Milwaukee (now of Fort Wayne), George Mikan, Vern Mikkelson and Jim Pollard of Minneapolis, Bob Wanzer and Bob Davies of Rochester.

The entire Fort Wayne team will participate in the clinic. A special invitation has been extended all grade and high school teams in the area and their coaches. All fans are cordially invited, too. There is no admission charge ---it's open to the general public.

There will be demonstrations and discussions of all phases of basketball by Coach Paul Birch and the individual team members. The clinic will wind up with an intra-squad scrimmage session before the showing of the movies.

Local News

Mr. and Mrs. Leonard Jarrett and Janet and Robert called on Mr. and Mrs. Walter Simons, also Mrs. Mary Simons and Mr. and Mrs. Archie Zolman near Laotto Sunday afternoon.

Jack Mann and Carlton Curie were home from Cincinnati Bible Seminary over the week-end.

Mr. and Mrs. George Walter of RR 1, Auburn, recently celebrated their wedding anniversary.

Mrs. Russell Walter and children, Owen and Judy, and sister, Mrs. W. C. Vantrease, and husband have planned to leave for Alabama Saturday. Mr. Vantrease has been called for service examination.

Mrs. W. C. Vantrease and Mrs. Syble Hill recently celebrated their first and second wedding anniversaries, respectively. Mrs. Hill has returned to her job in the office of Sears-Roebuck after an appendectomy a month ago.

Merritt Sechler has returned from a few weeks visit with Ralph Patterson of New York. He is a house guest of Mr. and Mrs. Vernie Monroe a few days.

Mr. and Mrs. Jake Waltz of Butler were Sunday evening guests of Mr. and Mrs. Lester Baker.

Mrs. Harriett Johnson has been ill with an infected eye but is some better at this writing.

The Aaron Holman family attended the wedding of Mrs. Holman's sister at Big Run Church last Wednesday evening. Gailanna and Karon Holman were bridesmaids.

Mr. and Mrs. Harold Kraft, Dr. and Mrs. C. R. Baumgartner of Spencerville, Mr. and Mrs. Walter Ferris of Hicksville, Mr. and Mrs. Don Burley, Mr. and Mrs. Glen Cole and Cora Curie were entertained to a turkey dinner by Mr. and Mrs. William Staman Saturday night. The group celebrated the birthdays of Mrs. Ferris and Mrs. Staman.

Leon Sechler of Ft. Wayne has returned to St. Joseph's Hospital in Ft. Wayne and is in serious condition.

Mrs. Pauline Baumgartner and Mrs. Lillian Buckingham spent Sunday afternoon and evening with Pauline's mother, Mrs. Belle Baker, at Hicksville. She is slowly but surely improving after a long illness.

Merl Guilford returned home from the hospital Saturday. He was stricken with a sudden illness three weeks ago which necessitated his trip to the hospital.

Sunday guests in the Merle Coburn home were Miss Elizabeth Hart and Mr. and Mrs. George Keller and daughter, Marilyn.

Mr. and Mrs Ted Haberkorn, Jr. and Mr. Haberkorn, Sr. were guests of the Zollner Pistons at the Philadelphia game Thursday evening. The men attended a buffet supper given at the Hotel Van Orman for press and radio representatives before the game. Speakers at the dinner included Eddie Gottlieb, coach of the Philadelphia team, and Maurice Podoloff, president of the National Basketball Association.

Mrs. George Overmeier was the guest speaker at the St. Joe-Spencerville Lions Club meeting Monday evening. Wives of Lion members were guests for the evening. The dinner was served by the ladies of St. Peter's Lutheran Church in the church basement at Spencerville.

PFC Donald Yeiser returns to service in the armed forces Thursday at Seattle, Wash.

Mr. and Mrs. Lester Pugsley and Mrs. Harry Shuff attended the funeral of their uncle, Mr. Edward Pugsley, at Lima, O., last Wednesday.

Mr. and Mrs. Don Jennings of Luckel, O., were week-end guests of their brother and sister and families, Mr. Marion Jennings and Mrs. Lester Pugsley.

Mr. and Mrs. Ted Haberkorn attended the Piston-Baltimore basketball game Sunday evening at Fort Wayne.

Mr. and Mrs. Chalmer Beaty and family of Spencerville and Mr. and Mrs. Charles Hartsough of Goshen were Sunday guests of Mrs. Viena Rude.

Mr. and Mrs. Albert Wade were Sunday dinner guests of Mr. and Mrs. Harvey Hull. In the afternoon they visited Mr. and Mrs. Orville Funk at Waterloo and Mrs. Carrie Wade in the George Wade home in Garrett.

Mr. and Mrs. A. J. Smith of North Manchester were Saturday evening callers in the Harvey Hull home.

Mr. and Mrs. Albert Wade have received word that their son, Edward, is in Paris Island, South Carolina. His address is: Pvt. Albert E. Wade 1277526, Plt. 14 "B" Co., 6th Tng. Bn., Paris Island, S. Carolina.

DeKalb County Artificial Breeding Association, Inc., was represented at the Indiana Artificial Breeding Association's State Policy Meeting held last Wednesday at Purdue Center, Indianapolis, by Richard Crow, committeeman, and Cecil Fitch.

Mrs. Olen Waltz spent from Friday to Sunday the guest of Mr. and Mrs. Irvin Swartz and daughter, Kay, and Mr. and Mrs. R. W. Zimmerman at Bluffton. Mr. Waltz spent Sunday in the same home.

Dig Down Deep

The Federal government's spending program proposed by the President for coming fiscal year will cost the people of DeKalb County a total of about $11,695,570 if approved by Congress, the Indiana State Chamber of Commerce has estimated.

The county's share of the cost of the proposed program was computed at an average of $449.43 for each person, or $1,797.72 for a family of four.

DeKalb County citizens' share of the cost of this proposed spending program is equivalent to approximately 30.1 percent of the total assessed value of all real estate and personal property in the county, according to an estimate by the Chamber.

At the proposed rate of spending, Federal government costs to the county's citizens over a period of only about 3 1-4 years would approximately equal the assessed value of all their property--$38,847,540 (valuation on which property taxes paid in 1951 were based).

R. H. McMurtrie of Huntingburg, State Chamber president, commented: "These multi-billion dollar Federal spending figures reduced to an understandable local basis illustrate the seriousness of the budget-reducing job faced by Congress and the administration. This country cannot continue with higher and higher public debt piled on top of ever-increasing Federal taxes without leading us to economic disaster and perhaps loss of our freedom itself."

RURAL YOUTH TO BROADCAST

The DeKalb County Rural Youth Club has prepared a musical program to be broadcast at 11:30 a.m. over radio station WKJG on February 16. The program consists of the Fish Creekers, Helen and Dick Coll, the Harmonettes, Avis Armstrong, Helen Coll and Onalee Moughler and a solo by Karen Witt. These were selected from a talent contest held by the club.

FOX DRIVE WELL ATTENDED

The fox drive held last Saturday by the Conservation Club was well attended by sixty to seventy sportsmen. They were rewarded by killing one fox on the Curt Watts farm three miles west of St. Joe. The kill was made by Joe Mills of Fort Wayne who, as a fine gesture to the club, gave the bounty to the club's building fund.

REUBEN RENN PASSES AWAY AT 83

Reuben B. Renn, an 83-year-old Spencerville bachelor, died in the Williams Convalescent Home Tuesday, February 5. Mr. Renn had suffered a broken hip when he fell on the ice at his home on February 14, 1951, and had been a patient at the Souder Hospital in Auburn until July of last year when he was taken to the convalescent home.

Mr. Renn was born on October 24, 1868, the son of John and Mary Renn of Springfield Township, Allen County. He was employed as secretary and caretaker of the White City Cemetery in Spencerville until he was forced to resign about ten years ago. Mr. Renn also was employed in various odd jobs around the Spencerville community.

Survivors include two sisters, Mrs. Anna Houghton, who resides with relatives in Butler and Auburn, and Miss Flora Renn of Rt. 1, Spencerville. Four brothers and two other sisters preceded Mr. Renn in death.

The body was removed to the Walter Funeral Home in Spencerville for burial preparations and remained there for funeral services which were conducted Thursday, Feb. 7. The Rev. W. H. Baker, pastor of the Lutheran Church in Spencerville, officiated and burial followed in White City Cemetery in Spencerville.

COBURNTOWN CHURCH NEWS

Sunday afternoon there was a meeting of the "Life Recruit Club" in the church auditorium. There were eight present out of fourteen members.

Sunday evening at 6:30 Christian Endeavor met in the Church basement. The president, Joan Curie, called the meeting to order by singing a few songs, led by Sharon Burkhead. Prayer was led by Doris Longardner. Then offering was taken. It was voted to send the offering to the missionaries in the Kaimichi Mts. A card was received from the Wesley Walker family thanking the group for its offering to them. The Walkers are now on their way to India. The lesson was led by Joan Cook. Questions were answered by the group. The Life problem was discussed. The Benediction was given by Bonnie Noack.

At the evening service there were about 155 present. The Troyer Quartet of the First Mennonite Church in Fort Wayne sang a few numbers.

There will be a Tri-State preaching rally on March 28 at Garrett. There will be a youth banquet at 5:30 p.m. Over a thousand people are expected.

Mr. and Mrs. Henry Hart of near Woodburn entertained the Home Builders Class Saturday evening, February 9. Following the usual business and devotional period, Mrs. Hart, using "cars" as the theme of the evening's entertainment, conducted a variety of games and contests which were enjoyed by all. A tasty buffet lunch concluded the evening's entertainment.

The Busy Beavers C. E. is now one year old. There are 24 members between the ages of 9 and 14 inclusive and Mrs. Jarrett is the sponsor. The group has its own officers and the boys and girls take their turns at leading. All members take part in the program when asked. The group meets at 6:30 p.m. Sunday. On February 10 Donna Lou Cook led the lesson, "Growing In Obedience." The special was a solo by Bob Wilder.

CARD OF THANKS

I wish to express my appreciation for the cards and get-well wishes received from friends and neighbors during my recent illness.

Around the Town

With the Editor

Last minute bulletin!!!

Due to circumstances beyond control, it isn't certain that Pickles will play the prelim Sunday evening at Fort Wayne.

Here's the deal:

The state A.A.U. sectionals being played this week precede the finals which, unfortunately, have been scheduled for Sunday, also. This was learned just Thursday morning. So, if Pickles win Saturday afternoon at Markle (and they are reported to be the ones to beat), they will be automatically eligible for the finals since both the winner and runner-up of the sectional are entered in the final tourney. Incidently, the finals will be held at Bedford, a 200 or 250-mile jaunt.

With big if's thrown in—if Pickles win Saturday afternoon and night and Sunday afternoon, they'll have a four-games-in-two days schedule.

It's too bad the thing worked out this way what with the local advance ticket sales for Sunday evening. And we probably won't know until Saturday or Sunday whether Pickles will play at Fort Wayne.

So, if you bought a ticket to see them Sunday and it turns out that they won't be there (call me or Frank Sechler Sunday to find out) —and you want your money back if they don't play, return the ticket for a refund Sunday.

Don't forget, though, this is the last appearance this year of big George and the Lakers.

—Why do those Pickles have to be so good!

?!?-@?&!,. . . . . !

Got a letter from Jerry Baker last week. He was disappointed in St. Joe's showing at the county tourney. He also mentioned that he appreciated getting the News with the basketball scores and accounts and thought that the other boys in service would appreciate them.

I guess I've never mentioned that the News goes for free to any serviceman who wants it. When someone tells me of their son's station address, I just put it on the mailing list.

So, if you know of a serviceman who would like to receive the paper, just let me know and he'll get it.

Bud Tharp pulled a tricky one at the Metz game Friday. When Metz was pressing all over the floor and Bud was trymg to make an out-of-bounds play, he couldn't find any of his mates open. You're allowed five seconds to make the play-in. At about the time the ref was ready to blow his whistle and give the ball to the opponents, Bud called time-out.

As the teams walked to their benches for the minute's rest period, the Metz coach watched Bud and smiled a knowmg smile that said, "Pretty smart, aintcha!"

Metz' coach also took the loss of the game with a smile—it was a tough one for them to lose. I noticed him watch his boys at the final horn to see how they reacted.

The Tigers have had a successful season, best in many a moon. They're also pretty successful at stowing away the food, I heard from Walter Morr. If I remember correctly, there were four or five gallons of ice cream, five loaves of bread used for sandwiches, several large sacks of potato chips, not to mention pop, consumed at the get-to-gether for the team last Friday at the Moor residence.

CARD OF THANKS

I wish to express my sincere thanks to all of my friends and neighbors for their many cards, gifts and calls during my recent illness.

May God's richest blessings reward you.

Mesl Guilford

Tigers Romp Over Metz, 82-35

The St. Joe Tigers romped to an easy 82-35 win over the Metz Mohawks Friday evening at the local gym.

Apparently using a stalling strategy to cope with the Tigers' attack, Metz shot only four times in the first quarter and eight in the second. Meanwhile, the Tigers were rolling up a doubled score on the visitors.

For a time it seemed that St Joe might run into foul trouble but their consistent scoring soon dispelled that threat.

St. Joe needed 100 shots at the bucket to get their 33 baskets while Metz made 9 out of 42 tries for fielders.

The Walters brothers, Ken and Don, led scoring with 19 and 18 points, respectively. Jerry Keener and Bob Richmond each had 14. Wisner and Fisher had 10 each for the visitors' high.

St. Joe seconds won the preliminary, 35-30.

Inlow-Long

In an evening candlelight ceremony solemnized in the home of the bride's parents on Thursday, evening, February 14, at 6:30 o'clock, Miss Jeanette Elaine Long of Auburn became the bride of Sgt. Donald K. Inlow of St. Joe.

The double ring ceremony was performed by the Rev. Vernon K. Shaw of Auburn against a background of palms, vases of French heather and pink snapdragons and seven-branch candelabra in the presence of the immediate families.

The bride is the daughter of Mr. and Mrs. Donald R. Long of 104 North Dewey Street, Auburn, and the groom is the son of Mr. and Mrs. Oren E. Inlow of St. Joe.

Given in marriage by her father, the bride was attired in a light blue velvet suit dress which featured a fitted bodice decorated with Trapunto work closed with small self-covered buttons which extended from the neckline to the peplum waist, and a flaring skirt. Long sleeves ended in points. She wore navy blue accessories and carried a white Bible topped with pink roses and freezias and ending in knotted streamers. She wore a gold bracelet set with pearls and rhinestones, a gift of the groom.

Miss Judith Marlene Long sister of the bride, served as maid of honor. She wore a gray rayon flannel suit with lilac accessories and a corsage of violets. She wore rhinestone earrings, a gift of the bride.

The groom wore a gray business suit.

Roger Inlow served as his brother's best man. He wore a navy suit. All men of the wedding party wore white carnation boutonnieres.

Mrs. Long chose for her daughter's wedding a gray crepe print dress with gray accessories and a corsage of yellow roses. The groom's mother wore a navy print dress with navy accessories. A corsage of pink roses completed her costume.

A reception for the young couple was held from 7:30 until 9 p.m. for about 50 guests. The bridal table was covered with a lace cloth and was centered with a three-tiered white wedding cake topped with a wedding bell and doves. It was surrounded by greenery and pink rosebuds. White paper bells were suspended from the chandelier above. Fruit punch, cake and small heart-shaped sandwiches were served by the Misses Shirley Delucenay and Beverly Gross of Auburn and Mrs. Barbara Shaw Wells of Garrett, classmates of the bride.

After a wedding trip through the southern states and Florida, the couple will be at home at 1006 South Main Street in Auburn, in their newly-furnished apartment. The bride is an employee of the Auburn Kroger Store and the groom has returned to his former employment with the Auburn Clutch Co.

Pickles Advance In A.A.U. Meet

Sechler's Pickles picked up three more victories during the past week.

Last Thursday night at North Side gym in Fort Wayne, the locals routed the Baer Field Flyers in the second half and took an easy 64-33 victory.

At half-time the score was tied at 28-all. Pickles then held Baer Field to but one point in the 3rd period while they piled up 22. In the final quarter only two field goals were scored by the Flyers for a total of 5 points in the entire second half.

On Monday evening Pickles went to the Union Center gym north of Markle to play their 1st encounter in the state A.A.U. sectional tournament. Their opponents were the Muncie I&M five.

The game was close through the first three quarters with the locals holding the leads, 18-16, 35-33 and 47-46. The Muncie team was in the game through the sniping of Wooten and McCord, 6 foot-6 inch center, who scored 12 and 11 points, respectively, in the first half.

The locals' speed and endurance showed in the final period and they pulled away handily, holding Muncie to five points after the score see-sawed to 51-50 in the Pickles' favor. Meanwhile, Schroer got hot and dumped in 12 of his team's 4th quarter total of 28.

Wednesday night Pickles again traveled to Markle to face Marion D&H in the A.A.U. tourney. The final score was Pickles 62, Marion 46.

With an evenly balanced scoring attack, the locals were never headed, on top at the half, 29-21, and 42-35 at the third period.

Bob Walters To Chicago As Golden Glove Champion

When the Fort Wayne Golden Gloves Champions journey to Chicago to face the nation's best boxer's, this area will have a representative in the group. He is Bob Walters of RR, St. Joe.

The finals of the Fort Wayne Golden Gloves Tournament were held last Tuesday, February 12, in the North Side gynasium.

Walters is the only former champion to come through the 1952 finals. He was a winner in 1948. The remaining seven champions represent an all-new lineup for Fort Wayne.

The 1952 champions of Fort Wayne who will face other champs of the nation on February 25, 26 and 27 are:

Flyweight—John Cereghi, Defiance, Ohio.

Bantamweight—Bob Walters, St. Joe, Ind.

Featherweight—Carl Johnson, Van Wert, Ohio.

Lightweight—Oscar Ayers, Van Wert, Ohio.

Welterweight—Charles Littlejohn, Fort Wayne, Ind.

Middleweight—Milton Bates, Fort Wayne, Ind.

Light heavyweight—Dick Seabron, Fort Wayne, Ind.

Heavyweight—Frank Carrencejie, Fort Wayne, Ind.

County Democrats Name Chairman

DeKalb County Democratic committeemen and vice-committeemen met Wednesday night, February 13, in Auburn to elect Otto R. Shuman, Waterloo service station operator, as chairman of the party's central committee succeeding Robert Riddle of Auburn.

The Waterloo man was selected by a two-vote margin over Ralph Elam of Auburn. The vote was 23 to 21.

The new chairman will serve the unexpired term of Mr. Riddle. The term ends four days after the May primary election when the regular party-re-organization meeting will be held.

Raiders Take 2

Spencerville defeated Coesse on Wednesday of last week in their most impressive performance of the season. The score was 48 to 43.

Only in the final period did Coesse team threaten as Coach Calbeck pulled Eddie Hook for a short time. But the Raiders had too big a lead for the Coesse five to overcome.

Hook dumped in 24 for high point honors for the evening.

Coesse won the first game, 44-24.

Eddie Hook upcorked 39 points Friday evening at Woodburn and the Raiders won their second straight, 70 to 59.

Quarter scores were 18-17, 35-31 and 49-42, all in Spencerville's favor. Hook got all 17 points in the second quarter for the Raiders.

Fry scored 17 to give an assist in the scoring.

Woodburn swamped the Raiders' sceond team in the prelim, 62-13.

Firemen Meet

Fourteen members of the St. Joe Volunteer Fire Department attended the regular monthly meeting Monday evening at the town hall.

The local department will entertain the county firemen on Wednesday, February 27, at the Legion Home in St. Joe.

Included in the business discussions were motions to inspect the fire escape facilities at the school and to hold prospective members in reserve. Babe Coburn was made a member of the department.

A committee was appointed to inspect and revise the constitution and by-laws of the company.

The members of the department recently purchased blue lights to install on their automobiles. These blue lights are used by all volunteer fire department members when called to a fire. Motorists are required by state law to yield the right of way to any vehicle flashing a blue light.

Following the business meeting, the members enjoyed refreshments of ham sandwiches and coffee.

Local Collections Net $110.93 For March Of Dimes

Charles McCreery, chairman of the local March of Dimes collections, has announced that this community contributed $110.93 to the polio fund.

A break-down of the collections is as follows:

Home Demonstration Club (per Mrs. Perkins) $5.00.

Azelia Temple No. 152 (per Mrs. McMaken) $5.00.

Culture Club (per Mrs. Carr) $5.00.

Donations from Harlan basketball game $24.47.

Class donations from Concord Twp. School—1st grade (Mrs. Guilford) $6.10; 2nd and 3rd grades (Mrs. Rainier) $7.75; 4th and 5th grades (Mrs. Baker) $7.25; 6th grade (Mr. Hart) $1.10; 7th grade (Mrs. Butler) $2.80; 8th grade (Mr. Lessing) $3.60; 9th grade (Mr. Draggoo) $4.30; 10th grade (Mr. Lawson) $4.40; 11th grade (Mr. Stackhouse) $4.15; 12th grade (Mr. Tatlock) $4.50; total $46.05.

Donations from miniature iron lungs placed in stores $25.41.

Total—$110.93.

NEW DEPUTY SURVEYOR IS NAMED FOR COUNTY

The DeKalb County surveyor, Arnold Milks, of near Ashley, announced Friday that he has accepted the resignation of his deputy surveyor, Sherman Housman, of Rt. 1, Ashley.

Mr. Housman resigned, effective Saturday, to accept a position with the Oren-VanAman Company, industrial supply firm in Auburn.

Simultaneous with the announcement of Mr. Housman's resignation, the surveyor reported that Oliver Opdycke of Waterloo will take over duties as deputy surveyor starting Monday. Mr. Opdycke has been working with the surveyor and deputy as an assistant engineer.

Mr. Housman was appointed deputy surveyor when Mr. Milks took office January 1, 1951.

Tourney Draw Matches Tigers, Red Devils

Some teams get a break—and some don't.

St. Joe's Tigers have their work cut out for them in the sectionals. As announced Thursday morning the locals will face Auburn Wednesday morning, February 27.

The Spencerville Red Raiders drew Fremont at 9 o'clock Wednesday morning.

The complete opening round is as follows:

AT GARRETT

9:00—Fremont vs. Spencerville.

10:15—Concord Twp. vs. Auburn.

1:30—Orland vs. Butler.

2:45—Ashley vs. Angola.

AT AUBURN

9:00—Churubusco vs. Pleasant Lake.

10:15—Metz vs. Scott Center.

1:30—Hamilton vs. Waterloo.

2:45—Garrett vs. Salem Center.

Following are the regulations for the split Auburn and Garrett sectional basketball tourney:

1. The two-site sectional tourney will be played at Garrett and Auburn Wednesday, February 27, and at Garrett, Saturday, March 1. Garrett will be the center school.

2. Sixteen schools will participate—the same schools as in the past several years. The drawings will be made as if all were playing in the same gym. Then the upper bracket of eight teams will be assigned to play at Garrett on Wednesday and the lower bracket of eight teams will play at Auburn.

3. The Wednesday games will constitute two of the four "rounds" of a typical 16-team tourney. That is, winners of first games will play each other in the Wednesday night sessions. There will be two first-round games Wednesday morning, two first-round games Wednesday afternoon and two second-round games at night. The same process will take place ni both gyms.

4. Saturday games will be played at Garrett in two sessions—afternoon and night. The afternoon games are third-round or semi-final games. Each team will have won two games. The first game will be between the Wednesday winners at Garrett, the second game between the Wednesday winners at Auburn and the finals will be Saturday night.

5. Schedule of games will be as follows:

Wednesday morning (both gyms)—9:00 and 10:15.

Wednesday afternoon (both gyms)—1:30 and 2:45.

Wednesday night (both gyms)—7:00 and 8:15.

Saturday afternoon (Garrett)—1:00 and 2:15.

Saturday night (Garrett)—8:15.

6. Tickets: season tickets for Wednesday are $1.20; for Saturday, $1.00; single session tickets are 60 cents and will be sold only if there is no sell-out on season tickets for the day. Saturday is almost certain to be a sell-out.

Don Keller Elected President Of St. Mark's Brotherhood

Forty-five men attended a Brotherhood Dinner Tuesday evening at St. Mark's Lutheran Church in St. Joe.

After dinner was served by the Ladies Aid of the church, the men heard a talk by Charles McCreery principal of the Concord Twp. Schools.

Officers eleced by the organization are as follows:

President—Don Keller.

Secretary—Clifford Billow.

Treasurer—Carl Carpenter.

Minstrel Date, March 14; Rehearsals Start

Twenty-six persons attended the meeting for the purpose of organizing a minstrel show Monday evening at the school house.

Carl Zimmerman, band director at St. Joe, is directing the show and rehearsed a few numbers with the chorus. Several volunteered to sing solos.

A tentative date has been set for presentation of the show, March 14, a Friday evening.

The next rehearsal is set for Monday evening, February 25, at 7:30 p.m.

THE AMERICAN WAY

Stewing In His Own Juice

Lesson In Humility

If you totaled the "Sunday School Record" in last week's edition of the St. Joe News, you found that 496 persons attended services in the five churches reporting. St. Joe's population is 437 and yet the total attendance of five Sunday schools in not just St. Joe but Spencerville and surrounding communities totaled only 59 more than St. Joe's population. We might mention that some of the Sunday School attendance reports include church attendance.

There has been a lot of talk lately of our country's "forgetting God," accented by graft, corruption and dishonesty in government. We can't blame our troubles solely on an indefinite "they"—our laxity in Sunday worship can be blamed on a very definite "we."

In connection with these thoughts, we offer the following excerpt from a letter written by a young man from St. Joe to his mother and father. Having left for service in the armed forces but a few weeks ago, it apparently has taken only a short time for this typical fun-loving St. Joe youngster to realize that something was missing in his life.

Let him speak for himself—

"This morning I went to church and for the first time since Grandpaw Wade died I cried. I do not know why, I guess I was just supposed to. You may think I am a baby but there were hundreds of men in that church, even fellows who said they had no religion; but there they all sat with tears rolling down their cheeks. The services were wonderful. I was going to go down for communion services but I had too much work to do and couldn't make it. You can bet I will be there every Sunday possible from now on. The church isn't too nice, but it isn't the place where you worship it is the feeling behind it all. The fellows all said they sure were glad they went. Mother, I sure am sorry I never went to Church when I was home because I have found out it isn't always the preacher, but what people and God you have in your Church. Because today there were men of all different Protestant faiths and beliefs but our Father was still there for all of us to worship."

Year Of Accomplishment

After the first year of operation of the St. Joe Valley Recreation Club, the secretary released a financial statement for the year 1951. Perhaps News readers would like to know of the expenses and receipts of the club since this paper "pushed" the ball diamond project through the year.

The only disappointment financially was the fact that the lighting installation cost was substantially higher than anticipated. The goal set, and reached, was $3500. The statement for the year shows that the lighting actually cost $3677.79, not including bleachers and a public address system which were included in the original estimate.

Total income was $4154.17. The club and this community can be proud of their achievement. Raising such an amount in less than a year's time is quite an accomplishment. The generosity of the community was felt through donations totaling $1245.63, including $225 from the High School Class of '51.

The following is a brief resume of the club's financial activities:

RECEIPTS	
Membership dues	$76.00
Sale of bonds	$1075.00
Bank note	400.00
Projects (plays, square dances, benefit games, bake sale, etc.)	1182.54
Receipts at diamond (collections and concessions)	175.00
Donations	1245.63
Total income	$4154.17
DISBURSEMENTS	
Cost of diamond	$3677.79
Additional expenditures (lighting diamond, taxes, note payments, etc.)	415.74
Cash on hand	60.64
Total	$4154.17

THE BIBLE SPEAKS

International Uniform Sunday-School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Mark 9:2; 10:35-45; 14: 32-42; Luke 8:41-43, 49-56; 9:28-36; Acts 4:13-22.
DEVOTIONAL READING: Psalm 91.

Secret of Courage

Lesson for February 24, 1952

THERE are different kinds of courage. One is physical, either enduring pain or enduring the prospect of it. Another is moral, enduring ridicule and slander, or the prospect of it. Some occasions call for both kinds.

Dr. Foreman

Just as there are different kinds of courage, so there are different causes of it. Physical courage may be in some cases no more than the result of ignorance.

A passenger on a boat during a storm said to an old salt: "I'm not a bit afraid. "The old Irish seaman sniffed. "Them as knows nawthin' fears nawthin'," he said.

Men who have been in combat can recall some character who lacked all the virtues but one; he was never afraid. Physical courage can even be instilled by drugs or by rum. But moral courage cannot be induced by drugs, alcoholic or otherwise.

It takes more than a tough nervous system to stand up against slander, hatred and ridicule. Some men who can take a razor-blade and calmly operate on themselves for snake-bite, cannot stand the sight of human snakes who try to hiss them down.

• • •

The Inner Circle

JESUS was always on the lookout for brave men. Indeed, he made brave men.

There were three men in his innermost circle—Peter, James and John. They were men of quite different temperaments; tradition reports that they differed widely in age also. But for whatever reasons, Jesus treated these men differently from the other nine.

That is, he kept them close to him on certain occasions when the rest were left behind or shut out. These three were his only companions at the mount of transfiguration. They were the only three he allowed in the room where he brought Jairus' little girl back to life. They were the three he took with him into the garden of Gethsemane to share his agony. They failed him there—they failed him at other times as well. But the point is that Jesus kept on with them, he did not give them up as hopeless cowards, he gave them more of himself than he gave to any other mortals in his time.

It was as if the Master had said to himself, these men, at least, shall know me. And though they failed him, the time came when they did not fail.

Our story in Acts shows how these men stood up against odds; against all the weight of popular opinion, all the force of law, all the attack from the leaders of society, these men stood up with a simple courage. They showed both physical and moral courage at the same time.

And even their enemies, surprised and baffled and blind as they were, understood the secret of their courage: they knew that they had "been with Jesus."

• • •

Heroes Without Medals

NOT all heroes wear medals. To this very day there are Christians who show the same kind of courage made famous by Peter and John. When a minister in Louisiana or Kentucky speaks out against the gambling which has become an octopus in his community; when he not only risks a dynamite bomb on his front doorstep from the gambling lords, but the name of "crackpot" from his neighbors; when the ministerial association of Gary, Ind., dares to stand up against powerful business interests in that city in the name of decent housing for the poor; when a Frank Graham of North Carolina dares to stand for Christian fairness to the Negro even when it means continual slander and political defeat; when Kefauver dares to stand up against corruption; you can be sure that the secret of such courage is the old one: these men have been with Jesus.

The story of Christian missions is full of such things. More than fifty years ago a heathen mob was about to tear a missionary named Pitkin to ribbons. They asked him if he had anything to say first, "Yes," he said, "tell my son to come out here and finish my work."

They killed him; but the son did come. And one of his first converts was a man who as a boy had seen the elder Pitkin die. He had never been able to forget that kind of courage.

In our own time another missionary, with the axe literally above his head, was asked: Aren't you afraid? —Afraid of what? he said. If you kill me I shall go straight to heaven.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

THE PRESIDENTIAL CAMPAIGN—Similar to the preparations of a fine thoroughbred for a race, a top boxer for a championship fight, a fine distance-runner for the Olympics, or a football team for the Rose Bowl classic, Washington is buzzing with speculation over the presidential candidates in the all-important election his fall.

Early though it is in February, with the election some eight months away, the nations capital is propaganda-wise and publicity bent on ways and means of nominating a candidate for president on either the Democratic or Republican ticket.

Six major candidates are leading the field in both the Republican and Democratic camps at this stage. But there are numerous dark horses awaiting a possible call to action. Among the six leading Republican candidates at this time are Senator Taft, General Eisenhower, former governor Stassen, Governor Warren, Senator Dirksen and General MacArthur. On the Democratic side are President Truman, Senator Kefauver, Senator Kerr, Senator Russell, Senator Humphrey and Governor Stevenson.

During this month of presidential birthdays, the TV, radio, columnists, feature writers and other propaganda sources are going full blast attacking, fending, shadow-boxing and what-have-you for or against the candidates on either side of the political fence.

The sponsors of these political candidates are grooming them for the big race. They will be fortunate, indeed, if they can hold their favorites in form from now on until the presidential nominating conventions in July. Should a candidate's popularity fade, his chances for success will decrease proportionately. But may the best man win. This is all-important. Representative, Constitutional government is at stake. The people's freedom is on the block. It's enemies are now riding high throughout the free world—and surely, like termites eating away at the very heart of our form of government. Unless both paries nominate freedom-loving, God-fearing exponents of the principles of Americanism, our nation faces dark days of bureaucratic socialism and economic turmoil. The life of our nation is in danger. It must not fall.

SHARE OF SPENDING—Indiana's liability under the president's proposed $85 billion spending program for 1952-53 amounts to approximately $2 1-4 billions. The per family liability in our state is $1,871. On the basis of these figures the Fourth District's liability is almost a quarter billion dollars.

Spencerville News

Mr. and Mrs. Dollie Genth of Fort Wayne were Sunday dinner guests of Mr. and Mrs. Frank Rhoades.

Mrs. Mary Stemen and son, Fred, were Sunday dinner guests of Mr. and Mrs. Homer Stemen and family of Butler. They were all supper guests of Mr. and Mrs. John Stemen and family of Butler.

Mrs. Ada Whitacre of Highland, Ind., was a Sunday dinner guest of Mr. and Mrs. James Reed and daughter.

Mr. and Mrs. Victor Kelley and daughter and Miss Lilia Moore were Sunday visitors in the home of Mr. and Mrs. Lee Moore of Finley, O.

Mr. and Mrs. Ted Moore and baby of Wauseon, O., spent Sunday afternoon with Mrs. Lola Moore.

Mr. and Mrs. Walter Kimes and sons of Leo were Sunday afternoon callers in the Harvey Kimes home.

Mr. and Mrs. Roger Hess and daughter were Sunday afternoon callers with Mr. and Mrs. James Reed and family.

Elizabeth Akey and children were Sunday dinner guests of Mr. and Mrs. Virgil Kimes and family.

Semi-Annual Seminar At Butler, March 31 To April 4

The Higley Press announces its fourth semi-annual seminar for Sunday school teachers of the tri-state area to held at Butler March 31 to April 4. The seminar will meet nightly from 7 to 9 p.m. at the Butler High School assembly hall.

The agenda for the coming seminar will include background Bible study in the Sunday school lessons of the third quarter of 1952, studies in Sunday school lesson analysis, demonstration teaching, visual aid demonstrations and special papers on Sunday school evangelism and Sunday school extension.

The program is under the direction of Loyal R. Ringenberg, Literary Editor at the Higley Press. Other leaders in the seminar include Miriam Jeffers, writer of children's literature, and cooperating ministers of the area. Dr. S. A. Witmer, president of the Fort Wayne Bible College, has been invited to give the closing address on April 4.

The seminar is undenominational and is offered to serve the needs of all churches. A certificate of credit may be earned. While the classes are planned for teachers, the public is invited to all classes.

LEADS PISTONS IN SCORING

Frank Brian, pictured here, is leading the Fort Wayne Zollner Pistons in socring with 838 points in the first 53 games for a 15.8 points per game average. He has 264 baskets and 310 free throws.

He's the most accurate foul shooter on the team, converting 85.2 percent of his tries. He'll be in the starting lineup Sunday night at North Side gym when the Minneapolis Lakers and George Mikan make their final appearance of the year in Fort Wayne.

Sechler's Pickles play the preliminary game in the Zollner invitational tourney. Tickets for Sunday night's games are available at the News Office in St. Joe. Just a few remain for this popular game.

SPENCERVILLE GI LEADS CHARITY DISTRIBUTION IN JAPAN

M-Sgt. Richard L. Kimes of Spencerville has become a big-time philanthropist since assuming the reins of the Hamadera Non-Commisioned Officers' Mess in Japan.

As steward of the club, the Indiana soldier recently donated $1,700 to two worthy causes on behalf of the members. To the Japanese boy scouts of Wakayama prefecture went $1,200 and at the same time the Komogawa home for indigent mothers and children received $500 from the club.

With the Hamadera organization, located at Camp Osaka, going all out for charity, the entire southwestern command quota of $3,500 may be collected from Osaka alone. And in addition to their cash contribution, the club has purchased an entire island for the scouts.

Master Sergeant Kimes is the son of Mr. and Mrs. C. L. Kimes of Spencerville. His wife, Ruth, is with him in Japan.

Prizes At Shoot Sunday

The St. Joe Valley Conservation Club will hold a shoot Sunday, February 24, at 12:01 p.m.

The shoot will be held at the club grounds just west of St. Joe.

The prizes will be the famous St. Joe Valley Brand pickles, the club has announced. If you take some of these pickles home, the club does not hesitate to say, "Brother, you are out of the doghouse!"

Shooters will be permitted to get up squads of their choice so that the "hot-shots" won't drive the beginners away.

SPENCER TWP. HOME DEMONSTRATION CLUB

The February meeting of the Spencer Township Home Demonstration Club was held on February 13 at the home of Mrs. Phyllis Blauser with Mrs. Izetta Chaney as hostess and her assistants were Mrs. Margie Dwyer and Mrs. Edna Goldsmith.

The meeting was called to order by the president, Mrs. Dorothy Kimes. The devotions were given by Mrs. Joyce Gilford.

The history of the song, "Grandfather Clock," was read by Mrs. Miriam Hamilton. All members then joined in singing the song.

A project lesson on Broiler Meals was given by Mrs. Lola Moore and Mrs. Lois Fisher and was much enjoyed by all.

The secretry's report was read and approved. Roll call was answered by all members by giving a "short cut in household tasks."

Twenty-one members, two guests and five children enjoyed pleasant refreshments and games.

The next meeting will be held on March 12 at the home of Mrs. Alice Kagey.

Local News

Mr. and Mrs. Almond Reinhart visited Thursday in the Walter Morr home.

Mrs. Dora Morr of Auburn and Miss Margie Bleeks spent Sunday with Mr. and Mrs. Walter Morr and family. Mr. and Mrs. Carrell Simanton were evening guests.

Mr. and Mrs. Ted Haberkorn attended the Piston-Boston game at Fort Wayne Thursday evening.

Pvt. Albert Wade is stationed with Plt. 114, not "14" as reported last week.

Saturday evening supper guests in the Albert Wade home were Mr. and Mrs. Loran Funk and Mr. and Mrs. Orville Funk and baby, Reitha Ann, of Waterloo.

Sunday callers in the Albert Wade home were Mr. and Mrs. George Wade and daughters, Karen and Micky, and Mrs. Roy Wade of Garrett and Mr. Harvey Hull. Supper guests in the same home were Mr. and Mrs. Thomas Bell and son, Bobbie, of Fort Wayne.

Frank Sechler was a Monday evening dinner guest of Mr. and Mrs. Ted Haberkorn and sons.

Carol Coburn received her nurses cap at capping services Sunday in the auditorium of the Lutheran Nurses Home in Fort Wayne. Carol has been in nurses training for six months. A reception and open house followed the services.

The Concord Twp. P. T. A. met Tuesday evening at the school house for its regular monthly meeting.

The DeKalb County Breeding Association held its annual meeting last Tuesday in the court house at Auburn. The meeting was sponsored by the DeKalb County Artificial Breeding Association and the county extension office cooperating. Richard Crow of St. Joe, president, conducted the meeting.

Mr. and Mrs. Ted Haberkorn and sons were Sunday evening dinner guests of Mr. and Mrs. William Hall in Fort Wayne. In the evening the men attended the Piston-Minneapolis-minus-Mikan basketball game. Mr. and Mrs. Ed Hauke and son, Carl, and Miss Carol Endorf were also dinner guests in the same home.

Derwood Ridgway, Mr. and Mrs. William Staman and Mr. and Mrs. Ted Haberkorn attended the Lincoln Dinner at Auburn Tuesday evening.

ST. JOE TIGERS HONORED AT PARTY IN MORR HOME

Following the St. Joe and Metz basketball game Friday night, Sammy and Norman Morr entertained in honor of the St. Joe Tigers' first and second basketball teams at the home of their parents, Mr. and Mrs. Walter Morr of St. Joe.

Those present were: Robert Richmond, Kenneth and Don Walters, Bud Tharp, Howard McMaken, Amos and Robert DeLong, Jerry Keener, Merle Bassett, William Coburn, Herb West, Albert McMaken, Bruce Baker, Lee Davis, Richard Beebe, Franklin Wade, John Heyman, Donald Tharp, John DePew, Eugene Culbertson, Robert Kinsey, Barbara Hurni, Leatrice Coburn, Virginia Herschberger, Nelda DeLong, Donna Wagner, Carol Simpson, Bobbie Baker, yell leaders Sue Walters and Anita Lawson, coach James Tatlock and wife, coach Robert Draggoo, principal C. E. McCreery and wife, Mr. and Mrs. Calvin Lessing and Hubert Stackhouse. Mr. Stackhouse and Mr. Lessing are scorekeepers.

Home made ice cream, cake, potato chips, sandwiches and pop were served by the host and hostesses and co-hosts and hostesses, Mr. and Mrs. Lloyd Carper and daughter, Janice, Mr. and Mrs. Von Tharp, Miss Margie Bleeks and Mr. and Mrs. Walter Morr.

COBURNTOWN CHURCH NEWS

Sunday evening at 6:30 the Busy Beavers C. E. held their meeting in the church auditorium. The lesson was, "Growing In Self Control."

The lesson was led by Kent Burkhead. A special number was given by Janet and Becky Fredericks and Barbara Morris.

The young people held their Christian Endeavor in the church basement. The meeting was called to order by Joan Curie with the singing of a few numbers led by Betty Mann. Then prayer was given by Betty Witt followed by the offering. Joan Curie led the lesson. Questions and the Life Problem were discussed by the group.

Next Sunday evening, February 24, a men's trio from the Laud Church of Christ will be at the evening services. The service is to begin at 7:30 p.m.

The Coburn Corners orchestra, under the leadership of Mr. Onan Laughman, will play one number at the Youth Banquet at 5:30 during the Youth Rally at Garrett on Friday, March 28. The Milligan College chorus will also be here to blend their 32 voices in a 30-minute concert before the evening sermon.

ADULT CLASSES BEGIN MARCH 3 AT PURDUE CENTER

Ten adult education evening classes, scheduled to start the first week in Mrach at the Fort Wayne Purdue Center, were announced this week.

Classes beginning Monday, March 3, are stock and bond investment, contract bridge instruction, elementary photography and landscaping and gardening.

Sewing for beginners will start Tuesday, March 4, and advanced photography will begin Wednesday, March 5.

Beginning Thursday, March 6, will be the Purdue fishing school and home decoration course. Kiddies swim classes will be offered from 4:30 to 5:30 p.m. Thursdays and Fridays.

Beginning square dance instruction will start Thursdays at 8 p.m. and advanced square dance instruction will meet on Fridays at 8 p.m. Classes are open to all interested.

LADIES LITERARY CLUB

Mrs. Walter Ferris, honorary member of the Literary Club, was hostess for the club at her home in Hicksville on February 13.

The president called the meeting to order and Mrs. Henry Lung read the collect.

Mrs. Weldon Shafer, lesson leader for Bible evening, gave a most interesting review of the book, "Barabas."

The minutes of the last meeting were read and approved.

Twenty members answered to roll call.

There were two guests present and one honorary member, the hostess.

One of the guests, Mrs. Bricker, of Hicksville, gave a short talk on her life in the Philippines preceding World War II.

During the business meeting, it was voted to give $2 to the Heart Fund.

REBECCA WYATT WAGNER DEAD AT AGE 76

Funeral rites for Mrs. Rebecca Wyatt Wagner, 76-year-old widow, were conducted at 1:30 p.m. Friday in the Johnston Funeral Home in Butler followed by services at 2 p.m. in the Newville Church of Christ.

Mrs. Wagner died at 12:45 a.m. Wednesday, February 13, at the home of her son, Robbie Wyatt, of five and a half miles southwest of Butler. Death, resulting from complications, came following an extended illness. She was bedfast for 18 months.

Surviving, besides the son, are six grandchildren, 12 great-grandchildren and a sister, Mrs. Minnie Brace, of Scipio, near Butler. Mrs. Wagner was a member of the Newville Church of Christ.

Rev. Joseph Shenault, pastor of the church at Newville, officiated at the services. Burial was in the Newville Cemetery.

CONCORD JR. HOME DEMONSTRATION CLUB

The Concord Junior Home Demonstration Club held its February 4 meeting with Mildred Hanson as hostess.

The meeting was opened with the reading of the club collect. Mildred Hanson gave the history of the song, "Grandfather Clock," and the ladies assembled about the piano in the music room for a bit of harmonizing.

Devotions were given by Marcia Sible.

Poultry report was given by Katy Crow.

Outlook report was given by Gertrude Reinhart.

Marcelle Storer gave the lesson on broiler meals, which proved to be very interesting.

Garden report on planning varieties for freezing given by Florence Miller.

Roll call was answered by 17 members. Secretary's report was read and approved. A business session was then held.

Plans were made for a bake sale to be held in Auburn sometime in May. The club voted to give a donation to the heart fund.

Marcelle Storer gave a report on the roadside council concerning plans for the county roadside park north of Auburn. The club voted to provide two Forsythia bushes for the park.

Audrey Walter was received as a new member.

Penny march was taken and the meeting ended with everyone repeating the Lord's Prayer.

The next meeting will be held March 3 at Gladys Akey's home.

The hostess served delicious refreshments.

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, February 28, 1952 — NUMBER 9

Around the Town

With the Editor

It's a good thing Pickles won the regional A.A.U. trophy Sunday. I felt kinda funny Sunday night after blowing up the team, then they lose at Ft. Wayne with 89 local fans looking on—including the high school team.

There were two Pickle teams playing Sunday night. The squad was split and that's why they didn't fare so well at the Zollner tourney.

It looked as if big George Mikan was "grandstanding" when he entered the gym after all the other Lakers had made their appearance. But he wasn't.

As he left the dressing room, an elderly lady grabbed him by the arm and started a conversation. It developed that she had always been a fan of his and wanted to have her picture taken with him. Her son had a flash camera along—so George graciously posed for a moment and made her wish come true.

Then he bashfully walked ontoo the basketball floor greeted by a nice round of applause—if a 6 foot 10 inch giant can walk bashfully.

The Piston game was a pretty clean one—not too rough. And the Fort Wayne team didn't fizzle out in the last half. It helped, too, that Large Garge didn't have one of his big scoring nights.

Made sort of a complete weekend of clean basketball. I hear that the Hamilton-St. Joe game at Hamilton Friday night was one of the best as far as sportsmanship is concerned. In fact, Hamilton fans commented that the Tigers played the cleanest game of the year at Hamilton. And St. Joe rooters returned the compliment for the opposing five.

If that wasn't an occurrence of the aurora borealis—"northern lights"—Tuesday evening, it was a pretty good imitation. The display wasn't very bright, nor did it last long.

A glow appeared in the northern horizon, followed a few minutes later by streamers of light, appearing then disappearing with various intensities. Then just a glow low on the horizon again, and finally darkness.

It lasted only five or ten minutes at about 10:30 p.m.

Tigers, Raiders Drop Tourney Openers

Cal Grosscup & Co. of Auburn proved too much for the St. Joe Tigers Wednesday morning and easily won the second game of the morning at the Garrett sectional, 59-33. Fremont had taken the opening tilt from Spencerville's Red Raiders.

The locals from St. Joe started strong and were tied at 5-all before Auburn's height and Grosscup's accuracy led them to a 20-6 and a 20-9 quarter lead. It was 38-13 at the half and 47-24 at the end of the third period.

Auburn coach Randy Lawson used the second string freely after building up a commanding lead. Fouling frequently, the Red Devils lost Webb and Myers on personals.

Don Walters had 11 points and Richmond 9 for the Tigers. Grosscup had 26 to lead Auburn.

Spencerville lost their first tourney encounter to Fremont by a 50-34 socre. Off to a slow start, the teams could score only 11 points in the opening stanza as Fremont led, 6-5. Fremont pulled ahead 22-14 at the half and 37-26 at the third quarter.

Eddie Hook led Spencerville's scoring with 15, a let-down in comparison with his past scoring records.

MEETING DATE CHANGED

The Concord Jr. Home Demonstration Club has changed the date of its next meeting from Monday, March 3, to Monday, March 10. The change has been made to eliminate a conflict with the community skating party on that date.

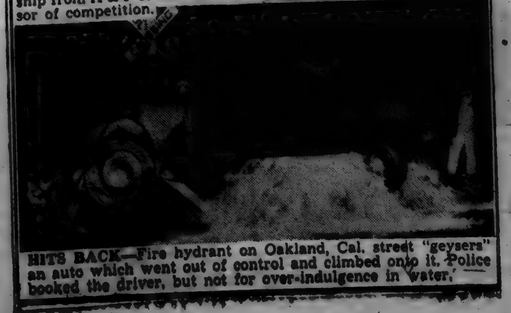
The meeting will be held at the home of Mrs. Gladys Akey.

People, Spots In The News

WHAT'S UP, DOC? Ask these 6-weeks-old jaguar cubs arriving at Philadelphia zoo from Colombia, S.A. In three years they'll weigh 200 pounds. (UP-Acme)

VOLUNTEER Fireman Albert Bishop 20, of Guilford, Conn., tells New York "pro" smoke-eater Martin J. Fleming how he won 1951 National Junior Vegetable Growers contest and $500 scholarship from A & P food stores, sponsor of competition.

POLISH refugee, 44, wears mask as he tells House investigators he watched Russians slaughter thousands of Polish soldiers at Katyn, Russia, in 1939. (INP)



HITS BACK—Fire hydrant on Oakland, Cal. street "geysers" an auto which went out of control and climbed onto it. Police booked the driver, but not for over-indulgence in water.

Community Skating Party Monday

Bus service from St. Joe and Spencerville will be available for those who wish to attend the community skating party on Monday, March 3, but have no way to get to the Silvermoon rink just south of Waterloo on route 27.

The bus will pick up Spencerville skaters at Chaney's Restaurant, leaving there at 7:15 p.m. St. Joe riders will board the bus at the school and leave at 7:30 p.m. A small charge will be made for the bus service.

Tickets for this second community skating party to be sponsored by the Recreation Club are on sale at Walters Store, Dunten's Market and the News Office in St. Joe. Spencerville skaters can get their tickets at Chaney's Restaurant.

The party starts at 8 p.m. and will last until 10:30 p.m. at the Silvermoon.

Tigers Win Finale

Hitting 23 of 78 shots from the field, the St. Joe Tigers won from Hamilton Friday night, 63-38. Hamilton made only 16 of 65 attempts.

St. Joe led all the way, 17-8 at the first quarter, 30-13 at the half and 38-28 at the end of the third stanza.

Ken Walters made 21 points for the winners and Jerry Keener 12.

NEWS ITEM—WOMAN SHOOTS OFF SOMETHING BESIDES HER MOUTH

One lady was on hand to show the men what a woman can do at the Pickle Shoot last Sunday—and did.

Entered in a squad of "hot-shots," she tied for first place and won the shoot-off.

The shoot was well attended, shooters from far and near vieing for the merchandise prizes, St. Joe Valley Brand Pickles.

While the scores were generally low, there was some excellent shooting, one squad going the round without a miss.

RURAL YOUTH

The DeKalb County Rural Youth held its annual box social February 19 in the court house at Auburn.

John Rinehart gave the devotions. A movie was shown on "Alaska Hunting" followed by a short comedy.

A letter was read to the club from Pfc. Harold Curie, now stationed in Korea.

After adjournment, the box lunches were enjoyed.

The next meeting will be on March 18. This will be Senior night, and their presence is being requested.

The co-op school for Rural Youth members will be held March 20 at Kimmel.

The DeKalb Rural Youth Club will sponsor a roller skating party April 1 at the Silvermoon rink.

4-H TRACTOR MAINTENANCE

The DeKalb 4-H Tractor Maintenance Club met Monday night at Dice Brothers Implement Store

The meeting was called to order by John Witt. Group singing in Auburn.

was led by David Dilley and Harlin Strite. The pledge to the American and 4-H flags was led by Larry Fuhrer. An interesting talk on the cooling system was then given by Frank Crabbe, a representative of the Ford Company. Karen Witt then sang a song. Movies were also shown by the Ford Company.

The club was then divided into three groups and shown how to tighten the fan belt.

Games were played and refreshments served.

There were forty members present at the meeting.

Pickles Take Regional Crown

Sechler's Pickles advanced to the finals of the Indiana State A.A.U. independent basketball tourney over the past week-end with Saturday wins over Gephart's of Huntington, 63-62, and Klenk's of Decatur, 73-57. On Sunday they defeated Indianapolis, 64-54, and Lafayette in an overtime, 65-59.

The locals came from behind Saturday afternoon to take a one-point victory from Gephart's, 63-62. The opposition held a first-quarter 20-17 lead and extended it to 37-30 at the half. They maintained the seven-point spread through the third period which ended at 54-47.

Pickles tightened their defense in the final quarter, holding their rivals to 8 points, meanwhile picking up 16 themselves. The score was 62-60 when Bill Schroer drove in for a lay-up and scored. Gephart's brought the ball down for a shot and missed. Pickles gained the rebound and stalled for one shot. Schroer again drove in with seconds to go, was fouled as he shot and sank the first free throw. Taking the ball out of bounds, the locals kept possession to win.

Schroer was tops in scoring for St. Joe with 17, followed by Stauffer with 14 and Beck with 13.

Klenk's were defeated handily in the evening win for the Pickles who led throughout. Quarter scores were 20-15, 38-31, 56-47 and the final 73-57.

Clark led scoring with 25. Beck had 13. Moser picked up 25 for Klenk's.

On Sunday at Bedford, the locals won from Indianapolis in an abbreviated contest, 64-54. The Indianapolis team suffered from lack of numbers and foul-itis. Three men fouled out with about three minutes to go and because they had only six men on hand, chose to call a halt to the game.

Pickles led 23-18, 37-33 and 53-48 at the quarters.

Schroer and Day led the scoring with 14 each. McCarter had 11.

It took an overtime effort Sunday night to dispose of a Lafayette team. The score was tied at 18-all at the quarter. The locals pulled ahead at 32-23 at the half. Lafayette outscored Pickles 20 to 12 in the third period to pull up to 44-43. At the end of regulation time, the score again was knotted, this time at 57-up.

Clark, Day, Schroer and Broderick dumped in fielders during the extra period while their opponents could get but one. The final score was 66-59.

Sunday, March 9, is the next playing date in the A.A.U. tournament, again at Bedford. The winner of this set is eligible to enter the national meet at Denver, Colorado. Pickles will face the Michigan City Moose. The winner of that game will meet the winner of the Bedford-Brownstown tilt for the state title.

COBURNTOWN CHURCH NEWS

Sunday evening at 6:30 the young people held their Christian Endeavor in the church basement. The meeting was called to order by the president, Joan Curie, by singing a few songs led by Mary Wilder. Prayer was given by Donald Mann. The lesson was given by Marie Fulmer, followed by questions and discussions of the Life Problem. The benediction was given by Betty Witt.

The Busy Beaver, C.E. was held in the church auditorium. The name of the lesson was "Growing In Honesty." It was led by Junior Witt. A special number was given by Karen Witt. There were seventeen present.

At 7:30 church services began. The trio of Laud Church of Christ sang a few numbers. There were 110 present.

March 28 is the date for the big rally at Garrett. Over a thousand are expected to attend this meeting. The youth banquet is at 5:30 p.m.

Assessing Begins March 3

Assesing in Concord Township will begin Monday, March 3, Don Keller, township trustee, has announced. Trustees are required to make but two rounds of their respective townships in gathering their assessing data. The second round of the township will probably begin around April 1.

After the second round, it is necessary for residents to contact the trustee for their assessment should they not be at home when the trustee calls.

Mr. Keller will leave a card at homes where there is no response to inform the resident that a call has been made.

Pancake And Sausage Supper At Legion Home

The Legion Auxiliary is serving a pancake and sausage supper Saturday evening at the post home in St. Joe. The public is invited.

Serving begins at 5:30 p.m.

Children's servings will be offered.

FINAL HOME GAME NEXT WEEK

The last "home" game of the season for the St. Joe Pickles will be played next Friday, March 7, at the Butler High School gym.

Pickles' opponents will be Tri-State College and the game will be played as a benefit for the Butler Lettermen's Club.

Game time is 8:30 p.m.

Pickles also play a benefit at Talma, Indiana, on Wednesday, March 5.

The South Bend Studebakers, one of the strongest negro teams in the South Bend area, will furnish the opposition.

Game time at Talma Wednesday is 8 p.m. Talma is ten miles north of Rochester.

Hook Reaches 1000 Mark Against Salem

Eddie Hook scored his 1,000th point of his high school basketball career Saturday night against Salem Center. He scored 29 to hit the mark with exactly 1,000 His final bucket swished the net just as the buzzer sounded ending the game.

The Raiders didn't do as well though and lost the game 67-61.

Quarter scores were 12-9, 25-24 and 44-43, all in Salem's favor.

Jack Haas picked up 11 to follow Hook in the scoring.

ADDITIONS TO MARCH OF DIMES TOTAL

Two additions have been made to the March of Dimes colections for this community.

The total as announced last week was $110.93. The additions include $8.50 from the Ladies Literary Club and an additional $2.-20 for the Culture Club. The Culture Club contribution was $7.20, not $5.00.

CONCORD TWP. HOME EC

Mrs. Mildred Dunten was hostess to the February meeting of the Concord Home Economics Club on February 15.

The meeting opened with the song, "Dixieland," followed by the club creed and song. Devotions and prayer were given by Violet Kline. Twenty-six members and two visitors responded to roll call with Valentine verses. Two poems were read by Katherine Haller. A reading by Mary Washler and a negro story were read by Ethel Wineland whose costume and dialect were very amusing. Doris Yeiser presented corsages to those who had birthdays in February.

Miss Moore gave the lesson on Legal Procedure for the Home. The secretary's report was read.

The hostess and her committee, Phyllis Heyman, Ella Myers and Clara Foltz, served ice cream, cake and coffee.

Fox Hunt Saturday

The St. Joe Valley Conservation Club will have another fox hunt on Saturday, March 1.

Gathering at 9:30 a.m., the group will leave the club grounds west of St. Joe in search of the bushy-tailed culprit.

Shotguns will be allowed but no rifles. Plenty of dogs will be available, the club has announced.

THE AMERICAN WAY

How To Spoil A Good Dish !

Spencerville News

Week-end guests at the Maurice Miller home were Mrs. Virgil Perry, Mrs. Fred Strebil and son of Manhattan Beach, Cal., Mrs. John Hartwick and Cheri and Billy Baker of Schneider, Ind., Mr. Newton Ferry of Hicksville, Mr. Walter Baker of Butler, and Mr. and Mrs. Wilbur Perry and Jane Peters of Fort Wayne.

Mrs. Lucy Beams was hostess to the Lutheran Ladies Aid with 21 members present. Jean Mumma was the speaker for the afternoon. All had a very enjoyable time.

Miss Ida Reed was a Saturday evening supper guest of Mr. and Mrs. Richard Calbeck.

Mr. and Mrs. Ted Moore and baby of Wauseon, O., were Sunday visitors in Spencerville.

Mrs. Daisy Markle spent Saturday and Sunday in Fort Wayne with Mr. and Mrs. George Stewart and family.

Mr. and Mrs. Milton McGrath returned Sunday from a two-week vacation in Florida.

Pvt. Herbert A. Hoover left Thursday evening by plane for Fort Lawton, Washington, after spending fifteen days at home.

Carolyn Kimes entertained with a bridal shower for Helen Surfus on February 18. Those present were Helen Surfus, Mrs. Goldie Kruse, Mrs. Richard Leighty, Margery Hollabaugh, Pat Akey, Madolyn Reid, Gloria Steward, Cleo Gerig, Adair Reed, Dorothy Nusbaum, Ruth Friend, Shirley Ritenour and Lois Kimes.

Sunday dinner guests at the Virgil Kimes home were Mr. and Mrs. Clarence Daily of Berne, Mrs. Minerva Kelley and the Misses Lucille and Mary Kelley, all of Auburn.

Lavon Furnish, who was graduated with the B. S. degree Sunday, February 10, by the Indiana University School of Business, has accepted a position in the purchasing department of the Mead Corporation at Chillicothe, O.

Mr. and Mrs. Harold Knapp of two miles southwest of Garrett have received word from their son, Pvt. Ivan L. Knapp, that he is now stationed with the 561st Military Police service at Osaka, Japan. Pvt. Knapp had been stationed at Fort Riley, Kansas, and left for the Far East January 14.

John Dove was granted a divorce this month from Ella Dove. The judge granted Mrs. Dove restoration of her former name of Ella Dix.

Ronald Emenhiser and family and Cal Laux and wife and Arlene Laux were Sunday dinner guests in the Ray Sumption home near Olivet, Mich. They also spent some time in the afternoon in the home of Mrs. Ross Sumption near Mason, Mich. Ray is a brother of Mrs. Laux.

Pancake & Sausage Supper

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH I. FOREMAN

SCRIPTURE: Acts 4:32-37; 9:26-27; 11:19-30; 13:1-4; 14:8-15; 15:1-4, 22-35. DEVOTIONAL READING: Matthew 6:19-34.

Talent for Goodness

Lesson for March 2, 1952

MANY people can paint, or swim, who have no special talent for painting or swimming. So, many people are good who do not seem to have a special talent for goodness. This talent is not so common as we all wish it were. Goodness, real goodness, has many limitations. Two of the commonest are goody-goody-ness and good-for-nothing-ness. Goody-goody people rub normal people the wrong way. Good-for-nothing-ness is not so irritating, but it is far from satisfying. Don't we all know persons of whom it is said, "He is good, but —"? Now of a really good person you never say "He is good, but—." You say, "I only wish there were more like him."

Dr. Foreman

• • •

He Chose to Help

SUCH a man was Barnabas, one of the leaders of the first Christian church. He was called "our beloved Barnabas" not by a single congregation but by a great church council. The whole Christian family of his time thought of him as "our Barnabas," and they loved him.

He was not what you would call a specially gifted man. He was very impressive in personal appearance, for we know that among superstitious people he was taken for Jupiter or Zeus, the most powerful of the Greek gods. But he was no gifted speaker, and if he wrote anything we do not hear of it.

His one great gift, his God-given talent, was goodness. He is described as a "good man, full of the Holy Spirit and of faith." He is first heard of as a property-owner who sold his land and turned over the proceeds for the benefit of his fellow Christians. He was one of those who "called not anything their own" but contributed all they had.

• • •

He Could Take a Back Seat

IF I can't be corn I don't want to be shucks" is a proverb Julius Caesar might have thought of if he had been a farmer instead of a general. Once that famous man was marching through a miserable little mountain village and one of his aides said something about "this hole." The general turned on him: "I would rather be first in this village," he said, "than second in Rome."

Most of us know how old J. C. felt, because most of us are not very good. But a really good person never feels that way. Your imitation-good person will take a back seat hoping soon to get his invitation to come up higher, and if he doesn't get it he will feel very peevish about the whole business.

A truly good person will be just as contented with the back seat if there is an abler man in the front seat. Now Barnabas was a good man, and he could take a back seat gracefully, could even do what is most difficult, resign from the front and slip into the rear.

He and Paul were the first missionary team in Christian history. During the time of their work together in the city of Antioch, and at the time the church commissioned them as missionaries, they are mentioned as "Barnabas and Saul." But, when they came back from that journey they were "Paul and Barnabas" and so they remained.

Paul was Barnabas' protege, his pupil, his assistant; and some men would be mightily irritated if their smart young assistants push into first place; but not Barnabas. He had that talent for goodness which includes being glad to play second fiddle to a better musician.

• • •

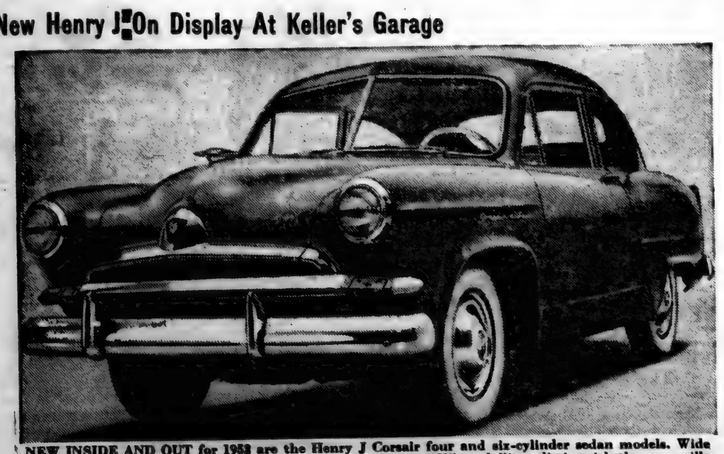
He Could See God

BARNABAS had another rare quality found in pure goodness: he could see good in others that was not on the surface. When Saul had just been converted everybody in Jerusalem thought he was faking; but Barnabas was the first to take him by the hand and believe in him.

When the church at Antioch, an inter-racial experiment, was worrying the old-line church at Jerusalem, Barnabas was sent up to look the situation over. Where others saw only a doubtful experiment, Barnabas "saw the grace of God and was glad."

Barnabas was the leader who recognized he could not do everything alone; he was the one who went after Paul and gave him his first real chance to become a Christian leader. Later on, when Paul wanted to fire young Mark as a quitter, Barnabas believed in him—and turned out to be right, too. It takes the truly good to see good!

New Henry J On Display At Keller's Garage



NEW INSIDE AND OUT for 1952 are the Henry J Corsair four and six-cylinder sedan models. Wide horizontal bars, which enclose parking lights and a bronze "K" medallion, distinguish the new grille design. The rear styling treatment features new tail lamps mounted in the crown of the fenders. Exceptional fuel economy and high-performance horsepower are leading mechanical features of the low-priced models. Illustrated is the six-cylinder Corsair DeLuxe.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

THREAT OF COMMUNISM—The danger of communist spies in this country continues as a real threat to our national safety. This startling fact was brought to light in testimony submitted by an agent of the Federal Bureau of Investigation, who posed as a Communist Party member in Boston for nine years.

Herbert A. Philbrick was a counter-spy for the FBI up until the time he took the stand against the 11 Communist Party officials who were tried for conspiracy to teach the violent overthrow of government.

He stated that all of the communist leaders who have been arrested in the last year are just "fall guys" for the real bosses of the party. The actual leaders "still active and most dangerous are the so-called pro-groups--the party's elite-- who are still untouched." There are about 2,000 "pro-" members in the nation, he charged, and they are the most intelligent and secret members of the party.

In the event of war with Russia, Philbrick said, this group would be the most dangerous because of their influence and their avowed purpose of "creating confusion."

This means that many Communist spies are still at large to commit sabotage and otherwise impair our defense effort in their ultimate objective of overthrowing our government. We must remain alert and on guard against this menace.

CHERRY BLOSSOM TIME—One of the annual events looked forward to in Washington and throughout the nation is the Cherry Blossom Festival. Spring is a beautiful season in the nation's capital. There is no more beautiful sight than Washington with the cherry trees in bloom. Thousands of persons throng the city for the event. To furnish added entertainment for the visitors this spring a five day festival is planned. It will be held from April 2 to 6, two days longer than any previous cherry blossom program. New highlights will be a water carnival on the Tidal Basin and a downtown illuminated night parade. Many Fourth District residents will probably take advantage of the festival this year to make a trip to the nation's capital.

WAR CLAIMS—Public Law 16, approved by the 82nd Congress, extended the date for filing claims under the War Claims Act to March 31, 1952. Any one in the Fourth District who has a claim should file it with the War Claims Commission at Washington by that date.

MORE RED TAPE—Rear Adm. Ring, Vice Chairman of the Munitions Board's Office of Supply, has told a congressional committee that defense department procurement officials are hampered by red tape. He said (defense) buying has become largely "a solution to a lot of social problems."

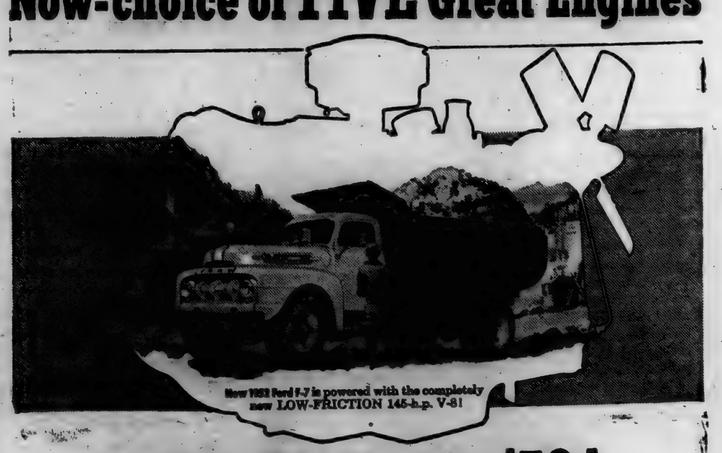
Now-choice of FIVE Great Engines



in Ford Trucks for '52!

3 NEW Low-Friction engines!
Gas savings up to 14%!

Ordinarily, engine friction alone can steal as much as 30% of the power your engine develops. Ford's new short piston stroke cuts piston travel, reduces gas sacrificed to engine friction, *delivers* more of the power developed! These three new engines, PLUS the famous 239 cu. in. V-8 (now 106 h.p.), the 112-h.p. Big Six, the new Courier Custom Delivery, mean that there's a Ford Truck that's exactly right for your kind of job—at a rock-bottom per-mile running cost!

Completely PROVED under toughest conditions! High-compression punch with regular gas!

101-H.P. COST CLIPPER SIX: New LOW-FRICTION design. 215 cu. in. Available Series F-1 thru F-5.

106-H.P. V-8: 239 cu. in. Proved in 2,000,000 trucks. Available Series F-1 thru F-6.

112-H.P. BIG SIX: 254 cu. in. Available in Series F-6 only. 110 h.p. in Series F-6 C.O.E.

145-H.P. CARGO KING V-8: New LOW-FRICTION design. 279 cu. in. Standard in Series F-7 Big Jobs.

155-H.P. CARGO KING V-8: New LOW-FRICTION design. 317 cu. in. Standard in Series F-8 Big Jobs.

Cost still less to run!

Availability of equipment, accessories and trim as illustrated is dependent on material supply conditions.

SPORTSCOPE By Joe MAHONEY

Local News

Mr. and Mrs. John Cook left Saturday for Florida and a vacation for a week.

Mr. and Mrs. Vern Frederick spent Sunday afternoon with Mr. and Mrs. Robert Hursba and family of near Leo.

Marlene Cornell and Carol Sue Cook and Kent Burkhead spent Sunday with Mr. and Mrs. Karl Hart and Tom.

Pvt. Donald Yeiser's new address is: Pfc. Donald K. Yeiser US55200167, Prov.-SE-690, APO 613 c-o PM, San Francisco, Cal.

Mr. and Mrs. Roy Bowser and Mr. Bowser's father, R. U. Bowser, of Spencerville drove to Xenia, Ohio, Sunday to call on Homer Bowser, a brother of R. U. Bowser, who has been quite ill for the past month. Mrs. Marie Draggoo accompanied the Bowsers as far as Springfield where she will spend the week with her daughter, Mrs. Marshall Morr, and family. Jo Bowser who is a student at Wittenberg College in Springfield accompanied her parents and grandfather to Xenia.

Approximately one half of the rooms set aside for the Indiana delegation planning to attend the General Federation of Women's Clubs convention in Minneapolis May 12-16 have been reserved. The Radison Hotel will house the Indiana delegation with Indiana headquarters on the mezzanine floor. Convention sessions will take place at the Minneapolis auditorium. Mrs. Walter Cramar, Garrett, 12th district chairman of the "All for Ahlgren" campaign, announced today that the deadline for holding 150 rooms at the Radison Hotel for the Indiana delegation is April 28. Mrs. Wayne Smith, Auburn, is serving as DeKalb County chairman of the Ahlgren committee and is helping with local arrangements to make plans for transportation.

American Legion 4th District Commander Alva J. Miller of Churubusco visited the local legion post Tuesday night.

Mr. and Mrs. Daniel Deady and son of Fort Wayne and Mrs. D. I. Fair and son, Ensign Jack E. Fair, of Forge City, Pa., were visitors in the Lester Coburn home Sunday and Monday.

Mr. and Mrs. Clyde Hart and Mr. and Mrs. Fred Hart of St. Joe entertained to a pot luck supper at their winter home in Port Richey, Fla., on Sunday evening, February 24, the following people from DeKalb County: Mr. and Mrs. Claud Laub of Spencerville, Mr. and Mrs. Elwood Hart and Jack, Mr. and Mrs. Ralph Sechler and Mrs. Leila Northrup of St. Joe, Mr. and Mrs. Alpha Zook, Mrs. Ruth Teutsch, Mr. and Mrs. Walter Mutzfeld and Mr. and Mrs. Roy Blaker and David of Butler, Mary Lenore Moore of Auburn, Mrs. Velma Husselman and Mrs. Mildred Grogg of Waterloo. Other guests were Mr. and Mrs. Lee Tustison of Defiance, O., and Mr. and Mrs. Arthur Pinkerton of Bryan, Ohio.

Through a mutual acquaintance Harold Curie and Allen Haller were able to locate each other and get together for a visit in Korea. The boys agree that it was good to see someone from "home," but they hate to see anyone sent to Korea.

Mr. and Mrs. Glen Cole and Mrs. Vernie Monroe were at the St. Joseph Hospital in Ft. Wayne to see Leon Sechler Friday of last week. His condition remains very serious.

Mrs. Thelma Baker is recovering from an attack of the flu.

Carlos Church and family are moving from the Grace Dilley residence north of town to the Fred Elson residence in St. Joe.

Mr. and Mrs. Ray Means, Mr. and Mrs. William Staman and Mr. and Mrs. Glen Cole were entertained to a fish fry Saturday night by Mr. and Mrs. Don Burley.

Merritt Sechler has been visiting the Woodcox family at Columbus, O., the past week. Maude Woodcox accompanied him home Wednesday and will visit in the Glen Cole home until Sunday.

Cora Curie spent sveral days with her daughter, Lucille Fredric, in Fort Wayne last week.

Bob Walters has been eliminated from the Golden Gloves competition at Chicago.

Others have been amazed. See for yourself how fast chicks grow on Wayne Chick Starter. It is a Rocket-fast, strong start that counts. You can depend on Wayne. Myers Elevator, St. Joe, Ind. Certified Clinton "59" seed oats. Spencerville Elevator, Spencerville, Ind.

For sale—Jersey cow, 6 yrs., old, fresh soon. Lloyd Corbin, 3 mi. west of St. Joe. 9t1p

For sale—7 room modern house in St. Joe. $2500, $700 cash and take over loan. Mrs. Homer Braden. 9t1p

Wanted—baby crib. Mrs. Lester Coburn, phone St. Joe 13F22. 9t1p

Results Of Local Hunt - Pretty Foxey, Eh?

Pictured above are several of those who participated in the recent fox hunt sponsored by the St. Joe Valley Conservation Club.

From left to right—Jack Bond, Virgil Gerig, Joe Mills, L. DeLong, unidentified, Donald Black, William Beebe and Donald Baker.

Dry a week's wash Electrically...

for the cost of a week's news!
For about the same bargain price that most folks pay for a week's newspapers, you can buy enough electricity to dry a week's family wash in an electric clothes dryer. And even that money comes back to you, really, if you consider the wear and tear a dryer saves on clothes—and mother!
VALUE far beyond the trifling price you pay...
that's electric service under the sound business management of tax-paying utilities.

The St. Joe News

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, March 6, 1952 — NUMBER 10

Around the Town

With the Editor

Rev. Baker reported Monday afternoon of one of the phenomena of nature as revealed in the magazine section of the Sunday paper. They call it a "green comet" or "green meteor" and the write-up appeared two weeks ago.

It seems that "Buck" and Phyllis Ritenour saw one of those green heavenly bodies appear and explode last Sunday morning at 12:30 a.m.

Most of the men and boys on those fox hunts around here do it the hard way, tramping through the fields, etc.—and then there's Merl Guilford. Last Saturday, I hear, he was sitting in his car by the covered bridge south of town when—there came the fox right towards the car. As he (Merl) opened the door, the click of the latch gave a warning to the crafty one (the fox) who took off. Merl gave him a dose of his 410 which didn't have a telling effect.

How do you like that—sitting there in a comfortable car and a fox obligingly comes right towards you—and then try to pick him off with a pea-shooter!

Glenda Sible had a major problem solved at the skating party Monday night. No—it wasn't a pillow worn in the proper place. She made use of the lowers to a snow suit. No dirty knees, no scuffed legs, and it was softer landing, too.

You don't have to be old to remember "the good old days" when the butcher used to give Junior a raw hot dog to munch on when accompanying Mom to the store. With the changing world and high cost of living, the butcher can't very well pass out the "dogs" as before.

But Allan Amstutz, Danny Kessler and Mike and Dave have found another source. When the Parrott meat truck arrives in town, they're usually on hand to greet it and "promote" a weiner or "knocker" from Fred Reuber, the friendly driver. They made a successful touch Tuesday noon and Mike came in the shop enjoying one of those garlic-flavored knockers. I bummed a bite from him.

They're good—ever try 'em?

Delores Ross Local Legion 'Queen'

Miss Delores Ross, a senior at the high school in St. Joe, has been selected to represent Walter Whitehurst American Legion Post 283 in the district and state American Legion Queen Contest.

The local post announced this week that Miss Ross has been chosen their "queen" to represent the post in the contests. She will be eligible for prizes and awards to be given the winners of the contests.

Winners will be chosen on a percentage basis alone on each member of the Legion for 1952, thereby giving smaller organizations as much or more of a chance of winning as the larger units.

Miss Ross is the daughter of Mrs. Charles Cook.

Square Dance At St. Joe Saturday

The K. of P. Lodge of St. Joe is sponsoring a round and square dance Saturday evening.

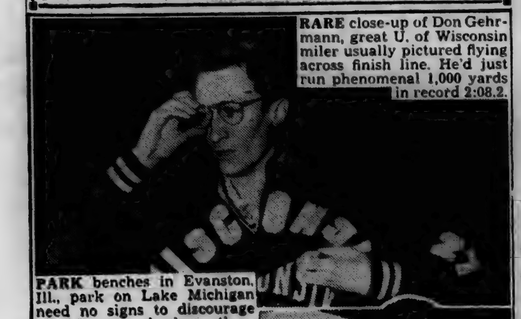
The dance will feature Amos Snyder, "the best caller in northern Indiana," and the McKown Gang of Newville with the musical accompaniment.

Starting at 8:30 p.m., the dance will continue as long as dancers are on hand to enjoy the occasion.

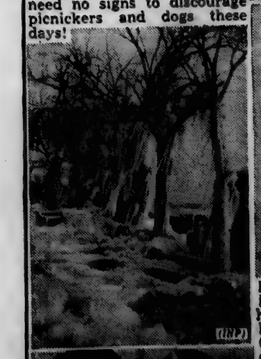
The St. Joe gym will be the place of the festivities, Saturday, March 8.

The K. of P. Lodge is sponsoring this dance as a benefit, proceeds to be used for the maintenance and improvement of the local cemetery.

People, Spots In The News

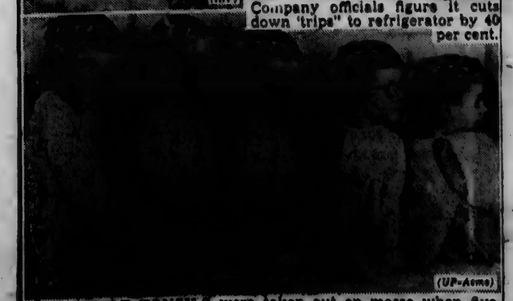


RARE close-up of Don Gehrmann, great U. of Wisconsin miler usually pictured flying across finish line. He'd just run phenomenal 1,000 yards in record 2:08.2.



PARK benches in Evanston, Ill., park on Lake Michigan need no signs to discourage picnickers and dogs these days!

ELBOW does it. Typical of latest ideas for making things easier for housewives is this elbow-easy door latch on new Servel refrigerator. Company officials figure it cuts down 'trips" to refrigerator by 40 per cent.



TEN LITTLE TONSILS were taken out en masse when five children of the Robert Connor's of Rochester, N.Y., got tonsilitis at the same time. "Saving on that ice cream," they say.

New Questions In Assessing

County assesors, township trustees and elected assessors and deputies, are now in the process of contacting county residents for their 1952 assessment.

Some of the changes and additions in the forms for use this year include these questions: did you hold deed to real estate at your present address or in this taxing unit as of March 1, 1952? Did you make any improvement since last March 1? If so, give the legal description of the real estate where the improvements were made, the nature of the improvement and the actual cost. Have you installed a stoker, oil burner, gas burner, automatic hot water heater, water softener, air conditioner, garbage disposal unit, cabinet units or electric pump since last March 1?

The assessor will also want to know if any member of the family is in the armed forces.

Dog owners were warned to be prepared to pay for dog tax when the assessor calls. If not paid before his report is turned in, the auditor will double the tax and add it to the taxpayer's assessment.

Supplemental forms covering business firms must be returned to the county assessor not later than May 15. They must be complete and signed by an authorized representative.

Some of the valuations established include:

Work horses, $40 and up; race horses with records, $500; stallions and mares, $300; drivers and saddlers, $200; ponies, $100; mules, $40.

Registered cows and bulls, $300; good cows and bulls, $200; common cows and bulls, $150; stock cattle, 70 percent of market value; registered milk cows, $300; good milk cows, $200; common milk cows, $150.

Registered sheep, $40; common sheep, $25; wool at 70 percent of market value; milk goats, $10; registered sows and pigs, $80; registered brood sows, $50; registered male hogs, $45; common brood sow with pigs, $60; common brood sows, $45; gilts, $35; stock hogs and fat hogs, 70 percent of market value; common male hogs, $30.

Light chickens, $6 a dozen; heavy chickens, $8 a dozen; ducks, $6 a dozen; geese, $1 each; turkeys, $3 each; guineas, $3 per dozen; silver and black foxes at 70 percent of market value; rabbits, $6 a dozen and mink at 70 percent of market value.

Grains and seeds are to be assessed at 70 percent of the March 1 market price. The same formula applies to hay. Maple syrup is to be assessed at $4 a gallon and sorghum molasses at $1.50. Potatoes and apples will be assessed on the basis of 70 percent of March 1 market price.

Diamonds are to be assessed at $300 a carat, and law books will be valued at $1 a volume for taxation purposes.

The customary depreciation schedules will be followed on furniture and household goods. However, on automobiles and farm machinery, the pattern will be those established in the red book and national tractor and farm implement blue book.

Pfc. Surfus Now In Movies

Pfc. Glenn W. Surfus, son of Mr. and Mrs. Ralph Surfus of Rt. 1, Auburn, is one of the members of the 508th Military Police Battalion who will appear in the new Metro-Goldwyn-Mayer movie, "The Devil Makes Three," starring Gene Kelly and Pier Angeli, now being filmed in Bavaria.

The military policemen will play the part of military policemen who participated in the story which was taken from the files of the U.S. Army Criminal Investigation division and concerns smuggling in Bavaria. Pfc. Surfus is a graduate of St. Joe high school.

Candidates File For Primary

Candidates for county offices in the May primary have been filing declarations with Clerk Ralph Bruce. Filing of notice of candidacy extends through March 27.

Republican hopefuls have taken the initiative in filing with but one Democrat seeking nomination thus far. Chester H. Shultz of route 1, Waterloo, seeks nomination as county commissioner from the North District.

Republicans registered are as follows: Charles Miser and Roscoe Walter for state representative from DeKalb County; John C. Brown and Hildred Ensley for county treasurer; Willis K. Batchelet for joint senator from DeKalb-Steuben-Lagrange counties, Ralph Bruce for county clerk; Arnold Milks for surveyor; Marcile Watson for county recorder; James A. Angelone for prosecuting attorney.

Eleven Republicans have filed seeking election at the primary as delegates to the July 3 convention of the Republican party: Ward Jackman, Dr. E. O. Hall, Mabel E. Lyons, Howard D Foust and Harry Shull (Union Township; George Milks (Smithfield Township); Lloyd W. Yeiser (Concord Township); H. Clark Springer and Clifford Parker (Wilmington Township); Russell Housel (Butler and Jackson Town ships); William R. Howard (Keyser Township).

Seven Republicans filed for precinct committeeman. They are Howard V. Dilley for Union No. 4; William Staman for Concord Township; Albert Impton for New ville Towship; Hazel Hall for Union No. 1; Oliver Opdycke for Grant No. 2; Frank W. Stoy for Smithfield, northwest, precinct; and Myles Hixson for Butler Township.

2 New Civil Defense Posts

Dean Sigler, deputy director of aviation and ground observation in DeKalb County, announced last week that two more observation posts are being set up in the Civil Defense program.

Authorization has been received for opening of a post at Butler Center, south of Garrett. The Butler Center post will be manned by Garrett ground observation corps workers

Activation of the second post will be at Butler. James A. Hoffer has been named as supervisor for the ground observation workers at Butler.

A supervisor at Garrett will be named within the next several days by K. P. Sithen, community director of Civil Defense.

Creation of the two posts will bring the number of observation centers in DeKalb County to five. Posts have been in operation at the Auburn airport, Waterloo and at St. Joe-Spencerville for several months.

LOYAL WORKERS CLASS

The Loyal Workers Class of the Spencerville Lutheran Sunday School held their monthly meeting at the home of Mr. and Mrs. George Beams on Friday, February 29.

The program committee for the evening was Mrs. Susie Laux, Mr. and Mrs. Bartell and Miss Fern Walter.

The entertainment consisted of songs appropriate for for the Lenten season, scripture readings and prayer readings.

These were followed by a short business session, Bible quiz and two contests.

"Happy Birthday" was sung fot members of the class who had a birthday in the month of February. All then repeated the Lord's Prayer.

A delicious lunch was served to twenty-two people.

The very pleasant evening was closed with a social period.

Next month's meeting place has not as yet been decided.

Auburn v. Central In Regional

Randy Lawson's Auburn Red Devils will attempt to extend their regional record to four straight this week end when they play at North Side gym next Saturday. The Red Devils are the only team in the state with a record of three straight regional championships.

But the field will not be so easy at Fort Wayne as their sectional at Garrett Saturday night when they overpowered the Scott Center five, 72 to 53. They run right into those always tough Central Tigers who will do everything in their power to keep the Red Devils from repeating. The two teams play at 1 p.m. Saturday afternoon. Kendallville and Decatur will meet in the second afternoon game at 2:15 for the right to play in the finals at 8:15.

Evangelistic Services March 17 To 28

A special series of evangelictic meetings will be held at the St. Joe Church of Christ from Monday, March 17, through Friday, March 28. Services will be held each evening beginning at 7:30 p.m. with Mr. and Mrs. Frank Ritz of Vanderbilt, Pa., as evangelist and song leader.

Mr. Ritz, a former West Virgin-

MR. FRANK RITZ

ia boxing champion, has a wide background of experience from which to draw his interesting and informative meetings. He is minister of the Church of Christ at Vanderbilt and he and his wife

MRS. FRANK RITZ

have gained a remarkable reputation throughout the country for their successful meetings.

Donald Foust, minister of the St. Joe Church of Christ, has extended a cordial invitation to the community to hear Mr. Ritz, with the recommendation that "it will be to your benefit to hear him and know him."

BAG TWO IN FOX HUNTING

Thirty to forty successful fox hunters took part in the second hunt in the past few weks sponsored by the Conservation Club.

The boys and men bagged two of the fuzzy tailed animals, one male and one female.

Interested readers might ask Merl Guilford about his grandstand seat at the hunt—says Jerry Haves.

Pancake & Sausage Supper March 14

The public has been invited to a second pancake and sausage supper on Friday, March 14.

The Auxiliary of Walter Whitehurst American Legion Post 283 will sponsor the coming supper, having served a similar event last Saturday evening.

Serving on Friday of next week will begin at 5:30 at the local post home. Adult and children's servings are offered.

PRACTICE SHOOT SUNDAY

There will be a practice shoot at the Conservation Club grounds just west of St. Joe next Sunday, March 9.

The shoot will start at 1 p.m.

The Proposal

Local News

The P. T. A. minstrel show, originally scheduled for Friday, March 14, has been postponed to a later date. The new night for presentation of the show will be given soon.

Mr. and Mrs. Floyd Reasoner, daughter, Susie, and Mr. and Mrs. Dan Ferber were Sunday guests of Mr. and Mrs. Ray Reasoner.

The Wittenberg Brotherhood will be held at the Hamilton Christian Church on Wednesday, March 12, with supper served at 7 p.m. by the ladies of the church. Mr. Chas. Carbaugh will be the speaker.

Pickles will play their last home game Friday evening at Butler. They face Tri-State College in a benefit game for the Lettermen's Club of Butler.

Mr. and Mrs. Olen Waltz had as Sunday evening supper guests Mr. and Mrs. D. D. McDaniel of Garrett.

Sunday supper guests of Mr. and Mrs. Ted Haberkorn and sons were Carl Hauke and Carolyn Endorf of Fort Wayne.

Mrs. Marlene Krafft has filed suit in the DeKalb Circuit Court seeking a divorce from Wendell Krafft. The couple was married December 28, 1950, and separated last Tuesday.

Mr. and Mrs. Ralph Sechler have returned from a month's vacation in the state of Florida.

Mother Olson and daughter, Mrs. Fisher, mother and sister of Chic Olson of Olson and Johnson fame, had lunch with Mrs. Lloyd Dunten Wednesday noon.

Mrs. Avis Staman, Mrs. Agnes Monroe and Mrs. Laura Burley were at Fort Wayne Friday to see Leon Sechler who is in St. Joseph's Hospital. He remains in serious condition.

Maude Woodcox of Columbus, O., returned home Tuesday accompanied by Merritt Sechler. Mrs. Woodcox was a guest in the Glen Cole home.

Aaron Holman is in the Lutheran Hospital at Fort Wayne three weeks for eye treatments.

Charles Cook and family attended the golden wedding anniversary of Mrs. Cook's parents, Mr. and Mrs. Isenberg, of the Newville community.

Balance Sheet

Lesson for March 9, 1952

IT is not every man who at the close of his life can look back and say that life has brought him more than it took away. Death, or the approach of death, is a reminder it is time to balance our books. There was a man named Paul sitting in a Roman prison. He was to be tried on a capital charge, and there was no certainty that he would be acquitted.

Dr Foreman

Yet if the Romans had only known it, that solitary prisoner, whose very food was provided by the charity of friends, was the happiest man in Rome. He looked back over his eventual life and in a letter to his friends, while admitting that he had lost much, counted everything well lost in comparison to what he had gained. The balance sheet of Paul's life showed no deficit, but an enormous balance on the credit side.

• • •

Losses Written Off

PAUL gave several thumbnail autobiographies, some of which are included in the Scripture readings for this week. So we know pretty well what he had to give up.

What would strike most of us today is his loss of comfort and security. Modern Americans want above all to be comfortable and secure.

Probably Paul missed comfort and security as much as any man, for he was born to both. But as an "ambassador of Christ" he had had to give all this up.

He had long since exhausted whatever money he may have had; he had to work at hard manual labor to support himself; he was a constant traveler, which in those days did not mean Cadillac cars, Pullmans or even foam-rubber bus seats; it meant dirt and fleas and bad food and seasickness and wrecks (we know of four he had); it meant sometimes being half-starved, sometimes robbed and always in danger of armed robbery.

• • •

His Worst Losses?

BUT there was worse. A wise man does not count hardships his heaviest losses. To lose freedom is more serious. And Paul (when he wrote to the Philippians) had been under arrest for more than four years. He had been jailed at Jerusalem first, then for two years in Caesarea, then a journey in chains to Rome, and then in Rome for we don't know just how long.

Paul was just the temperament that feels imprisonment most keenly. Active, vigorous, always on the go, the four walls of a cell or even the four walls of a house must have galled him terribly. But perhaps worst of all was loss of standing in his home community.

He was born both a Jew and a Roman (as a Jew today may be a good American or a good Frenchman too); but the Jews looked on him as a traitor to his race, a man not fit to live; while the Romans regarded him as a crack-pot at best, a subversive agitator at worst.

Whatever advantages Paul had had at birth or by education, he had definitely lost long before the end.

• • •

Credit Balance

YET Paul, in writing up the balance sheet of his life, calls everything he had lost so much trash, in comparison with what he had gained. To his mind it was like losing a truck-load of ashes and finding one diamond.

We ourselves, not being, alas! saints, if we had fixed up his balance sheet, would have put some items on the credit side that he does not mention. After all, he was then and still is Christendom's first citizen.

For many of us, and all of us call him Saint, which means he belongs to God's aristocracy. You can afford to lose a good deal for that; He was also, and still is, close to the top, if not at the top, of the list of the most influential men in the world's history, aside from Christ himself. He is this, because almost half the books in the New Testament were written by him. Yet he does not say, speaking of his life's hardships, "I count these things as nothing in comparison with my position as leader . . . the fact of my sainthood . . . my contribution to the Bible."

We know what his life-ambitions were: "to testify the good news of the grace of God"; "to gain Christ—to know him—to share the power of his resurrection, the fellowship of his sufferings"; and "by all means to win some." These things he did; these things no hardships and no enemies could keep him from doing. With these things on life's credit side, the debits were trifling.

Report From Your Congress

by Cong. E. Ross Adair
Fourth District, Indiana

VETERANS' LEGISLATION—The House Committee on Veterans' Affairs, of which I am a member, is currently holding hearings on approximately 30 bills which have been introduced to extend the so-called GI Bill of Rights to veterans of the Korean conflict.

These hearings have been going on for about two weeks and will continue for some time yet before a bill is agreed upon and reported out. What the final form of that bill will be cannot be determined until the hearings are concluded.

At the conclusion of the hearings, the Committee has voted to hold hearings on the recommendations of the Hoover Commission for reorganizing the Veterans Administration.

UNIVERSAL MILITARY TRAINING—During the first two months of this second session of the 82nd Congress, interest has centered on the issue of Universal Military Training, or rather, a program of compulsory peacetime military service. From all corners of the Fourth District, my office has daily been in receipt of many letters on this subject. In fact, the issue has stirred up more concentrated mail than any other subject during this Congress.

Last week, the House started debate on the controversial bill, H.R. 5904. Suporters of the plan were urging its enactment as the only way to keep the nation both safe and solvent. Opponents were claiming that the legislation was undemocratic, costly and unnecessary. The debate is expected to end this week with voting on amendments and the bill to follow. If anyone would like a copy of the House UMT bill, I would be glad to send one in response to a request to my office, 433 House Office Building, Washington, D.C.

POST CARD COST—One of the pieces of legislation which was approved last year provided for a 10 percent surcharge on purchases of 50 or more postcards. This caused objections from purchasers as well as the post offices. To escape the 10 percent provision, those using large quatities of post cards would make numerous purchases of 49 cards at a time. Now Congress is acting to repeal the penalty provision and post cards in all probability will soon be available at the regular price in any quantity.

REORGANIZATION PLAN—The minority leadership in the Congress has requested that the President submit for consideration the 51 reorganization plans prepared for him by the Citizens Committee for the Hoover Report.

Only one reorganization plan was sent to Congress by the President last year and only one so far this year. The first plan was on the RFC, the Reconstruction Finance Corporation, which has been under fire; the other was on the Internal Revenue Department which was investigated by Congress with the resulting tax scandals.

The purpose of the Reorganization Act of 1949 was to make government more efficient and economical and prevent overlapping and duplication of effort.

Answer to Question No. 1:

Most skin moles are harmless birthmarks. If, however, any mole or wart shows change in size or color, consult your doctor. He will probably advise removal and examination of the tissue to learn if cancer is present. Moles, if located where clothing irritates them, should be removed as a precaution.

Answer to Question No. 2:

Modern medicine is a vast and complex science. It is impossible for any one doctor to know everything about all the different branches. Different specialists may work together as a team or group so that any one patient may benefit from their combined knowledge and special skills. Some groups include members of allied professions such as dentists and physical therapists.

Answer to Question No. 3:

Every infant should be vaccinated against smallpox and given inoculation against diphtheria and whooping cough. Repeat before entering school. Children should also be immunized against tetanus upon entering school, when play may result in the puncture-type wounds that could become tetanus infected.

LADIES LITERARY CLUB

Mrs. Inez Hadsell was hostess for the Ladies Literary Club on February 27.

The president called the meeting to order and Mrs. M. E. Storer read the collect.

Mrs. C. C. Woodcox gave the lesson on Switzerland and Mrs. Stanley Means furnished music on records of folk songs and negro spirituals.

Mrs. V. R. Monroe, entertainment chairman, conducted several competitive games and contests.

The minutes were read and approved. Sixteen members responded to roll call.

The president reminded the club of the convention at Garrett on March 6 at the Presbyterian Church.

The meeting was then adjourned.

COBURNTOWN CHURCH NEWS

Saturday evening the Christian Companion class had their class party at the Cheesetown school house.

Sunday evening at 6:30 the juniors had their Christian Endeavor meeting in the church auditorium. The lesson was given by Shirley Sweet. A special number was given by Darlene Hamilton. Lesson topic was "Growing in Friendliness."

The young people held their C. E. in the church basement. The meeting was called to order by the president, Joan Curie, with the singing of a few songs, led by Betty Mann. Prayer was given by Eddie Hook. The lesson was given by Eddie Hook and questions and the Life Problem were discussed by the group.

At 7:30 church services were attended by 116. A quartet from the Methodist Church in Ashley sang a few numbers.

A reminder has been given of the rally at Garrett on March 23. At 5:30 p.m. there will be a youth banquet.

Adair Announces Candidacy

E. Ross Adair, fourth district congressman, has announced his candidacy for re-election on the Republican ticket in the May 6 primary.

He made the announcement simultaneously with the filing of his formal declaration of candidacy with the secretary of state at Indianapolis.

Serving his first term, Adair was elected by a majority in excess of 16,000 votes in the 1950 election in his first bid for public office.

He will be seeking a second term of two years in the U. S. House of Representatives in the district embracing Allen, Adams, DeKalb, LaGrange, Noble, Steuben, Wells and Whitley counties.

During his service in the House, Congressman Adair states that he "has faithfully tried to bring about honesty and integrity in our government," and "fought to eliminate waste and extravagance in the giant bureaucracy which has been sapping the resources of our nation and the funds of the taxpayers."

He adds that "I have worked to build up the defensive strength of the country against atheistic communism both here and abroad and for the adoption of a foreign policy in which our people can have confidence."

Adair is a member of the important House committee on veterans affairs and was highly honored during his first term by being seletced to read Washington's farewell address before the House last year.

Among the legislative measures introduced by the fourth district representative were a resoltuion calling for the resignation of Secretary of State Dean Acheson on a charge of bungling foreign policy and an amendment to improve the handling of government funds in veterans housing programs.

Before coming to Congress, Adair was an attorney in Fort Wayne for 17 years, after obtaining his law degree from George Washington University at Washington, D.C. He also taught school in Noble County. During World War II he was overseas for 19 months with duty in the European theater of operations. He was awarded battle stars for the Normandy, Northern France, Ardennes, Rhineland and Central European campaigns. At the time of his separation from service, he held the rank of major, which rank he now holds in Judge Advocate General Corps.

CULTURE CLUB

The ladies of the Culture Club met at the home of Mrs. Olen Waltz February 27 at 8 p.m.

The meeting was called to order by the president, Mrs. Lester Anthony. The collect was read in unison followed with devotions led by Mrs. Anthony, prepared by Mrs. Lynn Fisher who was unable to be present. A prayer in the form of a poem by Mrs. Fisher was followed by one verse of "I Would Be True," led by Mrs. Merle Furnish.

The lesson of the evening on photography was led by Mrs. Ray Reasoner and an interesting discussion followed.

Critic's report was given by critic pro tem Mrs. Virgil Laux.

Special work on household helps was presented by Mrs. Furnish. Interesting helps were brought to the attention of the club. Roll call was taken and answered by the active members, honorary member Mrs. Earl Hodges of Garrett, and guests Mrs. Walter Heyman, Mrs. James Musser, Mrs. Charles McCreery and Mrs. Dwight McDaniel of Garrett.

The secretary's report was read and approved. Treasurer's report was given by Mrs. Laux.

The club took Mrs. Heyman in as a new member during the business session. Also, it was voted to donat $3 to the Red Cross fund, motion made by Mrs. W. H. Baker and seonded by Mrs. Joseph Baidinger.

The program for the next meeting was read followed by a motion for adjournement by Mrs. Roy Reidenbach, seconded by Mrs. Sam Armstrong.

The hostess and co-hostess, Mrs. Sam Armstrong, served delicious refreshments.

Elegant Chocolate Pie

There's something about a smooth chocolate filling set in flaky pastry shell and topped with a high hat meringue that is absolutely irresistible. But a tempting drizzle of melted chocolate is added anyway!

Chocolate Pie is one likely to be included in everyone's list of favorite desserts, for it is both rich and handsome.

Your baker makes Chocolate Pie to perfection, but you can make it at home, too, at a cost of only 8 cents for a big luscious cut. Start with an enriched flour pastry for that tender, flaky shell, and also for its good nutritional bonus. Because of the B-vitamins and iron of enriched flour, and food values of milk and egg, Chocolate Pie is surprisingly "good-for-you."

To have the pastry just as you desire it, fit it loosely into the pie pan. Gently pat out air pockets and then flute edge for a handsome effect. Prick the bottom and sides of the pastry with a fork to avoid puffing during baking. Allow shell to cool thoroughly before adding chocolate filling.

If you have egg yolks on hand for the filling, but no egg whites for meringue, use whipped cream as topping and garnish with chopped nuts.

CHOCOLATE PIE

Pastry

1 cup sifted enriched flour
½ teaspoon salt
⅓ cup shortening
1½ to 2½ tablespoons cold water

Sift together flour and salt. Cut or rub in shortening. Add water. Mix into a dry, crumbly dough. Toss out on lightly floured pastry cloth. Press dough together. Roll out about ⅛ inch thick. Line 1 9-inch pie pan. Prick with fork. Bake in hot oven (450°F.) 8 to 12 minutes. Cool. Fill with Chocolate Filling.

Chocolate Filling

2 squares unsweetened chocolate
1 cup light brown sugar
3 tablespoons enriched flour
3 eggs, separated
1½ cups scalded milk
2 tablespoons butter or margarine
1 teaspoon vanilla extract
6 tablespoons granulated sugar

Melt chocolate over hot water. Add sugar, flour, egg yolks and milk. Cook over hot water until thick, stirring constantly. Remove from heat. Add butter or margarine and vanilla extract. Pour into pastry shell. Cover with meringue made from the egg whites and granulated sugar. Bake in slow oven (325°F.) about 15 minutes, until meringue is golden brown. Drizzle melted chocolate over top, if desired. Makes 1 9-inch pie.

Call out the Reserves
with a touch of your toe!

Most cars lead a double life.

A good part of the time, they're running errands, taking children to school, taking women to stores, taking men to work, taking family and friends to clubs and social functions.

It doesn't call for a very great output of horsepower for duties like these.

But there are times when you want a car that can do vastly more, and these are the times when you'll want what this year's ROADMASTER has to offer.

Beneath its proud hood, there's a Fireball 8 Engine—a valve-in-head that can let loose 170 lively horsepower when needed.

And—alongside this engine—there's also an Airpower carburetor which thriftily feeds fuel and air through two smaller-than-usual barrels for normal driving—which means that you now use less gas at 40 than you'd formerly use at 30.

But there are two barrels in reserve—waiting for you to call them into action—and they let loose a soaring rush of power that sinks your shoulders back into the seat cushion, swoops you past a truck—out of a tight spot—up a hill—sets your speedometer needle to registering added miles more than twice as fast as your watch can tick off the seconds.

This is an experience you certainly should know firsthand.

You should also know how Buick's Power Steering* provides a helping hand in slow-motion maneuvers—lets you keep the "feel" of the car in straightaway driving.

And just for good measure, this '52 ROADMASTER also has the biggest brakes of any postwar Buick—the greatest trunk space since spare tires moved off the front fenders—a warning light that glows when the parking brake is set—and to top it all, the smartest interior fabrics that Buick has ever offered.

When are you coming in to look this distinguished performer over? We urge you to make it soon.

Equipment, accessories, trim and models are subject to change without notice.
*Optional at extra cost on ROADMASTER only.

Sure is true for '52

Spencerville News

Mr. and Mrs. George Beams were Sunday afternoon visitors with Mr. and Mrs. Bernard Tappman and children of Fort Wayne. The Tappmans were formerly residents of the Spencerville community, having lived on the Beams farm.

Mr. and Mrs. Richard Calbeck have returned home from Ligonier where they spent the latter part of last week. Mr. Calbeck was nursing the flu but is able to be back in school again.

Mr. and Mrs. Charles Kimes and family of Crooked Lake were Saturday evening callers in the Charles Kimes, Sr. home. Also Mr. and Mrs. Jerry McEwen and son and Mr. and Mrs. Bernard Kimes of Fort Wayne visited in the same home. Sunday callers were Bisks Erick of Spencerville, Mr. Roy Simmons of Fort Wayne and Mr. and Mrs. Glen Kimes and children of Angola.

Mr. Henry Shook and daughters of Auburn were Sunday evening callers on his mother, Mrs. Winifred Shook.

Cleaning Dates For County

County Agricultural Agent Ernest J. Lesiuk has announced the schedule for cleaning and treating of seed for DeKalb farmers.

The county agent urges all farmers to clean and treat oats before spring sowing. Two cleaners again will be operating on the schedule. They are H. J. Dickison of Butler Township, telephone 905-W2 Garrett, and Ewald Schmidt of Wilmington Township, telephone 19F-13 Butler. Farmers will need additional help and sufficient clean sacks. Each farmer will be expected to furnish two men to operate the machine.

Cleaning price this year is eight cents a bushel and treating an additional four cents. In the event weather conditions result in a delay in the schedule, the cleaner will return to the township after the schedule is completed.

Following are the dates for cleaning in the various townships, the cleaner and the committeeman to be contacted by the farmer.

Mar. 17, 18—Smithfield, Dickison, cleaner; committeeman, Roy King of near Waterloo; Franklin (southeast), Schmidt, cleaner; committeeman, Charles Ratts of near Butler and Franklin (northwest), Schmidt, cleaner; committeeman, Millard Rosenberry of near Butler.

Mar. 19, 20—Fairfield, Dickison, cleaner; committeeman, Jay Sutherland of near Ashley and Troy, Schmidt, cleaner; committeeman, Boyd Jennings of near Butler.

Mar. 21, 22—Richland, Dickison, cleaner; committeeman, Heber Haynes of near Garrett and Stafford, Schmidt, cleaner; committeeman, Andrew Grube of near Butler.

Mar. 24, 25—Grant and Union (west of Auburn), Dickison, cleaner; committeeman, Ora Crooks of near Waterloo and Union (east of Auburn), Schmidt, cleaner; committeeman, Ivan Rosenberry of near Butler.

Mar. 26, 27—Jackson, Dickison, cleaner; committeeman, William Essig of near Auburn and Concord, Schmidt, cleaner; committeeman, William Larowe of near St. Joe.

Mar. 28, 29—Keyser, Dickison, cleaner; committeeman, John Chittenden of near Auburn; Spencer, Schmidt, cleaner; committeeman, Lester Anthony of near St. Joe and Newville, Schmidt, cleaner; committeeman, Wilbur Beree of near St. Joe.

Mar. 31, April 1—Butler, Dickison, cleaner; committeeman, H. J. Dickison of near Garrett; Wilmington, Schmidt, cleaner; committeeman, Ewald Schmidt of near Butler and Ivan Rosenberry of near Butler.

The St. Joe News

VOLUME LXVII — ST. JOE (DeKalb Co.), INDIANA — Thursday, March 13, 1952 — NUMBER 11

Around the Town

With the Editor

Now it can be told—told in all its glory. .

State road 1 between Spencerville and Leo is now OPEN. Believe it or not, it's no longer necessary to suffer the jakes on the detour or other round-about ways of getting around the wash-out.

I heard Monday morning that it would be open but couldn't believe it. But a trip to the spot convinced me that it was true. In fact, a state highway truck was just hauling away the last of the warning signs that were set up for the detour.

Ah government. It makes you so happy to get back what you've paid for and should have had in the first place months ago. Ten months to get one lousy little wash-out washed back in. At that rate the coliseum in Fort Wayne would be finished in about 1972—if the state highway department had anything to do with it.

The boys who bum the hot dogs —I told you about 'em last week —were in the shop last wek-end. Timmy Braden was one of them. One of the dog-eaters said, "Timmy, if you ate a lot of hot dogs, you'd get your name in the paper, too!"

Fred Knott of Auburn stopped in last week. I hadn't seen him for some time. We talked some about his building a house and the difficulties encountered by an amateur builder. Also the problems and circumstances of writing—prose and poetry. Fred has authored many verses and left a copy of his interpretations of the good words in the Bible in poetry.

Here they are:

The Shepherd and His Sheep

(The Shepherd Speaks)
John 10:14, 15, 16

I am the good Shepherd
And I know my sheep
And my sheep know me
For my message they keep.
As the Father knows Me
And I know Him, too,
I lay down my life
That my sheep may come through.
And others I have
Which are not of this fold
Them too I must save
And my message unfold.
They shall hear My voice
And become as one flock
There shall be but one Shepherd
No image to mock.

(The Sheep Speaks)
The 23rd Psalm

The Lord is my Shepherd
This true, I'm His sheep
Through Him I'll not want
For His message I keep.
My rest He makes pleasant
Where pastures are green
And my pathway He leads
Where still waters are seen.
My soul is restored
And He leads me to take
The righteousness path
Yes, for His name's sake.
Yea, e'en though I walk
Where death shadow assails
I still feel no evil
For Thy presence prevails.
Thy rod and Thy staff
Are real comfort for me
And my table is spread
Where my enemies see.
My head is annointed
With oil, through Thy will
And my cup runneth over
Instead of the fill
So, goodness and mercy
Shall ever be rife
And follow me always
The days of my life.
And the home where I'll dwell
When at last my life's o'er
Is the House of the Lord
Yes with Him evermore.

Stopped in at the gym Monday evening for a little while and saw the Lutheran youngsters from St. Joe play the Spencerville team. For some of the littler ones, shooting the basketball ten feet in the air was as much of a load as carrying the world on their shoulders. —But they tried.

St. Joe won 22-14. Here's the scoring for St. Joe: D. Sechler 10, D. Baker 0, Carpenter 0, E. Collins 8, Dilley 1, Roberson 2, G. Collins 0. For Spencerville: Brendle 0, Akey 4, Evans 2, Tramme 1, T. Hollabaugh 6, G. Kummer 1, J. Hollabaugh 0, P. Hollabaugh 0, T. Kummer 0.

Coach "Buck" Ritenour of the Spencerville church boys used his second team of 4-footers in the last minutes so they'd all get a chance to play. St. Joe got 3 buckets then to put the game on ice.

Auburn Wins 4th Straight Regional

Auburn coasted to an 84-52 victory over the Decatur Yellow Jackets Saturday evening to win the Fort Wayne regional and the right to face Muncie Central next week-end in the semi-finals of the Indiana high school basketball tornamuent.

The win Saturday evening was a breather compared to the uphill battle the Red Devils faced in the afternoon contest against Central of Fort Wayne. Mid the deafening roar of the fans, Auburn overcame an 8-point deficit at the three-quarter mark and bottled up the Central aggregation in the final period, holding them to but 6 points. The Red Devils were dumping in 17 in the meantime.

The first quarter ended at 14-all and a 31-27 edge went to Central at the half. The three-quarter rest period ended at 40-32 before the Redmen pulled the game out of the fire in that rousing final quarter to win 49-46.

Cal Grosscup led the scoring with 21 points. Overbolt of Central had 15 and Reynolds of Auburn 11.

In the evening contest, Decatur led but once at 3-2 in the opening minute of play. Auburn quickly began to click and ran up a 14-7 lead at the end of only two minutesof play. The first period ended at 26-12. Half-time score was 43-27, and the three-quarter margin 66-37.

Grosscup again led the scoring this time with 30 points. Reynolds had 15 and Webb 13. Moses, Decatur's speedy guard, made 22 and Morrison 12.

4-H TRACTOR MAINTENANCE MEETING

The 4-H Tractor Maintenance Club met Monday evening at the Culbertson Implement Store in Auburn. The meeting was called to order by the president, John Witt. The pledge to the American and 4-H flags were led by Jim Stahl of Smithfield Township. Group singing was led by David Dilley. A demonstration was then put on by Ronald Parker and Jim Knot on what might happen while puting fuel in a tractor while it was running.

Forrest Munbower, a representative of the International Company, showed slides on the carburetor. Dan Johnson then showed how to clean and adjust the carburetor.

The group was divided into three sections and all of the boys were given a chance to adjust the carburetor.

A game was played followed by refreshments.

There were about forty members at the meeting.

R. U. Bowser Passes Away

A Spencerville livestock dealer, Raymond U. Bowser, 73, died at the Sanders Hospital in Auburn at 12:45 p.m. Thursday. Mr. Bowser suffered a stroke ten days ago and had been hospitalized since that time. He had resided in Spencerville for the past forty years.

He was born in Allen County near Huntertown on September 17, 1878, the son of the late Theodore and Celia Bowser. He was married to Miss Ethel Brockerman on October 25, 1899. The couple had been married over fifty years. The widow survives.

Also surviving are 2 sons, Roy Bowser of St. Joe and Gale Bowser of Spencerville; two daughters, Mrs. Cleo Reed of Spencerville and Mrs. Ada Whitacre of Highland, Ind.; eight grandchildren; two great-grandchildren and a brother, Homer Bowser of Xenia, O. Another brother, Ivan, preceded the Spencerville man in death.

Mr. Bowser attended the Union Chapel Church near Huntertown.

Pancake & Sausage Supper Friday

Suppertime Friday evening will be no problem for the community.

The Legion Auxiliary is sponsoring a second pancake and sausage supper this Friday, March 14, at the post home in St. Joe.

Serving will start at 5:30 p.m. Adult and small serving for children will be offered.

CHICKEN SUPPER NEXT THURSDAY, MARCH 20

A chicken supper will be served Thursday, March 20, at the Newville Evangelical U. B. Church. Serving will continue from 5 until 7:30 p.m. CST.

The menu consists of creamed chicken, mashed potatoes, choice of Harvard beets, string beans, or creamed corn, perfection salad, pie, coffee and relish.

Adult plates will be one dollar and children's plates fifty cents.

PAST PRESIDENT PARLEY TO HAVE BAKE SALE

The past president parley of the Legion Auxiliary is sponsoring a bake sale at Burgoyne's Hardware in Auburn on March 22.

Harriett Baker is chairman.

All members of the auxiliary are asked to donate baked goods for the sale.

Bedford Takes AAU Tourney

Bedford will be Indiana's representative in the national A.A.U. basketball tournament. Bedford defeated Michigan City Moose Sunday night at Bedford in the state finals of the A.A.U. tourney.

Sechler's Pickles were dropped in the opening afternoon tilt by the Moose 58-52. The 52-point total represents the lowest score the locals have made this season.

Michigan City floored a big team, overshadowing Pickles in height at every position. As a result, St. Joe's entry was weak on rebounding, offensively and defensively.

Schroer was high point man for the Pickles with 16.
